School Will Wait On Atty. Gen. Ruling

Winters Independent School District will "wait and see" what the statewide reaction will be toward the Attorney General's opinion, released last week, which stated that public schools cannot charge students fees for certain activities, Superintendent Bill Graves said last week.

The opinion, released by Atty. Gen. John Hill, states that fees charged by public schools for such things as workbooks, driver education, band uniforms, laboratory supplies, and other activities and supplies, are unconstitutional unless the legislature specifically authorizes them.

If followed immediately, Supt. Graves indicated, the effect would probably be a complete revamping of the school budget, and would eventual-

ly be cause for an increase in taxes to cover the added expenses to the school district.

There also is a question whether the Attorney General's opinion would cover all activities and supplies which individual students now pay for, Graves said. There are many areas in which students are asked to pay extra expenses not covered in the budget, he said, such as official school trips by class groups, to stock shows, contests, etc. For instance, the school district picks up the tab for transportation of students to stock shows, but individual students pay their own room and food expenses on such trips.

Winters schools charge driver education students a fee of about \$25, to cover instruction and fuel expenses, Supt. Graves said. Cars in the program have been provided by local dealers. Otherwise, the program could not be offered, he said. Part of the expense of the driver program is paid by the state, but the program does not receive credit from the education foundation program.

The local schools also charge lab fees for certain classes, shop fees to cover cost of materials, and for workbooks for certain subjects. (The Winters Lions Club has for some time provided extra funds to pay for workbooks, etc., for students who cannot pay for them.)

Much of the flexibility would be taken out of many of the programs now offered, if schools acted in accordance with the opinion of the Attorney General, Supt. Graves said.

However, Supt. Graves said, this is only an "opinion" issued by the Attorney General, and the final answer will probably have to come from court action, or legislative action. Therefore, Winters schools will wait and see what transpires over the state, and also wait for instructions from the Texas Education Agency, the directive body of the state's public schools. "We will continue to operate as we have in the past," until a concrete decision is made, one way or another, he said.

Supt. Graves' opinion, regarding the Attorney General's announcement, is about the same as that of superintendents and educators throughout the area and state: That the entire tax structure of the independent school districts would have to be changed to cover the added costs (if individual students are not charged for the necessary fees). The effect would be to lower the quality of the programs to the minimum, in place of improving the programs, he indicated.

Some of the larger school districts in the state, where the added expenses would run into millions of dollars, are certain to challenge the Attorney General's opinion in the courts, Supt. Graves said. Final answers probably will come from court decisions, which probably would not be given for many months.

The Winters Independent School District will not take immediate action in this area, but will wait for further information and instructions, the superintendent concluded.

Post Office, Bank Will Close Monday

The Post Office and Winters State Bank both will be closed next Monday, October 13, in observance of Columbus Day. Columbus Day traditionally has been October 12, but observance was changed to the closest Monday to that date some years ago.

Post Office patrons who have boxes will receive their mail, but there will be no city or rural deliveries made, and the counter will not be open.

Students Will Be Offered Aptitude Tests October 21

Mrs. Lee Harrison, guidance director at Winters High School, has announced that junior students in the school will be given an opportunity to join more than one million other students around the world in taking the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test (PSAT/NMSQT) this fall. This test, cosponsored by the College Board and National Merit Scholarship Corporation, is an important step in making college plans, Mrs. Harrison said.

Scheduled for October 21, the PSAT/NMSQT measures verbal and mathematical aptitude—two abilities important in doing college work.

The test can also lead to other opportunities for high school students, Mrs. Harrison said: They can enter the competition for scholarships administered by the National Merit Scholarship Corp.; they can participate in the College Board's Student Search Service which is used by hundreds of colleges interested in students like them; and they can get a good idea of what the Scholastic Aptitude Test (SAT) is like.

