

THE BALLINGER LEDGER

VOLUME 57

BALLINGER, TEXAS, THURSDAY, OCTOBER 21, 1937

NUMBER 2

Cotton Farmers Meet Here To Hear Killough Talk

A large number of cotton farmers were in Ballinger Friday afternoon to attend the cotton improvement mass meeting and hear D. T. Killough, cotton specialist of College Station, speak on general improvements needed in the grade and staple of Texas cotton.

At the beginning of the meeting, County Agent John A. Barton gave figures taken in a county-wide survey in 1937 showing the number of acres planted to each variety of cotton in this county. The report showed 32,905 acres in Qualla, 18,245 in Bagley, 17,040 in Mebane, 1,574 in Lankert, 1,588 in Harper, 1,447 in Roden, 5,952 in Watson, 2,261 in Kasch, and 2,512 in mixed varieties.

After listening to the report, Mr. Killough stated that Runnels county was far above the average of Texas counties in producing good varieties and estimated that 90 per cent of the cotton produced in the county was good grade and staple. He complimented the farmers on their effort to improve conditions here.

Mr. Killough urged farmers to select a variety of cotton either for the county or for their communities and to see that all farmers in each district planted only the one variety and that all this cotton be ginned at plants handling that variety. He gave figures showing that where many varieties were planted in a small section that crossing by insects in fields amounted to from 20 to 26 per cent and that mixture at gins where one variety is ginned following another, amounted to another 25 per cent. He explained how spinners set their spindles for a certain length cotton and could not stand a variation of more than 1-16 of an inch. He urged farmers to unite in a county or community basis.

Following the general meeting the county cotton committee was in session for a short time. Five community gatherings were set and others are to be arranged. The first meeting was held at Wilmeth last night with W. E. Puckett in charge. Others scheduled are: Rowena, Friday, October 22, with Louis Rohmfeld in charge; Miles, Monday, October 25, with N. S. Wright in charge; Winters, Tuesday, October 26, with D. A. Dobbins in charge; Drasco, Wednesday, October 27. The other meetings will be announced as soon as dates are set. The five meetings announced will be held at night and the one at Winters will be for the surrounding territory.

On Saturday, October 30, the county committee will meet at the district court room of the court house in Ballinger to report results of the community gatherings and enter discussions leading to a one-variety cotton for the county or for separate communities.

BALLINGER GIRLS MEMBERS OF A. C. C. WILDCAT BAND

Misses Ruth and Frances Smith, daughters of Mr. and Mrs. Ross A. Smith, of Ballinger, are two of the new members of the Wildcat Band at Abilene Christian College. The college band this year has 53 members and is under the direction of D. W. Crain.

N. L. Davis, of Big Spring, visited his daughter, Miss Florence Davis, for a short time Saturday.

County's Oldest Citizen G. W. Wilson, 96, Confederate Veteran Taken to Local Hospital

G. W. Wilson, Runnels county and Texas pioneer, was brought from the home of Mr. and Mrs. Joe McKenzie, near Paint Rock, to the Halley & Love Sanitarium Friday, for treatment. He suffered a slight stroke of paralysis Friday morning but is now doing fairly well.

Mr. Wilson is one of the oldest men in the county and Saturday will be his 96th birthday. He was born in Aberdeen, Mississippi, and moved to Texas in 1873. He once remarked that Dallas was just a name when he passed through the village en route to his first stop in his state. He moved to near Ballinger in 1898 and has made home

Singers from Wide Section Will Meet At Winters Sunday

The fall convention of the Runnels County Singing Association will be held at Winters Sunday. Preparations are being made to entertain a crowd of 5,000 people at the all-day program. H. W. Bigler, of Miles, secretary of the association, has been giving the autumn meeting wide publicity and announces many individual singers and special groups are to appear on the program.

Dinner will be spread on the grounds at noon and the sessions will be held in the First Baptist Church auditorium.

Singers at Abilene, Bangs, Ballinger, Bronte, Coleman, Eden, Hatchel, Maverick, Melvin, Miles, Norton, Paint Rock, Robert Lee, San Angelo, Sweetwater, Talpa, Tennyson, Valera, Wingate and other towns have accepted invitations to attend.

The famous Stamps Quartet, of Dallas, will be given time for a large group of numbers. Robert S. Arnold will be present with a quartet representing the National Music Co., of Fort Worth. Others scheduled to be heard include the Jennings-Forehand Quartet, of Wingate; C. E. Gambill Quartet, of Winters; Robert Lee Quartet, of Robert Lee; Wgaver Quartet, of San Angelo; and S. E. Clark with a special group of singers from Abilene. Other vocalists have been invited to attend this convention.

The officers of the association cordially invite everyone interested in good singing to hear the program. It is hoped to make this the largest gathering of its kind in this section in recent years.

In addition to the special music to be provided by quartets a number of solos, duets and trios will be offered besides the chorus numbers in which all singers will take part.

CHERRYS ATTEND MILES FIREMEN'S BANQUET

Mr. and Mrs. Chester Cherry went to Miles Tuesday night to attend the annual firemen's banquet and business session. The Ballinger fire chief extended greetings from the local department. He stated Wednesday that the meeting was well attended and that officers were elected for the succeeding year at the close of the banquet program.

Mr. and Mrs. Frank Olsak, of San Angelo, spent Friday at the home of Mr. and Mrs. F. P. Onderka and also attended the county fair here.

Mr. and Mrs. Drew Patterson, of Harlingen, spent several days here this week in the home of Mr. and Mrs. Thomas G. Patterson. They were en route home from a six weeks' trip to points on the West Coast.

M. S. Karmany and sister and niece, Mrs. Stanley Bruce and Miss Margaret Bruce, of Lebanon, Pennsylvania, visited in San Antonio over the week-end with relatives and friends.

Be wise—advertise.

Scenes and Persons in the Current News

1—Miss Jeanette Rankin, former congresswoman from Montana and now associat. secretary of the National Council for the Prevention of War, pictured as she addressed a meeting of the body recently and pleaded for American abstinence from foreign disputes. 2—Defenders of Shanghai repelling a Japanese attack on the city. 3—Herr Von Stohrer, newly appointed German ambassador to the insurgent government of Spain (left), shown as he acknowledged cheering crowds at Salamanca, Spain, with the Nazi salute. General Franco, who received the new envoy's credentials, is shown at his right.

Monthly Meeting Of Health Group Held in Ballinger

A meeting of the Runnels County Health Association was held here Tuesday afternoon with representatives from 20 communities in the county present. Miss Beulah White, county health nurse, presided over the meeting in the absence of the chairman, E. C. Grindstaff.

A feature of the program was a dissertation by Mayor E. M. Lynn on tuberculosis.

A complete discussion was taken up regarding the methods to be followed this fall in the sale of tuberculosis seals and all present agreed to cooperate in the campaign from Thanksgiving Day until Christmas. An effort will be made to sell \$500 worth of the stamps in this county which is the quota assigned by the state association.

Miss White and other leaders will issue publicity on the campaign in the near future, to be continued until the actual sale is started.

Other health work underway at this time includes visits to schools by the county nurse, the annual inspections of the pupils, and preparing record cards of defects. Teachers will cooperate with the nurse in correction of defects in children attending their schools.

Mr. Grindstaff was prevented from attending the meeting because of the school inspections now underway in the county by the deputy state superintendent.

SWEEPING OF PAVEMENT HELPS DUSTY CONDITION

Business men, clerks and others who work downtown welcomed the sweeping of the streets by the city sanitary department Tuesday night. Following a full week's rainy weather with heavy traffic to drag mud upon the pavement, Sunday, Monday and Tuesday were very dusty in Ballinger as the slush dried and was powdered by cars.

The street sweeper was operated late Tuesday night and brought partial relief from this condition, but there is still considerable silt to be removed from the pavement.

PATIENTS IN HOSPITAL REPORTED IMPROVING

Frank Atwell, 70, local carpenter, sustained serious injuries last Friday while working on E. P. Talbot's new residence on Sixth Street. He fell from the top part of the structure, fracturing five ribs and puncturing a lung. He was taken to the Halley & Love Sanitarium for treatment and is reported to be resting as well as could be expected.

Other patients at the hospital this week include R. B. Smith, of Hillsboro, father of Mrs. E. S. Malone, who was operated on Monday. Mr. Smith, who is 83 years of age, is reported to be doing very satisfactory.

Miss Margaret Batts, who is attending C. I. A. Denton, visited her parents over the week-end.

Webbs Celebrate 57th Wedding Anniversary

Mr. and Mrs. John Webb, of Bethel, were guests at a surprise dinner Sunday, honoring their birthdays and 57th wedding anniversary, all dates appearing in October.

Gifts were received from the children and a number of friends, assembled in the Webb home.

Mr. and Mrs. Webb have been living in their present home for 33 years. They are still enjoying good health.

State Liquor Board Agents Make Raids And Get the 'Goods'

State liquor control board officers and Deputy Sheriff C. R. Hightower, of Winters, did a big business Tuesday afternoon when they confiscated 3 quarts, 14 pints and 77 half-pints of whiskey and an automobile.

The raids were staged at Winters where three men arrested possessed liquor. T. E. Vaughn was found with 21 half-pints, Joe Vaughn had 20 half-pints, and W. A. Reeves 3 quarts, 14 pints and 36 half-pints.

Joe Vaughn entered a plea of guilty Wednesday morning and was fined \$100 and costs. T. E. Vaughn entered a plea of guilty to the case filed following the raid Tuesday afternoon and also to one pending on the docket of county court and was assessed a fine of \$100 and costs in each case. Reeves pleaded guilty, was fined \$100 and costs, and remanded to the county jail here until the fine is paid or worked out.

