Decoration Service Health Inspection Decoration Day will be observed The Ballinger Parent-Teacher in Ballinger at 5 p. m., Sunday, Association held a summer round-May 29. The service will be held up Tuesday afternoon with fifty at Evergreen Cemetery with the 6-year-old children inspected by

Pat Williams Post, American local dentists, physicians and Legion, and the women's Auxiliary nurses. Mrs. Floyd McCoy, chairin charge. The post ordered preparation of in charge of arrangements and a a program at its meeting Monday number of members of the assonight and details of the observance have been assigned to Post Chaplain E. W. McLaurin. Members of the Auxilary have assumed medical authorities. Several the responsibility of gathering mothers telephoned to the city flowers and arranging some 90 bouquets which will be placed on held, stating that their children the graves of all war veterans. could not attend on account of The Legion post has invited having the mumps. the local post of the Veterans of

Foreign Wars to participate in the observance and cooperate in the program honoring the dead who served their country on the battlefield. After graves of veterans in Evergreen are decorated a committee of Legionnaires will visit the Runnels cemetery to decorate graves of war dead there. The program, which is short, will be held in the grove near the center of the cemetery. The Ballinger Band will furnish music for

the occasion and a speaker will deliver a brief address. As taps are sounded by the bugler each grave will be decorated. M. C. Atkins, who has a plot of

the cemetery showing where veterans are buried, will mark each grave with a United States flag before the service commences. It is requested that those knowing will be made at the beginning of the location of graves of veterans which have not been decorated in the past report same to Mr. Atkins so they can be properly until this has been done.

### FORMER BALLINGER TEACHER HOLDS IMPORTANT PLACE

J. B. Pace, formerly principal of the Ballinger high school and now superintendent of the school at Tahoka, has been appointed to a place on the state text book commission. The appointment came unsolicited by Mr. Pace and was in recognition of high standing in his profession. Ballinger friends will be glad to learn of this recognition.

## Keeping Step

The banking principles of our institution have been tested for more than 45 years of active operation.

During this time it has met the responsibilities of a growing county and city and has kept its facilities and policies always equal to the times and conditions.

Since 1886

YOU CAN SAVE MONEY with Electric Refrigeration by eliminating waste from spoilage; by buying in volume on "bargain days," knowing that your foods will stay fresh indefinitely; and by purchasing large-sized canned goods-at a much lower cost per ounce-refrigerating the surplus safely for future use.

YOU CAN SAVE TIME with Electric Refrigeration through its constant automatic operation; through the ability to prepare delicious frozen desserts and salads at a moment's notice; and because its scientifically-correct refrigeration preserves perishables in ready-to-use condition.

YOU CAN SAVE WORK with Electric Refrigeration, because it provides an abundance of ice cubes at all times; because it is clean and easy to keep clean; because in it you can keep dainty, ready-fo-serve refreshments; and because its constant low cold, assuring dependable refrigeration, eliminates only trips to market.

These are but a few of the many advantages of modern Electric Refrigeration. For a complete and interesting demonstration, call in at our Showroom, or see your Electrical Dealer . . . Today! Convenient Terms can be arranged.

> Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule ... and adds only a small amount to your total bill?

J. Y. Pearce Drug Co., Weeks Drug Store or any drug store in the world will sell you a jar of Kruschen for a trifling sum-take one-half teaspoonful in a glass of hot water every morning-go light fatty meats, potatoes and sweets. But for your health's sake demand and get Kruschen Salts-imitations are numerous. It's the little daily dose that does it.

## Rotarians Hear **Convention** Report

At the Wednesday luncheon of the Ballinger Rotary Club the convention report of E. E. King, official del of the club, was neard. The convention was held Mineral Wells this year with all three districts of Texas represented. Approximately 1,000 delegates were registered and prominent speakers from this country and England addressed the gathering

Mr. King attended all sessions and took notes on the most important items so that his report was very accurate, dealing with the big questions to come before Texas Rotarians.

Accompanying Mr. King to the Mineral Wells convention was H. W. Lynn, who attended group meetings dealing with his committee work in the local club.

Attendance was good at the Tuesday meeting, twenty-two answering roll call.

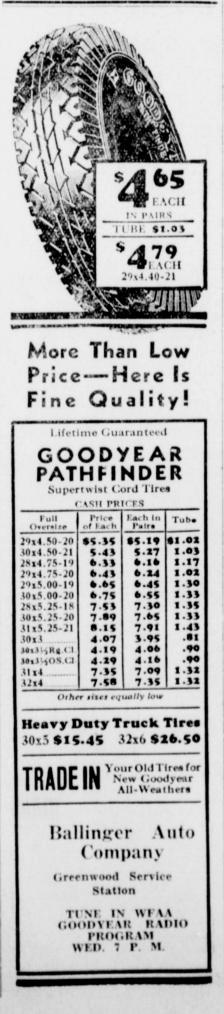

DATE FOR A DIME AT MISSOURI U.

(By Associated Press)

COLUMBIA, Mo., May 19.-"dating" bureau is the newest money making scheme of enterprising students at the University of Missouri.

A dime is the "service charge" asked by "Cupid" in his announcements on campus bulletin boards

Within 48 hours after establishment of the bureau, "Cupid" reported applications, accompanied by dimes, from 22 young men and 17 co-eds. For the more fastidious who object to "blind" dates, "special requests" will be filled whenever possible.

## BENEATH THIS HOOD you will find the

time-proved and reliable Chevrolet motor, which combines unequalled economy with smoothness, speed, quietness and flexibility

Raise that big, impressive Chevrolet hood! The fine, modern, six-cylinder engine underneath is one of the chief reasons why Chevrolet continues to be America's largest-selling automobile! For that engine is a six-and only a six, as Chevrolet builds it, combines both built-in smoothness and maximum economy. That engine is mechanically sound! Three and a half years of continuous improving, refining, and testing have made it as nearly perfect as it can be! That CHEVROLET MOTOR COMPANY, DETROIT, MICHIGAN. DIVISION OF GENERAL MOTORS

**Batts Chevrolet Co.** 

engine is thoroughly proved-Its basic design and construction have been tested and proved by billions of miles of service. That engine is up-tc-date in every respect-It develops 60 horsepower-delivers a speed of from 65 to 70 miles an hour-and accelerates from a standstill to 35 miles an hour in less than 7 seconds. Its advantages are yours for as little as \$445-Due to new reduced prices, the new Chevrolet Six now sells for one of the very lowest prices in the market.
