Junior Hi School Project Approved for Relief Work

Approval as a relief project has been granted for wrecking the south ward school building and work will commence as soon as the labor can be furnished by the local relief office. The material will be salvaged and hauled to the west ward campus where it will be used in the erection of a junior high school building.

There has been considerable discussion the past two weeks with reference to the location of the new unit, some citizens favoring the west ward location and others contending for the centralizing of the school system on the central campus near the middle of the city.

The board has not made a statement in regard to its stand in the controversy, but an interview with school officials and trustees reveals their reasons for a separate unit in West End.

One consideration advanced for the West End location is that a junior high school must be a separate unit, with extra curriculum and a physical program with plenty of playground space. It also provides for a separate administration.

Board members also believe that it is best to concentrate the younger pupils at central school and send the older ones, 12 to 15 years of age, to west ward, where those of the adolescent age will be together under a separate administration and with a special course of study and play provided for that age group.

The trustees disclosed that there is at present a potential surplus in the treasury of approximately \$15,000. They do not want to spend all this surplus for improvements and take chances on injuring the operation of the schools in the future, and have figured how they could obtain the most relief for the amount of money expended. It is estimated that the material in the south ward building can be moved and a junior high school constructed at an outlay of not more than \$8,000. If both buildings were torn down and moved to the central campus it would require the purchase of additional ground and necessitate a bond issue, which it is felt could not safely be done at this time. One member stated that busses operating here and the steady increase in the scholastic census had overrun the schools until it was imperative that more room be provided at once.

The board's plan for the new junior high school, it is claimed, will take care of the situation and at the same time not lodge any indebtedness against the district or cause property renditions to be raised or taxes to be increased.

Trustees believe that it would be dangerous to issue bonds or warrants as the maximum tax rate is now in force and the retirement of bonds with no increased income would surely interfere with the maintenance of the schools in the future.

Since acquiring the new athletic field near the west ward school trustees and school officials believe it can be used by the junior high school pupils for the physical education program which will require more space.

The nice surplus in the treasury at present has been made possible by rigid economy in the operation of the school system, it was said.

Supt. H. C. Lyon announced that

Feed Loan Office Established Here In Relief Building

Field Supervisor H. L. Johnston, of the emergency crop and feed loan office, Dallas, states that applications for emergency crop loans and feed loans are now being received by the Runnels county loan committee, with offices located in the county relief administration building, in Ballinger.

In accordance with the act of congress authorizing the loans, and regulations issued by Governor W. I. Myers, of the farm credit administration, loans will be made only to farmers who are unable to obtain elsewhere seed, fertilizers, supplies, feed or the necessary credit to purchase such items. Loans will not be made to applicants who can obtain credit in the amount needed from any other source, including the production credit association.

Any farmer who has the necessary security should apply to the production credit association first. If the association is unable to make him a loan in the amount needed the farmer will receive a statement to that effect and will be considered eligible to apply for a loan from the emergency fund.

The regulations provide that the largest loan to one farmer this year is \$500 and the minimum \$10, but no loan may be made in an amount greater than is actually needed to cover the cash cost of purchasing seed, fertilizers, supplies, feed, etc. Loans will be made for the purpose of growing and harvesting crops, for summer fallowing, for purchasing feed for livestock; but not for the purpose of purchasing livestock or machinery, or for the payment of debts or taxes.

Loans will be made only to applicants who are cooperating with the production control program of the AAA.

As in the past, the security for an emergency crop or feed loan will consist of a first lien on the crop financed or on the livestock to be fed. A tenant must also give a fire lien by getting the landowner to waive his claim in favor of the crop lien; but the landowner is in no way obligated for repayment of his tenant's loan.

Checks in payment of approved loans will be issued by the regional emergency crop and feed loan office, Dallas, and not by the field supervisor or the loan committee.

beginning with the 1935-36 term the entire system would take one hour at noon to coordinate with the program at the junior high school and with the bus schedules.

The above statements are the beliefs of board members who have studied the situation. They wish it understood that the viewpoints they hold are for the best interests of everyone concerned.

Increase is Noted In Motor License Issuance in County

According to County Tax Collector and Assessor W. A. Forgey registrations of automotive vehicles in Runnels county for 1935 will exceed those for 1934. Owners of automobiles in this county evidently took advantage of the extension of time for using last year's plates but most of them had plates for their cars by midnight Monday, the deadline for obtaining licenses without paying a 20% penalty.

For comparison the figures for 1934 and 1935 are given: In 1934 to February 1, which was the last day for payment of the 1934 car licenses, 3,300 passenger car and 280 truck owners had secured plates. To midnight Monday of this week 3,500 passenger car and over 300 commercial plates had been issued. During the entire year 1934 4,580 passenger cars and 500 trucks were registered in this county.

If registrations are as brisk during the remainder of the year as they were in the last 10 months of 1934 the total number of licenses issued in 1935 will exceed the 1934 record by a large margin, it was pointed out.

Lusk Will Hold School Election On 87th Birthday

J. F. Lusk will preside at the trustee election for the Ballinger independent school district Saturday on his 87th birthday. It has been many years since he failed to be the manager in any election held in Ballinger. For the past quarter of a century he has been manager of precinct No. 1 (Ballinger box) and only twice has he reneged and that was when the school district only allowed \$1 a day for the job.

Mr. Lusk came to Ballinger in 1889 and has resided here continuously ever since. For years after he came here there was only one voting box in Ballinger and since it has been divided he has resided in, voted in, and been in charge of the precinct No. 1 box. He would not attempt to say how many elections he has held but has presided over from one to six every year.

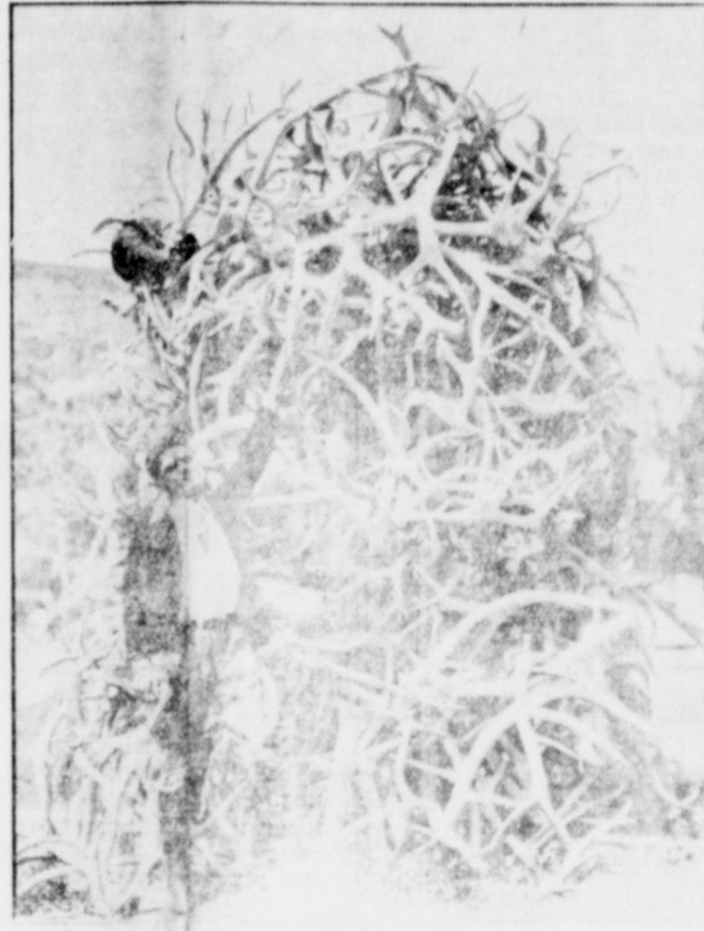

He held elections in the days when hot issues were involved, such as local option, and has been on the job when voters rushed to the polls full strength and again when there was no interest and only a few ballots cast.

In commenting on the city election held last Tuesday, Mr. Lusk said "It was the first election I ever held in which there was not a single scratch or a name written in."

Mr. Lusk was elected clerk of the W. O. W. Lodge in 1906 and still retains the office. Every month he collects camp dues and insurance premiums and makes reports to national headquarters.

Clean-up Campaign Being Promoted by Civic Clubs

All City Officials Here Are Re-elected By Unanimous Vote

The election Tuesday to name a mayor and two commissioners was one of the quietest ever held in Ballinger. Only 82 votes were cast and not a name was scratched or written in during the entire day.

J. F. Lusk, who has been presiding over elections here for more than a quarter of a century, said it was the first election he could remember where everybody voted the ticket straight.

