## Around Muleshoe

Joyce Holmes, manager of the Bailey County Exhibition Center and Coliseum has asked that all persons who have reserved the coliseum for any function to please check with her at the coliseum office to confirm the reservation. She also announced that a telephone answering service will be installed on one of the coliseum telephones, 272-4051. In the event she has to be out of the office, the answering service will be activated, she explained.

Muleshoe City Police Officers Ray Lynk and Hal Bynn left for Houston this weekend to attend a Narcotics and Dangerous Drugs school. Both officers are also with the detective division of the city police department.

A special called meeting of the Muleshoe Fine Arts Booster Club is planned for 7:30 p.m. tomorrow, Monday.

It will be conducted at the band hall at Muleshoe High School and all members, and parents of students in art, band, speech and drama are asked to attend the meeting.

Muleshoe City Police Chief Johnny Richards will be teaching a class at the South Plains Association of Governments Law Enforcement Academy at Reece AFB in Lubbock Tuesday morning. Chief Richards will be conducting a four hour class on 'Report Writing.'

PTA will meet October 8, Monday in Mary DeShazo. The executive meeting will be at 3:15 p.m. followed by the regular meeting at 4 p.m.

A panel discussion will be held on "What your school can do for you-what you can do for your school." Baby sitters will be available.

MULES HALTED BY ANTELOPES--As Charles Walker, No. 40, attempts to make more yardage, and Mike Northcutt, No. 11, lies on the ground after throwing a block on an Antelope, the 'Lopes ganged up on Walker to bring him to a teeth-shattering halt during the Muleshoe-Abernathy homecoming game Friday night.

## New Health Services Now Available Here

A new health service for people in their place of residence was recently brought to Muleshoe. Visiting Nurse Service of Lubbock, Inc. which has been in operation since February, is now able to serve residents in this community with a comprehensive home health service.

### Carnival Booth Reservations Being Taken Now

Terry Bouchelle said he is accepting reservations for booth space at the annual Fine Arts Booster Club Halloween Carnival, scheduled for Saturday, October 27 in the Bailey County Exhibition Center and Coliseum.

He said reservations must be made by Saturday, October 20 by any organization wishing booth space.

He can be called at 272-4664 to make the reservation.

vice, according to Vernice Garth, local representative.

For information about the service, she can be contacted at 516 East Third in Muleshoe, or call 272-4692. Also, persons can call 806-793-9067 or write Visiting Nurse Service at 2806 34th Street, Lubbock, Texas 79410.

Mrs. Garth said physicians in the Muleshoe area are being apprised of this new service and personnel are available to speak to interested groups about the service and how patients can qualify for this care in their places of residence.

Mrs. Garth said Visiting Nurse Service applied for the grant to demonstrate that home care is a viable, economical alternative to lengthy institutional care. One of the goals of the service, she reminded, is to be responsive to the health needs of all residents of the catchment area.

To accomplish this, home health must be delivered to those persons whose Medicare/Medicaid home benefits have been exhausted, or who do not fit exactly into the eligibility guidelines, and to those who are medically indigent, have no insurance coverage, but need home care and to persons of all ages who can benefit from home care.

She said nursing care and procedures, health teaching, and monitoring of patient conditions can be done when ordered by the patient's physician. Mrs. Garth commented, "It is hoped that the service can prevent some institutionalization and that it can shorten the number of days spent in in-patient facilities."

Examples of procedures that can be done are: dressings, injections, I.V. therapy, catheter care, gastric tube feedings and Con't on page 6, Col 6

## Mules-Antelope Battle Ends With 20-20 Tie

### Rhodes Is Named 1979 FB Queen

In pre-game activities Friday night, JoRonda Rhodes, daughter of Mr. and Mrs. Joe Rhodes, was crowned 1979 football queen. She was chosen from a field of three candidates and was crowned by her escort, Dennis Watson.

### Christmas Parade Plans Finalized For Twentieth Year

John Gulley, manager of the Muleshoe Chamber of Commerce and Agriculture said Friday morning, "The Muleshoe Chamber of Commerce and Agriculture is proud to announce that it will sponsor the 20th Annual Muleshoe Christmas parade this year."

"The parade will be held on December 1 and the theme of the parade this year is 'An Old Fashioned Christmas.'" He added, "As in the past, cash awards will be given for the top three floats in the parade. In order to enter a float or to participate in the parade, you should contact the CofC office at 104 E. Avenue C, or phone 272-4248. Deadline for entry is November 23."

### Methodists Plan Conference Next Weekend

"Let Go and Let God Have His Way With You" is the theme of the annual weekend Mission Conference to take place October 13 and 14 at the First United Methodist Church. Guest speakers will be Dr. and Mrs. Anthony B. Fadely, who served as missionaries of United Methodist Board of Global Ministries in Liberia, West Africa from 1965-1978.

Dr. Fadely was born in Zenia, Ohio and Mrs. Fadely is a missionary nurse. She was born in the Congo (Zaire) to Medical Missionary parents. E. Segum Ogungbemi and his wife, Modupe Margaret, are from the Yerba Culture, Nigeria, Africa. He will be sharing with the group about his country and people. His wife has just come to the United States to be with her husband this year. He is a ministerial student at Perkins School of Theology in Dallas.

