SEASON 7-1, DISTRICT 3-0

Mules Keep District Hope Alive

Mules Become Ducks In Sudden Downpour

Whoever heard of a severe thunderstorm in November? And whoever said Mules could quickly turn into ducks? Well, both happened in Muleshoe Friday night when the Olton Mustangs came to town.

What had been a slow drizzle through the first half of a football game became a sudden downpour during most of the second half of the game. At just about kickoff time in the second half, booming thunder and brilliant lightning flashes accompanied the downpour, and the faint-hearted left the football field although a good crowd stayed to watch the Mules thoroughly trounce the Olton Mustangs, 28-8.

With the win over Olton, the Mules now have a season record of 7-1 and are 3-0 in district. The Dimmitt Bobcats will be the next test for the Mules as they will go to Dimmitt to tackle the Bobcats on their home field next Friday night, before taking on the Morton Indians in the final game of the season.

In the initial series in the game, the Mustangs failed to move the ball and turned it over to the Mules on failure to make a first down. Then, on the very first play from scrimmage, the old bugaboo, a wet field, caused the ball to squirt right back, through the hands of quarterback Mike Northcutt, and conveniently into the hands of an Olton defender.

Olton failed to capitalize on their good fortune and the Mules retained possession in very short time.

With a scant :58 seconds left in the first quarter, Mike Northcutt scrambled through to his left and into the end zone on a six yard gain for the Mules first TD of the game. Then another fumble caused the kick for extra points to fail.

But, the Mules came back in the second quarter, and after successfully moving the ball against the Mustangs, added additional points when Jeep Shanks made a desperate dive over the Mustangs and into the end zone from the Olton five. With 9:44 showing in the second, Dickie Sudduth made it 13-0.

The Mules threatened again at 4:18 of the second, when Charlie Briscoe intercepted a long Mustang pass and returned it for 22 yards. But, the Mules did not score again before halftime.

Coming back in the third, in a downpour, that saw more fumbles, the Mules capitalized on long gainers, especially by Zeke Pecina, who rambled for 51 yards before being chased out of bounds.

On two more plays, Mike Northcutt rambled through from the four yard line, and Jeep Shanks ran two extra points to make it a 21-0 ball game with 5:05 in the third.

Coming back in the fourth, Charles Walker made his first TD of the year when he scampered over from the eight yard line with 8:37 on the scoreboard clock and Dickie Sudduth made it 28-0.

Cont. page 6, Col. 6

Rain Amount Accumulates To 2 Inches

A slow, steady drizzle turned to a hard downpour around 9 p.m. Friday night, turning football fields into quagmires. Booming thunder and jagged lightning accompanied the downpour in an uncharacteristic November thunderstorm.

Although the National Weather Service had issued a severe thunderstorm warning, severe weather failed to materialize through the evening, although hard rain hit, forcing many persons to leave the football stands.

After letting up for a couple of hours, heavy rain again started falling during the early morning hours on Saturday. Reports ranged from slightly more than an inch in the city to more than two inches north and east of Muleshoe.

NWS predicted the rain would continue through Saturday, and at present time, light rain was falling in Muleshoe.

POWERING ALONG...As Mike Northcutt, No. 11, quarterback for the Muleshoe Mules, adds more yardage to his 94 yards against Olton Friday night, Dickie Sudduth, No. 24, heads a block for the Olton Mustang's Roy Luera. Playing in a steady drizzle, which turned to a downpour, the Mules defeated the Mustangs, 28-8.

'78 Candidates In Final Pleas

General Election Tuesday

Tuesday, November 7, is election day in Muleshoe, and across the state.

For many months, candidates have criss-crossed the state on the campaign trail, and television stations, radios and newspapers have been inundated with campaign platforms, plans and ideas.

The 3,327 registered voters in Bailey County will have the selection to make between 7 a.m. and 7 p.m., when they trek to one of the eight voting

places in this county to cast their vote for their own particular choices.

As of early afternoon on

YAC Group Will Meet On Monday

Because of a lack of organized youth activities in Muleshoe and the surrounding area, a new organization has been formed.

It is the Youth Activities Committee, to be known as 'YAC'. Present members include Terry Bouchelle, Kiwanis; Tommy Black, Muleshoe Chamber of Commerce and Agriculture; Johnny St. Clair, Galen Bock and Chuck Smith, Jaycees; Jim Shaffer, Optimist; Dee Treadwell, Rotary; Mrs. Jim Young, AAUW; Mrs. Gilbert Dale, PTA; Donald Prather, Triangle CB Club; Edd Edmiston, American Legion; Betty Hopper, Llano Estacado; Keith Pate, Optimist; Johnny Richards

the Muleshoe City Police Chief; Clea Williams, the Journal; Mrs. Mike Richardson, Young Homemakers and Oren Howard, Muleshoe Golden Gloves.

The second meeting of the organization will be at the Bailey County Civic Center and Coliseum at 7:30 p.m. Monday, Nov. 6. Discussed will be plans for various organized activities for young people, during which time the new coliseum will be utilized for such activities as skating, volleyball and basketball, weight lifting and other activities.

Other interested persons are encouraged to attend the meeting and have an input into the proposed YAC plans.

Approved was the purchase of a new typewriter for the county clerk's office with their older model to be given the probation officer for his office.

Also approved was a transfer of funds to the four commissioner precincts and the employment of Renae Ruthardt for part time employment with Nelda Merriott, District Court Clerk.

Darrell Mason was hospitalized overnight Thursday in West Plains Medical Center for treatment of injuries received in a spill from his three wheel cycle on his farm near Lazbudde.

He received no broken bones in the accident which occurred around 6:30 p.m. Thursday.

Visiting in the home of Mrs. Bill Lambert this week were her sisters, Mrs. Ilyn Calcote and Mrs. Donnell Mangus, both of Plainview and Mrs. Opal Lambert, Sudan.

Mrs. Lambert, who has been ill for the past month,

Cont. page 6, Col. 3

Thursday, 54 absentee ballots had been cast with Bailey County Clerk Hazel Gilbreath. Absentee balloting ended Friday at 5 p.m.

Perhaps the most contested races, at least as far as this area is concerned, would be the U.S. Representative Race, 19th District. With the announcement that longtime Congressman George Mahon was retiring, the race has boiled down to one Democrat and one Republican seeking the soon to be vacated Congressional seat.

George Bush, Jr., a young, independent oilman from Midland, is the Republican candidate. He is opposing Kent Hance, an attorney and a Texas State Representative, from Lubbock.

[VOTING BOXES LISTED, See Story this page.]

For Governor, Attorney General John Hill is the Democratic candidate, opposing Bill Clements, a Dallas businessman.

this year, Senator John Tower has strong opposition for the U.S. Senator seat from Bob Krueger, a Democrat.

Candidates for Lieutenant Governor are Bill Hobby, Dem. and Gaylord Marshall, Rep.

The only other highly contested races are for Attorney General, Republican Jim Baker and Democrat Mark White, also the Railroad Commissioner race which is pitting Dem. John H. Poerner against James W. Lacy.

Bob Bullock is unopposed for Comptroller of Public Accounts; as are Warren G. Harding, State Treasurer; Bob Armstrong, Commissioner of General

Cont. page 6, Col. 6

Deer, Turkey Population 'Up'

Forecasting the deer and turkey populations for the upcoming November 18 season is like trying to forecast the weather -- it keeps changing each week.

Comments from Texas Parks and Wildlife Department personnel stationed across Texas indicate deer and turkey populations are ranging from poor to good. The deer situation has improved in the Panhandle and South Plains regions over what it was earlier in the year, but the rains came too late in the year to help antler development. These late rains have helped to mature the browse conditions for deer and the herds should go into the winter with ample food supplies.

In the Texas Panhandle, the 16 day whitetail season is Nov. 18 - Dec. 3 with a bag limit of one deer, buck or antlerless.

The mule deer season in the Panhandle is open for the same period, with a two mule deer, limit one buck or antlerless bag restriction. (Antlerless by permit only)

In most of the remainder of the regulatory counties including the South Plains (Lubbock), the rolling plains, around Wichita Falls and the edge of the Edwards Plateau, the white-tailed deer season is Nov. 18 - Jan. 1. The bag limit in most of these areas is three deer, no more than two bucks, antlerless by permit.

The white-tailed deer season will be CLOSED in these northwest Texas Counties: Andrews, Bailey, Castro, Cochran, Dallam, Dawson, Deaf Smith, Gaines, Hale, Hartley, Hockley, Lamb, Lubbock, Lynn, Martin, Oldham, Parmer, Terry and Yoakum.

The mule deer season will be CLOSED in these northwest Texas counties: Andrews, Castro, Cochran, Dallam, Dawson, Deaf Smith, Gaines, Hale, Hartley, Hockley, Lamb, Lubbock, Lynn, Martin, Oldham, Parmer, Terry and Yoakum.

Cont. page 6, Col. 3

Plains Medical Center for treatment of a broken hand, then to Lubbock for further treatment of the hand injury, said he injured his hand when furniture he was moving at the law center fell on him.

The prisoner said he had not been out of the jail. Officers continue to investigate the strange sequence of events which occurred between 2 a.m. and around 4 a.m. on Thursday morning in Muleshoe.

Indictments Handed Down By Grand Jury

Grand jury met in session Friday and by noon, had handed down indictments on four persons in two cases.

L.E. Testerman was indicted for murder in the shooting of Berlin Harvey on Sept. 6. His bond was set at \$10,000.

Larry Richardson, Monroe Hawkins and Michael Lewis were indicted for burglary and their bond was set at \$2,000, except for Richardson, who is being held in jail for revocation of probation, and is not bondable.

City, County Check Fight Victims' Story

Under investigation by both the Muleshoe City Police and the Bailey County Sheriff's office late last week was an assault on a local man that resulted in charges being made against a prisoner from the Bailey County jail.

Early Thursday morning, officers were called to a house in east Muleshoe where a man was reported to have been beaten. Responding officers found no one at the address and started checking surrounding houses and vehicles.

A later report was received that a 'very bloody' man was at Allsup's 7-11 store. Officers took a man to the hospital for treatment of a laceration over one eye and bruises. Hospital records list the victim as Dallas Hoffman of Muleshoe.

The injured man alleged that the 'ex-husband' of the woman he was with had broken into her house and had beaten him up.

Also, the man who allegedly broke into the house has been a prisoner at the Bailey County jail since July pending a probation hearing.

He was found in the jail, not in the main cell, but in the women's cell with the door closed. The prisoner, who was taken to West

Three Way Eagles Enjoy Homecoming

Three Way enjoyed their homecoming Friday night, when the game was called with 10 minutes left in the third quarter, the Eagles were leading the Loop Longhorns by a score of 25-6.

Like the weather in Muleshoe, the Eagles were playing in a downpour, and the rain constantly popped the field lights until the field was virtually unlighted by the end of the game.

Three Way took the initial kickoff, but failed to move the ball beyond their 36 yard line and turned it over to Loop on a punt.

Loop made their sole touchdown of the game at 4:4 of the first. It was tallied by Darren Ancinec, a 150 pound junior from the school.

Fumbles proved to be costly as the Three Way Eagles couldn't find the handle to hold on to the slippery ball during the game, but they did move the ball.

Keith Layton recovered a Longhorn fumble to set up the Eagles' first TD of the game. James Simpson scored with :02 seconds left in the first.

At 3:56, Keith Layton made another TD for the Eagles with Robert Layton scoring the extra points.

When the halftime activities started, Three Way was leading the Loop Longhorns by a score of 19-6.

