INTERNAL TROUBLE GROWS IN RUSSIA

NEW YORK, Aug. 31.—Special cable messages forwarded to a Jewish Daily, says that Petrograd militia is busy suppressing anti-government and counter revolutionary movements, and that the Russian soldiers have no time to wage an aggressive war on the Prussians.

Outbreaks among those opposed to the new democracy in Russia continue to develop in different sections of the country, and the militia is used to restore order.

RAILROAD BUMS STAB T. & P. CONDUCTOR.

Yesterday as the Texas & Pacific freight train was near Eskota, Conductor C. A. Parks observed two men attempting to beat their way and upon remonstrating with them to get off the train an altercation occurred in which the conductor was cut about the abdomen with a knife. At first it was feared that the wound was dangerous, but after a physician had been secured to make an examination it was found that he was not seriously hurt.

He was taken to the Mart Hotel where every needed attention was given him. Today he was able to return to his home at Big Springs, accompanied by Mrs. Park who had come over to be with him.

Immediately after the occurrence was reported to the sheriff's office here, officers hastened to the scene and made every effort possible to capture the men, but apparently they had escaped under cover of darkness of the night.—Sweetwater Reporter.

Mrs. Alma Crews Alexander and little daughter, Lois, and Miss Lois Crews, returned Thursday night from a month's vacation at Manitou, Colorado. Miss Crews will open her Kindergarten Primary school next Monday.

Scott Miller of Ladonia was in Ballinger a short time Thursday.

TWO MEXICANS KILLED IN ANGELO

San Angelo, Aug. 31.—As a result of a one-sided shooting affair on West Coneho Wednesday afternoon Albino Palma and Jose Ortiz, two Mexicans, are dead, and Luis Fitchett is lodged in the Tom Green county jail. The shooting took place shortly before 4 o'clock and Palma and Ortiz were dead and Fitchett was placed in jail before 5 o'clock. Fitchett used an old-fashioned Winchester, firing, it is said, five times. Two of these struck Palma, one hit Ortiz and others went wild. Palma was shot through the front part of the breast and through the head. Ortiz was shot through the body. Palma, with his brains shot out and a wound through the breast, lived about an hour. Ortiz, shot through the lungs, bled to death in from what can be learned of the affair, Palma and Ortiz, who had been together most of the day, were near the center of Coneho avenue some two blocks west of the Landon hotel. Fitchett came upon the scene, took the Winchester from his brother, Juan, and opened fire. It is said the first shot that struck Palma entered his breast from one side. The other struck him in the head, spattering his brains about the ground. Persons who made a close examination of the wound in Palma's head declare the bullet entered from the back of the head, saying the hole in the front of the head was considerably larger than the one in the back.

Ortiz was shot in the back of the shoulder, the bullet coming out of his breast. Eye witnesses say Ortiz was running away from Fitchett when he was shot down. There had been trouble between Palma and Fitchett before, according to statements made by county officials.

THIEVES WORK IN SOUTH BALLINGER.
Officers made a hurried trip to South Ballinger Thursday night in an effort to catch some parties who were stealing feed, watermelons, and other small things about the farms of that neighborhood. By the time they had reached the scene, however, the thieves had gotten away. It is thought that Mexicans are the guilty parties, and investigations were begun which it is thought will locate them.

Fearful Fighting in Flanders Has Cost British 60,000 Men

DISTRICT BOARD GRANTS ONLY ONE DISCHARGE

Out of about one hundred appeals made to the district board by drafted men for the army, only one discharge was granted, ten held up for further consideration and all others certified back to local board as being subject to draft.

Will C. Gross received a temporary discharge, supposedly on industrial claims, as Mr. Gross appealed to the district board and submitted affidavits to prove that he was engaged in work that would result in a loss to the government if he was called for service and forced to dispose of his cattle at this time.

Several appeals in which the local board had recommended a discharge, were rejected, and the registrants certified back to the local board, and are now subject to call. Two cases appealed have not been reported and are supposed to be under consideration. A number of those who were examined in the last call, and who waited until the last day in which to file their appeals, have not been passed on, but judging from the action of the district board in rejecting the first "batch" of appeals, there is little hope for those who have not been reported on.

The district board has accepted the work of the local board by certifying back to the local board the men passed on favorably here, and shows that the work of the local board is final in practically all cases.