The other speakers will be the First United Methodist Church's own team of 17 persons who will be back from a Medical Mission trip to Haiti just in time for the conference next Saturday and Sunday.

### Outstanding Band Gave Performance

It was a beautiful night for football in Muleshoe last Friday, and the grandstands were packed, with people spreading blankets like at picnics in order to have places to sit.

Action got off to a fast start, with the Mules scoring at 4:49 in the first when Mule quarterback Mike Northcutt broke loose from the pack and galloped untouched for a 94 yard TD to apparently start the evening off right. Sam Whalin then added another point for the Mules to lead 7-0.

However, as the Mules were penalized on the first two plays of the game after the opening kickoff, that should have been a warning how the evening would go. At the end of the game, and following a whopping 106 yards in penalties assessed the Mules by the Lubbock referees, the score was all tied up, 20-20.

The game nearly became a repeat of the Mules-Abernathy game in Abernathy last year, when the score was tied at the closing seconds of the game before the Mules scored with 23 seconds left in the game to have a narrow 26-20 victory. No such action in Muleshoe Friday night. The Mules did not break the 20-20 tie this year and the game ended with no winner, except for some people who said the only winners were the referees.

Tony Heath, quarterback for the Abernathy Antelopes put the 'Lopes on the scoreboard first when he slammed through the line from the one yard line

early in the second quarter. With 11:56 left to play in the first half, the Antelopes tied the game up 7-7 when Willie Betts connected on the PAT.

Eighteen seconds later, Con't on page 6, Col. 3

### Truck Wreck On Thursday; No Injuries

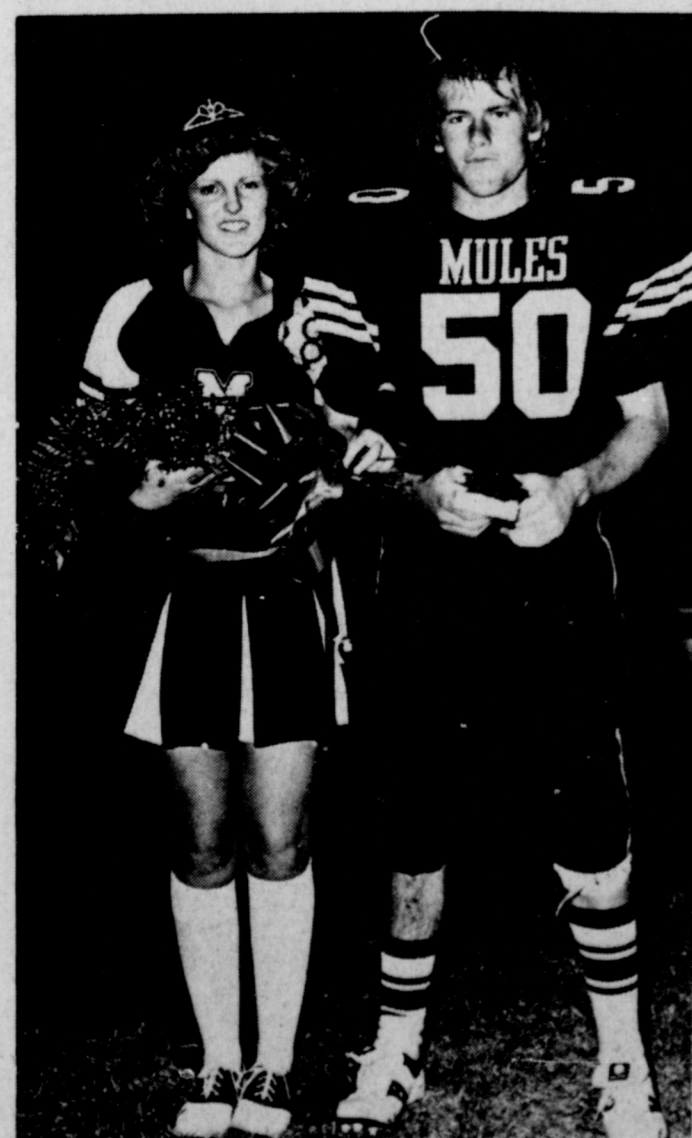

Royce Turner Friday considered that he was a very fortunate man. Late Thursday night, Roman Garcia, driving a Turner truck, loaded with corn, blew out a back tire on the loaded truck, the load shifted forcing another dual to blow out and the truck overturned approximately four miles east of Muleshoe on Highway 70.

Garcia was not injured in the accident, and Turner said his almost new truck sustained only about \$400 in damages.

Members of the Muleshoe Volunteer Fire Department, who were notified of the accident, quickly arrived at the accident site and wielded shovels to finish unloading the corn onto the ground, then scooping and sweeping the corn from the highway. Firemen also uprighted the overturned truck.

The accident was investigated by DPS Trooper Arnold from Littlefield, assisted by Bailey County Deputies Bob Henderson and James Williams.

