While it is strange bed fellows politics makes, some times politics make bed fellows fall out.

So many men make mistakes in talking for their favorite candidate that the other fellows profits by. Be careful what you say and you will not drive votes out of your own camp.

That's true in wild oat sowing, but in most other crops the boy gets ahead of his dady.

Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

LITTLE STORIES OF THE LONE STAR STATE

What might be called the darkness before the dawn of a better day for colonial Texas was the situation the young Mexican state found itself in at the opening of the year 1817, a deplorable condition. San Antonio, prostrated by the war of independence from Spain, was nearly deserted. The people of Nacogdoches, fugitives from their homes, were wandering on the frontiers of Louisiana. In the entire province there were not more than two hundred Spanish troops. Galveston alone was prosperous and that because fed by the industry of Governor Aury's and Lafitte's privateers. A few years before the Spanish army, having routed the mixed Mexican and American republicans under General Toledo, had marched in triumph into San Antonio. Then commenced a scene of barbarity never before witnessed in Texas. Seven hundred of the peaceable citizens were seized and imprisoned. Three hundred of them were confined during a hot night in August in an outhouse and eighteen of them died that night of suffocation.

The Spanish commander had a special prison for females. It occupied the site of the present postoffice of San Antonio. Here were imprisoned five hundred of the wives, daughters and other females of the patriots. And they were compelled daily to convert twenty-four bushels of Indian corn into the Mexican cakes tortillas. However, there were other patriots to keep up the battle until Texas and Mexico threw off the Spanish yoke, 1821.

50,000 IN SUNDAY SCHOOL PARADE

CHICAGO, June 27.—Waving pennants and banners bearing the keynote phrase of the convention: "Jesus Shall Reign," thousands of men gathered in Michigan avenue for the parade late this afternoon that was to be the spectacular feature of the fourteenth International Sunday School convention, held in a week's session here. Between 40,000 and 50,000 men, it was predicted, would be in line when the parade moved. An escort of mounted police was to lead the way, and behind them came 2,000 marching delegates, given the place of honor, several thousand marchers from Illinois, northern Indiana and Southern Wisconsin Sunday schools and big delegations from nearly every Sunday school in Cook county. Each of the larger delegations was provided with a band. The parade was planned as a gigantic demonstration to impress upon the men of Chicago the fact that more than 3,000,000 men are attending Sunday school in North America. The convention leaders declared it would be the greatest parade in the history of their organization. Brief conferences of convention groups were held this afternoon but activities were suspended this afternoon while the Sunday school delegates sought places in the crowds that massed along the line of march. In Medinah temple, where the main sessions of the convention are being held, a historical pageant will be given tonight, twenty-seven Sunday schools from Cook county taking part. A number of denominational rallies will be held this afternoon but appears of the city. National prohibition of the liquor traffic will be considered at the Sunday afternoon session in Medinah temple. Rev. Parley, national superintendent of the Anti-Saloon League, and Richmond Pearson Hobson, who introduced the Prohibition amendment in Congress, will be the speakers. Mass meetings for boys and girls for instruction in temperance and purity were held in the First Congregational and Third Presbyterian churches. Sunday night services at Medinah temple will be addresses by Bishop William F. McDowell of the Methodist church.

BELASCO WORKING ON NEW 1915 PLAY

BY BEAU RIALTO. . . . (Written for the United Press) NEW YORK, June 27.—David Belasco will be the first of the managers to get away from the 1914-1915 theatrical handicap. The piece is called "The Vanishing Bride" taken from a German source and adapted by Sydney Rosenfeld. Rehearsals have been on for a week. The warming up print will be at Long Branch on July 20. After a few gallops at other seaside towns, Belasco, provided he likes it well enough, will spring it on Manhattan at the Belasco Theatre in September. Up to this writing the managers of the "The Vanishing Bride" would give no inkling of how she vanished or whether she was finally caught. The story of the play was a dead secret.

Another early one that will be shown to Broadwayfarers who are back in town in time will be the London hit, "A Pair of Silk Stockings." Allan Aynesworth and Bronson Albery, who are said to be very whit as English as their names sound, are to be imported with the show by Lee Shubert.

Otis Harlan, who, with rollicking Mary Marble have entertained theatre-going folks longer than either Otis and Mary would like to remember, apparently have given

DEMOCRATS AND REPUBLICANS PLAY

Special to The Daily Ledger: WASHINGTON, June 27.—The annual house baseball game is being played at the American League park here this afternoon. The republican and progressive players are: Patton, Pennsylvania; Farr, Pennsylvania; Winslow, Massachusetts; Barton, Nebraska; Sinnott, Oregon; Slomp, Virginia Woodruff, Michigan; Rogers, Massachusetts and Miller, Pennsylvania, the captain. The democrats include: Webb, North Carolina, captain; Rouse, Kentucky; Oldfield, Arkansas; Harrison, Mississippi; Iowa; Elder Louisiana, and McDermott, Illinois. The game is for the benefit of the Washington Playgrounds association.

en up the boards for good and all. They "may go back" but not regularly.

