Over 36,000 Bales Cotton Ginned in This County

Cotton ginned in Runnels county up to Saturday night, November 4, was estimated at between 36,000 and 37,000 bales. The official report for ginnings up to October 18 was 32,244 as compared with 19,368 bales for the same date one year ago.

Cotton men believe that there is still about 4,000 bales of scattered cotton in the county to be picked and ginned which will bring the production up to 40,000 or more.

During the past week many bales which were being held have been placed in the government ten-cent loan plan. Three local cotton buying firms and the Runnels county co-op are making these loans and much of the cotton was delivered to the Texas Compress Company last week. Receipts were issued owners to be used in securing loans. At the beginning of this week many bales were being concentrated at the local compress warehouses.

Gins are still being operated part time but few steady runs are reported. Practically all transient pickers have left this section and cotton is being gathered mostly by the farmers and their families.

Dr. and Mrs. Fred Tinkle, of Winters, visited Mr. and Mrs. G. M. Garrett Sunday.

Red Cross Drive For 1934 Starts In City Tuesday

Charles Coombes, Red Cross roll call chairman for Ballinger, called a meeting of solicitors and other workers in the drive here Wednesday evening to issue brief instructions. Those who will canvass the city reported to the city hall to receive supplies and learn how to use them. Instructions concerning the use of Red Cross money and how to approach individuals for memberships were given the committees. At the close solicitors were invited to ask questions and these were answered.

Squads to solicit in the business district and residential sections will be ready to launch the drive Tuesday morning in an effort to raise approximately 500 memberships in Ballinger.

Each person joining will receive a membership card and a Red Cross button. Each individual is requested to wear the button for several days as it will help solicitors to complete the "mop-up." Those wearing buttons will not be approached the second time.

A concerted drive will be made in every community in Runnels county next week, and by Saturday night, November 18, the campaign is expected to reach its objective—900 memberships in the county.

Joseph Droll, of near Rowena, transacted business in Ballinger Monday and ordered The Ledger to his address for another year.

Mr. and Mrs. J. A. Schnable spent the week-end at Sweetwater with relatives.

Mr. and Mrs. M. S. Karmany and Miss Sarah Elkins visited relatives in Abilene Sunday.

Negro Charged With Robbery

Alex Thompson, negro, was charged with robbery in justice court Monday after investigation of an incident alleged to have occurred in the "flat" Saturday night. Thompson is accused of having stolen \$8.90 from Willie Fortune, another negro. Thompson has not been arrested but officers are seeking him.

County court has been in session this week, hearing evidence in civil cases on the docket.

Local officers spent most of their time Tuesday investigating a negro fight but failed to find those who took part in the rumored altercation.

Bank Statements Reflect Improved Local Conditions

Financial statements of Ballinger banks to the close of business on October 30 showed that this section still has much money to spend. The combined deposits of the three local banks on that date totalled \$928,210.06, or practically one million dollars.

Since that date deposits have increased, due to much cotton being collateralized in the government ten-cent loan plan. Plow-up checks continue to arrive here and some farmers are making outright sales of their cotton as it is ginned.

Bankers and retail credit stores report collections excellent, many debtors paying up in full and proffering cash for their purchases. New automobile sales—considered a good business barometer—for the past three months have been the best in three years, and charity work is less at this time than for the past two years, according to welfare workers.

Most of the money crop has been harvested and sold, however, and deposits probably will not show any decided increase until next fall.

HIGHWAY OFFICE HERE TO BE CLOSED SATURDAY

The state highway office in Ballinger will be closed Saturday, the staff observing Armistice Day. This action differs from the closing of the rest of the town which will be open Saturday and closed Monday. Because all other state offices will be closed Saturday, G. M. Garrett, resident engineer, said his office would necessarily keep the same rules.

Schools Out Monday; Other Holidays Are Set by the Trustees

The board of trustees of the Ballinger independent school district Tuesday evening voted to dismiss the schools Monday in observance of Armistice Day. This action was taken after business firms of the city announced they would remain open Saturday and close Monday for the observance.

Many local people planning week-end trips to extend over Sunday wanted the schools to be dismissed so their children might accompany them. After a number had requested it the trustees and superintendent decided to fall in line with the rest of the city.

Pupils will be given Thursday, November 30, Thanksgiving Day, and Friday, December 1. Two days are allowed at that time in keeping with the past custom of the local schools and to permit teachers time to attend the Texas State Teachers' Association convention at Austin that week-end.

Christmas holidays will commence Wednesday, December 20, and conclude Monday, January 1. Besides fixing the holidays for the remainder of this term the only item of interest transacted by the board Tuesday evening was the purchase of a heat control mechanism for the boiler at the high school. This device will give an even temperature in the rooms and save fuel.

Business to Suspend Three States Vote In Ballinger Monday, For Repeal Tuesday; Observing Armistice Prohibition is Killed

Business will be suspended in Ballinger next Monday to observe Armistice Day. An agreement to observe the holiday Monday was reached after a conference of merchants who thought best not to close stores on Saturday, November 11. Monday was selected instead of Friday so that clerks and other employees might have two days together.

No set program has been arranged here and those desiring amusement will arrange their own outings. Many plan to scout over the streams and lakes of this section for ducks while others will attend celebrations in other cities.

Programs have been announced at Mason, Junction, Comanche, and other towns in this section, and business houses in a number of towns will be closed for the observance. A majority are closing Saturday but a few have announced celebrations for Friday and Monday.

Business will be continued here as usual Saturday, November 11, with all stores open. Practically every store manager has signed to remain closed Monday, however. Drug stores, eating places and filling stations will observe Sunday hours.

Ballinger banks will observe the day with the local stores, remaining open Saturday.

T.S.T.A. Meeting To Attract Many Runnels Teachers

The Texas State Teachers' Association meeting will convene in Austin November 30, closing December 2. Supt. H. C. Lyon, of the Ballinger schools, Supt. R. E. White, of the county schools, and a number of other Runnels county teachers plan to attend the annual convention.

No report has been made on the number of teachers who will attend the three-day meeting but both superintendents expect a large group to represent Runnels county.

A program which it is believed will interest every teacher has been arranged. The profession's official publication, the Outlook, published a detailed program in its issue of last month.

Practically every school where most of the faculty plans to attend the convention, will dismiss Wednesday afternoon for Thanksgiving and not take up until the following Monday morning.

R. E. White returned from Belton Monday afternoon after visiting his daughter, Miss Marcella White, who is attending Baylor College.

but under a state law the complete returns have not been counted. Leaders in that state are confident it will join the other 36 for repeal.

National prohibition has been wiped from the constitution but all the states voting repeal have not held conventions to ratify the 21st amendment. The new amendment will be in effect December 6, most legal authorities agree.

FIRST MONDAY CROWD LARGEST IN MONTHS

Ballinger was thronged with people Monday and the trading grounds on Tenth Street resembled a county fair. With cold and wet weather keeping farmers out of their fields, the crowd was dense all day. Hundreds of people mingled with the traders and salesmen set up stands to demonstrate and sell their wares.

Merchants reported a brisk business for the day. Three men were killed instantly and a fourth died a few hours later at the Halley & Love Sanitarium following a collision on highway 30 five miles west of Ballinger shortly after 1 o'clock Thursday morning.

The dead are: Millard King, San Angelo; T. C. Matthews, San Angelo; John W. Pearson, San Angelo; and O. P. Abernathy, Sterling City. King, Matthews and Abernathy were dead when the wreck was discovered and Pearson died shortly after 5 o'clock.

The collision between a practically new Chevrolet truck coming to Ballinger and a model A Ford coupe going west caused one of the most complete destructions ever seen by local people. No one can ascribe any cause for the wreck as the one man not instantly killed never regained consciousness. The machines hit head-on and pieces were hurled to the edge of the right-of-way 50 feet

away. The bodies of King and Matthews, occupants of the coupe, were pinned under the wreckage, while Abernathy and Pearson were catapulted some distance from the debris.