The results of Tuesday's balloting re-elected E. M. Lynn mayor and E. Shepperd and George P. Holman commissioners for another two-year term. By their efficient administration of the city's affairs these men have gained the confidence of the citizens and no opposition was even suggested when a petition signed by many local business men was presented.

Official appointments will be made soon of all appointive positions in the municipal government. No changes are contemplated at this time and in all probability the same office personnel and other employees will be retained.

Many local citizens evidently forgot to go to the polls and vote Tuesday because of the lack of an issue to cause discussion.

The civic committee of the Ballinger Chamber of Commerce and paint dealers of the city were in session Wednesday morning to make plans for an extensive paint-up campaign here. It was decided to launch the campaign next week and continue it until the end of this month.

E. Shepperd, chairman of the civic committee, outlined plans for the paint-up drive, which will include a canvass by committees of the entire downtown district to get all store fronts painted, a letter from the chamber of commerce to every property owner in Ballinger urging cooperation and listing the paint dealers who have joined the movement, and offering free estimates on costs, etc.

Committeemen who will canvass the business district this week-end are: Frank C. Dickey and E. M. Lynn, on the block from the McCarver & Lynn building west and north; R. P. Tunnell and Frank Cameron, from the First National Bank north and east; Joel Masie and T. B. Saunders from the Piggy Wiggy corner east and south; and R. E. Bruce and E. Shepperd, from the P. & M. Bank east and south.

Mr. Shepperd stated that many residences as well as store fronts in Ballinger were surely in need of dressing up and the civic committee thought no better work could be done at this time than to encourage every painting job possible. Dealers believe the time is right for exterior painting and will offer special prices and free services to help promote the city-wide campaign.

Ballinger School Census Shows Gain of Fifty-two

2 Names on Ballot In School Trustee Election in Ballinger

An election will be held Saturday for the purpose of selecting two trustees for the Ballinger independent school district. J. F. Lusk has been named election manager. The polling place is at the school board office in the rear of the C. A. Dooze building.

The two retiring members of the present board are Albert Fryar and O. J. Harber. Both have consented to permit their names on the ticket for reelection and no other names have been filed with the secretary.

The polls will be open for the usual hours and requirements are that voters have poll tax receipts or sign affidavits that they have lost them.

Every school district in the county will hold an election Saturday to choose one or more trustees. The ballots have been prepared for the common school districts and given to the election manager at each voting box. Citizens of independent districts will elect two or three trustees each.

No issues have developed in the election to be held here Saturday. The two men offering to serve if elected have only been on the board a short time. Both were appointed to fill unexpired terms.

RUNNELS CEMETERY WORK IS SCHEDULED FOR APRIL 9

A call has been issued for volunteer workers on the Runnels cemetery on April 9. Those who will assist in cleaning up the grounds and making improvements are requested to be present with their tools at 8 a. m. next Tuesday. It is believed that if a large number respond the work can be finished by noon.

The scholastic census for 1935 taken recently in the Ballinger independent district reveals an increase over 1934 of 52. A. F. Brock has completed the enumerations and his tabulations show a total of 1,268 scholastics in the district as compared with 1,216 last year. Mr. Brock stated that two or possibly three might be removed from the list at Austin as there were several who were not sure this would be their home on April 1.

The Ballinger district has increased in population steadily for several years and the increase in enrollment caused by bringing pupils here in busses has created an acute housing problem in the local schools.

Census enumerators in other districts of the county have finished their work but an official tabulation has not been made. The rolls are being turned in to County Superintendent E. C. Grindstaff and he will check over the lists for the common school districts as soon as possible and prepare a report to go to the state department of education.

Indications are that there will be a slight decrease in most of the common school districts this year. This condition has been brought about by families leaving the rural sections to seek employment in town.

SCHOOL NEWS
By Laura Edith Miller

The one-act play, "Light," was presented for the Literary Club meeting Wednesday. Miss Hattie Mae Dunlap played several piano numbers at the close of the program.

Mr. Sublett gave the whole student body a preview of "Light" in chapel Friday. Ruth Smith gave a reading, "Here Comes the Bride," and the school orchestra under the direction of Mr. Carsey played several numbers. Mrs. Alex McGregor is the accompanist.

On to the district! "Our" one-act play won the county tournament Friday! Gilbert Behrend, Clarence Winans, and Beiva Watson placed in the "best actor" class, too. See the separate write-up for details.

"Los Conquistadores" met Monday and Tuesday at the fifth periods in the longest Spanish club meeting this year. The program was as follows:

Roll call—answered with a poem or a sentence about April.
Five proverbs taught by Corine Nunley.

Fortune-telling—Evelyn Paschal. A spelling match, led by W. H. Beard. The Mapes' side won. We hope Vestus Pruitt's side will learn to spell "repique-tearon," "arregladas," and "seguidillas."

The names of salads—Ina Crockett. A surprise, consisting of an original cross-word puzzle and some good candy—Joe Lee Cooper. Critic's report—Miss Meyer. We are glad to say that the critic's report was favorable.

Dr. E. W. McLaurin spoke in chapel Monday. His theme was "Honesty."

Alma Davis and Lucille Stokes were here from T. W. C. last weekend.

Mr. Self has announced that the T. C. U. glee club is expected to sing in chapel Friday. The public

is invited to attend any of these chapel programs Friday at 10 o'clock.

The trigonometry class had a test on April Fool's Day. But their efforts to fool Miss Smith with blank paper failed. Tuesday afternoon they received papers all marked D—. This gave them somewhat of a scare until they discovered that it was a rebound of the "April Fool" joke and that their real papers were graded separately.

Six more weeks and one more day—five more weeks for the seniors. Are we glad or are we sorry?

There is one thing about these economics notebooks. They do provide a topic of conversation.

Have you received your copy of "The ??????" our new school paper? It is only 2c per copy. Be sure to read the column "Between Classes" by ?. By the way "The ??????" and the "School News" column in The Ledger will not duplicate each other if it is possible, so you will find interest in reading both.

Citation by Publication
THE STATE OF TEXAS,

To the Sheriff or any Constable of Runnels County—Greeting:

You are hereby commanded, that you summon by making publication of this Citation in some newspaper published in the County of Runnels, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, once in each week for four consecutive weeks previous to the return day hereof, Chandler Sprinkler Company, a corporation, and the unknown stockholders of Chandler Sprinkler Company, a defunct corporation, whose residences are unknown, to be and appear before the Hon. District Court, at the next regular term thereof, to be held in the County of Runnels on the 29th day of April, A. D. 1935, at the Court House thereof in Ballinger, Texas, then and there to answer a petition filed in said

Court, on the 30th day of March, A. D. 1935, in a suit numbered on the docket of said Court No. 4112, wherein C. Kornegay and Kornegay Gin Company, a private corporation, are plaintiffs, and Chandler Sprinkler Company, a corporation, and the unknown stockholders of Chandler Sprinkler Company, a defunct corporation, are defendants. The nature of the plaintiff's demand being as follows, to-wit:

A suit in trespass to try title for title and possession of 4 acres of land out of the southwest one-quarter (1/4) of Survey No. 85, T. & N. O. Ry. Co. lands in the town of Miles, Runnels County, Texas, and being more fully described in a certain deed recorded in Volume 130 at page 620 of the Deed Records of Runnels County, Texas, to which reference is here expressly made for all purposes, plaintiffs further alleging that defendant Chandler Sprinkler Company on the 1st day of September, A. D. 1930, placed upon the above described premises certain piping, sprays and pumps known as a Chandler Sprinkler System which were attached to and became a part of the lands above described and alleging that said piping and sprays and pumps because of such fact said equipment and property are now the exclusive property of plaintiffs.

Herein fail not, and have you before said Court, on the first day of the next term thereof, this Writ, with your endorsement thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Ballinger, Texas, this 30th day of March, A. D. 1935.

JOHN B. RAYBURN, Clerk,
District Court, Runnels County,
Texas. 4-11-18-25

Fifty Seniors to Receive Diplomas Here May 19

Fifty-nine members of the 1935 senior class of the Ballinger high school are expected to receive diplomas in May. Of the class of more than 60, the teachers say 59 are doing satisfactory work and will be eligible to graduate this spring.

Plans are going forward for commencement and the usual programs plus one new one will be held. The alumni banquet at the Central Hotel on May 16 will be the first of its kind ever held here.

Commencement will start on Sunday, May 12, with the baccalaureate service at the Ballinger Baptist Church. Dr. Don H. Morris, vice-president of Abilene Christian College, will be the speaker for this occasion. The speaker for the graduating exercises has not been announced to date but an invitation has been extended a prominent educator.

