NUMBER 43.

HEARING FOR ROAD BOND ELECTION SLATED FOR 30TH

7,000 NATIONAL GUARDS IN CAMP AT PALACIOS SMITH TAKES CONTROL OF DEM CAMPAIGN

PALACIOS, Tex., July 11.—The size of the National Guard camp and the troop movement as a whole and the manner in which the annual encampment is handled here are surprising. More than 7,000 men are in the movement, and nearly all of them are quartered in tents, the only permanent buildings being the canteens, headquarters, and supply and bath houses. Each company or unit is assigned a mess hall, tent area, and bath house permanently.

Company C mustered a strength of 49 officers and enlisted men. The pullman accommodations on the trip here were good, two standard pullmans and one baggage car being assigned the company. The country through which the troop train passed on the trip to Palacios appeared very dry as far as Temple, and from there rains and showers had fallen over most of the country. There has been some rainfall here, but the ground is not muddy, and for the most part it is very pleasant, as a refreshing breeze blows most of the time.

Company C is well located, being on the main street and only a few steps from the canteen, as well as being close to the regimental and division headquarters and about four blocks from the bay.

The first work for the company was pitching of tents and arranging the mess hall, orderly room, and supply tent. Everyone slept well the first night here with the exception of those who had their cots stolen from under them and the boys who were to be on "K. P." duty the following day, who said that their slumbers were disturbed by thinking of getting up at 4:30 o'clock in the morning. Monday was a day of drills and details, with inspections in the afternoon.

Sergeant Carl Wilson is popular with the entire company because of the good feeds arranged for, both on the train and in camp. He is considered a veteran mess sergeant. Privates Baskin and Currie are on duty with the band, Private Harvey with the camp bakery, First Class Private Dose and Private Castor with the military police, and Private Gustavus has been appointed bugler for the company. The "K. P.'s" were very modest, and asked that their names be withheld.

ROSCOE.—The laying of rock base on Highway No. 7 from Roscoe to Wastella is in progress.

LIBERAL, Tex.—It is estimated that 6,000 railroad cars will be needed between Liberal and Dathart to transport wheat.

ENCAMPMENT WILL BE HELD AT BUFFALO GAP

Plans are completed for what is anticipated to be the best Presbyterian encampment ever held at Buffalo Gap. The swimming pool and the shade trees are as good as can be found in Texas. This insures the recreational side of the program.

The faculty is composed of some of the strongest men and women in the synod of Texas. Rev. Milton G. Towner, Ph.D., will serve as dean.

This encampment will begin Wednesday, July 10 and close July 17th. A number are planning to go from Ballinger.

BYRNES BROUGHT TO SAN ANGELO

SAN ANGELO, July 11.—Anxiety caused by delay in the arrival of Constable Jack Miles and Deputy Sheriff T. C. Rutledge, who were bringing Floyd Newton Byrnes, slayer, from Huntsville, dissipated this morning when the party arrived by automobile shortly after midnight. The party was expected about noon yesterday.

Byrnes is under a death sentence for the brutal slaying of little Myrna Juergens last March, when he also slew her mother and grandmother here. He was removed from Huntsville on the request of authorities, who declared that the congested condition of the prison created a difficulty in caring for additional prisoners, and was incarcerated in the cell he previously occupied.

MAN CHARGED WITH FORGERY

Emmett Lewis, 23, of Santa Anna, signed a confession to passing a forged instrument in a court of inquiry conducted here Friday morning, and a companion, Noble Cook, 21, also of Santa Anna, is being held pending investigation in connection with his abetting Lewis in eluding arrest.

Lewis is alleged to have passed a forged check in payment for a portable phonograph at the D. E. Moody Music House here June 22, and as soon as it was discovered to be a forged instrument, Mr. Moody notified Sheriff R. E. McWilliams, who made arrests in the case. From the description of the accused given by Ernest Moody, who transacted the sale, Sheriff McWilliams arrested Homer Ferry, 21, at Santa Anna Thursday. However, it was disclosed that Ferry was not the boy wanted; he merely bore marks of resemblance.

Ferry testified that he was with Lewis on the day he procured the phonograph, but the latter represented to him that he purchased it. Through Ferry's testimony, Sheriff McWilliams arrested Lewis, who disappeared from home near Santa Anna, at the home of Noble Cook, according to testimony. Upon learning that the sheriff was still on his trail, Lewis schemed for Cook to meet the former's mother on the road between the Lewis and Cook homes, and the phonograph was transferred to Cook's car. Mrs. Lewis returning home in her car.

Lewis and Cook drove to Ballinger Thursday afternoon, and concealed the phonograph in a pasture three miles from the city. They intended to spend the night at the home of John Sides, here, where they were captured by Sheriff McWilliams at 10 o'clock Thursday night. The two led Sheriff McWilliams to the phonograph, and it was returned to the owners.

According to Cook's testimony, they were endeavoring to return the machine to the D. E. Moody store, and to make reparations to the proprietors in advance of their arrest. Ferry was released after questioning. The check bore the signature of E. D. Watson, and was drawn on the First National Bank, as payment on the phonograph, valued at \$25.

Be wise and advertise.

COMMISSIONERS FIX TAX RATE

The county tax rate for the ensuing year was fixed by the commissioners court Tuesday at the same scale of last year, the total county tax rate being 64 cents on the \$100 valuation. This rate includes a tax of 30 cents for road and bridge maintenance, 34 cents for additional purposes.

The assessed county valuation of property is approximately \$12,000,000, a slight increase over that of last year. Personal property valuations were not hiked, the increase coming from properties owned by pipe line companies and other foreign operators.

Other business before the court included the auditing of the monthly accounts, and the appointing of J. M. Jennings as justice of the peace of precinct 4, Norton, to serve until January 1.

POLICEMEN TO BE UNIFORMED

Traffic ordinance violators here will be accosted and reproved by dapper policemen, fully uniformed, beginning at an early future date. The city commission voted in a meeting Tuesday night to provide all local policemen with uniforms, in accordance with state legislation.

The city commission also voted to abolish the fee system with reference to traffic cases. This, it was pointed out, will decrease the amount, but increase the certainty, of fines imposed for traffic law violations. Under the fee system the authority making an arrest received a certain portion of the fine exacted.

A time-limit parking ordinance will be passed immediately, restricting parking on Hutchings Avenue from Seventh to Ninth streets, and on Eighth Street from Railroad to Strong avenues to a maximum of two hours per day. The new ordinance will be of force and effect as soon as it is possible to draft and pass it.

As a means of securing greater safety for motorists as well as pedestrians, enforcement of the existing and new traffic ordinances hereafter will be more rigid, members of the commission declared.

Mr. and Mrs. J. C. Sturges left Tuesday for Dallas, where they will visit during the week.

County Clubs To Hold Rally Here Saturday

A rally of 4-H clubs of the county will be held all day Saturday, at the court house here, and in connection a club carnival and parade will be staged, according to announcements by C. W. Lehberg, county agent, and Mrs. Laura Hollingsworth, home demonstration agent. A crowd greatly exceeding a thousand persons is anticipated, it was said.

During the day a girl's clothing contest will be held, and also one for women of the county. The contest for girls is divided into two classes, and first prizes of scholarships to the A. & M. College short course and second

NEW YORK, July 11.—Gov. Alfred E. Smith, Democratic presidential nominee, assumed leadership of the party today. He selected John J. Raskob, chairman of the finance committee of the gigantic General Motors Company, to conduct his campaign for the presidency, and the Democratic National Committee then ratified Gov. Smith's action by electing Raskob chairman of the national committee.

