## Local News In Brief

### Notice

Since last October the caretaker of our two cemeteries has been paid for over three hundred hours of hard work. When people pass by we are not ashamed for them to see the last resting place of our loved ones.

We have thoughtful ones who contribute regularly to this work. To them we are grateful.

Have you neglected or forgotten to help us?

## School Opens Tuesday Sept. 1st

The Carbon School will open Tuesday morning at 9 o'clock with assembly in the auditorium and all patrons are invited to attend. Considerable improvements have been made on the school building and lunch room and the patrons are invited to inspect the work that has been done.

Supt. H. L. Mullins and faculty cordially invites all to attend the opening of school Tuesday, Sept. 1.

## Meeting Set For Monday Night

The Eastland County Farm Bureau will hold its annual county-wide meeting and barbecue at the city park in Eastland at 7 p. m. Monday, August 31, it was announced by A. Z. Myrick of Cisco, president of the bureau. Plans for the annual affair were completed at a called meeting of the board of directors this week.

Tickets for the affair were being sold at 50 cents per plate for adults and for children over 12 years of age. Children under 12 will be given a free plate, it was announced.

A good speaker will be on hand for the annual meeting, it was announced by Ray Norris of Ranger, secretary-treasurer of the bureau.

A recreation period will be held with games for all age groups.

Officials of the Eastland County Bureau said that preparations were being made to care for 1,000 bureau members and family members.

Tickets may be obtained from any member of the farm bureau, it was announced. The Cisco Locker Plant has a supply on hand for this area, it was reported.

## Plans Completed For Conservation Day For 4-H Club

Plans for the 4-H Club Conservation Day at Lake Cisco on August 28th are complete and more than 100 boys and dads are expected to attend, said Bob Williams, assistant county agent.

The program begins at 10 a. m. with a field trip to collect and identify grasses. E. E. McAllister of the SCS at Eastland will be in charge. He will hold a grass identification contest with the help of other Soil Conservation officials. Some very nice prizes will be presented to the five highest scorers, Williams said.

Those planning to attend should bring a picnic lunch, cup for iced tea, bathing suit, and a dime for swimming, said Williams.

## Carbon Seniors Of 1933 Held Reunion To Hold Annual Electric Fair

The senior class of 1933 of Carbon High School held a class reunion August 8 at the City Park in Eastland.

The reunion had been planned for several months in advance in order to be able to contact all of the members of the class.

Some were detained because of their occupations, but in general, the attendance was very good and the reunion was said to be a success.

A picnic lunch was served at the noon hour.

The group was very glad to have their former superintendent, Mr. Albert A. Pierce, present.

Others attending were: Buck Speer and family of Haskell, Arliss Pierce and family of Cisco, Woodrow Mangum of Carbon, Darrell Moore of Lubbock, W. C. and Fern Jordan, Dina and Nancy of Imperial, Calif.; Bess Gay of Houston, Mr. and Mrs. Roy Pierce of Carbon, Mr. and Mrs. J. N. Jordan of Eastland, Mr. and Mrs. J. T. Weaver of Olden.

The reunion is not restricted to 1933 high school Seniors but any friends of the group are welcome.

## Football Season Opens Soon

The schedule for the coming football season has been announced by Coach R. C. Smith. He hopes to have the boys in shape for the opening game Friday, September 11, at Gorman, their first conference game, and on Friday September 18, the first home game will be played with Moran.

The field is in good shape and with the backing of the community, our boys should be in there fighting to win all the way.

The schedule follows:

Sept. 11	Gorman	There
18	Moran	here
25	Woodson	here
Oct. 2	Early	there
9	Strawn	there
16	Clyde	here
23	Gatesville	here
30	open	
Nov. 6	South Taylor	here
12	Baird	there

The Comanche County Electric Cooperative will hold its annual electric fair and membership meeting in Comanche on August 28, it has been announced by officers of the association.

The annual affair opens at 9 a. m. that day with registration and the inspection of exhibits of the latest in electric and farm equipment.

The business session will be held at 10 a. m. with the presentation of reports of officers and managers, and the election of directors for the coming year the feature of the meeting.

A well rounded program has been prepared for the annual meeting. A talent show will be presented and the winner will receive a prize and a chance to enter the state show in Mineral Wells. Other prizes will be awarded for various contests.

Special movies have been secured for both adults and children. Children will be given free rides on carnival rides and a free swim in the Comanche pool. The show, Prevue Of Progress, will be shown at the meeting.

W. B. Starr of Cisco has been nominated director from the Eastland-Callahan Counties district, which is district 4 of the area.

## Carbon Couple Making Home In Eastland

Miss Patsy Ann Byrd, daughter of Mr. and Mrs. T. A. Byrd, became the bride of James Lynn Hogan, son of Mr. and Mrs. Jim Hogan, at 7 p. m. Saturday, August 15. Rev. Lee Fields officiated as the couple took their vows in his home here.

The bride wore a beige faille two-piece dress. Her accessories were of dark brown. A rhinestone pin with matching earrings enhanced the costume. Her shoulder corsage was yellow carnations.

A number of relatives and friends were present for the ceremony.

Both of the young people attended Carbon High School and he was a member of the graduating class last year.

They are making their home in Eastland and Mr. Hogan is employed with the Boss Manufacturing Co. in Cisco.