Following is a list of seniors who probably will receive diplomas:

WACO BUSINESS MEN WILL VISIT BALLINGER APRIL 11

Representatives of Waco wholesalers, manufacturers, jobbers, educational institutions and professions, will be in Ballinger Thursday, April 11, from 12:25 to 1:25 p. m. They will leave Waco April 11 on an excursion covering West Texas and will make a one-hour stop here at the time mentioned above.

The Wacoans are traveling by

special train which provides them with sleeping and eating facilities and they do not want entertainment at any of the places they visit. They do desire to meet the business men of Ballinger while here, however, and request firm managers to remain at their stores if possible.

The trip is sponsored by the Waco Chamber of Commerce and approximately 100 will be on the special train besides the band and entertainers.

"A BISCUIT OVEN IN SEVEN MINUTES"

High-Power speed and "live-heat" baking! That's what I like best about my new range!

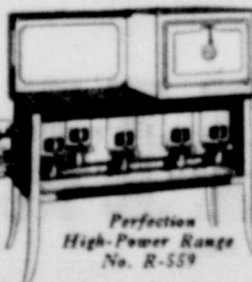

DID YOU ever try to bake baking powder biscuits in a poky old stove? You'll have better biscuits—and better cooking of every type—when you use a new Perfection range with High-Power burners, and "live-heat" oven. The new improved High-Power burners provide a great volume of quick heat, but they respond instantly to regulation, and the flame stays where you set it, with clean steady heat at high or low flame or at any point between.

The perfect baking and even browning of the Perfection oven is due to its famous "live-heat" construction that makes the heated air circulate through-

out the oven and between the oven walls to form an insulation of fresh warm air... the best insulation for ovens.

See the new High-Power Perfection stoves at your dealer's and ask for a demonstration. Be sure to look at the new High-Power Heat-

or-Cook range with seven-gallon hot water reservoir. This modern oil stove can be converted in a jiffy into a winter cookstove that also heats three or four rooms.

REDLANDS REVIEW

The people of the community rejoice over the fact that the sky is filled with clouds and not dust. Mrs. R. E. Lafoon is recovering from a spell of the flu. Her mother, Mrs. Crosbie, also had an attack. Mr. and Mrs. Walter Lafoon took Lawrence Cary to Abilene Saturday for a tonsil operation, but due to the condition of the tonsils the operation was put off.

Everyone enjoyed a singing in the home of Mr. Duncan Sunday night. Several visitors were present including the Ovalo girls' quartet which rendered several special numbers.

Ralph Bush was a visitor in the home of his parents Sunday afternoon. A group of relatives from East Texas visited in the home of Mr. and Mrs. Britton McMeillon Friday night.

Misses Zuma and Kathryn Brown and D. B. McCombs were guests of the Duncans for forty-two Thursday night.

Miss Ruth Karl Hathan, Bob McAdams, Miss Mildred Williams and J. E. McAdams, of Ovalo, were guests in the C. C. Brown home Sunday afternoon.

Dee McCombs made a business trip to Ballinger Friday. Bro. McClain visited several homes in this community Sunday afternoon.

Zuma Brown and Heba Hutchens of this community were very proud of the fact that they won the title "class B county champs" in tennis for the Content school. They defeated Crews, Wingate, Norton, and Bethel teams.

The D. D. Aldridge family were visitors in the Hensley home at Wingate Sunday.

Dee McCombs and son, D. B., made a business trip to Abilene Monday. C. S. Brown and son, C. S., Jr., visited in the home of Bro. Richards Sunday.

Pauline Jones spent Monday night with Zuma Brown. Bobbie Lou Frierson has recovered from a tonsil operation in spite of the complications which kept her in for two weeks. School friends will rejoice to see her smiling face in the classroom once more.

Mrs. Duffie came in from Dallas Wednesday of last week to spend several days in the home of her cousin, J. E. Talley, and family.

Mr. and Mrs. Raymond Freeman,

Costly Orchid

A \$3000 plant, and we don't mean a factory, is the one at right, being compared by Henry Hall of New York with his own carrot sprout. The costly specimen is a "Priest in the Pulpit" orchid, grown in Orange, N. J.

Friends of his father, J. H. Parks, worked one day in his field. Twenty-four teams were used.

The grammar school enjoyed a hike and kodaking Monday afternoon.

Content indoor girls' baseball team won first place in the county in class B.

The high school junior girls' baseball team won second place in class B.

We had hoped to be able to hold the trophy cup but Norton had us "bested" in the number of points won.

Mr. and Mrs. Robert White entertained the basketball girls and one guest on Monday night. Refreshments were served at the close of a very enjoyable evening.

Mrs. Paul Hamon, of Abilene, is a visitor here this week.

Charlie Bush is quite ill. He was taken to the Santa Anna hospital Monday. His grandson, Coy Dyer, is in the same hospital, having been taken there a week ago.

BARNETT BELL RINGERS

Rev. F. M. Cole rendered wonderful sermons Sunday morning and afternoon and there was large attendance. A good dinner was served.

Miss Laverne Dorsey spent the first of the week with Miss Fay Morgan, of Norton.

Miles Giants Take Non-Schedule Game From Ballingerites

The Concho Basin Baseball League got under way last Sunday most of the teams playing matched games. The Ballinger Ramblers played a non-schedule game with the Miles Giants, the outcome of which was Miles 12, Ballinger 4.

All plans are now completed for the season and Player-Manager "Dutch" Schuhmann announces that the following men have been signed up for the Ballinger club: Dobin Spoons, B. Spoons, Scott, Corbett (assistant manager), Jones, George Golightly, D. W. Williams, "Pug" Reneau, Frank Patridge, Wendy Lee, J. A. Schnable, and "Shorty" Wells.

These men will make up the local team in the Concho Basin League which consists of five teams, Ballinger, Ellis Parts of San Angelo, Veribest, Station A at Eldorado, and Miles. The players are subject to release at any time, voted on by the league managers. New men can be signed but will have to be approved and voted on by the league directors and president.

The home and traveling umpire for the Ramblers will be Mr. Spoons, of Fort Chadbourne, who has had much experience in calling ball games.

The next game scheduled for the local nine is to be played next Sunday at Fair Park when the Ellis Parts team will invade the Rambler camp. The game is called for 2:30. Last Sunday the Station A nine swamped the Ellis Parts team by the score of 17-3, which makes the outcome of Sunday's game a bit questionable, it was asserted by some of the Ballinger players.

To the Sheriff or any Constable of Runnels County, Creating:

You are hereby commanded to summon J. B. Stuart and Anheuser-Busch, Inc. by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 119th Judicial District, but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 119th Judicial District, to appear at the next regular term of the County Court of Runnels County, to be held at the court house thereof, in Ballinger, Texas, on the First Monday in May, A. D. 1935, the same being the 6th day of May, A. D. 1935, then and there to answer a petition filed in said Court on the 23rd day of October, A. D. 1934, in a suit numbered on the docket of said Court No. 1757, wherein John A. Weeks is Plaintiff, and J. B. Stuart, and Anheuser-Busch, Inc., are Defendants, and said petition alleging:

Suit by plaintiff, John A. Weeks, against defendant, J. B. Stuart, on an anticipatory breach of a rental contract under which defendant Stuart was to occupy a certain space 5 1-12 by 21 feet in front and west part of a building occupied by Carr's Dry Cleaners next to what is known as the City Cafe, in Ballinger, Runnels County, Texas. Plaintiff alleges that said rental contract provided for said defendant to occupy such space for a period beginning June 1, 1934, and ending December 31, 1934, at the rate of \$30.00 per month; that defendant Stuart permanently abandoned such premises and positively refused to pay the rentals on or about October 3, 1934. That such defendant is justly indebted to plaintiff in the sum of \$150.00, being rentals for the months of October, November, and December, 1934, due under said contract and \$75.00 for costs in replacing a show window which said defendant Stuart under said contract agreed to pay. That such defendant placed on said premises the following described personal property belonging to him, to-wit:

One 12-hole Mechanical Cabinet complete—serial No. 3075, upon which plaintiff has a landlord's lien to secure payment of such rentals and said \$75.00 which plaintiff seeks to foreclose. That defendant Anheuser-Busch, Inc., is

asserting some kind of claim or interest in said personal property, the exact nature of which is to plaintiff unknown, but that plaintiff's landlord's lien is a prior and superior lien to such defendant's claim. Plaintiff asks judgment against defendant Stuart in the sum of \$225.00, for a judgment decreeing his landlord's lien a superior lien to any claim of defendant Anheuser-Busch, Inc., on the above described personal property, for a foreclosure of his landlord's lien and order of sale thereof, for all costs against defendants, and for general and special relief.

