A Place With the Right Name

"Our Store"

Important Reasons—What this store can do for you both in a way of service and practical economy to every family is the question:

Do you prefer a store where all your trading can be exemplyfied by being done all under one roof -where the qualities of the merchandise is of the standard which good merchandise should attain, and where the prices are absolutely correct.

Things This Store Stands For—a just and square deal in every transaction, which is not completed until you are absolutely satisfied, where merchandise of a known value, both for service and quality is offered for sale. Long ago we drew the line against poorly made and inferior grade goods that cannot stand the test of satisfactory wear.

Our Store is growing in favor each day, and we are pushing ahead because people like that progressive way of doing business, and the service is better than it was a year ago; the store is going ahead in service as well as business. These two go together.

We feel a bit proud of our store and the way we have joined reliable qualities and reasonable prices.

The Women's Wear Department
