NUMBER 48

## HOME TOWN Talk

By R. C. THOMAS

Dirty dinero? Filthy lucre? Is the nation's economy obscene?

According to the Daily Record of Hickory, N. C., it just might be.

In a recent editorial, the newspaper cryptically summed up the country's sagging financial state:

"America's economy has degenerated to a pornographic level. Interest rates are topless and the stock market is bottomless. The language of mortgage hunters is shocking and inflation has left many of us over-exposed.

"If this keeps up, we're going to have an X-rated nation."

A salesman became tired of his job and joined the police force. Several months later a friend asked how he liked his new position.

"Well," he replied, "The pay is fair and the hours are satisfactory, but what I like best is the fact that the customer is always wrong."

Dog poisoning has begun again... or perhaps it has never stopped. Dr. Jimmy Smith, Winters vet, reports that three dogs were brought to him recently; he managed to save one of them, but the other two died.

Notwithstanding the fact that Winters could do with fewer dogs running the streets, unclaimed or unchained, poisoning is not the answer. Just think what could happen if a dog should happen to pick up a piece of poisoned meat, and take it into a house where there were small children who might get hold of it! It isn't a pleasant thought. But perhaps those who drop the poison do not do a great amount of thinking.

Once in a while it needs to be said. Many of us are always ready to criticize those who take care of our public business. And most of the time our criticisms are without knowledgeable foundation. We take something for granted, from what we hear on the street perhaps, or from what we guess, and go from there. We seldom have our facts as straight as they should be. This is not to say that criticism is not good, in many instances; it can be used to advantage. But...

Take the City Council, for instance. There is a group of men who are giving of their time and efforts and experience to take care of our business. And yet, we seldom take the time to give them a word of thanks; the only time we think about them is when things are not going as we would have them go, regardless.

In all times, those people who serve on that governing board have weedy rows to hoe... and now, more than in a long time, their jobs become more difficult. Having to continue providing services and facilities to all residents of the city, in the face of climbing inflation low incomes and high outgoes is not the most pleasant thing. They've got a lot of problems, but they stay in there and pitch, trying to do what is best for the entire community. They need a word of encouragement once in a while.

## Griff Brown Is Delegate To National Meet

Griff Brown, of Winters Construction Co., was named as a delegate to the national convention of the Association of Oil Well Service Contractors, to be held in Hawaii in June. Brown was named delegate during a meeting of the area service contractors in Abilene Monday night.

Also attending the Abilene meeting Monday night was Earnest Brown, of Winters Construction Co.

## Winters Riding Club Meeting

The Winters Riding Club will meet at the home of Skippy Sheppard, 109 Mel St., Friday at 6:30 p. m.

A club queen will be nominated during this meeting. Members and others interested are urged to attend.

WINTERS CITY COUNCIL—This photo of the Council was taken during the regular meeting of the group, while they were discussing the financial situation of the city. Clockwise from the lower left, they are, Al-

dermen James West and Buddy Miller; City Secretary Buford Baldwin; Mayor Homer Hodges; Aldermen E. E. Vaughan, Clifton Poe and Woodrow Watts.

## Audit Shows Inflation Biting City Budgets

Such are the devastating effects of run away inflation, on municipalities as well as private enterprise and individuals, a comparison of audit reports for the City of Winters for the past fiscal year with those of a few years ago—it would appear that the reports are for two different cities.

Most of the difference is in the cost of doing business, with little difference in income figures. Where a few short years ago, the City of Winters was in an enviable financial

position, compared with other cities of like size, this is not so true today. This is not to say that the City of Winters is broke, or near bankruptcy; it is to say, however, that the financial structure of the City is not so strong as it once was. And the culprit is inflation.

In a report by the auditing firm which did the annual audit for the City of Winters for the fiscal year ended September 30, 1974, figures in all departments have grown over the past years, and even spread to additional columns. A study of

the Comparative Combined Statement of Cash Receipts and Disbursements for all funds, printed elsewhere in this issue of The Enterprise, will convince even the most skeptical of the seriousness of inflation.

For instance, total receipts, for all departments, for the fiscal year ended Sept. 30, 1973, showed \$748,861.38. For the following fiscal year, ending Sept. 30, 1974, this had climbed to \$973,981.74. Total disburse-

(Continued on Page 6)

## City Electric Rates To Be Increased 10% In April

Electric rates for the city of Winters, for both residential and commercial users, will be increased 10 percent with the April billing, the Winters City Council announced Tuesday.