Hereto fail not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

First Spring Band Concert Will be Given Friday Eve

The Ballinger Band will play its first spring concert on the court house lawn Friday evening. Bandmaster H. H. Carsey has been rehearsing the members several months on a repertoire of new music and has a group of 30 musicians ready to play.

The Ballinger fire department will drill between the first and second parts of the program. Chester Cherry, manager of the band, stated Wednesday that an effort would be made to present something special at each concert during the outdoor season.

Officials of the band association have launched plans to erect a new bandstand in the court house park. The plans call for a concrete structure which will seat 40 or more musicians, and if some labor can be obtained the work will begin soon. The present bandstand is old and in bad condition and is too small to accommodate the entire band.

Large attendance is expected at the first concert which promises a good program of music and an entertaining, instructive drill by the firemen.

Leather Tanning School Will Teach Art of Processing

The tanning school, which is being held here for farmers and ranchmen of Runnels county under the supervision of the county agent, began this (Thursday) morning at 9:30 with a large number present for the first of the two days' lessons in tanning leather for home use.

M. K. Thornton, leather specialist of the extension service, College Station, is director of the school. Mr. Thornton is presenting the simplest and easiest methods of preparing and tanning leather and each step in the process is shown. Hides have been prepared for several weeks for this school and there are samples in every stage of the process for inspection by those taking the course.

All of the steps in the preparation of the raw hides are included in the demonstrations today and tomorrow (Friday). Mr. Thornton will also show how to manufacture articles from the finished leather.

It is necessary to take the first day's course to know how to tan hides, but if anyone who missed the instruction today is interested in making leather products he will be welcome to attend Friday.

The women's school for making leather products will be held Saturday. Mrs. Lura Hollingsworth, county home demonstration agent, announced.

The demonstration for women will begin at 9:30 Saturday morning under the direction of Mr. Thornton. He will demonstrate tanning and dying of sheep and goat pelts for use as rugs and the re-seating of old chairs with calf hides.

The bedroom demonstrator of each woman's club in the county is expected to represent her club at the sessions Saturday and later in the year will be expected to give similar demonstrations to the other club members.

1935 DOG TAGS MUST BE BOUGHT IN APRIL

Owners of dogs in the city have the remainder of April to secure licenses for their pets. After this month police will round up and take to the pound dogs without tags attached to their collars. Unlicensed animals will be killed if not claimed in the given period. City authorities say the dog tax ordinance will be rigidly enforced this year. The tags have arrived and can be secured by making application at the city hall.

Suit in Trespass to try title, plaintiff alleging that he is the owner in fee simple of the following described tracts of land:

Being two tracts of land out of the Charles Osgood Survey No. 365 in Runnels County, Texas, and being as follows:

FIRST TRACT: Containing 1.66 acres of land out of said survey, sometimes known and called Lots Nos. 3 and 4 in Block 1, and Lots Nos. 6, 7, 8, 9 and 14 in Block 2, each said Block 1 and Block 2 being out of the Thomas subdivision of Block 1 of the Reeder Addition to the City of Ballinger, Runnels County, Texas.

SECOND TRACT: Containing 1.003 acres of land out of said survey, sometimes known and called lots 1, 2, 3 and 4 in said Block 2 of the Thomas subdivision of Block 1 of the Reeder Addition to the City of Ballinger, Runnels County, Texas.

The map of such subdivision appearing of record in Volume 45, Page 209, of the Deed Records of Runnels County, Texas.

That plaintiff was in possession of said premises January 1, 1935; that defendants dispossessed him January 3, 1935; that plaintiff prior to such dispossession had peaceable and adverse possession of such premises, cultivating, using, and enjoying the same and paying taxes thereon, and claiming title thereto under a deed duly registered for more than ten years prior to said January 3, 1935, and prior to this suit; that defendants have damaged plaintiff in the sum of \$30.00.

You are hereby commanded to summon such defendants and each of them and to serve this citation by making publication of this citation once in each week for four consecutive weeks previous to the return day hereof in some newspaper published in your county; but, if there be no newspaper published in said county, then in any newspaper published in the nearest county where a newspaper

is published.
 Herein fail not, but have you before said Court on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.
 Witness:
 JOHN B. RAYBURN, Clerk,
 District Court, Runnels County, Texas.
 Given under my hand and the Seal of said Court, at office in the town of Ballinger, Runnels County, Texas, this 20th day of March, A. D. 1935.

PRIMARY P.-T. A. TO ELECT OFFICERS NEXT WEDNESDAY

The Ballinger Primary Parent-Teacher Association will hold a regular meeting next Wednesday, April 10. Officers for the ensuing year will be elected and a program presented. All members are requested to be present.

Mrs. R. W. Earnshaw will read a paper on "Music in Regard to Living," and the 1934-35 Scout Book will be presented.

Each member attending is requested to bring a small donation to defray the expenses of the organization's delegate to the district conference at Big Spring on April 11. Mrs. W. H. F. Moore is delegate for this association.

Wally Berger, of the Boston Braves, last season for the first time in his big league career failed to hit at least 300, but nevertheless ranked third in the league in runs batted in.

Guard Company Will be Inspected April 15 and 30

The Ballinger national guard unit is having inspections at every turn now and these will continue through April until the federal inspection on April 30.

Major Karl Wallace was here last week to inspect the men and check up on the equipment. Major Wallace commands the battalion, located in a number of towns in this part of the state, and will visit all units in the area prior to the federal inspection.

Captain Ross Murchison received notice this week that Captain A. D. Sanders, U. S. A., will be here April 15 for a school of special instruction. He will hold a session for the officers and one for the entire company. The exact nature of this instruction has not been made known but all members of company C will be assembled for the special course.

Major John R. Hermann will be here on the afternoon and evening of April 30, completing the inspections for the Ballinger company. He will go over the office and paper work, the supply room, and the company will be assembled in the evening for a final check-up.

Capt. Murchison is giving special work in preparation for the federal inspection and while many members of the company are listed as recruits, a good showing is anticipated.

Following the inspections, officers and men will begin preparations for the annual encampment which will be held at Palacios in August.

Teacher's Pets

A pair of comely nymphs seem to go in for higher education, as they snuggle up to their "prof." It's just an old college costume, however. The occasion is the first annual Redondo Beach, Calif., Mardi Gras.

Sportsmen of County To Form Association To Save Fish, Game

A small group of local sportsmen interested in the protection of fish and game met at the court house Monday evening to discuss with state representatives the organization of a county protective association and affiliation with the state group.

Due to the small number present it was decided to wait until a later date to form the county unit. Meanwhile a state representative and a number of local fishermen and hunters will call on others and solicit membership in the state organization. Dues in the state organization are \$1 per year and most of the work of this set-up will be to secure legislation to save good fish and game and authorizing the destruction of predatory kinds.

Local sportsmen also hope to form a county organization and start a campaign to rid streams and lakes of gars, snakes, turtles, carp and suckers. Special traps and net can be obtained for this purpose and J. P. Flynt, state game warden, will issue permits for using these and send a deputy with the members to destroy enemies of edible game and fish found in this zone.

In a number of counties in this section associations have been formed with as many as 200 members who are doing considerable work in this direction. In some areas quail are being put out on ranches with the intention of restocking with this species of game bird. All associations are

fighting water pests that destroy edible fish with the hope that the streams may again afford good angling.

Tons of gar, carp, suckers and turtles have been removed from bodies of water where association members have been active, state game wardens report.

Anyone interested in joining the state or county organizations is asked to get in touch with A. B. Slobaugh, Elmo V. Cook or R. E. Bruce.

POSTAL RECEIPTS ARE LESS FOR FIRST QUARTER OF '35

Postal receipts at Ballinger for the first quarter of 1935 made a decline over the same period in 1934. The exact loss for the three months was \$100.43 and was all incurred in February.

Total receipts for the quarter were \$4,535.91. Postmaster J. A. Reese said. Receipts by months for the first quarters of the two years are:

	1934	1935
January	\$1,795.67	\$1,730.38
February	1,510.81	1,336.44
March	1,418.91	1,469.09
	\$4,635.39	\$4,535.91

Mr. Reese could not account for the loss in February. This is not the month for paying rentals on postoffice boxes or for renewing mailing permits, it is pointed out, the loss being incurred in straight postage.

OLD FASHIONED MISSIONARY BAPTIST CHURCH ORGANIZED

Evangelist Gilbert W. Wilson spoke to a packed house again Sunday night at the revival in the Wilke building, Seventh Street and Railroad Avenue. His subject was "The Unpardonable Sin." These were half a dozen conversions at the close of the sermon.

Another important event in connection with the service Sunday night was the organization of the Old Fashioned Missionary Baptist Church. When the opportunity was given for membership 100 arose and walked down the aisle.