Baptist Association Will Meet Here Monday, October 13

Carlos Paredes of Dallas will be the State Missions speaker in the evening session of the 68th annual session of Runnels Baptist Association, to be held at the Southside Baptist Church in

Winters, Monday, October 13.

The afternoon session will begin at 2:30, and supper will be served by the host church at 6 p.m. The evening session will begin at 7 p.m. The annual sermon will be delivered during the evening session by the Rev. LeRoy Burris, pastor of the Norton Baptist Church.

Carlos Paredes, who will speak during the evening session, served as pastor of the First Mexican Baptist Church in Austin for 27 years. He became an associate for Latin-American Evangelism in the Evangelism Division of the Baptist General Convention of Texas in 1970. He received the bachelor of arts degree from Baylor University, and has studied at Southwestern Baptist Theological Seminary, Fort Worth. He has preached in Mexico, Panama, Central America, Japan, Puerto Rico, and South America, as well as in the United States.

SATURDAY WRECK—Archie Lancaster of Ballinger received serious injuries Saturday when the auto in which he was a passenger left the highway and ran into a concrete culvert. He was taken to North Runnels Hospital where he received treatment, and transferred to Ballinger

Memorial Hospital. Driver of the car, Alfred Wayne Schuman, 18, also of Ballinger, received only superficial cuts about the face. The automobile was demolished, and a part of the culvert was broken off. The accident happened near the Chick Inn south of Winters on U. S. 83.

Blizzards Will Host Pied Pipers Friday Night

The Winters Blizzards will host the Hamlin Pied Pipers Friday night, in the second District 6-AA conference game. Kickoff will be at 7:30 p.m.

The Blizzards lost their first conference game last Friday night to Ballinger, playing a big part of that

game without the services of the two regular quarterbacks. Coaches expect the team to be at full strength this week, however, even though team depth remains a problem.

Hamlin also lost their conference opener, dropping their first game 28-24 to Anson. In pre-conference play, the Pipers were unbeaten in four games. The Blizzards and the Pipers have played only one common opponent this year. Winters lost to Clyde 33-0 in the season's first contest, and Hamlin took Clyde 40-20 the third week of the year.

During this season, Winters lost to Clyde, defeated Merkel, lost to Coleman, beat Eldorado, and then lost to Ballinger.

Hamlin opened with a win against Rotan, 21-7, beat Haskell 20-0, won over Clyde, and then lost to Anson.

Band To Present Patriotic Program At Football Game

The Winters High School Blizzard Band will present a special patriotic program during halftime activities at the Winters-Hamlin football game Friday night, band director Kirke McKenzie has announced.

The Bicentennial will be used as a theme for most band programs this year, McKenzie said.

Rummage Sale To Benefit Local Cancer Unit

The North Runnels Unit of the American Cancer Society has planned a rummage sale, to be held Friday and Saturday, October 17 and 18, in the old Economy Food building on West Dale.

All proceeds from the sale will go to the North Runnels Unit fund.

Those wishing to contribute items to be sold in the rummage sale may leave the items at the office of the Winters Chamber of Commerce.

To Bank Assn. Convention In New York City

Woodrow F. Watts, president of Winters State Bank, and Mrs. Watts, left Friday for New York City where they were to attend the American Bankers Association Centennial Convention.

Approximately 12,000 bankers were expected to attend, with the biggest program agenda in the history of the organization. The opening session was to be addressed by Norman Vincent Peale.

Runnels Soil and Water District Gets Award

Runnels Soil and Water Conservation District last week was awarded the District II runner-up award for achievement in resource management by the Goodyear Tire & Rubber Co.

C. A. Bissett of Ballinger, representing the company, made the presentation at a dinner. Cone Robinson accepted the award for the district.

Conda Richards, executor for Chahourne Ranch, was presented the Goodyear conservation program merit award for achievement on his ranch.