Agents of the state liquor control board stationed at Abilene "called" in Ballinger and Winters Saturday and as a result filed

(Continued on page 12)

Construction Begins On Antelope Creek Bridge Near Dale

Construction of a steel span bridge across Antelope Creek southeast of Winters in commissioner's precinct No. 2 was commenced Wednesday. The WPA approved this project some time ago, the government providing \$8,990.80 of the cost and the county \$4,571.71. The county is sponsor of the project.

Sam Davis, county engineer, will be in charge of the work for the sponsors and a crew of 75 men will be employed.

The structure includes a 70-foot steel span and approaches and also provides for the surfacing of two miles of road near the bridge with caliche.

The bridge is located in the Dale community on a road that is used by a large number of people. It has been considered for some time and the county sponsored the job to provide a crossing on the road where high water frequently holds up traffic.

Runnels Leading County in Cotton Ginnings for Area

Runnels county was leading all West Texas counties in cotton ginned when the last official report was compiled on October 1. Since that date ginning in this county has slowed down due to weather conditions and this week local cotton men estimated production to the present at 50,000 bales.

On October 1 ginnings in this county totaled 36,766 bales, the most reported by any West Texas county. Jones county was in second place with 20,583 and Taylor came third with 18,028 bales.

Last week little cotton was ginned because of rain and cold weather. All gins did some work, however, and steady operations are expected as soon as most of the pickers get back in the fields.

Below is a comparative report, on October 1, from 24 counties in this part of Texas:

County	1937	1936
Brown	3,060	1,843
Callahan	2,176	1,926
Coke	3,710	870
Coleman	13,052	8,400
Concho	10,540	2,713
Eastland	590	298
Fisher	14,459	6,120
Howard	5,404	1,449
Jones	20,583	12,740
Lubbock	5,285	2,827
McCulloch	12,024	4,896
Martin	3,088	483
Mason	221	15
Menard	553	91
Midland	707	365
Mitchell	11,615	3,439
Noian	11,273	4,421
Noian	1,803	none
Runnels	36,766	16,268
San Saba	3,595	723
Schleicher	3,199	443
Scurry	9,704	4,676
Taylor	18,028	12,991
Tom Green	13,810	827

DEADLINE IS EXTENDED TO OCTOBER 30 FOR FILING COTTON SALES CERTIFICATES

The time has been extended for turning in cotton sales certificates to the county farm agent's office. Cotton sold any time before October 15 must be reported and certificates filed by October 30. Farmers selling cotton any time after October 15 will have 15 days in which to file sales certificates.

There are many farmers in the county who were unable to file certificates within the first time limit set because the blanks did not arrive in time. Thomas B. Hill, conservation assistant, urges farmers to take notice of the time extension and file these papers as soon as possible. All sales certificates must be filed in order for farmers to be eligible for subsidy payments.

Bill Ruhmann, who had been in charge of construction for an irrigation project near Eagle Pass, was here the first of the week to visit relatives and friends. He left Wednesday for Lubbock, his company's headquarters, and will go from there to Brownsville to supervise another project.

Miss Earlene Webb, 11-year-old daughter of Mrs. Aurelia Webb, was operated on at the Halley & Love Sanitarium Friday. She is reported to be improving.

Winners at County Fair Announced by Judges

Ballinger business men assembled in a mass meeting Monday afternoon and heard a report on the Runnels County Fair. A motion was voted asking that an effort be made to raise about \$1,200 to take care of bills due at once which include operating expenses for the 1937 fair plus insurance premiums and to try to arrange programs and benefits later to provide cash for the premiums that must be paid.

More than \$700 was subscribed at the meeting and committees were named to contact the other business men who were not present at the mass meeting.

As soon as the pressing bills are paid another meeting will be held to determine what will be done about other outstanding indebtedness of the association and to discuss the future of the exposition.

The 1937 Runnels County Fair came to a close Saturday night after five days and nights of almost continuous bad weather. One of the best expositions ever planned in this county was ready for the visitors who did not come on account of wet and cold weather.

A meeting of the executive committee held Sunday afternoon disclosed that the association was far in the "hole" and a mass meeting of business men was held Monday afternoon to fix precisely the deficit and appoint committees to raise the money needed to take care of pressing obligations. Other plans are to be made later for liquidation of the entire indebtedness.

Friday afternoon, when the weather permitted many school children to come here for the 2 o'clock parade, saw the best attendance of the entire celebration. The students formed by school units on the court house lawn and the Ballinger Cherry Band led them through the business district while several thousand people watched the marchers. All children in the parade were admitted to the fair grounds free and rides on the midway did a heavy business for a short time.

The line of march included the following school groups: Runnels, Crews, Content, Maverick, Bethel, Rowena (band and students), Dry Ridge, Hagan, Benoit, Barnett, Mazeland, Marie, Winters (pep squad and drum corps), Millar, Spring Hill, Gruenwald, Offen (and 4-H club boys), Ballinger (pep squad, drum and bugle corps), Ballinger (junior high school pep squad), Drasco, Franklin; and cars of business firms.

Baby Show

A feature at Fair Park Friday afternoon was the annual baby show in which were entered approximately 60 girls and boys from 1 month to 2 years of age. The babies were registered and given numbers and three out-of-town judges spent some time in selecting the best two girls and best two boys on a score card specifying attractiveness only. Winners were awarded blue and red ribbons and taken to the stage in front of the grandstand and introduced by Miss Gertrude Avery to the audience. Winners were:

Boys—First, Jimmie Clyde Putman, of Miles, 16 months old; second, Benny Rogers, Jr., son of Mr. and Mrs. B. L. Rogers, of Fourth Street, Ballinger, 6 months. Girls—First, Patsy Jo Killingsworth, daughter of Mrs. Marie Killingsworth, Thirteenth Street, Ballinger, 17 months; second, Margaret Lynn Sturges, daughter of Mr. and Mrs. J. C. Sturges, Jr., Ballinger, 18 months.

No twins were entered in the 1937 show.

Community Booths

Offen, first; Bethel, second; Content, third; Crews, fourth; Miles, fifth.

Tuberculosis Seal Sale to Commence Here November 25

Miss Helen LeLachur, of the Texas Tuberculosis Association, was in Ballinger three days last week attending the Runnels County Fair and conferring with local health leaders regarding the tuberculosis seal sale to be held this fall.

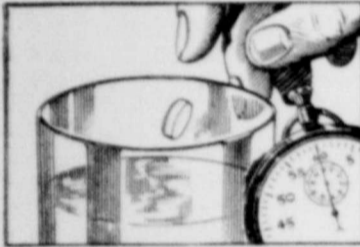

Miss LeLachur made plans for an essay writing contest in the schools of the county and this will start about one month prior to the date of the seal sale in order to create interest. Motion picture trailers will be used by the theatres in the county, placards and posters will be displayed in windows and everything done to interest people in buying seals and helping to take care of the county quota of \$500.

The actual sale will start on Thanksgiving Day and will continue until Christmas or until the goal is reached. In the larger towns the sale will be conducted through the mails, a number of seals being mailed to firms and individuals asking them to remit for the number they receive. In smaller communities the sales will be conducted through the schools, pupils being issued seals to sell.

E. C. Grindstaff, county health chairman, will perfect plans for the sale as soon as the county committee meets.

READY TO BRING YOU RELIEF IN MINUTES

THE REASON BAYER ASPIRIN WORKS SO FAST

Drop a Bayer Aspirin tablet into a tumbler of water.

By the time it hits the bottom of the glass it is disintegrating.

This speed of disintegration enables genuine BAYER Aspirin tablets to start "taking hold" of headache and similar pain a few minutes after taking.

YOU can pay as high as you want for remedies claimed to relieve the pain of Headache, Rheumatism, Neuritis, Sciatica, etc. But the medicine so many doctors generally approve—the one used by thousands of families daily—is Bayer Aspirin—15¢ a dozen tablets—about 1¢ apiece.

Simply take 2 Bayer Aspirin tablets with a half glass of water. Repeat, if necessary, according to directions.

Usually this will ease such pain in a remarkably short time. For quick relief from such pain which exhausts you and keeps you awake at night—ask for genuine Bayer Aspirin.

15¢ FOR 12 TABLETS

virtually 1 cent a tablet

Carsey Presented With Wrist-Watch By Local Friends

H. H. Carsey was here from Rusk Saturday to load his household goods and move his family. He spent most of the afternoon here visiting friends and attending to business.

A group of friends who have been associated with him for the past fourteen years gathered at his home on Eleventh Street Saturday afternoon and Chester Cherry was the spokesman at the presentation of a special order wrist-watch. The watch is unique in design, a 17-jewel Hamilton with a music lyre engraved on the back and the band fastening is a treble clef sign. On the face of the watch the letters "H-o-m-e-r H. C-a-r-s-e-y" take the place of figures around the dial.

Mr. Carsey is making fair progress with the high school band at Rusk and has 35 members at the present time and another group starting. He stated while here that he missed his Ballinger boys and complimented them as one of the best playing and reading groups he knew of in the state.

Mr. and Mrs. Carsey and baby left Saturday night for Rusk where they will make their future home.

Students Will Ride Special to Dallas; Fare is Only \$2.40

Papers in this section erred last week in publishing a second reduction in rates for the special train to the Pan-American exposition, Dallas, this week-end. The round-trip fare remains \$2.40 from Ballinger and return, but the front gate admission charge at Dallas has been cancelled and students can obtain meals on the grounds, lodging, and a view of the most important events for a minimum of \$1.75.

