MEMOHY SELECTION — Finally, my brethen, be strong in the Lord and in the power of his might.—Ephesians 6:10.

The war is never over for the Christian. He is called to a constant strife against the world, the flesh and the devil, which knows no armistice or peace conference so long as he lives or the Lord tarries.

Paul, who had now set out on his third missionary journey, was this time permitted of the Holy Spirit to witness and minister in Asia.

For three months he spoke in the synagogue, as was his custom, but when his ministry resulted in many converts others hardened themselves in opposition.

Expect Opposition - It Will to (Acts 19:23-30).

The comfortable and contented Christians of our day who just want to be let alone to carry on their worship are certainly not related to the real Christians of Paul's type.

The enemy of our souls is often content to let us go on in comparative peace as long as we do not up the banner of a holy life and service in God's army, he begins at errific counteratanck. Paul had felt it already in the hardening of listeners' hearts (v. 8).

6. Finally, one sensible man, fearing the punishment of city officials, quieted them (Acts 19:35-41).

The Ephesians were just like many in our day who fear man more than God. But, may we ask, if you fear the judgment of men, how think you to escape the judgment of God? After all, it is God and His Word you oppose, unconverted friend. Do you think He will hold you guiltless?

Paul was not afraid (v. 30), for

(Eph. 6:13-18).

Writing to the church in this very city where the Lord opened "a great door and effectual" for Paul (I Cor. 16:9), he admonishes them and us to make full use of the provision which God has made for victorious warfare.

which God has made for victorious warfare.

There is a complete armor, and a mighty weapon, the sword of the Spirit, but none will do us the slight-set good unless we put it on and go without the breastplate of righteous-ness (and some Christians and church workers seem to think they can), or neglect to carry and use the shield of faith, we can only expect defeat.

The girdle of truth binds up the climinates the hindrances to rapid movement. The breastplate is righteousness, not his own but Christ's, but it must be appropriated and used.

The soldier must be well shod-for the long rough journeys and to give him a good foothold in the day of battle. Peace in the heart provides such a firm vanilege point in the fight to the state of the such sections and such sections and sections

The sword of the Spirit, which is the Word of God, is our ail-powerful weapon. Let us not neglect low the the test of elected it, to argue for the truths. Talking about a sword does not make it effective. Let's really use it.

Prayer is always to be counted on and it is both a defensive and offensive weapon. It keeps us in touch with the Captain of the Lord's hosts. We call for help, get orders and transmit news of victory through prayer.
