Various implements of war are said to have been in evidence, and the wife of one of the men involved did some effective clawing and seratching on one of the opposing side.

Young Taylor came to Bronte Tuesday afternoon and pleaded Roy Bull and Stanley Cameron guilty to his part of the trouble, and the charge of assault to murder and carrying a pistol, against Turner, will likely go over to th grand jury in September.—Bronts Enterprise.

Take Plenty of Time to Eat

There is a saying that "rapid eating is slow suicide." If you have formed the habit of eating (too rapidly you are most likely suffering from indigestion or constipation, which will result ev. entually in serious illness unless corrected. Digestion begins in the mouth. Food should be thoroughly masticated and insalivated. Then when you have a fullness of the stomach or feel dull and stupid after eating, take one of Chamberlain's Tablets. Many (1988) severe cases of stomach trouble and constipation have been cured by the use of these tablets. They are easy to take and most agreeable in effect. Sold by all dealers.