The special will be made up at San Angelo next Saturday morning for passengers from this part of Texas, leaving Ballinger at 6:29 a. m. and arriving at Dallas soon after noon Saturday. Those on the excursion will remain at Dallas until 9 o'clock Sunday night and will arrive in Ballinger at 7 a. m. Monday.

School teachers in this county are giving this information to their pupils and a large group is expected to ride the special from here Saturday morning. The reduced fare applies to adults as well as school children. A special official of the Santa Fe spent several days here this week making arrangements for the special train and will be on it Saturday to look after the excursionists.

Special features will be staged on the Pan-American grounds Saturday and Sunday for those who visit the exposition then.

CREWS SCHOOL NEWS

Two weeks of school have passed at Crews and as the county fair is over most of the students are attending regularly.

Basketball practice started the first week of the term and now both boys and girls are in fair shape to play ball. Five lettermen are returning for the boys' team. They include Herbert Martin, Carl Faubion, Haeward Morrison, Troy Rainwater and Jesse Ray Klutts. Martin has lettered three years, Morrison, Rainwater and Faubion two years, and Klutts one. Games will be sought for this week.

The officers of the junior and senior classes have been elected. The senior officers are Herbert Martin, president; Sylvia Bradley, vice-president; Jostion Stacy, secretary-treasurer; and Elvin Mathis, reporter. The junior class officers are Norene Rainwater, president; Eldred Davis, vice-president; and Naomi Berry, secretary-treasurer.

The faculty members this year include Miss Nettie Landrum, teacher of the first and second grades; Miss Bodine, teacher of the third and fourth grades; and Mrs. Colburn, instructor of the fifth and sixth grades. Others are Miss Berry, teacher of high school Spanish and English; Mr. T. J. Whitley, and Mr. W. T. Gassiot, superintendent.

Crews high school is not looking for this year to only be among the best in its history, but its best year.

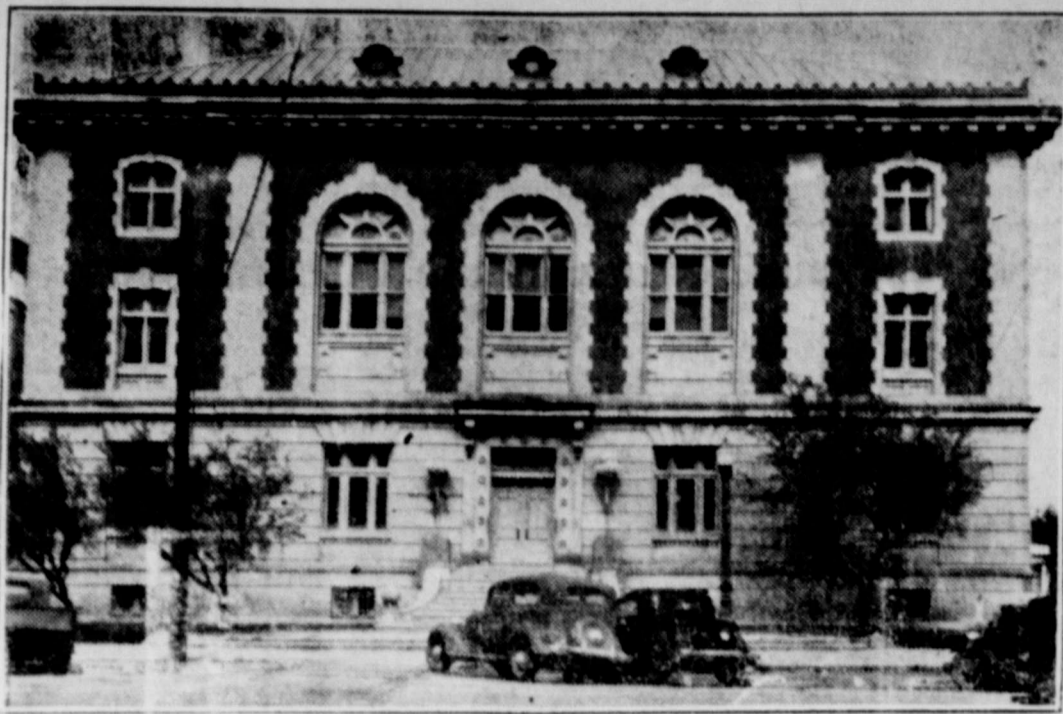

Salesman: "This typewriter will revolutionize the industry."

Customer: "How?"

Salesman: "Look at the adjustable mirror, powder compartment, manicure set built in, and a hide-away for chewing gum."

Abilene Offices for W. T. C. C.

The offices of the West Texas Chamber of Commerce did not open Monday due to a temporary injunction issued Sunday at Haskell restraining D. A. Banteen, manager, from removing the headquarters from Stamford to Abilene.

The directors of the organization voted Friday to move headquarters from Stamford to Abilene and the former federal building at the latter place was accepted for the new offices. The building under five-year lease to the city of Abilene, was tendered to the West Texas Chamber of Commerce officials for larger and permanent quarters. Negotiations were also started to purchase the building. The Abilene Chamber of Commerce also agreed to provide \$5,000 for renovations.

Date for hearing on the temporary injunction was set on November 15.

CHEVROLET DEALERS INSPECT NEW MODEL

M. S. Patrick, Jim Townsend and Floyd Wade returned from Dallas Saturday after attending a state meeting of dealers to inspect 1938 model Chevrolets. Mr. Patrick was well pleased with the new car and will have several models on display at the show room Saturday, October 23.

Many improvements are listed among the changes on the 1938 model and Mr. Patrick invites the public to see the new cars Saturday. He will unload a full carload this week-end and have them

ready for their first showing in Ballinger.

Silver Tea

The Philathea Class of the First Methodist Church will hold a silver tea and bazaar at the home of Mrs. R. W. Earnshaw in Wilke Terrace on October 22, from 3 to 5 p. m. Everybody invited to attend.

PAUL PETTY SPEAKER AT ROTARY LUNCHEON

Paul Petty was the speaker at the Ballinger Rotary Club luncheon Tuesday, talking on the life

of Paul Harris, founder of Rotary. A recent book written by Mr. Harris on "This Rotary Age" provided material for a very interesting address.

Frank Flynt was received as a new member of the club and has been assigned to the membership committee for the remainder of the year.

The club will not meet next Tuesday noon but will attend a Halloween party at the Ballinger Country Club for the members and their families Tuesday night. E. Shepperd and Frank Pearce will be in charge of this program.

Sales Books at Ledger office.

AUTO REGISTRATIONS GAIN IN SEPTEMBER

AUSTIN, Oct. 20.—Registrations of new automobiles in Texas during September increased moderately over the like month last year, but declined sharply from the preceding month, according to the bureau of business research of the University of Texas. Sales in the intermediate price group made the best relative showing.

Reports to the bureau from fifteen representative counties give total sales of 4,698 cars, an increase of 4.5 per cent over September last year, but a decrease of 18.1 per cent from the preceding month.

Aggregate sales during the year

to date for the fifteen counties were 51,088, a decline of 2.6 per cent from the corresponding period a year ago.

McKAY RETURNS

Jack McKay, principal of the Ballinger junior high school, returned here Saturday and began his duties Monday morning. For a while he will be at the school during the mornings and away in the afternoons but hopes to start regular full-time work next week.

Idaho has established a 40-acre bird farm near Jerome, which is expected to furnish 10,000 pheasants annually for bird hunters.

In hot weather you can tell the temperature by counting the number of times a tree cricket chirps per second—by a watch—and adding 40 to the number.

Making the grade

GROW children with an abundant energy usually do make the grade . . . and with ease.

Every thoughtful mother recognizes this fact . . . mothers know too that children need help to build and maintain blood strength.

Particularly is this true with those who have suffered some illness or who look pale . . . tire easily . . . are underweight . . . or have lost their zest for food.

S.S.S. Tonic is especially designed to build-up children's health through the red-blood-cells, thus putting them in better condition to enjoy the food they eat and to regain lost weight . . . all which make for greater strength and vitality.

Help your child to "make the grade" by starting him or her on a course of S.S.S. Tonic now. There is no substitute for this time-tested remedy and no ethical druggist will suggest something "just as good."

Bearcats Trounce Rising Star Team In Fast Grid Game

The Ballinger Bearcats showed a large crowd of fans last Friday night that they are through training and down to the business of playing football to win. The locals looked so different in the game with the Rising Star eleven that fans could hardly believe the team was the same that met Roscoe two weeks before. Their performance at Cross Plains the week before proved that there had been much improvement and last week they demonstrated they had the drive to score almost at will. The final score was 26 to 0.

With May back in the game the running attack was greatly improved and with Morris in the game at the tailback position the passing attack was dangerous. All men came out of the game in perfect condition and with another week's work should be even better by tomorrow (Friday) night when they meet the Santa Anna Mountaineers.

There were no stars last Friday night, the entire Ballinger aggregation playing the fast Rising Star team off its feet from the first to the last whistle. Twice Barnett leaped high in the air to take a pass from Morris and with good interference ran the remainder of the field for a touchdown. May and Powers showed plenty of drive in running plays with Powers figuring on the receiving end of several neat passes. May took the ball over for one touchdown and Powers for one. May added one extra point by a kick and Powers carried it across the line for another. Fritz was the only Bearcat not

ready to go last Friday. He started the game at guard but was hurt on the first play when his knee went out and he was carried from the fray.

The Santa Anna Mountaineers will be here tomorrow evening to meet the Bearcats in a conference game. The gates at Bearcat Field will open at 7 o'clock, the band and pep squad will go into action at 7:30 and the game will be on at 8 o'clock.

