Carbon Defeated By Clyde; Plays South Taylor

The Carbon Wolverines play South Taylor of near Abilene at Maverick stadium in Eastland Friday night in a conference game. Coach Brandt stated that he does not know the strength of the South Taylor team but expects them to be rugged. A large crowd of supporters is expected to follow our boys to Eastland.

They played Clyde last Friday night and were defeated by a score of 42 to 12 by a well coached team and one that had our boys out-weighted and plenty of speed in the backfield.

Our team has shown improvement with each game and looked better Wednesday afternoon in work-out than at any time this season.

We have hopes of upsetting South Taylor Friday night. The boys, with the help of donations of supporters of our football team and the untiring efforts of Mr. Norris of Flatwood, our boys will be playing in new uniforms Friday night.

There were approximately 60 present at the covered dish supper and devotional Wednesday evening, October 19. Mr. Garrett brought a very good devotional which everyone enjoyed.

There will be a district meeting of the young people at Eastland Monday night, October 24. Let's turn out young people and have a good crowd from our church to go. The Rev. Dr. J. T. Carlyon, professor of Christian Doctrine at S. M. U., will address the adult teachers of Cisco District Tuesday night, October 25 at 7:30. All adult teachers are urged to attend.

One hundred Scotch workmen had to be imported to cut the granite chosen for the Texas Capitol building.

Rites Held Here For Mr. and Mrs. Williams Tuesday

Funeral rites for Mr. and Mrs. C. J. Williams were conducted from the Carbon Methodist Church Tuesday at 3:00 p. m. with Rev. Lively Brown, pastor, officiating. Interment was in the Carbon cemetery with Higginbotham Funeral Directors of Gorman in charge.

A verdict of murder and suicide was returned by Justice of the Peace A. N. Turner of Gorman.

Charlie Jessie Williams was born November 9, 1887, in Montgomery Co., Ark., the son of Charlie and Della Williams.

He is survived by two daughters, Mrs. J. T. Morrow of Oklahoma City and Mrs. Johnnie Ruth Wieble of California, and one son, Cleo Williams. Also two brothers, Carl of Waco and Jack of Cameron; four sisters, M. S. Rosie Williams and Mrs. J. W. Gibson of Waco, Mrs. Willie Miller of Houston and Mrs. Izora Chamberlin of Washington, D. C.

Huckabee of Carbon; three brothers, Rev. M. L. Boone of Houston, M. A. Boone of Turkey and W. O. Boone of Lamesa. Also one son, R. D. Belmont, Jr. and a granddaughter, Shelia Belmont of Dallas.

Chapter News

The Future Homemakers of America, of Carbon high school met Tuesday in the homemaking cottage. In a short program we gave the motto, the pledge, the creed and purpose of the F. H. A. After the program we played games and sang songs and every one had a good time.

'38 Study Club Enjoys Tour Of Ceramic Factory

On Thursday afternoon, October 13, the '38 Study Club met at the home of Mrs. H. Hall for a program on "Ceramics."

Instead of a program as expected, with Mrs. Hall and Mrs. Greer each giving a topic, we were carried to Eastland to the Horton Ceramic Factory where the young Mrs. Horton, with a smiling face met us and conducted us through the plant.

We saw the slabs of white, refined clay and followed each step until it came out in beautiful objects. It was both enjoyable and educational. Thanks to the lovely Mrs. Horton, and to our hostess. It was a meeting long to be remembered.

A short business session was held after our return from Eastland.

W. S. C. S. Meets

The W. S. C. S. held their regular meeting at the Methodist Church Monday afternoon. "Come To Thee" led by Mrs. C. C. Gilbert with Mrs. T. E. Roberts at the piano, opened the meeting with Mrs. Gilbert also leading the devotional. Mrs. B. B. Foe read and discussed the last two chapters from Japan after which Mrs. Lively Brown showed some pictures of Japan children and made an interesting talk on the subject. A short business session was held with Mrs. Lynn Trimble, president, presiding after which the group was dismissed by prayer.

Card Of Thanks

We wish to thank our friends and neighbors for their many kind deeds and words of sympathy during our recent sorrow. Especially do we appreciate the lovely food prepared and the beautiful floral offering. May God bless each of you.

No Waste
During the war Mr. Bulbsnatcher was very conservation-conscious. He made his wife save all the fats from her cooking. He himself saved the waste paper and flattened the tin cans as per instructions, but his wife couldn't understand why he saved dead electric light bulbs.
"Why are you saving those?" she asked.
"We can make the good bulbs last longer," he explained, "by using these dead bulbs during blackouts."

Mathematics
An instructor was teaching a class an intensified course. Realizing that the boys were beginning to show the strain of constant study he decided to ease the situation with a rather pointless question.
"If a chair has four legs is painted white, and rolls on casters, how old is it?"

The surprised students sat dumfounded. Then the most backward member of the class supplied the answer, 44.

It was the instructor's turn to be amazed. "That's correct," he said, "but how did you know?"

The student supplied the second answer, "My brother is 22 and he's only half crazy."

AROUND THE HOUSE

Dumplings
If dumplings are on the same menu as gravy, don't wash the bowl in which the dumpling dough was mixed. Instead, add a little water to the dough which sticks to the bowl and use it to thicken the gravy.

Restoring Mercury
If the mercury in a thermometer separates, try to shake it together. Or dip it in very cold water for a few minutes. If both fail, it's usually hopeless and a new thermometer is the remedy.

Test Cake Quality
The quality of a cake can be tested without cutting into the cake itself if you set aside a small portion of batter and bake it as a cupcake. When both cakes are done, a taste of the little one will reveal the quality of the large one.

Cole Slaw Dressing
Instead of vinegar for a cole-slaw dressing, use the leftover juice from a jar of sweet pickles. You'll get an unusual flavor.

Condiments
Keep a large shaker of both salt and pepper in the kitchen and you can add both condiments to a dish with one shaking.

Hot Water Bottle Patch
Another way to patch a leaky hot water bottle is to melt part of an old jar rubber, rub the molten rubber over the hole with a flat-bladed knife and press it down with your fingers.

Not in Constitution
The Constitution says nothing about the number of justices; it requires only a court and chief justice. By the judiciary act of 1789, congress called for five associate justices. In 1807 the number was changed to six; in 1867 to eight; and in 1863 to nine. In 1959 the present number of eight associate justices and one chief justice was set.

Game Warden Issues Warning To Hunters

G. M. Stricklin of Cisco, state game warden, has issued a warning concerning deer hunting in Eastland County.

He stated that for the first in two years the county will be open for deer hunting and warned that applications for leasing land for shooting preserves must be obtained before hunting is allowed on the land.

Stricklin stated that those who wish to secure the application blanks may get them from him that when they are filled out the applications should be returned to him. The shooting preserve license must be obtained before November 16 which is the date for the opening of deer hunting season.

The same applies to Stephens and Palo Pinto Counties which have also been opened for hunting this year, Stricklin said.

Statistics kept by the Oregon State Penitentiary fail to confirm the popular belief that the criminal class is being recruited more and more from young men. The average age of convicts in the penitentiary between 1966-70 was 30 years, 10 months. The average age of those now in the prison is 30 years, two months.