Herbert H. Lehmann, personal friend of Smith, became director of finance, succeeding Jesse H. Jones, of Houston; Mrs. Nellie Tayloe Ross, former governor of Wyoming; Frank Hague, of New Jersey; Governor Byrd, of Virginia; Scott Ferris, of Oklahoma; and Mrs. Florence Farley, of Kansas, were elected vice-chairmen.

James W. Gerard, former ambassador to Germany during the Wilson administration; and Charles A. Greathouse, of Indiana, were elected treasurer and secretary of the party organization, respectively.

NEW YORK, July 11.—John J. Raskob, chairman of the finance committee of the General Motors Company, will be the next chairman of the Democratic National Committee. It was indicated this morning before the committee went into session with Governor Alfred E. Smith and Senator Joseph T. Robinson, Democratic nominees for president and vice-president, respectively, in attendance.

It was definitely learned this morning that the party leaders had agreed upon Raskob before the meeting in which Gov. Smith conferred with Senators Reed and Hawes, of Missouri; Pittman, of Nevada; Pat Harrison, of Mississippi; and Joseph Tumulty, former secretary to the late President Wilson. The presidential nominee admitted that the group talked politics.

ST. LOUIS, July 10.—Senator James A. Reed in a statement released here today declared that the prohibition question is certain to have "controlling and, I believe, determinate influence" in the presidential campaign.

FAYETTEVILLE, Ark., July 10.—Governor Al Smith and Senator Joe Robinson will be elected by a plurality of at least 35 electoral votes, former Gov. Charles Brough, of Arkansas, stated here today.

Mr. and Mrs. J. B. Arterburn, accompanied by Misses Pauline Massey and Hattie Mae Dunlap, left Monday for Dallas, where the latter will spend a week or ten days visiting relatives.

A hearing of proponents and opponents of a proposed \$525,000 road bond issue will be held here July 30th, it was ruled by the Commissioners' Court of Runnels County Tuesday. This action on the part of the court followed its consideration of a petition presented, asking for an election to issue \$525,000 in bonds, \$47,900 of which is to be used in retiring outstanding bonds in old road district No. 1, and the remaining \$478,000 for the construction of new roads.

The court created road district number 3, embracing all of commissioner's precinct No. 1 and all of commissioner's precinct No. 4 south of the Colorado River Monday. A committee from Winters met with the court on this day and requested that the body take no action in the Winters precinct at this time, as it has not yet been determined whether a bond issue will be asked for the present road district No. 2 for the purpose of building a concrete road into Winters or additional bonds will be asked for constructing high type lateral roads also. Road district No. 3 therefore does not include the Winters precinct.

The proposed bond issue will cover a third of the cost of constructing a concrete road from the Tom Green county line to Ballinger, and north to commissioner's precinct line between precincts 1 and 2, one mile north of Hatchel; and a high type road, probably water-bound macadam with a heavy asphalt top, from the Coleman county line to Ballinger and south to the Concho county line. Two-thirds of the cost will be borne by the federal and state departments, who committed themselves to this portion of expenses provided the county voted to furnish a third.

The 15-mile extension from the end of the proposed road through Winters, designated as highway 30, will require a bond issue of \$165,000 on the part of that precinct. Winters is postponing a hearing relative to the calling of a bond issue for the purpose of considering the feasibility of floating a still higher issue in order to build a number of high type later roads in conjunction with the projected highway. This will in no way hamper operations, County Judge Paul Trimmer stated, because ample time will be available for Winters to complete the road even if a decision to build lateral roads were not reached. However, a petition to vote bonds for a third of the cost of building the 15-mile stretch or to add additional territory to road district No. 2 and vote bonds in excess of the required \$165,000.

The proposed road building program embraces 29 miles of highway 30 and 27 miles on highway 23. With highway 30 from the Runnels-Tom Green line to San Angelo now under construction, completion of the proposed program would provide a concrete road from Ballinger to San Angelo.

The petition submitted to the court bore 122 names, only 50 being necessary. The petition was circulated here and at Rowena and Miles Tuesday morning, and it was said that from the very few refusing to sign it, sentiment is highly in favor of a bond issue.

Provided the court is convinced at the hearing on July 30 that an election should be ordered, a date will be set, not less than 30 days after the date of the hearing. The hearing is set for July 30 in conformity with a law providing that such shall be heard not less than 15 days nor more than 30 days from date of petition.

"If the proposed bonds are issued, the tax rate will not be increased more than about fifty cents on the \$100 valuation," Judge Trimmer declared. "If a bond election is ordered, detailed information will be given by the court, and notices of election will be published in newspapers of Ballinger, Rowena and Miles, whereas it is necessary to publish such notices in only one paper. These papers will also carry complete notices of the hearing to be held July 30."

A PROMISE FOR TOMORROW

The farmer is the provider for all mankind. He is the outpost of industry, without whom the treasures of the earth would remain forever sealed; factories would be empty shells; factories would cease their operations, and the industries of the nation would drop into swift decay.

There is no discouragement for us as we view the future, because we have faith that whatever the uncertainties and responsibilities that face this section, they will be overcome by the stamina and resourcefulness of the men on the farms.

That you—our farmer friends—shall prosper abundantly, is our earnest desire. We want to see you succeed through a program of Safe Farming, as a surety of success and happiness for today, and a promise of permanent prosperity for tomorrow.

Why suffer with Rheumatism?

You know it cannot be rubbed away

ARE you one of those unfortunate who suffer with pains in your muscles and joints, commonly called rheumatism, making you miserable, less efficient, interfering with your working hours, ruining your sleep?

You may have tried many things without relief. Why not try S.S.S.?

For more than 100 years S.S.S. has been giving relief in thousands of cases, as testified in unsoiled letters of gratitude.

"I suffered with rheumatism for a good many years. At times my joints would swell so, I couldn't walk. I tried almost everything. Went to Hot Springs . . . then finally decided to try S.S.S. I took a course. In a short time the rheumatic pains entirely left me. I am now in perfect health, and want to add that I have tried all kinds of medicines but I think S.S.S. is the

best.—Earl C. Campbell, 115 West Main Street, Johnson City, Tenn.

S.S.S. is extracted from the fresh roots of medicinal plants and herbs and gives to Nature what she needs in building you up so that your system throws off the cause.

All drug stores sell S.S.S. in two sizes. Get the larger size. It is more economical.

S.S.S. Builds Sturdy Health

Tom Connally Greeted By Large Crowd Here

Declaring his support of Democratic nominees, and pledging efforts for legislation for farm and ranch interests, Tom Connally, candidate for the United States Senate, spoke to more than 500 Rannels county citizens in the court house today. Mr. Connally was introduced by Judge Paul Trimmer, an old friend. In his introductory remarks the candidate paid a compliment to Judge C. H. Willingham, with whom he was in the state legislature 25 years ago. Mr. Connally also expressed his appreciation for arrangements for the speaking previously made by Fire Chief Louis Cohen.

The Marlin man who has returned to the political arena of Texas the look of a statesman even as Charles A. Culberson and Joseph Weldon Bailey gave the state commanding presence in the United States Senate more than a quarter of a century ago, delivered here a speech similar in most details to that he has made in every section of the state in the past two months. The opening speech of his campaign that Mr. Connally made at Belton on April 17 contained much in common with the platform of the Democratic National Convention adopted at Houston and he gave ringing endorsement to that platform in his address here.

