### Strengthens Kidneys --**Purifies Blood**

You can't expect weak kidneys to keep up under the terrific strain of nature's effort to filter the acids and poisions out of the system unless they are given a little help. Don't allow your kideys, the most overworked organs of your body, to become diseased when a little attention now will prevent it. Don't try to cheat nature. It can't be done.

As soon as you commence to have backache, feel nervous, tired or worn out without cause, GET BUSY. These are usually warnings that your kidneys are not working properly and throwing off the poisons as they should.

Do not delay a minute. Go after the cause of your ailments or you may find yourself in the grip of an incurable disease. GOLD MEDAL Haarlem Oil Capsules will give almost immeditae relief from kidney troubles, which may be the unsuspected cause of ill health. GOLD MEDAL Haarlem Oil Capsules will do the work.