During halftime, the 1978 Homecoming King and Queen were crowned. The queen was chosen by the football team and the King was chosen by the Pep Club.

Named Queen was Jackie Carlisle, a junior and the daughter of Mr. and Mrs. Nelson Carlisle.

Crowned King, was Tommy Tucek, a senior and son of Norman Tucek. Crowning the new king and queen were the 1977 royalty, Mitzi Altman and Ernest Cantu.

Other candidates for the honor were Belinda Richardson, daughter of Mr. and Mrs. Homer Richardson, Renee Cooley, daughter of Mr. and Mrs. Burl Cooley and Jan Simpson, daughter of Mr. and Mrs. Billy Simpson.

King candidates were Robert Layton, son of Mr. and Mrs. Harold Layton, James Simpson, son of Mr. and Mrs. Ted Simpson and Ken Eubanks, son of Mr. and Mrs. W.C. Eubanks.

Following the second half, and before the game was called, the Eagles scored again, with Nichols recovering a blocked punt in the end zone.

Cont. page 6, Col. 6

Lorene Sooter, Bookmobile librarian and Anne Camp, Muleshoe Area Librarian, attended a workshop at Lubbock Public Library, Thursday.

The subject of the workshop was 'Projector-Use, are and Maintenance.'

A workshop in filmstrip projectors and 16 mm projectors was conducted by Don Zieller, representative of Grace Visual Education Corporation.

A routine meeting was conducted by the Bailey County Commissioners Court on Monday.

Approved was the purchase of a new typewriter for the county clerk's office with their older model to be given the probation officer for his office.

Also approved was a transfer of funds to the four commissioner precincts and the employment of Renae Ruthardt for part time employment with Nelda Merriott, District Court Clerk.

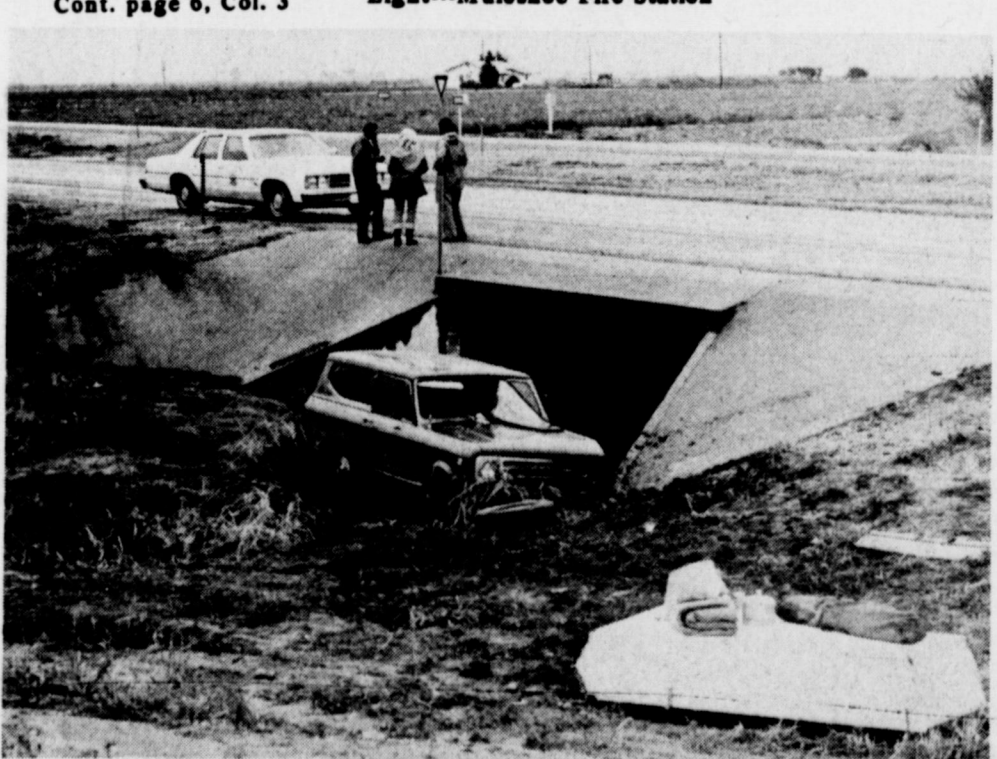

Darrell Mason was hospitalized overnight Thursday in West Plains Medical Center for treatment of injuries received in a spill from his three wheel cycle on his farm near Lazbudde.

He received no broken bones in the accident which occurred around 6:30 p.m. Thursday.

Visiting in the home of Mrs. Bill Lambert this week were her sisters, Mrs. Ilyn Calcote and Mrs. Donnell Mangus, both of Plainview and Mrs. Opal Lambert, Sudan.

TWO INJURED...Gary Breeze, from Pensacola, Florida was treated at West Plains Medical Center for an arm injury received Wednesday when he apparently went to sleep and drove into a deep culvert approximately nine miles west of Muleshoe on Highway 84. Also treated was his father, Bernard, who was a passenger in the vehicle. The elder Breeze was treated for an elbow laceration.

HOMECOMING ROYALTY...Tommy Tucek, left, was named Homecoming King and Jackie Carlisle, Homecoming Queen, during coronation ceremonies in the rain at Three Way Friday night. The 3-Way Eagles won their homecoming game, 25-6.

Decision Expected To Vex Cattlemen

Observers in Washington feel a delay is being orchestrated to avoid a pocket veto of major cattle legislation prior to the Nov. 7 election to avoid increasing political wrath among the agriculture community.

So points out the National Farmers Union over speculation that President Carter will veto a bill by Senator Lloyd Bentsen which makes major changes in a law addressing cattle imports.

The bill, passed by the Senate earlier and okayed by the House in its last minute flurry, amends the 1964 Meat Import Act. The new law would reverse current import quota formulas so that more imported beef would be allowed into the U.S. when domestic production drops, but be reduced when domestic cattle prices plummet like they did five years ago.

"The President is getting bad advice if he thinks this would be inflationary," said Jay Naman of Waco, President of the Texas Farmers Union. "On the contrary, when U.S. supplies are tight, import quotas would expand which should buffer retail prices. This bill is designed to help cattlemen by cutting cheap, low quality imports during surplus conditions when producers prices collapse," Naman said.

The countercyclical formula would amend the existing method of allowing more imported beef into the country when the domestic market is glutted and herds are being reduced. The original bill went further to restrict Presidential power to raise import quotas by allowing such action only under conditions spelled out by the National Emergency Act of 1976. The final version passed the House, however, after the executive restraint was watered down.

President Carter brought about the wrath of cattle producers and farm organizations in late Spring when he expanded beef import quotas by 200 million additional pounds.

"The veto of this legislation on the eve of a general election would obviously open the wound with both cattle producers and campaigning Democrats in farm states," said Naman. "For that reason we feel he (Carter) has asked leaders in Congress not to send the bill over for signature until the election has passed. We then expect a pocket veto. But I assure you it will not be a quiet one in the agriculture community."

The Beef Import Stabilization Bill passed the House by a vote of 289 to 66 on October 10. It has since been stacked along with over 200 other last minute bills passed and awaiting signature or veto. Political observers feel

that several of the bills are being held up from even reaching the President's desk to avoid any further pre-election disturbances. It is also widely held that Carter's advisors oppose the Bentsen Bill, especially since it addresses, even mildly, the President's authority to open up import quotas.

Naman additionally pointed out that the bill restricts changes in import quotas in either direction to 10 percent per year. He further noted that the import formula does not include live cattle brought across borders to be slaughtered in the U.S.

"Enough has already been compromised in the Congress to weaken this bill," concluded the Farmers Union leader. "If Carter vetoes it, this will only worsen the President's image among farmers and ranchers in Texas."

Krueger Hits Tower, Cites Denying Vote

U.S. Senate challenger Bob Krueger today reiterated his charge that John Tower three times voted for his own pay increase while asking Americans to curtail their lifestyles.

Krueger, in a statement issued by his Austin office, attached a fact sheet specifying the three pieces of legislation for which Tower voted and which called for a pay increase or automatic cost-of-living increases.

Krueger also took issue with Tower's statements that he voted against the pay raise. "For John Tower to point to one vote in 1977 that might be interpreted as being in opposition to the pay increase and to ignore the three votes he cast for the pay increase is indicative of the half-truths which have been coming from the Tower campaign for months," Krueger said.

"It is easy to claim misrepresentation when your voting record is so inconsistent. The record doesn't lie though. On July 29, 1975, John Tower voted for an automatic cost-of-living increase. The next day I voted against it. On Sept. 7, 1976 John Tower voted for a Congressional pay cost-of-living increase. The House of Representatives disapproved the increase. I was among those opposing it. On July 18, 1977 John Tower voted for a 29 percent pay raise for members of Congress. On June 29, 1977 I voted against it."

No teacher can do much with the brain of a pupil who doesn't want to learn.

Recycle-Don't Burn Suggests Agent

Rather than burning leaves or hauling them to the dump this fall, why not use them for a compost pile? The resulting compost will provide a good source of organic matter for potted plants, for top-dressing the lawn, and for building up the soil in flower beds, shrub borders and vegetable gardens, points out Spencer Tanksley, county agent with the Texas Agricultural Extension Service.

A simple method of composting leaves and other vegetable matter is to alternate four-to-six inch layers of vegetable matter such as leaves or grass with two-to-four-inches of good garden soil. If available, add manure to the soil layer. Make a compost pile four-to-six feet wide

and any desired length depending on material and space available.

Sprinkle a commercial fertilizer on each layer of vegetable matter to hasten decomposition. Use about one half pound or one cupful, of any good commercial fertilizer with a 1-1-1 ration per 10 square feet, suggests Tanksley.

The top layer of the compost pile should be soil and the surface of the pile should be dish-shaped, forming a basin to hold water. Water each layer of organic matter thoroughly before adding the soil layer. This is especially true when composting leaves as they can be extremely slow to decompose if too dry. Water the pile thoroughly when completed and add additional

water as needed to keep the material moist but not soggy.

Turn or mix the compost with a garden fork or shovel every three or four months. This aerates the material and speeds up the composting process. Most compost should be ready to use in six months to a year. The use of commercial

available compost activators will reduce the time required for decomposition only if used according to directions.

Well prepared compost can be used anywhere peat moss is used and is an excellent way to dispose of garden debris, leaves and other organic material, contents the Extension agent.

CASEY INSURANCE AGENCY NAMED ALLSTATE INSURANCE AGENCY IN MULESHOE, TEXAS

Casey Insurance Agency, an established insurance agency in Muleshoe since 1951, has been named the area representative for Allstate Insurance companies in Muleshoe and vicinity.

The agency will continue to represent other insurance companies as it does now, in addition to representing Allstate.

Allstate auto, homeowners, renters, boatowners, theft, personal liability insurance, business insurance for companies large and small, life and health insurance and the Allstate Motor Club will be offered by the Casey Insurance Agency.

"We are pleased to add Allstate, one of the best known, most widely accepted names in the business, to our complete insurance line for people in the Muleshoe area", Beverly Ann Heathington, owner of the agency, said.

An additional member of the agency staff is Billie Dean Bayless.

SPOOKIEST... First place winners in the costume contest held at the PTA Halloween Carnival, Tuesday night, were, pictured, left to right, Heather Leal, Marsha Blackwell, Kendra Wilson, Chris Young, Guy Dale, Greg Young and Jarrod Embry.

