City Budget Hearing Next Tuesday Night

A LOT OF MILO—Weight of the million pounds of mlo stored in a grain bin at the Mikeska and Chapman grain elevator at Wingate was just too much for the structure, and something had to give Saturday night about 8:30 p.m. Mikeska said one leg of the structure gave way, causing the walls to buckle, and the grain poured out. A truck owned by Scotty Belew was in the unloading area of the structure

when the collapse occurred. The truck was pinned. After the mishap, the main auger used to move the grain would not operate, and clearing of spilled grain from the area was done with a small portable auger. Luckily, no one was near the building when it collapsed. On the brighter side, Mikeska said grain production in the area was good this year, with about a 2000-pound average being reported.

Paving To Start 15th

The long-awaited paving of many blocks of Winters city streets will begin September 15, it was stated by the contractors this week.

In a paid advertisement in this issue of The Enterprise, the contractors, Albert, Inc., of San Angelo, said that the work will begin September 15.

Original plans for paving in Winters began last year, but no work was done. Several starting dates were set for spring and summer of this year, but for one reason or another, no work was started. The City Council also changed the original volunteer payment plan to an assessment plan and added several blocks to the original paving plan.

The contractors, who have been "tied up" on other jobs throughout the spring and summer, said they definitely will begin by September 15.

Faubion Is President of Soil Group

Sam Faubion of Crews, a member of the board of Runnels Soil & Water Conservation District, was installed as president of West Texas Association of Soil & Water Conservation districts, at a meeting of the association in Big Spring this week.

Cone Robinson, also a member of the Runnels S&WCD, was named treasurer of the WT Association. Robinson is chairman of the board of Runnels District.

J. M. Sterling of Colorado City was named president-elect of the association.

State Representative Mike Ezzell of Snyder was a speaker at the association meeting, and brought the group up to date on some of the bills passed by the Legislature affecting soil conservation districts.

Dee Brune of Sealy spoke on state and federal legislation, and Harvey Davis of Temple, executive director of the State Soil and Water Board, spoke to the group.

All board members of Runnels S&WCD attended the meeting in Big Spring, including Otto Gottschalk, Douglas Cole, and Faubion and Robinson. Harvey Kahlden of the U. S. Soil Conservation Service for Runnels County also attended the meeting.

Most Businesses Will Close Monday For Labor Day

Most businesses in Winters will be closed all day Monday, September 1, in observance of Labor Day.

No mail will be received at the Post Office, and none will be dispatched. Labor Day is one of the days observed as holidays by the Postal Service. Banks also will be closed all day.

Labor Day is one of the several days suggested as holidays by the Winters Chamber of Commerce for local businesses.

Rabies Shots For Pets To Be Given

Pet owners of the Winters area will have an opportunity Saturday, August 30, to have their animals immunized against rabies.

The shot program will begin at 8 a.m., in the school vo-ag building.

Dr. Jimmy Smith will give the shots, and advises all who have pets to have them immunized, as a precaution against rabies.

A public hearing on the proposed budget for the City of Winters for fiscal year beginning October 1, 1975, and ending September 30, 1976, will be held at 7 p.m. Tuesday, September 2 in the City Hall.

Copies of the estimated budget for the year were distributed to business places and individuals this week so the public could be prepared to discuss all items during the hearing, if desired. No comparisons with previous budgets were included in the copies of the proposed budget.

In the proposed budget, it is estimated that tax revenue will be \$165,900, including ad valorem taxes, sales taxes, delinquent taxes, penalties. Total revenue for the General Fund is estimated at \$326,531. Total estimated expenses for the General Fund is listed at \$326,516.

Water Department revenue is estimated at \$95,560 for the next fiscal year, with total estimated expenses, \$95,961.

The Electric Department is expected to take in \$263,900 during the next fiscal year, but expenses are expected to be \$285,666, or a deficit of \$21,766.

The City Council has encouraged all residents to attend the public hearing next Tuesday night.

School Board Sets Budget

Quite an increase in the total amount to be spent in operation of Winters Public Schools for the 1975-76 school year is apparent, according to the operation budget adopted by the board of trustees last week, but the bulk of the increase will not be felt directly by local taxpayers, according to Bill G. Graves, superintendent of Winters Independent School District.

The increase in the budget over last year's budget will be provided through State funding, the superintendent.

Most of the increase is caused by the increase in teacher salary payments, and will be paid by the State.

Total instructional costs, which do not include administration expenses, have been budgeted at \$542,472 for the 1975-76 school year, a sizeable increase from the \$446,838 of last year. The difference will be made up by the state in teacher payments, it was said.

Total expenditures budgeted for the new school year will be \$905,721, against \$745,760 for last year.

The board also approved and set the tax rate, which is not changed from last year—\$1.10 per \$100 at 90 percent of value.

State revenue for 1975-76 is expected to be \$549,893; last year's State financing came to \$406,685. Income from local sources is expected to be \$335,828 for the new year, against \$353,882 for last year.

Supt. Graves said the big increases have been caused by the teacher pay increases adopted by the State.

Kids Will Get A

Holiday Monday

Classes in Winters Public Schools will be dismissed at 2:30 p.m. Friday, August 29, as a start for the Labor Day holiday.

Students and teachers will have a holiday Monday, with classes resuming on regular schedule Tuesday, Sept. 2.

HOME TOWN

Talk

By R. C. THOMAS

There's been quite a bit of give-and-take concerning the happening at John's International last Friday afternoon. Some say it was only a lil' of whirlwind which struck the under-construction building; others say it was a small tornado which dipped out of a small cloud; others say there were no clouds about; and then others say . . .

All we can say is that SOMETHING hit that wrapped and tied-up package of 31-foot roofing, unwrapped it, and twisted some of them around the steel girders which were already in place. Whirlwind, tornado, or a summer breeze . . . we're not anxious to be around when another such natural happening takes place.

The "most-used" phrase by politicians is said to be: "I'm glad you asked that question. I'm not going to answer it, but it's a good question!"

Where'd everybody go?

In a report made recently by the Bureau of the Census in Washington, for the first third of this decade, it was estimated that Winters' population had shrunk 3.4 percent, from 2,907 April 1, 1947 to 2,800 April 1, 1975. See TALK Page 8

Whirlwind . . . or Tornado?

It doesn't make much difference what it was, there was damage done. At the construction site of a new addition to the factory building of John's International on the west side of Winters, some of the steel beams already were in place. A pile of steel V-type roofing, 31 feet long and about 3 feet wide, wrapped in paper, was next to the concrete floor, on the ground. About 5:30 last Friday afternoon, a whirling wind hit the site, unwrapped one bundle of the roofing, and twisted at least two of the 31-foot sheets of steel around some of the building beams, and twisted several others out of shape. Sol Esquivel, who lives less than a block away from the building, said he heard the crashing noise, and looked up to see the whirling metal lifted into the air, and then the "twister," or whatever you choose to call it, disappeared into a cloud. A small boy playing in a yard across the street from the building site was knocked to the ground by the force. There were a few heavy clouds in the vicinity at the time, but none of them where what most normally are called "tornado"-breeding clouds. Extent of damage was not known. In addition to the damage to the roofing, some of the steel girders appeared to be twisted slightly.

