

Sedalia Man Finds Health In New Konjola

Stomach And Kidney Ills of Long Standing No Problem for New Medicine.

MR. I. H. GIBSON

"I eat, sleep and feel like a different man since taking this great medicine, Konjola," said Mr. I. H. Gibson, 205 South Ohio street, Sedalia. "I suffered for years with stomach and kidney trouble. Nothing I ate agreed with me and I bloated terribly after every meal. This gas pressure made me short of breath and nauseated. My kidneys were weak and bladder actions were frequent. Splitting headaches often lasted for days.

"My kidneys were first to respond to the action of Konjola. My bladder now functions properly and I suffer no back pains and headaches. I have not enjoyed my meals in years as I do today. I never bloat after meals and my appetite is excellent. My entire system has been aided by this great medicine and I am in excellent health for the first time in many years. I enthusiastically recommend Konjola to all men and women who suffer as I did."

Konjola is sold in Ballinger at Weeks Drug Store, and by all the best druggists in all towns throughout this entire section.

Guatemalan in U. S. Aims At Non-Stop Flight Home

(By Associated Press) WASHINGTON, Feb. 12.—A young Guatemalan whose grand passion is science and aviation wishes to show the world that a non-stop airplane trip from New York to Guatemala is both safe and practical.

He is William F. Samayoa, 24-year-old graduate of Catholic University here, who expects to take off from one of the Long Island fields some time in the spring, alone in a small biplane.

With the double purpose of demonstrating the practicability of refueling in the air on long distance flights and stimulating aviation interest in his native country, Samayoa says that he has been assured financial support.

It is the theory of this intense, dark-haired Latin, who came to the United States about 10 years ago, that most of the mishaps of long distance flights on and shortly after the take-off have been due to planes too heavily loaded to stay aloft.

Before he leaves New York on his expected 2,400 mile journey, he is to practice refueling in the air.

Every precaution will be taken against mishaps. In addition to safeguarding the plane at the take-off, he will equip it with floats. Departing about 3 o'clock in the afternoon, he plans to fly over, the waters fringing the Atlantic Coast to Miami, where he will refuel in the air, if necessary.

From Miami his route lies over Key West, Havana, along the Yucatan coast, and down to Guatemala City by way of Belize, Honduras. He expects to land in

removed Tuesday morning. We hope him a speedy recovery.

We are sorry to report Miss Anna Bee Mapes right ill at this writing.

Mrs. John Hooks' father and mother visited her Tuesday.

Mrs. Ross Smith and Mrs. Ed Farley visited in Hillcrest Tuesday afternoon.

Mr. and Mrs. Alvin Neely of Sweetwater visited in th ehome of Mr. and Mrs. Ed Farley Sunday.

Mr. and Mrs. McClain of Sweetwater spent the week-end with Mr. and Mrs. A. J. Voelker. Mrs. McClain's father and moth-

William F. Samayoa (above) Guatemalan, plans to make a non-stop flight from New York to Guatemala in the spring to prove the practicability of the trip.

Lake Amatitlan, estate of his father, near Guatemala City.

He will wear a parachute, but will carry no special instruments in the plane. The coast line will be his guide, and he expects to have moonlight at night.

Miss Alto Parrish was in our midst Sunday. Miss Alto is attending school at Abilene.

Mr. I. W. Evans, of Abilene, visited his son Melvin, Saturday.

Mrs. Curtis Jones is staying with her mother at the sanitarium who had a very serious operation Saturday.

Mr. Horn, of Lometa, visited in the home of Mr. and Mrs. J. G. McMillian Saturday and Sunday.

Bearcats Playing For Championship

By defeating Miles Tuesday afternoon 30 to 24, the Ballinger basketball team won the right to meet the Winters Blizzards in two games for the county championship. The first of these games will be played in Winters Wednesday afternoon at 4 o'clock and the last here on Thursday afternoon at 4 o'clock in Fair Park. The county championship means the right to enter the basketball tournament at the district meet in San Angelo which stats at 10 o'clock Friday morning of this week.

According to the San Angelo Morning Times of Wednesday the Bearcats have thrown a scare into the hearts of other quintets over the district and now loom as another championship team. The district championship is now held by the San Angelo high school but the record set up by the Bearcats so far places them in line to take the honor this year, if they can get over Wednesday and Thursday with their old rivals, the Winters Blizzards. The Bearcats took the lead at

the start of Tuesday's game and were never behind. At the end of the first quarter the score was 8 to 3 for Ballinger and the half finished with it standing 12 to 8. Underwood, Bearcat forward, and Thomas, Miles center, tied for scoring honors with twelve points each. Feist, however, was a close second with ten points. Greenhill, Ballinger guard, plaid his best game of the season and was a sensation on defense all the way.

The line up:

Player	FG	FT	PT	PF
Ballinger	5	2	12	0
Underwood, f	5	0	10	3
Feist, f	1	2	4	3
Reneau, c	1	2	4	3
Davenport, g	1	2	4	3
Greenhill, g	0	0	0	1
Seidel, g	0	0	0	0

Player	FG	FT	PT	PF
Miles	1	3	5	3
Schwartz, f	1	2	4	3
Rosser, f	1	2	4	3
Thomas, c	0	0	12	1
Salling, g	0	0	0	2
Harsch, g	0	1	1	2
West, g	1	0	2	2
Williams, g	0	0	0	1

We have vegetable and flower seed. Ballinger Floral Co. 7-3d

LIGHTS ON IN DAY TIME MEANS FUNERAL CORTEGE

(By Associated Press) SAN ANTONIO, Feb. 12.—Headlights turned on in day time will mean that the line of automobiles so lighted is a funeral procession, and must not be cut into

or crossed by other cars. A city ordinance to that effect has been passed by the San Antonio city council.

Seguin—Construction of buildings here reached a new high point during 1929 with the estimated total of \$250,000.
