## Nimrod Neighbors Club Gets Two Farmer-Stockman Awards

## 82,000 Veterans' Widows Are Due Pension Increase

More than 82,000 widows of U. S. Veterans of wars before World War I will receive increases in their Veterans Administration pensions next month, Mr. Edward P. Onstot, manager of the VA regional office in Dallas, Texas said today.

The war widows concerned, Mr. Onstot explained, are the Spanish-American War, Indian Wars, Civil War, and the Mexican War of 1846-1848.

The increases, which will range from \$7.27 to \$12.50 per month and will be reflected in the pension checks mailed out at the end of July, are authorized by Public Law 85-425.

Slated for increases are all widows of veterans of the Spanish-American War or the Mexican War of 1846-1848, who are receiving VA pension.

Also sharing in the increase will be most — but not all — widows of Civil or Indian Wars veterans. Mr. Onstot pointed out that the law does not provide an increase for such widows who are less than 70 years of age.

Mr. Onstot emphasized that widows already on the agency's pension rolls need take no action to get the raise. It will be paid automatically.

## Caution Urged In Driving During July 4th Weekend

CHICAGO, JUNE 19 — Forty-five million blind drivers — momentarily blind, that is — will be on the nation's highways over the Fourth of July weekend, the National Safety Council said today.

The Council explains that the average person blinks his eyes 25 times a minute and the blink lasts an average of one-fifth of a second. So, if a driver averages 40 miles an hour on a 10-hour motor trip, he will drive almost 35 miles of the trip with his eyes closed.

"Such statistics don't mean a thing," said Ned H. Dearborn, president of the Council, "except that an accident can happen in the wink of an eye — as 371 persons who died in traffic over the Memorial Day weekend found out too late. The toll dramatically points up the need for extra driving caution when traffic is at a peak. The fourth, which comes during the peak of the three-month vacation season, usually brings more deaths from traffic accidents than Memorial Day."

The most dangerous period for

Two checks amounting to \$115 were presented to the Nimrod Neighbors Progressive Club by Farmer-Stockman magazine Monday morning, June 16, at the club house. The club won third place in both the community and the pasture contests sponsored by the magazine.

The program was opened with singing, led by Bill Pope, accompanied on the piano by Mrs. Ed Townsend. The invocation was given by Ed Townsend, and Bill Pope gave a report of the pasture improvement program. Jack Cozart, president of the club, introduced the visitors from the neighboring towns.

Visitors included J. L. Thornton, Nick Miller, Dick Lauderdale, Ed McCanlie, A. D. Anderson, and Bill Austin, Cisco; B. A. Butler, A. D. Jenkins, and Bob Carter, Rising Star; and Judge Hart, Roy Lane, and son, Eastland.

J. M. Cooper, County Agricultural Agent, introduced Miss Sandra Kirkland, County Home Demonstration Agent; Miss Nancy Weathers, Assistant County Home Demonstration Agent; Curtis Boone; Miss Annie Lucy Lane, District Agent of College Station; and Troy Kight, representative of Farmer-Stockman magazine, who spoke to the group and presented the checks.

In his talk, Mr. Kight stated that out of 22 districts, only 25 communities were awarded cash awards. Nimrod has received an award each year since the club was organized three years ago. Mr. Kight mentioned co-operation as a basic factor in all winning communities, and urged the club members to go on to state competition.

The Nimrod club is in District 8, of which the Newburg and Soda Springs clubs of Comanche counties, respectively.

the holiday highway traveler is while enroute to his holiday destination, rather than on the trip home. This was found, the Council said, in a special study of holiday highway accidents made after 435 persons were killed in traffic last Labor Day weekend.

- The study also showed that:
1. Speed was a factor in 71 per cent of the accidents.
  2. Drinking was a factor in nearly half the accidents.
  3. Accidents were most frequent early in the weekend.
  4. Accidents were most frequent during evening hours.
  5. Non-collision accidents were the most frequent type.
  6. Eighty-two per cent of the accidents occurred in rural areas.
  7. Single driver accidents were most frequent.
  8. Victims usually were the drivers.

## Increased Pay Due Some Under New Military Pay Bill

Many widows of veterans who died of service-connected causes will receive increased survivor benefit payments from Veterans Administration as a result of new military pay bill which became effective June 1, 1958.

Mr. Edward P. Onstot, Acting manager of the VA regional office in Dallas, Texas said that, in most cases, such widow's benefit payments are related to the basic pay of a serviceman whose rank and years of service are the same as those of the deceased veteran.

However, he pointed out, the new military pay bill does not increase basic pay of all servicemen; thus it will not affect sur-

vivor benefit payments to all widows whose veteran husbands died of service-connected causes.

Of widows entitled to increases, Mr. Onstot estimated 90 percent would receive an additional benefit of from \$1 to \$3 per month.