REDDY'S REFRIGERATOR SAVINGS TIPS

- Return fresh foods to the refrigerator and frozen foods, such as ice cream, to the freezer as soon as possible. Measure and remove the quantity needed for cooking or for the table, and refrigerate the remainder at once.
- Use cold controls efficiently by selecting the settings that provide about 38° F. in the refrigerator and 0° F. in the freezer.
- Fill the refrigerator with food, but be careful not to overfill. Make sure that food packages don't block air vents in the freezer or refrigerator section.
- Clean the condenser surfaces of the refrigerator; dirt restricts air flow and acts to insulate the condenser, forcing the refrigerator to work harder and longer to maintain proper temperatures.

Miss Owens and Mr. Grantz Wed Saturday

In a ceremony in the First Baptist Church of Abilene Saturday at seven-thirty o'clock, Miss Tonya Jean Owens became the bride of Bill Allen Grantz.

The Rev. Harry Grantz, father of the bridegroom, performed the double-ring ceremony before an altar decorated with two candelabras flanked by two large flower bouquets of pink, yellow, green and white gladiolas.

The bride is the daughter of Mrs. LaVern Owens of Abilene. The bridegroom is the son of the Rev. and Mrs. Harry Grantz of Breckenridge, formerly of Winters.

James Steel of Rising Star was organist, and Edwin Robinson of Haskell was soloist.

Best Man was Ross Hartsfield of San Angelo. Ushers were Cecil Childress of Monahans, Mark Smith of San Diego, Calif., David Smith of Fort Worth and John Odom of Abilene.

Matron of honor was Mrs. Lou Horning of Albuquerque, N. M., sister of the bride. Bridesmaids were Mrs. Carroll Rhodes of Cross Plains, sister of the bridegroom, Mrs. Lynn Harris of Abilene, Miss Desda Sanford of Abilene, Miss Renee White of Abilene.

The bride's attendants wore gowns of long mint green with small white daisies with pink centers. They carried nosegay bouquets of pink, yellow and green daisies with baby's breath.

Given in marriage by her brother, Russell Owens of Arlington, the bride wore a long white gown of sheer organza with fitted bodice, with a deep sheer yoke and high crown collar. Reembroidered Alecon lace appliques with traces of seed pearls enhanced the blouse and long fitted sleeves. Scalloped lace edged the long bias skirt that fell in a chapel train. A camelot cap of lace held her long sheer veil of imported English illusion. She carried one dozen pink roses surrounding a large white orchid on a small white Bible with white streamers.

A reception was held in Fellowship Hall of the church.

The bride is a graduate of Abilene High School and is employed as a certified respiratory therapy technician at Hendrick Hospital. The bridegroom is a 1970 graduate of Winters High School. He received a bachelor of music degree from Hardin-Simmons University. He is employed in the emergency admission department of Hendrick Memorial Hospital.

BLACKWELL NEWS

Blackwell had 2 1/2 inches of rain over the weekend.

Mr. and Mrs. Chuck Patterson and sons, Wesley and Tommy of Tucson, Ariz., visited Monday thru Thursday with his grandmother, Mrs. Flora Sanderson, other relatives and friends.

Mr. and Mrs. Joe Dan Oden of Fort Hood visited over the weekend with his parents and brother, Mr. and Mrs. T. J. Oden and Larry, other relatives and friends.

Terri Dee and Chad Wilson returned home with their parents.

Mr. and Mrs. LeRoy Chew had as their visitors over the weekend their sons and families, Mr. and Mrs. Johnny Chew and son, Jody of Lewisville and Mr. and Mrs. George Chew and children, Donna Sue, James Lynn and Carrie Ann. Other visitors in the Chew home on Sunday were, Mrs. Hazel Caulder of Midland, Mrs. Wayne Caulder and children of Bronte and Miss Kelly Alderman of Albuquerque, N. M. a friend of Donna Sue's.

Mrs. A. Smith Died Saturday In Abilene

Funeral services were held at 2:30 p.m. Monday in First Baptist Church for Mrs. Artie D. Smith, 75, of Winters. Mrs. Smith died at 11:25 p.m. Saturday at West Texas Medical Center in Abilene after a brief illness.

The Rev. Emil Becker, Baptist minister from Stephenville, and the Rev. David Crooks, pastor, officiated.

Burial was in Lakeview Cemetery, under direction of Spill Funeral Home.

Born Aug. 25, 1899, in Lampassas, she moved to Runnels County as a small child. The family settled near Winters. She had lived in the Winters area most of her life.

She married Arthur D. Smith Dec. 19, 1915, in Winters. He died Oct. 2, 1960. She was a nurse at the Winters Municipal Hospital for many years and was a member of the First Baptist church.

Survivors include two daughters, Mrs. Leota Stephens of Stephenville and Miss Helen Love Smith of Manhattan, N. Y.; a brother, Rube Virden of Ballinger; two sisters, Mrs. Pearl Kemp of Robstown and Mrs. Laura Sexton of Fort Worth; two grandchildren and two great-grandchildren.

A son and a daughter preceded her in death.

The family requests remembrances be made to the Artie G. Smith Memorial Fund in care of the First Baptist Church.

Pallbearers were nephews.

IN LINDLEY HOME

Visiting in the Lindley home over the weekend were Mr. and Mrs. J. M. Crenshaw and children of Roswell, N.M.; Mr. and Mrs. Curtis Crenshaw of Great Bend, Kans.; Mr. and Mrs. Cliff Crenshaw of Abilene; Mr. and Mrs. B. L. Kuykendall of Haskell; Mrs. Ruth Perry and Mr. and Mrs. Randy Perry and Rhonda of Brownwood; Mrs. Jasper Darke of Winters; and Mr. and Mrs. Walter Taff of Odessa.

Former Residents Note 60th Anniversary

Mr. and Mrs. W. B. Worthington of 4538 E. Yale, Fresno, Calif., celebrated their sixtieth wedding anniversary Sunday, August 3, former residents of Winters.

The reception was held at the Harvard Terrace Baptist Church from 2 to 4 p.m. Sunday afternoon where 150 friends and relatives joined in the festivities.

A 4 tier cake was served with ice cream, punch, soft drinks, coffee, and nuts. Mr. Worthington has been a deacon in the Baptist church for 49 years.

Bill and Ada Worthington were escorted by 30 relatives on a chartered bus tour to Yosemite National Park where they visited the giant Redwood trees, Glacier Point, and The Yosemite Valley.

