The stage curtain, which had been closed, was about five inches off the stage floor. Through this narrow opening, those in the audience could see many slipgirls took advantage of the It didn't look like evidence of being had by all.

## No Contest In **School Trustee Election April 7**

There will be no contest in the election of trustees for the Winters Independent School District, scheduled for Saturday, April 7.

Two incumbent board members had filed for re-election to their places on the board, Billy Joe Colburn for Place No. 6. and J. P. Dry for Place No. 7. One candidate had filed last week for Place No. 6, on the last day for filing, but withdrew from the race by letter a couple of days later.

W. T. Billups will be on the ballot for re-election to the Runnels County School Board. Only voters of the school district who reside in County Precinct No. 2 will be eligible to vote for the county school board member.

Absentee voting in the school trustee election will begin Monday, March 19, at the school business office.