BALLINGER SCHOOL NEWS

By Kathryn Bell

"Corrida de Torros"

The chapel program Friday, conducted by the Spanish classes and Miss Metcalfe, was a presentation of a bull fight, "corrida de torros." The scene was laid in an arena in Spain. The torreador, Dick Holstead, was fighting the bulls, played by Cecil ("Red") Carter and Roy Gressett, to entertain the queen of the fiesta, Sid Reese, and the president, Tony Nixon.

After the fight Willie Mae McMillan played a few numbers on the piano and the Spanish classes sang a group of Spanish songs "A Donde?" and "La Cucaracha."

Tribute to Football Boys

Both Mr. Stowe and Coach Wright paid tribute to the Ballinger football team in short talks Friday morning.

Mr. Stowe complimented the players on their victory over Cross Plains and expressed again the school's loyalty toward them.

Coach Wright, in paying tribute to the boys, said that they were ready for victory because they were really fighting and playing clean football!

Junior Class Meeting

The junior class met Monday afternoon for the purpose of electing class officers. The officers chosen were: Cordelia Lynn, president; Ralph James Erwin, vice-president; Mary Jo Webb, secretary-treasurer; and Ann Kiechle, reporter.

The junior sponsors were selected at the first of school and are Miss Metcalfe and Coach Wright.

Inferiority Complexes

By Cecil ("Red") Carter

I used to be a timid little boy until—until what you're wondering. Well, it's a long story and it has a good moral. You know timid people are always blushing, gulping, stuttering, giggling, and at the dinner table they always get the empty platter of meat or bowl of beans. This is because they do not have the nerve to grab the beans before anyone else does. Now that's a serious problem—when you don't get enough to eat—no, wait, I'm getting off my subject. It's a serious problem when you're so timid you let everybody "run over" you. (Eating's important too, though) Now, for the secret of my success: I used to be a timid little boy until I reached 185 pounds; now I'm not timid any more. Why should I be? I just said to myself, "Are you a mouse or are you a man?" Then I grabbed the beans and lost my timidness.

Where's That Birdie?

Frances McKay has gone and done it—congratulations to her husband.

Jean has on her hunting cap; better be careful boys.

Are you still asking for donations for that worthy cause, Fred?

We hear that "there's something about a soldier" that Melvin doesn't like.

The question has arisen, who really likes who in this school? A certain Jr. girl wants to know.

FAIR WEEK CROWDS REPORTED ORDERLY

Ballinger and Runnels county peace officers stated that "the situation was rather quiet" in Ballinger last week while the fair was in progress. No drunks were arrested, no gambling games were raided, no arrests were made for traffic violations and only one theft was reported.

Emil Kloesel, of Rowena lost his 1928 Chevrolet from the fair grounds Friday night but the car was recovered near town later in the week.

Secretary-Manager J. D. Motley stated that all articles were checked out of the fair buildings with nothing missing and that night watchmen at the park reported no disturbances of any nature.

No house prowling was reported by local citizens and merchants had no cases of shoplifting this week.

Extra police were employed last week and fair officials had special guards on the grounds to patrol at night. County officers were on the job at all hours and state highway patrolmen were here to assist with traffic on parade days.

Miss Bitsie Lynn, student of Hardin-Simmons University, Abilene, was here for a visit with her parents Friday and to attend the Ballinger-Rising Star football game that night.

The Great American Home

HIGH SCHOOL DEBATE SUBJECT ANNOUNCED

AUSTIN, Oct. 20.—Schoolboy and schoolgirl orators will debate the question of making the Texas legislature a unicameral body as this topic forms the 1937-38 subject for the Texas interscholastic league debate tournament. A bulletin entitled "Texas Legislature: One House or Two" has been prepared by Dr. Joe M. Ray, former instructor in government at the University of Texas, and has been published by the university bureau of public school interests, which is the state executive office for the league. This bulletin contains both affirmative and negative briefs on the subject, and reading material on both sides, including statements from members of the Texas legislature, articles by authorities on government, and

newspaper and magazine editorials.

BALLINGER ROTARIANS AT INTERCITY MEETING

A large number of Ballinger Rotarians and their wives went to San Angelo Thursday night to attend an intercity meeting and attend a program featuring a number of celebrities from Mexico and sections of the Rio Grande Valley. Mexican dancers were brought by the Mexican delegation to take part on the program. There were delegates from a number of West Texas clubs for this meeting.

Superstition holds it to be a harbinger of good luck for a bride to be carried across the threshold by the bridegroom, as they enter their home for the first time.

SPORTS

Doc Sellers, editor of the Rising Star Record, was here with the Indians Friday night. After the football game he commented that his team had received "a good country licking." Doc is a real sport and never misses a game at home or away.

Referee Clyde Pratt, of San Angelo, formerly coach of the Winters Blizzards, complimented the Bearcats by saying he had never seen so much improvement in a team in two weeks and rated the local club as the No. 1 team in the district today. He stated that such playing as shown last Friday night would have told a different story at Brady a month ago.

Coaches Wright and Gibbs are letting up on the scrimmage this week and will try to perfect the few remaining flaws in blocking and to add more punch to the overhead game. Passes clicked good last Friday night but new plays will be given to develop a touchdown threat in every heavy.

Billie Jack May revealed plenty of power in his drives from the tailback position and with the blocking of Roe, Cox and Powers ripped off some fine gains. The

entire Ballinger forward wall w in the game all the way and to big holes in the opponents' line

While the Santa Anna Mountaineers come to Ballinger tomorrow as the underdog, this team has always been hard for Ballinger to beat and our coaches are not expecting a set-up. The Mountaineers have taken a number of severe beatings this season but the team has been developing fast and held the powerful Winters Blizzards to two touchdowns last Friday.

The junior high school eleven took a whipping at the hands of the Bronco team Friday afternoon 21 to 0. The Ballinger boys were badly outweighed in the game and the weight advantage made it impossible to stop the Bronco running attack.

The Philathea Class of the First Methodist Church will hold a silver tea and bazaar at the home of Mrs. R. W. Earnshaw in Wilke Terrace on October 22, from 3 to 6 p. m. Everybody invited to attend. 7--3t

ROBINSON TO MENARD

Hugh Robinson, for the past several months with The Ledger has accepted a position with the Menard News and reported there Monday morning for work.

Don't put it off--!

Pain is nature's warning that all is not well. Unusual health disturbance or physical discomfort is a summons to be heeded. Gastric ulcers too often are neglected at their curable stage. Digestive disorder should impel you to consult your physician. His prompt diagnosis and wise prescribing may save you immeasurable discomfort. Postponing diagnosis invites a grave condition.

A Word To The Wise ALKA-SELTZERIZE

Millions of users feel that they get quicker, more pleasant, more effective relief from ALKA-SELTZER than from old-fashioned unpalatable preparations. That's why ALKA-SELTZER is more in demand than almost any other single item in the average drug store.

We recommend ALKA-SELTZER for the relief of Gas on Stomach, Sour Stomach, Headache, Colds, "Morning After," Muscular Pains, and as a Gargle in Minor Throat Irritations.

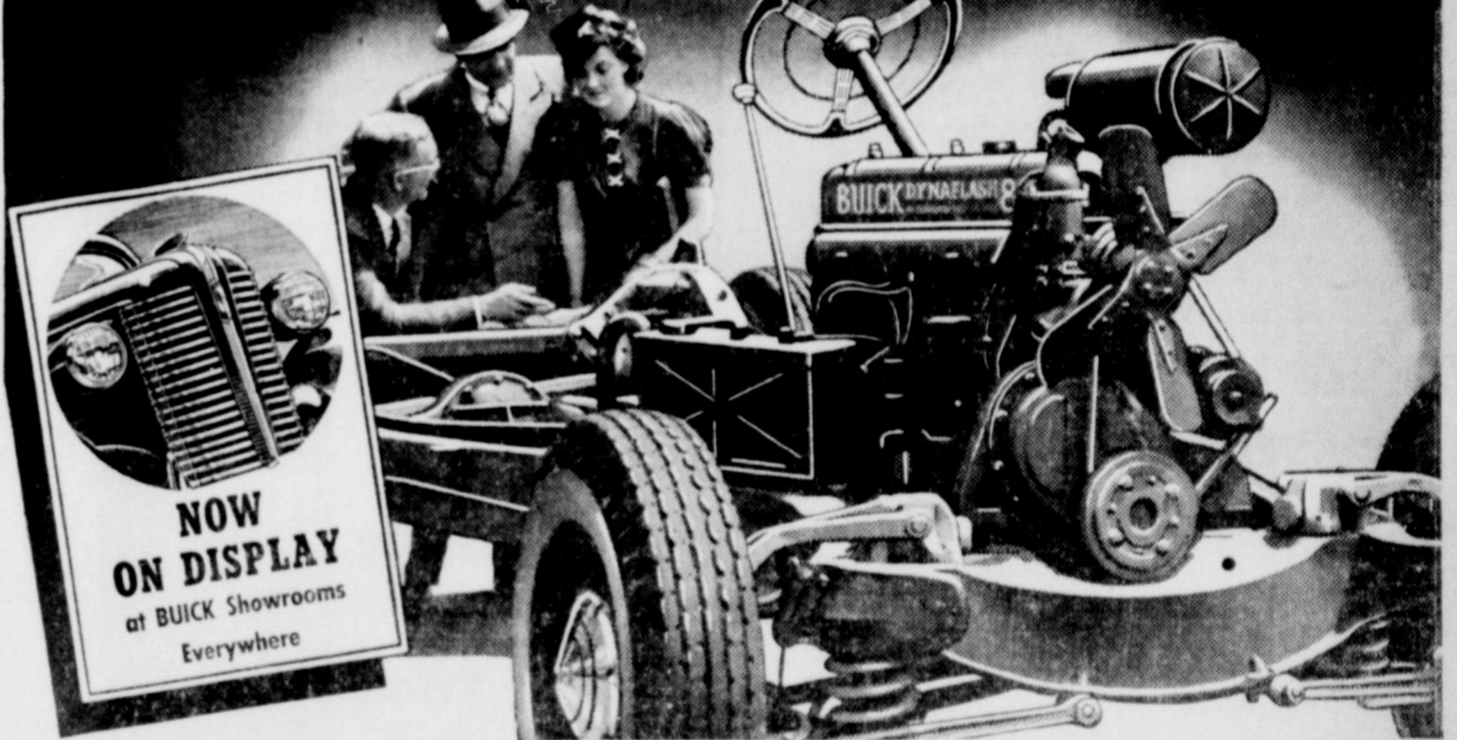

We really mean it. Use ALKA-SELTZER for any or all of these discomforts. Your money back if it fails to relieve.