They were married August 1, 1915 in the Rev. W. D. Wiley residence in the Franklin Community near Winters.

All their children are living, 3 boys and 2 girls, and have blessed them with 11 grandchildren and 18 great grandchildren of which 4 are deceased.

Mr. and Mrs. Worthington first met at the Abilene Southern rail depot in Winters.

New Agent In District 7

Mrs. Mary Watson, formerly of Cooperative Extension Service in Oklahoma and later of the Texas Agricultural Extension Service, will become September 1 district Extension agent for the 17 counties in District 7.

In making the announcement, Dr. John E. Hutchison, director of the Texas Agricultural Extension Service, said Mrs. Watson will succeed Miss Vera Adams, who retires August 31.

Mrs. Watson, who received the Texas Superior Service Award from the Extension Service in 1972 was graduated recently with honors at the University of Arizona, Tucson, where she completed a Master's degree in home economics.

The new district Extension agent for home economics served as county Extension agent-at-large in District 6 before she resigned to earn the advanced degree at Tucson.

Mrs. Watson and her husband, who works in the field of electronics, have two daughters, one a junior home economics major at the University of Arizona and the other a senior in high school.

Other professional experience of Mrs. Watson includes that as a county Extension agent four years in Oklahoma and as a high school home economics teacher three years before joining the Extension Service in Texas.

She is a member of Phi Kappa Phi, Mortar Board, Phi Epsilon Omicron, and Kappa Delta Phi. As an outstanding home economics student at Oklahoma State University, she was awarded a Danforth Fellowship.

Sgt. Sample In Holland Exercise

Army Sergeant Steven G. Sample, son of Mr. and Mrs. Roland D. Sample, 105 S. Arlington, Winters, participated in the 59th international four-day march in Nijmegen, Holland.

The march was sponsored by the Royal Netherlands League for Physical Culture. Sgt. Sample is regularly assigned as a section sergeant in the 143rd Singal Battalion in West Germany.

Winters Child Development Center Opened August 20

The Winters Child Development Center, 308 Wood St., opened for the first day of school Wednesday, August 20. The program is sponsored by Central Texas Opportunities, Inc.

The local center is licensed by the State Department of Public Welfare for 20 four-year-old children; 14 are enrolled at this time.

Class hours are from 8:30 a.m. to 2:30 p.m. Working mothers may leave their children at 7:30 a.m.

Mrs. Mary Kurtz is head teacher, with Mrs. Melba Emmert serving as a teacher aide. Mrs. Isabel Esquivel is cook.

Anyone interested in enrolling their children may make application at the Center or at the Winters Multi-Purpose Agency, 110 S. Main.

You're invited to a FREE WELDING CLINIC!

Here's a rare opportunity... a chance for farmers and others to learn how to save valuable time and money by doing their own welding.

With improved new Twentieth Century equipment, it's easy. We'll demonstrate it. Then we'll let you try your hand. You'll see how easily you can do a multitude of repair jobs with a versatile new Twentieth Century heavy-duty welder. Remember, it's the handy, low-cost welder with these 8 exclusive features...

- 1 Three welders in one.
- 2 A new 400 AMP cutting ground for faster and cleaner cutting, piercing and gouging.
- 3 Overhead and vertical welding easy as flat welding. Saves time.
- 4 Spot welding without attachments, with settings built in, for faster, stronger welds.
- 5 Soldering, also without attachments, with settings built in, for faster soldering without surface preparation.
- 6 Heavier construction — more copper and sturdier electrical steel protect against voltage loss, let you weld better, strike and hold an arc easier.
- 7 You get a "continuous welding" service guarantee — five years on parts, labor and repairs; twenty years on labor and repairs.
- 8 Battery charging with an inexpensive attachment for fast and slow charging of 6, 8, 12 and 24 volt batteries.

WE'LL TAKE YOUR PRESENT WELDER IN TRADE!

LEGAL NOTICE

AN ORDINANCE FIXING AND DETERMINING THE GENERAL SERVICE RATE TO BE CHARGED FOR SALES OF NATURAL GAS TO RESIDENTIAL AND COMMERCIAL CONSUMERS WITHIN THE CITY LIMITS OF WINTERS, RUNNELS COUNTY, TEXAS, AND PROVIDING FOR THE MANNER IN WHICH SUCH RATE MAY BE CHANGED, ADJUSTED AND AMENDED.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF WINTERS:

SECTION 1. Effective with the first gas bills rendered from and after thirty (30) days from the date of final passage of this ordinance, the maximum general service rate for sales of natural gas rendered to residential and commercial consumers within the city limits of Winters by Lone Star Gas Company, a Texas corporation, its successors and assigns, is hereby fixed and determined as follows:

First 1,000 Cu. Ft. or Fraction thereof \$3.1277 Gross; \$2.8149 Net;

Next 3,000 Cu. Ft. at \$1.8721 Per Mcf Gross; \$1.5049 Per Mcf Net;

Next 6,000 Cu. Ft. at \$1.5832 Per Mcf Gross; \$1.4249 Per Mcf Net;

Next 15,000 Cu. Ft. at \$1.5166 Per Mcf Gross; \$1.3649 Per Mcf Net;

Next 75,000 Cu. Ft. at \$1.4610 Per Mcf Gross; \$1.3149 Per Mcf Net;

Over 100,000 Cu. Ft. at \$1.4277 Per Mcf Gross; \$1.2849 Per Mcf Net;

No gas bill will be rendered to any residential or commercial consumer served under the above rate not consuming any gas during any monthly billing period, except that where customer's only use for gas service is in an outdoor grill and/or a fireplace starter, the amount shown for the first consumption block shall constitute a minimum monthly bill.

ADJUSTMENTS

The amount of each net monthly bill computed at the above-stated rates shall be subject to the following adjustments: Plus or minus the amount of any increase or decrease, respectively, above or below the \$1.0399 per Mcf level in the intracompany city gate charge as authorized by the Railroad Commission of the State of Texas or other regulatory body having jurisdiction for gas delivered to Lone Star Gas Company's distribution system for sale to residential and commercial consumers where such changes are caused by increases or decreases in the cost of gas purchased by the Company; plus an amount equivalent to the proportionate part of any new tax, or increased tax, or any other governmental imposition, rental, fee or charge (except state, county, city and special district ad valorem taxes and taxes on net income) levied, assessed or imposed subsequent to July 1, 1975, upon or allocable to the Company's distribution operations, by any new or amended law, ordinance or contract. Each gross monthly bill shall be adjusted proportionately. Company, at its option, may forego the application of any adjustment if such adjustment would result in an increase in the monthly bill; however, failure of Company to apply any adjustment shall not constitute a waiver of Company's right from time to time, or at any time, to make any adjustment, in whole or in part, in any subsequent current monthly bill that may be applicable to such bill.