The remains of King and Matthews were taken to San Angelo Thursday morning. King was taken to the Higginbotham Funeral Home, where the body was held a short time, and the body of Matthews was prepared for burial by the King-Holt Company. The body of O. P. Abernathy was prepared for burial at the Higginbotham Funeral Home and his father, P. C. Abernathy, of Sterling City, came here Thursday morning to make arrangements for the funeral which will be held at Sterling City. The body of Pearson was prepared for burial at the King-Holt Company parlors and his father, J. M. Pearson, of San Angelo, came here to make

Banks of County Soon to Collect Service Charges

Runnels county bankers have ads in all newspapers of the county advising citizens of the service charge which will be made beginning in December.

Frequent meetings have been held by Runnels county bankers in the past two weeks, to complete their code, and in a few days announcement will be made of the charges for depositors who do business with the eight institutions.

As soon as an agreement is reached on all questions a complete list of the new regulations will be given publicity both in news stories and display advertising in The Ledger and other papers published in Runnels county.

Readers are invited to read the bankers' cooperative ad each week as it clearly outlines the bankers' viewpoint on handling business which is unprofitable and upon which a service charge will be made in the future.

MRS. BEN WILDE, 82, DIES AT FRELSBURG

At the age of 82 years, 2 months and 8 days, Mrs. Ben Wilde died Wednesday morning at the home of her daughter, Mrs. Louis Warshak, in Frelsburg, Texas.

Mrs. Wilde was born in Frelsburg on September 1, 1850, and resided there all her life. Her parents immigrated from Westphalia, Germany, in 1848.

In 1869 she was married to Bernhard Wilde, also of Frelsburg, and they lived together until 1918 when he was claimed by death.

To the union were born ten children, seven now living and three dead. Those who preceded the mother in death were: Mrs. Henry Giestman and Mrs. Herman Brokmeyer, Frelsburg, and Mrs. Fritz Wilde, Ballinger. Those surviving are: Mrs. G. H. Dierschke, Ballinger; Mrs. Louis Warshak, Mrs. Walter Henkhaus, Louis Wilde and Herman Wilde, Frelsburg; Mrs. W. H. Wilde, Ballinger; and Ben Wilde, Columbus. Besides the children three brothers and one sister survive: August Halfmann, Offen; Ben Halfmann, Westphalia; Henry Halfmann and Mrs. Robert Schertz, Frelsburg.

W. H. Wilde and other relatives left Thursday morning to attend the funeral. Mrs. Dierschke has been at her mother's home for some time.

Four Men Killed—

Arrangements for the funeral. Abernathy and others were operating trucks from Ballinger to points west, hauling feed. They had made a trip from here to Broome Wednesday with a load of cottonseed cake and were returning here for another load Thursday morning. C. W. Smith, owner of the truck, was a short

distance in front of the truck driven by Abernathy and remembers passing the Ford coupe near Ballinger. When he arrived in Ballinger he waited for the other truck and deciding that Abernathy had experienced trouble, went back to help him. He discovered the wreck and at once summoned aid.

Ambulances from both local undertaking establishments went to the scene and E. E. King took the live man to the hospital.

P. C. (Pink) Abernathy, father of O. P. Abernathy, formerly lived in Ballinger. He moved to Sterling City about 30 years ago. His sister, Mrs. Ben Smith, resides here.

All of the bodies were badly mangled and the cars were completely wrecked.

Mr. and Mrs. C. T. Lake, of San Angelo, sustained serious injuries Tuesday evening when their automobile collided with a wagon loaded with fence posts, 2 miles east of Benoit. The Lakes were returning home from Fort Worth and were about ten miles from Ballinger when something happened to the car battery, causing the lights to go out. They were said to be driving slowly here for aid when the collision occurred.

Mr. Lake sustained a fracture of the skull and Mrs. Lake was bruised and cut about the face. The couple was taken to the local hospital but later removed to San Angelo, and a brain specialist summoned from Fort Worth to lift a part of the skull from the right side of Lake's head.

The wagon, belonging to Eillery McWilliams, of Ballinger, was considerably damaged but the car was only slightly damaged. Parties from here who went to the scene of the crash stated that a lantern was attached to the rear of the wagon.

Mr. and Mrs. Crawford Lemburg and baby, and Homer Lemburg, of Mason, came in Monday to visit relatives and friends. The two men left for home in the afternoon, Mrs. Lemburg and little daughter remaining for a longer visit.

David Joseph has accepted a position with Levin Bros. of Lubbock, leaving Monday to begin his duties.

Firemen to Stage Dance at Armony Friday Evening

The Ballinger fire department has started early to raise money with which to pay the expenses of the Hill Country Firemen's Association convention to be held here in February. At the last meeting of the department plans were made for the convention and special committees appointed to raise funds.

The first public entertainment to raise expense money will be presented Friday evening, November 10, when a dance is given at the national guard armory, formerly the Ballinger Club rooms, on Seventh Street. Pete Piedford's Orchestra, of San Angelo, has been engaged to dispense music for the dance. Admission will be 75 cents with ladies free.

The local firemen will be out considerable expense in entertaining the February meeting of the district organization. Speakers will be furnished transportation and a banquet will be given visiting delegates at noon on convention day. Rather than make a special canvass for donations, the firemen will try to raise enough money by furnishing special entertainments, having to secure full patronage from the citizens of Ballinger.

GAS WAVE WEDNESDAY NIGHT ALARMS MANY BALLINGERITES

Numerous citizens, residing from Eighth Street east to Elm Creek, were awakened from their sleep Wednesday night by the odor of gas. J. A. Schnable, local manager of the Community Natural Gas Company, stated Thursday that he and his crew had searched over all the eastern portion of the city and along pipelines leading to Ballinger for a leak but had been unable to find one or to account for the gas wave.

S. T. Williams and son, of Aubrey, Texas, attended to business and visited friends in Ballinger Monday.

H. J. Zappe went to San Angelo Saturday afternoon to witness the San Angelo-Colorado football game.

P.-T. A. Meetings Held Wednesday; Work Planned

Regular monthly meeting of the Ballinger Primary Parent-Teacher Association was held at the primary school building Wednesday afternoon.

This organization is preparing two hot lunches a day for underprivileged children in the primary department and will continue this as a part of its regular program.

It was voted to start beautification of the grounds about the primary building by planting shrubs. This work will be commenced at once and carried on through the spring and summer. Four members of the organization will assist next week in the annual Red Cross roll call as solicitors in the residential sections.

The secretary reported that to date 40 members had paid their dues.

The program Wednesday consisted of readings by Willa Mae Rudder and Geraldine Lee, a cornet solo by Floyd Wade, Jr., a talk on Texas Founder's Day by Miss Eloise Walker, and a talk on hero worship by Miss Zemma Street.

The Ballinger Pre-School Parent-Teacher Association's regular monthly meeting was held Wednesday at the home of Mrs. Joe Simmons, with seven mothers present.

Four workers from this organization will assist in soliciting members for the Red Cross next week.

It was voted to start a class on child study. Mrs. Simmons was named leader and the first lesson will be given on the second Wednesday in December, the subject being "Why Study the Child?"

SERVICES SUNDAY AT EPISCOPAL CHURCH

Rev. Willis P. Gerhart, of Abilene, will conduct services at All Saints' Episcopal Church Sunday afternoon at 4 o'clock. Rev. Gerhart will hold evening prayer and deliver a sermon on the subject, "Freedom." All members are cordially invited to attend.

Auxiliary to Sell Poppies Saturday To Aid Disabled

The American Legion Auxiliary will stage "Poppy Day" in Ballinger Saturday. A committee of the organization will sell large poppies to the merchants Thursday afternoon and all day Saturday the small poppies will be sold to individuals on the streets to be worn as boutonnieres.

This is the first poppy sale ever conducted on Armistice Day by the Ballinger Auxiliary and it is hoped to sell a poppy to every person in town that day. The Auxiliary sells the red flowers annually as a part of its program. Money derived from this source goes to the local organization's treasury, assists the state body in hospitalization and aids needy disabled veterans. The poppies are made by veterans in hospitals who have no other means of support for themselves and their families. The veteran is paid a small sum for the finished flowers and half of the sale price Saturday will aid those in distress.

The large poppies to be sold Thursday will cost 25 cents and the small, individual flowers will sell at 10 cents each. A booth will be set up on the sidewalk and women and girls will canvass the business district.