Members of the board of directors received Goodyear awards for their help and promotion of the conservation program, given in conjunction with the award won by the district. Accepting the awards were Mrs. Grider Hays, for her husband; Cone Robinson, Sam Faubion, Otto Gottschalk, Douglas Cole, C. O. Richards, and James Eggemeyer, representing his father, the late Arthur Eggemeyer.

PP&K WINNERS—This group of youngsters were winners in the 8, 9 and 10 year old contestants in the Punt, Pass and Kick contests held Saturday morning. First place winners will go to area contests at McGill Elementary School, San Angelo, Saturday, October 11.

Pictured are, kneeling, 8-year-olds, left to right, 1. John McNeill, 2. Robert Simpson, 3. Chad Briley. Back row, 9-year-olds, 1. Don Kavapil, 2. Kelly Hood, 3. Roger Young; 10-year-olds, 1. Jeffrey Butts, 2. Lance DeBerry, 3. Ronnie Lujano.

PP&K WINNERS—These were the first, second and third place winners in the 11, 12, and 13-year olds in the Punt, Pass and Kick competition Saturday. The contests were sponsored by Dale's Ford Sales, and by the Winters Jaycees. The Jaycees conducted the

contests. Pictured are, kneeling, 11-year-olds, 1. Jimmy Hall, 2. Rudy Lars Jr., 3. Perry Bedford. Standing, 12-year-olds, left to right, 1. Scott Billups, 2. Roger Stevens, 3. Curt Gehrels. 13-year-olds, 1. Scott Stubblefield, 2. Rusty Allen, and 3. Toby Gerhart.

PASS RECEIVER—Tony Johnson, Winters Blizzard, snags a pass out of the air as a Ballinger Bearcat attempts to defend. Johnson grabbed 5 passes during last Friday night's game at Ballinger.

Early Metropolis
In 1519 the Aztec capital of Tenochtitlan on the site of present-day Mexico City had an estimated population of 300,000 — larger than the contemporary London of King Henry VIII.

TO COLORADO
Mrs. Marva Jean Underwood and Randall visited from September 29 through October 6 with Mr. and Mrs. E. L. Richards at their summer home in Ouray, Colo.

LEADING RUSHER—Jimmy Chapman, No. 30, was the Blizzards' leading ground gainer in the Winters-Ballinger game last Friday night, carrying for 32 yards.

Blizzards Lose To Ballinger

Loss of two first-string quarterbacks, and substitution of a player who had never worked the down-under position—deciding factors in the Winters Blizzards' 35-7 loss to the Ballinger Bearcats Friday night at Ballinger, the first District 6-AA conference game of the season for both teams.

The Blizzards took command of the game early in the first quarter, and with 3:49 left in that stanza, quarterback Marvin Moore hit Tony Johnson for the first score of the game, and then Johnson booted the PAT—7-0 for Winters. The Blizzards kept Ballinger scoreless for the rest of the first quarter—and then the night fell apart for the Winters squad.

Moore was eliminated from action in the second, and then Jeff Russell, the other quarterback, had his bell rung—and Tye Rougas, who had not received a snap from center all season,

was sent in to fill the vacancy. Ballinger chalked up 14 in the second quarter, and the 7 in the third, and another 14 in the fourth.

Leading pass receiver for the evening was Tony Johnson, who snagged 5 for 68 yards. Jimmy Chapman was leading rusher for the night, with 32 yards, followed by Moore, who rushed 29 before his retirement to the bench.

Leading tackler was Kent McNeill, with 12 to his credit.

Best offensive grades for the night's action went to Moore, 90 percent; Rougas, 62 percent; and Jack Fairey, 61 percent.

Best defensive grades went to Phil Colburn, 65 percent; Kent McNeill, 62 percent; and Jack Fairey, 60 percent. Fairey also received the "Big Hit" award.

The Blizzards dominated the air lanes during the game, with 8 of 25

completed for 97 yards. The Bearcats came up with only 2 yards passing, completing 1 of 7 attempts.