Net rate shall apply to all bills paid within ten days from monthly billing date; gross rate shall be applicable thereafter.

The above rate is applicable to each residential and commercial consumer per meter per month or for any part of a month for which gas is used at the same location.

In addition to the aforesaid rates, Company shall have the right to collect such reasonable charges as are necessary to conduct its business and to carry out its reasonable rules and regulations in effect.

SECTION 2. The rate set forth in Section 1 may be changed and amended by either the City or Company furnishing gas in the manner provided by law. Service hereunder is subject to the orders of regulatory bodies having jurisdiction, and to the Company's Rules and Regulations currently on file in the Company's office.

SECTION 3. It is hereby found and determined that the meeting at which this ordinance was passed was open to the public, as required by Texas law, and that advance public notice of the time, place and purpose of said meeting was given.

PASSED AND APPROVED on this the 4th day of August, A.D. 1975.

ATTEST:
Buford Baldwin Homer Hodge
Secretary Mayor
City of Winters, Texas

STATE OF TEXAS
COUNTY OF RUNNELS
I, Buford Baldwin, Secretary of the City of Winters, Runnels County, Texas, hereby certify that the above and foregoing is a true and correct copy of an ordinance passed and approved by the City Council of the City of Winters at a regular session held on the 4th day of August, 1975, as it appears of record in the Minutes of said City of Winters in Book 9, page 141.

WITNESS MY HAND AND SEAL OF SAID CITY, this the 5th day of August, A.D. 1975.

Buford Baldwin
Secretary
City of Winters, Texas
24-2c.

AG Opinions

A city commissioner's continued interest in an old contract to buy water from the municipality for resale to rural customers would be a civil law violation, Atty. Gen. John Hill held.

KRUEGER'S KOLUMN

By CONG. BOB KRUEGER
21st Texas District

As Congress moves into the fall and winter months, two topics of great importance are waiting in the wings for national debate after we finally agree on a policy for oil and gas pricing: welfare reform and national health insurance. In this report, I should like to explore the emotional climate that surrounds welfare reform, with the hope that some of you might be willing to write and share your views with me.

If we are to receive true reform, instead of just

another set of adjustments that create more regulations and expanding bureaucracies, we must be more honest with ourselves than we were during the debate about the Nixon Family Assistance Plan. We must accept certain facts about ourselves and our society: (a) Some cannot find work, no matter how much they want to; (b) a few (but not as many as we sometimes think when we get angry about rising taxes) do not want to work or will cheat when they get a chance; (c) even private enterprise and government combined cannot always provide enough jobs

— once a business decides to automate a process, for instance, its decision is usually irreversible and some jobs simply won't exist any more. Only new businesses or expanded government can take up the slack, but the economic conditions must be right for the former and most of us don't want the latter.

Once we face these facts, we must debate and finally design programs that will address them, not programs that simply pander to our various prejudices or fears. A good welfare program should not be conservative or liberal, Democrat or Republican. It should result in increased employment, decreased poverty and genuine dignity for taxpayers, workers and those who cannot support themselves.

Our welfare programs have become inefficient and unresponsive to both taxpayers and recipients, but many of us have stopped trying to find solutions. Rather, we unfairly accuse those who disagree with us of dishonesty or cold-bloodedness. Whatever our position, we assume that those who disagree are "out to get us." And the welfare mess gets messier.

We have another chance in the 94th Congress to analyze, debate and design improvements to local, state and federal welfare programs. Let's not fail this time. Please join me with your ideas and make a good-faith effort to tackle a highly emotional issue that begs for fair, humane and economical solutions.

Miss Smith, Mr. Thomas Married Here Saturday

Winters First Baptist Church was the setting Saturday, August 23, for the six o'clock wedding ceremony of Miss Phyllis Smith of Midland and Mr. Sam Dee Thomas II of Midland.

The bride is the daughter of Mr. and Mrs. Lawrence Truett Smith of Winters. The bridegroom is the son of Mr. and Mrs. Sam Dee Thomas of Alpine.

The Rev. Marvin James, pastor of Forest Heights Methodist Church, Lubbock, performed the ceremony.

Mrs. Randall Conner was organist, and Keith Poe, cousin of the bride, as soloist.

Mrs. Hal Miller of Dallas, sister of the bride, was matron of honor, and Mrs. Van Ray Whittenburg of Graham was bridesmaid.

Ring bearer was David Truett Miller of Dallas, nephew of the bride.

Best man was Jerry Bradley of Midland, and groomsmen were Mike Groves, also of Midland. Ushers were Mike Smith, brother of the bride, and Hal Miller of Dallas, a brother-in-law.

Given in marriage by her father, the bride wore a gown of bridal satin fashioned with highrised waist, with self belt forming a bow in back. The

gown had leg o'mutton sleeves with long cuffs. The high neck, sleeves and chapel train were outlined with double rows of lace. Her fingertip veil was held in place by a bandeau cap of lace.

The bride's attendants wore blue floor length gowns of whipped cream designed with empire waists and long full sleeves.

A reception was hosted by the bride's parents in Fellowship Hall of the church.

Mr. and Mrs. Thomas will be at home at 2900 W. Illinois, No. 35, Midland.

The bride is a 1970 graduate of Winters High School, and received a BBA degree in business education from Texas Tech University. She has been employed by Grady Independent School District at Lenorah.

The bridegroom is a graduate of Alpine High School, and received a BBA degree in accounting from Sul Ross State University. He is an accountant for an oil firm in Midland.

Merrill Nursing Home News

We think it is time for a Special Thanks to all the pastors, demoniations, clubs, and others who give of their time and talent to make the Nursing home a more pleasant place to live. Without your help, our residents would spend that time sitting in their room with idle hands, just wishing someone cared.

Last Wednesday morning Mrs. H. O. Abbott, Mrs. F. R. Anderson, and Marguerite Mathis conducted the Bible study.

The Rev. Steinburg brought the Sunday afternoon message with Mrs. Steinburg at the piano.

Mrs. O. R. Parker passed away early Monday morning. The residents and entire staff wish to extend our deepest sympathy to her family.

Will still play bingo twice weekly, and some of the ladies are busy with double knit lap robes, pot holders, and other items that we hope to show at the fair in November.

Mrs. Parker Died In Nursing Home

Mrs. Ola Bee Parker, 76, of Winters, died at 7:30 a.m. Monday in Senior Citizens Nursing Home after a lengthy illness.

Services were at 10 a.m. Wednesday in the Assembly of God Church, with the Rev. Cahrls Steinberg, pastor, and the Rev. Earl Pendergrass of Abilene officiating.

Burial was in Lakeview Cemetery under direction of Spill Funeral Home.

Born Ola Bee Carlisle May 13, 1899, in Killeen, she married O. R. Parker Oct. 27, 1923, in Moody.

