CHILI PEPPER NEW CROP.

A load of chili pepper attracted some attention in Ballinger Saturday. The pepper was raised near Ballinger and it was being sold to the Mexicans and others for chili pepper. It was finding ready sale and at a price that the producer says made it a very profitable crop.

Little by little the farmers learn there is something to rely on for a money crop besides cotton. If chili pepper grows here successfully there is no reason why it should not be raised for the larger markets and shipped in paying quantities.

WILL ATTEND ROWENA FAIR

Business Mens League Invited to Be Guests of Rowena Merchants Sept. 29th.

Monday, Sept. 29th will be a gala day in the enterprising little town of Rowena. The stores of that town will not be open for business, and the merchants will meet with the farmers on the fair grounds and by their presence and co-operation do what they can towards encouraging the raising of better crops and live stock. Many Ballinger merchants will take a day off, and mingle with the people of the Southern part of the county. The following invitation has been received by the Business Men's League, of Ballinger, and it speaks for itself:

Sept. 19th., 1913.
"Business Mens' League,
Ballinger, Texas.

"Gentlemen: Believing that one of the aims of your organization is to encourage all efforts to bring the good points of Runnels county before the local people, as well as for the attention of outsiders, the Business Men of Rowena hereby extend to you an invitation to attend The Second Agricultural and Live Stock Exhibit to be held in our city on Monday, September 29th, opening at 9:00 a. m. and for the particulars of which we wish to refer you to the advertisement of same appearing in this week's issue of Banner-Ledger.

Our first effort of holding an Exhibit was caused primarily by the general dissatisfaction with local conditions arising among the farmers and something had to be done to convince the people that conditions were not as bad as the knockers would have them believe and we wish to say, that with practically no encouragement and a good deal of knocking, our first attempt proved a very pleasant affair and agreeably surprised the majority who inspected the exhibits.

The exhibit this year was promoted by reason of the demand for

DOPE FIEND STARTS FIRE

Youth Who Breaks Into Drug Store to Get Supply of Morphine Drops Match in Alcohol

Fort Worth, Sept. 20.—A fire in the Metropolitan pharmacy, 905 Main street, which caused a damage to stock and fixtures estimated at \$500, and aroused many of the guests of the hotel, some of them descending to the second floor in night attire, was caused at 5:30 Friday morning by Chris Arnold, a "dope" fiend, who had broken into the pharmacy during the night. He dropped a lighted match into a can of wood alcohol.

It is alleged that Arnold, who lives at 1345 Maddox avenue, and who is said to have been a dope fiend for several years, broke into the store shortly after 3 o'clock Friday morning, fell into a stupor after obtaining a supply of morphine. He struck the match when he awoke.

In running out of the store, Arnold broke through the front door glass and all, and attracted the attention of Officer Johnson, who was standing near by. As the fugitive ran west on Eighth street he was followed by the officer, who fired several shots in the air, and finally captured Arnold near Throckmorton and Eighth streets.

In the meantime the fire had been discovered by Night Clerk Ira Higbee of the hotel, who instructed the night telephone operator Miss Zandt, to notify the guests about 200. Shortly after they were awakened, the firemen informed the hotel management that the blaze which was confined to the rear of the drug store, had been extinguished.

Arnold was arrested and taken to police headquarters, where he was interrogated by Chief Montgomery and several detectives. He finally admitted to breaking into the store in order to obtain a supply of "dope." A charge of burglary and probably arson will be placed against him. In his frantic escape from the fire and dash through the door, Arnold was burned about the feet and cut on the face. A physician was summoned to attend the injuries which are painful but not serious.

His mother, Mrs. M. J. Arnold, said the family had been saving up money to have her son take a "dope cure" in Dallas and was shocked when she learned of his latest escapade. She said his body was full of punctures where he had used the needle in administering the drug to himself. Arnold was turned over to the county authorities today.

T. J. Starkey sold his residence in West End to Harry Sharp and closed the deal Friday in which he bought the J. A. Watkins residence on 9th street at which place he will move his family to make home.

DYNAMITES SELF AND HIS FAMILY

Bloomington Man Wraps Himself In Explosive and Crawls Into Bed With Daughters.

Bloomington, Ind., Sept. 19.—Mack Hurst, 50 years old, a stone mason, early today blew up his home here with dynamite killing himself and his 17 year old daughter, Maude, seriously injuring two other daughters, Fannie 13 and Elizabeth, 6, and stunning his wife.

Hurst had been separated from his wife for six weeks and yesterday she refused to take him back. It is believed that he then, in a fit of insanity, determined to kill his entire family, consisting of his wife and eight children.