Harlan has assumed charge of the Deal Casino at Deal, N. J., where he has a huge Terpsichorean palace upstairs and a movie show on the ground floor. Harlan says his new manner of living afford more time to humor his leanings towards domesticity. There do be them as say, however, that the clever comedian is rather stout for the stunts he formerly pulled.

Say what you will about the people tiring of the "Follies" and such shows, but you'll have to prove it to Florenz Ziegfeld. During the first week that the annual frothy "Follies" frothed and foamed at the Amsterdam a round \$19,500 gross was poured into Ziegfeld's till via the box office counter.

Ziegfeld, by the way seems to have brought himself much fortune by marrying pretty Billie Burk. The Amsterdam Roof also is under his management. It did an average of \$600 nightly in the box office. The bar receipts averaged about \$550 every night.

After laughing and scoffing at American theatre managers for letting Gaby Delsys separate them from an immense sum weekly the English have jumped into a glass house by hiring the erstwhile kingdom destroyer at a salary of \$3,000 a week for seventeen weeks engagement.

The contract carries an option for twelve weeks more at the same price in the same season or during next season. Gaby is appearing for the three-thru weekly at the Palace, Alfred Butt's hall, with Harry Pileher.

Paint as an Investment

PAINT adds value as well as beauty to anything to which it is applied. Paint is the farmer's best friend. A leading scientific editor says: "Thirty-five million dollars a year can be saved in the United States by the use of paint." The paint can is the farmer's savings bank. Keep one on YOUR farm ready for use at any time. When you remember that farm buildings put up only five years ago could not be duplicated today for almost twice the money it shows that it pays to paint your house, barn, implements, and everything that needs a finishing coat of paint. When you use paint use "The Best Paints Made,"—

Minnesota Paints
with a reputation of forty years of success. Ground and mixed, in the only oil that will make good paint—pure linseed oil. Minnesota Linseed Oil, in which **Minnesota Paints** are ground, is made in our own mills from Northwestern flax-seed, the best that can be had.

We make "A Special Paint for Every Paintable Surface". The cost per can has nothing to do with the cost of paint. Figure how much surface a gallon will cover and protect satisfactorily. **Minnesota Paints** on this basis, are the cheapest paints on the market.

SECOND PRIMARY FOR COKE COUNTY

The Democratic Executive Committee of Coke county is not to be content with one primary. It has, therefore, decided to have a second primary, to be held August 18, and to which the two highest candidates in the first primary will be required to submit. Regarding the second primary, the Bronte Enterprise says:

Of course unopposed candidates and those receiving a majority in the first primary, are not required to enter the second, but it is the understanding that these will also be expected and assessed to help pay the expenses of the second primary. This must be a mistake, but we will make no comments until we have seen an official report of the proceedings.

The committee divided eight to four in favor of the second primary, those nearest Robert Lee and in the western portion of the county favoring the change and those in the eastern portion opposing. The idea uppermost in the minds of those voting for the second primary, was apparently to beat Bronte and the eastern portion of the county out of as many offices as the combined voting strength of Robert Lee and other boxes can accomplish. Only two candidates, as far as we know, favored the double primary, and these reside at Robert Lee. They, of course, hope and expect to get in the second primary, and if they shall be so lucky, it is our opinion they will lose in the second. This is only a guess and is said without prejudice for both are excellent and worthy gentlemen.

A GREAT RESCUE RALLY SUNDAY

Will be held under the large tent, which is located near the court house, Sunday at 3 p. m. by Mrs. Emma Irick, evangelist and assisted by the sweet singers the orphan children from Pilot Point Orphanage.

This rally will be held in behalf of Rest Cottage and Orphanage which are located in Pilot Point, and which rescue home, in the last eleven years has received, sheltered and redeemed over six hundred girls and women and we are glad to announce through your valuable Ballinger paper, The Ledger, that 80 per cent of these six hundred redeemed have stood true to virtue, womanhood, God and all that is good.

The orphanage has picked up many little tots, waives and homeless fellows and received them and are striving to educate, home and teach them the way of salvation, usefulness and Heaven.

Rev. Mrs. Irick gave this lecture during our recent revival in Bonham at the power of God came upon that vast throng and a wonderful service that shall never be forgotten was witnessed.

There will be special singing by the four orphan girls; and to hear them, you will never get away from their happy faces, beautiful singing and ringing testimonies and the blessed scenes which shall characterize this great rally. We invite all the pastors, Christian workers, all church members, everybody in town and out of town to this gracious feast. Don't forget the hour, Sunday 3 p. m.