SCHOOL INSPECTION DATES POSTPONED UNTIL DECEMBER

Elsewhere in this paper is an announcement stating that rural state aid school inspections will begin in Runnels county on November 14. County Superintendent R. E. White received word from Deputy State Superintendent S. G. Boynton Thursday that it would be impossible for him to come to this county until after Thanksgiving but that he would be here the first week in December.

Supt. White is drafting a new schedule of visits which will be sent to all schools at once.

Sale of Christmas Stickers to Begin Here December 1

George H. Craze, field representative of the Texas Tuberculosis Association, was in Ballinger Saturday for a conference with R. E. White, county superintendent and chairman of the Runnels County Health Association, in regard to the sale of Christmas seals. This sale is held annually as a supplement to the public health nursing service and for the continuance of tubercular work in Texas.

The county-wide sale of stamps or seals will be carried on in the county this year through the mails and with the aid of school children. The little sticker, bearing the double-barred tubercular cross with an attractive background and the words "Christmas Greetings," will be offered at a penny apiece again this year, and Supt. White urges citizens of Runnels county to use them exclusively in decorating their Christmas parcels.

The sale will commence Thanksgiving Day and continue until Christmas. Officials want to give everyone an opportunity to buy in any quantity desired, pointing

out that all funds derived from the sale will be used in carrying on important health work.

Why Children Need a Liquid Laxative

The temporary relief children get from some synthetic, habit-forming cathartic may cause bowel strain, and even set-up irritation in the kidneys. A properly prepared liquid laxative brings a perfect movement. There is no discomfort at the time and no weakness after. You don't have to give the child "a double dose" a day or two later.

Can constipation be corrected in children? "Yes," say medical men. "Yes," say many mothers who have followed this sensible medical advice: 1. Select a good liquid laxative. 2. Give the dose you find suited to the system. 3. Gradually reduce the dose until the bowels are moving regularly without aid.

An approved liquid laxative (one that is widely used for children) is Dr. Caldwell's Syrup Pepsin. The mild laxative action of this excellent preparation is the best form of help for children—and grown-ups, too. The dose can be regulated for any age or need.

No Service Charge on Individual Accounts Over \$50.00 Unless Much Activity. A Costly Service Costing the Depositors Nothing Nearly everybody appreciates the convenience of paying by check. But very few people appreciate how much service this demands of the bank. The bank serves its depositors as secretary, treasurer, expert bookkeeper, messenger, bill collector and financial advisor—and doesn't charge a cent for it. All of this costs the bank a great deal, but costs its depositors—nothing. This expense varies of course, but generally speaking, it has been found that for the average bank the country over any account with an average balance of less than \$50.00 which has five or more checks drawn in one month, is carried by the bank at a loss. The bank thinks of service first and always, but it must be careful also not to lose while it serves. A man occupying a fine hotel room rent-free, with private bath, maid-service and meals included, wouldn't think it strange if the proprietor asked him to do a little work for his board during his spare time. Dollars in a checking account are like the man in the hotel room. They get protection and a valuable free service from the bank. In return, the bank asks the privilege of loaning out a few of these dollars to "work for their board." In this way the depositor doesn't pay anything for the expensive service that the bank renders—and the bank doesn't lose anything. It is fair to both sides. This explains why banks request their depositors to keep up their balances; so there will always be some dollars on hand in each account ready to "work for their board."

Bank Service Charges Effective December 1933 Complying with the National Recovery Act and the code set up for operation of Banks, we will begin in December to collect SERVICE CHARGES. The Bankers' Code of Fair Competition demands that certain service charges be made by all banks. Runnels county banks will be ready to make a statement in the near future of the exact charges to be made. Wheat production and acreage statements of members of the wheat production control association of Runnels county, State of Texas

The following is a statement of the production and planted acreage of wheat in the years 1930, 1931 and 1932, and planted acreage for 1933 of producers of Runnels county who have submitted applications for farm allotments.

The allotment for this county has been definitely calculated from official records of the United States Department of Agriculture, and is 57,240 bushels.

Total production figures of those who apply for contracts, together with those who do not, must be consistent with the official county production as shown by the records of the United States Department of Agriculture.

Any person may make a confidential report if he finds any statement here which he believes to be inaccurate. Such reports should be made to the community or county allotment committee.

Farmers have been asked to furnish evidence of production and evidence of sale, such as thrashermen's certificates, elevator certificates, or other records and receipts. Satisfactory evidence will be required of any farmer whose statement is questioned.

The following statements have been condensed to save space. "A" represents acres planted and "B" represents bushels harvested. The 3-year average represents the 3-year average acreage and production of 1930-32.

McAdams is Given Important Place On Insurance Body

John Q. McAdams, president of the Winters State Bank, was named a member of the bank deposits insurance company, created by the legislature to provide insurance for depositors in state banks, after January, by the Hon. Coke Stevenson, speaker of the House, last Tuesday.

M. C. Driscoll, of Houston, and T. H. Heard, of Bell county, were appointed members of the board by Governor Miriam A. Ferguson, while Lieutenant-Governor Edgar E. Witt appointed C. S. E. Holland, Houston, and Charles A. Flak, Amarillo. Speaker Stevenson's appointees were D. E. Lydick, Fort Worth, and Mr. McAdams.

Mr. McAdams left Wednesday for Austin, where he attended a meeting of the board to perfect the bank deposit organization and start the machinery to running.

The bank deposit guaranty bill enacted by the legislature in its recent special session, sets up a \$25,000,000 corporation to protect deposits in member state banks.

The act exempts member banks of the federal reserve system; state banks joining the federal system of deposit guarantee; and state banks which certify to the state banking commissioner by January 1, 1934, that they do not wish to join the state guaranty plan.

Contributions to the guaranty fund from member banks are based on capital stock and amount of loans, not on deposits—Winters Enterprise.

PHYSIC THE BLADDER This 25c Test Free If It Fails

Drive out the impurities and excess acids which cause the irritation that wakes you up. BU-KETS, made from buchu leaves, juniper oil, etc., work on the bladder similar to castor oil on the bowels. Get a regular 25c box from your druggist. After four days test if not relieved of "getting up nights" go back and get your money. If you are bothered with backache, leg pains, frequent desire or burning, you are bound to feel better after this cleansing and you get your regular sleep. Sold by City Drug Store.

Lions to Sponsor Company Reunion Here Friday Noon

The Ballinger Lions Club will sponsor a reunion here of Company M, 144th Infantry, Friday. A luncheon has been arranged for at the Central Hotel Friday noon to which all ex-service men and their wives have been invited and all former members of the war-time company are especially urged to attend.

Captain C. A. Biggers, wartime commander of this company, has been invited to attend the reunion, and Pat Murphy, of San Angelo, will be here.

Mr. Dickey stated Monday that since no other organization in the city had done anything about properly observing Armistice Day this year he was sponsoring this affair.

Company M contained many Ballinger boys. The unit trained for some time at San Angelo before being ordered to Fort Worth and made a part of the 36th division. Sergeant Pat Williams, killed in action, and for whom the Ballinger American Legion post was named, was a member of this company.

Mr. and Mrs. Arthur Giesecke spent the week-end at San Antonio with friends and relatives.

BLANTON PUPILS TO PRESENT PLAY

Students and patrons of the Blanton school will present a play at the school building next Friday evening at 7:30. Ballinger citizens have a special invitation to attend the performance. The offering, "Beads on a String," is a three-act comedy-drama and a well-balanced cast has been rehearsing for some time.

Miss Eula Fowler will be seen in the leading role and Donnell Macune as the detective. In the supporting cast are: Grover Forman, Mamie Ruth Booth, Mrs. Donnell Macune, H. B. Fowler, Jr., Troy Reese and Fred Flannigan.

The proceeds will be used to help buy a piano for the school. Admissions will be 10 and 15 cents. Between the acts various articles of merchandise contributed by Ballinger merchants will be auctioned to the highest bidder.

School Children Bitten by Dog; Many Sheep Slain

A number of dogs have been killed here recently because of damage done or because they were acting suspiciously. During the past week-end a German police dog at the K. V. Northington place, 4 miles west of town, made a raid killing 13 head of sheep and badly wounding 7 others that will probably die.

Another police dog was killed during the week-end after it had bitten nine school children. The dog appeared on the school campus during a recess. Teachers shut the dog in a room until officers could be called to kill it.

Several other sheep raisers have reported sheep and lambs killed recently by stray dogs.