Easy Rice and Cherry Pie With Coconut Crust  
is a New Idea for Heavenly Eating

This is a pie to remember! It is  
so good you won't be able to  
forget it. The rice and cherry  
filling is tinted a luscious red.  
The sweet and chewy coconut  
crust turns a golden brown as it  
bakes in the oven. As a fitting  
halo for this rice dessert, which  
is positively out of this world,  
clouds of fluffy whipped cream  
swirl over the luscious rice and  
cherry filling.

The family can enjoy this sumptu-  
ous pie all the time because  
the rice and cherry filling cooks  
in a hurry and the coconut crust  
takes only seconds of attention  
before the oven takes over.

The three magnificently good  
parts of this pie—the coconut  
crust—the rice and cherry fill-  
ing—the whipped cream top-  
ping—combine to make one of  
the year's most talked about pies.

INGREDIENTS:

- 3 tablespoons soft butter or  
margarine
- 1 5 oz. package or can of moist  
coconut (1 1/2 cups)
- 2 cups cooked rice
- 2 eggs
- 3/4 cup beet or cane sugar
- 1 1/2 cups canned tart, red cher-  
ries, drained
- Red food coloring, if desired
- 1 cup whipping cream, chilled
- 1/2 teaspoon vanilla
- 1/4 cup beet or cane sugar

PREPARING THE FLUFFY  
WHITE RICE: To make 3 lib-  
eral cups of fluffy rice, put 1  
cup of uncooked rice, 2 cups of  
cold water and 1 teaspoon of  
salt into a 2-quart saucepan and  
bring to a vigorous boil. Turn  
the heat as low as possible. Cov-  
er the saucepan with a lid and leave

over this low heat for 14 min-  
utes. Turn off the heat. Do not  
remove lid nor stir rice while it  
is cooking. After rice has cook-  
ed, remove saucepan from heat  
—but keep the lid on until you  
are ready to use the rice.

Use exact measurements of un-  
cooked rice and water. Time the  
cooking accurately.

For real convenience and econ-  
omy of time and effort, keep un-  
used rice in the refrigerator in  
a covered container at all times.  
Use it for many quick, delicious  
and inexpensive soups, salads,  
casserole dishes, hot breads and  
desserts.

METHOD: To make the coconut  
crust, spread butter or margarine  
evenly over an 8 or 9 inch pie  
pan. Sprinkle the coconut into  
the pan and press into the but-  
ter. It helps to use a moist tea-  
spoon to press the coconut  
against the pan. Bake in a 350°  
F. oven until crisp and golden  
brown.

To make the rice and cherry fill-  
ing, mix together the rice, eggs,  
sugar and cherries and cook  
over a low heat, stirring con-  
stantly, until the mixture thicken-  
s. The egg whites make the  
mixture foamy, but soon cook  
into the rice. If desired, add red  
food coloring. This makes a  
more delicious looking filling.  
Pour the filling into the coconut  
crust. Cover with wax paper or  
aluminum foil and chill in the  
refrigerator.

To serve, Whip the cream and  
fold in the vanilla and sugar.  
Spread over the rice and cherry  
filling.  
Cold baking makes 8 servings.

### Texans Appear Contented With Duck Hunt Plans

AUSTIN, Aug. 15. — Texans  
seem generally contented with  
the 1953 waterfowl harvest regu-  
lations, according to the Execu-  
tive Secretary of the Game and  
Fish Commission.

He said the response to the  
state's season on ducks and geese,  
running from November 6  
through January 4, has been favor-  
able. The fact the season ex-  
tends through the Christmas holi-  
days has pleased gunners on the  
Gulf coast.

The Executive Secretary said  
north Texas hunters understand-  
ably were disappointed again at  
not being zoned like the mourn-  
ing dove upper state shoot. He  
said prospects of a late flight  
from the north as reported in  
Washington should help compen-  
sate for the difference.

The United States Fish and  
Wildlife Service, which has final  
authority over seasons for migra-  
tory waterfowl, generally follow-  
ed the request by the Game and  
Fish Commission for a sixty-day  
season, a limit of five and ten for  
ducks and a limit of five for  
geese.

The Executive Secretary said  
the barring of baiting for water-  
fowl will not affect many Texas  
hunters since the practice has not  
been widely followed in this  
State.

The extra hour tagged to the  
day's shooting period, extending  
legal gunning to sunset, will have  
no appreciable affect, he said.  
"Waterfowl are too smart," he  
explained. "It will be rough on  
them for the first few days but  
they soon catch on. After they  
get wise, they simply won't move  
around much until after the  
shooting stops. In this case, the  
ducks and geese simply will have  
to delay moving into feeding  
grounds and back up their sup-  
per another hour."

## Tips on Touring

By Carol Lane  
Women's Travel Authority

Twenty million anglers can't be wrong about the fun of fishing. But they sure can make mistakes about the best time to fish.

Here are some portents for a lucky day's catch that you can look for when planning to drive off to your favorite piscatorial retreat.

**Fish bite best** when they can see best. This means they feed more when the waters are clear, not muddy. The moon seems to affect the fish's appetite too. In fact, there's a saying, "Fish bite best when the moon is bright, and this is true both day and night," that many fishermen swear by.

A good off-shore breeze is another lucky omen. The ripple on the water hides you from the fish. Rough water, however will hide the bait from the fish.

Many anglers consult a barometer before setting forth on their sport. They stay in bed if the barometer is low, but jump out early and fast when it is high or rising.

Incidentally, the warmer the water, the deeper should be your plugs, spoons or spinners as the fish seek out the cooler levels.

Actually, the enjoyment, for most people, is not in catching fish—but just in "goin' fishin'."
