# **Announcing**

The installation of new, modern machinery for proper grading of shelled seed peanuts. We now have four seperate and distinct sizes of peanuts suitable for seed. These peanuts will be shelled from farmers stock especially selected for high quality. Available with either Arasan, Ceresan, or the new Arasan S. F. treatment.

Seed peanuts may be scarce this season since there will be no acreage quotas. Why not book at least part of your requirements now. A small deposit will hold them for you. If interested in seeing the new sizes of graded peanuts, we will be glad to have you drop by any time. We are also in position to furnish recleaned farmers stock peanuts. See us before you buy.