In addition to an analgesic (Acetyl-Salicylate of Soda), each glass of ALKA-SELTZER contains alkalis which help to correct those everyday ailments due to Hyper-Acidity.

In 30¢ and 60¢ packages at your drug store.

Alka-Seltzer

GENTLEMEN, WE GIVE YOU THE MOST MODERN CHASSIS IN THE WORLD

Under the new beauty of Buick, modern engineering makes history, co-starring the DYNALASH ENGINE and TORQUE-FREE SPRINGING

WHAT HAPPENS inside the 1938 Buick engine happens nowhere else in the world.

That is not advertising language, it is cold-steel engineering fact.

Speeding through the raceways of the intake manifold, the fuel mixture vapor hurricanes into the cylinders at speeds around 250 miles an hour.

As it sweeps past streamline valve contours, a scientifically designed Turbulator, built into the piston face, flings it into airwhirls of terrific turbulence.

The spark that leaps through that compact storm-center sets off a flashing cyclone of power, exploding with tornadoic force!

Sitting in the driver's seat you become aware of power that is livelier and more brilliant because gasoline is giving up more performance than it ever gave up to motorists before!

TO MATCH this incomparable stride, Buick engineers now give you a kind of springing you will likewise find on no other car in the world.

Poised on jarless coils of easy-flexing steel, Buick floats free of bobble, jar, chatter, jounce.

The car will not over-steer or under-steer—skidding, even on icy highways, is blessedly reduced.

Rear tires no longer scuff half their life away through power-wasting wheel-slip.

Through winter and summer, without need of grease and without "seize" from rust, dirt, water or ice, springs keep their gentle, even cushioning for the life of the car.

YES, IT IS a great story, the story of these twin engineering triumphs in the 1938 Buick.

So great a story that it obscures half a score of other advances, themselves enough to make any car a wonderful buy.

We invite you to learn more about them this week at any Buick showroom.

"Better buy Buick!"

YOUR MONEY GOES FARTHER IN A GENERAL MOTORS CAR.

Barnett Auto Co.

Alice Faye, Don Ameche And Ritz Bros. to Texas

Tubercular Sale to Here!

Miss Helen Texas Tubercular was in Ballinger week attend County Fair local health tuberculosis this fall.

Miss LeLac an essay was schools of will start ab to the date order to of picture trail theatres in and posters windows an interest-est and helping county quot

The acti Thanksgiv time until goal is re towns the through th seals being individuals for the n smaller not be conduct pupils beir E. C. G chairman, the sale i committee

Rhythm, sweet, tremble and low-down; catchy song hits by Gordon & Revel; scrumptious girls; a parade of personalities headed by Alice Faye, the Ritz Brothers, Don Ameche; flying fiddles, honey crooners and hot trumpets; dancing feet like rain on the roof; and the insistent antics ever from the Ritzmaniacs—20th Century-Fox includes everything for a smash hit in "You Can't Have Everything," singsational new musical show to be presented at the Texas Theatre next Saturday midnight in preview, also Sunday and Monday.

All the uproar, the swing, the brilliance, and the freshness expected from the entertainment-makers who produced "Sing, Baby, Sing," "Thanks a Million," "On the Avenue," "One in a Million," and "Wake Up and Live" is topped by a galaxy of featured talent, which also includes Charles Winniger, Louise Hovick, Rubinooff and his violin, Tony Martin, Arthur Treacher, Phyllis Brooks, Tip, Tap and Toe, Louis Prima and his band and Tyler Brooke.

A perfect example of his concept, proved at the box-offices again and again, that entertainment in its strictest form is the most successful, "You Can't Have Everything" is a swiftly-paced show in Darryl F. Zanuck's best manner. Every entertainment element finds its ideal niche in this gay screen play.

Rubinooff's facile violin starts the story off on a mad, musical career by serving to introduce Alice Faye, a hopeful young playwright penniless in New York, to Don Ameche, successful author of bright and fragile musical comedies.

To further his romantic aims, Ameche has Charles Winniger, his producer, buy Miss Faye's tragedy, which the Ritz Brothers proceed to adapt, with considerable blue-penciling, into a rowdy farce.

A steady round of singing, dancing and comedy intersperses the light action to produce a well-rounded gem of fun and amusement.

Homespun Wit Just Half the Comedy in Will Rogers' "Handy Andy"

When Will Rogers, retired small-town druggist, sets out to play so he can go back to work, lightning-paced action, comical capers and bright young romance amide the carnival excitement of the New Orleans Mardi Gras is the hilarious rule in "Handy Andy," Twentieth Century-Fox picture returning by demand to the Texas Theatre tomorrow (Friday) and Saturday.

There's a method, however, in the erstwhile laconic comedian's venture into broad humor. The more he enters into the spirit of the New Orleans Mardi Gras, which is the background for some of the more hilarious sequences, the more chance there is for Robert Taylor's romancing. Consequently Will doffs for a few execratically funny moments his quiet demeanor to insure happiness for his daughter, played by Mary Carlisle.

The story opens when the easy-going pharmacist is nagged out of the work that is such fun to him by his social-aspiring wife, Peggy Wood. He finally quits, to become a pest around the house and a scare-crow on the golf course, where his attempts to learn the game rival his most hilarious moments.

Not satisfied with home-town society, although she is trying hard to marry her daughter off to the unattractive son of the leading family, the wife gets an invitation to visit snooty friends in New Orleans, and succeeds in taking her rebellious husband there only when he realizes that the trip will leave the coast clear for the real romance between his daughter and Taylor. The Mardi Gras spirit does something, however, to Will's normally stable spirit, and it is a wild conclusion that sends him back to his prescription counter and smooths things for the young couple.

No Treat to Her
Miss Gigglegum (single and romantic): "The shower of soot and ashes from Vesuvius must be an awe-inspiring sight. Would you not like to witness it?"
Mrs. Pottson Pans (married and prosaic): "Oh, I don't know—I've seen my husband take down a stovepipe."

Mark your butter with a rubber stamp. Inquire at Ledger office.

Caesar Sings a Song of Safety

FROM "Tea for Two" to Safety for All, is a nutshell history of Irving Caesar, Broadway song writer. For the man who wrote the lyrics for "No No Nanette," the most successful musical comedy in all history, has just written a book of songs for children called "Sing a Song of Safety" that kids will be singing and singing all over the country.

Just forty-two this summer, Caesar is a natural leader, east side who liked to write little verses, Caesar has risen to membership on the board of directors of the American Society of Composers, Authors and Publishers. Caesar is also President of the Songwriters Protective Association.

Irving Caesar never dreamed of songwriting fame as a youngster. He wanted to be an automobile magnate—a Henry Ford or a Chrysler. But one night he was riding along Riverside Drive on a bus with the late George Gershwin, who had been his chum from boyhood. Looking at the Hudson River, Caesar romanticized it into another river and suggested "Swanee" as a title for a song. Gershwin applauded and before long the two had written a song that was to be one of the hits of the generation. The automotive industry faded into the background and Caesar took to writing songs seriously. Years later he saw the Swanee River for the first time and was glad that he hadn't seen it before he wrote his song with Gershwin.

Psychologists find that small brothers and sisters are most apt to be jealous of one another; if there is a year and a half to four years difference between their ages.

SOUTH BALLINGER HOME DEMONSTRATION CLUB

Officers for next year were elected when the South Ballinger home demonstration club met in the home of Mrs. C. C. Lacy Tuesday, October 19.

Reports were given by the secretary and council delegate. Reports from club members of their achievements of the year were given to the yard and bedroom demonstrators.

Officers for next year are as follows: president, Mrs. W. L. McAdams; vice-president, Mrs. C. C. Lacy; secretary, Mrs. Jones Sanders; council delegate, Mrs. George McMillan.

The hostess served cake and hot chocolate to eleven members and one visitor.

The next meeting will be Achievement Day, November 2, at the home of Mrs. W. L. McAdams, and from there the members will go to the home of Mrs. C. D. Harris, yard demonstrator.

A meek little man was walking home from his masterful wife's funeral. Suddenly a roof tile fell, striking him on the head.

"My," he said, "Sarah's got to heaven already."

LAST BIG PROBLEM OF FLYING SOLVED

Radio Beam Will Insure Safety in Bad Weather.

