Senior Trip

The Carbon High School Seniors, accompanied by Mrs. Ed F. Willman, their class sponsor, Mr. and Mrs. T. E. Robertson and Mr. Ray Wood, who drove the bus, left Carbon Friday afternoon at 2:30, happy and expectant.

Reservations had been made for them at the Westbrook Hotel, so when they had registered there and dressed for the evening, they went in a group to the Milam Cafeteria for dinner. After dinner they attended the Ice Capades in the Will Rogers Memorial Coliseum. All of the group were appreciative of the artistry of performance, costuming, and lighting effects of the Ice Capades.

Saturday morning the group went to Dallas in time to attend the Early Bird program. They were able to see just how a program is broadcast from the studio. After shopping and sight seeing in Dallas, they drove out to S. M. U., visited several of the buildings and took pictures of themselves and their surroundings.

They returned to Fort Worth in time for lunch, and after eating and shopping they drove out to Forest Park to spend an enjoyable afternoon, looking at the animals in the zoo, riding the merry-go-round, ferris wheel, little train, and other devices; eating snow cones, peanuts and pop corn, and taking pictures.

Saturday night was a highlight of the trip, as the group saw the Cats of Fort Worth and the Eagles of Dallas battle it out to a 5 to 6 score on La Grave Field.

Sunday morning the group took knowledge of the fact that it was Sunday, voted on the church they should attend, and decided on the First Methodist. It was on the street leading home so after church the group continued on their way home until they reached Leslie's Chicken Shack, where they stopped for dinner.

They arrived in Carbon about six o'clock Sunday afternoon, tired and happy. Each one pronounced it a wonderful trip, perfect in every way.

Mrs. Mattie Butler and daughter, Mrs. Stella Lou Hardwick of Lamesa, Claud Butler and wife of Clifton and Forrest Keith of McAdoo were visitors in the home of Ike Butler and wife last week.

First Baptist Church

G. W. Thomas, pastor

Last week was Youth Week in the church. It is the opinion of the entire church that it was a profitable week, both in the service so faithfully rendered by the church's youth, and in the opportunity the occasion afforded the church to observe the spirit and the talent of young men and women in action.

Such a demonstration strengthens the faith of Christian leaders of today in the security of the future as related to wholesome christian doctrine and life.

Minor bladder irritations due to cold, dizziness or nervousness.

DOAN'S PILLS

It's Wonderful the Way Chewing-Gum Laxative

Acts Chiefly to REMOVE WASTE -NOT GOOD FOOD

Here's the secret millions of folks have discovered about FEEN-A-MINT, the modern chewing-gum laxative. Yes, here is why FEEN-A-MINT's action is so wonderfully different!

Doctors say that many other laxatives start their "flushing" action too soon... right in the stomach where food is being digested. Large doses of such laxatives upset digestion, flush away nourishing food you need for health and energy. You feel weak, worn out.

But gentle FEEN-A-MINT, taken as recommended, works chiefly in the lower bowel where it removes only waste, not good food! You avoid that typical weak, worn-out feeling. Use FEEN-A-MINT and feel your "peppy" energetic self! Get FEEN-A-MINT! No increase in price—still 25¢, 50¢ or only 10¢.

Land of Promise

Lesson for April 29, 1951

A NATION must have a home. Gypsies are not properly called a nation because their only home is where their wagons make a camp. Professors of political science tell us that among other necessities, a nation has to have a definite and defensible territory.

But the ancient Israelites did not need a professor to tell them that much. They knew it very well. When they came out of Egypt they could call their clothes and their tents and their stock their own; but nothing else.

No Welcoming Committee

SO IT was that what those people looked forward to, for forty years, was the "Land of Promise," where Abraham had pitched his tent, where these Israelites' forefathers had worshipped God.

But their ancestors had owned very little of the land. Abraham owned just enough for a burial plot; Jacob owned a tract which, so far as we know, he never occupied. Yet it was a good land, so good that others, long before Abraham, had settled there.

It has no unsettled wilderness; it was dotted with high-walled, thickly populated, strongly defended towns. There were no "welcome" signs on the highways.

Two Centuries of War

SOME of our hymns give a wrong impression of Canaan, the Land of Promise. In some of our hymns this life is compared to the wilderness in which the Israelites lived for forty years; the river Jordan is a symbol of death, and Canaan means heaven ("Canaan's happy shore!").

Well, Canaan was not a happy shore. It was a bloody battlefield for centuries. For the Israelites did not occupy the land all at once. Their fight was not won right away, it was not won in a generation. We do not know for certain the date of Joshua, but a date favored by many scholars is in the 13th century before Christ. The "Land of Promise" was not fully and securely in the Israelites' hands until the tenth century.

The whole story, or such parts of it as we find in the books of Joshua and Judges, shows that it was a long struggle, a weary succession of more or less continual wars.

Some Victories Are Deserved

DURING those wars, many cruelties were practiced by both sides. If there had been a United Nations at that time, they would certainly have condemned the Israelites for aggression and for war crimes besides.

We may as well admit that the Israelites did not act in line with the Sermon on the Mount. How could they? They had never heard of it. The fact remains that if you had been asked: Which will win, the Israelites or the Canaanites? there were times when you would hardly have dared to make a prediction.

But if you had been asked: Which side deserves to win? You would surely have said, The Israelites.

God Saw the Future

ANY one who could have foreseen the future both of Israel and the tribes with whom they fought for centuries, would certainly have hoped for Israel's victory.