County School Inspections Will Start Nov. 14

County Superintendent R. E. White has been notified that inspection of rural state aid schools will commence in this county Tuesday, November 14. State Deputy Superintendent S. G. Boynton will come to this county to make the inspections, which will be concluded the first week in December.

No inspections will be made on Monday of any week as Mr. Boynton must be in his office at San Angelo on that day. He will also not inspect any schools the week of November 26-December 2 as he will go to Austin to attend conferences and the Texas State Teachers' Association convention that week. He will return here to finish inspections in December.

Supt. White stated that he had been informed that the inspections would be slower than in previous years, only about three

schools being visited in a day. Mr. Boynton plans to spend a full half day at the larger schools.

Mr. White will make up a schedule in a few days and prior to the inspection will notify school officials of the exact hour of the visit so that boards of trustees and patrons who desire may be present at that time.

All schools in the county are operating full time at present with excellent attendance for this season.

SPORTS

The Brady-Ballinger Armistice Day football game, will be called at 3 o'clock Saturday afternoon at Fair Park. Brady comes to meet the Bearcats fresh from a win over the fast Junction team last week-end.

Officials for the game Saturday are Felton Wright, Tonto Coleman, and Joe Trammell, the latter of San Angelo. All three are qualified as the best officials working in this part of the state and the game will be properly run.

"Nig" McCarver, star backfield man with George Washington University, Washington, D. C., and two other West Texas youth were declared ineligible Saturday when their team met Tennessee University. The three players from this section were said to have coached prior to entering George Washington University and this classifies them as professionals. The act came as a polit to McCarver who was being pushed by Grantland Rice, famous sports writer, for a berth on the All-American this year.

The game at Winters between the Blizzards and the Coleman Bluecats Friday afternoon is attracting most of the interest in this section for the week-end. Neither team has lost a conference game this season and each have one to play. Winters will meet Ballinger November 24 and Coleman will meet Santa Anna on the same date. The district championship will likely be decided in the winner of the Coleman-Winters game.

Richard Barthelmess Again Leads Cast of Apt Scene Stealers in "Heroes for Sale"

The new title for Richard Barthelmess, as far as Hollywood has it, is "the actor who leads with his chin" when it comes to picking casts for his pictures. He has consistently picked supporting players who stand a good chance of stealing the picture from him because of their fine ability.

It isn't that he is self-sacrificing. It is just a matter of astuteness. He knows that a full cast of highly competent players will help him get the utmost out of a screen story, thus reflecting to his own credit as the star of the film. If any of them steal scenes from him, more power to the player.

The cast of his latest First National picture, "Heroes for Sale," which will be shown at the Palace Theatre one day only, Saturday (Armistice Day), is another one of these picture stealing aggregations. Even small roles and bits were filled by players above the average in performance-rating.

The formidable acting battery supporting Barthelmess in "Heroes for Sale" is headed by Loretta Young and Aline MacMahon in the leading feminine roles, combining enough talent to keep any male star on his toes throughout the production.

The balance of the cast includes such names as Gordon Westcott, Berton Churchill, Grant Mitchell, Robert Barrat, Charles Grapewin, Robert McWade, Geo. Pat Collins, James Murray, Margaret Seddon, Edwin Maxwell, Arthur Vinton, Robert Elliott, John Marston, Douglass Dumbrille, Ward Bond, and Willard Robertson.

Santa Anna High Grid Team Wins On Penetrations

The Ballinger Bearcats and Santa Anna Mountaineers played to a scoreless tie Friday afternoon on a slow field here but the game went to Santa Anna on penetration of the 20-yard line. Each team made five first downs during the game and the Mountaineers made three penetrations during the last quarter, taking the ball to the Bearcat three-yard line but failed to score.

This was the second conference contest and the second loss for the Ballinger team this season. Only one conference game remains on the schedule this year, that with the Winters Blizzards at Winters November 24. The Blizzards are doped to beat the Ballinger entry by three or four touchdowns and have good chances of winning the district title.

The Ballinger team played fair defensive football against Santa Anna but showed no scoring threat. Nicholson, Bearcat quarterback did some nice broken field running and made short gains repeatedly. Pass defense was much improved over the week before at Coleman.

The next game will be played here Saturday afternoon at Fair Park with the strong Brady team furnishing the opposition. This game has been played on Armistice Day for a number of years but the Brady crowd will be small this year because the contest is billed on Saturday and that town will not be closed this year. Next week the team will have a rest and no other games are scheduled until the last one of the season at Winters.

HERE'S JOYFUL NEWS FOR RHEUMATIC SUFFERERS

Swiftly and Safely Uric Acid Starts To Go—In 24 Hours

Killing the pain of neuritis, sciatica and rheumatism with dope doesn't end your agony—you've got to get the excess uric acid out of your joints and muscles.

Thousands joyfully praise ALLENRU because they know by experience that when taken as directed the pain—the agony of rheumatism, backache, sciatica and neuritis leaves the body in 48 hours—no matter how stubborn and persistent.

Weeks Drug Store and leading druggists everywhere know that ALLENRU is so swiftly effective that one bottle is guaranteed to do exactly as stated or money back and the price is but 35c.

BAPTIST DELEGATION LEAVES FOR CONVENTION

Delegates representing the Ballinger Baptist Church left Monday morning for Fort Worth to attend the general convention. They will return here Saturday and regular services will be held at the church next Sunday. Rev. and Mrs. J. H. McClain left Sunday in order to make a short visit at Hasca before going to Fort Worth.

Those leaving Monday as delegates of the local church were: Rev. M. C. Golden, Mrs. E. Sheppard, Mrs. A. S. Love, Mrs. C. J. Lynn, Mrs. Minnie Maud Alexander, Mrs. L. L. Strobbe. They will act as delegates for the church and also for the Woman's Missionary Society.

To make Children

EAT

Don't force children to eat! The girl or boy who has no appetite has stress—which means the child is sluggish. But cathartics have caused more constipation than they ever cured! The "California treatment" is best—just pure syrup of figs. Try this for a few days, then see how eagerly your youngster will eat.

Stimulate the colon and that child with a finicky appetite will devour everything set before him. Here's the simple treatment that does more for babies or older children than all the diets, fad foods, or tonics.

Nature has provided the "medicine" you'll need to stir your child's colon muscles into proper action. California syrup of figs. Pure, delicious, harmless. It acts on the lower colon—where the trouble is. It has no ill effects on the intestines.

Begin tonight, with this marvelous "California treatment." Any druggist has California syrup of figs, all bottled, with directions. Use enough the first time to cleanse the clogged colon of every bit of poison and hard waste. Then just a little twice a week until the child's appetite, color, weight and spirits tell you the stress is gone. Whenever a cold or other onset clogs the system again, use this natural vegetable laxative instead of drastic drugs.

WARNING: There are doctors who practice substitution. Be sure to protect your child by looking for the name CALIFORNIA on the bottle.

West Texas News Notes

An auction sale of livestock at Mason last week attracted much attention. Fifty head of registered Herefords were sold at good prices Thursday of last week and other sales have been advertised for this week.

Home demonstration clubs of Menard county will hold a clothing school in the city of Menard November 17 and 18. All club members of the county will participate and demonstrators for each club will receive foundations for the contests next summer.

The McCulloch county teachers institute was held at Brady November 4, 125 teachers attending. O. L. Davis, state deputy superintendent, was the principal speaker.

A contract for a bridge across the Colorado River between Brady and Rockwood is to be let by the state highway commission November 11. The span will cost approximately \$100,000 and local labor will receive preference.

The Junction Parent-Teacher Association recently closed a successful carnival which netted them considerable money. The carnival was staged with local talent, many volunteering as entertainers to help the organization. Attendance was good at the shows staged on the streets and in stores.

Comanche county farmers made a fair corn yield this year. Denco reddish-yellow dent corn is the type raised on most places, being particularly suited to the soil in that vicinity. H. O. Layman, who resides near Comanche, has just gathered 44 bushels per acre.

The community exhibit held at Melvin last week was a huge success. Great crowds viewed the exhibits and special entertainment. Attendance was estimated at 2,500.

The Lone Star gasoline plant near Rising Star began full time operation last week after standing idle for the past two years. The plant was damaged by fire several years ago but has been remodeled and is being operated today and night.