Trooper Arnold said he would like to express his appreciation to the members of the fire department. Con't. page 6, Col. 2

'79 HOMECOMING ROYALTY--JoRonda Rhodes, daughter of Mr. and Mrs. Joe Rhodes, was crowned the 1979 Homecoming queen in pre-game activities Friday night. She was escorted by Dennis Watson.

## County Will Receive New Paved Highway

Work in Bailey County is included in the 1979-1980 Texas Farm to Market Road Program passed recently by the Texas State Highway and Public Transportation commission, according to the SDHPT in Lubbock.

District Engineer George C. Wall, Jr., of Lubbock, District Five, said the program includes: FM3397 on Bailey County, from FM298 at Circle Back, south of FM54, 8.4 miles, provide relocation assistance and construction, grade, structure and surface. Additional finance is \$475,000.

Statewide the two year program includes \$48 million for new construction or additional financing on 413 miles of Farm and Ranch to Market Roads in the state.

Wall said this includes funding for 118 miles of new construction and additional financing for another 260 miles. Approx-

mately 34 miles of projects were authorized previously and included in the program.

Wall commented, "The Texas Farm and Ranch to Market Road system is one of the largest secondary road networks in the nation with some 41,000 miles designated since the program's inception shortly before World War II."

"The system has been developed cooperatively by the counties and the state, with local governments securing the right of way and providing for utility adjustments, and the state in charge of the construction and maintenance of the facilities," he added.

"The system, which is all paved, has been credited with opening new social, educational and recreational opportunities as well as serving agricultural producers," stressed the engineer. Con't on page 6, Col 5

FIRST BALES OF COTTON--Wednesday, the first cotton bales for 1979 were harvested and ginned in Bailey County. M.L. Abbey, left, produced the cotton on his farm southeast of Maple. The cotton was ginned at the Maple Co-op Gin by gin manager Jack Feagley, right. Abbey said he planted the SP21 around May 10 and his 5120 pounds of seed cotton produced two bales and a remnant, with 1160 pounds of lint and 2050 pounds of sec. Abbey said the cotton is producing around three-fourths of a bale on the dryland crop. His first cotton was gathered from 2.8 acres.

**CRANE PERMIT  
REQUIRED AGAIN**

LUBBOCK -- Sportsmen participating in the sandhill crane hunt which opens Oct. 30 in ZONE A (west zone) and Dec. 4 in ZONE B will need a crane permit.

The free crane permit can be obtained by writing the Texas Parks and Wildlife Department, Wildlife Division, 4200 Smith School Road, Austin, Texas 78744. Each applicant must include his or her name, address, and county of residence.

The ZONE A crane season will continue through Jan. 30, 1980. The ZONE B (east zone) crane season is set for Dec. 4, 1979 - Jan. 30, 1980.

The daily bag limit for cranes is three and the possession limit has been set at six.

Firearms restrictions for crane hunters are similar to waterfowl hunters which allows shotguns (10 gauge and smaller) plugged to a three-shell capacity (including the magazine and chamber) or longbows and arrows.

Even though the cranes are migratory game birds, they are not classified as waterfowl and, consequently, crane hunters will not be required a federal migratory game bird/conservation stamp.

Lubbock district game wardens have already spotted sandhill cranes on some of the South Plains playa lakes. This could be an indication of an early fall since the cranes are not normally seen coming

into Texas until the middle of October.

Above-average rainfall on the South Plains has left the playa lakes in good shape for the birds. However, a survey near the better known playa lakes indicates less grain and more cotton which will affect the cranes movements during the fall and winter months.

HEREFORD -- The Hereford Chapter of Ducks Unlimited will hold a turkey shoot to raise funds for this prominent waterfowl conservation organization Sunday, Sept. 23 at 1 p.m. at the Hereford Gun Club, east of the Hereford Airport.

"The shooting competition is being hosted by the Hereford Gun Club, which has provided it's facilities free of charge for the DU fund raiser," said Jim Steiert, Hereford DU chairman.

The turkey shoot winners will receive hams and turkeys as prizes for each round of competition. The turkey shoot fees will be \$3 for five-shot round.

A special drawing for a 20-gauge "Greenwing Special" shotgun, a number of wildlife art prints, and two free subscriptions to "Waterfowler's World" magazine will also be held.

One of the premier events of the Hereford fund raiser will be a drawing for a set of Armatele plates, commemorating the national Ducks Unlimited "One of One" edition Browning Superposed shotgun.

The local winner of the plates will have his name in the running with the plate owners from each of the approximately 1,600 DU chapters across the nation for the "One of One" shotgun.

DU supporters at the fund raiser will have a

chance to bid on top art prints by Harry C. Adamson, artist of the year, along with waterfowl artists David Maass, Ralph J. McDonald, Dr. Allen Hughes, and James F. Landenberger.

All proceeds from the Hereford DU fund-raiser will go to Ducks Unlimited for it's continued work in preserving the vital waterfowl nesting habitat on the Canadian wetlands where 70-percent of North America's waterfowl population is hatched and reared.

Additional information about the Herford Ducks Unlimited fund-raiser can be obtained by calling Jim Steiert at 806/364-2030 or 806/364-1855.