Mr. Connally scored the Republicans for playing at offering the farmers of America an unworkable plan of farm relief in a political year and in full knowledge of the fact that the president would veto the act. His opponent, Earle B. Mayfield, was accused of siding with the Republicans in "an insincere effort to fool the farmers."

The speaker's endorsement of the Democratic platform included the prohibition plank in which regard he said he had always voted for all prohibition proposals at the ballot box and in legislative and congressional capacities and stands now committed to enforcement of the national prohibition act and to all acts to give it strength.

A considerable portion of the

Doctor at 83 Found People Preferred His Prescription

The basis of treating sickness has not changed since Dr. Caldwell left Medical College in 1875, nor since he placed on the market the laxative prescription he had used in his practice, known to druggists and the public since 1892, as Dr. Caldwell's Syrup Pepsin. Then, the treatment of constipation, biliousness, headaches, mental depression, indigestion, sour stomach, and other indispositions that result from constipation was entirely by means of simple vegetable laxatives, herbs and roots. These are still the basis of Dr. Caldwell's Syrup Pepsin, which is a combination of senna and other mild laxative herbs, with pepsin.

Dr. Caldwell did not approve of drastic physics and purges. He did not believe they were good for human beings to put into their system. If grown people want to use them no one can deny them the privilege, but they should never be given to children.

The simpler the remedy for constipation, the safer for the child and for you, and the better for the general health of all. And as you can get results in a mild and safe way by using Dr. Caldwell's Syrup Pepsin, why take chances with strong drugs? All drug stores have the generous bottles.

Dr. B. Caldwell, M.D. AT AGE 83

We would be glad to have you prove at our expense how much Dr. Caldwell's Syrup Pepsin can mean to you and yours. Just write "Syrup Pepsin," Monticello, Illinois, and we will send you prepaid a FREE SAMPLE BOTTLE.

REGISTRARS FOR RANNELS COUNTY

Rannels county has now been organized in accordance with the new vital statistics law, by the appointment of registrars for each justice precinct and each incorporated town or city. In some cases, two or more precincts have been combined into one district, where it seemed best so to do.

Every birth is required by law to be reported to the local registrar of the district in which it occurs, by the attending physician or midwife, or if there was neither, then by the father or mother, within five days after the birth.

The law prohibits the burial or removal of a dead body before a death certificate properly and completely filled out, has been filed with the local registrar, and a burial or removal permit has been secured.

The immense legal value of these records makes it important that the citizens of Texas be given this protection by having a complete, legal record properly filed in accordance with this law.

In the first three months of 1928, there were reported from Rannels county 103 births and 40 deaths. This indicates only about 75 per cent of births and 55 per cent of deaths which probably occurred.

Below is a list of local registrars of the county, and it is urged that every effort to comply with the law and to aid in securing complete registration in this county be made.

Dr. E. R. Walker, Ballinger, precincts 1 and 2 and Ballinger; R. W. Loyd, Wingate, precinct 3; Mrs. Roxie Floyd, Winters, precinct 5, and Winters; J. J. Shiller, Rowena, precincts 4, 6, and 7, and Miles.

ONE IN TEN

Neglecting a little wound, cut or abrasion of the flesh may in nine cases out of ten cause a great suffering or inconvenience, but it is the one case in ten that causes blood poisoning, lockjaw or a chronic festering sore. The cheapest, safest and best course is to disinfect the wound with liquid Borozone and apply the Borozone Powder to complete the healing process. Price (liquid) 30c, 60c and \$1.20. Powder 50c and 60c. Sold by Weeks Drug Store

REV. J. H. McCLAIN OFFICIATES IN TWO WEDDING CEREMONIES

Rev. J. H. McClain, pastor of the Ballinger Baptist Church, officiated in two wedding ceremonies Sunday.

Victor Parr and Miss Sadie Lou Weims were married at 8 o'clock Sunday morning. Parr is associated with a filling station here, and the young couple will make their home here after a short visit in San Antonio, where they went immediately after the wedding ceremony.

Willis Branham and Miss Inez Frazier were married at the home of the pastor at 1:30 o'clock in the afternoon. They did not announce where they will make their home. Mr. Branham has a brother residing in this city.

OLPEN CLUB

A number of Olpen ladies met at the home of Mrs. Walter Lange on June 27, where Mrs. Laura Hollingsworth, home demonstration agent, organized a club.

Officers were elected as follows: Mrs. Walter Lange, president; Mrs. J. A. Lanze, vice-president; Mrs. Alma Hoelscher, secretary; and Miss Leona Niehues, reporter. There were nineteen ladies enrolled, as follows: Mmes. Walter Lange, J. A. Lange, Fred Rohmfeld, Will Halfmann, Walter Hoelscher, F. G. Hoelscher, L. Rienders, H. B. Halfmann, Robt. Lange, B. J. Niehues, Hugo Halfmann, Joe Halfmann, Otto Ocker, Otto Lange, Misses Elvina and Emma Lange, Alma Hoelscher, Leona and Olga Niehues.

Angel food cake and lemonade were served by the hostess.

—Club Reporter.

Mr. and Mrs. Edward Spill and son, Edward Jr., are here from San Antonio on a visit with his parents, Mr. and Mrs. Joe Spill, and other relatives. Mr. Spill is city editor of the San Antonio Express.

Miss Ethel Layton, of Dallas, is spending her vacation here, visiting her parents, Mr. and Mrs. T. J. Layton.

SCHOOL GAINS TWO CREDITS

Two additional credits, one in general science and one in biology, have been granted Ballinger high school, according to a communication from A. M. Blackman, chief supervisor of high schools in the state department of education, to H. C. Lyon, superintendent of city schools. This brings the total units of affiliation to 29 1/2, the school being fully accredited in every course offered.

Application will be made for an additional unit in business department and general office practice next year, provided these courses are offered, which is now under consideration. Miss Ulis Newton is teacher of the subjects in which affiliation was secured this year.

Accrediting of high school subjects by the state department is determined by the report of the supervisor who visited the school; the application showing the qualifications of the teacher and the organization of the course; and the character of the exhibit submitted.

Units of affiliation for the high school are distributed as follows: mathematics, 4 1/2; English, 4; history, 4; science, 3; Latin, 4; Spanish, 2; business, 3; home economics, 2; manual training, 2; and public speaking, 1.

Citation By Publication

STATE OF TEXAS To the sheriff or any constable of Rannels County, Greeting:

You are hereby commanded to summon the Carter Lumber Co., a dissolved corporation and the unknown stockholders, directors, officers and trustees of said Carter Lumber Co., by making publication of this citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county, to appear at the next regular term of the District Court of Rannels County to be held at the court house thereof, in Ballinger, on the 4th Monday in October A. D. 1928, the same being the 22nd day of October A. D. 1928, then and there to answer a petition filed in said court on the 21st day of June A. D. 1928, in a suit numbered on the docket of said court No. 3501, wherein J. W. Powell, is plaintiff, and Carter Lumber Co., a dissolved corporation and the unknown stockholders, directors, officers and trustees of said Carter Lumber Co., a dissolved corporation, are defendants and said petition alleging that plaintiff resides in Rannels County, Texas and that the Carter Lumber Co., originally organized under the laws of Texas is now dissolved and that the places of residence of the stockholders, directors, officers and trustees are unknown to plaintiff; that on January 1st, 1928 plaintiff was the owner under a fee simple title of a certain tract of land situated in Rannels County, Texas, described as follows: Being all those certain lots, tracts or parcels of land lying and being situated in Rannels County, Texas, being lots Nos. 1, 2, 3, 4, 5, and 6 in Block No. 13 of the T. J. Reed subdivision of the West End Addition to the town of Ballinger, Texas, as shown by map and plat of said subdivision on file in the office of the County Clerk of Rannels County, Texas; That on the 1st day of January 1928, defendants and each of them unlawfully entered upon said premises and ejected plaintiff therefrom and unlawfully withhold same from plaintiff to his damages in the sum of \$1,000.00, alleged to be the reasonable value of said lands. Plaintiff pleads the five and ten year statutes of limitation and claims title thereunder in addition to his title under deeds duly registered; said petition endorsed "That action is brought as well to try the title as for damages."

