Baptist Revival Set For March 21 Through 28

REV. A. B. LIGHTFOOT

A revival will begin at the First Baptist Church, Carbon, March 21 through March 28 with the Reverend A. B. Lightfoot from the Sylvan Heights Baptist Church of Fort Worth doing the preaching during the midweek. Brother Lightfoot has had a successful ministry everywhere he has been. He was for some time pastor of Calvary Baptist Church in Colorado City. He is a leader of young people and a consecrated soul winner. This is a fine opportunity to seek the Lord for an old fashioned revival.

There will be services twice daily at the church in the morning and evening. Come and give your support to the singing and worship services! The majority of the forty Baptist churches in the Cisco Association will hold a revival simultaneously with ours. All praying and working at the same time for a world-wide revival. Christ is the answer for the world's needs. Without him we can do nothing.

Glenn Ford has enrolled in Cisco Junior College as a resident student taking Business Administration.

How to help your sick child GET WELL FASTER

... as recommended in the interest of child welfare by

ROSE ANDERSON, Ph.D.

Director of The Psychological Service Center, New York

1. The after-effects of your child's illness are often more important than the illness itself. Pampering, catering to whims, overindulgence and spoiling a child's domestic habits through weakness. Such well-meaning kindness may prolong his convalescence.

2. You'll be smart to help him amuse himself. Give him something which doesn't require an adult's constant attention. Give him your "Eveready" flashlight... get him one of his own. If he tires of flashing the beam, or fiddling out imaginary signals, then...

3. Show him how to cut designs or figures from stiff paper and how to throw their shadows on the ceiling or wall. Moving the figures will make them dance. Watch his pride in what he's done. Watch him get well faster because he's happier!

Prost!... in the laboratory... in your own flashlight...

"EVEREADY" BATTERIES OUTLAST ALL OTHER BRANDS!

Brighter light, longer life! That's what you want in a flashlight battery—and that's what you get with "Eveready" brand batteries. Laboratory tests prove it. And the best "laboratory" of all—your own flashlight—proves it! That's why "Eveready" batteries outlast all other brands—and because they outlast all other brands!

The one emblem that commands respect and honor the world over is the revered Red Cross—symbol of humanity and the banner under which people of every race, religion and nationality may work together in creating international goodwill and universal peace.

The American Red Cross has faithfully and efficiently carried on its work since its inception in 1864. No organization ever faced a greater task than did the Red Cross during World War II. The chapter to which you subscribe assumed its full share of this burden and covered itself with glory in carrying out its assignments.

Now, in peacetime, that work goes on. The need for aid for servicemen, veterans and civilian allies never ceases. The need for funds to continue this great work never ends. Give gladly to your Red Cross.
