

# The Carbon Messenger

Carbon, Eastland County, Texas, Thursday, July 30, 1959

## Local News In Brief

Mr. and Mrs. Bob Bisby of Big Lake are the parents of a son born July 12 whom they have named Billy Ray. Mrs. Bisby is the former Shirley Lasater, daughter of Mr. and Mrs. Tom Lasater.

Mrs. H. Hall was in Abilene Monday for a check up at Hendricks Hospital. Doctors reported a slight improvement in her eyesight.

Meeting in the home of Mr. and Mrs. Pierce Murphy Sunday July 26, were Mrs. Murphy's sisters and a brother. Sisters present were Mrs. Fannie McMillon of Dallas, Mrs. Emma Cornelius of Fort Worth, Mrs. Eva Cook of Dallas, Mrs. Beckie Murphy of Carbon, Mrs. Leona Howard of Fort Worth, and Buddy Reed of Cisco. Nieces and nephews present were Howard Murphy and son, Tommy, of Fort Worth, Mr. and Mrs. Ernest Kitchens, Charles and Carolyn of Carbon, Mr. and Mrs. Spud Mathews, Letha Fay and Leonard Earl of Carbon, Madge and Dan Reed of Cisco. Also present were Pierce Murphy of Carbon and Mrs. Buddy Reed of Cisco.

Mr. and Mrs. Maurice Vaughn and Jim of Fort Worth visited his sister Mrs. A. S. Jackson, and family last week end.

Among those from here attending the Homecoming at Sipe Springs Sunday were S. L. Craighead and family, Mrs. S. L. Craighead, Sr., Leaster Vaughn and wife, Mike Morgan and wife, Mrs. Georgia Davis and Merritt Dunn and wife.

## Parade To Open Melon Festival

De Leon hopes to have one of its best and biggest parades this year on Wednesday, August 5, at 5 p. m. to open its annual Peach and Melon Festival which will run through Saturday.

This is an annual event and always draws a large attendance from all parts of the country. There will be booths and plenty of entertainment all during the three days.

Bill Johnson and wife of Albuquerque, N. M. and Vern Reese of San Jose, Calif. visited Elbert Jackson and wife recently.

James Wyatt who is in the Marines stationed in California, has been visiting his parents, Lonzo Wyatt and wife.

John Kent Gilbert and family of Dallas visited his parents, the Clifford Gilberts, and Mrs. Gilbert and children remained for a few days visit this week.

Monte Walker and family of Ojessa spent the week end with his parents, W. E. Walker and wife.

Mrs. Tom Lasater and daughter, Sandra, have returned from a visit with their daughter and sister, Mrs. Bob Bisby, and family of Big Lake.

Mr. Frank Park is directing the song service for the revival meeting being held at Olden this week.

Mr. and Mrs. Charles Adair of Victoria spent the week end with her parents, Mr. and Mrs. Henry Hines, and their children, Marsha and Chucky, returned home with them after a visit here with their grandparents.

Mr. and Mrs. Clifford C. Gilbert have returned from a vacation at a cabin in Western Colorado, and back through Kansas and Oklahoma. They were accompanied by Calvin Gilbert and family of Denton.

## Barbecue Scheduled For August 27

The Sabanna Valley Game Preserve Ass'n. has tentatively set the date for the annual barbecue for August 27. The event was previously set for July 21, but had to be canceled because of rainy weather. Mr. Berry Greenwood, sec-treas. of the association, said if there were those who had purchased tickets and would not be able to attend, could get a refund by contacting an officer of the association.

## R. P. Browder Resigns; Spence Elected Supt.

R. P. Browder who has been connected with the Carbon School System for the past four years, has resigned and last week accepted the position as superintendent of the Gorman School. Mr. Browder first served one year as high school principal and coach and for the past three years has served as superintendent.

Carbon indeed regrets to lose the Browder family as they will not only be missed in the school system, but in church and community affairs as well. We wish for Mr. Browder the same success in his new position that he has experienced here.

On Saturday night the school board met and elected Travis Spence as superintendent of Carbon school for the coming year. Mr. Spence needs no introduction to the people here since he has been connected with the school system for the past several years. He first started as Agriculture teacher and has served as teacher in high school for the past two years.

The board feels that Mr. Spence is fully capable of filling this important position. He is now attending a summer course at Canyon.

## Notice About Cemetery Mowing

We of the Cemetery Association Board would like the public to know that we have bought and paid for a lawn mower and an oil sprayer for use in both cemeteries.

Most of us have people buried in both places and are greatly interested in both places. The caretaker was not told which to mow first. He works where it is needed as he can get to it. After a short rest and vacation he will continue the work.

The things bought cost money; the oil and gasoline will cost money, and the man who labors must be paid. Have you helped? Any donation is needed and will be appreciated.

Collin Campbell, Pres.  
Mrs. Clifford C. Gilbert, Sec-Treas.

## Local Farmer Injured By Tractor

Mr. R. W. Benton received severe injuries Tuesday while working on his tractor when it was accidentally thrown into gear. He was dragged for several feet by the tractor.

He was rushed to the Gorman Hospital where x-ray pictures showed severe shoulder injuries and several broken ribs and other injuries.

Maurence Sherrill and family of Dallas were Sunday visitors of his mother, Mrs. S. S. Sherrill, and Larry returned home with them after spending the week here.

Mrs. Tommy Cline of Comanche visited Mrs. Will Lovell and other friends here this week.