They moved to Winters shortly after their marriage.

Mrs. Parker was a member of the Assembly of God Church.

Survivors include her husband; a daughter, Mrs. W. T. Coleman of Abilene; two sons, R. B. of Abilene and Max Calvin of Camden, Ark.; a sister, Mrs. Joe McIntire of Temple; three brothers, Herbert Carlisle, Bruce Carlisle and Calvin Carlisle, all of Moody; 10 grandchildren and three great-grandchildren.

Three Winters Students Get ASU Degrees

Toby Lynn Davis, Preston H. Rougas and Pattie Regae Bryan all of Winters were among 233 students receiving degrees from Angelo State University during the University's summer commencement program.

Davis received a Bachelor of Business Administration degree with a major in business.

Rougas received a Bachelor of Business Administration degree with a major in accounting.

Miss Bryan received a Bachelor of Science degree with a major in elementary kindergarten.

Featured speaker for the university's summer commencement was Senator W. E. "Pete" Snelson of Midland. The West Texas lawmaker represents the state's 25th district.

Snelson challenged the graduates to, "look at our system with a truly open mind...that will seek and recognize that which tends to cripple or destroy our system's structure."

LUNCHROOM MENU

Monday, Sept. 1
Holiday

Tuesday, Sept. 2
Hot dogs or combination sandwiches, French fries, catsup in cups, cheese sticks, pears, Devil's food cake, milk.

Wednesday, Sept. 3
Baked ham, potato salad, mix vegetables, orange juice in cups, peach pie, hot rolls, milk or chocolate milk.

Thursday, Sept. 4
Chicken fried steak, cream gravy, cream potatoes, green beans, tossed green salad with French dressing, butter ice box cookies, hot rolls, milk or chocolate milk.

Friday, Sept. 5
Pizza, pinto beans, cabbage slaw, dough nuts, corn muffins, butter, milk or chocolate milk.

Miss Simons, Mr. Ancona Wed Aug. 23

Miss Marsha Nell Simons of Irving and Mr. Astley Cooper Ancona IV, of Denton, were married in the "Chapel in the Woods," at Texas Women's University in Denton, Saturday, August 23, at six o'clock.

The bride is the daughter of Mr. and Mrs. Marshall Simons of Irving. They are former residents of Winters. The bridegroom is the son of Mr. and Mrs. Astley C. Ancona III of Lake Jackson.

The Rev. Rogers of St. Andrews Presbyterian Church, Denton, performed the ceremony.

The bride is a graduate of Irving High School, and the

Mrs. Forgey Died Sunday In Ballinger

Mrs. W. A. Forgey, 84, of Ballinger, died at 6 p.m. Sunday in the Ballinger Manor Nursing Home after a lengthy illness.

Funeral services were at 2:30 p.m. Tuesday in Allen Davis Funeral Home Chapel in Ballinger. Officiating was the Rev. Ferris Akins, pastor of the Ballinger First Baptist Church. Burial was in Ballinger Evergreen Cemetery.

Born Mattie L. Davis, Aug. 31, 1890, in Cameron, she moved to Winters from Cameron in 1902. She married W. A. Forgey June 5, 1912, in Winters. She was a member of the Ballinger First Baptist Church.

Survivors include a daughter, Mrs. A. J. Sharp Jr. of Ballinger; a brother, Pete Davis of Winters; a sister, Mrs. John Q. McAdams of Winters; a granddaughter; and two great-grandchildren.

Whittenberg Family Reunion Held Recently

Descendents of the late Mr. and Mrs. S. A. Whittenberg held their family reunion at the home of Mr. and Mrs. Van Whittenberg August 10.

Children of the couple are Mrs. J. H. Hobbs of Ranger, Mrs. Mack Tittle of Little Rock, Ark., Jack, Van and Willis Whittenberg, all of Winters. One son, T. L. (Buck) Whittenberg, is deceased.

Attending the reunion were Mr. and Mrs. Mickey Smith and Natasha of Abilene; Mr. and Mrs. J. H. Hobbs of Ranger; Mr. and Mrs. Van Ray Whittenberg of Graham; Mr. and Mrs. Randall Watson, Terry and Lorri of Coleman; Sam and Stephen Roth of Phoenix, Ariz.; Mr. and Mrs. Jack Whittenberg, Mr. and Mrs. Van Whittenberg; Mr. and Mrs. Pete Gray, Donald and Craig; Mr. and Mrs. Ray Guevara; Mr. and Mrs. Ronnie Bethel and Mr. and Mrs. Willis Whittenberg, all of Winters.

Texas labor's new legislative goals will be drafted at the AFL-CIO's state convention in Dallas July 23-26. An agency shop or right to contract bill is expected to be among them.

Wallace Murray Declares Dividend

The board of directors of Wallace Murray Corporation has declared a quarterly dividend on the company's common stock of 15 cents per share payable September 30 to stockholders of record September 15.

The board also declared regular quarterly cash dividends of 42 1/2 cents per share on the \$1.70 cumulative convertible preference stock and 27 1/2 cents per share on the \$1.10 cumulative preferred stock, both payable September 30 to stockholders of record September 15.

Social Security Rep Sets Visits

Jo McCullah, social security representative for the San Angelo Social Security Office, has scheduled her September visits to Winters. She will be at the Housing Project Office on Monday, September 8 and 22 from 9:30 a.m. to 11:30 a.m.

Anyone who wants to file a claim for benefits, get information, or transact other business with the Social Security Administration may contact her at this time. Always bring your social security number with you when you wish to discuss any matter with us at the Social Security Office. The office is located at 2214 Sherwood Way (P.O. Box 3808) in San Angelo, or phone 949-4608. Residents of Winters may call toll free by dialing "Operator" and asking for "Enterprise 2058."

Welding Clinic At Western Auto

A free welding clinic is being sponsored by Western Auto Associate Store, Winters, Tuesday, September 2, beginning at 8 p.m., W. M. Hays, owner, said.

Equipment from an improved new line of welders designed for farm, ship and home use will be used.

There will be no charge for the clinic, and welding demonstrations covering all procedures will be given. Coffee and doughnuts will be served.

John H. Poerner of Hondo has been named director of the new Commission on Education Resources to assess school district finance capabilities.

NEWCOMERS

Mr. and Mrs. Michael Stephen Hays of Houston announce the birth of a son, Michael Stephen Jr., born August 19 at 10:30 a.m. in St. Luke's Hospital, Houston. The boy weighed 7 pounds 13 ounces. Paternal grandparents are Mr. and Mrs. Wesley M. Hays Sr. of Winters.

Mr. and Mrs. Wayne Dobbins of Denver City announce the birth of a daughter, Joni Beth, August 12. The baby weighed 5 pounds 9 1/2 ounces. Grandparents are Mr. and Mrs. M. L. Dobbins of Winters and Mr. and Mrs. Beryl Teague of Mesquite.

