### ARMISTICE

We Pay Homage to the Heroes of War We Commemorate the Coming of Peace

On this Armistice Day we glorify Peace, not War. We honor the nation's heroes as men who gave their lives not to win a war, but to win an everlasting peace. They were brave, fighting hearts that bled for a noble cause. We can well cherish the memory of their deeds, but in remembering let us also pray that our youth and the youth of the world will never again