MOST ORIGINAL... Judges at the PTA Halloween carnival, Tuesday night, awarded these youngsters first prize for the most original costume. Pictured, from left to right, are Johnny Noble, John Orozco, Kristie Pena, Dusty Rhodes, Breta Campbell, Casey King and Jessie Holmes.

PTA Halloween Carnival Costume Winners

The PTA Halloween Carnival was held October 31 at the Bailey County Civic Center from 6 to 9 p.m. A costume contest was held starting at 6 p.m. and costumes were judged on spookiest and most original.

Winners in the most original division in the preschool age division were Johnny Noble and Cale Wenmohs; Kindergarten, John Orozco and Scott Tzikonki; first grade, Kristie Pena and Jenny Bennett; second grade, Dusty Rhodes and Todd Peterson; third grade, Breta Campbell and Cynthia Lane; fourth grade, Casey King and Susie Peterson and fifth grade, Jessie Holmes and Bret and Wade King.

Winners for the spookiest costumes were: preschool, Heather Leal and Jody Morris; Kindergarten, Marsha Blackwell and Parker Gregory; first grade, Kendra Wilson and Gile Dale; second grade, Chris Young and Heather Baker; third grade, Guy

Dale and Van Gregory; fourth grade, Greg Young and Toby Scott and fifth grade Jarrod Embry and Mike Harris.

The judges for the costume contest were Brenda Scott, Mrs. Rex Black, Debbie Hoover, Mrs. Randy Crook, Darrell Turner, Terry Bouchelle and Keith Burns. Robert Montgomery announced the winners.

Booths were set up by the different grade divisions. The booths available for the children were football throw, pumpkin toss, dart throw, clown bean bag toss, bingo, spook house, jewelry wheel, grab box, ring toss, raffle, duck pond, sand dig, balloon sale, dunking board and basket throw.

Fashion

Thermals and snuggles, fashioned for the sports-loving woman are in fashion. These come in long or short sleeves as well as long or short legs to fit the outfit and warmth desired.

Hobby Club Meeting Held

The Muleshoe Hobby Club met Thursday, Nov. 2 at the Muleshoe State Bank Community Room.

There were fourteen members present, Myrtle Chambliss, Ethel Julien, LeVina Pitts, Verna DeWent, Dora Phipps, Opal Robinson, Ollie Barbour, Ola Epperly, Mae Loyd, Hallie Briscoe, Ruth Bass, Tina Davis, Mabel Caldwell and the hostess Vickie Hendricks. Three visitors attended the meeting, Jewell Barry, Frances Bruns and Veta Self.

Articles on display were gold macrame three dimensional owl, carpet owl, quilted lap spread, rock duck, rock dog, rock turtle and Santa Claus, rock lady bugs, applique panel waste paper basket, Christmas card box, Kewpie dolls, three bead bells, crocheted baby bassinet, felt bugs for refrigerator, refrigerator flowers made of chenille bumps, depression glass cake plate and depression glass bowls.

The hostess gift of painted night light lamp was won by LeVina Pitts.

The hostess served refreshments of Magic Cookie Bars and Cheese Krispies, cokes, coffee and potato chips.

The next meeting will be November 16 at the Muleshoe State Bank with Jo Wilson as hostess.

Cost of raisins may more than double.

A double ring ceremony united Miss Vicki Lynn Watkins and Daniel Scott May on September 16 at 2:30 p.m. in the First Baptist Church of Earth with Rev. Charles Dunnam officiating.

Miss Watkins is the daughter of Mrs. Jackie Denham and the late Ralph Denham of Earth. The bride-groom is the son of Mr. and Mrs. Donald T. May of Muleshoe.

Musical selections of "You Light Up My Life", "The Lord's Prayer", and "The Wedding March" were played on the organ by Sharon Tunnel and sung by Marie Slover.

Pew markers of frosted globes, yellow bows and springeria lined the aisle to the altar. Spiral and cathedral candleabras with salal and comadore fern accented with yellow candles centered the altar. Arrangements of white gladiolas, yellow fiiiumums and yellow and white daisies were used in the setting. The memory candle of lace on lace enhanced the altar decor.

Escorted and given in marriage by her uncle, L.H. Galloway, the bride wore a long white gown of organza with a sabrina neckline trimmed in Chantilly lace ruffles over a fitted bodice of organza. The long sleeves were trimmed in layered lace ruffles. A tier of layered lace flowers held the veil which flowed into a chapel length train. The skirt had an organza ruffle, trimmed with Chantilly lace and the full skirt was trimmed with lace. For something old, the bride wore a sapphire ring which belonged to her late grandmother; some-

thing new was her wedding dress and something borrowed was a gold bracelet belonging to an aunt, Margaret Hicks. She wore the traditional blue garter as something blue.

The bride carried the bouquet, "Waterfall", a cascading bouquet of silk yellow miniature roses, yellow roses, yellow and white daisies with Lily of the Valley accents.

Miss Donna Daniel of Lubbock attended the bride as maid of honor. Mrs. Dicky Hanks of Clovis and Kim Denham of Earth, the bride's sister, served as bridesmaids. The attendants wore formal length A-line dresses of yellow iridescent nylon with fitted bodices and short sheer capes trimmed in white daisies and white horsehair braid. They wore yellow flop hats accented with a yellow silk rose.

They carried the bouquets, "Sundrop", a nose-gay of white and yellow daisies accented with miniature yellow roses and springeria.

Crystal and Coleta Peet-ross of Brownfield served as flower girls. They wore yellow nylon dresses and carried white baskets with yellow and white bows filled with rose petals that were dropped down the aisle.

Dennis Parker of Canyon attended the groom as best man. Groomsmen were David McVickers of Muleshoe and Clifton Meyers of Lubbock.

Clay Bulls of Earth carried the rings and Scott Campbell of Muleshoe and Melinda Denham of Earth served as candlelighters.

Ushers were Greg Welch and Micky Price, both of Muleshoe; Chuck Smith of Muleshoe and John Bickel of Lubbock.

The groom wore a tuxedo of pastel yellow with a matching yellow Bentley shirt. The groomsmen wore pastel yellow tuxedo jackets with dark yellow pants and white shirts trimmed in yellow. The ringbearer was attired in a pale yellow tuxedo.

The mother of the bride wore a formal length beige dress with a matching cape trimmed in pink lace. Mrs. May wore a formal length pink lace dress with a modified jacket of pink lace. The bride presented each mother with a yellow rose.

A reception followed the wedding in the fellowship hall of the church.

The bride's table was laid with a white lace cloth. The three tiered bridal cake was topped with frosting flowers. Pittisporium, leather leaf fern and fresh white roses and daisies encircled the cake. Crystal appointments were used and the punch bowl was encircled by fresh flowers. A formal arrangement of yellow roses and yellow and white daisies highlighted the table.

An ecru cloth covered the groom's table. An arrangement of butter-scotch, yellow and orange miniature mums in a brown ceramic duck with protea accents was used and German chocolate cake was served.

MRS. DANIEL SCOTT MAY [nee] MISS VICKI LYNN WATKINS

Following a wedding trip to Ruidoso, N.M. the couple made their home in Progress.

The bride is a graduate of Springlake-Earth High School and attended West State University.

The groom is a graduate of Notre Dame High School in Wichita Falls and

attended Texas Tech. He is a co-owner of Decorators Nursery and Floral.

Out of town guests were Margaret Hicks, San Antonio; Beulah Danforth, Brownfield and Mr. and Mrs. Bill Damron, Brownfield.

Revival Planned At Nazarene

The Church of the Nazarene, 9th and Ave. C, Muleshoe, Texas, would like to announce the coming revival services to be conducted by Rev. Ivor Lake.

Rev. Lake is an ordained elder in the Church of the Nazarene, and is currently pastoring the First Church of the Nazarene, Snyder, Texas. He has previously pastored in Illinois, Wisconsin, New Mexico and Texas.

In addition to his varied experiences as a pastor, he has also held several revival services and special meetings across this nation.

He has been instrumental in helping, both physically and spiritually, to erect and establish home mission churches in various states.

According to Rev. Lake, the first and foremost task facing not only himself, but this nation itself, is to bring this once God-fearing and God-loving people back to its knees in supplication to their heavenly Father.

Another item Rev. Lake emphasizes is the fact that the Lord did not invent different church denominations or denominational barriers. With this in mind, he is encouraging every pastor, Sunday School superintendent and teacher, as well as laymen of the various churches in and around Muleshoe, to pray for the revival and renewal of souls during these services.

With an open hand, the Church of the Nazarene extends the hand of fellowship to all who wish to attend.

MARCH SUCCESS...Mrs. Armanda Flores, left and Mrs. Petro Lucero will present this check for \$1011.92 to the St. Jude Children's Research Hospital. The Guadalupana Society conducted a march October 21 to 28 to raise the money.

Miss King, Arnold Plan Wedding

Mr. and Mrs. J.B. King of Amarillo wish to announce the engagement and approaching marriage of their daughter, Jacqueline Janet to Michael Ray Arnold of Amarillo. Arnold is the son of Mrs. Lawson Alford of Amarillo and the late Neil Ray Arnold. His grandmother is Mrs. Dana Arnold of Muleshoe.

Miss King graduated from Wellington High School and attended McMurry College in Abilene and West Texas State University in Canyon. She is employed by John Morrell Co. in Amarillo.

The prospective bridegroom is a graduate of Canyon High School and attended West Texas State University and Amarillo College. He is employed at ASARKO, Inc. of Amarillo.

The wedding is planned for Saturday, November 18 at the First United Methodist Church in Wellington.

Progress 4-H Club Toured Winkler's

On Monday, Oct. 30, the Sweet Chicks met at Winkler's Meat Processing Plant. They were guided through the locker and they viewed the freezer and the smoke room where meat is cured. They also saw where livestock is unloaded and butchered and where meat is wrapped. They saw the buffalo carcasses that were brought in from New Mexico.

Those attending were Tori Hunt, Pat Davis, Connie Puckett, Twila Downing, Teena Siesmore, Betsy Lunsford, Susan Lunsford, Sally Lunsford, Kacy Henry and Mrs. Robert Hunt who filled in for the leader.

50th ANNIVERSARY...A Golden Wedding Anniversary reception will honor Mr. and Mrs. Johnnie Wheeler of Comanche. They are former longtime residents of the Three Way Community. The reception will be held Sunday, November 12 at 2:30 p.m. in the home economics department of the Three Way School. The occasion will be hosted by their children, Mr. and Mrs. George Wheeler of Muleshoe; Mr. and Mrs. Joe Wheeler of Three Way and Mr. and Mrs. Jimmie Wheeler of Lovington, N.M. They have fourteen grandchildren and five great-grandchildren.

4-H Council Elected New Officers

The Bailey County 4-H Council met November 1. The meeting was called to order by Belinda Wheeler. Tamara Gilliland led the pledge of allegiance and the 4-H pledge and motto. The standing rules were read and approved and new officers were elected. New officers are, President, Belinda Wheeler; Vice president, Kelly Harrison; Sec. treas., Tamara Gilliland and reporter, Brenda Flowers.

The 4-Her of the month was discussed and recreation night that was held Saturday was discussed. There will be a county meeting on Tuesday at the Civic Center at 7:30 p.m. The members present were Belinda Wheeler, Tamara Gilliland, Perry Flowers, Tim Sain, Terry Baker, Zana Huckaby, Kally Harrison, Greg Harrison, Delia Shaw, Jim Gleason and Brenda Flowers.