Chicago.—The dream of radio and aeronautical engineers that the day would come when it would be practical to land giant airliners filled with passengers down an invisible radio beam which would penetrate fog, snow, rain, or other bad weather has at last been realized. Radio communications engineers of the country's four largest airlines, at a meeting here, agreed that the sciences of radio and flying have advanced to the place where so-called blind landings now are practical. They wrote a specification for a standard instrument landing system which ultimately will be installed in key airports throughout the United States.

The engineers have had an instrument landing system such as they described in their specifications in actual operation for more than two years at Oakland, Calif. More than 2,000 landings by thirty or more pilots have proved it is sound.

How It Works.
This is how it works: A pilot flying the regular department of commerce radio range beacons arrives at a field which has the needed special equipment for the instrument landings. He tunes the special receiving sets in his ship to the ultra high frequencies of the "directional" landing beam.

Then he lets down through the clouds until his altimeter shows his altitude is 2,000 feet. Once there he aligns himself on the directional landing beam and flies along level until he passes through an outer marker beacon—a vertical radio ray—at a point five miles from the edge of the airport at which he is aiming.

There an electrometer dial on his switchboard is switched into operation. This instrument is connected with his two receiving sets and it has two needles which show a pilot his relation to the radio directional beam and to a curved landing beam sent out from a station on the airport.

The needles show when he is above or below the curved beam or to the right or left of the directional beam.

Ride Down on Beam.
Once in the proper position, the airman engages his automatic pilot (operated by gyroscopes) and then lets go the controls so that the sensitive mechanical instrument is flying the ship. The human pilot merely sits back watching the needles and making slight adjustments of the automatic pilot as need arises.

All this time, of course, the airplane is descending at a speed of approximately 90 miles an hour. When the ship arrives almost at the field it passes through a zone of signals emitted from a second and inner radio marker beacon.

The pilot simply sits back in his seat and lets the airplane follow the glide beam which flattens out over the field until the wheels touch the runway. Then he closes the throttles and applies his brakes.

Receipts in duplicate for all purposes. Ballinger Printing Co.

IN SOCIETY

Philathea Class Meets at Church
Methodist Philathea Class members were entertained in the Doss Bible Class room in the church basement on Tenth Street Monday evening by Mrs. Fred Woods, Mrs. J. L. Pape, Mrs. Cecil Jones and Miss Cora Hays.

Bowls and vases of dahlias, queen's wreath and ageratum were placed about the room where Mrs. Jack Nixon, Sr. presided over her first meeting. Standing committee appointments were read.

Mrs. Joe Morrison gave a brief devotional.

During the social hour Halloween appointments were used and pumpkin pie topped with whipped cream was served with coffee to: Mmes. Nixon, Gerald Black, R. W. Earnshaw, M. S. Patrick, Ford Taylor, Tom Agnew, George Killam, A. B. Legate, B. H. McLean, Robert Bruce, Ralph Payette, W. J. Morrison, Wilbur Redwine, M. L. Forgy, J. E. Smith, Lemmie Davis, Sam Behringer,

and Glenn Morrison.

Two New Members for Shakespeare Club

Mrs. Clarence Morton and Mrs. B. H. McLain were elected new members at the Shakespeare Club meeting held last Thursday afternoon. Mrs. Alex McGregor's resignation was accepted.

Mrs. Tom Agnew was leader for the second Pan-American program which included discussions on the value received by this country on the development of trade relations with Latin America by Mrs. W. B. Woody, the linking of the Americas by air by Mrs. O. T. Toney, and Pan-American air mail by Mrs. R. T. Williams.

Mrs. C. P. Shepherd gave a parliamentary drill and Mrs. Horace Murphy discussed correct pronunciation of proper names in the study of the Americas.

Pennsylvania Visitors Are Complimented

Mrs. Stanley Bruce and Miss Margaret Bruce, of Lebanon, Pennsylvania, house guests of Mr. and Mrs. M. S. Karmany, were complimented by Mrs. R. W. Bruce and Mrs. J. G. Douglass in the Bruce home on Broadway last Friday evening.

A Halloween theme was suggested in the floral decoration of the rooms, in the appointments for games of forty-two and in the refreshment plate.

Guests other than the guests of honor were: Mr. and Mrs. Karmany, Mr. and Mrs. R. T. Williams, Mr. and Mrs. W. A. Bridwell, Mr. and Mrs. C. P. Shepherd, Dr. and Mrs. W. B. Halley, Mrs. John Currie, Messrs. Bruce and G. O. Woodroof and Dr. Douglass.

Miss Batts Entertains Bachelor Girls

Miss Louise Batts entertained Bachelor Girls Club members and an added table of guests Tuesday evening in her home on Ninth Street.

Flowers in Halloween colors decked rooms and centered quartet tables with Halloween symbols used on all appointments for the serving of the plate of salads, sandwiches decorated as faces, popcorn ball men and coffee, preceding contract games. Mrs. E. F. Batts and Miss Eloise Mullins

assisted.

The capsule gift went to Miss Griffie Atkins. New members are Miss Arnead Howard, Miss Edna Mae Lowry and Miss Mary Jane Kiechle.

Others included: Misses Vhelma Parrish, Faye Clark, Vernie Downing, Bernice Simmons, Beulah White, Lillian Knowles, Eugenia Baskin, Genevieve Green, Faye McCandless, Cathryn O'Neill, Maurine Tipton and Fay Canady.

Mrs. Bruce Hostess to Class

Mrs. R. W. Bruce was hostess to the Workers' Class of the First Methodist Church school in her home on Broadway Tuesday afternoon.

Fall blooms decorated rooms where informal conversation was enjoyed following the regular business session.

Refreshments were served to: Mmes. John Currie, C. P. Shepherd, Ed O'Kelly, W. E. Midgley, John Loveless, W. E. Middleton, A. G. Ellis, A. T. Campbell, J. M. Tindall, Viola Allison, Jess Jones, W. W. Chastain, John Weeks, H. C. Lyon, D. R. Hall, Hamp Byler, J. M. Garlington, E. C. Baskin and Miss Alice Morgan.

Three Are Hostesses to Society

Mmes. G. P. Teague, J. H. Wilke and B. H. McCready were hostesses Monday afternoon to the Woman's Missionary Society of the Eighth Street Presbyterian Church in the Teague home on Eighth Street.

Mrs. C. H. Ward was leader for the program on Alaska and India. The devotional was given by Mrs. W. A. Taylor and discussions by Miss Lillian McMillan on "Developments of the Year in Alaska"; by Mrs. Eugene Crawford on "Our Missionary Work is Not Yet Finished"; by Mrs. Rufus Allen on "Developments in Christ's Kingdom"; by Mrs. Sam Malone on "Why Do We Move from Here?"; by Mrs. H. H. Halley on "Indian Cities Need Christ"; and by Mrs. Ray Hill on "Baskets Lead to Christ." Miss Mary Jo Webb gave a vocal solo and Miss Eva Lilly read the names in the Yearbook of Prayer.

Little Miss Mary Lou Crawford gave a reading and was joined by Fatsy Ruth Crawford and Nedra Glenn McCready in singing a song. The hostesses served hot chocolate and cake.

Others present were: Mmes. J. A. Ostertag, D. Oliver, Mary Spreen, Bill Frodeman, A. W. Sledge, Paul Petty, J. R. Holloway, E. V. Bateman, E. E. McVey, Johnnie Bennett and Phillip Bishop of Junction.

New York Visitor Honored at Dinner

Mr. and Mrs. Leonard Stallings honored their house guest, Austin Wilkinson, of New York, with an informal dinner party in their home on Eighth Street Sunday evening.

Zinnias and ageratum were combined for the dining room centerpiece. Places were marked for the guest of honor, Mr. and Mrs. Loyd Herring, Mr. and Mrs. Ford Taylor, Charles Hambrick and the hosts.

Mr. and Mrs. Herring were hosts on Saturday evening to compliment Mr. Wilkinson, who left Monday for Brownwood to visit relatives before returning to New York.

Philathea Class to Have Benefit Tea

The lovely new home of Mr. and Mrs. R. W. Earnshaw in Wilke Terrace will be the scene of a benefit silver tea Friday afternoon from three to six o'clock. The affair is being given by the Methodist Philathea Class.

Junior Woman's Club Has First Program Meeting

"China Today" was the subject of the first program meeting of the Junior Woman's Club Wednesday afternoon. Roll call was answered with Chinese customs. Mrs. J. A. Killough gave a paper on "The Sister Dictators," and Mrs. Thomas B. Hill's subject was "China is My Job." Clara Beth Lynn gave a piano number.

Mrs. E. C. Grindstaff was in the chair for the business session and appointed the following committee members: program—Mrs. Layne Moreland, Miss Carmen Demmer and Mrs. George Stowe; executive—Mrs. Ernest Moody, Miss Maurine Tipton and Mrs. J. H. Endacott; press—Mrs. Rothal O'Kelly, Miss Eugenia Baskin and Mrs. Tommie Hall; social—Mrs. H. G. Agnew, Mrs. J. A. Killough and Mrs. LeRoy McAuley; community enterprise—Mrs. J. D. Eoff, Miss Myra Tankersley and Mrs. L. C. Daugherty.

DANCING TEACHER TO OPEN STUDIO IN BALLINGER SOON

Mrs. Doris Pearce, of San Angelo, was here this week making arrangements to open a dance studio in Ballinger. She secured a place in the old Carnegie Library building and is ready to organize classes and begin teaching. Instruction will be given in ballroom, ballet, tap and acrobatic dancing and all interested are invited to see Mrs. Pearce at once and arrange for lesson periods.

Get the Opinions Of Those Who Know!

The time to select a funeral director is, of course, before the moment of need. The best source of information is any reliable friend who has personal, first-hand information on the subject. We urge you to judge our service by the honest opinions of those we have served.