## Price Support For 1959 Crop Peanuts Is Placed At \$193.50

Price support levels for 1959 crop peanuts have been announced by the U. S. Department of Agriculture. The levels are temporary, and are based on the minimum national average support of \$193.50 per ton, announced in advance of planting time.

USDA officials explained that the announcement will permit price support operations to go into effect promptly for the 1959 crop, pending determination of the final support rates on the basis of the August parity price.

The supply situation, as effected by the 1959 estimated production shown in the August crop production report, is also a factor in setting the levels.

If the final support rates are higher than those announced in this report, any farmers who may have placed peanuts under loans at the announced interim levels will receive additional advances to equal the higher level.

The average support prices by type per ton of 1959 quota peanuts related to the \$193.50 per ton group are:

Virginia type	\$205.30
Runner type	\$180.34
Southeastern	
Spanish type	\$197.90
Southwestern	
Spanish type	\$189.93
Interim loan advance for Southwest Spanish peanuts	will be \$180.58.

Southeastern	
Spanish type	\$197.90
Southwestern	
Spanish type	\$189.93
Interim loan advance for Southwest Spanish peanuts	will be \$180.58.

Loans and purchase agreements on 1959 peanuts will be available to individual producers and grower associations from the time of harvest through January 31, 1960. Loans will mature May 31, 1960, or earlier on demand by the Commodity Credit Corporation.

*Only Christ Does This...*

*"As many as received him, to them gave he power to become the sons of God."*  
John 1:12

**Welcome to REVIVAL SERVICES**

The Baptist summer revival will begin Friday night, July 31, and run through August 9. Rev Ed Scarbrough, pastor of Second Baptist Church in Ranger, will be the evangelist and Rev Roger Butler, local pastor, will direct the song service. The public is invited to attend these services.

## Revival Meeting Issue Dates For Surplus Food Given

The Mountain Top Pentecostal Church began a revival meeting Wednesday evening, July 29. Bro. Marvin Truce of Cleburne will deliver the evening messages. Everyone is invited.  
Pastor, G. W. Hamilton

The next issue date for the surplus foods for Rising Star, Okra, Carbon, Gorman and DeLeon is Tuesday, July 11, according to an announcement by J. J. Porter, administrator.

one of the four Ranger men recently charged in Eastland county with theft of cattle and goats, posted \$1,000 bond and was released from the county jail Thursday.

The freedom of G. G. Barnes was short lived, however, as he was immediately taken to Breckenridge where he faces similar charges. Still under the \$1,000 bond in the jail at Eastland were Oliver L. Rogers, Donald Ray Casey and Billy Joe Koerner.

Sheriff J. B. Williams filed charges against the quartet earlier in the week, climaxing a two month's investigation of missing cattle and goats in Eastland and Stephens counties.

Surplus Food Program Renewed Another Year

The Eastland County Commissioners, in their last regular scheduled semi-monthly meeting at the court house, voted to renew the surplus food program for another year.

The order renewing the program calls for 1,900 persons to share the surplus commodities under the program.

Assistant Editor: Mrs. W. M. Dunn

While shopping the meat department, look for best beef buys on pot roast, beef liver, ground beef and round or sirloin steak. Best pork values include bacon, hams, picnics and sausage. Fryers are still the biggest "bargain" in most meat departments.

Fresh fruit items are increasing as the season moves along. Peaches are small in size, but of very good quality and they are moderately priced. Bananas and pineapple are attractively priced in most stores.

Fresh vegetables are good in most markets... Yellow squash, cucumbers, peas, green beans, carrots and potatoes are featured during the present season.

Homemakers lose time, labor and money when canned food spoils. If quality is poor, the food may lose appeal and nutritive value. There are 3 main reasons for food spoilage: (1) under-processing, (2) faulty seals, and (3) improper handling. Work for top quality in your canned products by following these suggestions:

Use young tender products —

as fresh as you can get. Gather and can in the cool of the morning.

Can in small amounts. Clean food thoroughly — keep all utensils and containers clean.

Use aluminum, unchipped enamel or glass for holding or pre-cooking food.

Aim for speed in preparation. "One hour from the garden to can is ideal."

Use proper type of can or jar for food being canned.

Have food hot when sealed unless canning vegetables by one-step cold-pack method.

## SOIL BANK RULES CITED; TREE CHAINING IS PLANNED BY ASC

Several helpful reminders were  
extended to area farmers in a re-  
cent newsletter from the office of  
Emmett E. Powell, Eastland  
County manager for the Agricul-  
tural Stabilization and Conserva-  
tion Committee of the USDA.

Producers with acreage in the  
Soil Bank were reminded that  
the acreage must not be grazed  
nor the crop harvested. Cockle-  
burrs and sunflowers must also  
be controlled.

Several of the farms with acre-  
age in the soil bank have good  
cover crops of Johnson grass,  
sorghum alnum and blue panic  
grass. All the farms will be  
checked, Mr. Powell reported.

The committee has set up  
chaining mesquite as a control  
practice. The trees should be  
four inches or larger in diameter  
and moisture deep enough to pre-  
vent excess breakage. Payment

on this practice is one dollar per  
acre.

The ASC has almost finished  
measuring county peanut and  
cotton crops for 1959. If you are  
overplanted on peanuts, why not  
get them destroyed and rechecked  
so that there will be no delay in  
obtaining a marketing card this  
fall. Mr. Powell expressed the  
thanks of his department for the  
co-operation of producers in this  
work.

Corsica, an island 100 miles off  
the French coast, is famed as the  
birthplace of Napoleon.
