30,000 FANS AT BASEBALL GAME

CINCINNATI, Oct. 2.—The Red land Field base ball grounds are packed for the second game of the world series today. At least 30,000 fans are in the grand stand.

The batters for today's game are Williams and Schalk for Chicago, and Sallee and Rariden for Cincinnati.

The first game of the series played in the Redland Field yesterday was won by the Cincinnati Reds, score 9 for the Reds, and only 1 for the White Sox.

H. E. Petty was here from the Maverick country Thursday. Mr. Petty was on a still hunt for cotton pickers, but had not had much success up to a late hour.

WILSON'S DOCTOR CALLS FOR HELP

WASHINGTON, Oct. 2.—"President Wilson's condition is not at all good today," said Dr. Grayson, the president's physician, in issuing the daily announcement. Dr. Grayson has called in two specialists for consultation.

TREATY DOOMED UNLESS CHANGED

Washington, Oct. 2.—Declaring that without reservation the peace treaty was doomed to defeat and would not be ratified, Senator Smith, Democrat, from Georgia, today presented in the senate seven reservations.

Senator Smith says with certain reservations the peace treaty would be ratified, but without the reservations it would not be adopted.

LOCAL BAND EMPLOYES LEADER

After considerable delay the local band has employed a director. Chas. P. Grant, who recently returned to Ballinger from Corpus Christi, has accepted the directorship and will have charge of the band.

Mr. Grant is no stranger in Ballinger. He has appeared here frequently in concerts, and for many years was director of the band at Winters. He is one of the best musical instructors in the state. Mr. Grant is a brother to Messrs. James E. Brewer and Asa Cordill. In addition to directing the band he will be employed by a local dry goods house, having two propositions offered him.

Troy Simpson, manager of the band, stated Thursday morning that the first meeting of the band under the direction of Mr. Grant, would be held next Tuesday night and at that time regular practice nights would be agreed upon.

The band has more than twenty members, to begin with and quite a number of new men will come in. Mr. Simpson stated that an effort would be made to have a full attendance at the meeting next Tuesday night.

The citizens and business men recently subscribed to a fund to be used in employing a director and paying the expenses of the band. No collection has been made, but the first payment on the subscription list will be called for at an early date.

An order is being placed for a library, and there will be some other small expenses which will have to be cared for as the band is organized.

"We expect to give our first concert by the last of this month," said Mr. Simpson, "and will be out as soon as we practice a time or two."

CREWS MAN BUYS BALLINGER HOME

J. M. Hinkle, of the Crews country, has purchased the Tom Vandevanter place near the Willingham home, paying \$2000 for same. This place has been occupied by C. C. Gilliam for some time. Mr. Gilliam has moved to the Castor concrete place on Eighth Street. Mr. and Mrs. Hinkle will move to Ballinger to make their home in a few weeks.

John Straley arrived Thursday at noon, and his here on a visit to his brother, P. C. Straley, of The Ledger. Mr. Straley recently returned from overseas and he wears three service stripes on his uniform. Like all the boys who saw France, "glad to get back."

TWELVE DEAD IN RACE RIOT IN ARKANSAS

\$36,000 GIVEN FOR COLORADO BRIDGE

The Ledger in making mention of the progress being made on the Colorado river bridge project, stated that the state and federal government would pay a big portion of the cost of the bridge, having appropriated \$26,000 for the bridge. We should have said that the state and federal government appropriated \$36,000 for the bridge, just ten thousand more than reported.

The plans have been approved by the state highway engineer and the federal engineer is now placing his o. k. on them and as soon as he approves the plans the commissioners' court of Runnels County will advertise for bids.

With the big end of the cost of the bridge being handed to the county, the people should show every interest possible and cooperate to the fullest extent with the state and federal highway departments in carrying on other road and bridge projects in this county.

Some scheme must be adopted for supplying a temporary crossing on the river while the bridge is being built.