HAS YOUR ADDRESS
CHANGED RECENTLY?

Ledger subscribers are requested to notify the publisher of any change in their addresses promptly. Under the new postal laws newspapers and periodicals must pay postage due for notices of any change in addresses furnished by the postoffice. Besides, there always is the probability that your paper will be delayed or fail to reach you altogether if you do not give immediate notification when you move. The best plan for all concerned is to send the change of address in advance.

New York's \$24,000,000 Highway Opened

An elevation view of the traffic circle and fountain at Seventy-ninth street, New York city, showing part of the superhighway that is a big feature of the \$24,000,000 improvement project on Manhattan's west side waterfront. Beneath this traffic circle is a garage accommodating 250 cars. A yacht basin and a promenade are other features yet to be completed.

The Runnels County Fair is over and for the first time in fourteen years unable to pay off expenses. Officials were "blue" when figures of receipts and expenses were compared and were of the opinion that every obstacle possible happened during the five days and nights. A few people braved the cold to see the attractions but at no time were the crowds up to standard and every department of the fair lost money every day. The fair was a real show this year and every department was well filled with attractive displays that would be a credit to any exposition. The entertainment program was as good as ever presented here and had the weather been even average, the final check-up would in all probability have brought receipts sufficient to provide a surplus.

There are a number of events of interest scheduled for Ballinger and this section during the next few weeks. This month all automobile dealers will be showing the new 1938 models to prospective customers, the Red Cross and Tuberculosis Association will stage drives for funds, the Ballinger senior high school class play will be presented, the fall term of 119th district court will be underway, the Christmas program will be started, tax paying will be in full swing and many other activities will demand the interest of everyone. The movement of a big turkey crop will commence, cotton will be moving the remainder of the year, farmers will be advised of the 1938 farm program. Achievement Days will be held by clubs in the county, a fat stock show will be presented here one day, and other important events will be up for consideration.

THE PRICE OF SPEED

As everyone knows, speed is the great highway killer. The motorist who drives at an excessive rate endangers not only his own life, but those of everyone else on the public streets and roads. He can offer but one "excuse" for his conduct—that super-fast driving gets him to his destination sooner.

The truth is, the minutes we save by excessive speed are pitifully few in the light of the risk involved. A short time ago a test was made in Chicago. A radio announcer was told to drive his car on an eight-mile trip through heavy traffic, observing not only every traffic regulation, but every rule of courtesy. At the same time, a police officer followed the same route under instructions to take every risk and reach the destination in the shortest possible time. Twenty-three minutes later the reckless driver pulled in at the stopping point. The safe, supposedly slow driver, who had taken no risk at all, got there exactly two minutes later.

We have all met the motorist who makes a trip in a length of time that requires him to risk a hundred lives, and then spends twice the amount he saved over a normal, safe passage, boasting about it. None of us are so busy, none of us have so great a need for saving a few minutes or a few hours, that we can afford the "price of speed."

"Save ten minutes—take a life." That should be the motto of the driver who "opens her up" on every possible occasion. Speed and speed alone is the dominating factor in the great bulk of the nation's serious traffic accidents. Look at it from your own point of view and from a purely selfish standpoint—is it worth it?

STOP THAT ITCHING

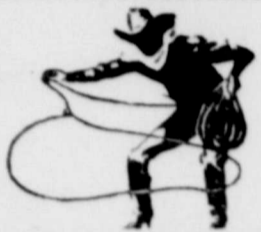

If bothered by the itching of Athlete's Foot, Eczema, Itch, Ringworm or sore aching feet J. Y. Pearce Drug Co. will sell you a jar of Black Hawk Ointment on a guarantee. Price 50c and \$1.00.

Some kinds of deafness can be measured better by the patient's reaction to loud sounds, rather than faint sounds.

WEST TEXAS
NOTES

[Clipped from Our Exchanges]

One hundred and ten ranches in Pecos county, totaling over two million acres, are covered in applications approved by the state committee under the federal soil conservation program. The county has a total of 80,294 animal units in its cooperating acreage and is entitled to benefit payments of \$120,441.

Marble boards and other similar gaming equipment have been removed from Menard following the edict of the grand jury last week that such devices must go. All operators responded to the warning and no arrests or warning from law enforcement officers were necessary.

Dedication services were held at Mason Wednesday for the new \$12,000 Lutheran school building. The edifice, erected by members of St. Paul's Lutheran Church, adjoins the church building. Rev. M. Heinrich, of Meyersville, former pastor, and Rev. F. A. Bracher, of Frederickburg, were the main speakers.

The Eden city council has let a contract to a Houston concern whereby the company guarantees

to furnish the city a specified amount of water. The company will produce the water at a depth below 300 feet and not to exceed 1,000 feet, as much as 108,000 gallons per day for \$10,000, or if the well produces 150,000 gallons, for \$11,000.

More than 100 Erath county farmers unanimously adopted the Watson-Mebane strain as the variety of cottonseed to be planted in the county next year in accordance with the state-wide program. Exhaustive research efforts disclosed that it is the best type of cotton for the soils and climate of the vicinity. Erath is the second county to select a one-variety cottonseed for planting next year.

The Eugene Ash Electric Company has been awarded a contract for the construction of 106 miles of power lines in McCulloch county. The state engineer for the rural electrification administration and assistants opened the bids. The project will serve about 300 consumers in the county.

WPA work on the Millersview-Point Rock road has been resumed after having been halted because

of lack of labor. Twelve men are now employed on the job, with 21 enrolled.

Justice moved fast in Robert Lee last week. The grand jury convened, returned no bills, and went home. The only two criminal cases were hold-overs from the previous term and these were dismissed on motion of the prosecuting attorney.

R. I. Collier, of Bronte, has been named director of the Anson municipal band. Mr. Collier graduated from the Bronte high school three years ago and has been attending Hardin-Simmons University, Abilene.

Ocie Davis, of near Rising Star, was united with his brother, Willard Davis, of Oklahoma, after a separation of thirty-two years, through an advertisement in the Oklahoma Farmer-Stockman. Both thought the other dead, the elder brother believing his younger brother killed in the World War.

H. G. Lucas, of Brownwood, has announced that the annual meeting of the Texas Agricultural Association will be held at Fort Worth December 9, 10 and 11. Mr. Lucas is president of the state body. At the close of the state convention, the TAA will arrange for a special train to Chicago and a large group of Texas farmers are expected to attend the annual convention of the American Farm Bureau December 13, 14 and 15.

Citation by Publication
THE STATE OF TEXAS
To the Sheriff or any Constable of Runnels County—Greeting:
You are hereby commanded to summon D. R. Andrews by making publication of this Citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Runnels County, to be holden at the Court House thereof, in Ballinger, Texas, on the Third Monday in November, A. D. 1937, the same being the 15th day of November, A. D. 1937, then and there to answer a petition filed in said Court on the 27th day of September, A. D. 1937, in a suit, numbered on the docket of said Court No. 4354, wherein Josephine Andrews is Plaintiff, and D. R. Andrews is Defendant, and a brief statement of plaintiff's cause of action, being as follows:
Plaintiff alleges she is now and has been more than six months next preceding the filing of the suit a resident of Runnels County, Texas, where the suit is filed; that she is and has been an actual bona fide inhabitant of the State of Texas more than twelve months at the time of exhibiting her petition; that she and defendant were legally married on or about March 15th, 1933, and separated during November, 1936; that no children were born to them; that during their married life defendant was guilty of excesses, cruel treatment or outrages toward plaintiff of such a nature as to render their further living together insupportable; plaintiff asks judgment against defendant dissolving the bonds of matrimony existing between plaintiff and defendant and divorcing plaintiff from defendant, for all costs and for general relief.
Herein fail not but have before said Court, at its next regular term, this writ with your return thereon, showing how you have executed the same.
Given under my hand and seal of said Court, at office in Ballinger, Texas, on this 27th day of September, A. D. 1937.
(Seal)
JOHN B. RAYBURN,
Clerk, District Court,
Runnels County, Texas.

Hints for the Farm
Furnished by the Extension Service A. & M. College

Varied activities have interested West Texas home demonstration club women and 4-H club girls during the past few months, according to their reports to the county home demonstration agents in this region.
Yard improvement has been of major interest in Runnels county, and one club member reports that her enthusiasm led her to help six women who were not club members. A summary of the work of the cooperators reveals that 80 rose bushes have been put out, 9 porches added, 1 home screened, 3 sanitary toilets built, 16 nursery shrubs set out, 1 house painted, 2 yard fences moved, and 3 peach trees moved. One demonstrator reported that she moved 50 loads of rock from her yard and put in 60 loads of dirt in order to get

her yard work started. These results are particularly interesting in view of the fact that a large number of those reporting were tenants who received little help from their landlords.
Yard improvement has also received attention in Brown county where only \$27.54 has been spent to date, but much has been accomplished. In that county 8 lawns have been sodded, 397 nursery shrubs and 61 trees planted, 503 plants set out, 15 walks and drives constructed and 8 sanitary toilets built.
Correct accessories for the high school girl, including shoes, hats and bags, were discussed recently in Ward county by 4-H girls' clubs, and good grooming and proper make-up for the high school girl were also reviewed. The girls wore correct accessories in their clothing contest and special attention was paid to grooming.
Judge: "Well, Sam, I see you're back for fighting with your wife. Liquor again?"
Sam: "No, sah, Jedge, she licked me dis time."