The list of men certified back to the local board are now subject to call, unless they appeal to the president, and within a few days will receive a notice from the local board notifying them that they have been accepted, and to hold themselves in readiness for the final call.

Five per cent of the men listed below will be called for service next Monday. 40 per cent will be called on Sept. 15th and 40 per cent on Oct. 5th, and the remaining fifteen per cent a few days later. The local board is selecting the first five per cent and the list will be published later.

The first quota of 169 men will be selected from men examined and accepted, and those who are subject to call, but are not called in making up the list of 169 men will be the first called in making up the second quota.

Following are the names of those accepted by the local board:

3RD SPECIAL SESSION NOW ORGANIZED

AUSTIN, Aug. 31.—The third special called session of the Texas legislature convened at ten o'clock this morning, with quorums present, the two branches organized. Senator W. L. Dean, was elected president protem of the senate, to succeed Senator Smith, who has occupied the president's chair since Lieut. Gov. Hobby qualified as acting governor. Senator Dean will preside over the senate during the impeachment trial.

SAYS SENATE WILL IMPEACH

The Brownwood Bulletin in quoting Representative Taylor from that district, who is at home from Austin for a few days visit, says:

"Mr. Taylor says it appears to be the opinion of most of the Austin people that the Senate will impeach the Governor. 'I do not give this as my opinion, because I do not know what the Senate will do,' he says. 'But it is evident that most of the state officials and well informed Austin people think the necessary two-thirds majority can be mustered in the Senate.'"

"Mr. Taylor says he is assured that Governor Hobby will submit to the Legislature the repeal of the recently enacted laws creating several new schools in the state and necessitating appropriations totaling about four million dollars.

"If the repeal of these laws is submitted, they will be repealed like a flash," he says, pointing that the House by a vote of 114 to 17 requested that it be given an opportunity to repeal them. The Senate has also gone on record as favoring the repeal of the laws. 'It is also possible that the repeal of the two million dollar rural school appropriation may be submitted,' says Mr. Taylor, but he is not so sure of the repeal of that law."

NEGRO REPORTED CAPTURED

It was reported here Thursday that the negro who attacked a 16-year-old white girl at Ballinger last week had been apprehended somewhere in Knox county.

It is stated that the house in which the negro took refuge was surrounded by a posse at Crowell, but that the negro broke through the guards and got away. Wednesday, the report has it, the negro was recaptured not far from Benjamine.—Abilene Reporter.

The negro may be captured and he may still be at liberty. The Ballinger officers are not communicative on the subject, and if the negro has been caught and placed in jail his whereabouts are just as much a secret as they were before captured. It was a safe bet that the negro would not be brought back to Ballinger if caught, until time to give him a trial.

Mr. and Mrs. C. C. Haggick and children are back from a visit to their old home in Missouri. They visited in Illinois while on the vacation. After a few days Mr. Haggick will be back on the job in the local freight office of the Santa Fe

LONDON, Aug. 31.—The allies are shocked at the appalling figures posted today making public England's loss in killed and wounded during the past month. According to the report made public today the British have lost more than 60,000 men during the month of August, in the fearful fighting around Flanders alone. This number includes killed, wounded and missing.

CUTTING OUT THE GOOD FROM BAD

ROME, Aug. 31.—It was announced from the vatican today that when replies from all belligerents have been received, the pope proposes to issue a statement, permitting questions of peace upon which all the nations agree, and separating those on which there are differences. The question of peace upon which the nations differ will be made the matter of discussion.

REEDER TEACHING CINEMA PHOTOGRAPHY

Sergeant William Groat, photographer for the United States Army, and as such official photographer of Pershing's expedition into Mexico, will be in charge of the photography instruction to be given in the school for photographers, to be opened here for the Signal Corps.

Instruction for the movie operators who also are to be enlisted to film the government's record of the War of 1917, will be in charge of Roy E. Reeder of Ballinger. Mr. Reeder, who is both a motion picture show proprietor, having a string of shows in Texas and a student of cinema photography, is considered an expert in that line.

Sergeant Groat's pictures already are well known in army circles. On the Mexican expedition alone he took over five thousand views, which become part of the Signal Corps records.—San Antonio Express.

Roy's friends have been receiving good reports from him since he joined the army, and they are glad to know that he is making good. The above is the latest news received from the young man, but a letter received in the city a few days ago stated that he was in line for rapid promotion. He was given a good place in the signal corps service the day after he enlisted, and writes that he is well satisfied with army life.