Penalties for both teams lengthened the game time, and fumbles lost caused some setbacks at crucial moments.

The final score left Winters with a 2-3 record for the season, and Ballinger with a 5-0 record.

Where Rheumatism Pain Strikes

Rheumatic and Arthritic Pain can strike the joints in any of the indicated areas (see arrows on chart)

ICY HOT
Puts Pain to SLEEP

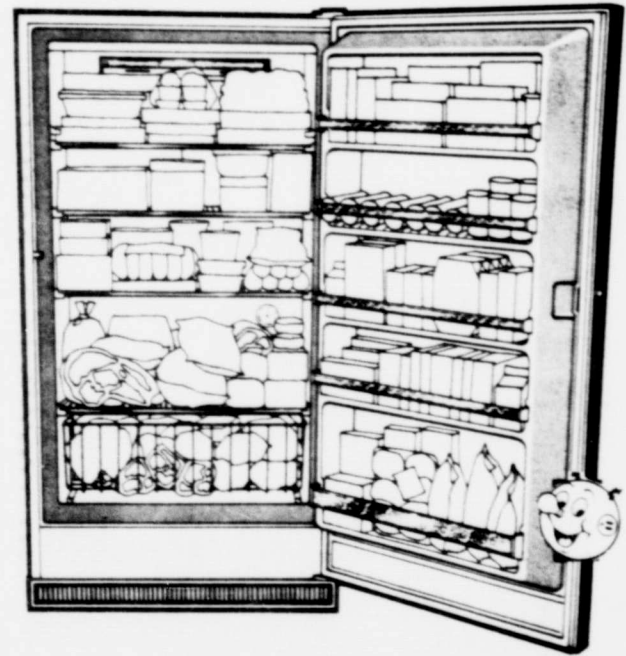

Now for the first time, overnight blessed temporary relief from the pain of arthritis, bursitis, rheumatism, soreness, stiffness. Just rub Icy-Hot's creamy balm over the affected joints or muscles, and you can actually feel the pain start lessening. Begin to sleep peacefully again. If you don't have relief in 24 hours we'll refund your money. \$3.00 for 3 1/2 oz. jar or \$5.00 for 7 oz. jar.

AVAILABLE FROM:

Smith Drug Co.

Get the most "freeze" for your freezer!

There's probably no more stalwart household servant than your electric freezer. Think of the variety of healthy, flavorful meals it's helped serve up to your family. Make sure you're getting the most "freeze" for your freezer by following Reddy's consumer tips.

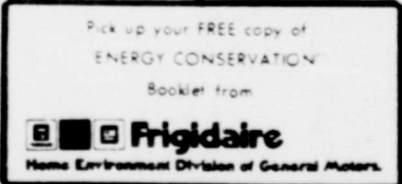

Don't overload: Efficient freezing calls for adding no more unfrozen food at one time than 2 or 3 pounds per cubic foot of your freezer's capacity. This ensures unfrozen food will freeze within a healthy 24 hours and that your freezer isn't overworked.

Take advantage of sales: Avoid overstocking with commercially frozen food that's always available. Use your freezer as your own bargain counter and store foods you can buy on sale. But do allow space for short-time baked goods, leftovers and special party foods.

Lock in flavor: Use moisture and vapor-proof materials especially designed for freezers to wrap your foods. Tightly sealed, these lock in flavor and moisture and prevent "freezer burn" (surface drying) on foods. Don't use wax paper, bread paper or regular cellophane for freezer foods.

Label packages: Date and identify freezer packages so if you don't accumulate a lot of miscellaneous shapes and sizes you'll be able to pick out foods that have been in the freezer longest.

Wedding Story, Picture Policy

The following policies will be followed for publication of wedding stories and pictures in The Winters Enterprise:

Only one picture will be published for each couple. If couple desires picture with engagement announcement, no wedding picture will be published.