And praying for judgment against the defendants and each of them for title and possession of the above described lands, for writs of possession and restitution, for costs of suits and for general relief.

Herein fail not, but have before said court, at its aforesaid next regular term, this writ with your return thereon showing how you have executed the same.

Witness, Georgia Singletary, Clerk of the District Court of Rannels County.

Given under my hand and the seal of said court, at office in Ballinger this the 21st day of June A. D. 1928.

(SEAL)

Georgia Singletary, Clerk District Court, Rannels County, 29-41w

ON EXTENDED TRIP

Mrs. Geo. P. Holman and daughters, Misses Frances and Virginia, left this week on an extended vacation trip that will take them over the west coast and into Canada. Their first visit will be in Los Angeles, from where they go to San Francisco. They will go from there by steamship to Victoria, British

Columbia, Canada, where they will meet two college chums of Miss Frances, who has been a student in a Madison, Wisconsin, university.

The party will make a tour of parts of Canada, and Mrs. Holman and daughters will retrace their route to Los Angeles, where they will again spend a few days. They plan to return to Ballinger about September 1st.

Rev. and Mrs. J. H. McClain left Monday for Menard, where they planned to spend the night.

HERRING TOPICS

Sunday school was well attended at the Baptist Church, and a number attended Methodist Church at Crews.

A number from this place attended the funeral of J. C. Lewis of Coleman Tuesday.

Mr. and Mrs. C. H. Grounds, of Crews, Rev. B. B. Edmiaston, of Talpa, Rev. D. A. McGuir, wife and son, Hollis, of Fort Worth, W. A. Hale and daughters, Misses Bernice and Myrtle Ruth, of this place, visited in the home of Mr. and Mrs. A. S. Alleorn Tuesday.

Mrs. S. H. Miller, who is on the sick list, is improving slowly.

Miss Hazel Mae Grounds, of Crews, spent Tuesday afternoon with Miss Sammie Bragg.

A number of people from here celebrated the Fourth of July by going fishing, kodaking, swimming, also a number attended the picnic at Midway near Hatchel.

Mr. and Mrs. W. L. Alleorn visited relatives and friends at Santa Anna Tuesday and Wednesday.

Miss Bernice Hale spent Tuesday night with Miss Alta Brevard.

Misses Della Bragg and Marion Kerby spent Saturday night with Miss Bernice and W. A. Hale, Jr.

Owen Bragg, of this place, and Miss Hazel Mae Grounds, of Crews, were united in marriage at the home of the bride's parents, Mr. and Mrs. C. H. Grounds, Sunday afternoon by Rev. D. W. Grounds, of Talpa. They left shortly after the ceremony for Dallas, Fort Worth, and other places for a few days. They will make their home in this community.

Rev. D. A. McGuir, wife and son, Hollis, of Fort Worth; and Ira and Steve Hale, of Ballinger, visited Mr. and Mrs. W. A. Hale Sunday.

Miss Ozella Arent visited Miss Emma Brevard Sunday.

Grandmother Brister, of San Angelo, is visiting her daughter, Mrs. G. C. Arent.

BENOIT ITEMS

This seems to be the month for fishing, swimming and visiting. The heat doesn't stop the tourist from traveling, as the highways are full of cars from early morn until late at night, and we being nearby get our portion of the dust.

Mr. and Mrs. Green, of McGregor, were guests in the Rives home Monday night.

Mr. and Mrs. Willie Hamby, of Big Spring, one time residents of this place, came down Saturday to see their niece, Mrs. Walter Cox, who is in the sanitarium at Ballinger. They spent Saturday night in the O. C. Cox home.

Mr. and Mrs. Pryor Martin, of Brownwood, are the happy parents of an 8-pound girl, who arrived July 6th, named Cora L. Wanda. Mrs. Martin is at the home of her parents, Mr. and Mrs. C. M. Gibson.

Mr. and Mrs. Bob Roberts, of San Angelo, were Benoit callers Wednesday, on their way home from Coleman, where they had spent the Fourth.

Claud Brookshire and wife went to Abilene Wednesday, Mr. Brookshire to attend the races, and Mrs. Brookshire to see her sister who is ill in the sanitarium.

Mrs. Bob Wilkerson and children, of Lamesa, came in Sunday to visit her parents, Mr. and Mrs. J. S. Rives, for a few days.

Mr. and Mrs. Otto Spreen went to San Saba Monday on business.

Julius Blumenthal, of Brownwood, spent Tuesday night here with relatives.

Miss Pauline Gressett, of Comanche, stopped by Saturday to see her uncle, F. Gressett, and family, on her way to San Angelo. Miss Gressett will be pianist in a meeting which is in progress in that city.

Buster Gibson is at home after a short stay in Brownwood.

Howard Cox returned from Coleman Thursday after a visit with Mr. and Mrs. Elzie Cox.

Mr. and Mrs. L. B. Rampy and L. B. Jr., were guests of Tom Rampy and family of Wilmeth, Sunday afternoon.

Woodrow Cox is visiting relatives at Big Spring this week.

Mrs. J. A. Odom and daughters, Misses Ethel, Edith, and Leota, called to see Mrs. Pryor Martin and young daughter Saturday afternoon.

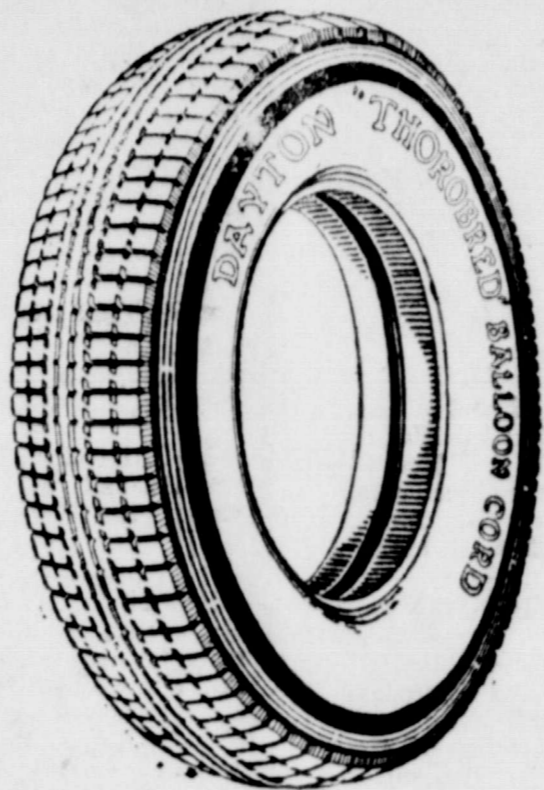

"REPORTER."