O.E.S. Grand Chapter Held In Houston

Mr. and Mrs. Bob Phillips, Worthy Matron and Worthy Patron of Muleshoe Chapter #792, Order of the Eastern Star, have just returned from Houston where they attended the 96th Session, the "For Love's Sake" session of the Grand Chapter of Texas, Order of the Eastern Star, under the supervision of Mrs. Mary Brown, Lexington, Worthy Grand Matron and Murray M. Watson, Jr., Mart, Worthy Grand Patron. At 11 a.m., October 22, religious services were held and E.S.T.A.R.L. awards (Eastern Star Training Award for Religious Training) were presented to 70 people. The speaker was Dr. Harold L. Adams, pastor of Sherwood Forest Baptist Church of Houston.

The informal opening of Grand Chapter was held at 5:30 p.m., October 23. Welcomes were extended by the Honorable Dolph Briscoe, Governor of the State of Texas and by the Honorable Jim McConn, Mayor of the City of Houston.

Presentation of the following flags, the United States, the Texas, the Christian and the O.E.S. and the Pledge of Allegiance was given and "America" was sung. The ritualistic opening was at 8 p.m.

On Tuesday evening, 100 percent Chapters in Welfare and International Temple were recognized. The Muleshoe chapter was 100 percent in both.

Wednesday evening, "The Immortal Hands of God" memorial, was held for members who have passed away since the last Grand Chapter session.

The annual election of Grand Officers was held Thursday resulting in the election of Mrs. Rennie Olfon, San Antonio, Worth Grand Matron and T.L. Weaver, Dallas, Worthy Grand Patron. Miss Kelly

Arnold, Grand Worthy Advisor of the Order of the Rainbow for Girls, presented the traditional Rainbow Bible to Mrs. Olfon. She was escorted by members of the Rainbow Assemblies of Houston under the supervision of Mrs. Martha Marie Whitfield, Supreme Faith in the International Order of Rainbow Girls. The group sang "My Rainbow". The Muleshoe Chapter received on Grand Appointment. Mrs. Mary Farley was appointed to serve on the Chapter Caring Committee of the Grand Chapter to be held in 1979 at San Antonio, October 14-18.

Guadalupana Society March Termed Success

The St. Jude Children's Research Hospital, door-to-door march took place October 21 to 28. The volunteers who marched raised a grand total of \$1,011.92. The money will go to research diseases and to treat the children who are suffering from them.

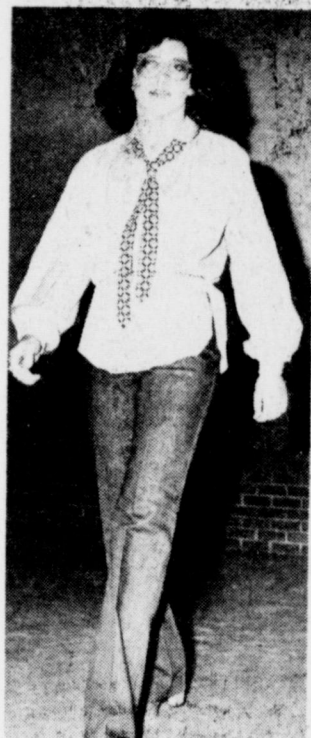

Mrs. Armanda Flores from the Guadalupana Society would like to thank the citizens of Muleshoe for their generous support.

Mrs. Flores says that it is a wonderful feeling to know that the people of this community are concerned and caring individuals and on behalf of the children of the St. Jude Children's Research Hospital, the Guadalupana Society would like to thank each and everyone who helped.

The members of the Guadalupana Society that were involved in the march are Mrs. Armanda Flores, Mrs. Luis Mata, Mrs. Jo. Almanza, Mrs. Bernardo Valdez, Mrs. Jesus Ybarra, Mrs. Domingo Estrada, Mrs. Polo Castorena, Mrs. Refugio Cruz, Mrs. Lupe Rejino, Mrs. Jesse Anzaldúa, Mrs. Josie Baca, Mrs. Martin Alarcon, Mrs. Robert Perez, Lori Flores, Janie Estrada, Mrs. Salomon Madrid and Mrs. Petro Lucero.

STYLES RETURNING... This handmade wedding gown was made in 1906. It is very much in fashion today. It has the full gathered sleeves with the ruffled skirt. It was shown at the Lazbuddie FHA Style Show.

LOOSE BLOUSES... Loose blouses with a rounded shirt tail and belted at the waist are featured this year with a slender tie at the neck. Jeans are still a big part of a wardrobe. Money is important only in that it buys things we want.

Lazbuddie FHA Style Show Held Thursday

The Lazbuddie FHA Style Show was held Nov. 2 at 7 to 9 p.m. in the Lazbuddie High School Cafeteria. A buffet style meal was served before the show. The meal was prepared by the home economic students and the Lazbuddie Young Homemakers.

The theme of the show was, "Nostalgic Fashion in Newsprint". The tables were laid with white cloths and black streamers. Rolled newspapers accented the tables. The stage background was covered with newsprint and the side of the stage was set with a rural mailbox and the American flag. The home

economics instructor is Mrs. Marca Morris.

Styles for this year will show feminine ruffles and a longer length. Vests are worn over dresses and with pants. They are short and unfitted. Pants for this year have a straighter leg and pleated waists. Slender scarves that hung loosely across the neck were used to accent dresses and pantsuits. In evening wear, gowns showed lots of ruffles with Victorian styling. Satin pants and vests were shown for disco wear. Velvet is very much in style for this winter, also. Leg warmers with tight fitting jeans were shown for cold days and coats for this year are below the knee length with fur collars. For western wear, blazers and jumpsuits and pleated legs were shown.

Clothes were modeled from Latrell's, St. Clair's, Lee's Western Wear, Anthony's, Lookin' Good, all of Muleshoe; and from Clovis, N.M., Sasser's, Ann Lee's, Holiday, Teen Scene, Queen's and Teens, Sweetbriar and the Stork Shop.

CYO of Christ Elected Officers

The Catholic Youth Organization of Christ in Muleshoe has elected new officers for 1978-79. They will be installed Wednesday at 7 p.m. at the Catholic Center by Father Tim Schwertner.

The new president is Miss Esmeralda Posadas; vice president, Miss Gloria Castorena; treasurer, Miss Agnes Lopez; secretary, Miss Stacy Campbell; parliamentarian, Richard Orozco; reporter, Miss Ninfa Castorena and historian, Miss Rosa Guillen.

WESTERN WEAR... This leather vest and pants complimented with a satin blouse is one of the new styles shown this year at the FHA Style Show. The pants featured diagonal stitching on the side of the legs.

FOR EVENING... Gowns are very feminine this year. This gown is gathered at the shoulder with delicate ties and full sleeves. The bodice has a loose flowing effect. It was one of the gowns shown at the FHA Style Show, Thursday night.

PLEATED PANTS... At the FHA Style Show, pants were shown with pleated waists and straighter legs. Blazers are popular this winter and slender ties are used to accent blouses.

Sophomores, Freshmen Contribute Much To Band

Fran Berryhill Halloween Queen

FRAN BERRYHILL

Frantonya Berryhill was crowned 1978-79 Halloween Queen during the coronation of the Fine Arts Carnival at the Civic Center on October 28. Fran's escort was Carroll Precure. Congratulations to Fran on her representation of the Speech department she did a wonderful job.

Mrs. Tommie Bratcher was in charge of the coronation. The theme was "Fantasy". Decorated with small animals, large flowers and wild colors, the stage was a beautiful setting for the occasion. Attending the Queen and her escort were Sandy Dunbar and Roland Perez for Band. Linda Shafer and Joel Bratcher represented Art.

A La Shell
Head Waiter--Would monsieur prefer Spanish, French or Italian cooking?
Diner--I don't mind--I want a soft boiled egg.

Coaches Comments
The game against Littlefield was the first time in the schools' history that the Mules have defeated the Wildcats twice in a row. I really feel that it is the best game we have played all year. We feel that our team is beginning to reach their full potential. The defense had an exceptional second half allowing only 112 total yards against an above average Littlefield offense. A lot of the credit should go to the offensive line as they opened holes allowing our fine running backs to gain a total of 451 yards total offense. We are building some momentum going into the last 3 games. Hopefully, we will continue to perform on Friday nights up to our capability. We want to thank the students and fans for their excitement Friday night. Mule Mania was very evident.

Littlefield Falls 6-0 To MHS-JV

Last Thursday, October 26, the Muleshoe J.V. traveled to Littlefield to play the Wildcats. The Mules barely squeaked by the Wildcats by a score of 6-0. Early in the first quarter Cody Crittenden completed a long, halfback pass to Cam Hawkins for what would have been a touchdown, but it was called back because of illegal motion. Neither team could get into scoring position again until in the second quarter when Marvin Lewis smashed over from the 8 yard line, carrying most of the Littlefield team on his back. As time was running out in the first half, the Mules offense fumbled and Littlefield recovered the ball.

Little Mules Downed 14-0 By Littlefield

My Dad once said that there are days when everything you do goes wrong and all you can do about it is to keep on fighting. When he said that, he must have known the Little Mules would play Littlefield on October 26, 1978. The Little Mules were unable to move the ball all during the first half against a good Wildcat defense. Of course that meant that the defense had to play a little more than usual. The Mules were unable to stop the Wildcats consistently or to get the ball back in very good field position. But, even with their backs against the wall, they only allowed one touchdown in the first half. But Dad said, "You've got to keep on fighting"; and that is what the Little Mules did. The second half brought a new spark of life to the defense who was led by big licks from Israel Del Toro and good pass coverage from the secondary. The offense also began to move the ball but they couldn't quite sustain it long enough to get anything on the board. The final score was 14-0. It may have been one of those days, but the Little Mules came out fighting. That is what it takes to become a winner.

Calendar For The Week

NOVEMBER 6-10
Monday, Nov. 6 -- night of one act plays - 8 p.m. Orientation.
Jr.'s and Sr.'s Mock Election.
Tuesday, Nov. 7 -- night of one act plays - 8 p.m.
Wednesday, Nov. 8 -- Children's Theatre -- 9 a.m. to 10:15 a.m.
Marching Contest
Thursday, Nov. 11 -- Freshmen vs. Dimmitt - there - 5 p.m.
JV vs Dimmitt - there - 7 p.m.
Friday Nov. 10 -- Mules vs. Dimmitt - there - 7:30.

Mock Election Set At MHS Monday

There will be a mock election at Muleshoe High School Monday, Nov. 6, in the auditorium at 10 a.m. with Junior and Senior students participating. Government classes of Mrs. Harold Allison are conducting campaigns for the U.S. Senate, U.S. Representatives and Texas Governor's race. English III students of Mrs. Allison will represent the press. Students representing candidates are:
U.S. SENATE
John Tower, Rep. -- Dan McVickers; Robert Krueger, dem. -- Doug Cowan; Luis A. Diaz DeLeon, Raza Unida -- Steve Turner, U.S. Representative.
Kent Hance, dem. -- Mark Marmon; George Bush, Rep. -- Charles Briscoe.
FOR TEXAS GOVERNOR
Mario C. Compean, Raza Unida -- Monty Jones; John Hill, dem. -- Jeep

Shanks and Bill Clements, rep. -- Dave Poyner.
The program for this election includes: Welcome and "Why We Should Vote" -- Karen Stovall; Introduction of Candidates and Campaign Chairman -- Debbie Miller; Short Campaign speeches -- Supporters of the candidates; Candidates Speeches -- Senior Students; Questions from the Press -- Junior - Senior Students; Candidates' short rebuttals -- senior students; Explanation of voting -- Shannon Kennedy; Voting -- Junior and senior students.
This should be a very enlightening program as students have done research on the candidates positions and will present the issues clearly and with enthusiasm.