JOE EAGAN JOINS NAVY.

Joe Eagan returned Thursday from San Angelo, where he had been to take examination for the navy. He will be sent to Dallas in a few days, and will be examined further. He will enter the service as a third class seaman, but will change his rating as soon as possible after entering, probably to yeoman.

Mr. Hutt of Santa Anna was in Ballinger Thursday for a few hours, attending to business.

CUT OUT THE ELECTION AND SAVE THE COST

The Ledger has interviewed a number of prominent citizens concerning the holding of a special election at this time to elect a representative to succeed Wallace Hawkins. Without exception every one opposes the calling of an election to fill the vacancy. The county judge informs us that it will cost the counties of Coke and Runnels, comprising the district in which the election is to be held, between \$700 and \$800 to hold the election. As we see it, and as a number of others have expressed it, this is a useless expenditure of public money.

Before a man can be elected and sent to Austin the present session of the legislature will be drawing to a close. It will be a calamity on the state if another special session is called, and our people do not care to have a hand in such

calamity. There is no legislation pending in which this district is particularly interested at this time but what can be attended to by our state senator. The district can lose nothing by waiting until the next regular election to fill the vacancy, but will waste seven or eight hundred dollars if an election is ordered at this time. The petition for the election has been filed with the governor, and if he fails to order the election within twenty days it becomes the duty of the returning officer to order the election. The returning officer for this district is County Judge Parish.

Summer Complaint.

During the hot weather of the almost every family is likely to be troubled with an unnatural looseness of the bowels, and it is of the greatest importance that this be treated promptly, which can only be done when the medicine is kept at hand. Mrs. F. F. Scott, Scottsville, N. Y., states, "I first used Chamberlain's Colic and Diarrhoea Remedy as much as five years ago. At that time I had a severe attack of summer complaint and was suffering intense pain. One dose relieved me. Other members of my family have since used it with like results."

INVITED TO OPENING PUBLIC SCHOOLS.

Judge Jno. I Guion has been invited to attend the opening exercises of the Winters public schools next Monday and take part in the program. It is very probable that Judge Guion will accept the invitation and deliver an address at the opening of the schools. Winters will have a full nine months' school for the coming term, and prospects are very promising for a successful term.

CONGRESSMAN'S SON SOUGHT AS SLACKER

MADISON, Wis., Aug. 31.—Byron Nelson, son of Congressman John M. Nelson of Madison and a graduate of the University of Wisconsin, will be arrested for failing to register under the draft law. A federal warrant was issued yesterday for his arrest and placed in the hands of United States Marshal Thomas O'Connor for service. Young Nelson is managing a farm owned by his father at Spring Coulee, Alberta, Canada. If he does not voluntarily return to Madison to answer the complaint made in the warrant, he will be extradited and brought here.

Nelson was married on August 10 last to Miss Anita Pleuss of Madison. Being afraid to come to Madison to be married, as he had planned before the draft law was passed, young Nelson had Miss Pleuss come to him in Canada and married her there.

United States District Attorney A. C. Wolfe, of Madison said he acted under directions of the department of justice at Washington in having a warrant issued for young Nelson. Wolfe also said he believed the government would be able to convict Nelson as a deliberate slacker.

Congressman Nelson at Washington said his son did not register because he had conscientious objections to war and hence was not required to register.

For the purpose of seeing the Fair, studying the exhibits in a systematic and intelligent manner and receiving practical instruction, the boys will be divided into small groups each day in charge of a competent instructor furnished by the Agricultural and Mechanical College. Special opportunity will be given them to make a careful study of live stock, agriculture, horticulture, dairying, machinery, good roads, etc., all of which will be of greatest educational value to the boys.

Special hours will be devoted each day to athletics and wholesome recreation, as well as to allow the boys to attend various entertainments arranged especially for their benefit.

The encampment will end Saturday afternoon, October 20, so that the boys may leave for home Saturday night.

Arrangements for the girls' encampment, October 22-27, are practically identical with arrangements for the boys' encampment. All farm girls of Texas who are members of the girls' clubs organized by the United States Department of Agriculture, in co-operation with the A. & M. College of Texas, are eligible to compete for scholarships. Four girls will be selected from each county where there is an organized club until a total of two hundred and fifty girls have been chosen.