The newly organized church is a conference called as its pastor Rev. Wilson, who has accepted the call and is looking forward to a great year with the new church.

Rev. Wilson will preach at Newton next Sunday afternoon at 3 o'clock while his brother, Roy, Raymond C. Wilson, pastor of the Angelo Heights Baptist Church, San Angelo, preaches at Salt City.

The revival here closes next Sunday night.

A baby son was born to Mrs. Nina Hughes, 27, on a station platform while she waited for an elevated train to take her to a Chicago hospital.

The First "Alloyed Oil"
 —for better lubrication of today's high-speed, alloy-steel motors!

YOUR MOTOR is built of parts made of special alloy metals. Car manufacturers and metallurgists worked together to produce metal alloys strong and durable enough to withstand the greatly increased pressures and temperatures of the modern motor.

Oils, too, must withstand these pressures and temperatures and they must have extra oiliness and film strength to do it. Yet oils generally have no more oiliness and film strength than they had ten years ago. And many new refining methods now used to make oils free from carbon and sludge have lowered instead of increased oiliness and film strength!

Continental, pioneering as it has pioneered for 60 years, has developed the first alloyed oil—Conoco Germ Processed Motor Oil! It is custom-made for high-speed, alloy-steel motors. It has 2 to 4 times the film strength of straight mineral oil, as tests on the Timken machine have proved! It has more oiliness than any oil has naturally. It penetrates and combines with metal surfaces, forming a permanent lubricating film—the "Hidden Quart". It is a pure, clean oil, free from carbon and sludge troubles. It gives extraordinary mileage as well as motor protection, as proved by the Indianapolis Destruction Test.

Say "O.K.—Drain"—fill with Conoco Germ Processed Motor Oil and you will have the finest lubrication you can buy!

New King-Holt Funeral Home Opening Friday

The formal opening of the King-Holt Funeral Home will be held Friday, Saturday and Sunday. The first "open house" for the general public will be Friday evening at 7:30, at which time a large group of traveling representatives and the entire local staff will greet visitors. A program will be presented at intervals as the crowds come and go, and an invitation is extended everyone in this territory to inspect the new establishment from bottom to top.

Saturday and Sunday evening the home will be open for inspection by the public and Sunday afternoon at 2:30 a dedicatory service will be held, ministers of the city taking part in the rites. For the Sunday afternoon service chairs will be provided for those who attend.

E. E. King, manager, stated Wednesday that everything would be finished and arranged by the end of the week. Since January remodeling has been underway on the building, making it modern in every particular and adaptable for funeral use. An operation room, an office, a large chapel, a music room, private quarters for families, three large display rooms, living quarters for the funeral director, and a kitchenette are some of the features provided.

The interior has been entirely rebuilt, redecorated and the floors carpeted. The exterior has been refinished and painted and for the opening huge floodlights will illuminate the building and grounds.

Visiting representatives who will assist in the opening are: J. C. Samuels, Cryptorium Vault Co.; Edwin Jennings, National Casket Co.; E. R. McCoy, Texas Coffin Co.; Waco, Mr. Harle, Texarkana Casket Co.; Mrs. Reta Barber, owner and designer of the Reta Barber burial garments; and Harry Goodman, Hub Furniture Co., Fort Worth. Members of the home staff are: Mrs. Zada B. King, Mr. and Mrs. Myles Nixon, Mr. and Mrs. Joe Ostertag, Arthur Wiesepape, Chas. Galbraith and Mr. King.

The program for the dedicatory service Sunday afternoon is as follows: Hymn, R. E. White directing. Prayer, Dr. E. W. McLaurin, pastor of First Presbyterian Church Hymn.

Scripture, Rev. W. H. F. Moore, pastor of Eighth Street Presbyterian Church. Illustrated song, "Crossing the Bar," Rev. Lee Whipple, pastor of First Christian Church; Mrs. A. McGregor, soloist.

Dedication message, Rev. J. H. McClain, pastor of Ballinger Baptist Church. Prayer, Rev. R. E. Cummings, pastor of the Church of the Nazarene. Closing hymn.

Benediction, Rev. W. H. Vanderpool, pastor of First Methodist Church.

Eight-Day Revival Begins at Church of Christ Sunday

An eight-day revival will begin Sunday morning at 11 o'clock at the Church of Christ, located on Eighth Street and Bernal Avenue. The preaching for these services will be done by Otis Gatewood, pastor of the Rochester, Texas, Church of Christ.

Mr. Gatewood is at present working on his degree at Abilene Christian College, but is at the same time acting pastor of the Rochester church. This week in the college extemporaneous contests he was awarded first place over 60 other entries. He is said to be a forceful speaker and has the congregation's attention at all times during his sermons.

Revival services will not be held during the day but each evening

King-Holt Funeral Home

at 7:45 Mr. Gatewood will preach at the local church.

The meeting will close Sunday, April 14. While Mr. Gatewood is preaching here the regular minister, Harvey Childress, will be holding a similar meeting at the Rochester church.

The annual summer revival for the local Church of Christ is being planned for some time in August. Dates have not been definitely decided yet, but will be announced as soon as possible.

BOY SCOUT NEWS

By Paul Trimmer, Jr. Scribe

Attendance was small at the last Scout meeting. It is hoped that some new members may join at the next meeting. Meetings are at the fair park on every Monday evening from 7:30 to 9 o'clock.

Mr. Robert Bruce made a talk at the last meeting, which was enjoyed by all of us. He told us about Camp Louis Farr and we are now all anxious to visit the camp.

The troop has adopted the patrol method and we like this new way. A troop should be composed of four patrols of eight members to each patrol, but troop 30 only has sixteen members.

The last Court of Honor was composed of more members than any we have had for a long time. There were quite a number of visitors and we hope they will come again and bring others with them.

Mr. Jack Stone, Scout executive, was present and led the questioning of the five who received first class awards. Eight received merit badges.

The Scouts appreciate Dr. McLaurin giving his time in presiding over these courts.

We hope to go on a hike next Saturday with Mr. Horace Sessions in charge. Dr. Sessions expects to go on this hike with us. Troop 30 thinks he is the best scoutmaster ever.

Behringer Opens Ice Cream Plant

Sam Behringer has opened a new and modern ice cream plant in connection with his grocery store here. For the past two weeks he has been installing machinery and cooling cabinets as well as storage and dispensing cabinets.

Operation of the plant has begun and all the cream to be dispensed in the front of the store is being made in a special department. This department will remain open evenings as well as during the day and will sell any amount from a cone to large quantities for home or party use.

The freezing equipment is the latest word in cream making and is speedy. From the freezer the product is moved to hardening cabinets where it is conditioned before being put in the 22 dispensing cabinets. This large amount of storage will enable carrying the largest number of flavors and varieties sold in this section.

The store will sell all the well known and best liked creams, a number of sherbets and "frozen milk."

Mrs. Cal Adair will be in charge of the new department of the store during the day and O. F. Wilson will be in charge at night. A number of other items will be on sale during the hours this department is open. A window on one side of the building opens so service can be given sidewalk customers.

Mr. Behringer invites inspection of the plant at any time and solicits orders for outings and parties.

Star Light Wins Soft Ball Opener From Methodists

The first soft ball game of the year here was played Tuesday afternoon on the new field near Wilke Terrace, just east of highway No. 4, the Methodist team meeting the Star Light Refinery team.

The Oilers took the game, 1 to 0, in a well played contest. White, refinery pitcher, had the edge on Griffis, of the Methodists, keeping the hits well scattered to allow no man farther than second base during the 7-inning set-to.

The Oilers entered the last of the seventh with the score 0-5. A hit, a stolen base, a sacrifice, and a long fly to left field netted the run which meant victory.

The Methodists will meet the Baptist team in a game Friday at 8 p. m. on the same field. No admission will be charged and the public is invited to attend.

Six teams have entered the city league to date and Saturday at 10 a. m. the organization will be perfected, officers elected and a schedule arranged. At present

there are two Baptist teams, two Methodist, the Star Light Refinery, and the Ballinger fire department.

A fair-sized crowd witnessed the first game, which was played in less than an hour.

TWO LOCAL YOUTHS MAKE GOOD SCHOLASTIC RECORDS

Two Ballinger boys attending universities are making excellent records. David Baker, son of Mr. and Mrs. C. L. Baker, is completing his third year at the University of Texas and was again on the honor roll with 47 others from West Texas, according to data released at Austin. Mr. Baker has made a consistently good record in the university, having been on the honor roll nearly every term. He will attend the medical school at Galveston next fall if he can obtain entrance and if not, will take a course in some other medical college. Only 100 students a year are matriculated at Galveston.

