He was a great lover of music. His home was always open and he was never too busy to help a boy when asked. Mrs. Poling says life lately is like it used to be years ago... "That is, of course, since I've been taking HADACOL." She can't get what a difference HADACOL has made in her outlook on life.

Mrs. Poling says: "Three months ago a good friend of mine told me about HADACOL—she knew how much stomach distress I have had. Any type of food that was fried or that had acid in it I just couldn't eat. It affected my sleep, too. In fact, I couldn't have been in a worse condition. When I ate what I wanted to I felt miserable and when I didn't eat these things I didn't have a proper diet and still felt bad. Then, when I started taking HADACOL, I felt better immediately. I've got a bottle in the house now—and will continue to keep HADACOL from now on. I have told many folks about HADACOL—and they all thank me for telling them about HADACOL. They all have gotten wonderful results from HADACOL like I have. Now I eat anything I want and get a good night's sleep. I can't praise HADACOL enough."

No risk involved. Buy a bottle of HADACOL, either the trial size, \$1.25, or the large family or hospital size, \$3.50, and if HADACOL does not help you your money will be refunded.

If your druggist does not have HADACOL, order direct from The LeLac Corporation, Lafayette, Louisiana. Send no money. Just your name and address on a penny post card. Pay postman. State whether you want the \$3.50 hospital economy size or \$1.25 trial size. Remember, money cheerfully refunded unless you are 100% satisfied. Adv. ©1950, The LeLac Corporation.

Farm Youngsters Taught Value of Good Grooming

FARM mothers teach their daughters from childhood that "pretty is as pretty does," points out the Rural Home editor of nationally-circulated Capper's Farmer. "Getting an early start is as important in learning beauty and grooming lessons as in most other things," she writes. "The little girl who always brushes her teeth after every meal and loves her splash in the tub before bedtime is the one who grows up to have a pretty smile. "She'll be known for her dainty freshness. And her own children will love her because, she always looks so good and smells so sweet!"

Tooth brushing is a habit with 5-year-old Alice Jane, daughter of Mrs. Doyt Galloway of Van Wert county, Ohio. Mother and daughter enjoy spending a few minutes together each day keeping up their good looks.

Alice Jane knows the right method for brushing to give clean, white teeth and healthy gums. Her own little footstool by the lavatory makes it easy for her to climb up and look in the mirror to watch the brushing.

Frozen Lemon Pie Is Toothsome Dish

FROZEN lemon pie is a toothsome dinner dessert for the family that's been working hard all day, says the Country Cooking editor of Capper's Farmer.

Graham cracker crumbs are crust and topping for the chilled yellow filling, she writes in the nationally-circulated farm magazine. Pie-shaped pieces are made by cutting diagonally across the refrigerator tray in which pie is frozen.

The dessert which will be an ever-popular family favorite, serves 8, the Capper's Farmer expert advises.

FROZEN LEMON PIE
 1 c. evaporated milk, whipped
 1/2 c. lemon juice 1/2 c. cranberry
 1/2 c. sugar 1/2 c. cranberry
 1/2 c. sugar 1/2 c. cranberry

Beat egg yolks; add lemon juice and piece of rind sliced from lemon and all but 2 tablespoons of the sugar. Cook over low heat 15 minutes, stirring constantly. Remove rind and cool. Beat egg whites until stiff; add remaining sugar and fold into cooked mixture. Add whipped evaporated milk. Line refrigerator tray with waxed paper. Sprinkle with 1/4 cup of the crumbs. Pour in lemon mixture; sprinkle with remaining crumbs. Freeze with temperature set at coldest. Serves 8.

Mr. Link Robinson, 519 Lindsay, is the most content and satisfied man in Newport, Ky. In fact, he says there isn't a thing in the world that can irritate or upset him now that he has on the HADACOL band wagon. If there ever was a man who thought HADACOL is the most wonderful thing in the world, it is Link Robinson, since he learned that his system lacked Vitamins B₁, B₂, Iron, and Nicotin.

Here is what Mr. Robinson has to say about HADACOL, which is now supplying liberal quantities of these essential elements: "I have been a steel worker for over twenty years. When you are a steel worker, you have to do plenty of good, hard work, and you need lots of good, substantial food. But when a stomach is in as bad a shape as mine was... I couldn't eat. Food gas pains, stomach bloating and nervousness; well, I just couldn't eat the proper foods I needed. My boss told me about HADACOL and I started taking it immediately. After the second bottle I could tell a definite improvement. Now I can eat the foods I need to eat to really be on the job. In fact, I can eat anything I want to. I'm not nervous anymore, either. Best of all, I haven't got those terrible gas pains and no more stomach bloating. HADACOL is the best ever. I recommend HADACOL to everyone."