SIX NEGROES ARE FINED FOR GAMING

Sheriff R. E. McWilliams and Deputy Sheriff John D. White raided a house in the negro district late Saturday, and broke up a gambling game, taking six negro men into custody. Fines totalling \$22.70 for each offender were assessed.

SAN ANTONIO—Five new fire-resistant fire stations will be constructed here.

No Better Tire

at
Any
Price

Dayton Stabilized Red Stripe Ballons represent the finest possible quality conceivable and possible of production on the basis of present day scientific knowledge and manufacturing skill.

Five Years Ahead!

Daytons were the first "Super" and "DeLuxe" tires on the market, and they still head the list in the super quality field.

Dayton Stabilized (Red Stripe) Balloons—the outstanding balloon tire sensation—these big, extra-oversize, powerful, fool-proof tires occupy a quality pedestal that no other balloon tire in existence can approach. The safest balloon tires on earth—because the strongest, the finest, the most skillfully and carefully built—they are first choice with those who value life and limb, and who recognize that modern motoring conditions demand such a tire.

Thorobred All Black Balloons—branded with the Thorobred name—distinguished by Thorobred quality in both material and craftsmanship—these handsome all black tires are so much better than regular run so-called standard price tires that it seems a shame to speak of them in the same breath—even though they are approximately the same in price. These, in every sense of the words, are quality tires—TOP QUALITY tires in the average price field—and decidedly above the average when it comes to mileage, trouble free service and user satisfaction.

GOOD ROADS

The consensus of most of the business men of Ballinger is that some forward steps in the good road movement will be taken here in the early future. While no definite action has been taken by any authorized body, it is generally felt that some such action will be forthcoming soon. No one denies the need of good roads, it remains only for concerted action to instigate efforts for the long-needed program.

SPECIAL EDITION

A special edition of the Comanche Chief appeared last week, styled "Development Edition." The edition is composed of 60 pages, quite an achievement for a county newspaper. The paper is replete with articles and illustrations concerning the development of Comanche, and was put out without any previous issues being missed. It is explained editorially, however, that a month was required in getting out the paper, many articles and advertisements being arranged well in advance of the date set for the appearance of the mammoth paper. This special edition is an authentic reflection of the progressiveness of Comanche people, and is proof of the influence of any newspaper in the development of any city. Secretaries of chambers of commerce attribute a great deal of credit for the development of cities to newspapers. W. H. Carpenter is manager of the Chief, and J. C. Wilkerson is editor. D. M. Shirley, of Brownwood, assisted in getting out the issue.

Mrs. H. A. Smith and small daughter, of San Francisco, will arrive here tomorrow for an extended visit with her parents-in-law, Mr. and Mrs. C. C. Smith.

WARDLAW TO SPEAK MONDAY

Louis J. Wardlaw, candidate for governor, will speak in Ballinger at 1 o'clock Monday afternoon in the interest of his campaign. Judge Wardlaw anticipates a record crowd at his speaking here, in that it is a home-coming for him. His candidacy has been attracting growing attention throughout the section, and it is said by political authorities that he has gained thousands of votes over the state within the past three weeks.

Announcements have been carried in newspapers at Winters, Paint Rock, Rowena, and Miles relative to his speaking date here, and hundreds of farmers from these places are expected to attend the speaking here.

It is probable that a special reception will be arranged for the former Runnels county citizen. Final plans of his speaking here have not yet been announced, but it was indicated that County Judge Paul Trimmer will introduce the candidate.

BLANTON BEGINS REVIVAL FRIDAY

A revival meeting will open at the Blanton Baptist Church Friday night, with Rev. J. H. McClain, pastor of the Ballinger Baptist Church, in charge of preaching services. He will be assisted by Rev. J. S. Turner, pastor of the Blanton church.

A large tent has been secured for the meeting, and services will be held twice daily. Music services will be in charge of local forces.

A hearty welcome is extended to everybody to attend the meeting.

Mr. and Mrs. C. D. Harris and daughters, Misses Iona and Maxine, spent the Fourth with Mr. Harris' brother, Alfred Harris, of Rising Star. Returning home Friday they stopped in Coleman with Mr. Harris' sister, Mrs. T. C. Hinds, and family.

TAKES OVER NEW AGENCY

The Oakland Motor Car Company announces another addition to its rapidly-growing dealer organization in the appointment of the Ballinger Auto Company as Oakland-Pontiac dealers here for the Oakland All-American Six and its companion car, the smart New Series Pontiac Six. The public is invited to visit the showroom and inspect the various models comprising the new line.

The huge Oakland-Pontiac sales group with which the new dealers are now identified, has shown one of the most remarkable growths in the entire automobile industry. With approximately 4,600 dealers throughout the United States, it now is more than five times the size of the 1925 Oakland dealer organization. The factory sales personnel and the district sales officers at important key cities have been expanded greatly to meet the needs of the growing dealer group. W. E. Tracy, vice-president in charge of sales, has appointed six regional sales managers to supervise the district offices and constitute a means of ready contact between the factory and the sales forces in the field.

A. R. Glancy, president and general manager of the Oakland Motor Car Company, believes that 1928 will be the company's greatest year. Tentative plans contemplate the production and sale of 270,000 motor cars, 42 per cent greater than the sales of 1927. The 1927 sales total of 194,000 units was itself 41.5 per cent larger than the sales during 1926.

The remarkable growth in Oakland-Pontiac sales is the most convincing endorsement of the company's policy of pioneering important new developments. Such features as Duro, four-wheel brakes, the rubber-silenced chassis, oil and fuel filters, air cleaners, crankcase ventilation, automatic spark control and depressible beam headlights operated by foot control have contributed greatly to the fame and prestige of the Oakland Six.

The Ballinger Auto Company in presenting the New Series Pontiac Six and the Oakland All-American Six to the public, offers the last word in up-to-date engineering practice and skillful body-building at a price range of from \$745 to \$1,250 f. o. b. factory. Besides the above prices for the standard models of the Pontiac and Oakland sizes motor cars who demand the ultimate degree of dash and appearance, may obtain at extra cost any Oakland Six model equipped with a collapsible rear trunk rack and six wire wheels, the two spaces being carried in special wells on the front fenders.

With the Oakland Motor Car Company at its highest capacity for producing production and with both lines of six-cylinder cars enjoying a high measure of public favor, the Ballinger Auto Company is confident that these products will gain an outstanding position in this locality.

Dr. R. E. Burrus, of Winters, was here on business Thursday. Dr. Burrus paid The Ledger a visit while here and requested that his paper be changed to Valera, where he is moving.

Notice

J. L. Smith has re-opened his Dry Goods and Grocery Store in Norton, and will appreciate his old customers and friends calling on him.

READ WHAT OTHERS SAY:

"I am glad to tell you what your wonderful Piliagra treatment has done for me. I have had 4 new seasons."

Mrs. W. S. How, English, Ark writes: "I took Dr. Rountree's treatment for Piliagra in 1926. I feel better than I have for 15 years."

WRITE TODAY: Rountree Laboratories, Austin, Texas. For FREE Diagnosis, Questionnaire and Blue Book, "The Story of Piliagra," also for hundreds of additional Testimonials.