The increase will be evident for bills prepared from read-

ings March 15, it was stated. City officials said the 10 percent increase is made necessary by the ever-increasing cost of fuels and other materials used by the city-owned power plant. It was pointed out that natural gas,

which is used to power the generators, has increased in price from about .20 cents per thousand cubic feet a year ago to .5560 cents at this time, with another increase to .6055 cents to be effective March 1.

(Continued on Page 6)

## Hospital Exec To Be Speaker At C-C Banquet

Richard L. Spalding, senior vice president of Hendrick Memorial Hospital, Abilene, will be the principal speaker at the annual membership banquet of the Winters Chamber of Commerce, Friday, February 14.

The banquet will be held in the school cafeteria, at 7:30 p. m.

The annual banquet is the occasion when new officers and board members of the Chamber of Commerce are publicly introduced, and the board and officers of the previous year are recognized for accomplishments.

## Twelve Students Completed Nurse Aide Course, Got Certificates Friday

Twelve women have completed the nurses' aide course sponsored by Central Texas Opportunities, Inc., and received certificates at a graduation program Friday evening in the Humble Building.

The students receiving certificates completed 70 hours of classroom instruction and actual floor work in the hospital and nursing home.

Those receiving certificates were Mrs. Lillian Andrae, Mrs. Rosa Coleman, Mrs. Carolyn Roberts, Mrs. Paula Patton, Mrs. Sherry Harper, Mrs. Dora Taylor, Mrs. Mary Kurtz, Miss Bertha Yates, Miss Shirley

Eldred, Miss Adriane Edwards and Miss Sarah Parramore.

Mrs. R. C. Kurtz, director of the Winters Multi-Purpose Center, gave the welcome at the graduation program. E. W. Scott, program director of the sponsoring Central Texas Opportunities, Inc., was the guest speaker.

Mrs. Jo Miller, LVN, was teacher of the course. She spoke to the group during the evening program.

Members of the class served refreshments following the presentation of graduation certificates.

## Cong. Krueger To Hold "Report" Session Tuesday

Congressman Bob Krueger, 21st Texas District, will hold a public meeting Tuesday, February 11, from 4 to 6 p. m., in the Community Room of the First National Bank in Ballinger, at which time he will make a report on his work in Congress and discuss legislation and other matters.

All residents of Runnels County have been invited to attend this meeting.

The Congressman is opening an office in San Angelo, and residents of the 21st District have been invited to visit there.

## Blizzard Band To Present Concert Monday Night

The Winters High School Blizzard Band, under direction of Kirke McKenzie, will present their annual public concert next Monday evening, February 10, in the school gymnasium. The performance will begin at 7:30.

This will be a "Sweetheart" concert, McKenzie said, and band members will wear formal dress instead of band uniforms.

During the program, announcement will be made of the senior girl band member chosen as Band Sweetheart.

Senior members of the band will be recognized and honored during the program, and marching awards will be presented. Also, a special award for the "most determination" will be presented to one of the band students.

The Flag Corps marcher of the year, will be presented. Emily McKnight has already been announced as marcher of the year.

The band will present marches, folk music, Stephen Foster music, modern, popular music, and a piece of music which has been requested many times, "God and Country Overture."

First row: Tanya Whitlow, Denise Rodgers. Second row: Sheree Tekell, Lana Burns, Robbie Morrison, Julie Spraberry, Debbye Smith, Keri Lynn Laughon, Betty Hood.

Third row: Elvia Gann, Becky Gerhart, Cathy Schwartz, Becky Dean, Susan Byrns, Jan Smith, Pattye Smith, Lisenell Brown, Mary Kay Bauer, Kathy Gehrels, Francis Cooper.

Fourth row: Geoff Sanders, Steve Boykin, Tobin Burns, Donald Rogers, Robert Englert, Glen Colburn, Ronald Stevens, John Pasrramore, Don Geismann, Mark Bryan, Mike Meyer.

SUBSCRIPTION RATES	
One Year, In Runnels and Adjoining Counties	\$4.50
In Other Texas Counties	\$5.75
Out of State	\$6.50

## Mrs. O'Connor's Weekly News Column

America's favorite food companions—beef and potatoes—are available right now in abundance for your frequent use and good, hearty eating.

Making specialists of the U.S. Department of Agriculture say that beef supplies are expected to be plentiful in January and February. Lower grades of beef account in large measure for the unusually big supply available now.

The 1974 storage supply of potatoes is at a record level with all growing regions showing substantial gains compared with year-ago levels. Supplies of fresh and processed potatoes are expected to remain plentiful through the winter of 1975.