LUBBOCK -- West Texas landowners have an opportunity to obtain approximately 1,633 antelope permits from the Texas Parks and Wildlife Department as the annual antelope season opens for nine days starting September 29.

Prospective antelope hunters should find good to excellent range conditions this year which usually contributes to good hunting opportunities and a more enjoyable hunt.

Above-normal rainfall in most areas of West Texas has provided the antelope with ample browse and the animals should be in excellent condition.

Hunters are reminded to contact the antelope permit holders in advance of the hunt scheduled to open next week.

QUITAQUE -- A recent tour through Caprock Canyons State Park located near Quitaque in the southeastern corner of the Texas Panhandle has furnished top Texas Parks and Wildlife Department personnel with an insight into the park's potential.

A tour into the park's canyon country exposed the natural beauty of the area to Charles D. Travis, Executive Director of the P&WD, Paul Schlimper, state parks director, and Robert Hauser, director of operations and maintenance branch.

"This park is very unique and is a beautiful resource with a great potential which the P&WD plans to make available to the public," said Travis.

While touring the park area, the Austin staff observed seven aoudad sheep which are year-round residents of the park.

Initial plans are to open a service road into the park for camping. At the present time, Caprock Canyons is open to day-use only to allow access to Lake Theo located near the main road.

Projected completion of initial roads and camping sites is now set for 1982.

**Sorghum Producers**

**Look At New Law Changing Programs**

USDA is considering a new regulation which Grain Sorghum Producers Association believes would be very detrimental to future participation in farm programs. The proposed rule would require that farmers be approved by the Soil Conservation Service prior to their participation in government programs such as the feed grain set aside and price support program.

GSPA supports good conservation practices. However, to attach such requirements with the complications and red tape inherent in such a plan, to the price support programs would destroy the producer's interest in participation. Production control programs are essential to maintaining a balance in supply and demand. It is important to have as many farmers as possible in the program for it to work effectively. GSPA encourages all of

its members and other farm organizations to work with their congressmen and USDA officials to see that this cumbersome provision is not added to future price support programs.

**M.G. Forum Held By Moonlighters**

The Moonlight Extension Service Club met Thursday night, October 4 in the Bailey County Coliseum.

A public information forum on myasthenia gravis, commonly called M.G. was conducted.

Speakers for the forum were Dr. Hugh Wilson Jr. of Hale Center, Dr. George Payne of Levelland and Margaret Clements of Muleshoe.

M.G. is a disease that has no known cause and no cure. According to Dr.

Wilson, the symptoms are some what different in each case, but common symptoms are blurred vision, weakness and easy fatigability.

Because M.G., is so hard to diagnose and so little is known about the disease these forums are conducted to make the public aware.

After the forum a short business meeting was held. The members of the club elected new officers for the next year. They are: President Trudy Derrick, Vice-president Linda Huckaby, Secretary-Treasurer Jesse Robinson, Reporter Carolyn Harris, and Delegate to Council Betty Campbell.

**Brownies Voted On Pin**

The first grade Brownie Troop met Tuesday, October 2 in the Girl Scout Hut with eight girls answering roll call and placing a star by their name on the attendance poster.

The leaders Betty Campbell and Cherry Estep led the girls in the Pledge of Allegiance and then practiced the Investiture Ceremony which will be held in the near future.

**Mrs. Blackburn Reviews Book For AAUW**

The Muleshoe Branch of the American Association of University Women met Monday evening at 7:30 in the home of Mrs. Carrie Lee Bishop. Mrs. Frank Sayago and Mrs. R.D. Angeley were co-hostesses.

The program topic for the Branch this year is "Families Facing Change". Bea-

trice Blackburn reviewed an excerpt, "Prescription for Tired Housewives," from James Dobson's book "What Wives Wish Their Husbands Knew About Women". James Dobson communicates in a practical and "tongue in cheek" way some very good principles of human relationships, especially for fami-

lies. Mrs. Roland McCormick, president, announced that the Regional meeting will be in Plainview on Saturday, October 20, and the children's Theatre production by the Muleshoe High School Speech Department will be December 19.

Miss Sharla Henry, daughter of Mr. and Mrs. Kenneth Henry, was chosen by the members to be the October AAUW Girl of the Month.

The American Association of University Women is the largest and oldest national organization for women. Founded in Boston in 1882 by 65 women college graduates, AAUW now has 190,000 members located in every state, the District of Columbia, Puerto Rico and Guam. A baccalaureate degree from a regionally accredited college or university is a woman's key to membership.

Members attending were Mrs. Gerald Allison, Mrs. Harold Allison, Mrs. R.D. Angeley, Mrs. Carrie Lee Bishop, Miss Virginia Bowers, Mrs. Charles Brewer, Mrs. Joe Costen, Mrs. Neal Dillman, Miss Mary Helen Gutierrez, Mrs. E.W. Johnson, Mrs. Roland McCormick, Mrs. W.O. Rudd, Mrs. Jim Shafer, Mrs. John Watson, Mrs. R.G. Wilson, Mrs. Roy Wrinkle and Mrs. Frank Sayago.