Horace ("Happy") Gustavus, son of Mrs. C. J. Lynn, has been elected grand master of Iota of Psi Omega fraternity and president of the junior class at the dental school, Northwestern University, Chicago. Mr. Gustavus intends to spend some time at home this summer.

Baptist Revival Plans Completed

Arrangements are about complete for the revival at the Ballinger Baptist Church, April 14 to 28, inclusive. Two services will be held daily in the church auditorium, Dr. W. W. Melton, of Waco, doing the preaching, and Joe Trussell leading the song service and singing special numbers.

Dr. Melton was engaged by the local congregation for a two-week campaign last year and was very successful. He was extended an invitation to come back this year and accepted. Mr. Trussell is one of the best known singers in the evangelistic field and is an excellent soloist besides.

Rev. J. H. McClain, pastor of the local church, stated that he would start next week advertising the meeting and would extend an invitation to all citizens of this section to attend and take part. Every effort will be put forth by the membership to have a great revival and add members to the churches of the city. Local Baptists are planning to give all the

time possible to the religious drive. Singers are invited to assist with the music and join in the chorus which will be organized by Mr. Trussell. Special work will be done with the children and the young people of the church. Rev. McClain stated that announcements would be made later regarding prayer meetings and other special services.

FORMER BALLINGER GIRL WINS AUTO AT McCAMEY

Mrs. Carl M. Adams, daughter of Mr. and Mrs. J. H. Keel of Ballinger, and also a former resident of this city, won a new 1935 Plymouth coach in a popularity contest at the Grand Theatre in McCamey last Friday. By getting more votes than any of the other candidates she was awarded the new automobile.

Mr. and Mrs. George McCulley, of Kingsville, came in Sunday to accompany Mrs. McCulley's parents, Mr. and Mrs. J. M. Skinner to Kingsville. Mr. and Mrs. Skinner will visit at Kingsville and San Antonio several days longer.

DEATHS

Mrs. W. S. Davis

Funeral services were held Wednesday afternoon at 2:30 o'clock for Mrs. W. S. Davis, who died here Tuesday evening at 7:30 at the home of her daughter, Mrs. W. A. Forney. The rites were held at the Winters Baptist Church, Rev. W. T. Hamor, pastor, officiating, assisted by Rev. J. H. McClain, of Ballinger.

Decedent had been ill for some time and for several days preceding death was in a critical condition. She was the widow of W. S. Davis, pioneer farmer of Runnels county.

She was born September 24, 1849, and was married in 1875. The couple settled near Cameron in 1883 and in 1902 moved to Runnels county, where they resided the remainder of their lives.

Survivors are three sons, three daughters, 24 grandchildren and 26 great grandchildren. Children are: Mrs. W. A. Forney, Ballinger; Mrs. J. M. Nichols, Guion; Mrs. Walter Brian, Winters; R. S. (Manchie), Grover and Pete Davis, all of Winters.

Active pallbearers were: O. C. Sykes, Lemmie Davis, Earl Rogers, Claude Hightower, Jimmie Huffins and C. N. Kornegay. Honorary pallbearers were: John Q. McAdams, H. K. Reid, J. W. Copeland, Mr. Parrish, Buford and Luther Owens, Walter Gardner, Lonnie and Howard Baldwin, Eddie Voelker, Homer Mosley, Frank Pumphrey, Carl Henslee, C. Kornegay, Ben Guin, W. D. Meadows, Sim Riddle, Oscar Harber, R. E. Bruce, U. E. Hartman and J. H. Payne.

Flower girls were: Mmes. W. A. Francis, O. C. Sykes, Jack Nixon, Jr., Loye Kornegay, J. Huffins, R. K. Russell, Luther Owens, Charlie Smith, W. W. Nance, N. C. Terry and H. C. Campbell, and Mrs. Zedie Royalty.

Interment was made in Evergreen Cemetery, Ballinger, at the side of her husband.

Spill Funeral Home undertakers, Winters, were in charge of arrangements.

Rotary Club Will Hold Annual Fete

The program committee of the Ballinger Rotary Club has announced a program for club members and their families at city park next Tuesday evening at 6:30. The committee is arranging a barbecue for the entertainment which is the annual outing.

The club meeting Tuesday was well attended, all but two members being present. It was Ballinger Day and three speakers were heard on the home town theme.

Rev. W. H. Vanderpool spoke on his first impressions of Ballinger in which he praised the community for its progressiveness and its fine citizenship. He drew applause when he referred to the municipal government and said that he liked to live in a place where all the citizens cooperated for the best interests of the city and no great issues divided.

H. C. Lyon spoke on "Why I Like to Live in Ballinger," asserting that he found one of the biggest assets here the friends and neighbors.

J. D. Motley closed the program with a short talk on the spirit of cooperation prevalent here.

All organized clubs of the county have demonstrators and cooperators in garden projects and have launched plans to enlarge this part of their program in 1935.

The Rowena farmers' council will meet at 7:30 Monday night, April 8, at O. D. H. S. Hall. The council invites all farmers of the county to be present at this meeting and assures them that they will receive some real benefit from the proceedings.

The main topic for the evening will be power and team farming. Teams representing the Rowena and Miles councils will debate on the question of power and team farming, fully discussing the merits of each.

A precedent was set in California legal circles when two alternate jurors in a Los Angeles criminal trial were locked up with a regular 12, but they were instructed to take no part in the deliberations.

The Graf Zeppelin made 300 flights up until last September, crossing the ocean 48 times, traveling 428,766 miles, and carrying 17,500 passengers and 81,570 pounds of freight.

Club Girls Begin Work on Gardens

Garden demonstrators in girls' home demonstration clubs of Runnels county are going forward with their plans for gardens this spring and summer. Already many have started the work and will be busy with planting for the next several weeks. Hot beds are being used numerous, many plants being started in these and later transplanted.

In a letter to Mrs. Lura Hollingsworth, county home demonstration agent, Mary and Audrey Reese, of the Blanton club, tell about their garden: "We built our hot bed on the south side of the house, by digging a pit 24 inches deep and wide and long enough to be covered with two window sashes. The bottom of the pit was filled with a 6-inch layer of old straw, and a 12-inch layer of manure and 5 inches of garden soil at the top. After standing covered for several days for the temperature to regulate we sowed tomato seed, 1/4 ounce Break-o-Day and 1/4 ounce Matglobe. We planted these seed March 13 and if conditions are favorable we plan to transplant them during the fourth week of April."

All organized clubs of the county have demonstrators and cooperators in garden projects and have launched plans to enlarge this part of their program in 1935.

The Rowena farmers' council will meet at 7:30 Monday night, April 8, at O. D. H. S. Hall. The council invites all farmers of the county to be present at this meeting and assures them that they will receive some real benefit from the proceedings.

GOLD MEDAL CONTEST EXTENDED ONE WEEK

The Gold Medal Flour Company has extended its contest here for another week and the display in the Weeks Drug Store window will remain intact all next week. The jumbo sack of flour exhibited at which all purchasers of Gold Medal flour are entitled to guess the weight, has attracted much attention. Dealers will give a coupon, or one may be cut from this issue of The Ledger which allows users of this popular flour to cast ballots and include their estimates of the weight of the big sack.

Silverware will be awarded the person guessing nearest correct at the close of the contest next weekend.

GOLF TOURNEY TO BE HELD ON CLUB COURSE IN JUNE

Members of the Ballinger Country Club decided definitely Sunday to hold an invitation golf tournament here the middle of June, the exact dates to be set later. H. G. Agnew was made chairman of the general committee on arrangements and A. J. Thorp secretary.

Many of the leading golf players of the state have promised to come to Ballinger for this tournament and those in charge think 100 visiting players will enter.

Advertising matter will be printed at once and distributed among the clubs of this section and invitations mailed to practically all the leading tournament

players, asking them to reserve this date. The entertainment committee will arrange a barbecue and a dance for the opening of the tourney.

The new sand greens will be completed this week. Six of the greens were finished Monday and work has been commenced on the other three. This improvement will be completed as soon as possible, following which new traps will be built to make the course more hazardous.

Local golf players also voted to enter the Heart of Texas League and elected H. G. Agnew director. Players from the Winters and Ballinger country clubs will be combined to make up the league team.

Shower is In-Honor Affair for Bride-Elect

Miss Louise Shepperd, whose marriage to George Graves, of Waco, will be solemnized Friday evening, April 12, was named honoree by Miss Mary Jane Kiechle last Thursday afternoon in her home on Fourth Street.

Lilac blooms and bridal wreath were used in profusion as room decorations—where a bridal theme and shower motif were stressed in callies for the contract games and in the refreshments. On the tiny pink parasols which accompanied the plate were the initials S and G.