Good meal planning begins generally with these two basic foods. And, with the appearance of less familiar and less expensive types of beef available, there are almost as many menu variations to adapt as there are ways and means of preparing potatoes.

The natural companions would include French fries with hamburgers, mashed potatoes with a rump roast, baked potatoes with a standing rib roast, fried or hashed brown potatoes with pan-broiled cuts of beef. There are many ways to combine beef and potatoes in a one-dish meal. One example is this beef chowder:

- 1 lb. beef for stew, cut in 1/2 inch pieces
  - 2 cups water
  - 6 medium potatoes
  - 2 medium carrots, thinly sliced
  - 2 medium onions, diced
  - 2 tsp celery salt
  - 2 tsp salt
  - 1/2 tsp pepper
  - 2 cups reconstituted dry milk
  - 1 tsp parsley flakes
- Place beef in a Dutch oven or soup kettle, add water, cover and cook slowly 1 hour. Pare potatoes and cut into 1/2 inch cubes (about 5 cups). Add potatoes, carrots, onion, celery salt, salt and pepper. Cover and cook slowly 30 minutes or until meat and vegetables are tender. Add reconstituted dry

milk and parsley flakes and continue cooking, covered, for 10 minutes. Yield: 6 servings of 1 1/2 cups each.

**Potato Hints:**  
Insert an aluminum or stainless steel kitchen nail into each potato before placing in the oven. This will promote uniform baking. Don't ever attempt to bake a full-skinned mature potato without puncturing the skin—it might explode.

Peel only a narrow strip around Irish potatoes to be boiled. The skin will then come off easily when the potatoes are cooked.

If your soup is too salty, cut a raw potato in half and put it in a small kettle of soup. Boil for a short time until the over-saltiness disappears. Then remove the potato.

Hot milk is better than cold milk for adding to potatoes to be mashed. A teaspoon of baking powder added before mashing will make them light and creamy, especially if they're whipped briskly.

Sprinkle the sliced potatoes to be fried with a pinch of flour to make them a golden brown.

### Relative of Local Residents Died In Louisiana

Jim Hood of Monroe, La., died suddenly Thursday morning in Louisiana.

His wife is the former Waldene Schwartz of Crews. He was a brother-in-law of Mr. and Mrs. M. W. Boles of Winters. He is survived by his wife and two children.

Mr. and Mrs. Boles attended the funeral service.

Hardest thing to keep on the tracks is a train of thought.

## STATE CAPITAL Highlights AND Sidelights

by Lyndell Williams

AUSTIN, Tex. — Gov. Dolph Briscoe gave the Legislature a new set of figures to ponder—his \$11.6 billion (all funds) version of the 1976-77 state budget.

Actually, the Briscoe budget calls for \$3 billion in general revenue outlays over which the Legislature has direct control. In effect, this is \$294 million less than Legislative Budget Board's earlier recommendation which forms the basis for Senate Finance and House Appropriations Committee hearings.

Briscoe handed his document to lawmakers with his standard warning: that he will not approve an appropriations bill that requires new or increased taxes.

While the Governor's executive budget document is \$1.1 billion below estimated general revenue income, it does not include the funds he has promised for public school finance equalization and for emergency measures he has recommended.

His school finance plan, his budget aide estimates, will require another \$600 million to \$650 million. Emergency school spending and increases in state employees' pay and retirement benefits for state workers and school teachers will absorb about \$280 million more.

When you add it all up, by Briscoe's own calculation, only about \$60 million of a one-fat surplus would be left over if the executive budget is implemented. Cranking a sizable school finance plan adjustment into the LBB budget would leave no surplus at all.

Texas Research League renewed its warning that a major tax bill in 1977 is "almost a certainty" considering the course of budget recommendations to date.

**CLAIMS ACCEPTED**  
Texas Employment Commission began taking claims for extended unemployment benefits February 1.

Those eligible to file are unemployed persons who have filed initial claims for benefits within a year before January 26 and have exhausted their benefit eligibility under old regulations.

Payments will be made at the same rate as for regular unemployment insurance, but the total extended benefits will equal only 50 per cent of regular benefits. A new federal program may pay extended benefits in the same amount as regular extended state benefits.

The extended benefits are available only so long as the rate of unemployment remains at levels specified by law.

Claimants who file for extended benefits on or before February 19 may file claims backdated to include January 26 if they meet usual requirements for unemployment insurance. Claims may be filed at the nearest Texas Employment Commission office.

**UNITIZATION BACK**  
One of the explosive issues of the 1973 Legislature — oil field unitization — is back for another round.