Guests were Beatrice Blackburn, Miss Edna Cargill, Mrs. Allen Jones and Mrs. Steve Thrasher.

WELCOME COFFEE: pictured left to right, Paulette Cuevas and daughter, Andrianna and Julie Cage were feted with a "Welcome Coffee" Thursday morning in the home of Cindy Purdy. Mrs. Cuevas is from Lubbock and Mrs. Cage moved to Muleshoe recently from San Antonio.

with 11:38 still to play before halftime, Zeke Pecina managed to scott into the open and sped downfield for a 45 yard TD and again Sam Whalin added the extra point for the Mules to enjoy a brief 14-7 lead.

At halftime, the score was again tied 14-14 because Antelope workhorse Sylvester Dunn had managed to break into the open and scrambled downfield for a 32 yard TD, with Betts again making the extra point.

Halftime activities included the Muleshoe football fans being treated to one of the best bands in the business, when the Mighty 'M' Marching Band took to the field for an excellent halftime show. The band, though small in number, just happens to be one of the best sounding bands anyone could hope to enjoy listening to.

Midway through the third quarter, at 7:13 of the third, the Mules again added points when Mule QB Northcutt managed to slam his way into the end zone from the one, however, a PAT attempt by Sam Whalin failed, and the Mules managed to hold onto their 20-14 lead through most of the second half.

The third quarter drive started on the Mules own 39, and they moved steadily downfield with first downs until they managed to scramble into the end zone.

The Antelopes did not break the Mules tenacious 20-14 lead until the clock had nearly run out, and the Mules were again plagued with penalties. 'Lope QB Heath scored the final TD for the Antelopes with only

:50 left in the game when he managed to get in from four yards out and as football fans held their breath, a bad snap caused the planned extra points to go awry, and the game was over a little later on the 20-20 tie.

With the Mules threatening the final seconds, the drive was thwarted when Dean McGuire intercepted a Mule pass in the end zone, with :33 left to play. As the 'Lopes were making another attempt to add more points, the Mules intercepted as the clock ran out and the game was over on the tie.

Dennis Watson, who had been injured in a scrimmage game with Lockney before the season started, apparently re-injured his knee early in the game, and was helped from the field. Although the evening was 'just right' for most fans, the weather was warm enough for several of the Mules to go down with leg cramps during the action.

Mike Northcutt, who scored two of the Mules' three TDs, also had a good night running, as he racked up 202 yards; Charles Walker had 111; Zeke Pecina, 73 yards and Bones Norman, 31 yards for a total of 417 yards

rushing. The Mules logged no yards in the air.

At the same time, Abernathy managed to log 230 yards rushing, but had 57 yards in the air, for a total of 287 yards.

Muleshoe had 20 first downs to 18 for the Antelopes; and the Mules had 106 yards of penalties to 53 for Abernathy.

Northcutt had one incomplete pass and had no yards in the air while Heath had five aerials for 57 yards and five incompletions.

Each team lost the ball twice on fumbles, and each team was intercepted one time. The Mules punted three times to one for Abernathy.

Next Friday, the Mules will travel to Idalou to take on that unbeaten team. Gametime will be 8 p.m.

**Expanding Horizons 4-H Theme**

National 4-H week is the focal point of the annual 4-H calendar, a time when members and leaders can look at the past with pride as well as look to the future with anticipation.

National 4-H week this year will be observed October 7-13, with the theme being "Expanding Horizons," points out Jim Irwin, county 4-H program coordinator with the Texas Agricultural Extension Service, Texas A&M University System. The Extension Service is the parent organization of 4-H.

Irwin explains the 4-H Week this way.

4-H is expanding youths' horizons as they seek new knowledge, acquire life skills and build on personal strengths. 4-H inspires youth to stretch the limits of self, to reach out, share and learn with others. 4-H challenges youth to set high goals and to achieve them. And 4-H strengthens citizenship and leadership abilities and encourages youth and their leaders to assume positive roles in a free democratic society.

By broadening opportunities for service and understanding to community, nation and world, 4-H is expanding horizons, contends Irwin.

dures ordered by the physician.

Nursing care must be on an intermittent basis rather than eight hour shifts, she stressed. Collection of specimens for a laboratory analysis on patients confined to their place of residence may be requested by the physician. Speech therapy and physical therapy are provided through contract services. Home health aides are planned for the immediate future to provide personal care when that is a primary need.

Payment for services is by arrangement -- through public insurance sources such as Medicare or Medicaid, or private insurance, Champus, V.A. -- or through cash payments on a sliding income scale or no charge through the grant.

Registered nurses operate the service through the non-profit, private corporation.

**Safety Film Given Friday For Kiwanis**

Highlight of the morning Kiwanis meeting Friday was the presentation of a film on office safety. The film was presented in a humorous manner but was informative. It stressed that if a little common sense and some clean housekeeping is observed, then most accidents could be prevented.

A discussion was held about all the sleepy-headed Kiwanians who were absent. So a good reminder is that if you are a Kiwanian and don't want to be talked about, then be at the next meeting. Sweetheart Fran Berryhill finally woke up and got to the meeting, so the Kiwanis members couldn't talk about her, and the Highway Patrol search for Kiwanian Jim Dulin was cancelled when he showed up -- late.