Wedding stories and pictures must be turned in on Friday before week of publication. Reproduction size of pictures will be at the discretion of the publishers. To eliminate additional expenses, we prefer 5x7 glossy photographs.

Stories and pictures of weddings taking place more than two weeks prior to publication date cannot be published, except under certain circumstances.

Because of increasing costs, and space limitations, no wedding or engagement pictures of children or grandchildren of non-residents can be published. Also, stories in this category will contain only the essential facts.

We are more than glad to publish wedding stories and pictures under the above limitations, at no cost. To

Merrill Nursing Home News

A wonderful, and long awaited for thing has happened at our Nursing Home. The building is now completely surrounded by pavement. We are anxious for a rain, so we can enjoy not being in the mud.

We had another nice thing happen this week. The Jaycee's presented us with a tape recorder. We plan to use this in many ways for the enjoyment of the residents. We want to thank this fine organization for this kind gesture.

The Rev. Mel Swoyer brought the Sunday afternoon message, and Rev. Bob Lindsey conducted the Wed-

Lutheran Ladies Aid Circle Met

The Ladies Aid Circle of St. John's Lutheran Church met last Thursday afternoon in the Fellowship Center, with Mrs. Walter Gerhart presiding. Mrs. A. C. Minzenmayer was program chairman.

A playlet for those having birthdays in October was given. Those taking part were Mrs. John Hiller, Mrs. W. W. Ahrens, Mrs. Jack Whittenburg, Mrs. A. C. Minzenmayer and Mrs. W. F. Minzenmayer.

Bible study leaders were Mrs. A. C. Minzenmayer, Mrs. Ellis Ueckert and Mrs. Walter Gerhart.

The group voted to have a booth at the annual Halloween Carnival.

Hostesses for October were Mrs. W. W. Ahrens, Mrs. T. F. Hantsche and Mrs. A. C. Minzenmayer.

-The Publishers.

nesday morning Bible study. The Winter's String Band was enjoyed by all who came last Friday evening. We play bingo twice weekly, and still enjoy the new bingo set that the Veterans of Foreign Wars Post 9193 gave to us.

CARD OF THANKS
 To our many friends in Winters we want to say that your prayers, visits, mail, and food have helped to sustain us through some difficult days. Thank you. —Jake & Horte Joyce 28-1tc.

KRUEGER'S KOLUMN

By CONG. BOB KRUEGER
21st Texas District

A number of people have asked my views on the sale of American wheat to Soviet Russia and other countries. I have replied that while I do not believe that the U. S. Government should subsidize the sale of grain overseas by offering foreigners lower interest rates than are available to Americans, I believe it is necessary to trade with other nations and we must sell them those things which we produce that they want to buy.

The products that we have which others want most are agricultural. If we wish to buy from foreigners such products as oil, cocoa, sugar, radio and television sets, cars, etc., we must have something to sell in order to be able to pay for them. Last year the cost of foreign purchases of our products came to \$12½ billion, or as much as we pay for imported oil. American farmers were able, by their ability and enterprise, to produce agricultural products cheaper than foreign farmers do. Thus we sold three-quarters of our wheat crop, one-half, of our soybeans, and one-quarter of our corn, and still had enough for domestic consumption. Some people argue that such sales increase prices at home, but this is not necessarily the case. And it is unrealistic to think that we could buy from overseas without selling to people overseas as well.

Only 6 cents of the cost of a loaf of bread goes for the wheat itself. The rest goes to

labor, transportation, packaging and other costs. Therefore, I am convinced that it is in the American interest to sell overseas, but these agricultural sales should, whenever possible, be made on a long-term basis. If farmers know several years in advance, for example, how much wheat the Russians are committed to buy or how much soybeans the Japanese will take, they can plan for production with greater certainty and this will be in our interests as well as theirs.