The dead girl met the fate intended for her mother and the fact that they had changed beds for the night cost the daughter her life. Hurst, after stealthily planting a stick of dynamite under each of three beds in the house, tied two sticks to his own body and crawled into the bed which he had formerly occupied with his wife, but which last night contained the three daughters, Maude, Fannie and Elizabeth.

Fannie heard her father getting into the bed and spoke to him. "Lie still," Hurst replied. "We will all die together."

Before the girl could move the

BIG SALE SUDAN GRASS SEED MADE

P. E. Montgomery Closes Biggest Deal Yet Made in This Country on the Seed of Grass.

Belton, Sept. 19.—Paul Montgomery of this city has just closed a deal with the Melado Land and Townsite company of Monte Cristo, Texas, by which he ships to that company 250 pounds of Sudan grass seed. This is said to be the largest single sale of the seed of this grass ever made in this country.

Mr. Montgomery received \$1.00 per pound for the seed.

The seed sold by Mr. Montgomery are about one-half of the yield from one and one-half acres of land sowed in the Sudan grass making the neat receipt of \$250 from three-quarters of an acre of ground in addition to a splendid supply of fodder.

explosion rent the house and aroused the city. The police and fire department rushed to the scene, removed the bodies of Hurst and one daughter and sent the two injured girls to the hospital.

Four sticks of dynamite, unexploded, were found in the ruins and the fact that only one, and that one attached to Hurst's body had exploded, accounted for the escape of the other members of the family.

By reason of the short crops and a commendable desire to promptly meet his obligations, a good farmer sold one of his work mules, receiving a check or which he took the cash, but before he had time to apply any of the funds, lost the entire amount. We doubt if there is a nation on earth that would have put up with the the Mexicans like Uncle Sam. If patience is a jewel Uncle Sam is a jewel.

Some of our East Texas exchanges remark that persimmons are getting ripe, which we take to mean that the harvest season is at hand and having made it through the summer our East Texas friends will make it through the winter.

An ad. in this paper says, "we pay cash for chickens." The time was when it was hard to trade chickens with the merchants and take in exchange various kinds of merchandise. That time is no more. Plant chickens.

Just a short time and county politics will begin to boil. Candidates can be seen now with their heads together, and also calling their friends off around the corner and getting a line up on the lay of the land. In fact it is said that some real political fencing is going on.

That sweet voice from Central office that tickles the drum of our ear about nine-thirty every morning and says, "Weather Report," failed to tell us about that West Texas rain that reached here about ten o'clock Friday night. The old timers say it was akin to a hurricane, and was about the hardest blue sky duster that ever struck these "diggins."

Nov. 5 and 6 have been designated by Gov. Colquitt as good roads days in Texas. We are a believer in designating certain days to carry out certain kinds of work, but the citizens of Runnels county should make every day a good road day until they get catch up with the procession. We are away behind on the good roads question.

GOOD YIELD OF COTTON UNDER DEMONSTRATION

O. C. Trumbull, a well known farmer of the Jordan Springs community, near Brownwood, who farmed ten acres of cotton

this season under the methods suggested by Chas. F. Ward, the government demonstration agent for this county, reports that on the ten acres of demonstration cotton he will gather over a half bale to the acre. This is an extraordinary success in cotton for this season and it clearly demonstrates the value of the demonstration agent's work. Mr. Trumbull has followed the demonstration plan of cultivation for the past three years, and he commends Mr. Ward's work very highly.—Brownwood News.

MOTHER! IS CHILD'S STOMACH SOUR, SICK?

If tongue is coated or if cross, feverish, constipated give "California Syrup of Figs."

Don't scold your fretful peevish child. See if tongue is coated; this is sure sign its little stomach, liver and bowels are clogged with waste.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomachache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the fowl waste, the sour and fermenting food passes out of the bowels and you have a well and playful child again. Children love this harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to make their little "insides" clean and sweet.

Keep it handy, Mother! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown ups plainly on the bottle. Remember there are counterfeits sold here, so surely look and see that yours is made by the "California Fig Company." Hand back with contempt any other fig syrup.

THICK, GLOSSY HAIR FREE FROM DANDRUFF.

Girls! Try it! Hair Gets Soft, fluffy and luxuriant at once—No more falling hair.

If you care for heavy hair, that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp the hair roots famish, loosen and lose their softness and is fluffy and lustrous.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a 25 cent bottle of Knowlton's Danderine at any drug store or toilet counter; apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Danderine. If eventually—why not now?

Stomach Trouble; Wholly Restored!

Mrs. Wilson Robison, 744 Nessler St., Toledo, Ohio, writes:

"I feel like a new person. I have no more heavy feelings, no more pain, don't belch up gas, can eat most anything without it hurting me. I want to be working all the time. I have gained twenty-four pounds."