Lloyd Garlington, who retired as treasurer of the Kiwanis, was presented the Friendship coin by

Gary Dale, who felt sorry for him for losing his job with Kiwanis.

Mr. Gentry Lynn serves as advisor to the chapter. At the meeting the Halloween carnival was discussed. The next meeting will be October 15 at 8:00 p.m. in the agricultural building.

### Hereford Drop JV Team 27-6;

### Make Fake Punt

The JV white team came up short last Thursday in a 27-6 loss to Hereford. The Mules played hard and early in the game looked good. The Mule defense led by Wayne Precure and Devin Sisemore managed to hold Hereford scoreless in the first period. The home team then got rolling and two touchdowns were scored before the half to lead 13-0. The third quarter was a repeat of the second with Hereford increasing the score to 27-0.

Mule runningbacks Larry Norman and Israel Del Toro ran hard against a much larger Hereford team and managed to grind out a few first downs. The Mule score however came on a fake punt when punter Tommy Sexton threw the ball to tight end Jimmy Green who then raced 60 yards to pay dirt.

### Lauri Burgess Speech Candidate For Queen Honor

This year's Speech candidate for Halloween Queen is Lauri Burgess, daughter of Mr. and Mrs. Jim Burgess. Lauri is very active in school activities such as Speech, FTA, Honor Society and is a Varsity Cheerleader. She is a senior at MHS.

1979 HOMECOMING CANDIDATES--Friday night, in pre-game activities in the Muleshoe-Abernathy football game, the 1979 homecoming queen was crowned. From left are Leslie Wagnon and her escort, Mike Northcutt; center, Queen JoRonda Rhodes and her escort, Dennis Watson; and Becky Turner and her escort, Sam Whalin.

### Little Mules Win Shutout At Hereford

The Junior Varsity Mules came up with a big win last week against Hereford. Ronnie Angeley handled the quarterbacking chores as he threw two touchdown passes and threw for an extra point conversion. Mickey Long was on the receiving end of the first Mule touchdown pass, and George Vela was the receiver who caught the second touchdown pass. Bobby Perez snuck into the end zone to haul in the two point conversion after the faked extra point. Excellent field position was provided for the Mule offense by the tenacious Mule defense which limited Hereford throughout the game. Wesley Rasco, George Vela, and Greg Harrison played outstanding games defensively, as did defensive backs Shane Claunch and Bobby Perez. Outstanding offensive effort went to the entire Mule line who dominated the line of scrimmage, and the tough running of Jimmy Gleason, Bobby Perez

and Trent Kirven. The effort was outstanding against this 4-A ball club, and the victory was well deserved.

### Teams Roll To Victory

Both the JV and Varsity Volleyball teams defeated Levelland Monday in thrilling action. The Varsity won the first match 15 to 5 and then lost the second game 12-15 and won the third game 15 to 12. Leading the Varsity was Esmaralda Posadas scoring 15 points and having seven good sets. Helen Villalobos scored 10 points and spiked the ball seven times. Maria Flores scored 9 points and spiked the ball two times. Other team members playing well were Gloria Castorena, Esther Gonzales, and Agnes Lopez.

The JV girls waxed the Lobos and only had to play a double match. The score was 15 to 8 and 15 to 1. Leading scorers for the Mullettes were Beatrice Lopez scoring 11 points and Juanita Lozano scoring 9 points. Sylvia Hodges, Rifle Garcia and Stella Mendoza also scored well for the Mullettes. Other teammates playing Monday night were Dolores Flores, Yolando Garcia and Olivia Alfaro.

The Varsity Mullettes traveled to Bovina Monday night and defeated the Bovina Fillies 15 to 3 and 15 to 10. Scoring well for the Mullettes was Helen Villalobos with 11 points and 3 undefendable spikes. Maria Flores was

next scoring 8 points. Other girls playing for the Mullettes Monday night were Agnes Lopez, Gloria Castorena, Esmaralda Posadas, Esther Gonzales, Dolores Flores, and Beatrice Lopez. The Mullettes will travel to New Haven Saturday for a full day of Volleyball action. They will play Lorenza in the first round of a three round tournament.

### THANKS!!

The Varsity Cheerleaders would like to thank all the people who helped make Homecoming a big success. FFA for gathering the wood for the bonfire. The judges of the floats and doors, Stephen Johnson, Mrs. Wrinkle and Mrs. Wartes. A thank-you to Clarence Copeland for his help on the favors and Jerry Dewey Moore for the use of his Convertable for the Homecoming attendants. A big thanks to our sponsors, George Washington, Brenda Black and Stephen Johnson.

and Trent Kirven. The effort was outstanding against this 4-A ball club, and the victory was well deserved.

### Happy Birthday

Students at MHS wish a Happy Birthday to Diana Saldano, Shane Claunch, Junior Alvarado October 7; David Pruitt, Sandra Agundis, John Davis October 8; Terrie Martin October 9; Martina Valdez, Debra Stevens October 10; Michelle Bryant, Carrie Hall October 11; and Shirley Sinnacher and Lisa McDonald October 13.