The revival meeting will close Sunday night. Everybody welcome. Let the friends of our fair daughters of this broad land be sure and attend this Sunday 3 p. m. service. May God bless our town and country.

In behalf of six hundred thousand girls and women in America who have lost their way in life, will this service be held.

We invite you.

IN SUCH PAIN WOMAN CRIED

Suffered Everything Until Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Florence, So. Dakota.—"I used to be very sick every month with bearing down pains and backache, and had headache a good deal of the time and very little appetite. The pains were so bad that I used to sit right down on the floor and cry, because it hurt me so and I could not do any work at those times. An old woman advised me to try Lydia E. Pinkham's Vegetable Compound and I got a bottle. I felt better the next month so I took three more bottles of it and got well so I could work all the time. I hope every woman who suffers like I did will try Lydia E. Pinkham's Vegetable Compound." — Mrs. P. W. LANSING, Route No. 1, Florence, South Dakota.

Why will women continue to suffer day in and day out or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

For thirty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, tumors, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Betting 3 to 1 Favor Johnson
 (Continued from First Page.)

Moran money in local sporting circles.

Special to The Daily Ledger:
 PARIS, June 27.—Jack Johnson world's heavy weight champion pugilist, and Frank Moran of Pittsburg, who hopes to wrest the title from the big Galveston negro were early to bed last night in their training quarters for a restful sleep before their twenty-round battle in the amphitheatre of the Velodrome D'Liver tonight.

Each man declared himself physically fit for the fray and each was highly optimistic that victory would rest with him. Experts who have watched them closely while in training, bore out the assertions of the fighters that they were well prepared for the battle.

Yesterday afternoon before a large crowd in his gymnasium Johnson donned the gloves with his trainers. He took on successively three boxers for several rounds each and also went through part of his regular indoor exercise.

Willie Lewis, American middle weight, who has been helping to condition Moran, to toughen the challenger, recently has been making Moran stand with hands at sides and with legs braced while Lewis rained blows to the point of his jaw trying to knock him down.

As a result of this training Moran will enter the ring tonight with facial scars left there by the hard punches of his sparring partners.

Johnson has trained assiduously if not quite so strenuously. He began his work two weeks earlier than Moran and has been careful not to overdo it. In the betting tonight Johnson remained a three to one favorite.

HOW PAINT

The first cost of a good job of paint—Devoe—is \$50 (average size, of course). The first cost of a second or third or fourth rate job, \$55 to \$100.

The wear is likewise. The better you paint, of course, the longer it wears. And the more you pay for your job, the shorter it wears.

Devoe is one of a dozen good paints. There are hundreds of bad ones. As likely as not, Devoe, is the only good one in this town.

MRS. J. T. LEWIS OF TALPA DEAD

News of the death of Mrs. J. T. Lewis was received in Ballinger Saturday. It will be remembered that Mrs. Lewis was brought to Ballinger for an operation early in the spring. She was later carried to her home at Talpa, and not regaining her health she was carried to Waco for treatment, and Thursday night. The remains were shipped to Talpa for burial, arriving there Saturday and the funeral held Sunday.

The many friends of this good family extend to them heartfelt sympathy in their sorrow.

Take Plenty of Time to Eat

There is a saying that "rapid eating is slow suicide." If you have formed the habit of eating too rapidly you are most likely suffering from indigestion or constipation, which will result eventually in serious illness unless corrected. Digestion begins in the mouth. Food should be thoroughly masticated and insalivated. Then when you have a fullness of the stomach or feel dull and stupid after eating, take one of Chamberlain's Tablets. Many severe cases of stomach trouble and constipation have been cured by the use of these tablets. They are easy to take and most agreeable in effect. Sold by all dealers.

GUION AND LEE IN JOINT DEBATE

In making mention of the joint debate between Judge Jno. I. Guion of Ballinger and Judge Brown F. Lee, of San Angelo, the San Angelo Standard says:

Seldom in the history of state politics have West Texas hearers had the privilege of listening to a more heated debate than that which took place at the Sunday school picnic at Mertzon Thursday when Judge John I. Guion of Ballinger, in behalf of the candidacy of the Hon. James E. Ferguson, and Brown F. Lee, as the champion of the candidacy of Hon. Thos. H. Ball for the office of governor of the state of Texas, roused their audiences to a pitch of excitement seldom felt in a Texas campaign.

The terrific onslaught made by Judge Guion on the political record of Mr. Lee and the seathing rejoinder of the San Angelo lawyer in which he charged that not a single statement which his opponent had made with respect to his Bell county anti-prohibition speeches was true or could be substantiated by Judge Guion, held the assemblage in rapt attention such as is seldom accorded political speakers.