TEXAS NURSING SCHOOL OPENS

Galveston, Tex., Oct. 2.—The University of Texas School of Nursing opened its fall term Oct. 1st, with a junior class of twenty students. Ten of these have been at the hospital during the summer months and ten are just entering.

The eight-hour system for student nurses has been extended to all but one of the hospital buildings. It is stated by Miss Martha St. J. Eakins, R. N., superintendent of nurses, that the practical and theoretical instruction has been very carefully planned for the college year. With the shorter hours the instructors and students look forward to a successful year for the school.

BOX SUPPER AT ROWENA SCHOOL

The Rowena school will give a box supper Saturday night for the benefit of the school, according to an announcement made today by County Superintendent Bugg. The school will also give a program. Everyone is invited.

HELENA, Ark., Oct. 2.—With known dead totalling twelve and every indication pointing to many other negroes dead, United States troops are arriving here today to quell a race riot.

Five hundred soldiers from Camp Pike who arrived here today to quell the riot surrounded scores of negroes hiding in cane brakes near Helena this afternoon. The troops demanded the negroes to surrender. Machine guns are posted around the cane brakes to force the negroes to surrender.

Three more negroes and one white man were killed in rioting today, bringing the total up to 12, ten negroes and two white men.

The clash between the whites and blacks is due to the murder of W. D. Adkins, a railroad special agent who was fired upon and killed from ambush by negroes Tuesday night. Adkins was trying to arrest a negro bootlegger when he was murdered.

Negro mobs fired upon white men and women who were leaving Elaine, Ark., on the train, and clashes following resulted in both whites and blacks being wounded.

TRUCK NO. 2 FOR THIS PRECINCT

The United States government delivered to Commissioner Kirk Wednesday another army auto truck to be used in road work in this precinct. The truck received Wednesday is a light aviation truck.

Several weeks ago a large Nash Quad truck was delivered here for road work and Mr. Kirk says that it has given perfect satisfaction and is proving of great help in carrying on road work. The truck is used in dragging roads and takes the place of three or four teams.

With the two trucks on the roads and new plans being fast formulated for completing three highways through this precinct and through the county, the travelers are promised better roads. The work is dragging at present on account of the great demand for laborers.

School children, don't forget the Ballinger Printing Company can supply you with theme paper.

How We Go At It

First we look into the battery to see if you put water in it.

Then we use the hydrometer which is the one reliable way of knowing the condition of its charge.

Then, if no special cause of trouble appears we put it on the line to see if it will take a charge.

But if there is plain indication of serious trouble we open the battery up and find out exactly what's what.

Don't trust your battery to amateurs or artists in guesswork, who claim they can tell inside condition by outside inspection.

Come here where you find adequate machines and apparatus to really inspect, charge and repair any battery.

ANGELS COMING WITH GOOD TEAM

(San Angelo Standard)

San Angelo high school's football team is training hard in the middle of the week for its first clash of the 1919 season, which is to come Friday afternoon at Ballinger. The crowd with a number of supporters will leave the city Friday afternoon about one o'clock in automobiles, and the game with Ballinger on the latter's home grounds will start about 4:30 p. m.

Brand new suits for the team have been ordered and are expected to arrive in time for Friday's battle. This year's squad is not very heavy, averaging around 140 or 145 pounds, but expects to win its games through speed and cleverness.

Ray Cornelison, the 1918 captain, announced Tuesday the following probable line-up for Friday's game: Harry Smith, left end; Thurmon Treadwell, left tackle; Hugh Young, left guard; Gusnie Taylor, center; Gordon Ayers, right guard; W. C. Weddell, right tackle; Weldon Grimes, right end; Hezzie Carson, quarterback; Newland Allen, left half; Ed Swedden, fullback; and Ray Cornelison, right half.

Some of the substitutes will be Clayton Sumrall, Ralph Irvine, Arthur Broome, and Langsdon Robbins.

Chamberlain's Cough Remedy

This remedy is intended especially for coughs, colds, croup and whooping cough. From a small beginning its sale and use has extended to all parts of the United States and to many foreign countries. This alone is enough to convince one that it is a medicine of more than ordinary merit. Give it a trial and you will find this to be the case.