### DECA News

DECA students have selected Employer of the Month and Student of the Month for September. Mr. Steve Thrasher, Manager of C.R. Anthony's has been selected as DECA Employer. Students submitted written nominations for their employers and gave the reasons they felt the employer deserved this honor. Steve Thrasher works with four DE students this year and has proven to be an outstanding training sponsor. Friday, winners of the door contest and the miniature float contest were revealed. First place in the door contest was Roon 18, Mr. Johnson. Second place was room 21 Coach Morris. Third place was Room 24, Mrs. Pylant. Jerry Puente, 17 year old son of Rev. and Mrs. Rogue Puente, has been selected as September DECA student of the month. Criteria for this honor included participation in DECA projects, attendance, grades, attitudes in class and on the job, initiative, cooperation and reliability. Jerry is the President of DECA for this year and has been an outstanding leader. DECA wants to take this time and opportunity to congratulate Mr. Steve Thrasher and Jerry Puente. DECA - Developing Future Leaders in Marketing and Distribution.

The highlight of the 1979 Homecoming activities was the coronation of Miss JoRonda Rhodes as Homecoming queen in a ceremony before the kickoff of the Muleshoe Mules and the Abernathy Antelope game Friday, October 5, with Muleshoe 20 and Abernathy 20 in a tie game.

Game. JoRonda, the daughter of Mr. and Mrs. Joe Rhodes, was escorted by Senior Dennis Watson, the son of Mr. and Mrs. Jinks Meyers. JoRonda is Senior class president, head Varsity Cheerleader, Student Council historian, FTA secretary, and co-editor of the Muletrain. Varsity cheerleader Sandy Dunbar presented the crown and Lauri Burgess, a varsity cheerleader, presented the bouquet. Homecoming queen attendants were Miss Becky Turner, a senior, escorted by Senior Sam Whalin, and Miss Leslie Wagnon, a junior, escorted by Senior Mike Northcutt. The Homecoming queen and her attendants received Mule Pennants, presented by Varsity Cheerleader Shelley Splawn. Mule Mascot Sandra Hughes presented flowers to the attendants. Following the National Anthem, the prayer, and the school songs, the Queen and her attendants circled the football field in a convertible furnished by Mr. Dewey Moore.

Homecoming week was filled with activities. Thursday night, a bonfire was held in the area of the Babe Ruth park. Students made their way from the high school to the bonfire site led by the Mighty "M" Band and the cheerleaders. The team rode behind the band on a trailer. Spirit was high as the cheerleaders and band led the activities of the bonfire. James Atwood, Senior defensive end and strong tackle spoke.

Friday, winners of the door contest and the miniature float contest were revealed. First place in the door contest was Roon 18, Mr. Johnson. Second place was room 21 Coach Morris. Third place was Room 24, Mrs. Pylant. In the float contest, Student Council, received first place, Sophomore class second place, Band third place, and FFA honorable mention. A tea honoring all Muleshoe exes was sponsored

by the Student Council. It was held in the high school cafeteria at 2:15 p.m. A prize was awarded to Tommie Bratcher for having graduated from MHS the longest ago. Punch and cookies were served, and piano selections were played by Cindy Hamblen, Sharla Henry, and Linda Shafer.

The pep rally Friday afternoon was well attended with 8th graders as special guests. There was a parade of miniature floats. The Homecoming queen candidates were presented and included JoRonda Rhodes, Becky Turner, and Leslie Wagnon. The JV cheerleaders led a special cheer and joined the Varsity cheerleaders in the fight song. Coach Steve Taylor and tialback Zeke pecina made speeches.

The DECA pregame supper was held in the high school cafeteria.

The Homecoming football painted by Mark Northcutt was won by Robin Burgess.

**Several factors determine comfort**

COLLEGE STATION — A thermostat setting of 80 degrees can be fairly comfortable, reports a Texas A&M University professor who specializes in building energy audits.

Dr. Swiki A. Anderson, of the Texas A&M mechanical engineering department, says the key is the right combination of temperature, relative humidity and air movement.

From a pure comfort standpoint, the temperature, humidity and air velocity — or

combinations — can vary somewhat and remain in an "envelope" in which the average person is comfortable, Anderson observes.

A person can expect to be at ease with a higher temperature if it is accompanied by an in-

crease in air movement and lower humidity. A temperature of 76 to 78 degrees is best for most people, given adequate air movement and moderate water vapor content of the air, Anderson contends.

**Foundation Presents Forum Here**

The Public Forum on Arthritis held Thursday evening is one example of the informational service provided by the Bailey County Arthritis Foundation and is made possible by the support of all the people in Bailey County who contribute annually to the Arthritis Victory March so that services such as the Forum can be provided all interested persons, according to information director, Georgia Pena.

Mrs. Pena said the Arthritis Forum was well attended by people from this area seeking to learn more about arthritis and the program was a success in every way.