"People that see me now and saw me two months ago seem astonished. I tell them Peruna did it. I will say it is the only remedy for spring and all other ailments."

No argument is needed for Peruna. Just get a bottle and try it. If you have catarrh of the stomach you have a serious trouble. If you want to find a remedy it would be very easy to make the experiment. Before you have taken Peruna a week you will likely find yourself better, then you will need no testimonials on the part of other people, or arguments to convince you. Until you try Peruna, however, all the testimonials in the world and arguments, however logical, will not move you. Just one trial of Peruna will convince you.

Persons who object to liquid medicines can now obtain Peruna Tablets.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can get blessed relief in five minutes.

Ask your pharmacist to show you the formula, plainly printed on these fifty-cent cases of Pape's Diapepsin, then you will understand why dyspeptic troubles of all kinds must go, and why they relieve sour, out-of-order stomachs or indigestion in five minutes. "Pape's Diapepsin" is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but, what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many "Pape's Diapepsin" cranks, as some people will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gases, heartburn, sourness, dyspepsia or any stomach misery.

Get some now this, minutes, and rid yourself of stomach trouble and indigestion in five minutes.

AT THE PRINCESS.

A large audience greeted the "Resurrection" at the Princess Theatre Friday night, it was a four reel feature by the famous Russian playwright, Count Leo Tolsti. Blanche Walsh, was the leading lady in the picture. This was an extremely interesting and entertaining.

Besides the splendid show a three reel picture feature was shown at the White City.

Will Atten Rowena Fair

Continued from first page)

same from among the farmers and as you made an attempt this spring to secure a County Fair, we would like to suggest that it might be time well spent if your body will show a real interest in encouraging these community exhibits by attending them, either as individuals or as a body. The business men of Rowena propose to be friendly and on good terms with the business men in all of the towns of the county and we believe that a spirit of co-operation properly evidenced by attending these exhibits will do more than any thing to prove to the farmers that a County Fair would be but to their benefit.

In subscribing the expense money for the holding of this exhibit, the business men of Rowena intend to convince the farmers of this community that the exhibit is held for their benefit, especially in allowing all of the gate receipts to make up the premium pot and that it is no grafting scheme, but intended to build up a friendly rivalry for better farming methods, better live stock. We cordially welcome all outsiders who desire to exhibit anything to bring it, but for exhibition only, as there will be no charge for floor or ground space.

All business houses will be closed for the day and if you agree to attend this exhibit, as a body, we would like for you to arrange for all to come at one time, as boosters for the good of the county and to be here in the morning as early as convenient, stay all day and take in the dance at night. Arrange to come and bring you wives and sweethearts along, because they will enjoy the exhibit as much as you will.

Respectfully,
 J. A. LEGGETT,
 President.

 Secretary-Treasurer

TO TAKE SUNDAY SCHOOL CENSUS OF TOWN

It has been suggested, and the suggestion will be put into action that the various Sunday schools of the town plan and carry out a visitation campaign in Ballinger. The object of this work is to ascertain how many people in Ballinger are not attending Sunday school and make an effort to get them to attend the Sunday school of their choice.

Each Sunday school in Ballinger will appoint a committee of two, and the committee from the various Sunday schools will get together and outline the campaign, and call on any others they wish to have help them, or that they might need to make the work a success.

In this work each man, woman and child in Ballinger will be called on, and will be asked to fill out a blank showing what Sunday school they are members of, and if not a member of any Sunday school to state their preference, etc. The answering of the question asked on the cards places the person under no obligations whatever, and it will be of great help to the Sunday school workers. It is the desire that each Sunday school appoint its committee at the Sunday school hour tomorrow.

HELPLESS AS BABY

Down in Mind Unable to Work, and What Helped Her.

Summit Point, W. Va.—Mrs. Anna Belle Emey, of this place, says: "I suffered for 15 years with an awful pain in my right side, caused from womanly trouble, and doctored lots for it, but without success. I suffered so very much, that I became down in mind, and as helpless as a baby. I was in the worst kind of shape. Was unable to do any work."

I began taking Cardui, the woman's tonic, and got relief from the very first dose. By the time I had taken 12 bottles, my health was completely restored. I am now 48 years years old, but feel as good as I did when only 16.

Cardui certainly saved me from losing my mind, and I feel it my duty to speak in its favor. I wish I had some power over poor, suffering women, and could make them know the good it would do them.

If you suffer from any of the ailments peculiar to women, it will certainly be worth your while to give Cardui a trial. It has been helping weak women for more than 50 years, and will help you, too.

Try Cardui. Your druggist sells it.