Send the school children to Ballinger Printing Co. for theme paper.

A child can't get strong and robust while intestinal worms eat away its vitality. To give the child a chance to grow these parasites must be destroyed and expelled. White's Cream Vermifuge is guaranteed to remove the worms; it also puts the vital organs in healthy, vigorous condition. Sold by John A. Weeks.

SPANN & COMPANY OPEN BRANCH HOUSE

Spann & Company have leased the building next door to Cathey's saddle shop, and are stocking up with fruit, potatoes, etc., and will use this as their distributing point. This firm will also buy pecans and handle other produce.

Indigestion, Billiousness, Constipation

Chamberlain's Tablets have restored to health and happiness hundreds who were afflicted with indigestion, billiousness and constipation. If you are troubled in this way give them a trial. You are certain to be pleased for they will benefit you.

How cheaply can you heat your home with Cole's Original Wood Heaters? Better ask—it will surprise you.

Constipation

The beginning of almost every serious disorder is constipation. If you want to enjoy good health keep your bowels regular. This is best accomplished by proper diet and exercise, but sometimes a medicine is needed and when that is the case you will find Chamberlain's Tablets are excellent. They are mild and gentle in their action, easy and pleasant to take. Give them a trial. They only cost a quarter.

MARKET BREAKS ON BULLISH REPORT

A slump in the cotton market Thursday came simultaneously with the government estimate report, ginners' report and condition report, but the staple rapidly regained the loss and climbed higher with the close of the market.

The government report is a bullish one, and shows a low condition with ginning far behind the same date last year.

The government estimate is placed at 10,696,000 bales, with 54.4 condition.

The ginners' report shows 1,854,000 bales ginned up to Sept. 25th, this year, as compared with 3,770,000 for the same date last year.

The spot market slumped off considerably during the early hours of the day, local buyers paying from 31 to 33 cents, according to grade.

The future market broke about eighty points, fluctuated and closed a little higher than the close the day before. New York December closed Wednesday evening at 32.06-08, and today the New York December quotations were 32.10-15 at the close.

Helps Sick Women

Cardui, the woman's tonic, helped Mrs. William Eversole, of Hazel Patch, Ky. Read what she writes: "I had a general breaking-down of my health. I was in bed for weeks, unable to get up. I had such a weakness and dizziness, and the pains were very severe. A friend told me I had tried everything else, why not Cardui? . . . I did, and soon saw it was helping me. . . . After 12 bottles, I am strong and well."

The Woman's Tonic

Do you feel weak, dizzy, worn-out? Is your lack of good health caused from any of the complaints so common to women? Then why not give Cardui a trial? It should surely do for you what it has done for so many thousands of other women who suffered—it should help you back to health.

Ask some lady friend who has taken Cardui. She will tell you how it helped her. Try Cardui.

WOMEN CAN'T VOTE WITHOUT POLL TAX

Tax Collector Chastain has not issued Poll Tax Receipt No. 1, as the receipts are delayed. He is ready to take the money, file an order for receipt, and same will be issued as soon as the blanks arrive.

"Yes, I have poll tax receipts for the women," said Mr. Chastain when asked whether he had any female poll tax receipts. This is the first chance the women have to pay poll taxes. They were privileged to vote two years ago by registering, but under the law giving women the right to participate in primary elections, they must pay a poll tax and present their receipt when offering to vote, or the election judge will turn them away.

The anti-suffrage brothers who attempted to knock out this law have not made much progress, and women will be at the polls next summer helping to nominate the officers, provided they qualify by paying their poll tax between now and the last day of January.

The women were not assessed, and no return is given for failure to include them on the tax rolls. There are the names of 2100 men on the tax rolls who are subject to poll tax payment. It is safe to say that there are as many men as women in the county who are subject to poll tax payment.