Mr. and Mrs. Cecil Sudduth announce the birth of a daughter, Shelly Ann, born at 1:35 a.m. August 23, in North Runnels Hospital. The baby weighed 7 pounds 12 ounces. Grandparents are Mr. and Mrs. Mack Bullard and Mr. and Mrs. Albert Sudduth.

WINGATE

Wingate had 2.6 inches of rain Saturday night.

Mrs. B. H. Denson had as guest her brother and wife, Mr. and Mrs. Leslie Allman from Calif.; Mr. and Mrs. Dessie Denson of Brownwood; and Mr. and Mrs. Pattie Denson of Big Spring.

Mr. and Mrs. W. F. Matthews and Tommy of San Angelo spent Friday night with her mother Mrs. Lena Wheat. On Sunday the Arley Ray Wheats and Debbie of Garden City and the Gene Wheats, Bill, Douglas and Julie of Winters came by.

Melva Shedd and family of Abilene were dinner guests with her parents, Mr. and Mrs. Ervie Talley.

The Buddy Kings visited his mother Mrs. Elmer King over the weekend.

Farmers are busy combing their maize.

Ruby and Bub had as visitors their daughter, Melva, Gayvenda, and Mr. Ross from Midland; C. L. and Mrs. Devore from Lamesa. They also visited Mrs. J. W. Allen.

Winters Grad Received Degree At UT

Mrs. Betty Lou Holle Griffin, a graduate of Winters High School, has received a master of arts degree in childhood and elementary education from The University of Texas at San Antonio.

A graduate of McMurry College, Mrs. Griffin is a teacher in the Edgewood Independent School District. Her parents are Mr. and Mrs. Edmond H. Holle, of Route 3, Winters.

Friendly Neighbors Meeting Recently

The Friendly Neighbors Club met recently in the home of Mrs. W. T. Nichols. Members played bingo.

Present were Mesdames Erna Marks, Charis Poe, Hartie Baty, Tye Hunter, Flora McWilliams, Alice Traylor and Willie Lois Nichols.

Firemen Eat, Serve Barbecue, Honor Fellows

FIREMEN OF THE YEAR—Leonard Bowden and Richard Hamilton are congratulated by Mayor Homer Hodge after the mayor had

presented each with plaques honoring them as "Firemen of the Year," during the Firemen's Annual Barbecue last Thursday night.

THIRTY YEARS OF SERVICE—These three members of the Winters Volunteer Fire Department represent 30 years of service with the department. They received service pins

during the Firemen's Barbecue Thursday night. Left to right, they are James Gehrels, 5 years; Joe Emmert, 10 years; and J. C. Hodnett, 15 years.

SPECIAL RECOGNITION—Woodrow Watts, left, presents James Spill, assistant fire chief, with a rifle, in recognition of special services he has performed in building the new rural fire truck for the Winters Volunteer Fire De-

partment. Fred Armbricht, who is not a member of the Fire Department, also was recognized for his work on the fire truck, and was presented a gift. He was not present for the presentation.

Two members of the Winters Volunteer Fire Department received the "Fireman of the Year" award this year, instead of the usual one.

In voting for the man to receive the coveted honor, firemen came up with a "split decision," and made dual awards. Leonard Bowden and Richard Hamilton tied in the voting, and were presented the award Thursday night during the annual Firemen's Barbecue.

Mayor Homer Hodge presented each man with a plaque honoring their work with the fire department. Both are tractor mechanics for Winters farming machinery companies. Bowden, who has been a Winters resident for 11 years, has been a volunteer fireman since 1969. He is employed by Farm Equipment Co. as head of the service

department. He and his wife, Lou, have one son and three daughters.

Hamilton is a three-year veteran of the Fire Department, and a longtime Winters resident. He is employed by Mansell Brothers farm machinery company. He and his wife, Beth, have four daughters.

In a special surprise presentation, two other Winters men were honored for their work in designing and engineering the rural fire truck which was obtained by the department several months ago. James Spill, assistant fire chief, and Fred Armbricht received plaques. The two men also were presented rifles as gifts in appreciation of their work and interest in the rural fire truck project.

Woodrow Watts made the gift presentation.

Service pins were presented three men by Mayor Hodge. J. C. Hodnett received a 15-year pin; Joe Emmert, a 10-year pin, and James Gehrels, a 5-year pin.

More than 800 people attended the barbecue, including firemen and their families, ex-firemen, members of the Winters Firemen's Association, and guests.

Victor Merfeld, rancher of the Winters area, received recognition for presenting a heifer calf to the fire department to be used in a special project. E. J. Bishop also was recognized for providing the feed for the animal.

AUSTIN — Campaigns for and against a new Texas constitution are getting off the ground.

Proponents of the far-reaching revision to be voted on November 4 have opened an Austin headquarters under the direction of former State Supreme Court Chief Justice Robert W. Calvert and State Rep. Ronald Earle of Austin.

Opponents, for the time being led by State Sen. Peyton McKnight of Tyler, are setting up shop in an office building across the street.

First copies of a proposed voter's guide to the revision document were placed in the mail last week. They present complete text of the eight propositions to be voted on, with a comparison summary of the "old" and "new" constitutional provisions.

Acknowledged opposition has centered largely on the proposal for annual sessions of the legislature — a 140-day session during odd-numbered years and a 90-day meeting on even-numbered years.

House Speaker Bill Clayton and Lt. Gov. Bill Hobby, concerned over effect of the opposition, asked an attorney general's opinion on whether the short, even-year session could be limited by law or legislative rule to budgetary and emergency matters.

Their proposal immediately stirred strong disapproving comment from both proponents and opponents of revision, indicating, perhaps, a hot campaign during the next three months.

Ouster Rules Drawn
A Senate committee approved rules for the impeachment trial by 31 senators of 229th District Judge O. P. Carrillo September 3.

Carrillo personally appeared at the committee hearing with his attorneys. Leon Jaworski, the former Watergate prosecutor, who will be special counsel to the Senate presiding officer, urged proceedings be conducted "on a high plane in strict accord with the rules."

The committee tentatively approved live broadcast news coverage of the trial and recommended a gag rule to restrict comments by senators on proceedings in which they sit as court and jury.

Brown the salt pork or bacon, onion, and garlic. Add mustard, salt, Worcestershire sauce, chili powder, tomato soup, vinegar, sugar, and beans and bean liquid.

To serve immediately. Pour into greased baking dish or pan. Bake at 400 degrees F. (hot oven) for 30 minutes.

To freeze. Cool the beans quickly. Pack in freezer containers, leaving head space. Seal and freeze immediately.

To prepare for serving. Proceed as for baked beans. Menu suggestion. Serve with asparagus salad garnished with pimiento strips, and orange bavarian cream for dessert.