HADACOL is Different
 Countless thousands are benefiting from HADACOL... even hundreds of doctors are recommending HADACOL to their patients whose systems lack Vitamins B₁, B₂, Iron, and Nicotin. HADACOL is so wonderful because HADACOL helps build up the hemoglobin content of your blood, feeds iron, is packed to carry those precious Vitamins and Minerals to every organ, and every part of your body—to the heart, liver, kidneys and lungs, even to the eyes, nose and nails.

Give remarkable HADACOL a chance and if you don't feel better with the first few bottles you take—you get your money back. Only \$2.50 for Trial Size; Large Family or Hospital Size, \$3.50.

God Give Us Men!

Lesson for August 6, 1950

SCRIPTURE: 1 Kings 17:19-21. DEVOTIONAL READING: Psalm 27.

THESE ARE DAYS of saying "No" without using that short and ugly word. A writer in the Christian Century has pointed out three of these. One is to say, "This is not the time for..." Another is to say, "I agree with you in principle, but..." and the third is to say, "I am with you, but not quite so much!" What we need nowadays is men who are willing to stand up to us. Another is to be quoted, quoted for good and against evil. All men are "against" us in general; it takes a braver man to be against it in particular.

Man of Courage

WE NEED more men like the prophet Elijah. Good providentially removed from him all the usual temptations to keep his mouth shut. He had no investments to protect—all he had he wore on his back and that was not much. No family depended on him. He did not represent any institution. He could speak his mind without worrying about the effect it might have on investors, or his family, or some institution. Of course Elijah had Elijah to look after; but for himself he was not afraid in the least. Lone against his mind he would not have feared though he stood out against popular opinion, and that is not easy for any normal man.

So many thousand votes or voices must be right we think. But Elijah did not think so. He knew that "one man with God is a majority." He stood out against official opposition; this was more dangerous still. The crowd's favor or dislike comes and goes; the crowd soon forgets; but a tyrant like Ahab (and still more like Jezebel) neither forgives nor forgets a man who has stood up to contradict and condemn him.

Then Elijah stood out against the most difficult enemy of all: organized religious leadership, that is, the false prophets. Even in the Christian era that organized church has sometimes taken the wrong side of some important questions. And persecuted men who were on the side of right. But church tyranny is at least as bad as any other kind, and it takes a brave man to face it.

In Our Time

"THANK GOD for all the Elijahs! Every generation has seen a few, and we have them in our time. They have not all had the spectacular success of the original prophet of Carmel.

In church life we need more men like that pastor down in Alabama, who was recently "fired" because he would not take his stewards' advice and use more "fact" in his sermons against sin in general and drinking in particular.

Liquor a Sacred Cow?

THE LIQUOR traffic alone, to name but one public evil, is doing our fellow-citizens a vast amount of damage. What other business makes necessary visits to hospitals to cure its customers?

But how few men will stand up and be quoted for the facts! Newspapers will editorialize against gambling when they won't against liquor; gambling doesn't advertise but liquor does. Count the big newspapers and magazines which for the benefit of their readers are willing to go without the income which liquor advertising produces.

Braining—a process that combines broiling, steaming, and stewing—is a good way to cook the less tender kinds of meat.

While doing other housework, use your alarm clock when cooking. If it so will ring when food should be removed from the stove.

County Exceeds Bond Sale Quota

Less than half of Texas' 254 counties met their quotas in the recent Independence Savings Bond Drive, and Eastland County was one of them, County Chairman, Cyrus B. Frost, announced last week.

Sales for the drive ended July 17, and Eastland County's bond purchases were \$137,442.50, or 126.44 per cent of the goal of \$100,700.

Eastland County was one of 108 Texas counties that exceeded their quota in the drive.

The state as a whole exceeded its bond quota by a little over five per cent, it was announced.

Frost pointed out that beginning with World War I, Eastland County has never failed to over-subscribe its quota in a bond drive.

Rev. Lee Fields is holding a revival meeting in Oliver Springs this week.

Statement of J. F. "Frank" Tucker Candidate For Sheriff

I am before you as a candidate for sheriff in the run off primary and will appreciate any consideration you may give me in this race. I am 55 years of age; was born, raised and have lived all my life (except when temporarily away at work elsewhere) ten miles southwest of Eastland; have never run for office until this time; have been an active member of the Baptist Church since I was fifteen years old.

Because of persistent rumors that I have promised to appoint certain men as my deputies if elected, I declare on my honor that such rumors are untrue. I have never agreed and shall never agree to appoint anyone as my deputy unless and until after I am elected as your sheriff. If elected I shall then select from my political friends only such men for my deputies as I shall decide are best suited for these important positions.
