# Wilke's New Dry Goods Store

I have just opened up a \$10,000.00 stock of Dry Goods in my store building next door to Nance's new Garage. We should be glad to have you come in and inspect this stock before purchasing elsewhere. Stock consists of Dry Goods, Hats, Shoes, Underwear for all ages, Wool and Cotton Blankets, Men's and Boys' Clothing, Ladies' Tailor-made Suits, Ladies' and Children's Coats, Men's and Boys' Overcoats, Trunks, Bags, Suit Cases, Notions, etc., etc.

These goods will be sold at sacrifice prices. I can sell them at cost and then make a good profit; some things I will sell at less than cost especially Winter Goods. How can I do it? Because I traded land at a good price for the goods, clear, which enables me to sell to you at less than Wholesale Cost and still make a better profit than the average merchant that sells for 50 percent profit, thus saving you 1-3 of your money.

Do not confuse this stock with those you generally find for trade, but was taken from one of the best stocks in Coleman and is above the average stock of \$10,000.00 found in any city