Miss Jessie Harris, State Agent in charge of Home Demonstration Work for the United States Government, will be superintendent in charge of the girls' encampment, who will be assisted by Miss Kate Lee Henley, Assistant State Agent.

Several hundred dollars in premiums and special prizes will be awarded boys and girls on agricultural products and in the canning contests.

THRILLING AUTO RACES.

Dallas, Texas.—Automobile races will be a big feature of the State Fair of Texas, Oct. 13-28. The races last year proved to be one of the greatest attractions offered at the Fair and the management is arranging to have even a more thrilling program in 1917 than last year. The speedway at the State Fair Grounds is recognized among automobile drivers of the professional class to be the greatest dirt track in the entire Southwest and many of the speed demons are anxious for a chance to try their skill over this course. Purses which will be offered at the meet during October will be of sufficient size to attract the fastest drivers in the world today. Secretary W. H. Stratton, in discussing this feature of the Fair program, declared that he expects to see the greatest aggregation of automobile drivers here that has ever been brought together in the South. Fred Horey, star of last year's meet, has already signified his intention of being on hand with his fast st car and others of the topnotchers intend to enter the contests.

SICK WIFE'S STORY SURPRISES BALLINGER

The following has surprised Ballinger: A business man's wife suffered from dyspepsia and constipation for years. Although she dieted she was so bloated her clothes would not fit. YES! LIFT A CORN WITHOUT PAIN!

Cincinnati authority tells how to dry up a corn or callus so it lifts off with fingers.

You corn-pestered men and women need suffer no longer. Wear the shoes that nearly killed you before, says this Cincinnati authority, because a few drops of freezone applied directly on a tender aching corn or callus, stops soreness at once and soon the corn or hardened callus loosens so it can be lifted out, root and all, without pain.

A small bottle of freezone cost very little at any drug store, but will positively take off every hard or soft corn or callus. This should be tried, as it is inexpensive and is said not to irritate the surrounding skin.

If your druggist hasn't any freezone tell him to get a small bottle for you from his wholesale drug house. It is fine stuff and acts like a charm every time.

Lydia E. Pinkham's Vegetable Compound Cured Mrs. Copner after Doctor's Failed.

Cincinnati, Ohio.—"I want you to know the good Lydia E. Pinkham's Vegetable Compound has done for me. I was in such bad health from female troubles that I could hardly get off my bed. I had been doctoring for a long time and my mother said, 'I want you to try Lydia E. Pinkham's Vegetable Compound.' So I did, and it has certainly made me a well woman. I am able to do my house work and am so happy as I never expected to go around the way I do again, and I want others to know what Lydia E. Pinkham's Vegetable Compound has done for me."

—Mrs. JOSIE COPNER, 1608 Harrison Ave., Fairmount, Cincinnati, Ohio.

No woman suffering from any form of female troubles should lose hope until she has given Lydia E. Pinkham's Vegetable Compound a fair trial.

This famous remedy, the medicinal ingredients of which are derived from choice roots and herbs, has for forty years proved to be a most valuable tonic and invigorator of the female organism.

Miss Kanter of Paint Rock left Thursday for Kansas City.

**LIBRARY RECEIVES
36 LATEST BOOKS**

The Carnegie Library has just added thirty-six new books to their shelves, twenty-seven of which are by purchase and nine by donation. This makes a total of nine hundred and ninety-eight books in the library, with more to follow in a few days.

Probably the latest and most interesting of the number just added is "Over the Top" by Arthur Guy Empey. Empey is an American in the British army, and his book is a true story of his experiences in the war. He was not a war correspondent, an observer—he was an actual fighter. He has been through every living hell that this war has brought forth, and tells his story in an incisive, modest, but tremendously vivid way, portraying life in the trenches in a way that can not fail to impress the reader. His title is taken from the British soldiers' war cry, "Over the Top With the Best of Luck and Give Them Hell," as they go over the top of the trench to charge.

DALLAS PREPARING FOR BILLY SUNDAY

Dallas, Tex., Aug. 31.—"Billy" Sunday is coming to Dallas.

The Rev. W. A. Sunday will open a seven weeks' revival here November 2, 1918. A letter to this effect has been received by A. C. Everett, chairman of the committee of 100 appointed by the Dallas pastors' association two years ago to bring Sunday to this city.