This week the Muletrain would like to feature the younger half of the Mighty "M" Band, the sophomores and freshmen. This group of people add a great amount of spirit and pride to the Muleshoe school system, and they are willing to sacrifice much of their time and effort for the improvement of the band. We would like to say thank you to the band for all the work they have done for the school.

Minerva Martinez is the 15 year old daughter of Mr. and Mrs. Reynaldo Martinez. She plays alto saxophone and is active in Band and DECA. She commented, "The band has done a great job. We could do a much better job if we would learn to use our heads. We plan to be the best band all around, cause we're number 1!"

Adam Loredi is an alto sax player. He is the 15 year old son of Mr. and Mrs. Richard Laredo. He is active in Speech and DECA. He commented, "I think our band has improved a lot since the first game. We have come a long way together. We are just like one big family, caring and helping each other. With our kind of spirit, we can make a 1 rating at contest. This is my second year in High School band and I have enjoyed every minute. So lets go band, and show them the Mighty "M" Band is #1!"

Jenny Ziegenfuss is the 14 year old daughter of Mr. and Mrs. Ed Ziegenfuss. She plays French horn and is active in FHA, Art, and is the Freshman secretary. Her comments were, "I think Band is GREAT!! We have improved a lot this year and if we keep on improving, I am sure we can make a 1 next Wednesday."

Sally Lunsford, the 15 year old daughter of Mr. and Mrs. Robert Lunsford, is a sophomore at MHS. She plays percussion and flute for the Mighty M Band. Her activities include Stage Band, FTA, 4-H and Rainbows. She commented, "I believe our band has come a long way already this year. There is no other way to go but up, and we plan to show everyone we are the best by making a 1 at contest."

Awyna Cox, the 15 year old daughter of Mr. and Mrs. David Cox, plays cornet for the band. She is active in FTA and commented, "If each individual does his part, we can do it!"

Terrie Martin, the 15 year old daughter of Mr. and Mrs. Kenneth Don Martin, plays clarinet. She is a freshman at MHS and is second Vice President in FHA. Her comments were, "This is my first year in the high school band, and I don't really know what marching contest is like. I feel that if we work hard and all of us do our best we can make it."

Tim Sain, a freshman at MHS, is the 14 year old son of Mr. and Mrs. W.F. Sain. He plays cornet and also enjoys speech. He commented, "I think we have had a very good marching year and we can make a 1!"

Tena Landers is the 15 year old daughter of Mr. and Mrs. Henry Landers. She is a sophomore and plays clarinet. She also enjoys FHA and Rainbows.

Nettie Ruth Coleman is the 15 year old daughter of Mr. and Mrs. Thurman Coleman. She plays bass clarinet and enjoys all sports, drawing and dancing.

Traci Webb is the 15 year old daughter of Mr. and Mrs. Cleo Webb. She plays alto saxophone and participates in FHA. Her comments were "We have

two super directors, great people and great players! We've got all it takes to make a 1!"

Eric Allison, 14, is a freshman and plays the baritone. His parents are Mr. and Mrs. Winston Allison. His activities include athletics and ART. Dana Brewer, 14 year old daughter of Mr. and Mrs. Charles Brewer, is a French Horn player. Her other activities include FTA and Speech.

Steve Claybrook is the 16 year old son of Helen Bickel. Steve plays the trombone in the band and is also involved in DE and Ag. His comments were, "If you aren't in the band you don't know what you are missing!!!!!!!"

Mary Mata, the 16 year old daughter of Mr. and Mrs. Luis Mata, plays the cornet. She commented, "We've come a long way, but if we work even harder, we will be the best."

Delilah Lopez, the 15 year old daughter of Mrs. Celia Lopez, plays the cornet. She is a freshman and a member of FHA. Her comments were, "I think our band is doing great. Everyone is getting ready for contest."

Nancy Garcia, the 15 year old daughter of Mr. and Mrs. Albert Garcia, plays the flute. She is a sophomore and a member of FTA. She commented, "Nobody here at MHS really knows what the band does, besides the band students. I really feel that everybody takes advantage of the band. If they could learn to appreciate the band, then, I feel we could really get going. If we knew that the rest of the school, and town, supported us, I know we would become a bigger and better band. On Nov. 8, when we go to Texas Tech we'll go down there and do the very best we can and we will come home with a #1!! When the Mules play their District, regionals, and finally State games this year, we will be right there with them because the Mighty "M" Band and the Muleshoe Mules are #1!!!"

Staci Vandiver, daughter of Mr. and Mrs. Butch Vandiver, is a 14 year old freshman. She plays clarinet and also enjoys athletics and FHA. She commented, "I think the band has come a long way this year. We are going to Contest Wednesday, and we are going to make a 1 at contest!!!"

Diana Saldana, the 16 year old daughter of Mr. and Mrs. Frank Saldana, Sr., plays the clarinet. She is a sophomore and a member of DECA. She commented, "I've been a member of the Mighty 'M' Band for the past two years and loved every minute of it. I think that we've got a lot of good qualities and we are going to show those qualities on Wed. by making a 1 at contest. We are all very proud and are working hard to achieve this goal. I know that we can do it with a lot of concentration and hard work."

Denna Harris, the 14 year old daughter of Mr. and Mrs. Wayland Harris, plays the clarinet for the Mighty 'M' Band. She is a freshman and a member of Art. Her comments were, "I like band a lot. It is fun and exciting!"

JoAnn Lopez is the 14 year old daughter of Mr. and Mrs. Daniel Lopez. She is a 14 year old freshman at MHS and plays flute. She said, "I think band can go to contest and make a 1 because we have worked real hard and we deserve it."

Rosemary Lopez, daughter of Mr. and Mrs. Jose de Lopez, is a 15 year old freshman at MHS and plays clarinet. She commented, "I think the band has worked really hard. I believe that when we go to contest, if everybody thinks about the show real hard, we can come back with a 1!"

Richard Orozco is the 16 year old Sophomore son of Mr. and Mrs. Robert Orozco. He plays the cornet and participates in JV Football at MHS. His comments were, "Our band is improving a lot. We can do it now in contest. We are going to Lubbock over at Texas Tech and show the judges that we can march and we are a super band this year."

Tami Bratcher, the 14 year old daughter of Mr. and Mrs. Charles Bratcher plays the Cornet. She is a freshman and a member of FTA and FHA. She commented, "I think the band has come a long way this year. I am glad to be a part of it."

Marilyn Harris, the 16 year old daughter of Mr. and Mrs. Wayland Harris, plays the clarinet and is a sophomore and is Parliamentarian for FHA.

Shelley Davis, the 14 year old daughter of Mr. and Mrs. Harlin Davis, is a percussionist in the Mighty 'M' Band. She is also active in FTA and she commented, "So far it has been great. Everyone has been so nice to me, and everyone treats me equal. Our band is a very proud one, and we all try hard. I believe if we work together we can make a 1 at contest. Without the help and patience of Mr. Faulkner and Miss Anthis, we would not have made it this far."

Doyle Hight is the 14 year old daughter of Mr. and Mrs. Robert Clark. She plays alto saxophone. She commented, "I really enjoy band this year. We have more fun. I think we can do anything we set our minds on, regardless of what others say. Some say we can't make a 1, but if we really get on it, we can. I hope more people will get interested in band in the future."

Gina Bevers is the daughter of Mr. and Mrs. Ray Bevers. She is 14, plays the clarinet and is a freshman. She is a member of Rainbow and is the freshman reporter.

Lori Butler is 15 and plays the drum. Her parents are Mr. and Mrs. Charles L. Glover. Lori is a Sophomore and participates in FTA and is speech reporter. Her comments were, "I think the Band is much better than we were last

year. We have a lot of spirit, dedication and the will to try hard. We all work hard for our goal, a 1 at contest, and then sweepstakes. If we keep up the determination and hard work, we can do it."

Nora Rojas is 15 and the daughter of Mr. and Mrs. Tino Rojas, Sr. She is a sophomore and plays a clarinet. Her comments were, "I think this year we have a great band. We are all looking forward to making a 1 this year."

Melissa Allison, 15, is the daughter of Mr. and Mrs. Winston Allison. She is a sophomore and plays the drums. Her activities include basketball and Rainbow; and she is an FHA officer. She commented, "I really enjoy being in band and appreciate all the work and time everyone has put in. I really think we can make a 1 at contest and we will show other bands what we are made of."

Debra Bouchelle, 14 year old daughter of Mr. and Mrs. Terry Bouchelle, plays flute. She enjoys speech and her comments were, "Our band has improved a 'bunch' since the first of the year. It is hard work, but it is a lot of fun."

Sandy Berggren, the 15 year old daughter of Ruth and Royal Berggren, plays the cornet. She is a sophomore and is in athletics. Her comments were, "We can be No. 1 if everybody puts their head on straight."

Melissa Cereceres is 14 and is a freshman. Her parents are Mr. and Mrs. Rudolfo Cereceres. She plays a clarinet and participates in FHA.

Marsha Williams is the 15 year old daughter of Mr. and Mrs. Marshall Williams. She plays the French horn and is a member of FHA and Art Club. She commented, "I think the band is really great this year. We have come a long way. I am

proud to be a member of the Mighty 'M' Band. It is hard work, but I enjoy it!!!"

Anna Martinez is a 16 year old sophomore at MHS and plays in the cornet section. Her parents are Mr. and Mrs. Reynaldo Martinez. She said, "The band has been improving greatly since school started. This is the year the band is going to make a 1."

Playing saxophone is 16 year old Rudy Orozco. He is a freshman and his parents are Mr. and Mrs. Robert Orozco. He commented, "I think our band is eligible for a 1. Our group is smart enough to try hard and have no mistakes."

Eugene Porras is a trombone player and is a freshman. His parents are Mr. and Mrs. Joe Porras.

Brian Powell is a freshman at MHS. His parents are Mr. and Mrs. K.W. Powell. Brian plays the trombone.

A freshman at MHS is Ralph Sanchez. His mother is Mrs. Ramona Sanchez. Ralph plays the tuba.

Best wishes to the band for a 1 in marching contest on November 8.

FHA Treated Nursing Home At Halloween

Future Homemakers joined Young Homemakers in a joint project Tuesday, October 31, at the Muleshoe Nursing Home when they provided small cakes for a "Cake Walk" and Halloween party for the residents of the home.

Future Homemakers in period 2 have been studying Nutrition and proper diets for all ages. The cakes were small pound cakes, uniced, that the elderly might be able to eat. All patients, who could, walked in an old fashioned circle for the cakes.

FHA members also participated in the Fine Arts Booster Carnival with a Caramel Apple, popcorn ball booth and also raffled a black and white quilt made by Mrs. Margaret Pointer. Johnnie Puckett won the quilt.

Happy Birthday

We would like to wish a very happy birthday to the following people who have birthdays this week!!

Monday, Nov. 6--Annie Kirven
Tuesday, Nov. 7--Carroll Precure.
Wednesday, Nov. 8--Sammy Ovale, Mrs. Jean Allison.
Thursday, Nov. 9 -- Mike Henry, Steven Sheppard.
Saturday, Nov. 11 -- Jim Norman, Reynaldo Rojas, Albert Lopez, and Rebecca Valle.

