Cisco Begins Peanut Dryer Work Plans

A survey committee began work today on plans to build a peanut drying plant and storage warehouse for this region after local farm and civic leaders agreed Monday night that the project was needed and possible.

The group met at the Chamber of Commerce offices. The survey committee was named as follows: Douglas Fry, chairman, J. P. McCracken, Sam Kimmell, Gene Abbott, J. R. Reckter, Don Schaefer, Ken Bostick, Troy Lamb and Oscar Schaefer. Jim Smothers, manager of the CofC, was named secretary of the committee.

The project definitely will include a 20-unit drying plant for peanuts and a large storage warehouse, Mr. Smothers said. It also was decided that it would be built in Cisco.

The survey group plans to meet again next Monday night to decide whether the project will include a peanut shelling plant, the definite site, and whether to form a cooperative or a corporation to own and operate the plant.

Mr. Smothers said they also would invite machinery manufacturers to attend the meeting to help determine the investment size. It will exceed \$100,000, he added.

A representative of the Farm Home Administration, which will be asked to help with financing, will also be invited to the meeting to outline plans for setting up the organization and applying for a loan, Mr. Smothers said.

"Workers are enthusiastic about the outlook and the need for a peanut plant," Mr. Smothers said. "They are convinced that it will provide a service that our planters de-

Card Of Thanks

We wish to extend our heartfelt thanks and appreciation to our Carbon friends and neighbors for their kindness to us at the time of the death of our loved one. The abundance of food, flowers, and the many words of sympathy will always be gratefully remembered.

Rain And Hail Fall in County

A day full of weather Tuesday brought Eastland County a high-wind sandstorm, an inch and a quarter of rain, and light, pea-size, hail.

The wind blew fiercely most of the day, slowing at mid-afternoon as the sky clouded and darkened, and at 4 p.m. the rain and hail came through. After a heavy, pounding rain, it appeared to clear, and it wasn't until about 8:30 p. m. that it began again for a short period. Then later in the night a third downpour came.

Thunder and lightning accompanied the last shower.

The total measurement was 1.25 inches Official Weatherman James Smith reports. Temperatures remained mild.

Members of the Chamber of Commerce are doing everything we can to assist with the progress of the project."

Stamey led in this crusade and upon the assurance of added money, he resigned.

C. J. Turner was president for the next two years. Ill health befell him and he was forced to resign within a very few months after moving into the administration building.

With the new building, a new board of regents who elected Grady C. Hogue as president and E. W. Mince as dean, Coliege Hill, home of Cisco unior College, took on a new perspective.

The college is now a member of the Southern Association of Junior Colleges and it has established a CJC Memorial Fund, which makes possible many scholarships to deserving young people.

MISS WANDA WATSON

Miss Wanda Watson, a North Texas State University graduate, began her duties in Eastland County as assistant home demonstration agent on Oct. 1. She replaced Miss Delmella Dunn, who is presently serving as home demonstration agent in Meridian, Bosque County.

Receiving her B. S. degree in Vocational Home Economics at North Texas, Miss Watson has been in training as junior assistant in Fall County since she graduated in June of 1965.

She is the daughter of Mr. and Mrs. W. J. Watson of Jonesboro and in this county, she will be working with 4-H Clubs.

Cisco Pottery Plant Employs Night Crew

The Cisco Clay Products, Inc. pottery plant now has a night shift, stated Othell Reeves, manager.

The new shift, from 4:30 p.m. to 1 a.m., started Tuesday with eight employees, four from Cisco and four from Eastland.

With the two shifts, the plant is now manufacturing 20,000 to 25,000 clay flower pots per day, Mr. Reeves esti-

ated. Besides Mr. Reeves, there are 22 employees.

The plant, which reopened under its new name last fall, has been receiving orders from florists and nurseries in several Texas cities. Some of these are Fort Worth, Dallas, Houston, San Antonio, Lubbock, Big Spring, Colorado City, El Paso, Odessa, Midland, Huntsville and Wichita Falls.

Burke Musgrove

(Continued from Page One) Austin.

Widely known in youth development work, Musgrove was the program co-ordinator of the first statewide Attorney General's Youth Conference in which over 1,200 high school leaders participated. The Conference, now annual, has been a key factor in curbing the state's rapidly rising juvenile crime rate.

Musgrove has worked with numerous state officials as the co-ordinator for eight years of the American Legion Boys State program, held each year in Austin and in the State Capitol Building itself. This program has afforded thousands of young Texans—and young Americans—with the inspiration to become active, participating citizens. In recognition for his outstanding service to youth, the Breckenridge Lions Club awarded Musgrove honorary membership.

"I desire to be of service to this area," Musgrove said in announcing his candidacy, "in order that I might repay some of the blessings and opportunities that have been provided me." "It is certainly an honor and a compliment to be encouraged by many friends to offer my service in the capacity of State Representative. However, to be successful I will be calling on more and more of my friends, acquaintances, and lots of people I have not yet met to assist with my campaign. This promises to be a long and costly campaign — one which I cannot finance without broad-based support from the many of you interested in good government and effective, energetic, representation."

"I'm working to win — not only the race, but for our 5-county area," Musgrove concluded.