HOLD SPECIAL EXAMINATIONS

Special teachers' examinations will be given at the office of the county superintendent here July 18 to 21, inclusive, provided that as many as ten applicants in the county enroll for the tests. These examinations are given in lieu of the previous state normal school examinations, which will be provided only once during the summer, which will be in August.

This arrangement affords normal school students an opportunity of qualifying for certificates after a month in summer school. The examinations have previously been given in the respective colleges at this time, but were discontinued in order to

simplify summer normal procedure.

In case that ten do not register for the special examinations in one county, they will be transferred to another county, where the enrollment totals ten or more. All applicants who expect to take these examinations must register with the various county superintendents not later than July 9.

The regular teachers' examinations, scheduled for August and September, are not effected by the special examination.

BEGINS FIFTH HOUSE

Ground will be broken this week for the fifth house constructed by Joe Huffman during the summer. The site of the latest house is on Broadway, opposite the home of Mrs. R. A. Nicholson.

THE IVORY

"Everything"

Mr. and Mrs. W. F. James and family visited in Abilene Wednesday.

Everyone around here seemed to enjoy the Fourth very much, going to picnics, car races, and fishing.

Several of the young people of this community attended the party at George Landers' Saturday night. All reported a nice time.

responsible for riots, bloodshed and the burning of men alive, was made here Friday by Federal Judge W. H. S. Thomson, in an opinion dismissing an injunction suit brought by the order against five former members. Damages of \$500,000 were denied the Klan.

The court, after hearing sensational testimony for five days, including a denial by Imperial Wizard Hiram W. Evans, held that the organization came into the court of equity with "filthy hands" and could not gain any relief from him.

Judge Thomson placed the costs upon the Klan.

Testimony Startling

The court upheld testimony offered by the defendants against the Klan, that Klansmen had burned a negro alive in Texas; had flogged citizens; had maintained a secret terrorist organization known as the "knight riders" and "black robe" gang; had fostered riots; had caused bombs to be set off; had kidnapped a child in Pittsburgh, and had stirred up racial and religious feelings throughout the country.

Three Witnesses Heard

Three witnesses were heard. Evans had denied all charges, including allegations, the existence of any "black robe" and "knight rider" Klan.

W. G. Seemiller, Philadelphia, last witness called by the defense, charged that a super-secret order did exist within the Klan and offered in evidence a hood, with skull and cross bones and a black robe containing the Klan insignia.

Klan is Attacked

Pointing out that much of the defense testimony came from Klansmen, the court said it had no difficulty in finding that the Klan "has established and is maintaining a form of despotic rule which is being operated in secret, under direct sanction and authority of the plaintiff's chief officers. That in violation of the rights and liberties of the people,

Milton McMillan, of Lawn, visited in this community Sunday.

The sight of sore gums is sick- ening. Reliable dentists often report the successful use of Leto's Pyorrhoea Remedy on their very worst cases. If you will get a bottle and use as directed drug- gists will return money if it fails. J. Y. Pearce Drug Co.

HAGAN NEWS

The farmers are all just about up with their work, and looking forward for a good rain.

Mr. and Mrs. Otto Wood and family, Mr. and Mrs. Marvin Turner and little son, Robert Louis, spent Sunday with Mr. and Mrs. I. M. Turner.

A B. Y. P. U. social was enjoyed at Mr. and Mrs. Kirk Murphy's Friday night.

Some of the young folks at- tended a party Saturday night at Mr. Landers', north of Ballinger, and everyone reported a good time.

Some of the Hagan folks at- tended the singing Sunday evening at Barnett. All reported a good singing.

Mr. and Mrs. Bill Farmer, Mr. and Mrs. R. C. Foreman, Mr. and

Mrs. Wallace Seipp and Miss Josephine Lander enjoyed ice cream and soda water at the home of Mr. and Mrs. F. A. Sparks.

Mr. and Mrs. Morgan are visit- ing relatives in East Texas this week and last week.

The Baptist meeting will start Friday night, July 13. Everyone is invited to attend.

Mr. and Mrs. Browder have been visiting her mother.

Mr. and Mrs. Davis Nunn, of Abilene, spent from Friday until Monday with her parents, Mr. and Mrs. I. M. Turner.

Mrs. Taylor, of Harrison, Ark., is visiting her son, J. C. Taylor, this week.

Misses Velma and Vera Taylor visited last week at Tokeen.

Mrs. Nixon, who underwent a very serious operation, was not doing very well when last re- ported.

The women's club met Friday, then went to the creek, served lunch with ice cream as dessert. After which all went swimming. "REPORTER."

WIDE AWAKE HOME DEMONSTRATION CLUB

The Wide-Awake Club of Bar- nett community met with Mrs. Jim Duke on Thursday of last week, very few members being present. Roll call was answered with "The Kind of Basket I Am Going to Make."

Mrs. Hollingsworth gave a talk on the social gathering, and also demonstrated basketry making

which was enjoyed by all. The club will meet at the teach- erage on the next meeting time which will be July 19th. —Club Reporter.

RETURN FROM VACATION

S. H. Daugherty, of the Ballinger Auto Company, is back at his desk after a delightful vaca- tion trip of two weeks to Arizona. Mr. Daugherty was accompanied by his wife and their two daugh- ters, Misses Verna Ruth and Mary Edna. They made the trip by automobile, driving to Tucson, and returning via Carlsbad, New Mexico.

WELLINGTON—Approximate- ly 200 people attended a judging contest held on a stock farm near here recently.

UVALDE—A company is con- structing a gas plant here; ser- vice will begin within 60 days.

OAKLAND

Announces the Appointment of

[Ballinger Auto Co.]

WE announce with pleasure the appointment of a new local dealer who has been selected because we believe his organization will reflect the high standards Oakland has set for selling and servicing its motor cars.

Call on this new dealer. Ask him to show you the Oakland All-American Six, the new car that has won the admiration of all America.

See also the New Series Pontiac Six, with its vivid new style and scores of engineering advancements, including 4-wheel brakes, at no increase in price.

And remember that this new dealer is authorized to sell Good Will Used Cars, available only through Oakland-Pontiac dealers and offering thoroughly dependable transportation at remarkably low prices.

Whether or not you are planning to buy, the Oakland-Pontiac dealer will welcome your visit to his salesroom at any time. Stop in and see him!

We have the car you want at the price that will please you—and our terms are unusually reasonable—with the lowest financing charges available.

NURSES know, and doctors have declared there's nothing quite like Bayer Aspirin for all sorts of aches and pains, but be sure it is genuine Bayer; that name must be on the package, and on every tablet. Bayer is genuine, and the word genuine—in red—is on every box. You can't go wrong if you will just look at the box:

WARDLAW TO SPEAK HERE

Louis J. Wardlaw, candidate for the Democratic nomination for governor, will speak here at 3 o'clock Monday afternoon, July 16th, according to W. N. Waddell, campaign manager, who has announced the candidate's itinerary for the remainder of the time up to the primary election.

On the following Tuesday Wardlaw will speak at Sonora, Sutton county ranching center, where a motorcade will be formed to bring a delegation of fellow ranchmen and friends to San Angelo to hear him deliver an address at 8 o'clock in the afternoon.

The candidate still retains ranching interests in the vicinity of Sonora. The campaign of the lawyer-ranchman is attracting a great deal of attention in this section, due to his wide acquaintance.

It is probable that a special reception will be arranged here for Judge Wardlaw, who previously lived here for a number of years, having attended schools here. His father, N. J. Wardlaw, resides in the Miles section, and a brother, M. B. Wardlaw lives in Ballinger.