Following the games Miss Shepperd was invited into the dining room where a beautiful shower of gifts covered the table. After these were opened guests again resumed places at the game tables where an attractively wrapped gift was found at each place together with a slip of paper. When these were opened they proved to be an assortment of kitchen articles from the hostess. Clever rhymes were read as each was presented Miss Shepperd.

A corsage went to Mrs. E. Shepperd and the honoree.

The guest list included: Misses Shepperd, Evelyn Stobaugh, Margaret New, Frances Trail, Louise Wardlaw, Merna Sue Clark, Fay Clark, Louise and Cordelia Batts, Rosa Crockett, Cathleen Connelly, Elsie Motley, Sara Elkins, Zemma Street, Eugenia Baskin, Mmes. T. R. Burnette, Davis Sims, Horace Sessions and Shepperd.

Miss Kiechle was assisted by her mother, Mrs. Fred Kiechle, and Mrs. A. J. Thorp.

Buffet Supper Given by Stones

A buffet supper on last Friday evening given by Mr. and Mrs. Claude Stone in their home on Ninth Street also favored Miss Louise Shepperd.

Decorations for the entertaining rooms centered about the supper table where graceful bridal wreath formed the centerpiece and suggested the colors white and green stressed in all details. Gleaming light was furnished by white tapers. Mrs. R. W. Earnshaw and Mrs. Frank Pearce presided at the table while Mrs. E. W. Stansley poured tea and coffee from the coffee table.

Miss Frances Trail received high score award in the games and Miss Shepperd and Mrs. Horace Sessions, a recent bride, were also recipients of lovely gifts.

Guests were: Misses Shepperd, Louise Batts, Trail, Louise Wardlaw, Fay and Merna Sue Clark, Margaret New, Sara Elkins, Elizabeth Parker, Lucille Williamson, Evelyn Stobaugh, Mary Jane Kiechle, Eugenia Baskin, Virginia Holman, Mrs. Sessions and Mr. and Mrs. Elmer Shepperd.

Mmes. Weeks and Earnshaw Entertain With Morning Coffee

An elaborate floral adornment of lilacs and spirea graced the spacious home of Mrs. John Weeks and Mrs. R. W. Earnshaw last Saturday when they entertained with a morning coffee to compliment Miss Louise Shepperd.

Orchid cathedral tapers, tied in orchid fluffs, shed a soft glow of light over the centerpiece of lilac and trailing sprays of bridal wreath for the dining room table laid in lace. Mrs. H. C. Lyon presided to pour coffee and Mrs. Elmer Shepperd served salads. Mrs. Troy Simpson and Mrs. Claude Stone assisted in serving hot rolls, assorted nuts and orchid and white mints. Tiny orchid and white fans were favors.

Guests included were: Misses Shepperd, Vhelma Parrish, Zemma Street, Mary Jane Kiechle, Evelyn Stobaugh, Frances Trail, Eugenia Baskin, Virginia Holman, Margaret New, Eleanor Williams, Elizabeth Parker, Mmes. Shepperd, Horace Sessions, Jack Rudd, Stone, Pearl Gustavus, L. Schermerhorn, Lyon, Simpson, E. A. Shepperd of Winters, J. H. McClain, James Wear, and W. A. Bridwell.

A salad set was presented Miss Shepperd.

Gift Tea is Saturday Afternoon Affair

Mrs. W. T. Crockett and daughter, Miss Rosa Crockett, entertained with a gift tea for Miss Shepperd Saturday afternoon, using bridal wreath, salt cedar and fruit blooms in pink tones to grace entertaining rooms. The program consisted of a toast to the bride-to-be by Miss Nona Diltz; a piano solo by Miss Hattie Mae Dunlap; and a playlet by Mrs. J. H. McClain and Mrs. Ernest Moody. Gifts were presented in an Easter basket by little Miss Dorothy Ann Holliday dressed in a white and pink bunny costume.

Chinese linen laid the tea table, attractive in spring flowers and pink tapers. A miniature bridal scene was on the buffet. Misses Louise Batts, Evelyn Stobaugh, Cathleen Connelly, Mary Jane

Kiechle, Mrs. Davis Sims and Mrs. Rothal O'Kelly assisted in serving an ice course. White corsages were favors.

The personnel included: Misses Shepperd, Willwood Bridwell, Street, Parrish, Frances Gustavus, Pauline Morley, Mayola Jacob, Connelly, Fay and Merna Sue Clark, Diltz, Verda Belle Allen, Batts, and Holliday; Mmes. Shepperd, Otis Jacob, E. E. Woodson, E. L. DeWitt, E. F. Batts, W. H. Grier, O. K. Jacob, Carl Black, Moody, W. A. Bridwell, A. J. Thorp, McClain, Fred Kiechle, Fred Holliday, R. E. White, P. J. Harris, O'Kelly, Taylor, and M. D. Barnett.

Friday Contract Club Members Guests of Mrs. Baker

A wealth of bridal wreath gave floral beauty to the attractive home of Mrs. Leslie Baker on Sixth Street last Friday afternoon when club members and substitutes for absentees played contract at the usual four tables. These same blooms nestling in a bed of gold cellophane which centered the dining room table suggested the color theme which was combined with an Easter motif. Yellow Easter chicks adorned place cards and the Easter theme was reflected in the two-course luncheon served preceding the games.

High score prize went to Mrs. Alex McGregor, second high to Mrs. Jack Rudd, the traveling prize to Mrs. Homer Carsey, and table cuts to Mrs. Jack Nixon, Jr., Mrs. Loyd Herring, Miss Virginia Holman, and Miss Adda Ward, in games with: Mmes. W. B. Woody, Delbert Vancil, C. W. Cheatham, Ross Murchison, E. W. Stansley, George Kirk, A. C. Bauer, Jr., Robert Lowery, Sim Cottelle, and I. Vancil.

Second in Party Series Given in Baskin Home

Mrs. E. C. Baskin and Miss Eugenia Baskin gave the second of a series of attractive spring parties last Friday afternoon in their home on Sixth Street.

Vari-colored flowers were used throughout the house. The game rooms were given a spring-like air with arrangements of spirea, pansies, lilacs, and orchids. Plate favors were pansies.

Guests included: Mmes. C. P. Shepperd, John Currie, Bruce Creasy, R. G. Erwin, George Holman, Fred Kiechle, Frank Pearce, Paul Trimmer, M. McGregor, Q. V. Miller, Drew Dickson, Lela McAdams, E. L. Hagan, J. C. Richards, Roy Bishop, James Striplin, John I. Gulon and Mrs. W. B. Hooper.

David Caudle Has Birthday Party

The tenth birthday of David Caudle was given due recognition last Saturday when Mr. and Mrs. Tom Caudle included sixty children for a morning of supervised play in the beautiful city park. Mrs. Cicero Smith assisted in serving pink and white brick creams and individually iced cakes. Whistles were favors.

Fellowship Class Has Benefit Party

Members of the Fellowship Class of the Methodist church school gave a benefit forty-two party last Friday evening in the banquet room at the Central Hotel.

The approach of Easter was heralded in appointments for the games. Tallies were yellow chicks tied in pink and score pads were orchid rabbits tied in yellow. Spring blooms in the pastel shades of orchid, pink and green were used in every vantage spot. At the tea hour tables were laid in linen covers in the same shades and home made ice cream was served with angel squares iced in the four colors to twenty-two tables of players.

Mrs. J. G. Douglass, class teacher, and Mrs. Edward Sommer, class president, extended greetings.