Thirty-three representatives introduced it in the House in a "majority-consent" form.

The bill would allow owners of an oil field to join in a common production system to improve operational efficiency, make better use of the secondary recovery techniques and recover more oil from the ground.

—Rep. David Finney of Fort

Worth, the lead sponsor, claimed the legislation and full application of advanced technology could add at least

two billion barrels of oil to reserves in Texas fields, and that an additional seven billion barrels may be recoverable by 1985.

Under present law all working interests and royalty owners in a field must agree to unitize production. Under the bill 75 per cent of producers and royalty owners could require unitization.

### AG OPINIONS

The Legislature can limit the amount of funds that the State Board of Education can set aside out of the Available School Fund for use in providing free textbooks for public school students, Atty. Gen. John Hill held.

In other recent opinions, Hill concluded:

- The Department of Mental Health and Mental Retardation can allocate unexpended balances as state grants-in-aid to community centers for mental health and retardation services.

- Counties can accept a vendor's lien note as partial payment for county school land and sell the notes at not less than current fair market value.

- A lawyer's correspondence addressed to a grand jury in behalf of a client is not prohibited as long as it contains no threat.

- Alcoholic Beverage Commission is not supposed to reveal the home addresses of liquor licensees.

- Employees of a licensed structural pest control specialist do not have to pay a license fee themselves.

- A county clerk is neither obligated nor permitted to accept a court-ordered waiver of the furnishing of the information concerning age, identification of the applicant or identification of the parent required on marriage license applications.

- Mental patients and the retarded doing institution-maintaining labor are not state employees for fringe benefit purposes.

### COURTS SPEAK

An electrical worker's total disability was caused by a knife cut on the finger, the State Supreme Court held.

Conviction for murder without malice precludes a later conviction in a new trial for murder with malice, the Court of Criminal Appeals ruled in an Austin County case.

The Supreme Court found a defense contractor operating Lone Star Army Ammunition Plant, Texarkana, is not liable for sales taxes on purchases going into ordinance for the U.S. Army.

### PAY RAISE SIGNED

One hundred and twenty-five thousand state employees got a \$93 million pay raise February 1.

Governor Briscoe signed pay bills into law after they made two trips through the Legislature to cure questions as to constitutionality.

Most state employees in the low-to-medium pay bracket will receive a 13 per cent raise, and most of those in the middle-to-highest classification will get nine per cent. Additional raises are promised after September 1, start of the new fiscal period.

## Crews News

Crews Community Center met Saturday night Feb. 1st, a valentine theme was carried out by Hostesses Mrs. Jerv Kraatz, Mrs. Marvin Gerhart and Mrs. Wilmer Gerhart. A good supper was served and 84 games were enjoyed after a short business meeting.

Visitors of Mrs. Burley Campbell were Mr. and Mrs. Doug Bryan, Mr. and Mrs. Marvin Hambricht, Mr. and Mrs. Sam Faubion, Mr. and Mrs. Bob Gideon and family of Abilene, Rev. Steve Walker, Kay Moore, Nila Osborne, Mrs. Buck Smith and Mrs. Alice Traylor of Winters, Mrs. Wilmer Gerhart, Mr. and Mrs. Chester McBeth, Selma Dietz, Effie Dietz, Mr. and Mrs. Buck Campbell of Abilene and Mr. and Mrs. J. M. Martin of San Angelo. Mrs. Campbell wishes to thank everyone for all the cards, visits and food while she was ill.

Mrs. Effie Dietz visitors during the week were Mr. Adolph Ernst of the Merrill Nursing Home of Winters, and Mr. and Mrs. Gaston Ernst, Adrienne and Elissa from San Antonio.

Benny Allcorn and Linda Sparks of Coleman visited the A. S. Allcorns Sunday evening. Visitors last Thursday were

Mrs. Floy Brevard and Miss Willie Hale of Ballinger and Arnold Allcorn of Talpa.

Thursday Mr. and Mrs. Allcorn visited their new great grand daughter Ashley Ann, new daughter of Mr. and Mrs. Charles Allcorn of Winters.

Visitors of Mr. and Mrs. Norville Alexander were their son Jerry and friend Gary Phipps from Tucson Arizona. Denise McBeth attended the Fat Stock show in Ft. Worth over the weekend.

Mr. and Mrs. Rodney Faubion and Gene visited the Arnold Thormeyer's in Winters Sunday. Ladies of Hopewell Baptist Church are giving a shower Thursday night February 6 honoring Jimmy Matthew and his bride-elect Glenda Wearden of Winters.