Since each case must be individually examined, it will take several months to adjust accounts of all widows entitled to the increased payments.

Widows already on VA rolls need take no action to receive any increase to which the new law may entitle them. It will be paid automatically he emphasized, and will be retroactive to June 1, 1958.

Therefore, he urged, widows should not write to VA about their cases.

Widows receiving VA pension for the nonservice-connected deaths of their husbands are NOT affected in any way by the new law, he added.

## Toasted Rice Turkey Stuffing

This stuffing is a "must" for that turkey you're roasting. Toasted grains of rice have a delicious nutty flavor that's just right with turkey. This stuffing is so good and easy to make, you'll use it with chicken, too.

Roast Turkey with  
**TOASTED RICE STUFFING**  
Giblet Gravy  
Sweet Potato Casserole  
Buttered Broccoli

Grapefruit Salad  
Pumpkin Chiffon Pie

### INGREDIENTS:

1 cup uncooked white rice  
2 cups water  
1 teaspoon salt  
3 tablespoons butter or margarine  
1/2 cup chopped onion  
1 cup fine dry bread crumbs  
1 egg  
1 teaspoon salt  
1/4 teaspoon poultry seasoning  
1 cup chopped celery  
Dash of black pepper  
1/4 cup water or turkey broth

**METHOD:** Spread rice in a shallow pan and place in a 400° F. oven. When the grains turn slightly yellow, stir well. Continue to toast, stirring occasionally, until rice grains are a light

golden color. This takes 15 to 20 minutes. Put the toasted rice in a saucepan. Add the water and salt. Bring to a vigorous boil. Turn the heat as low as possible. Cover the saucepan with a lid and leave over this low heat 14 minutes. Remove from heat, but leave lid on 10 minutes.

While the rice is cooking, melt the butter or margarine in a saucepan. Add the onion and celery. Cook until tender, stirring occasionally. Add onion and celery mixture to the rice and mix in the bread crumbs, egg, salt, poultry seasoning, pepper and broth or water. Stuff lightly into the bird. Do not pack as the stuffing expands during the cooking. Stuff the bird just before it is placed in the oven. Do not stuff and refrigerate. This stuffing, however, may be prepared ahead of time so long as the liquids are not mixed with the dry ingredients until the turkey is to be stuffed and cooked. Extra stuffing can be baked in a separate pan or made into balls. The recipe makes about 6 cups of stuffing.

Allow 3/4 cup of stuffing for each pound of poultry, dressed weight, or 1 cup for each pound ready-to-cook weight.

Frosted grapes are a lovely inexpensive and eatable garnish for turkey. Just dip grapes in slightly beaten egg whites and then into beet or cane sugar.

**Outdoor Cooking**  
 A quick, easy way to prepare the main dish for a picnic or outdoor meal is to cook on skewers. "Shish-Kabobs" are delicious and different.

There are many possibilities. You may have all vegetables or all meat on the skewer, or alternate. A basic "shish-kabob" is made of boneless meat, cut in 1/4 or 2-inch cubes. Beef, lamb ham, or pork may be used. Allow 1/4 lb. per person. Prepare the meat by brushing with lemon juice and olive oil. Now string the cubes on your skewers — If you like the meat rare, push the cubes closely together. For all around crispness, separate the chunks on the skewer. Broil over coals. It will take from 10 to 16 minutes. Serve immediately.

**Milk is Basic Food**  
 It's June again — and the spotlight is on milk and dairy foods. It's almost impossible to have an adequate diet without milk. All dairy products provide some calcium, but it takes more than one serving of some to equal the calcium you get in a cup of fluid milk. So eat some dairy food, and drink milk, too.

**Raw Vegetables**  
 Work more veg. into the diet during the summer months. For entertaining, add some carrot curls, celery stick, radish roses, raw cauliflower. Serve a zippy sour cream cheese, or avocado dip for "dunking" the vegetables.

Graves; the heirs, successors, assigns, and legal representatives of each and every one of the hereinbefore named of whom plaintiffs complain; and the husbands, past and present, if any, of each and every woman hereinabove named of whom plaintiffs complain, hereinafter called Defendants.

Plaintiffs allege that all defendants and those claiming under them were conveyed their interests while two deeds of trust were pending which covered the entire tract of land and that when said two deeds of trust were foreclosed and the lands were conveyed to persons under whom these plaintiffs now claim, that the interests of all of these defendants, their heirs, successors, assigns, and legal representatives were void and of no further force and effect and that now the premises are owned in fee simple in the entirety by Burlie Paul McGowen except for the ownership in fee simple in The Union Central Life Insurance Company of an undivided 1/2 interest in all oil, gas, and other minerals beneath the surface of said land and an undivided 1/2 present interest in the royalties, rentals and proceeds therefrom as is more fully shown by Plaintiff's Petition on file in this suit.