Winters citizens expect the north end of the main street to be paved with state money in the near future. At the request of the state highway commission the city council passed traffic regulations

which are required before federal funds can be secured.

Coleman county gins have passed the 20,000 bale-mark and will report more than 25,000 bales before the end of the season. Practically all Coleman county farmers destroyed part of their acreage in the plow-up campaign.

Members of Lions Clubs in district A-2 met at Coleman Wednesday for their annual convention. A luncheon served at the First Christian Church at noon was attended by Lions from many clubs in this district.

Robert Lee citizens are preparing for a big rodeo to be staged there November 17 and 18. Experienced organizers are now arranging the two-day program which will be fully advertised.

The official board of the Miles Baptist Church voted last week to launch a building program at once. They plan to raise about \$2,000 in cash and begin construction of the basement of the new church which is estimated to cost \$3,000. The old building will be sold for \$1,000.

Mr. and Mrs. O. V. Mullins moved from Eden to Paint Rock last week and will open a bakery at Paint Rock. A building has been secured and as soon as machinery and an oven can be installed they will begin operations.

The Sonora Methodist Church has given a bell to the Baptists which will be placed in the belfry of the new Baptist Church. When the Baptists ring the bell in the future it will announce services for both churches.

Winters Fire Chief Appointed State School Instructor

Frank Williams, of Winters, past president of the State Firemen's Association, and for many years chief of the Winters fire department, was appointed state fire school instructor last week.

As soon as the announcement was made Mr. Williams tendered his resignation as chief of the Winters department, which was not accepted, however, the department giving him a leave of absence of one year.

Mr. Williams left at once for Fort Worth to report for special instruction. From there he will go to Dallas to receive more special instruction and will then go to College Station, where he will make headquarters.

His duties will be to visit with all volunteer departments of the state to give special instruction in lighting and fire prevention. Mrs. Williams and children will continue to make home at Winters.

Sam Behringer and R. W. Earnshaw left Tuesday for Los Angeles, California, where they will transact business and visit about ten days. Mr. Behringer will purchase Christmas fruits and nuts and Mr. Earnshaw will visit a sister.

Advertised goods move.

Your Electric Power Supply MUST Be Flexible

Electric power, to serve any community adequately, must be flexible. It must meet all requirements, large or small—from a huge factory to a small household—at any time and at any place.

Small local plants serving single communities lack this flexibility... they lack the variety of volume and demand which enables a larger system, serving a wide area by transmission lines, to operate efficiently.

The transmission line delivers larger amounts of power at once without the delay of installing additional equipment. Thus it clears the way for a rapid and permanently expanding industrial growth.

The present-day industrial progress of small communities is based in a large measure on the ample and economical power supply which resulted when transmission systems replaced inefficient and expensive small local plants throughout the nation.

The West Texas Utilities Company, through its widespread 2,500-mile transmission line network, makes available to 125 progressive West Texas cities and towns over 100,000 horsepower of electric energy—ready at the turn of a switch.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule... and adds only a small amount to your total bill?

HOW WOMEN CAN WIN MEN AND MEN WIN

The Favor of Other Men

Unless two pints of bile juice flow daily from your liver into your bowels, your food decays in your bowels. This poisons your whole body. Movements get hard and constipated. You get yellow tongue, yellow skin, pimples, dull eyes, bad breath, bad taste, gas, dizziness, headache. You have become an ugly-looking, foul-smelling, sour-thinking person. You have lost your personal charm. Everybody wants to run from you. But don't take salts, mineral waters, oils, laxative pills, laxative candies or chewing gums and expect them to get rid of this poison that destroys your personal charm. They can't do it, for they only move out the tail end of your bowels and that doesn't take away enough of the decayed poison. Common sense won't help at all. Only a free flow of your bile juice will stop this decay poison in your bowels. The one mild vegetable medicine which starts a free flow of your bile juice is Carter's Little Liver Pills. No calomel (mercury) in Carter's. Only fine, mild vegetable extracts. If you would bring back your personal charm to win men, start taking Carter's Little Liver Pills according to directions today. 25¢ at drug stores. Refuse "something just as good" for it may grip, loosen teeth or acidify your return. Ask for Carter's Little Liver Pills by name and get what you ask for. ©1933, C.M. Co.

ALL-AUSTRALIA CENTENARY ULANS ARE ARRANGED
 MELBOURNE, Australia, Nov. 8.—Arrangements are taking form to make the centenary of Victoria, which starts in October, 1934, an all-Australian celebration, which will include the cooperation of New Zealand. Invitations will be sent to the British government and the governments of other powers to send distinguished visitors, warships, squadrons of aircrafts and exhibits.
 International exhibits of photography, philately and physical culture have been arranged as have the international congress of Rotary and Legacy, which are to take place in Melbourne. The centenary has been given a spectacu-

lar "boost" by the \$45,000 in prizes offered by Sir MacPherson Robertson, of Australia, for a London-Melbourne air race. The celebrations will begin October 10, 1934, and will continue into 1935.

Lest We Forget

ARMISTICE DAY

No eulogy can be sufficiently reverent . . . no poem so tenderly sung that we can fully express our emotions in recalling those men who died that we may live. In simple words it is best befitting that we say—we shall not, we cannot forget. God keep them in his everlasting love.

HAS YOUR ADDRESS CHANGED RECENTLY?
 Ledger subscribers are requested to notify the publishers of any change in their addresses promptly. Under the new postal laws newspapers and periodicals must pay postage due for notices of any changes in address furnished by the postoffice. In addition there always is the probability that your paper will be delayed or fail to reach you altogether if you do not give immediate notification when you move. The best plan for all parties concerned is to send the change of address in advance.

Fifteen years ago Saturday the Armistice was signed and a world that had known nothing but war for four years became peaceful again. The day that ended the World War has become a national holiday, recognized by all people. This year in West Texas many towns will not observe the precise date because it falls on Saturday, a good business day. Ballinger people will pay tribute to the occasion in many ways, however, and will suspend business Monday to honor those who gave their all for their country.

Tax paying time is at hand again and since last year much has been done to eliminate the increasing delinquent lists in every tax office here. People have been shown clearly the injustice of a few shouldering the burden of operating the city, school district, county and state government, while others were allowed to not pay and later given the opportunity of paying without penalty or interest. Governments operate on budgets and when the income is not sufficient they cannot properly administer their affairs. Begin now to plan payment of your taxes this year. The final date is January 31.

Beginning Tuesday, citizens of Runnels county will have an opportunity to become members of the American Red Cross. The cost is small, \$1 per year, but the national roll call must get enough money for the great organization to carry on and meet every emergency in the nation. Runnels county citizens should feel very kindly towards the Red Cross because of the large amount of aid given locally in the past several years. Due to Red Cross liberality no drive for charity funds has been necessary here recently. Clothing, food, medicine and other needs have been supplied and two years ago approximately \$12,000 was given the county for drouth stricken area relief. It would take many years of going "over the top" on the roll call quota to repay in dollars and cents what has been spent for relief in Runnels county. Local people will give their time free to carry on the drive so be prepared to join when they call, thus saving as much time and work for them as possible.

COTTON MOVEMENT IS LARGE HERE LAST WEEK

Several thousand bales of cotton were placed in state bonded warehouses here last week and as soon as receipts were issued ten-cent government loans were secured. There are two approved warehouses here receiving cotton. W. H. Woody, local manager of the Texas Compress Company, issued several thousand receipts last week but said the movement was slowed down by the weather Monday.

There are approximately 8,000 or 7,000 bales in yards in the county besides many stored at farm homes. Rapid movement is expected again as soon as weather conditions are favorable for hauling cotton to town.

James E. Brewer left Monday for Corsicana to attend the annual conference of the Methodist Church, South. Mrs. Brewer accompanied him as far as Mineral Wells and will visit there the remainder of the week with her sister, Mrs. J. H. Kipp, and daughter, Mrs. Will Gross.

Mr. and Mrs. C. P. Shepherd and Mrs. H. H. Luckett visited relatives in San Angelo Sunday. Refreshments of pumpkin pie

Luncheon is Favor for Contract Club

A twelve o'clock Mexican luncheon was a courtesy extended Friday Contract Club members and a table of guests by Mrs. Leslie Baker last week in her home on Harris Avenue.