Mr. and Mrs. Mike Hill of Drasco and Mr. and Mrs. Robert Hill visited Mr. and Mrs. Gary Hill and family in Andrews recently.

Sammy and Jana Brown of Norton spent the weekend with their grandparents the Sam Faubions.

### CARD OF THANKS

Our deepest appreciation to our many friends and relatives for all their prayers, phone calls, visits, and comforting help during the long illness and at the passing of our dear husband and brother, Travis Jordan.

Our special thanks to all who brought food and helped serve. We especially thank Ted Meyers, the pall bearers, and Spill's ambulance service for the many times they carried Travis to the hospital.

We are deeply grateful for the beautiful floral offerings and memorials and for the comforting works of Rev. Crooks and Rev. Wilkerson. May God bless each of you in our prayer. —Hazel Jordan, Eva Kelly, and the Byron Jordan family.

### Merrill Nursing Home News

These rainy, foggy days are just right for dominoes, and Rachel Seldon, Carl Smith and Adolph Ernst are the winners in this game.

Billie Pumphrey entered the hospital last week. We enjoyed Billie while she was in our home.

Two newcomers this past week were W. A. Mitchell and Adolph Ernst. We hope they enjoy their stay here at the home.

The Rev. Mel Swoyer brought the Sunday afternoon service. He also played the piano and led the singing.

Mrs. J. B. Whitlow, social care director, attended the first session of a 36-hour course for nursing home activity personnel held in Abilene Friday and Saturday.

Mr. and Mrs. H. H. Henry and son Gordon of Sweetwater visited his mother, Mrs. Flo Henry, Sunday.

### Bride Honored At Shower Thursday

Mrs. Jimmy Floyd, the former Carolyn Brown, was honored with a tea in the home of Mr. and Mrs. W. M. Hays Thursday of last week.

The bride's chosen colors of orange and yellow were emphasized in appointments at the bride's table.

Out of town guest was the bride's grandmother, Mrs. Wesley Wood of Ballinger.

Hostesses were Mesdames Bill Robinson, Charlotte Davis, George F. Lloyd, Ruby Nell Rougas, H.L. May, W. L. Bean, W. B. Williams and Wesley M. Hays.

### Cancer Unit Met Tuesday

The North Runnels Cancer Society met Tuesday in the office of the Winters Chamber of Commerce.

Reports were heard from Mr. Wire on area meeting. He reported that the Area II meeting was to be in Austin February 6.

Mrs. Pinkerton discussed a rummage sale to be held in the near future.

**GRADUATED—Steelworker**  
Second Class Bobby L. Mayes, son of Mr. and Mrs. J. W. Mayes of 44 E. Dale St., Winters, recently graduated from Steelworker "C" School at Naval Construction Training Center, Gulfport, Ms.

After graduating from Winters High School in 1966, Mayes joined the Navy. He went to boot camp at San Diego and Constructionman "A" School at Port Hueneme, Calif. He has served with various construction battalions and had a tour in Vietnam. He is assigned to Mobile Construction Battalion 62, Sicily.

Mayes is the husband of the former Gleada E. Singleton of San Antonio.

Naval steelworkers erect and dismantle steel structures such as towers, water and fuel storage tanks, hangars and bridges. They perform gas and electric arc welding and determine qualities and type of steel for structures.

They are trained in job planning and estimating metal layout; equipment repair; and specialized welding and wire splicing.

**Sound Advice:**  
By DARYL KING

If you have a hearing problem, and don't wear an aid, at least listen to reason

With a hearing aid, the only embarrassing moment (possibly) is the first time you meet someone. Without an aid, you (and that someone) are embarrassed every time there's conversation.

Your "problem" surfaces again and again. It's a constant source of embarrassment. By contrast, a hearing aid is really a blessing in disguise. It can take a heavy and uncomfortable burden off your social and family life.

We would like to tell you more about it. And we would because we believe that you'll be a much more attractive person with an aid than without one.

If you hear sounds but can't always understand the words—a classic symptom of nerve deafness—you owe it to yourself and those most dear to you to come in for a free hearing test to see if we can help you. I will hold my "Ear" monthly center at Motel Winters, Winters, Tuesday, Feb. 11, 9-10 a. m.

**SCOTT'S HEARING AID CENTER**

**Fix-It Tip**

If you have a fireplace, use it when you can. When it is not in use, close the damper or block the fireplace to keep warm air from going up the chimney.

Lock windows that are closed to seal them better. Renew weatherstripping wherever it is worn. Use storm doors and keep them tightly latched. Close draperies at night but keep them open during the day when the sun is warm.