The meetings in Dallas will be the second in the series of revivals which the evangelist will begin in 1918. He will open his season at Los Angeles on September 1st. Everitt expects to be in Los Angeles on October 1, at which time he will confer with Sunday regarding the meetings to be held in Dallas.

About three or four months before the meetings open here the famous evangelist will send to local leaders his plans for the revival work to prepare the city for his coming. His personal representative will visit Dallas and will select the site for the big tabernacle in which all meetings will be held and will superintend its construction.

The standard "Billy Sunday tabernacle" is two hundred feet square and seats about 17,000 persons, the dimensions and seating capacity varying slightly with the site of the lot upon which the tabernacle is built.

As soon as the plans are received all necessary committees for carrying them out will be appointed by the local religious organizations and active work will be begun.

No financial guarantees are required by Billy Sunday, Everett said. He only asks that each city he visits pay the expenses of himself and his party.

MOVING TO NEW MEXICO

Ballinger is losing two families. E. F. Elder and family and J. L. Elkins and family will leave early next week for New Mexico, where they will make their home. Mr. Elkins has purchased land near Silver City and will engage in the goat raising business, and the Elders expect to locate in that country and engage in the some line of business.

Elder Brothers are disposing of the garage and auto repair business and will join their father in New Mexico some time later. Mr. and Mrs. Otto Elder are in San Antonio on business, having left Ballinger in their auto, and after attending to some business in that city they will return to Ballinger and wind up their business here.

We regret to see these people leave Rannels county, but wish them well in their new home.

TWO PRESBYTERIES MEET NEXT WEEK

Delegates from the two Presbyterian churches in the Brownwood Presbytery will be in Ballinger first of next week. The Presbytery of the Southern Presbyterian church will convene at the First Presbyterian church in Ballinger next Tuesday, and the delegates to that meeting will arrive here early Tuesday. The Presbytery for the Presbyterian church U. S. A., will meet at Norton Tuesday evening at eight o'clock and delegates to that meeting will pass through Ballinger Tuesday, coming here on the train and going to Norton in autos.

A feature of the meeting to be held in Ballinger will be a program on "Stewardship and Evangelism". This program will be carried out in the afternoon of Tuesday, beginning at four o'clock, and the following order of subjects will be discussed:

Program on Stewardship and Evangelism.

1. Did God put me in the place I am? Is it accidental that I am where I am?—J. H. McMillan.
2. Have I discovered God's purpose in placing me? It is not accidental that I am just where I am. God put me just where I am for a purpose; have I discovered the purpose?—Mr. Powell.
3. Do I conduct the business of my life in the conscientiousness of this purpose?—A. F. Cunningham.

Evangelism.

1. The obligations of Evangelism. Obligations placed on us by our Lord and King.—W. Bristow Gray.
2. The needs of Evangelism. The needs of the field especially in our own Presbytery.—Prof. D. F. Eaton.
3. The methods of Evangelism.—F. S. Henderson.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the blood on the mucous surfaces of the system. One Hundred Dollars reward is offered for any case that Hall's Catarrh Cure fails to cure. Send for circulars and testimonials.

PARRAMORE \$800,000 WILL FILED FOR PROBATE

Executors for the estate of the late Colonel J. H. Parramore are three of his sons, Dilworth, Hugh and J. N. Parramore. They were appointed this week when the will was probated in Judge Overshiner's court. The executors will serve without bond.

The appraisers were Mack Merchant, J. W. Evans and J. N. Ferguson. The estate is valued at about \$800,000, not including gifts of lands made to the children in recent years. No specific bequests were made.—Abilene Reporter.

Frank Miles has disposed of lands he owned in Andrews county and about the middle of October will move to New Mexico to take charge of a big ranch for the owner. Friends here will regret the departure of this splendid family.—Santa Anna News.

Stomach and Liver Troubles.

No end of misery and actual suffering is caused by disorders of the stomach and liver, and may be avoided by the use of Chamberlain's Tablets. Give them a trial. They only cost a quarter.

Jesse McAdams, of Brownwood, is here in the interest of his oil company and shaking hands with Ballinger friends. Mr. McAdams is at home when in Ballinger, having lived here for several years.

Chronic Constipation.

It is by no means an easy matter to secure this disease, but it can be done in most instances by taking Chamberlain's Tablets and complying with the plan printed directions that accompany each package.