Yellow chrysanthemums were used to decorate the rooms and the five quartette tables were also centered with these chosen blooms. Spanish girls adorned the place cards.

Mmes. Homer Carsey, Floyd Carr, Cecil Thorp and Charles Cheatham assisted the hostess.

Lovely pewter trays went to Mrs. Carsey and Mrs. Carr for holders of high and second high scores in the games of contract and pewter bud vases went to Mmes. Robert Lowry, Perkins Herndon, R. W. Earnshaw, Claude Stone and Miss Adda Ward.

Included were: Mmes. Chas. Bailey, Loyd Herring, Carsey, Robert Bruce, Carr, Alex McGregor, Leonard Stallings, Thorp, Troy Simpson, L. R. Tigner, W. B. Woody, Herndon, Delbert Vancil, Jack Rudd, Lowery, Cheatham, Ross Murchison, Arthur Giesecke, Landon Dorn, Stone, Earnshaw, M. H. Watson, Misses Ward, Katherine Penn and Virginia Holman.

Mrs. McAlpine is Hostess
 Club members were guests of Mrs. Neil McAlpine on Saturday afternoon in her attractive home on Ninth Street.

Early fall blooms graced rooms where silhouette parchment tallies marked places at two tables for the games of contract.

A salad course with coffee was served to: Mmes. Harry Lynn, K. V. Northington, Ross Murchison, Alex McGregor, Claude Stone, L. R. Tigner, Troy Simpson, J. B. Striplin and Miss Frances Trail.

Wellington Pearce Celebrates Birthday Anniversary

The sixth birthday anniversary of Wellington Pearce was a gala day for him and a large group of young friends who were bidden to a party in his honor on Thursday afternoon of last week by his mother, Mrs. Frank Pearce.

Familiar games were enjoyed until time to cut the pretty white birthday cake with its tiny pink tapers in pink rosebud holders.

Animal cookies were served with ice cream cones. Favors were balls and circus animals.

Guests were: Wellington and Francis Pearce, Claude R. Stone, Walter Edwards Midgley, Dorothy Ann Bauer, Dorothy Stephens, John Weeks Earnshaw, Joan and Larry Kramer, John Miller, Clara Beth and Mary Lynn, Ann Creasy, Jane and Carolyn Cheatham, Charles and Juliette Simmons, Charlotte and Charles Miller, Jr., Virginia Bell, Mary Brian Woody, Frank and Virginia Nance, Dorothy Bruce, K. V. and Bobby Northington, Overton and Billy Parish, Dorothy Ann and Jean Thorp, Billy and Mary O'Neill, Patsy, Donald and Armour Lynn McGregor, Frank Aikamon, Ross Murchison, Jr., Carol Padgett, Judie Thorp, Alexander and Marjorie McGregor.

Mmes. J. Y. Pearce, Joe Simmons and Claude Stone assisted Mrs. Pearce.

Illinois Visitor is Honored

Mrs. Charles Harker, Jr., of Peoria, Illinois, who, with Mr. Harker is visiting in the home of her parents, Mr. and Mrs. George Holman, was complimented by Mrs. Claude Stone on Wednesday afternoon in her home on Ninth Street.

Fall roses and chrysanthemums gave floral beauty to rooms where dainty tallies marked places for the bridge games. A linen breakfast cloth was the guest favor.

Dainty refreshments were served in two courses.

Guests included were: Mmes. Harker, Geo. Holman, Ralph Erwin, L. R. Tigner, Leonard Stallings, Loyd Herring, Robert Bruce, Charles Bailey, Floyd Carr, Leslie Baker, Homer Carsey, F. M. Pearce, C. W. Cheatham, W. B. Woody, R. W. Earnshaw, Alex McGregor, Troy Simpson, Arthur Giesecke, E. W. Stasney, Perkins Herndon, Jack Rudd, Cecil Thorp, Delbert Vancil, Misses Virginia Holman and Katherine Penn.

Class Holds Social Meeting

The Philaethia class of the First Methodist Church held its monthly social meeting Tuesday evening, October 31, in the home of Mrs. I. M. Preston, 209 Tenth Street. Hostesses were Mrs. A. B. Legate, Mrs. O. R. O'Neill, Mrs. T. J. Forgy, Mrs. Ben Guin, Mrs. James Dankworth and Mrs. Preston.

Hallow'e'en was the favored motif with ghosts meeting and conducting the guests indoors.

A delightful program was heard, after a short business session, presented by Mrs. J. B. Stuart, Misses Alice Marlin and Bobbie Avey and little Miss Helen Saunders.

BALLINGER FIRMS POST N.R.A. SIGNS MONDAY

Ballinger retailers Monday were posting signs in their stores indicating the group under which they would operate as members of the retailers' code. All local firms posted signs for group C having sixty-three open store hours and working their employ-ees 48 hours a week. Included on the sign is a schedule for each clerk, showing the exact hours he works every day.

Schools

By Miss Louise Tinsley

A meeting of the dramatic club was held in E. R. Sublett's room last Monday for the purpose of reorganizing. Only a few charter members remained from the previous year, but new members will be admitted sometime soon. Officers elected were: Ben Dennis, president; Louise Tinsley, vice-president; and Nell Shepperd, secretary-treasurer. The other charter members are Cleo Comp-ton, LaVerne Caffey, Harris Evans, Laura Edith Miller and Elmo Woodson.

Regular training in physical culture was begun this week in the high school in order to meet requirements from the state educational department. We have been unable to maintain, with the exception of one year, a planned system in this subject due to lack of time, instructors and a gymnasium, but arrangements have now been made for weekly health lectures to be given.

H. H. Carsey and his junior

band offered a very entertaining program of classical and popular music for the high school assembly on Friday of last week.

Plans are now under way in all schools for the coming inter-scholastic meet this spring. The student body, especially that of the high school, is being thoroughly sifted in order to discover the best available talent that can be used for competition.

Miss Eleanor Williams was in San Angelo Saturday.

Frederick Kiechle has been out of school several days with an injured foot.

Miss Pauline Morley, teacher in the grammar grades, visited her home in Quanah over the week-end.

Misses Vhelma Parrish and Sarah Elkins visited in Abilene Sunday.

Nell Shepperd visited her sister, Miss Louise Shepperd, in Waco, last Saturday and Sunday.

Frances Gustavus spent Saturday in San Angelo.

Misses Muda Jane Tittle and Margaret New were among the many ex-students who returned to Waco last week-end for the annual Baylor University home-coming celebration.

Rev. J. E. Kerr, pastor of the Eighth Street Presbyterian Church, spoke in chapel Monday on "World Brotherhood." Miss Hattie Mae Dunlap added interest to the program also by rendering a piano number, "Meditation."

Mrs. J. F. Currie and mother, Mrs. G. G. Odom, have returned from an extended visit in San Antonio, Austin, Georgetown, Taylor and Temple.

Miss Eddie Storm returned to San Antonio Saturday after visit-ing here several months with Mrs. J. F. Currie and other Ballinger friends.

 For County Judge: GEORGE C. HILL

Loved ones need you!

—you dare not fail them

IS YOUR appetite poor? If you tire easily what does it mean? ... and how can you correct it? Do you lack resistance to infectious diseases—pimples and boils ... what does this indicate?

These are symptoms which often harass run-down, anemic persons. It is in these complaints that S.S.S. is very useful.

Modern medical research stresses the need of building up, frequently, the blood's red-cells and their hemo-glo-bin (skin and tissue purifier) content. The reason of this is that hemo-glo-bin carries oxygen from the lungs to all parts of the body—new to the skin.

Don't take chances. Infectious diseases strike without warning. Loved ones need you! You dare not fail them. Keep up your strength and resistance thru the blood.

S.S.S. is a proven Tonic ... by experience for over 100 years ... by modern medical research.

Take S.S.S. just before meals. No need to change your diet ... S.S.S. will not interfere with any other medicine you may be taking. Begin a course of it today—then note your improvement. You will be happy with the beneficial results obtained. At all drug stores in two sizes. The larger size is more economical. © The S.S.S. Co.