I spoke last week with the head of a large corporation that is trying to arrange for the shipment of liquid natural gas from the Soviet Union to the United States in order to provide gas for states on the eastern seaboard. Russia has large gas supplies which our eastern states desperately need in order to avoid plant closings, unemployment, and the threat of financial devastation to many American families. If we could arrange for their gas at fair prices with assured delivery and they can count on our wheat, then it is in the interests of both nations. Furthermore, if Russia depends on us for bread for its people, they would be less likely to engage in actions that could provoke future hostilities between our nations. I have always believed that in business, a good trade is a trade that is good for both parties. If we could trade wheat sales for Russian gas purchases, it could well be to our mutual advantage. We would have the added gain that, whereas natural gas is depletable (that is, it could be completely consumed), grain could be grown again every year with new plantings and new harvest.

When angry, count to 10 — it helps you build up steam.

Grandson of Local Residents Married At Brownwood

Vivian Kay Vavrina, daughter of Mr. and Mrs. John Vavrina of Brownwood, became the bride of Russell Owen Denson, son of Mr. and Mrs. D. R. Denson of Brownwood, Saturday, September 27.

The bridegroom is the grandson of Mr. and Mrs. Garland Shook of Winters.

The bride is a graduate of

Granddaughter of Local Resident Married At Montgomery Recently

Miss Holly Sue Underwood, daughter of Mr. and Mrs. C. H. Underwood of Conroe, and Thomas Stephen Price, son of Mr. and Mrs. James Price of Montgomery, were married September 13 in the First United Methodist Church at Montgomery.

The bride is the granddaughter of Mrs. E. L. Crockett of Winters.

The Rev. Dearing Jones officiated at the double ring ceremony.

Luther League Meeting Sunday

The Senior Luther League of St. John's Lutheran Church met Sunday evening at the church.

The group played volleyball and Laurie Pruser gave the devotional.

Present were Howard and Laurie Pruser, Duane Geistmann, Blake O'Dell, Ricky Dunlap, Leslie Dunlap, Darrell Kurtz, Roger Kruse, Debbie Kruse, and the sponsors, Mr. and Mrs. Dunlap and Mitchell O'Dell.

CARD OF THANKS

Than you for all the thoughtfulness shown to me while I was in the hospital and since I have returned home. Thanks for all the cards, flowers, gifts, and visits that I received. A special thanks to the Staff of the North Runnels Hospital, and to Dr.'s Lee and Rives. —Mrs. Charlotte Davis. 31-1tp

CARD OF THANKS

Many thanks to my wonderful friends and relatives for your, visits, prayers, cards and food while I was a patient in North Runnels Hospital and Shannon Hospital in San Angelo, and since I've returned home. My family joins me in saying Thanks. —Leeland Hoppe 31-1tp.

FB Seeks To Lift Russian Grain Sale Ban

Leon Frerich, president of the Runnels County Farm Bureau, said this week that the Farm Bureau is urging farmers and ranchers in the county to write President Ford and members of Congress requesting that the ban of grain sales to Russia and other countries be called off.

Frerich said that "labor union leaders should not be permitted to dictate when and where farmers can sell their products."

School Super To Dallas HEW Workshop

A change in the school's policy for sports and other extra curricular activities is expected in the near future, in compliance with directives and regulations laid out by the federal Housing, Employment and Welfare agency. The changes may affect status of girls attending the local school, in their participation in sporting events and other activities.

Winters School District Superintendent Bill Graves this week is attending and HEW workshop in Dallas to gain information on implementation of a "sex equality in education" program initiated by HEW.

The provisions of Title 9 of the Elementary and Secondary Education Act will be studied, to determine the extent to which schools will be required to go to provide equal opportunities for girls in sports.

Supt. Graves said Title 9 requires that girls in public schools be provided equal facilities, and sometimes common facilities, with the boys attending school. This probably will mean more emphasis on "lifetime" sports, such as golf, tennis, volleyball, and other such non-contact activities, he said. This will cause no problems in most instances.