Carrillo subsequently has been indicted by a Jim Wells County grand jury. He already faced a September 8 trial date on an income tax case in federal court at Corpus Christi and an October 2 hearing by a Judicial Qualifications Commission master in removal proceedings.

Allowable Wide Open Again

The Railroad Commission set the oil allowable for the 42nd straight month at 100 per cent of potential.

Commissioner Jim Langdon said a 15 per cent shortfall is expected in interstate gas pipelines this winter.

Any action by the federal government to take Texas gas reserves to make up for shortages in other states would amount to "a rape of Texas," Langdon commented.

"If it is a cold winter, and indications are that it will be, things are going to be pretty tough, gentlemen," Langdon told oil and gas company representatives at the Commission's meeting to set the allowable.

AG Opinions

A state representative who intentionally charges expenditures to the state in excess of the authorized amount is subject to prosecution under the penal code, Atty. Gen. John Hill held.

In other recent opinions, Hill concluded:

- Teachers cannot be school board members in the same district which employs them.

- Beginning September 1, judges must contribute six per cent of their annual compensation paid by the state to their retirement fund, legislators eight per cent.

- A motion for discovery rather than the Open Records Act is the appropriate means for access to information in a welfare recipient's case file concerning pending criminal charges against him.

- There is no law authorizing Wharton County to cease operation of the county's Nightingale Hospital, other than by lease.

- Texas Board of Dental Examiners may not require dental assistants to register with the Board and pay an annual fee nor permit employment of more than one dental hygienist per dentist.

- A member of the board of commissioners of the Port of Houston Authority may also be a member of the Texas Amusement Machine Commission.

- A board of regents may not compel a college faculty member or employee to take a leave of absence without pay while campaigning for public office in a school district, city or other local governmental district, but may require that for candidates for any other public office.

- Information on inventories from grain warehouse reports of the Department of Agriculture is not subject to disclosure under the Open Records Act.

Appointments
Gov. Dolph Briscoe

named Dr. June Hyer of Seabrook, Howard Richards of Beaumont and John Fainter of Houston to the economy-hunting Joint Advisory Committee on Government Operations.

Briscoe appointed James H. Keeshan of Montgomery as district attorney for the ninth district (Montgomery, Polk, San Jacinto and Waller counties), and K. Baker of Carthage as 123rd district judge (Shelby and Panola counties).

The Governor picked Rudy Day of Dallas as chairman of the new Texas Committee on Indochinese Resettlement.

He reappointed Dr. Everett D. Wilson of Huntsville and Dr. John Mack Prescott of College Station to the State Board of Examiners in the Basic Sciences.

Cadar Parr of Irving September 1 becomes associate commissioner for occupational education and technology.

Short Snorts

State Highway and Public Transportation Commission received \$17.1 in public transportation fund requests from San Antonio, Beaumont, Galveston, Corpus Christi, Lubbock and Amarillo.

State Board of Insurance approved a joint plan by Texas insurance companies for providing malpractice coverage to hospitals and doctors.

A legislative public health sub-committee recommended doctors be relicensed every five years to insure their keeping up with the times.

Comptroller Bob Bullock said 31 retail firms shut down for back sales taxes owe more than \$1 million which will be recovered by the state and cities.

MRS. O'CONNOR'S WEEKLY COLUMN

Clothes that Teach Children
A child's clothes can help him learn the alphabet, colors and directions.

Sound strange? Mrs. O'Connor, County Extension Agent, said that children's clothes can do more than just cover the wearer—they can teach a child to count, spell or identify certain animals, objects or shapes—they can even teach muscular skills.

Clothes that teach can use applied letters, numbers, arrows, animals, objects or

shapes—such as a triangle or square.

Printed fabrics with colors, words or identified objects are also good teaching aids, she pointed out.

Associations, such as words or letters with objects, or colors, can be taught with appliques or printed fabrics.

She suggested the words "go" and "stop" with the colors green and red could teach traffic safety, or the word "apple" with an apple applique.

To teach muscular skills, make pockets with large buttons or snaps, zippers, or lacing conveniently located on the garment's front. The child can use these to practice buttoning, snapping, zipping, lacing or tying bows.

She noted that special "clothes that teach" patterns are available from some major pattern companies.

Barbecued Lima Beans
16 portions, 1/4 cup each
4 1/2 cups (2 pounds) baby lima beans, dry
2 quarts boiling water
1/2 pound chopped salt pork or bacon
1 cup chopped onion

1 1/2 teaspoons minced garlic
3 tablespoons prepared mustard
1/2 teaspoon salt
2 teaspoons Worcestershire sauce
2 teaspoons chili powder
2 1/2 cups condensed tomato soup

1/4 cup vinegar
4 teaspoons brown sugar
2 cups bean liquid
Add beans to boiling water and boil 2 minutes. Remove from heat and soak in hot water 1 hour. Or if more convenient, soak overnight after the 2-minute boil. Boil beans gently in the soaking liquid until tender (about 1 hour.)

Talk—

(Continued From Page 1)

1970, to 2,807 July 1, 1973.

We can remember there was some criticism of the official report of the last census back in 1970, when it was said our population had dropped from what we had always thought it was in the years before. But nothing ever came of it, and we settled back, all 2907 of us, and accepted what the higher-ups had told us. (There were many, however, who felt they probably did not exist, so far as the Census Bureau was concerned, and felt kinda left out of things. Of course, they never have the same feeling about the Internal Revenue.)

It does sound strange, though, to hear that there are not as many people here in Winters as there were three years before, especially when we look around and see all the houses which have been built, few torn down, land a big housing project available with a waiting list. Those gov'ment experts use some sort of "formula" to do their figuring with, however... and perhaps their formula just will not work on some towns. We're not going to question the figures, however... or even the motives of the nose counters. There's better things to do.

There's one thing which could be done, however, which might cause a little excitement some time, or provide a project for some organization or other: Several years ago, the Winters Chamber of Commerce sponsored a nose count here, and even published a City Directory, listing everybody who lived here. Perhaps this would be a good project for some organization looking for something worthwhile. Oh, well, it was a thought, anyhow.

Drasco Homecoming

The annual Drasco Homecoming will be held Monday, Sept. 1, Labor Day, in the Winters Community Center, from 9 a.m. to 5 p.m.

Homecomers are asked to bring a basket lunch.

Free Lunch Policy For Wingate School Announced

Wingate School has announced its policy for free lunches for children unable to pay full price for meals served under the National School Lunch Program.

Local school officials have adopted the following family size income criteria for determining eligibility

Family size	Family Annual Income
1	\$2,580
2	3,390
3	4,200
4	5,010
5	5,750
6	6,490
7	7,160
8	7,830
9	8,440
10	9,050
11	9,650
12	10,250

Each additional family member 600

Children from families whose income is at or below the levels shown are eligible for free meals. In addition, families not meeting these criteria but with other unusual expenses due to unusually high medical expenses, shelter costs in excess of 30 percent of income, special education expenses due to the mental or physical condition of a child, and disaster or casualty losses are urged to apply.