Following opening remarks by Elaine Damron, president of the Bailey County Chapter of the Arthritis Foundation, Ken Neiswender, Executive

director of the West Texas Chapter of the Arthritis Foundation talked briefly about the National Arthritis Foundation and what it is doing for arthritis sufferers.

Bruce Jordan, assistant to the executive director introduced Dr. Bruce A. Bartholomew and Dr. Kenneth Scholz from Lubbock, who told the group of new innovations in the treatment of arthritis. Sue Tank, a physical therapist who works with arthritic sufferers told about the important part exercise plays in maintaining the use of joints affected by arthritis.

According to Mrs. Pena, interest in the program was demonstrated in the many questions asked by the group of the doctors and the physical therapist.

The Bailey County Victory March for 1979 will be conducted in the community on Tuesday, October 9 from 5-7 p.m. and in the rural areas in the county on October 8-10.

Mrs. Pena stressed that the businesses in the county are not solicited and calls will be made by volunteers only at residences.

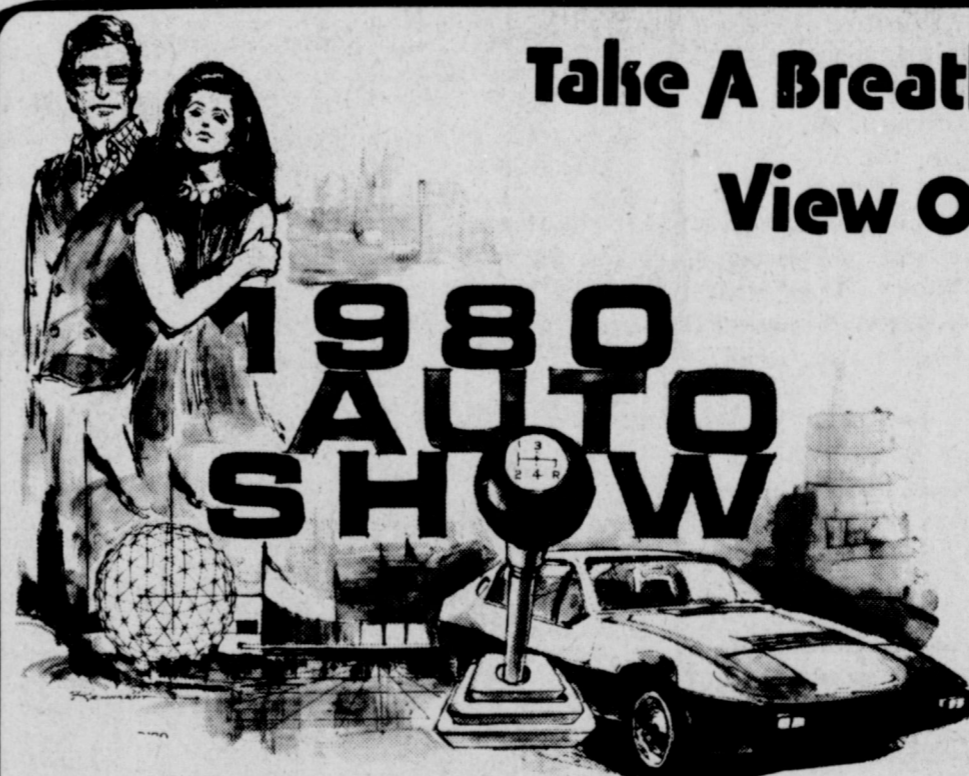

Everyone has been urged to greet the volunteers with as large a contribution as possible -- the goal for Bailey County is \$3,500.

"Let's all help fight the nation's number one crippling disease with a generous contribution which will not only help sufferers of arthritic diseases, but will

also promote research to eventually find the cause and cure," added Mrs. Pena.

She reminded that the Bailey County Unit of the Arthritis Foundation has been certified for the past seven years. It has conducted six Victory Marches, county-wide during this period of time. The Victory Marches have collected over \$14,000 plus some monies raised in special events.

In public education, it has presented two public forums and one more is scheduled for 1979, featuring rheumatologists, orthopedic surgeons, and physical therapists.

Many cost conscious farmers are considering low pressure for their center pivot sprinkler. The first consideration should be to determine if the soil type is capable of low pressure application. Because spray nozzles distribute the water in a narrow band at any one time, the application rate is greatly increased in a given area. If the intake rate of the soil is such to absorb this amount of water, the cost savings can be dramatic. Dropping the pivot pressure from 70 lbs. to 25 lbs. would lower the horsepower requirement approximately 20 horsepower. This could result in a net savings of around \$800 per season with typical operating conditions. As power cost increase, the savings would be even greater.

## Great bad books flawed favorites

AUSTIN, Texas (Spl.) — They're teaching a course on "Great Bad Books" at The University of Texas. The American Studies course has assigned books not usually studied in universities but which have become long-time favorites—"Gone With the Wind," "Dracula," "Tarzan of the Apes," "How To Win Friends and Influence

People," among others. Dr. William Stott, who teaches the course, says some of the books are "works of remarkable feats of imagination" even though most are flawed by sentimentality in some way. In trying to make students more aware as

readers, he wants them to analyze how even "Great Bad Books" can satisfy readers' emotional and imaginative needs.