Turn your thermostat down at night but not more than about six degrees. Any greater amount will require so much extra fuel to get the temperature back where you want it that savings are cancelled out.

**NON-DISCRIMINATION**

Coleman County Electric Cooperative, Inc., has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964 and the Rules and Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. Under this Assurance, this organization is committed not to discriminate against any person on the ground of race, color or national origin in its policies and practices relating to treatment of beneficiaries and participants including rates, conditions and extension of service, use of any of its facilities, attendance at and participation in any meetings of beneficiaries and participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization.

Any person who believes himself or any specific class of individuals, to be subjected by this organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture, the Rural Electrification Administration of this organization, or all, a written complaint. Identity of complainants will be kept confidential except to the extent necessary to carry out the purposes of the Rules and Regulations.

## You really CAN earn MORE DOLLARS On Your Savings

Look how much more a \$10,000 deposit will earn with US than with a BANK

TYPE	Our Rate	\$10,000 At A Bank	\$10,000 With Us	We Pay This Much More
4-YEAR C.D.	7.50%	\$13,363.80	\$13,498.10	\$134.30
2 1/2-YEAR C.D.	6.75%	\$11,764.30	\$11,838.00	\$73.70
1-YEAR C.D.	6.50%	\$10,618.30	\$10,671.50	\$53.20

NOW AVAILABLE - A 6-year, 7 3/4% Certificate of Deposit, \$1,000 minimum, yielding an effective annual rate of 8.06%. Ask us about it!

If you want your savings to earn MORE DOLLARS, open a savings account with US. Come to any of our conveniently located offices, call us or use the coupon below. Savings with us are now insured to \$40,000 by the Federal Savings and Loan Insurance Corporation.

### And what about other investments such as:

• Stocks • Treasury Notes/Bills/Bonds • Money Market Mutual Funds • Floating Rate Notes

Get the real story. See how our Certificates of Deposit compare in earning power, safety and availability. You'll be surprised! Use the coupon below to get your FREE copy of our new Investment Comparison Booklet.

Earnings are based on daily compounding of accumulated interest to maturity. Existing Certificates may be renewed or converted at maturity without penalty but regulations require that earnings on amounts withdrawn before maturity be reduced, from date of issue or renewal, to the regular passbook account rate at time of withdrawal; plus forfeiture of a maximum of 90 days' interest at the same passbook rate. This same rule applies to certificates of deposit issued by banks.

## WASHINGTON REPORT

By Cong. Bob Krueger  
21st District

One of the difficult things to explain about Congress is its procedures and the meaning of votes. The problem arises because often a Congressman will work for or against a particular item in committee or in party caucus and not prevail. For example, one Congressman worked very hard to maintain the oil depletion allowance in committee. He won the compromise of getting it reduced only slightly. Then when he voted for the Bill in the House, he was criticized for seeming to favor a reduction in the depletion allowance.

Last week I voted in Caucus to retain the House Internal Security Committee in its present form as a separate committee. I was out voted. Although I would have preferred to keep HISC as a separate committee, its Chairman, Congressman Ichord, moved to transfer the Committee's responsibility for internal security to the Judiciary Committee. All documents and staff were transferred to the Judiciary and I have been assured by Mr. Ichord that the staff can perform effectively there. After Ichord's motion passed, it became part of a larger package of rules regarding House Legislation. This package was later adopted with 19 of 21 Texas Democrats supporting it, including me.

To have voted against this package at that time would have risked the need to reconsider the whole rules of the House. However, decision to shift responsibility for internal security to the Judiciary would have remained unchanged.

Like Mr. Ichord, I intend to follow the work of the Judiciary Committee to be certain that the internal security needs of the country are maintained. And I hope that in the future Congress will find a way to present bills so that it is easier to understand what is being voted on. It is important that Congress do its work in a way that lets people stay fully informed, and I will do my best to keep you aware of what is happening in Congress and how I am voting.

### Athletic Prowess

Jim Thorpe was the first person to win both the decathlon and pentathlon in the Olympic games. He performed the feat in 1912 and officials later took back his medals, charging he had previously played professional baseball.

## Welfare Department Offers Foster Care Program for Adults

The Texas State Department of Public Welfare is offering a new program. This program is Foster Care for Adults. A foster home for adults is a private home which is operated for the purpose of providing suitable care for compensation and profit. A foster home is licensed for three or fewer recipients 65 years of age or older who do not require nursing care, but are in such condition as to require some personal services and supervision to assure their safety, comfort and emotional well-being.

