There is at present a great high way running from Colorado to the Gulf of Mexico and this is the only highway in Texas that is at present routed in the "Blue Book." 2. Nearly one-half our pupils have studies in two different grades. To make a schedule of January 1 will also require that Bowie, President of the Colorado recitations for them makes it necessary to begin classes at 8:20. We respectfully ask parents to aid us in this difficulty by sending pupils in time for these classes. If the teachers will agree to work this early, surely the pupils ought to respond, since it is made necessary to accommodate those who have a mixed grading. Pupils in Low 8, Ninth ,and German 11-A are the classes affect

4. Parents are again urged to have their children come home from school. Boys need your over-sight; we can't be responsible for everyone until he accidentally gets home in time for

5. Some sons are using more tobacco than is good for their growing nervous system. These boys are slow to learn; quick to fail in studies; restive under discipline. The habit can be cured; but not so long as "father" uses "his nose as a chimney." May we have your help?

Lets hope it will be the same way this winter.

Feeling a pity on the old man the officers decided they would do him a good turn by giving him a bath, a hair cut and a shave.