Best of MHS

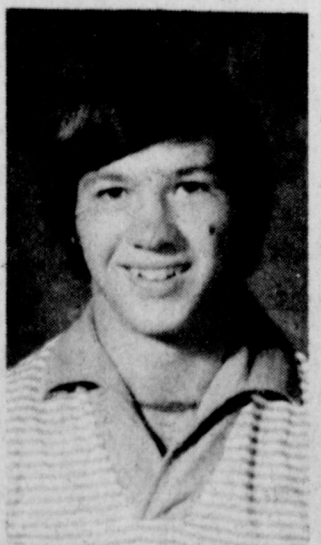

Jeep Shanks has been selected this week as "Best of M.H.S." Congratulations to Jeep on racking up a total of 142 yards during Fridays' game, Muleshoe 21, Littlefield 7. Jeep is the 17 year old son of Mr. and Mrs. Gerald Shanks and lives at Route 1, Box 129. Jeep is a member of Student Council and N.H.S. and participates in all athletics.

When asked to comment on the football team, he said, "We have worked extremely hard this year, and our success proves it. We have the best coaching staff in the nation, and I am proud to be a member of the 1978 Mules!! If we continue to work hard, you will see us in the playoffs, and that is what it is all about!!!!!"

Thank You

Dear Junior Mothers, The Junior Class members would like to take this opportunity to thank you for working so hard to help us sponsor the Thanksgiving Supper. All through out school years you have given so much of yourselves so that we could enjoy school more. Especially this year with us trying to raise money for our Junior - Senior Banquet, we have needed your help. As always, you have come through. We deeply appreciate your help and each of you hold a special place in our hearts.

With Love, The Junior Class

(Houston Chronicle)

Sen. John Tower Should Be Re-elected

With public officials racing to leap on the band wagon for reductions in taxation and spending, Texans can take satisfaction in the fact that their senior United States senator, John Tower, has been there all the time. All he has to do is welcome them aboard the wagon he has been driving all along.

We cannot stress too strongly to Texas voters that Sen. Tower has been an epitome of this state's attitude of fiscal responsibility in government. The whole history of his political life has been one of willingness to spend money for essential services but opposition to waste and to the debilitating theories of spend-spend-spend for dubious programs.

In this and other attitudes, Tower thinks like and represents the interests of the majority of Texans so much so that they have three times elected him to the U.S. Senate. The Chronicle believes John Tower is the kind of senator Texas wants and needs in Washington and wholeheartedly recommends his re-election in November.

For most of his 17 years in the Senate his has been a rather lonely voice, nationally urging the fiscal responsibility and limited but efficient government which Texans know is the right approach. Lonely it may have been, but effective it must also have been. The message he and some others have been preaching all these years seems finally to have gotten through as public pressure has forced other officials to scramble for the same ground on which Tower has consistently stood. Tower is a senator for the times, with the believable credentials that reflect the public mood, both in Texas and nationally.

No Tax Cut

Now that experts have carefully studied the tax-cut bill passed by the 95th Congress, and the anti-inflation program of President Carter, the conclusion is grim.

In 1979 the American people will pay more taxes, not less. That's because the 95th Congress sharply raised social security taxes. This sharp hike, plus the effects of inflation, which put people in higher tax brackets, will more than offset cuts voted-by an estimated \$10 billion!

Worse, though President Carter talks about cutting spending to reduce the budget deficit, he isn't doing it. Drastically needed was an across-the-board cut in the spending of practically all federal agencies, and a freeze on new hiring.

Carter is allowing some new hiring to continue and there has been no all-inclusive spending cut. What improvement there is in the prospective deficit resulted from delaying income tax cuts, not from economizing. (Carter's untalked-of method of reducing the deficit is through higher taxes as inflation puts more and more Americans in higher tax brackets.)

This approach is not really the fiscally sound way to curb inflation (because spending is not really being reduced). Foreign governments and bankers have reacted negatively to the Carter program; the dollar has continued to fall. Like many big spenders, Carter is trying to defy a basic rule of economics, while giving voters the impression inflation this year is about what it has been in recent years.

That is not true. It has averaged nearly ten percent this year, about twice the rate when he took office and launched another overspending program—the major cause of today's high inflation, falling dollar and related international problems.

There is little mystery why Texans have thrice elected Tower to represent them in Washington. He truly represents the things they believe in and is a nationally known battler for those beliefs. Beyond fiscal responsibility, he is one of the country's staunchest advocates for a national defense posture of unquestioned capability. He is an articulate and forceful defender of people's freedom to pursue their lives and work with minimal government interference, both in the free enterprise system which has made the nation great and in the free workplace for all.

Tower has spent all his life in Texas and knows Texans as they know him, both in the smaller towns in which he grew up and in the urban areas. His concerns reflect the spectrum of Texas, as is illustrated by his disagreement with the administration's proposed illegal alien legislation, which he opposes for the same reason as most Mexican-American groups: its hiring provisions would tend to cause employer discrimination against any person with Hispanic characteristics. Those wide concerns for all Texans are similarly pointed up in the endorsement of his re-election by two former national presidents of the League of United American Citizens, both of whom are Democrats, as well as endorsement by a number of the state's other more prominent and influential Democrats.

With 17 years seniority, Tower has become a key element in the Senate's operations, with the influence that accompanies such position. He is chairman of the Senate Republican Policy Committee, the senior Republican on the Senate Armed Services Committee and second ranking on the Senate Banking, Housing and Urban Affairs Committee and a member of the Senate Ethics Committee. His effectiveness in the Senate's work is well pointed up by the fact that he has been singled out as the No. 1 target in this year's elections by an opposition special interest, both on the national and state level. The designation speaks volumes for effectiveness and influence; otherwise, why bother?

John Tower has been a senator of the type to which Texans are accustomed: of national stature yet keenly responsive to the needs and interests of the state, and closely in tune with the philosophies of his state. We consider his re-election to be in the best interests of the state and commend his candidacy to all voters in the Nov. 7 balloting.

NEW DRUG APPROVED

The Food and Drug Administration has approved a new drug to treat a deadly infectious brain ailment, which scientists say is a major breakthrough against viral diseases.

PANEL CLEARS BROOKE

Sen. Edward Brooke, (R-Mass.) has been cleared by the Senate ethics committee of charges he delayed or changed financial records sought by the committee.

ON HEART ATTACKS

WASHINGTON -- The number of Americans who died of heart and blood vessel disease last year was the lowest since 1963, continuing a decline in the heart attack death rate that experts find hard to explain.

PROXMIER'S AWARD

WASHINGTON -- Sen. William Proxmire (D-Wis) presented his "Golden Fleece" award to a study of the storage of cow manure. He was referring to a \$38,174, two-year study to determine runoff from open stacks of cow manure polluted the water in nearby small streams and ponds.

U.S.-SOVIETS GAINS

MOSCOW -- The United States and the Soviet Union appear headed toward a warmer chapter in their relations as a result of Secretary of State Cyrus R. Vance's nuclear arms limitation talks at the Kremlin.

The Speaker Reports

by Bill Clayton

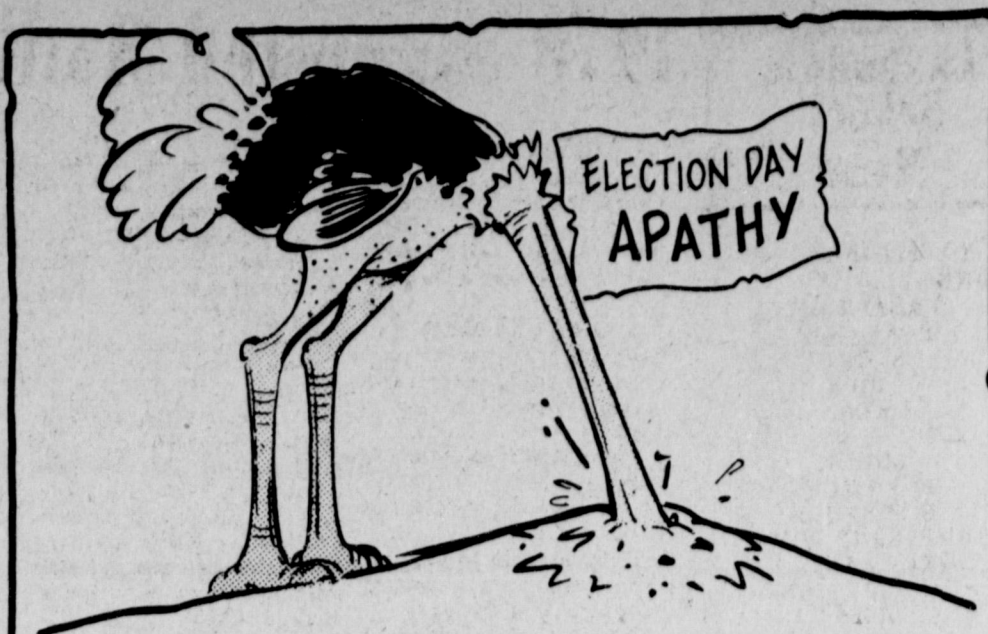

AUSTIN--Texas voters will be faced with many important decisions November 7. Not only will voters elect a new governor and other state and local officials, but they will have to decide whether or not to amend the 102 year old Texas Constitution. Several proposed constitutional amendments will appear on the November ballot.

One of the amendments, Amendment No. 7, seeks to abolish the State Building Commission and the State Building Fund. The Building Commission and the State Building Fund were created in 1954 as a result of a need for more state office space. The Building Commission is composed of the governor, the attorney general and the chairman of the State Board of Control.

Until recent years the Building Commission had both constitutional and statutory powers and duties. A statute passed by the 65th Legislature in 1977 transferred the Building Commission's statutory powers and duties to the State Board of Control on September 1, 1977.

The Building Commission's constitutional powers and duties related to the construction of specific building and monuments described in the 1954 constitutional provision that created the commission. Construction of those buildings and monuments has been completed, thereby fulfilling the commission's constitutional duties.

If the amendment is adopted, the same statute that transferred the Commission's constitutional powers and duties to the Board of Control will trans-

fer the assets of the State Building Fund to the state treasury.

After the transfer, the assets may be used as directed by the legislature to purchase real property in the capitol complex area or to plan, construct, or furnish buildings in the capitol complex area.

Those who favor the amendment feel that the responsibility for remodeling or constructing state buildings should be established by statute, not by the constitution for it is easier to amend a statute to conform with changing circumstances. It is also felt that since the Board of Control performs the functions previously performed by the Building Commission and spends the

money appropriated by the legislature from the State Building Fund, the Building Commission serves no useful function and should be abolished.

WAGE - PRICE CHIEF

Alfred E. Kahn, named by President Carter as his new wage-price chief, already has won a reputation as the administration's best inflation fighter. As chairman of the Civil Aeronautics Board for the past 16 months, Kahn has presided over sweeping changes in American aviation.

LEAKS & CIA

CIA Director Stansfield Turner reports that intelligence leaks have caused U.S. allies to lose confidence in this country's ability to keep secrets and often has prompt-

ed friendly nations to hold back information.

MORE SALT TALKS

President Carter, unwilling to give up hopes of completing a strategic arms limitation treaty by the end of the year, plans to send Secretary of State Cyrus R. Vance to Geneva in November for talks with Soviet Foreign Minister Andrei A. Gromyko.

OLD RULES SCRAPPED

The Occupational Safety and Health Administration, making good on a promise made to businessmen late last year, scrapped 928 "nitpicking" safety standards because they're more of a nuisance than a help in protecting workers.