Graves said. It will only mean that the girls be given an opportunity to participate, even in track events, he said.

AROUND THE 6-AA FOOTBALL LOOP

Anson and Ballinger were the only two undefeated and untied teams going into the District 6-AA conference season, and the Tigers and Bearcats kept those records alive in their first district competition Friday night. Coahoma, who had won only one game and lost three in pre-conference play, came up the winner in their first conference play Friday night, defeating Colorado City, to be one of the tree non-losers in the loop. Stamford had an off week last week.

Anson took Hamlin 28-24, and Ballinger beat Winters 35-7.

Ocker Named To Runnels Soil and Water Board

David Ocker of Rowena was elected to the board of directors of the Runnels Soil and Water Conservation District, in an election held at Rowena October 2. He will represent landowners in Zone II of the district.

Ocker succeeds the late Arthur Eggemeyer of Miles, who was a member of the board for 20 years.

Other members of the board are Cone J. Robinson Sr., of Norton; Douglas Cole of Winters; Sam Faubion of Crews and Otto Gottschalk of Ballinger.

Zone II is all the land in Runnels County west of U. S. Highway 83 and south of the Colorado River.

Ocker, his wife Gwen, and their two sons, Chris and Steve, have a farm and livestock operation in the Rowena area.

C. T. Parker's Weekly News Column

Kale For Fall Gardens

If you want to keep your family supplied with a nutritious, leafy green vegetable all winter, try planting kale in your fall garden suggests C. T. Parker, county agent for the Texas Agricultural Extension Service.

Kale, sometimes called borecole, is a biennial vegetable similar to cabbage or collards.

The nutritional value of kale is higher than that of many other vegetables because it contains a form of calcium that is more easily broken down in the human digestive system. The calcium contained in chards, spinach and beet greens is non-usable in human nutrition.

Common home varieties are Improved Siberian and Dwarf Blue Curled.

Plant kale one-half inch deep in rows 36 inches apart with individual plants about two inches apart, suggest the agent. Plant a 5-to-10-foot row of kale for each person in the family.

As the plants begin to grow, thin them by pulling out every other plant. These thinnings can be eaten. This will leave about four inches between plants. Wait until the plants begin to touch again, then repeat the thinning process. Do this until there is about 12-16 inches between plants, points our Parker.

"True" harvesting begins about two months after planting. This is done by pulling off one or more leaves from each plant. Never harvest more than one-third of the top growth from a single plant, cautions Pakrer.

Take Landscape Inventory

Have you made an inventory of your home landscape recently? The fall season is the ideal time to check the home landscape and decide whether replacement plants or improvements are needed, points our Parker, county agent for the Texas Agricultural Extension Service.

Maybe a rose bush has died or failed to live up to expectations, or there is a gap in the shrub border where a new plant is needed. Is shade adequate in the outdoor living area for optimum enjoyment?

Make a list of landscape needs and be ready to take advantage of the selections offered to the alert gardener by garden and nursery centers, suggests the agent.

The natural inclination is to put off garden work until late spring when everything is greening up and spring flowers are in bloom. Suddenly the urge comes to plant trees and shrubs, and we rush out to buy plants only to

Giant Sweet Potatoes Grown By Shep Farmer

J. H. Wheeler, who farms in the Shep Community, last week was exhibiting two of a new variety of sweet potatoes he had grown on his place.

One of the potatoes weighed 6 1/4 pounds; the other, 3 1/4 pounds. Wheeler said he had planted a little more than two short rows, and one hill produced half a bushel of potatoes. This is a new variety of potato, he said.

find picked-over stock.

Parker reminds homeowners that balled and burlapped plants and those grown in containers can be planted any time of the year. Many of the deciduous plants, those that lose their leaves each fall, are more easily handled or transplanted in a bare root condition. For best results, set out bare root plants in late fall and winter