To be eligible for foster care the person must be ambulatory or ambulatory with assistance. The person whose physical or mental condition requires care in an institutional facility is not eligible for this program. The State Department of Public Welfare Office in San Angelo is now interested in contacting persons who might be interested in contacting persons who might be interested in providing Foster Care for Adults. Anyone interested in providing this service should call 655-9516 or write or come by 318 N. Bell, San Angelo, 76901. The San Angelo Office will certify homes in Tom Green, Coke, Sterling, Runnels, Reagan, Irion, Concho, McCulloch, San Saba, Crockett, Schleicher, Sutton and Menard Counties.

All applications will require a study to be made by a Department Worker of the home and the family. Each installation must conform to standards set forth by the Department. The Worker will be available to assist the prospective Provider in interpreting the standards, and in some cases of achieving certain standards. All foster homes must be in compliance with Title VI of the Civil Rights Act of 1964, which states that, "No person in the United States shall, on the grounds of race, color or national origin, be discriminated under any program or activity receiving Federal financial assistance".

Once the home is certified, the Department of Public Welfare Worker will work with the family in placing eligible elderly persons in the home. The placement procedure requires a careful study of the potential residents' needs. Every attempt will be made to

match the potential resident with a foster home deemed best able to meet his needs. At no time during the placement process is it mandatory that a potential resident accept a specific foster home, or that a foster home accept a specific potential resident. The Department Worker will arrange interviews and visits, and will talk with the family and potential resident separately after each visit. To help them resolve individual differences,

once placement and the physical move is made, the Department Worker will make periodic calls to ascertain that both parties have adjusted to the change. Again, the worker will be available to counsel and advise at any time either party should the need arise. After adjustment has been made, the Worker will make a call once a year, unless a specific need arises.

This briefly is the Foster Home for Adults Program. It is believed that the program will meet a definite need within the community by offering something other than institutional care for the elderly.

**British Warships**  
Anglo-Saxon King Alfred built the first English warships at Portsmouth, home port of the British navy, in 897. A contemporary chronicler wrote that the 60-oared galleys "were of a peculiar build, higher, swifter and steadier than those of the Danes or the Frisians."

**Deciding Vote**  
Sen. Edmund G. Ross of Kansas cast the deciding vote clearing President Andrew Johnson of impeachment charges, in 1868.

South Africa, the Soviet Union and Canada produce nearly all of the world's platinum, once thought to be worthless. Most people associate platinum with wedding rings although industry uses more than 95 per cent of all platinum mined.

## FFA Boys Win At Fort Worth

Winters FFA boys made good marks in the lamb and swine divisions at the Southwestern Livestock Exposition in Fort Worth last week, bringing home awards for a champion, two reserve champions, several first places.

Perry Poe and Stacy Long showed the champion Yorkshire in the barrow class, and the reserve champion Spotted Poland China and Chester White in the barrow class.

Paul Airhart and Tobin Burns placed first in the heavy weight Yorkshire barrow class, and first place in the medium weight cross class.

Results of the show for Winters boys were as follows:

**BARROWS**  
Perry Poe, Stacy Long: Champion Yorkshire; reserve champion Spotted Poland China; reserve champion Chester White.  
Paul Airhart, Tobin Burns: 1st place, heavyweight Yorkshire; 1st place medium weight crossbred; 8th place medium weight Chester White.  
Mark Belitz: 2nd place heavy-weight Duroc.  
Don Rogers: 7th place heavyweight crossbred; 12th place lightweight Hampshire.  
David McAdoo: 7th place, medium weight Spotted Poland China.

**LAMBS**  
Gary Schwartz: 11th place fine wool lamb; 35th place crossbred South Down.  
Bill Bredemeyer: 11th place fine wool lamb.

**SWINE**  
Jack Isbell: 7th place light weight Duroc.  
Evans Brothers: 13th place medium weight crossbred.  
Renee Blackwell: 4th place light weight Hampshire.  
James Blackwell: 2nd place medium weight Chester White; 11th place light weight crossbred.

### Electric Rates--

(continued from page one)

Diesel fuel, it was said, has increased in price from .18 cents a gallon to .34 cents over the past year. Other materials also have increased in price during the past few months, it was pointed out.

Councilmen were told Monday night during a regular meeting that fuel operation costs for the light and power plant had risen from about \$1800 a month a year ago to \$4,000 to \$5,000 per month this year.

The City Council used the fuel cost escalation clause in the ordinance governing the electric price structure in Winters, in making the 10 percent adjustment. A similar 15 percent increase was made early last year.