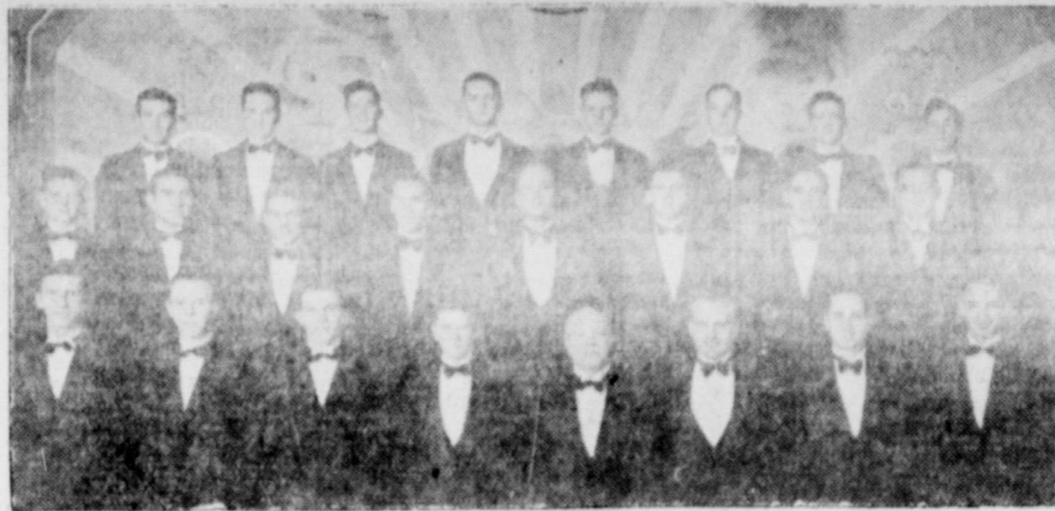

Three Are Hostesses to S. S. Class

The primary assembly room was converted into a living room scene last Friday evening when Mmes. T. W. Agnew, Gerald Black, and

Constipation Symptoms Soon Go Away After Use of Black-Draught

Mrs. S. G. Ramsey, of Henryetta, Okla., writes that she has taken Theodor's Black-Draught about twenty-five years, when needed, and has "found it very good." "When I have a sour stomach and my mouth tastes bitter, and I feel bilious, sluggish and tired, I will very soon have a severe headache if I don't take something. I have learned to keep off these spells by taking Theodor's Black-Draught. Very soon I am feeling fine. I feel that Black-Draught can't be beaten as a family medicine." COTTON CONTRACTS MUST BE IN AGENTS' OFFICE - NOT LATER THAN FRIDAY

Cotton contract signers of 1934 and non-signers received cards this week stating that Friday, April 5, is the last day cotton contracts will be accepted by the Rannels county committee. It was emphasized that the contracts must be in the county agent's office here not later than that date.

A landlord or tenant who signs a contract on one farm cannot plant cotton on another farm which he owns or rents unless the second tract is also under contract, pointed out County Agent Elmo V. Cook, who has had many farmers to ask him that question recently.

Club Scribes Will Attend School Here

Reporters for the thirteen girls' 4-H clubs and the sixteen home demonstration clubs of Rannels county will be here for a one-day school April 13. Sessions will be held at the city hall auditorium, and Miss Kate Adele Hill, district home demonstration agent, will be the instructor.

Mrs. Lura Hollingsworth, county home demonstration agent, is urging every reporter in the county to make arrangements to be present and every club is expected to be represented by at least one person.

At the morning session Miss Hill will talk to the reporters on methods of writing stories and give valuable information on how to select news and write it in an interesting manner. Mrs. Hollingsworth will conduct a demonstration after which each reporter will be asked to write about it and turn her report in to Miss Hill.

After the lunch hour the papers will be read and discussed by the group. Miss Hill will point out how the articles could be improved.

Troy Simpson, of The (Ballinger) Ledger; George Hill, of the Winters Enterprise; Wm. Tyler, of the Miles Messenger; and Karl Read, of the San Angelo Standard-Times, have been invited to attend the afternoon session and will be asked to tell the type of stories wanted by their respective newspapers and offer suggestions to the club reporters.

Mrs. Louise Bruhns, of New London, Conn., has sued for \$5,000 damages claiming that a ball driven by a golfer struck her on the head.

Metro-Goldwyn-Mayer's Magnificent Filmization of the Charles Dickens Classic, "David Copperfield" Opens at Palace Sunday

Three Players Were Needed To Enact One Role

So wide is the range of "David Copperfield," the prize-winning screen hit coming to the Palace Theatre next Sunday and Monday, April 7-8, that not one, but three players were needed to portray "David." Presentation of this superb production in Ballinger will include matinees both Sunday and Monday afternoons at the Palace.

First to be seen will be little Eileen Ingles, who made her debut before the cameras and microphones at the ripe old age of four days and eleven months. She plays the infant "David."

Frank Lawton and Maureen O'Sullivan in "David Copperfield"

boy. He is hailed as the brightest star of recent years.

Third and last of the "Davids" of the photoplay is Frank Lawton, who first became famous in this country for his work in "Cavalcade," and becomes an overnight star with his portrayal of the title role in "David Copperfield."

W. C. Fields as Micawber. The cast includes no less than sixty-five stars and featured players, making it one of the most pretentious motion pictures of the decade. Among these are W. C. Fields, who plays the improvident and comical Mr. Micawber; Lionel Barrymore, Madge Evans, Maureen O'Sullivan, Edna May Oliver, Lewis Stone, Elizabeth Allan, Roland Young, Basil Rathbone, Hugh Williams, Herbert Mundin and many more.

Other noted players in the supporting cast are: Elsa Lanchester, Jean Cadell, Jessie Ralph, Lennox Pawle, Violet Kemble-Cooper, Una O'Connor, John Buckler, Ivan Simpson, Florine McKinney, Harry Berensford, Mabel Colcord, the novelist Hugh Walpole, and the children, Fay Chaldecott and Marilyn Knowlden.

Dickens Novel Followed Closely. "David Copperfield" is a faithful filmization of Charles Dickens' best known and best loved novel. It comes to the screen as a David O. Selznick production for Metro-Goldwyn-Mayer, with George Cukor directing.

"David Copperfield" is at once one of the most pretentious and one of the most intimate photoplays ever made, critics assert; it is a picture that has more than bigness and more than intimacy; it has a soul.

As it develops its absorbing story it runs the full gamut of entertainment qualities. There is a wealth of romance, a wealth of pathos, a wealth of comedy. There are spectacle and thrills and tragedy and beauty. But when you leave the theatre "David Copperfield" remains with you. For it "does something" to the heart that baffles description.

More than a year, we hear, was spent in preparation and filming. If it had taken ten years it would have been worth the effort. It is a picture no man or woman, no boy or girl should miss seeing. It sets a new high in entertainment quality.

The story is a faithful translation of Dickens' best known and best loved novel, but the entertainment qualities unearthed and emphasized on the screen never would be dreamed of by those who have read the book only casually. The human depiction and the romance, especially, are astounding.

"David Copperfield" is another feather in the cap of David O. Selznick, Metro-Goldwyn-Mayer producer, and of George Cukor, the director. They are the team that gave the world "Little Women" and "Bill of Divorcement," among other hits, but they have surpassed themselves in "David Copperfield."

It is a picture that no one can afford to miss.

Anne Shirley, 16 Starred in 'Anne Of Green Gables'

With 16-year-old Anne Shirley given feature billing in the film version of the widely read novel, "Anne of Green Gables," one of Hollywood's most colorful Cinderella legends become reality.

Anne Shirley, who was known as Dawn O'Day until she adopted the name of the character she portrays in "Anne of Green Gables," has earned a living for herself and her mother since she was 14 months old. Hall bedrooms, tiny single apartments, long walks to studios, and constant planning to make one dollar do the work of two, marked her path to stardom.

Miss Shirley first stepped into the role of family breadwinner as a model for commercial advertisements of baby clothes.

Within a short time the baby was working more steadily than her mother, who eventually had to decide between occasional jobs and devoting her life to caring for her daughter and advancing the latter's career. She chose the latter course and never has had cause to regret it.

Shortly before her third birthday Anne was given an important role in "The Miracle Child," a film, and in this she showed such promise that her mother decided to gamble on a trip to Hollywood. This move placed at stake every cent that Anne's mother could raise.

That really commenced the long climb to stardom, as Anne Shirley has been a screen actress ever since.

Recently, Anne bridged the difficult gap between child and adolescent parts with a featured role in RKO-Radio's "Finishing School."

When an "Anne Shirley" was sought for "Anne of Green Gables," a prominent director suggested that Dawn O'Day be tested for the part. Scores of Hollywood players were seeking the role, and hundreds of letters had poured in on the studio from other aspirants in all parts of the country.

To Dawn O'Day, or Anne Shirley, the part meant not only the chance of a lifetime, but the opportunity to portray a heroine who had long been her favorite character of fiction. So when she was called to the studio for a test she felt as though life or death was the stake. The test was good; so good that she was called back to take another and longer one.

The next evening, as she was sitting down to dinner, here telephone rang. She leaped to answer it and was informed that she was "Anne of Green Gables."

The little Cinderella girl of yesterday had become a star.

Their adolescence romance at first menaced by an old family quarrel, Anne Shirley and Gilbert Blythe finally win happiness in "Anne of Green Gables."

TWO NEW STARS "MADE"

Two new stars will appear on the screen of the Palace Theatre in "David Copperfield." They are little Freddie Bartholomew, who plays the juvenile title role, and Frank Lawton, who plays the adult David. Virtually unknown before this film was produced, they are now ranked among the most brilliant stars of the screen.
