had a \$25 raise in salary and school term extended to eight months. This is Ada's first year teaching. She has a host of friends here who wish her much

The 4H club meeting was called off Friday night on account of the rainy weather by Mr. Lehmberg, county agent, and will be held Wednesday night with the P-T. A. social.

On Friday of last week several club ladies and Mrs. Lura Hollingsworth met at the home of Mrs. Emmett Richardson and canned a beef. Nearly 75 quart jars of steak, roast, Swiss roast, chilli and soup were canned Three pressure cookers were used.

A. C. Womack called a meeting of the Bethel school faculty Saturday to look over the classrooms and plan the year's work. A new class-room has been added this year which will be a great help as the lower grades were very crowded.

Mrs. Gene Richardson, of Ballinger, visited in the home of Emmett Richardson Friday and also assisted in the canning of

Miss Alma Koenig and friend, Miss Lola Brasher, accompanied by Albert Koenig, left Sunday

#### Action Without Harm Whenever Constipated

Here's a way to be rid of constipation and its ills—a way that works quickly, effectively, but gently.

A candy Cascaret at night—the next morning you're feeling fine. Breath is sweetened; tongue cleared; biliousness, beadaches, dizziness, gas vanish. Repeat the treatment two or three nights to get

the treatment two or three nights to get the souring waste out of your system. See how appetite and energy return;

how digestion improves.

The action of Cascarets is sure, complete, helpful to everyone. They are made from cascara, which doctors agree actually strengthens bowel muscles. All drug stores have the 10c boxes.

## SCIENCE INTELLIGENTLY APPLIED"

LUCKY STRIKE - the finest cigarette you ever smoked, made of the finest tobaccos -the Cream of the Crop-THEN-"IT'S TOASTED." Everyone knows that heat purifies and so TOASTING removes harmful irritants that cause throat irritation and coughing. No wonder 20,679 physicians have stated LUCKIES to be less irritating! Everyone knows that sunshine mellows - that's why TOASTING includes the use of the Ultra Violet Ray.

## CLARK HOWELL

Editor Atlanta Constitution Many years Member Democratic National

Committee Member United States Coal Commission Former Member and President Georgia Senate

Former Member and Speaker of Georgia House of Representatives And long Trustee University of Georgia

"Science is revolutionizing all forms of manufacture. The manufacturers of LUCKY STRIKE cigarettes have extended me the courtesy of an invitation to their factories. I was not able to accept but have taken the opportunity to read the reports of scientific men as to the achievements in their factories.

"It is clear that in no line has science been more intelligently applied than in the making of cigarettes."

# It's toasted

Your Throat Protection - against irritation - against cough

Consistent with its policy of laying the facts before the public, The American Tobacco Company has invited Mr. Clark Howell to review the reports of the distinguished men who have witnessed LUCKY STRIKE'S famous Toasting Process The statement of Mr. Howell appears on this page.