Application forms are being sent to all homes in a letter to parents. The information provided on the application is confidential and will be used only for the purpose of determining eligibility.

Labor Day Tourney At Country Club

The annual Labor Day golf tournament will be held at the Winters Country Club Monday, September 1, with tee-off at 10 a.m.

Golfers will play nine holes in the morning and 9 holes in the afternoon. A covered dish dinner will be served.

Applications may be submitted at any time during the year.

In certain cases foster children are also eligible for these benefits. If a family has foster children living with them and wishes to apply for such meals for them, it should contact the school.

In the operation of child feeding programs, no child will be discriminated against because of race, sex, color, or national origin.

The Wingate School business office has copy of the complete free lunch policy which may be reviewed by any interested party at any time.

C/F Campaign In Winters Started This Week

More than 25 volunteers for the 1975 Breath of Life Campaign were to call on their neighbors, Thursday, Aug. 28, to ask their help in the fight for the millions of children across the nation who suffer from lung-damaging diseases.

The campaign's Door-to-Door drive will be conducted by the Lone Star Chapter of the Cystic Fibrosis Foundation as part of its annual effort to raise funds for programs benefiting children with cystic fibrosis and other lung-damaging diseases.

"Our cause is a very important one. Lung diseases kill more children in this nation than any other disease except cancer," Mrs. John Bedford chairman of the campaign. "Cystic fibrosis is the number one genetic killer of children."

According to Mrs. Bedford, contributions to the annual Breath of Life Campaign will help support a national network of over 100 Cystic Fibrosis Centers, research projects around the world and various educational programs.

Blizzards Scrimmage Chiefs, Will Meet Eastland Friday

The 1975 Winters High School Blizzard football teams tried their sore muscles Friday night against the

Lincoln Special Co-Sponsored By Winters State Bank

The Winters State Bank, through its membership in the American Bankers Association (ABA), will co-sponsor "Lincoln, the Unwilling Warrior" on NBC-TV Wednesday, Sept. 3, on Channel 9.

Television viewers will gain new insights into the life of Abraham Lincoln, as Commander-in-Chief during the Civil War, in this fourth, hour-long special, based on Carl Sandburg's Pulitzer Prize-winning biography of the 16th President.

The first three programs in the six-part series have already won awards from T. V. Guide, the American Better Broadcasters Association, and the Freedoms Foundation at Valley Forge.

Broadway Tony Award winner Hal Holbrook plays the title role of the series in full makeup to resemble Lincoln.

In "Lincoln, the Unwilling Warrior," Holbrook portrays this man of peace thrust into the role of Commander-in-Chief. The period covered begins with Lincoln's journey to Washington for his inauguration and ends with the bittersweet victory over the Confederate forces. The transformation of the man and the nation, caused by the Civil War, is vividly depicted.

Each of the six programs in the series concentrates on a personal aspect of Lincoln, as depicted in Carl Sandburg's six-volume biography. The remaining two programs in the series will be aired in February and April, 1976.

Comanche Chiefs at Comanche, with the varsity squad going almost two and one-half hours. And they gave a pretty good account of themselves, according to the coaches and many spectators who traveled to Comanche to watch them work out.

The Blizzards were handicapped by inexperience and lack of numbers against a strong Comanche team. There were only 16 varsity squad members turning out for the scrimmage... against about 35 Comanches. Most all of the 35-member Chiefs squad had an opportunity to see action on the scrimmage field; therefore, the practice session extended into much overtime, with the small-numbered Blizzards determined to go the route with the more experienced team. Many

of the Chiefs were returners from last year's football wars, whereas on the small handful of Blizzards saw a difference in the action on the scrimmage field.

However, the Blizzards scored the first touchdown, working a 68-yard pass play to cross the stripe. Comanche made a touchdown following a 70 1/2-yard drive.

In all, the Blizzards gained 230 offensive yards in 40 plays, according to Coach Jimmy Stubblefield.

Coach Stubblefield said the squad still needs a lot of work on technique and on defense routines. Some of the squad filled positions Friday night they had not filled before.

Stubblefield said the coaching staff is proud of the showing the Blizzards made against a stronger, more experienced team Friday night... and the attitude of the squad is good. Many fans probably are in for a surprise when they see this team in action.

The Blizzards will scrimmage Eastland here Friday night, with the B team and lower grades going about 6 p.m., and the varsity squad scheduled to take the field about 8 p.m.

Milo Harvest Nearing End

Given a few more days of favorable weather, combiners will have the bulk of the 1975 milo crop in North Runnels "in the barn."

This year's milo crop has been "exceptional," overall, according to most farmers and grain men. There have been sections in North Runnels where rains were not received at proper times to ensure full maturity for the grain, or in places no rain was received. However, in most sections grain production has been above expectations, with production averages

Because of the good harvest weather in this area during the past several days, farmers have been able to cut, early and late each day, and incoming grain has taxed the capacity of elevators to keep up with the line of trucks and trailers arriving from the fields.

HEIDENHEIMER'S

PARKER'S COLUMN

Peppers for the Fall Garden
If you're planning a fall garden, give some thought to growing peppers, suggests C. T. Parker, county agent for the Texas Agricultural Extension Service.

Plant peppers 12 to 16 weeks before the average date of the first frost.

Six to 8 plants satisfy the needs of the average family. So it's generally easier just to buy pepper plants than to try to grow your own from seed.

When selecting varieties, major attention should be given to disease resistance.

Peppers are of two general types—hot and sweet. Top sweet pepper varieties are Keystone Resistant Giant, Yolo Wonder, Bell Ringer and California Wonder. Hot varieties that do well are Anaheim Chili, Fresno Chili, Hungarian Yellow Wax and Jalapeno.

Set the plants 18 to 24 inches apart in rows 30 to 36 inches apart. Use a good starter solution to insure vigorous early growth. When the first blooms appear, make a light application of a complete commercial fertilizer. Thorough watering is important as water stress from lack of moisture at flowering will cause blossom drop. Peppers will be ready for harvest from 70 to 80 days from transplanting.

Parker notes that fall as well as spring peppers are often bothered with various types of insects and diseases. So plants should be checked closely at regular intervals.

Fruit set occurs in a rather limited range of night temperatures. Blossom drop often occurs when night temperatures are below 60 degrees or when they go above 75 degrees. Plants may drop some of their blossoms during the early stages of growth, but this often is advantageous as overloading of the plant will reduce fruit size and quality. Small fruited varieties are more tolerant to high temperatures than the larger ones.

Pick peppers when they ripen to increase production.