TALPA DROUTH GROWS SERIOUS

With continued dry weather surface wells at Talpa, 18 miles east of here, are failing, and the town is compelled to obtain water by rail from here and Brownwood. The drouth situation there is serious, and unless rain falls soon, still more water will be required by rail, as the supplies of small lakes and tanks used for watering stock will be exhausted.

A carload of water is shipped from here every other day, J. J. Beck, local agent for the Santa Fe Railroad, said, and a like amount is shipped from Brownwood as regularly. The railroad company is making a nominal charge for the water, furnishing it to the town at actual cost.

Cotton is standing up very well in the Talpa section under the continued dry weather, it was said, but feed crops are deteriorating greatly. In some instances the feed crops are already given up as failures, while in many fields a fair yield will be realized with early rains and a favorable season.

SIGNS YOU CAN BELIEVE IN

If your breath is bad and you have spells of swimming in the head, poor appetite, constipation and a general no-account feeling, it is a sign your liver is torpid. The one really dependable remedy for all disorders in the liver, stomach and bowels is Herbine. It acts powerfully on the liver, strengthens digestion, purifies the bowels and restores a fine feeling of energy, vim and cheerfulness. Price 60c. Sold by

JUNIOR BAND BEING FORMED

The junior band organization move recently launched by H. H. Carsey, director of the Ballinger Booster Band, is progressing favorably, and hopes are entertained for the perfection of the organization before September 1st. Mr. Carsey is desirous of having a representative and well trained band before school opens.

Commenting on the formation of a junior band, Mr. Carsey said: "We noticed many fine bands that contained a large per cent of young ladies at the convention at Fort Worth. The reed section of a band just suits a lady's technique—clarinets and the like. Flutes and piccolos are much the same, too, as to fingering."

Rowena has a beginners' band composed of 30 members, and Mr. Carsey says that while the enrollment here at the present time is only 13, he should have even a larger band than in Rowena, considering the difference in population. "The junior band affords a mighty fine chance to learn to play a musical instrument that will be a source of pleasure to one, and helps to enliven community occasions," the director stated.

The roll contains only one girl at present, he said, but more are expected to join. The personnel of the organization follows: Gaston Bartlett, Morris Bartlett, Oscar Routh, John Crager, Miss McMillan, Eldwin Williams, William Hill, Drew Dickson, Billie Ratliff, Bobbie Ratliff, Harold McDonald, Jack Carrol, Jr., and Mr. Jennings.

Anyone interested in the junior band should communicate with Mr. Carsey. He can be found on the third floor of the F. & M. Bank building, telephone 677.

TWO APPLICANTS TAKE TEACHERS' EXAMINATIONS

Only two reported for teachers' examinations at the office of County Superintendent R. E. White this week. Examinations will be concluded today.

Mrs. Mellie Pierce, of Winters, and Miss Lucille Yancey, of Big Spring, are applicants for certificates. The examinations are being supervised by Mrs. Mae Shipp.

W. A. Forgey and family visited in the home of his brother, J. H. Forgey, in Brownwood, during the week-end. They were accompanied by his mother, Mrs. M. H. Forgey, who remained for a visit of a week with her son.

The Methodist and Eighth Street Presbyterian churches voted Sunday morning to sponsor Boy Scout troops, organization to be under way at an early date. E. F. Shumway, scout executive of Abilene, appeared before both churches during the morning services, and outlined the program of scouting. After his talk the church memberships voted to foster the organization move.

The Ballinger Baptist Church recently assumed the responsibility of sponsoring one or more troops, which makes three individual troop sponsoring bodies. Organization of all troops is scheduled to begin this week. A parent organization for the city-wide organization has not yet been secured.

In briefly discussing the Scout movement as pertinent to Ballinger, Mr. Shumway reiterated that no individual church would be responsible for any portion of the financial program. A prescribed quota would not be placed upon Ballinger, he said, and the only finance drive would be made in August, during which time various people interested in the movement will be permitted to contribute according to their means and willingness.

"Regardless of the amount raised by Ballinger, boys here shall have the benefit of the move," Mr. Shumway declared. "The first interests of Scouting lie in arranging a character-building program for the boy, and never before has such a program been in as great demand. Boy Scouts make better boys, and better boys make better men, assuring us of better citizens."

Touching again on the financial program for the Ballinger organization, he continued: "Of course it takes money to promote the work of Scouting, but there is a mistaken idea concerning the finances for a city. In Abilene only do we set a definite quota, and it is because that we maintain headquarters there. All subscriptions go into the general fund, which means that every troop in the Chisholm Trail Area, composed of seven Central West Texas counties, is served by headquarters."

In reply to inquiries, Mr. Shumway stated that a Scout leaders' training course would be conducted here as soon as Scoutmasters and assistants have been appointed by troop committees. Mr. Shumway will personally supervise these training schools.

The executive said that with rapid but sincere work on the part of local troops, it would be possible for Ballinger to be represented at the annual encampment to be held at Lueders from July 30 to August 13. Specialists are in charge of instructions at this camp, and Scouts are trained along the lines of the many crafts included in merit badge work. A Scout must have passed his tenderfoot test before he is permitted to attend camp or to wear the official uniform.

PROTECTION AGAINST COUGHS Scott's Emulsion

WEDDING BELLS

Friday evening in the manse of the Eighth Street Presbyterian Church, W. L. Morris and Miss Irene Sides were united in marriage, Rev. Alvin O. Rue officiating.

The bride is the daughter of Mr. and Mrs. J. E. Sides, of Ballinger, while the groom is a native of Ohio. The contracting party was accompanied by the bride's sister, Mrs. Robert Best. Mr. and Mrs. Morris will make their home in Coleman. Their friends extend congratulations and best wishes.

Aurora Borealis Proves Source of Bewilderment

Many persons here Saturday night waited with bewilderment for clouds to vanish in the north and disclose the moon, apparently glowing mellowly through a hazy veil. Bewilderment was occasioned through realization that the moon was considerably too far to the north.

Telephone operators here were kept busy answering inquiries pertaining to a possible fire. Sweetwater people heard a rumor that the light was the reflection of a fire that was destroying the town of Albany.

The origin of the mysterious light was discovered to be the Aurora Borealis, visible here for the first time since about 1918.

Those who witnessed the phenomenon Saturday night were impressed with the natural beauty of the light. A subdued, mellow, rosy tint and glow reached from the northern horizon, slightly east of a directly north point, toward the zenith, and extended fan-like along the horizon. When first observed,

only a faint tinge was discernible, but the color effect heightened until a magnificent scene was in evidence. As imperceptibly as the scheme increased in color it faded, until only dim, pinkish spots remained, finally dissolving in the elements.

Aerial messages were seriously disturbed Saturday night, due to the Aurora, it was explained. The Auroras are electrical phenomena, and have a quality of interfering with other electrical currents. The light itself is not unlike an electric light and serves to cheer the long polar night. The Aurora Borealis, which is the northern light, occurs more frequently than the southern Aurora but both are similar in all qualities.

It was said that the light would again be visible Sunday night, but those who watched for it reported that they were unable to discern any traces in the north of its reappearance.

Hugo Schuehard and sons, Connelly and Walter, visited Mr. Schuehard's brother, Edwin Schuehard here Sunday. Hugo, a former Ballinger citizen, is now residing at San Angelo. He has many old-time friends here.

