SAYS EARLY COTT WILL NOT _O GOOD

Judge C. H. William says he Ralph Lofland, age 27, was filling the building and with rain was lighted West of Ballindoes not feel that he has lost anyher home at Kress, Tuesday, af found dead swinging to a light many occupying standing room ger, Norton, Bronte and Ft. thing by having to replant his Chadbourne reporting only a cotton crop. The early cotton will do no good, coording to Judge Willingham as the cool weather has stunted it, and caused decay of the t p root which will make it impos e for the cotton to withs and dry weather. Judge Willingham is an experienced farmer. He makes a study of the business and is a good authority on such matters. Most of the cotton planted early on his farm East of the city was hailed out. Judge Willingham says he controlled the grasshoppers last year, losing only about three acres of cotton from the pests, and he does not fear them this year, but is interested now in getting up a good stand of cotton. He says the hoppers can be controlled if the farmers will start in time.

DARK AND BEAUTIFUL

Recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded streaked or gray. Years ago the only way to get this mixture was to make it at home, which is mussy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound. You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses FAST DRIVING darkened your hair, as it does it so naturally and evenly. You was dead. The campaign against fast driv- dampen a sponge or soft brush er application or two, your hair turned to their home at Cuero Traffic officers will be busy for becomes beautifully dark, thick Thursday afternoon.

EAR OF CORN

ATHENS, Tex., May 22 .- A prize of \$500.00 for the best ear of corn produced in the world in 1924 has been offered by the International Parcel Post Corn Show to be held at Athens, Texas, Sept. 29th to Oct. 4th, 1924. The regulations are so simple that dozens of states and thousands of individuals are expected to compete for the honor and prestige of being the champion corn grower of the world. Only one ear of corn will be acepted from an individual and that ear must be mailed by pareel post, thus putting every grower in the world on the same footing. All that is necessary is that the individual grower wrap his ear, be sure to place his name on the package and mail to luternational Parcel Post Corn Show, Athens, Texas.

Expert judges will be selected it by paying a small fee for was touched with a little degree same. Calomel Good but Treacherous

Next Dose may Salivate, Shock Liver or Attack Bones

You know what calomel is. It's mer-cury; quicksilver. Calomel is dangerous. It crashes into sour bile like dynamite eramping and sickening you. Calomel attacks the bones and should never be

put into your system.

If you feel bilious, headachy, constipated and all knocked out, just go to
your druggist and get a bottle of Dodson's Liver Tone for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your

money.
Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tone straightens you right up and you feel great. No salts necessary. Give it to the children because it is perfectly harmless and can not salivate.

While more than sixty 1924 killed an equal number of dogs, there are still many dogs in Ballinger without a license, according to the officers, "but I will get them," said the chief, 'as fast as I can get to them.' Mr. Pilcher said there was one negro "mammy" in Ballinger who had paid for eight dog tags and still had eight more dogs than she had tags.

Your Cheapest Purchase

Next to a two-cent stamp the cheapest thing you buy is your telephone service. Your bills for this service are an insignificant part of your living expenses.

But the service is essential—just as necessary in this day and age as food and clothing. It is a necessary service and is therefore efficiently performed.

Measured by its actual value to the people of the community telephone service, which costs the average family a very small per cent of its income, is probably the cheapest thing in the world.