HATCHEL UP-AND-DOING CLUB ENTERTAINS

The Hatchel Up-and-Doing Club entertained the members, their families and friends with a Halloween party at the home of Mr. and Mrs. G. A. Hennigar Tuesday night, October 31.

Hobgoblins, witches and ghosts stalked the surroundings. Laughter and shrieks were heard as all passed through the death chamber in which was a mummified corpse and freakish attendants. Variety of costumes ranged from Satan and his imps to brightly attired maidens and their gay young suitors, but mother's bedsheets suffered most.

Fortune telling, the destiny of the fair young sex, was doled out mournfully by the old Gypsy fortune teller.

Laughable games and pranks were played on many of those who were willing victims, causing lots of fun and merriment.

The house was artistically decorated, carrying out the spirit of Halloween with its orange and black decorations of crepe paper and jack-o'-lanterns lighted with candles.

The masked guests were made to pass in a room before a crowd of judges where a guessing contest was held, after which all unmasked and passed into the yard to play games in what was left of the beautiful October moonlight.

Apples and popcorn were passed among the guests as refreshments.

A jolly good time was had and so the night passed on into history in obedience to All Saints' Day.

Rotary District Governor Visits Ballinger Club

O. B. Sellers, of Fort Worth, governor of the 41st Rotary district of Texas, made his official annual visit here Tuesday evening. While here Mr. Sellers stated that he had already visited about fifty clubs in the district this year.

The officers and directors of the Ballinger club met with the district governor at the Central Hotel to go over the records. Mr. Sellers was very complimentary of the report, declaring it showed fine work being done. He suggested an effort to increase the membership and appeal for better attendance. He said Rotary clubs of this district had made a considerable gain since January 1.

At 7:30 p. m. luncheon was served with all the members present. Following the meal Mr. Sellers spoke to the club on Rotary affairs, the organization's duty to the town, homes, and on problems of government through which the nation is passing. He recounted "New Deal" principles, comparing them with Rotary ideals and said that Rotarians everywhere should be the first to

Two Special Shows At Palace Theatre Friday Evening

The Palace Theatre will present an added feature on its program Friday, the Irene Jay Dance Revue. This troupe of talented dancers and singers from the Jay studios in Abilene is not unknown to Ballinger showgoers. Groups from this studio have appeared here before and delighted audiences who witnessed their presentations.

The company is composed of eighteen singing, dancing, and acrobatic girls, elaborately costumed, and will be presented in addition to the regular high class picture program.

The Palace management has arranged a second special performance for Friday evening. An Armistice matinee will begin at the theatre at 11:30 p. m. Richard Barthelmess, in "Heroes for Sale," is the special attraction.

LITTLE HOPE HELD FOR J. D. MOTLEY

Word from the bedside of J. D. Motley Thursday morning stated that he was resting fairly well but there was little hope that he would live through the day. A number of his friends left here late Wednesday afternoon after he had suffered a heart attack at the West Texas Baptist Hospital, Abilene.

For some time Mr. Motley had shown signs of improving. Parties from here visited him for a few minutes Tuesday and found him very optimistic and apparently recovering. The heart attack Wednesday left him in a very weakened condition, however.

A telephone message Thursday morning from Charles Coombes, who spent the night at the hospital, stated that little encouragement was given by attending physicians.

Sheriff W. A. Holt returned Wednesday night from Goldthwaite with J. J. Shelton, wanted in this county on theft charges. He found a four-wheel trailer belonging to Hubert Lewis of this city in Brownwood and it is in connection with this theft that Shelton is being held here.

FOLLOWING THE CIRCUS NEW FAD IN ENGLAND

LONDON, Nov. 8.—Following the circus is a new vacation sport in England. Society people travel in caravans, joining the tented aggregations when they stop to give performances, and visiting friends who may live on the route.

Mr. and Mrs. Basil Baxendale are joining up with small circuses on different fair grounds, and Mrs. Baxendale is painting circus scenes. They carry a retinue of servants and entertain in their caravan.

G. HILL ANNOUNCES FOR COUNTY JUDGE

George C. Hill, of Winters, informed The Ledger Tuesday that he would be a candidate for county judge of Runnels county at the Democratic primary to be held in July, 1934. Mr. Hill stated that he had been solicited to make the race and after consultation with a number of his friends had definitely decided to "throw his hat in the ring" and make the campaign.

Mr. Hill has resided at Winters for a number of years where he is editor and publisher of the Winters Enterprise. He served that city as alderman for two terms, four years, and is now serving as mayor. As mayor of the town he has shown executive ability in operating a highly successful administration.

Mr. Hill stated that he would not make the race on the demerits of his opponent but that he believed the present incumbent had held the office long enough and that many people in this county were ready for a change.

Mr. Hill will make an active campaign in every section of the county at which time he will discuss his platform and any other questions of interest before the voters.

PREHISTORIC LION TOOTH IS FOUND IN AUSTRALIA

CANBERRA, Australia, Nov. 8.—The tooth of a marsupial lion, a beast which carried its young in its pouch as do kangaroos, has been found at Molong. The tooth, with fossilized bones, was discovered by miners in a limestone cave twenty feet underground. The marsupial lion is believed to have lived in Australia from about 20,000,000 years ago until it became extinct 20,000 years ago.

Institute Complies Book of Anecdotes About Southwest

SAN ANTONIO, November 8.—A "story round-up," an effort to gather and compile as many as may be possible of the unpublished and unknown anecdotes entering into the great saga of the building of the Southwest, is the unique campaign being conducted by the Southern Literary Institute, of San Antonio.

In inaugurating its round-up some time ago, the institute pointed out that the inside human story of all other great epochs in our national history had been lost because nobody made any effort to preserve it. Now, because of the rapid passing of pioneers who participated in the building of the Southwest, and of their immediate descendants to whom the incidents have been related, there is danger that the human interest details of this great epic will also be lost forever, unless steps are taken immediately to prevent that mischance.

Already, with the round-up little more than well under way, hitherto unpublished stories have come in from many parts of the Southwest, relating astonishing tales of heroism, hardship and achievement, many of them told by actual participants in the events described. The stories already received touch on virtually the entire period of development of the Southwest, from earliest days to the opening years of the present century.

Stories of scouts, plainmen, buffalo hunters, cattlemen and others who helped build the great empire that has sprung up in much less than a century have been entered in the collection, and it is believed that the compilation has barely started. Every effort is being made by the institute to establish contact with all pioneer families and others who can contribute one or more stories, and confidence is expressed that the collection, when completed, will offer an amazing cross-section of human interest such as never before has been recorded.

IRISH WHEAT GROWERS FORCED TO REGISTER

DUBLIN, Nov. 8.—Farmers of the Irish Free State who are growing wheat with the intention of offering it for sale will not be entitled to a bounty unless they sign the register kept by the minister of agriculture. Many growers have been neglecting to register and their attention has been called to the possible penalties under the new law.

The minister may refuse to accept applications of wheat growers for licenses if they delay too long in registering. A grower who waits until harvest to decide whether he shall become a registered grower may be barred from getting a license and a bounty may be denied him. He may even find difficulty in disposing of his wheat at a reasonable price, as licensed millers will not be obliged to buy home-grown wheat in excess of the quantity grown by farmers who are duly registered.

Calling Cards printed on short notice. Phone 27, we do the rest.

Dr. Thomas Currie Will Hold Meeting For Presbyterians

Rev. E. W. McLaurin, pastor, and members of the First Presbyterian Church are preparing for the opening of their meeting Sunday, November 26. The meeting will close the following Sunday, December 3. Dr. Thomas W. Currie, president of the Presbyterian Theological Seminary, Austin, will do the preaching.

Weekday morning services will be held at 10 o'clock and evening services commence at 7:30.

The visiting minister is prominent in the denomination and his messages are timely and interesting. Citizens of Ballinger

SOUTH BALLINGER NEWS

The weather has been considerably cold the past few days, but we are glad to state there has been no freeze yet.

Miss Iona Harris and mother visited in San Angelo Saturday.

Henry McWilliams had the misfortune to have his wagon wrecked Tuesday evening when an automobile crashed into it. Mr. McWilliams was not injured but the man driving the car was seriously hurt. Doctors said he sustained a fractured skull. The automobile had two occupants, a man and his wife, the woman escaping uninjured.

Henry Leach and Mr. Chick have gone into the ranching business, buying stock from Joe Hoffman, on what is known as the Jess Jones place.