In Appreciation To Our Valued Customers

The varied aspects of the cotton industry, has been our livelihood since we were old enough to begin picking cotton as a small child, carried our little card to Sunday School, and our lunch to school in a syrup bucket. We, along with you, have experienced a keen sense of accomplishment when we pause to reflect on the many advances made by the industry, in every phase, from preparation of the soil for planting, through planting, plowing, harvesting, ginning, warehousing, shipping, and milling to the finished product of your efforts when purchased from our local merchants.

We feel a strong sense of commitment to the challenge we face as we begin our twenty-fourth season of service to you, our patrons. We can best meet this challenge by receiving, handling, and shipping your cotton as quickly, efficiently and courteously as is possible.

We extend to you our sincere appreciation for the privilege of handling more than 2,100,000 bales of your cotton during the past 23 years, for your support of the local business community, and for the continued opportunity of service during the coming season.

Crop, Livestock Reports Needed From Producers

From mid-November to early January, many Texas farmers and ranchers will receive a crop or livestock questionnaire from the Texas Crop and Livestock Reporting Service or will be personally interviewed by the Service's field staff. Accurate estimates have always been of great importance to producers and are even more important in light of the supply-demand situation facing agriculture today. Data collected in this survey will provide an accurate picture of agriculture for each county and for the state of Texas. Each farmer or rancher receiving a questionnaire is urged to fill it out carefully and return it promptly to the Agricultural Statistician in Austin. Individual reports are confidential and used only for state and county estimates.

Bob Krueger Is A True Friend Of Agriculture.

Bob Krueger has voted for every piece of legislation benefiting farmers and ranchers during his four years in Congress.

Let's look at the facts:

- Krueger, an experienced rancher, was recently inducted into the American Cattle Breeders' Hall of Fame.
- Co-sponsored the Emergency Food & Agriculture Act of 1978 providing for a flexible parity system which would have led to 100% parity (1978).
- Authored beef import legislation to place foreign beef under the same strict inspection standards as U.S. beef (1977).
- Strongly opposed price controls of beef production (1973).
- Voted for the 1975 Agriculture Act Amendment to raise target prices and loan rates for cotton, wheat and corn.
- Voted to extend the Emergency Livestock Credit Act.
- Supports removal of excessive inheritance taxes and lowering the tax rates on capital gains.
- Opposes all forms of gun control.
- Voted against bailing out New York City (1978, 1975).
- Voted against the 29% Congressional pay raise (1977) and opposed the bill providing automatic annual cost-of-living raises for Congress (1975).

On November 7 let's retire John Tower and send a man to the U.S. Senate who will be our friend all the time, not just in an election year.

KRUEGER OF TEXAS
INDEPENDENT DEMOCRAT FOR U.S. SENATE

Candidate Bill Clements Calls For Bill Signing

Gubernatorial candidate Bill Clements today called on President Jimmy Carter to quit stalling and to immediately sign Senator Lloyd Bentsen's beef import limitation bill.

China Buys U.S. Cotton During Tour

Trade sources have indicated the People's Republic of China bought about 150,000 bales of U.S. cotton while on a special orientation tour of the Cotton Belt during the past two weeks.

The tour, which brought representatives of the China National Textiles Import and Export Corp. (Chinatex) from Peking to this country, was initiated by Cotton Council International during a trade mission to the PRC earlier this year. Cotton Council International is the overseas arm of the National Cotton Council.

Co-sponsors of the tour were American Cotton Shippers Association, AMCOT, and the U.S. Department of Agriculture.

Council President Lon Mann said the cooperation of cotton industry firms and allied groups was a key factor in the tour's success.

"Cooperation among cotton companies and organizations involved couldn't have been better," he said. "Our Chinese guests were obviously impressed, and the relationships established as a result of the tour will be of great benefit to our industry for years to come."

received in Congress -- will help both cattlemen and consumers and should be signed immediately," Clements said.

"Jimmy Carter should stop playing politics, face up to the issues, and tell the American public -- before the Nov. 7 elections what he is going to do with this crucial bill," Clements said.

"If this bill is signed, it would give cattle producers the incentive to rebuild their herds, and the eventual result would be a greater supply of cattle and more moderate prices for consumers," he said.

Clements also praised the "counter-cyclical system" created by the bill which would allow imports to rise during times of low domestic production and drop during periods of high domestic production, thus tending to smooth out the supply of beef.

"If Jimmy Carter does not sign the bill, cattle producers will be discouraged from increasing their beef supplies, and prices will go higher, thus further affecting the nation's consumers," he said.

Clements also said the bill contains a provision that would help Texas cattle producers by restricting presidential authority to suspend quotas of imported beef so that cattle producers, and their livelihoods, are not at the whim of political pressures.

"This bill presents the Carter Administration with the genuine opportunity of helping both cattlemen and consumers. In light of Jimmy Carter's actions last June when he suspended the beef importation quotas -- a move that severely hurt farmers and ranchers in Texas -- this bill is something he should sign immediately, as is," Clements said.

TEACH CHILDREN THRIFT

Teach children thrift--preschool age isn't too soon to begin.

From a child's point of view, all money has the same value -- it buys things.

Begin teaching the child about thrift at ages 3 or 4 by allowing several "money exchanging" experiences.

Take the child shopping. Let her engage in some simple choice-making.

Then, let the child give the sales clerk the money.

This may seem insignificant to the parent, but this direct human contact between child and seller, including the latter's smile and "thank you" and the physical exchange of money for an object, is the most effective way of learning that money buys things.

The preschooler can also learn that money buys services. Allow her to buy a stamp and place it on a letter and mail it, or let her put a nickel or dime in the parking meter.

Also, parents can teach thrift without introducing the idea of a savings account or a piggy bank.

Teach the child to take care of belongings, to be careful with toys, to handle books carefully, and to hang up clothes.

There is more to thrift than putting money in the bank -- it is conserving personal possessions.

Help the child learn that when she borrows a book,

she must take care of it and return it promptly.

In another area of thrift, teach the 3 or 4 year old about earning money. She may find earning money an interesting but difficult thing to understand.

One of the easiest ways to start teaching this principle is to explain why one or both of her parents work outside the home.

Very early in life, the child accepts the fact that parents go to work everyday. However, she may have questions about where the parent goes and what he does. Tell her as much as she can understand. Explain that someone must work so that she and other family members can have the house, food and clothes they need.

If possible, take the child to the place of work and explain, in very simple terms about the work. Young children themselves can learn to work. They are often eager for a chance. Give the preschooler a demonstration and she can dry the silverware and store it properly. There are other tasks suitable for the child's abilities.

These experiences can also help a child develop a good self concept. The image that a child has of themselves is extremely important to the development.

Parents can create a child's self image -- both positive and negative -- for life.

For many adults, that is unfortunate, because they must spend a lifetime undoing a poor self image that was largely formed during childhood. To build a good self image, individuals must learn to like and respect themselves.

This is not easy, because our feelings and beliefs about ourselves are strongly influenced by interactions with other people -- especially during childhood.

Most of our beliefs about who we are and what we think people feel about us

are formed very early in life.

A child internalizes these beliefs as the "right way" to think and act before he has the ability to reason and evaluate.

These decisions about self worth are reinforced over and over by family members -- especially parents -- and by teachers. Unfortunately, many adults reinforce a negative feeling about self worth in children without even realizing what they are doing.

Parents and other adults who criticize and label a child as "bad," "dumb," "slow," "thoughtless" or "stupid" can block that child's development. They can block his development of creativity and independence. They also can block his building of a positive self image -- a belief in himself that is so necessary to success in school and in life.

In addition, well meaning friends and other adults can discourage feelings of self respect by constantly comparing one child to

another. Associations with friends, teachers and other people in the community also affect a child's feelings of self worth.

These interactions with community members probably will reinforce the positive or negative feelings and beliefs the child

has been taught at home. What kind of self image does your child have? Consider it for a moment, won't you?

Commissioner Precinct 4 Of Parmer County

Pol. Adv. Paid For By Jimmy Briggs

Would you help this kid?

When the dam broke at Buffalo Creek, West Virginia, a lot of people weren't as lucky as this little guy.

Jamie and the rest of the Mosley family made it up the hill just in the nick of time. Seconds later, a wall of water swept all their earthly possessions away.

Here you see Jamie in the Red Cross shelter, thinking it all over.

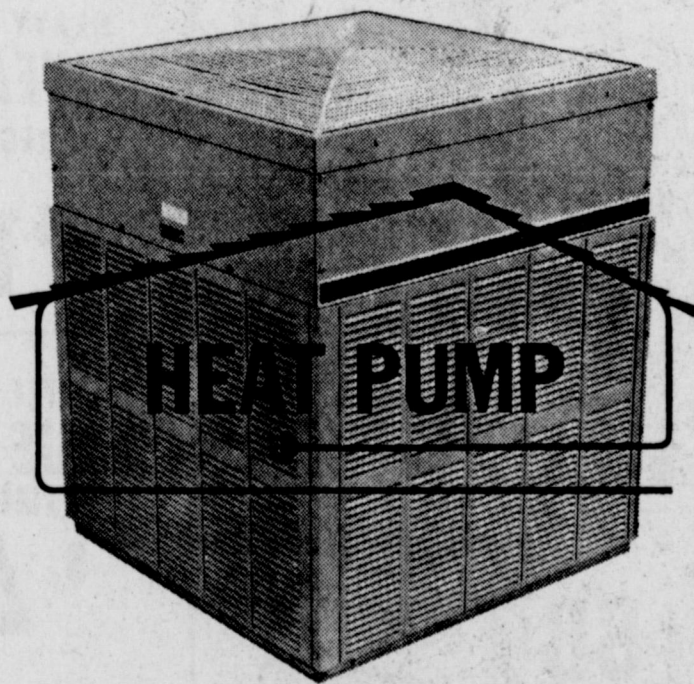

One look at that face, and we're awfully glad we were there to help.

Every year, you know, Red Cross touches the lives of millions upon millions of Americans. Rich. Poor. Average. Black. White. Christian and Jew. With support. With comfort. With a helping hand when they need it.

So when you open your heart, with your time or your money, you can be certain it's in the right place.

Red Cross is counting on you.

what you don't know about the heat pump is costing you plenty!

the energy-saving, money-saving heat pump can save you plenty.

Call us today for more information...

SOUTHWESTERN PUBLIC SERVICE

Kent Hance.

When Kent Hance began work in the Texas Senate, he did not sit on the sidelines like most freshman Senators. He sponsored Legislation to remove a State Supreme Court Judge from office following his indictment for perjury. He led the fight in the Senate trial to impeach a District Judge from Duval County for misconduct in office. This was the first such trial in more than 30 years, and was the first major effort to clean up corruption in Duval County. He sponsored measures to remove the Senate's top employee for questionable conduct.

Wherever Kent Hance found waste in government, he acted. He sponsored and passed into law "sunset legislation" that abolishes state agencies on a periodic basis unless they are re-established by the Legislature. This helps to keep agencies from getting out of hand, and to eliminate those that are no longer needed. He made welfare fraud or food stamp fraud a felony in Texas.

In his four-year term, Kent Hance never missed a day in the Senate's five sessions, regular and special. In four of those five sessions he didn't miss a vote. In the fifth, he had a 96% voting record.

In Congress, Kent Hance will continue this kind of representation where it is needed most... at the Federal level. Kent Hance has proved that when he sees evidence of corruption, waste or inefficiency in government he does not look the other way... HE ACTS. West Texas needs Kent Hance in Congress.

Let's make sure the man we send to Congress is the man with qualifications we can measure -- and count on... !