Comparing all that Israel would mean to mankind, directly and indirectly, with all that would come from their enemies, you would have voted for the Israelites without hesitation.

If you can imagine what might have been the sinister results if Israel had been destroyed, and with them all knowledge of the one and holy God, you can see how God could not afford to let His people lose.

HADACOL BRINGS RELIEF TO FOLKS SUFFERING STOMACH DISTRESS

Indigestion, Gas, Heartburn, Bloating When Due To Vitamins B1, B2, Iron and Niacin Deficiencies

Guy H. Housley, 641 14th St., San Diego, Calif.: "I am 40 years of age and have had a nervous stomach condition for quite some time. Couldn't eat hardly anything. Back in my home town, I bought a bottle of **HADACOL** and before the first bottle was gone, I could tell a difference. Then I came to San Diego and couldn't get it here. I sent back to Atlanta for it. Now, thank God, they have it on the market here and I have a supply in my house. Not only that, but I'm telling all my friends what **HADACOL** has done for me. I sleep well, eat anything I can get and feel wonderful. I could go on and on praising **HADACOL**, it's done so much for me."

Here Is Wonderful News For You Folks Who Suffer From Stomach Disturbances (indigestion, gas, heartburn, "sour risings" after meals) because your system lacks Vitamins B1, B2, Niacin and Iron, important elements contained in **HADACOL**.

With today's great **HADACOL** you can actually relieve the cause of such stomach disturbances caused by these deficiencies. A marked improvement is often noticed within a few days' time. And continued use of **HADACOL** not only gives continuous relief, but helps prevent such distress from coming back. That's the kind of product you want—the kind you should start taking now.

Anyone would be very foolish indeed to be satisfied with symptomatic relief, when **HADACOL** makes it possible to relieve the cause of this stomach distress due to such deficiencies. Know the joy of eating the foods you like without suffering gas pains, heartburn and indigestion afterward!

Mrs. W. H. Morton, Route 2, Murfreesboro, Tenn.: "**HADACOL** has helped me so much I feel I have to write about it. Before I started taking **HADACOL**, I had a very nervous stomach and couldn't eat. So I heard about **HADACOL**. I got a bottle to try and began to feel better and could eat anything I wanted to. I feel so much better now. I am always telling my friends how **HADACOL** has helped me. And I just can't think of enough to say about **HADACOL** and what it has done for me. I am 28 years old and a steady user of **HADACOL**. I have been taking **HADACOL** for about a year."

Mrs. Minnie McCormick, Rt. 1, Wedowee, Ala.: "I am glad to tell what **HADACOL** has done for me. After taking one bottle of **HADACOL**, I went to work in the field, chopping cotton, doing all my housework, milking, washing and ironing. I have taken several bottles of **HADACOL** now. I can't ever praise **HADACOL** enough to cover all it has done for me when I had no appetite at all! Now I eat anything and have a good appetite and nothing bothers me. I never do without **HADACOL** now. My friends noticed my change, and now they are also **HADACOL** users, too. My 77-year-old daddy uses **HADACOL**. I want to say thanks to **HADACOL** and to the makers of **HADACOL**."

How HADACOL Works
HADACOL not only supplies weak, run-down, deficient systems with extra quantities of Vitamins B1, B2, Iron and Niacin but also beneficial amounts of Calcium and Phosphorus—elements so necessary to help maintain good health.

And these Vitamins and Minerals come in special liquid form so that they can be easily and quickly absorbed and assimilated in the blood—ready to go right to work at once. **HADACOL** helps build up the hemoglobin content of your blood (when Iron is needed) to carry these elements throughout your body.

Start taking **HADACOL** at once. **HADACOL** costs only a small amount a day. Trial size bottle, \$1.25. Large family economy size, \$3.50. Sold on a strict money-back guarantee. If your dealer does not sell **HADACOL**, order direct from The LeBlanc Corporation, Lafayette, Louisiana.

Mrs. John A. Feight, Jr., of Route 1, Bedford, Pennsylvania: "Anything I ate made my stomach ache and churn all night. My food never seemed to get digested and therefore I would wake frequently in the night with pains. I would be nervous and think over the day's nerve-racking experiences. Every little thing irritated me. I couldn't stand children around me. They made me nervous. I would holler at my two-year-old daughter, Vickie, for nothing at all. Since taking **HADACOL** all my nausea and nervousness have passed away. All I can say for **HADACOL** is that it's made me see that this is a beautiful world after all. I'm 20 years old and am a housewife. I really do feel as great as I look in the photograph."

Wyatt, if living and if not, then to the unknown heirs and legal representatives of the above named defendants and each of them, and Wooten Properties Co., Inc., if it is still in existence, but if not, then to the unknown stockholders of such company, Defendants, Greeting:

You are hereby commanded to appear before the Honorable 91st District Court of Eastland County, Texas at the Court House thereof, in Eastland, Texas, at or before ten o'clock A. M. of the first Monday next after the expiration of forty two days from the date of the issuance of this citation, same being the 14th day of May, A. D. 1951, then and there to answer plaintiff's Original petition filed in said Court on the 31st day of March, 1951, in this cause, numbered 20,986 on the docket of said court and styled A. The nature of this suit is, an action under the Article 2320-B of the Revised Civil Statutes of Texas, for the appointment of a Receiver to execute a mineral lease covering the respective undivided interests of said defendants in the oil and gas of the following described lands in Eastland County, Texas, to-wit: 93 1/2 acres, more or less, of the Mary Fury Survey as follows: Beginning at the N.