Lynn Metcalf, of San Angelo, visited in the C. D. Harris home Sunday.

C. D. Harris recently bought 500 Rambouillet ewes from Mr. DeLong, of Schleicher county. The animals are to be delivered this week.

The South Ballinger home demonstration club presented a display for Achievement Day at the home of Mrs. J. G. McMillan. As the weather was cold the attendance was only fair. However, most of the members and four visitors were present. Several enjoyable music selections were presented, and refreshments, consisting of hot chocolate and cake, were served. A committee was appointed to select and direct a play, which is to be staged by the club later.

OXIEN OCCURRENCES

The rain Thursday night was

enjoyed by all but more is needed at this time.

We are sorry to report Glen Mitchell on the sick list.

J. H. Jones is greatly improved at this writing.

Mr. and Mrs. Ernest Tounget visited Mr. and Mrs. Max Cole, of Benoit, Sunday.

Bro. Golden spent Sunday in the Ben Stacy home.

Mrs. Art Snyder, who was operated on at Santa Anna, is reported to be resting as well as could be expected.

Mr. and Mrs. Rube Whitley, Mr. and Mrs. Ben Stacy, Mr. and Mrs. Earl Jeffries and Mr. and Mrs. E. B. Tounget visited Mrs. Art Snyder at Santa Anna Wednesday.

Mr. and Mrs. E. E. McMillan attended the singing in the J. P. Brevard home Wednesday night.

Joe Morrison has gone to Cisco for treatments and to be with his brother, D. Morrison, who is seriously ill.

Mr. and Mrs. Fate Brevard, of Glen Cove, and Mr. and Mrs. Newt Moore, of Temple, were guests of J. H. Jones Wednesday.

Little Miss Juanita Wood, who has been sick, is able to be back in school.

Mr. and Mrs. Wayne Jones and family spent Saturday night with Mr. and Mrs. Elmer Damron.

Mr. and Mrs. Ernest Tounget and Mrs. Bertha Stovall and daughter, Miss Netha, spent Friday with Mr. and Mrs. C. E. McMillan.

Mrs. Joe Morrison spent Sunday with her mother at Glen Cove.

CREWS NEWS

Some light showers have fallen during the past week that will be of much benefit to small grain, but not heavy enough to refill

water tanks and cisterns.

Mrs. H. V. Bradley, of Winters, is visiting her daughter, Mrs. W. H. Pape, and family.

Mr. and Mrs. J. G. Phipps and family attended church services and singing at Oak Grove Sunday afternoon.

Mr. and Mrs. Lloyd McBeth and family, of Sweetwater, were guests of relatives here Saturday night and Sunday.

A deal has been consummated in which Chester McBeth and Irven Phipps leased 360 acres from Mrs. Pink King, for three years, and have stocked the place with sheep. Mrs. King has also stocked the south part of her farm with sheep.

Mrs. Edgar Branham, of Harmony, is spending a few days with her daughter, Mrs. Jimmie Lucas, and family.

W. H. Pape, Mr. and Mrs. E. W. Rainwater and Mr. and Mrs. Chester Bradley transacted business at San Angelo Monday.

Mrs. J. G. Phipps and Miss Alma Phipps spent Monday with Mr. and Mrs. Luther Walden, of Ballinger.

Mr. and Mrs. H. G. Carter visited relatives here Sunday.

Willie Jo, little daughter of Mr. and Mrs. Jimmie Lucas, has been ill for several days.

BLANTON HOME DEMONSTRATION CLUB MEETS

Blanton club members met at the home of Mrs. Charlie James on the regular meeting day in October. After the roll call and business was finished, the members set in button holes. This was a very useful hour spent for this style of button-hole is quite the fashion now.

Everyone expects a large attendance at the next meeting as Mrs. Lura Hollingsworth, county home demonstration agent, will demonstrate cheese making. The meeting will begin at 1 p. m., November 13, at the home of Mrs. J. W. Reese.

H. W. Lynn attended to business at Abilene Tuesday in the interest of the cotton oil mills in this section.

Deaths

B. W. Bigham

B. W. Bigham, 81, died at his home on Eighth Street Sunday afternoon at 1:10 after illness of several months' duration. Mr. Bigham had been confined to his bed for the past ten weeks and relatives had expected his passing momentarily.

Decedent came to Ballinger in 1919 to make home and had been very active in the Church of Christ and in college work throughout this section. Before moving to Ballinger he resided in Concho county.

Survivors include the widow, three daughters and a son. The children are: Robert Bigham, a salesman who was in New York when his father died; Mrs. Virtie Armer and Mrs. Elizabeth Gurley, Ballinger; and Mrs. Vida Lewis, California.

Funeral services were held at the local Church of Christ Wednesday afternoon at 1:30. Fred Ross, local minister, officiating. The cortege left at once for Eden where interment was made.

Active pallbearers were: Cecil Kelly, W. L. McMillan, Roy Jacob, Cecil Justice, Arthur Phillips, Bob Pett; Booth. Honorary pallbearers were: S. V. Parrish, R. R. Allman, W. A. Kelly, Sim Middlebrook, E. L. DeWitt, Ross Smith, A. L. Burden, John Gurley, Henry Spivey, Kelly Adair, Wix Currie and Jack Nixon, Sr.

Higginbotham Funeral Home undertakers were in charge of arrangements.

Mrs. Georgia Keeney

Mrs. Georgia Keeney, 68, died at the Halley & Love Sanitarium Friday morning at 1:20 following a long illness. She was brought here three weeks ago for treatment but nothing could be done to improve her condition. Her husband preceded her in death about 18 months ago.

A daughter, two sons, three step-sons and one step-daughter survive.

Funeral services were held at the Bronte Baptist Church Sunday afternoon at 4 o'clock and interment made in the Bronte cemetery.

Higginbotham Funeral Home undertakers were in charge of arrangements.

Mrs. W. M. Turner

Mrs. W. M. Turner, 27, died in the Halley & Love Sanitarium Thursday evening at 9:40 after illness of two weeks' duration.

The Turner family has resided in Runnels county for some time and in the Spring Hill community for the past 18 months. Mr. Turner is a progressive farmer of that vicinity and both husband and wife were active workers in the Baptist Church, Mrs. Turner being a Sunday school teacher.

Besides the husband, three children, Robert Lewis, Charles Edwin and Jimmie Martin Turner, survive. Decedent's mother, Mrs. H. L. Smith, two brothers and three sisters also survive.

Funeral services were held at the Ballinger Baptist Church Friday at 3 p. m., Rev. M. C. Golden officiating, assisted by Rev. J. H. McClain.

Pallbearers were: Otto Wood, Percy Crimm, Austin Williams, Lucus Allison, Owen Aycock and Clyde Allison.

Higginbotham Funeral Home undertakers were in charge of arrangements.

McGuffey Infant

The one-day-old infant of Mr. and Mrs. A. J. McGuffey died at the family home in South Ballinger Monday morning. Besides the parents one sister survives.

The body was interred in Evergreen Cemetery Monday afternoon.

Higginbotham Funeral Home undertakers were in charge of arrangements.

Billie Ray Singleton

Billie Ray Singleton, 23 days, died at the family home on Sealy Avenue Thursday evening. The boy was one of twins born recently to Mr. and Mrs. Robert Singleton.

Funeral services were held at the Singleton home Friday at 3:30 p. m., Rev. H. D. Marlin officiating. Interment was made in Evergreen Cemetery.

Births

Mr. and Mrs. John W. Collins are the proud parents of a fine girl, born November 1. The young lady, who weighed 8 pounds at birth, has been named Billie Ioan. Mother and daughter are both doing nicely.

Be wise and advertise.

DEMOVILLE PLUMBING CO. MOVES TO NEW LOCATION

The DeMotive Plumbing Company has moved from its former location on South Seventh Street to the A. S. Love building on Seventh Street near the Santa Fe passenger station. The firm occupies the entire building.

The building made vacant by the DeMotive company will be used by the Moore Produce Company as a storage warehouse and for other purposes.

C. C. Sessions has returned from Tulsa, Oklahoma, where he accompanied his wife the past week-end. Mrs. Sessions will teach at Tulsa the remainder of the 1933-34 term.
