# LOVE AND LUNACY ABROAD IN JUNE

By United Press. PARIS, July 13.-June, when Cupid is busiest, is also the month of lunatics, according to Dr. Roubinovitch, chief of staff at the Bicetre Hospital for the Insane here. His statistics, which cover a number of years show June to lead all other months by far with its average number of new cases of mental breakdown. September shows the smallest average. The scale runs: June 1,896; May 1. 753; July 1,745; October 1,744 March 1,729; January 1,709; Dec. ember 1,692; April 1,659; August 1,632; November 1,614; February 1,503; September 1,501. The alien ist believes that spring, with its effects on the average nervous system, has something to do with the averages.