Texas Mother Finds Best Plan

When Nature fails you, try and help yourself by the most natural method! That's the advice of leading authorities nowadays; and for over fifty years it has been the plan of the makers of California Fig Syrup. The quick, easy way this pure, wholesome product relieves children of those symptoms of stubborn bowels, such as headaches, biliousness, coated tongue, bad breath, no appetite or energy, etc., and makes them strong, energetic and rosy-cheeked again shows there's no use drugging a child with harsh purgative medicines. And Fig Syrup helps give tone and strength to weak, flabby stomach and bowels so they continue to act of their own accord and you don't have to keep dosing them. Its popularity is shown by its sales record of over four million bottles a year and by the praise thousands of mothers are fairly showering on it. A Texas mother Mrs. M. H. Goodrich of 1530 S. Olive St., San Antonio, enthusiastically declares: "My big, fat boy, Milton, Jr., is now six. He is strong and energetic and weighs 43 pounds. I give California Fig Syrup a lot of credit for his condition. I have used it with him since babyhood for every cold or upset spell. It always regulates him quick and starts him to eating right and improving in every way."

YES

Dodge Brothers Standard Six is the fastest car, with the fastest pick-up, under a thousand dollars

HOWEVER

That is only HALF the story. The IMPORTANT point is that this exceptional speed is made practical by Dodge ruggedness of chassis and body construction.

OTHERS

Might succeed in building a car at this price with equal SPEED, but to do so successfully they would also have to build a car with equal STURDINESS

AND

That is where Dodge Brothers, with years of experience in building a dependable low-cost product, are years ahead of the field.

YOU

Can buy the Standard Six knowing that it is not only the fastest car in its class but the sturdiest—and the one is every bit as important as the other

\$875
COUPE F.O.B. DETROIT

Is the price, and you will find our payment-plan one of the most liberal you have ever investigated. Drive the Standard—without obligation—today!

Every bottle guaranteed.—Adv.

Mrs. Cecil Johnson, of Fort Smith, Arkansas, who has been visiting her father, John A. Williams, 1106 Ninth Street, went to San Angelo, where she will visit her brother, John A. Williams, Jr., and wife. She will return here Sunday, and after a visit with R. M. Williams and other relatives, will leave for her home in Fort Smith.

Mr. and Mrs. Homer Sykes have returned from a ten-day vacation trip to Lohn, Goldthwaite, and other places.

Mr. and Mrs. Milton Harris and family are visiting Mrs. Harris' parents, Mr. and Mrs. Geo. Fry, at Blackwell.

Mrs. T. B. Pickett and children, of Temple, came in Tuesday night to visit her parents, Mr. and Mrs. L. F. Gressett, and other relatives.

Winters Lion Club Is Guest of Rotary Here

The Lions Club of Winters was the guest of the Rotary Club here at its regular weekly luncheon, which was held in the Baptist church Wednesday. Twenty members of the Winters civic organization were present.

J. D. Motley, secretary of the Ballinger Chamber of Commerce, welcomed the visitors on behalf of the Rotarians. G. E. Nicholson, first vice-president of the Winters club, responded, and introduced in turn each of the visiting Lions. Guests who made short talks were Rev. H. H. Stephens, pastor of the Winters Baptist Church; Joe H. Payne, and Jno. Q. McAdams.

Overton L. Parish presided, and introduced a discussion on a fleet of "ships" symbolic of Rotary work, and the following Rotarians responded with a brief talk on the respective ships introduced: J. D. Motley, "craftsmanship"; E. E. King, "acquaintanceship"; Sam Behringer, "sportsmanship"; W. C. McCarver, "friendship"; Rev. Alfred Crager, "kinship"; and Mr. Parish summarized the characteristics of each ship, and classed them in the fleet of "fellowship," showing vividly how Rotary was advancing these great social needs.

The luncheon was prepared and served by members of the Miles, Rowena, Bethel and Hagan home demonstration clubs, and a short talk was made by Mrs. R. A. Smith, of the South Ballinger club, in behalf of the county clubs. Mrs. Smith emphasized the value of the A. & M. short course, and declared that those who attended were many times repaid for their time. Compliments were paid by various speakers to C. W. Lehmburg, county agent, and Mrs. Lura Hollingsworth, home demonstration agent, for the work they are accomplishing through their clubs over the county.

Visiting Lions were: Joe H. Payne, I. N. Wilkinson, Roger Adams, I. M. Preston, R. E. Bacon, V. VanZandt, R. K. Russell, G. E. Nicholson, J. Frank

Paxton, R. G. Owens, Dr. J. W. Dixon, S. W. Cooper, A. O. Strother, Rev. H. H. Stephens, A. L. Barlow, Rev. E. H. Lightfoot, H. O. Jones, E. A. Shepperd, Jno. Q. McAdams, and Geo. C. Hill.

Other guests included: Rotarian Travis, of Falls; Edward Spill, city editor of the San Antonio Express; K. E. White, county superintendent; Mrs. Lura Hollingsworth, home demonstration agent; C. W. Lehmburg, county agent; and Mrs. R. A. Smith.

Music was furnished by a local orchestra, and Misses Helen Williams and Jewel Chaney presented some vocal selections. A cordial invitation was extended by the Lions Club to the Rotarians to visit them in their club meetings.

PERKINS WILL VOTE TICKET

In addressing the voters of Rowena Saturday afternoon in the interest of his candidacy for congress from the 17th district, Judge T. P. Perkins of Mineral Wells declared he would support the party nominees in the November elections and the platform adopted at the Houston convention. He declared he stood for the rigid enforcement of the 18th amendment and against any proposal for the revocation or modification of the prohibition measure. A large part of his talk was devoted to an attack upon the farm loan policy of the Federal Reserve Bank at Dallas. He promised, if elected, to support the resolution now pending in the House of Representatives authorizing a congressional investigation of the Dallas bank.

Judge Perkins spent Friday night in Ballinger after filling an engagement at the annual picnic near Zephyr, in Brown county.

SHOE WEEK

---A T---

BETTIS & STURGES

The Patent Speedy Strap
A new patent leather one-strap with extremely high heel. Genuine snake trimmed.
\$7.50

Patent Roxie Oxford
A new creation in ladies' footwear. A strap-oxford with beautiful spike heel and reptile trimming.
\$7.50

Beautiful sport numbers in one strap, low heel design. A genuine snake toe in both dark brown and black, \$5.00 to
\$7.95

White Shoes in pumps and one-straps. Sizes from 4 to 8. Formerly sold up to \$8.00, beginning Friday
\$2.95

There are two reasons that will make the second week in July beginning Friday, the greatest Shoe Week for Ballinger of the entire summer season.

First, it will be the final closing out of summer styles and the fact that we intend to sell them all assures you of amazing bargains. Those who need summer styles for summer frocks will find this a rare opportunity to fill your needs at prices you can well afford to pay. Make sure that you do not overlook this opportunity to supply your needs in sport oxfords, whites, and light tans.

The second reason that will make this an outstanding Shoe Week is the fact that we are going to be showing at this time the new fall patterns featuring the beautiful reptiles in the popular colors for Autumn and Winters. Also the smart and new regent pumps that are replacing all other styles in this type of footwear. Those who are interested in up-to-date footwear can not afford to miss this opportunity of wearing these new styles first.

In addition to these wonderful values our specials will be on all over the house. Keep in mind our July Clearance prices and fill your needs at great savings.

A counter full of really snappy numbers in pumps, straps, and oxfords, many just put out