### Former Winters Student Honored

Jim Wharton, 17-year-old Senior of Merkel High School, was named Outstanding Student of the Month for January.

He is the son of Mr. and Mrs. Marshal Wharton of Merkel, formerly of Winters. Jim is a former student of Winters High School.

## Training Study Planned Feb. 10, At Local Church

A workers training study at the Assembly of God Church, 304 Wood Street, is scheduled for Feb. 10-14, the pastor, the Rev. Charles E. Steinberg, has announced. The sessions will last from 7 to 9 p. m. on scheduled evenings.

The text, The Spirit, God in Action, is a veritable encyclopedia on the subject, the Rev. Steinberg said.

The public is invited to attend this study session.

## Miss McKnight Received Degree At Howard Payne

Troylene McKnight of Winters was one of 39 students receiving degrees from Howard Payne University, Brownwood, in December.

Miss McKnight majored in art during her undergraduate career at Howard Payne University. She is a graduate of Winters High School, and attended Cisco Junior College prior to entering Howard Payne.

She is the daughter of Mr. and Mrs. Troy McKnight of Winters.

## Randall Boles Receives BBA Degree At WTSU

Randall Boles, son of Mr. and Mrs. M. W. Boles, recently received a bachelor of business administration degree from West Texas State University, Canyon.

Boles is a graduate of Winters High School.

He recently was promoted from computer operations supervisor to credit manager for the Southwest Division of Sav-A-Stop Services, in Amarillo.

He and his wife, the former Jean Mostad, have one son, Brandon.

## Fire Auxiliary Meeting Recently

Members of the Firemen's Auxiliary met January 28 in the home of Janice Merrill, with Betty Easterly sharing hostess duties.

Mrs. Billie Middlebrook installed officers for this year, including: Nina Bedford, president; Oleta Webb, vice president; Betty Easterly, secretary; Lou Bowden, treasurer; Virginia Carey, reporter; Melba Emmert, historian; Jo Miller, chaplain; and Janice Merrill, parliamentarian.

Mrs. Billie Whitlow showed slides of interest to the Auxiliary.

Members present were Nina Bedford, Sherry Lindsey, Lou Bowden, Virginia Carey, Melba Emmert, Helen Henderson, Jo Miller, Carlene Vogler, Oleta Webb, Janice Merrill and Betty Easterly.

### Quebec Dwarfs France

Canada's French-speaking province of Quebec spans 594,860 square miles, almost three times the area of France itself.

Eric's Discovery

Glorified real estate advertising is hardly new. When Eric the Red discovered Greenland in 982, he gave the Arctic island its misleading name in a successful bid to attract Viking colonists.

## City Audit--

(continued from page one)

Receipts of city sales taxes is a prime example of the effects of inflation. For the previous year, the City received only \$28,439.58 in sales taxes; for the year ending Sept. 30, 1974, this has grown to \$44,352.69. This is laid directly to inflation.

Receipts for water services jumped to astronomical levels, for the last fiscal year, compared with the previous year: from \$66,835.00 to \$101,216.18. This was caused, however, by the many long dry months which made up much of the past fiscal year, when residents were using more water in an attempt to keep things growing. A nature-caused increase rather than man-made.

Even while cost of supplies and fuels to keep the city going continued to climb, the charges by the city for these services remained more or less stationary. City officials pointed out that there has not been a tax increase since 1961, while the cost of business as a municipality continued to climb. This is the prime reason the City Council this week authorized a 10 percent increase in electrical charges. This increase followed a 15 percent increase early last fall, and still does not meet the needs to keep abreast of inflation, some officials said.

The entire picture is not a bleak one, city officials are quick to point out. But it is a serious one, and requires a tightening of the belt and close studies of every facet of the city's business.

Members of the Firemen's Auxiliary met January 28 in the home of Janice Merrill, with Betty Easterly sharing hostess duties.

Mrs. Billie Middlebrook installed officers for this year, including: Nina Bedford, president; Oleta Webb, vice president; Betty Easterly, secretary; Lou Bowden, treasurer; Virginia Carey, reporter; Melba Emmert, historian; Jo Miller, chaplain; and Janice Merrill, parliamentarian.

Mrs. Billie Whitlow showed slides of interest to the Auxiliary.

Members present were Nina Bedford, Sherry Lindsey, Lou Bowden, Virginia Carey, Melba Emmert, Helen Henderson, Jo Miller, Carlene Vogler, Oleta Webb, Janice Merrill and Betty Easterly.