Authorized by the Kent Hance for Congress Committee, Mike Higgins, Treasurer. 1203 Metro Tower, 1220 Broadway, Lubbock, Texas 79401. A copy of our report is filed with the Federal Election Commission.

Here Are The Proposed Amendments To Study

"The Tax Relief Amendment"

(H.J.R. 1)

H.J.R. 1 proposes an amendment to the Texas Constitution allowing the legislature to exempt intangible personal property, requiring the legislature to exempt certain household goods and personal effects, and allowing the legislature to exempt all or part of the personal property home-

stead from state and local property taxation.

The amendment requires the legislature to provide for the taxation of farm and ranch land on the basis of its productive capacity instead of its market value and allows the legislature to provide for the taxation of timber land on its productive capacity.

The amendment permits local governments to extend the present exemption of not less than \$3,000 of the residence homestead of persons 65 and older to include certain disabled persons.

The amendment grants an exemption from public school property taxes of \$5,000 of the market value of the residence homestead. It authorizes the legislature to grant an additional exemption from public school property taxes of an amount not to exceed \$10,000 of the market value of the residence homesteads of persons 65 years of age or older and certain disabled persons. If a person 65 years of age or older qualifies for this exemption, the total amount of public school taxes imposed on that person's homestead may not be increased.

The amendment prevents local governments from increasing property taxes unless the governing body provides public notice and conducts a public hearing. The amendment requires the legislature to provide by law for each property owner to receive notice of the revaluation of his property and the amount taxes will be increased.

The amendment limits appropriations from state tax revenue to an amount not to exceed Texas' estimated economic growth rate, with the legislature authorized to make exceptions for emergencies.

The amendment prohibits the statewide appraisal of real property for property tax purposes. Enforcement of uniform standards and procedures for appraisal of property for property tax purposes is required to originate in the taxing authority where the property tax is imposed.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment providing for tax relief for residential homesteads, elderly persons, disabled persons, and agricultural land; for personal property exemptions; for truth in taxation procedures, including citizen involvement; for a redefinition of the tax base; for limitations on state spending; and for property tax administration."

NUMBER ONE (S.J.R. 50)

S.J.R. 50 proposes an amendment to the Texas Constitution to delete an archaic reference to the "Deaf and Dumb Asylum." The amendment would allow the State of Texas to purchase products and services done by handicapped individuals

in nonprofit rehabilitation facilities without complying with bid requirements applicable to other state contracts. The amendment also would eliminate the formality of the approval of certain state contracts by the Governor, the Secretary of State and the Comptroller of Public Accounts.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment deleting the archaic reference to the 'Deaf and Dumb Asylum,' allowing certain products and services of handicapped individuals to be used by agencies and departments of state government, requiring the procurement of other products and services required in the operation of state government to be made under bids awarded to the lowest responsible bidder, making all such procurement processes subject to laws enacted by the legislature, and eliminating the requirement that the Governor, the Secretary of State, and the Comptroller of Public Accounts of Texas be personally involved with such transactions."

NUMBER TWO (S.J.R. 55)

S.J.R. 55 proposes an amendment to the Texas Constitution to permit local governments to issue bonds for the reconstruction or acquisition of facilities (land, equipment and improvements) designed to develop employment opportunities. These bonds would be payable solely from the revenue from the sale or lease of these facilities. The building or acquisition of such facilities must be determined by the local government to be necessary to develop employment opportunities.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to provide that the legislature may permit political subdivisions to issue revenue bonds to develop employment opportunities for its

citizens."

NUMBER THREE (S.J.R. 44)

S.J.R. 44 proposes an amendment to the Texas Constitution which would allow the legislature to authorize cities and towns to issue tax increment bonds to finance the redevelopment of blighted areas. The bonds are to be paid solely from revenue from municipal tax increments. Payment cannot be made from the revenue of municipal taxes, utilities, or other services.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to give the legislature the power to authorize cities and towns to issue bonds to finance the redevelopment of blighted areas and prohibiting any city or town from granting its money or lending its credit for such purposes."

NUMBER FOUR (S.J.R. 53)

S.J.R. 53 proposes an amendment to the Texas Constitution to allow the legislature to exempt from

taxation solar or wind-powered energy devices.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment authorizing the legislature to exempt from taxation solar and wind-powered energy devices."

NUMBER FIVE (H.J.R. 37)

H.J.R. 37 proposes an amendment to the Texas Constitution to grant exclusive jurisdiction to justices of the peace in civil cases where the amount in controversy does not exceed \$200, except where the legislature gives exclusive jurisdiction to another court.

The amendment grants justices of the peace concurrent jurisdiction with county courts where the amount in controversy is between \$200 and \$500, except where the legislature gives the county court exclusive jurisdiction.

The amendment also grants justices of the peace concurrent jurisdiction with both county and district courts where the amount in controversy is between \$500 and \$1,000,

except where the legislature gives the county or district court exclusive jurisdiction.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to extend the jurisdiction of justices of the peace in civil cases."

NUMBER SIX (S.J.R. 45)

S.J.R. 45 proposes an amendment to the Texas Constitution to allow the legislature to expand the number of judges on any court of civil appeals. Presently courts of civil appeals are limited to a chief justice and two associate justices. The amendment would allow the courts to sit in sections, with the concurrence of a majority of the judges sitting in the section necessary to decide a case.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment permitting the legislature to increase the number of justices on a court of civil appeals, permitting a court of civil appeals to sit in sections, and requiring a concur-

rence of a majority of justices to decide a case."

NUMBER SEVEN (S.J.R. 48)

S.J.R. 48 proposes an amendment to the Texas Constitution eliminating the State Building Commission and the State Building Fund. The authority of the State Building Commission has been transferred by law to the State Board of Control.

The wording of the proposed amendment as it will appear on the ballot is as follows:

"The constitutional amendment to repeal the constitutional authority for the State Building Commission and the State Building Fund."

NUMBER EIGHT (H.J.R. 42)

H.J.R. 42 proposes an amendment to the Texas Constitution allowing certain political subdivisions or districts in the state that can presently issue bonds or otherwise lend its credit to engage in fire-fighting activities and to issue bonds or otherwise lend its credit to support such activities.

The wording of the proposed amendment as it

will appear on the ballot is as follows:

"The constitutional amendments authorizing certain districts to engage in fire-fighting activities and to issue bonds or other indebtedness or to

issue bonds or otherwise lend their credit for fire-fighting purposes."

'Fact!'

Don't find fault... Find a remedy. Anybody can complain. -Pathfinder, Fort Wayne.

ONE MINUTE SPORTS QUIZ

1. Who won the Pacific Club Masters Golf Tournament?
2. Name the teams in the World Series.
3. Who won the National 500 NASCAR Grand National stock car race?
4. Arthur Ashe is known in what sport?
5. Name the teams that met in the 1st Super Bowl game.

Answers to Sports Quiz

1. Gil Morgan.
2. New York Yankees and Los Angeles Dodgers.
3. Bobby Allison.
4. Tennis.
5. In 1967 Green Bay Packers 35 and the Kansas City Chiefs 10.

WORLD WIDE INTEREST

Many good organizations are working with our youngsters, developing an interest in other lands and the ones who dwell there. The church through God's word also teaches us about our neighbors and what our attitude should be toward them. *The earth is the Lord's and the fulness thereof; the world, and they that dwell therein.*

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

STATE CAPITAL HIGHLIGHTS

By Lyndell Williams
TEXAS PRESS ASSOCIATION

AUSTIN—The State Coordinating Board for Colleges and Universities says Texas institutions of higher education must slow their expansion and emphasize quality.

In a 142-page report, the board said no more new public colleges or universities should be established, and that some existing programs are due a critical look.

"Substantial support will have to be maintained and perhaps even increased for colleges and universities already in operation . . . if high quality is to be sustained . . ." the report stated.

The study concluded: Enrollment increased less than one per cent in both public and private institutions last year and will increase only 16.9 per cent in the next 10 years.

Student expenses at public colleges increased from \$1,972 five years ago to \$2,829 today.

State funds going to higher education increased 354

per cent—from \$676 million to \$2.8 billion in a decade.

The board further recommended that the Permanent University Fund and the state property tax should be used for renovating and reconstructing buildings. The funds are now available for new construction only. The University of Texas at Austin and Texas A&M University at College Station are now sole beneficiaries from the PUF. Seventeen state colleges benefit from the ad valorem tax.

Save \$48

The tax relief constitutional amendment on the November 7 ballot would save the average homeowner about \$48 a year in property taxes, according to Texas Research League.

The League estimated savings would vary from \$10 to \$75 annually, because of the exemption on the first \$5,000 of homestead values from school taxes.

According to the League,

15 per cent of homes would be exempted from paying any school tax, and in 50 districts 90 per cent of homes would be exempt.

Net result: a \$104 million reduction in school taxes.

The legislature also allowed the legislature to provide an additional \$10,000 exemption to disabled homeowners and those over 65, which amounts to another \$16 million a year reduction. And new tax breaks for agricultural land would cost 589 districts about \$48 million while 353 would gain \$15 million a year.

Grant Offered

Texas Air Control Board was offered a \$2 million federal grant to work up a

new state plan to control pollution.

The grant would come from the Environmental Protection Agency and amounts to nearly a quarter of the total board budget.

It is linked this year to the required "state implementation plan," which must be developed by January 1, and a transportation control program.

An auto inspection-maintenance program is required for areas which cannot meet federal ozone standards by 1982.

Air Control Board members have grumbled about refusing to accept strings-attached federal aid, but EPA officials predicted the grant again will be accepted.

Courts Speak

A divided Texas Supreme Court upheld its earlier decision supporting the Public Utility Commission's method of determining the telephone and electric rate base.

In another case, the court refused to remove a Houston law firm from a suit by Howard Hughes relatives against the Hughes Medical Institute's claim to be the only heir of the late industrialist.

The Third Court of Civil Appeals directed the state to pay cities of San Antonio and Floresville \$611,000 in back taxes paid under protest to the Public Utility Commission.

Court of Criminal Appeals held possession of the

antibiotic tetracycline is not an offense.

The same court also affirmed two convictions in an alleged murder-for-hire case in Houston.

The Supreme Court stuck with its earlier finding which denied a fired Southwestern Bell Telephone Company executive damages against the company.

The high court set a November 29 hearing on a Matagorda County woman's suit to force Comptroller Bob Bullock to issue a \$82,597 check to pay a judgement against the state in an auto accident.

New Appointments

Gov. Dolph Briscoe named A. Sam Waldrop of Abilene

to succeed Charles E. Simons of Dallas on the State Highway and Public Transportation Commission.

Briscoe also appointed W. O. Bankston of Dallas to the Texas Water Development Board and Zack Thomason Burkett Jr. of Graham to the Texas Industrial Commission.

Another major recent appointment was that of Judge J. W. Summers of Rusk as Chief Justice of the 12th Court of Civil Appeals.

Short Snorts

A 12 per cent decline in new Texas manufacturing plans was reported for the first nine months this year, compared with 1977.

Applications for permits

to drill oil and gas tests in Texas totalled 15,779 during the first nine and a half months of 1978. The 1977 figure for the same period was 18,675.

Texas Parks and Wildlife Commission adopted the first bag, possession and minimum size limits imposed on taking of spotted seatrout by sports fishermen. Daily bag limit is 20, possession limit 40 and minimum size 12 inches.

Jerry L. Zunker of Pinehurst is new general counsel for the State Bar of Texas.

Ten applications for permits to sell \$17.3 million in securities were filed with the State Securities Board last week.