The women should not play short in this political game. They should walk up to the tax collector's window and pay their poll tax whether they vote or not. They have been given the privilege, and if the poll tax law applies to men it also applies to the women. There will be about 4000 voters in the county if the women come in.

Notice! Notice! Notice!

I am the Runnels County Agent for the famous SINGER SEWING MACHINE, and have a stock in Ballinger for distribution and sale. I will be glad to go to your home and demonstrate its merits any time you notify me.

If there ever was a time in the history of the country when the Sewing Machine was a necessity that time is certainly now. With prices of ready-to-wear merchandise mounting higher and higher, the sewing machine seems to offer the only possible relief. With the resources at the command of the housewife, it is entirely possible for her to save from 50 to 75 percent on the cost of dressing the children by making their clothes.

The cost of labor in all factories where clothing is made is so high that the ready-made article is now very high, and this is no fault of the retail merchant—it simply costs him more money, hence he must sell it for more.

With a cow, chickens, a garden, and a SINGER SEWING MACHINE in the home the High Cost of Living can largely be solved—Better get one.

The Singer machine stands, with out a peer in the sewing machine world, and has enjoyed a great reputation, for many years of hard use, and is made better than ever. Let me demonstrate.

Women Backing The Soldier Boys

When the history of the war has been written, the work done by the women at home will impress itself upon this nation as few even now realize. Literally, millions of women left their homes and took up war activities into which women had never before been called, and many more at home devoted long hours at work in knitting and preparing surgical dressings for the boys "over there." Some may have worked at the expense of health and are now suffering from headaches, backache, dragging-down pains, or some derangement. It should be remembered that Lydia E. Pinkham's Vegetable Compound for more than forty years has been restoring such women to health and strength, and is now recognized as a standard remedy.

FOR THEATRICAL LOVERS

Through the united effort of the business men of Ballinger, and the Chas. F. Horner Dramatic and Opera Productions, Ballinger is going to have a series of four attractions pronounced as New York's successes, having played all the metropolitan cities in the leading play-houses.

"The Thirteenth Chair" played at the 48th Street Theatre in New York for an entire season.

It is only through the united effort of the committee and Chas. F. Horner that such attractions can be brought to towns of this size; therefore every one interested in high class attractions must feel that they take a part in it by at least buying a season ticket which costs only \$5.00 plus 80c war tax.

Mr. W. S. Farris, who represents the Horner people says in each town he has been advancing the proposition he has met scores of people who have seen these same attractions in the cities and paid \$3.00 and \$4.00 per seat, and in most towns it is these people who are putting this proposition over knowing as they do, of the quality.

The casts Mr. Farris tells us are far above the average and they have been successful in securing as the leading characters people who have been successful in securing as Helen Van Hoose, the leading character in "The Thirteenth Chair," having carried this role before and the metropolitan dailies comments on her clever work proves her class.

Mr. Horner, himself, was in New York working with his New York office in selecting these casts. He was well pleased with his selections although he felt he would like to have some one else who was authority on casts to pass on them, which determined in him having such people as represented playwrights, stage directors and actors to witness the rehearsals, and without exception, they all were surprised at the quality of the people and the type of production he had gotten together.

Mr. Farris tells us "The Only Girl" started in Texas this week, and is playing to crowded houses and in several towns many of the citizens were disappointed in not being able to get season tickets, as only season ticket holders are entitled to reservations for all the attractions, and it brings the price of each attraction to \$1.25 plus war tax, where the single admissions are \$2.00 and tax, with no reservation.

King Solomon said it takes a hundred years to know a man, but you never know a woman. Were old Sol living today he would advise both men and women with grouch dispositions to have their eyes properly fitted with glasses, which remove the frown that causes a grouch appearance. The results are wonderful. Dr. McGuire, the Graduate Optometrist, will advise you whether or not your frown is caused by Hyperopia, Myopia, or Astigmatism. Consult him, Mondays and Saturdays, Sunday only by appointment, telephone 446, office Farmers & Merchants Bank building. Prices Moderate. 26-6td 1tw