PENNEY'S J. C. PENNEY COMPANY, Incorporated

Jury Lists Drawn For Fall Sessions Of District Court

The fall term of 119th district court will convene in Ballinger at 10 a. m. Monday, November 15. Jury lists were drawn this week and Sheriff W. A. Holt is notifying each man selected for jury duty to appear on a certain day. A grand jury venire and four petit jury venires are to be summoned. Only the grand jury will report on the first day of this term and it will be instructed and begin investigation of a large number of cases. District Judge O. L. Parisk will hear non-jury cases the first week. For the second, third, fourth and fifth weeks petit jury venires will report, and those chosen will hear evidence in cases slated for trial. The complete jury list for the November term of court is as follows:

Don't put up with useless PAIN Get rid of it When functional pains of menstruation are severe, take CARDUL. If it doesn't benefit you, consult a physician. Don't neglect such pains. They depress the tone of the nerves, cause sleeplessness, loss of appetite, wear out your resistance. Get a bottle of Cardul and see whether it will help you, as thousands of women have said it helped them. Besides easing certain pains, Cardul aids in building up the whole system by helping women to get more strength from their food.

Baptist News

The Woman's Missionary Society of the Ballinger Baptist Church under the presidency of Mrs. Louis Stroble will direct "The All Church Week of Prayer" in behalf of state missions Sunday in the Sunday school. Supt. E. C. Grindstaff will deliver a message.

In the Baptist Training Union Ernest Moody will speak Monday and Tuesday afternoons. Mmes. J. H. Endacott, Edgar Boelsche, M. L. Taylor and Helen Baxter will be in charge of the program.

A pageant will be given Wednesday evening at 7:30 under the direction of Mrs. Ernest Moody. The entire church family is invited.

The choir, under the co-direction of Mrs. L. Schermerhorn, organist, and Robert White, choir leader, have in preparation a splendid musical program for the Sunday of the Armistice Day celebration, which will be offered morning and evening November 7.

Dr. Horace Gustavus, of Houston, spent the week-end in Ballinger, visiting Mr. and Mrs. C. J. Lynn and other relatives.

Joe Cozby, student of John Tarleton College, Stephenville, spent the week-end here with relatives and friends.

Organization of Club Planned by Amateur Local Photographers

Amateur photographers and those who are interested in picture making will meet Tuesday night of next week at the city hall for the purpose of forming a camera club. There are a number of well advanced amateurs in Ballinger and others who have good kodaks and have enjoyed taking pictures on vacation trips and at home who have expressed an interest in forming an organization for future study and the exchange of ideas.

Several Ballingerites have good equipment and have studied the development and printing of pictures. Others have been using small motion picture cameras for sometime and are anxious to line up with such an organization to gain knowledge of picture making and development.

Leaders in the movement state that the only requirement for joining the club will be an interest in the hobby and that all are invited to attend the first meeting.

National magazine on picture making will be passed around from one member to another and other methods of instruction followed. Programs and demonstrations will be held later for the

Bethel Home Demonstration Club

(Delayed in Transmission)

The Bethel home demonstration club met October 7 in the home of Mrs. Charles Dankworth with 15 members present.

Achievement Day plans were discussed. Exhibits for the community booth to be entered in the Ballinger fair were selected by J. A. Barton, county farm agent. Also entries in the home demonstration department were selected.

The next meeting will be held Thursday afternoon, October 21, in the home of Mrs. Pat Mapes. New officers will be elected then and a program on their duties will be given.

Sales Books at Ledger office.

A lecturer, addressing a meeting on "The Duties of the Housewife," remarked that it was the duty of every woman to mother her husband. Wishing to see what impression this had made on his audience, he asked all those to stand up were willing to mother their better halves. Only one woman stood up.

"Ah," he said, "I am glad to see there is at least one of you willing to mother her husband."

"Mother your husband?" cried the woman, "I thought you said 'mother your husband!'"

Judge (questioning young man seeking divorce): "You complain that you have had to support your wife's family?"

Young man: "Yes, your honor."

Judge: "How many of a family has she?"

Young man: "Four children, your honor."

Judge: "Who is their father?"

Young man: "I am, your honor."

Have You Entered The Photo Contest?

We want to buy one hundred photos showing interior views of homes of this section. Each photo submitted must include a view of gas heating equipment. Note the sample below and read the five simple rules of the Contest conducted by your gas company.

A prize of \$10 will be awarded EACH of the TEN BEST PHOTOS submitted each week. At the close of the TEN WEEK PHOTO CONTEST four additional grand prizes of \$100, \$75, \$50 and \$25 will be awarded the four best photos submitted.

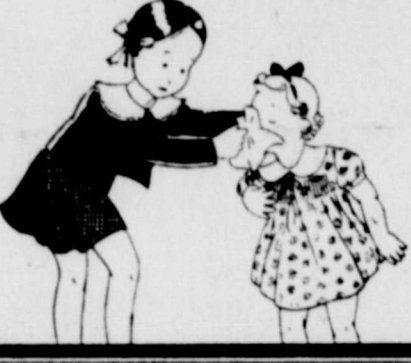

This sample photo shows a vented circulating gas heater in the home of one of our customers.

- ### 5 Simple Rules of the "Heating Photo Contest"
1. All photos must include a view of the gas heating equipment used to heat the room or adjoining room in which the photo is taken. (See sample).
 2. The house in which you reside must receive its gas service from one of the companies of Lone Star Gas System and all photos submitted in the TEN WEEK CONTEST must be taken in a home served gas by one of the companies of Lone Star Gas System. These companies are: Lone Star Gas Company; The Dallas Gas Company; County Gas Company; Community Natural Gas Company; Texas Cities Gas Company.
 3. Employees of any company of Lone Star Gas System and their immediate families and professional photographers or persons engaged in the business of making photographs for commercial purposes are not eligible to enter this Heating Photo Contest.
 4. All photos submitted must have your name and address (including the town) PRINTED PLAINLY ON A SEPARATE PIECE OF PAPER AND PASTED TO THE BACK OF EACH PHOTO ENTERED IN THE CONTEST.
 5. All photos submitted should be delivered to your local gas company office or mailed to LONE STAR GAS SYSTEM, ADVERTISING DEPARTMENT, 305 S. HARWOOD ST., DALLAS, TEXAS.

The contest is for a TEN WEEK period from October 11, 1937 to December 18, 1937 (inclusive). All photos submitted will become the property of Lone Star Gas System to be used as desired by the company. Photos entered in the contest will not be returned and weekly prize winners will be advised by letter. At the close of the ten week contest a complete list of prize winners will be available for your inspection at your nearest gas company office.

Fight colds! Protect yourself and your family against becoming overheated or chilled. If you do "catch cold" consult your family doctor before it has an opportunity to undermine your health.

ONLY "a cold" but serious disease may follow

YOUR doctor will tell you that "common colds" are dangerous. Fifty per cent of all disabling diseases start with this all too frequent winter illness. Many "colds" result from sudden changes of temperature such as occur to occupants of the home as they go from a warm room into an unheated part of the house. Unless every room is comfortably warm sudden changes of temperature are unavoidable.

Winter months, more than any other season of the year, require careful protective measures against "the common cold." If YOUR family is constantly "catching cold" HEAT YOUR ENTIRE HOUSE THIS WINTER FOR YOUR HEALTH'S SAKE — it's a simple precaution to avoid the dangers of sudden changes of temperature.

THE STATE OF TEXAS
 To the Sheriff or any Constable of
 Rannels County—Greeting:

You are hereby commanded to
 summon Robert D. Wade, who is
 absent from the state, and A. C.
 Woodruff, who is a non-resident of
 this State, to appear at the next
 regular term of the District Court
 of Rannels County, Texas, to be
 held at the court house thereof in
 the town of Ballinger, on the third
 Monday in November, A. D. 1937,
 being the 15th day of November,
 A. D. 1937, then and there to
 answer a petition filed in said
 Court on the 13th day of October,
 1937, in file number of which is
 4357, in which suit C. P. Shepherd,
 for himself and for the use and
 benefit of B. J. Harris, Jas. Butler,
 F. A. Lambert, Lawrence Lampkin,
 Tom Yett, L. C. Reese, Frank
 Fields, Martin Martinez, Nicholas
 Martinez, Clyde Shields, John Roe,
 Frank Nations, Chas. Williams, Sr.,
 S. J. Campbell, Hugh Garcia,
 Ephriam Jones, John West, Ennis
 Dodson, Otho Friend, Wallace
 Rose, John Nelson, R. C. Williams,
 Jesse Christopher, Edwin Mack, B.
 E. Kelly, Henry Allen, Chas. Williams,
 Jr., C. O. Miller, J. S. Stahl,
 Jimmy Weatherby, L. M. Kincaid,
 Orange Burrell, Frank Hardin,
 Carl Manson, Louis Allen, Aaron
 Hart, W. J. Holliday, C. E. Hodges,
 M. C. Campbell, W. H. Sparks, C.
 Clives, R. P. Waldrop, C. J. Burrell,
 J. D. Long, T. O. Jameson, J.
 M. Holland, J. M. Dunn, Alverice
 Frison, Wm. Parr, C. C. Jones,
 Foster Rose, F. D. Pettit, O. Hinkle,
 T. J. Flippen, Max Pinkert, P.
 Winchester, A. L. Smith, R. Win-
 chester, Glenn Wright, E. W. Long,
 T. E. Ally, A. Keel, T. Warren,
 Fred D. Spriggs, M. L. Coons, W. L.
 James, E. R. Perry, A. D. Cotton,
 and for the use and benefit of all
 other sub-contractors, material
 men, laborers, and other employees
 of R. D. Wade and A. C. Woodruff,
 whose names are to Plaintiff
 unknown and who yet remain
 unpaid for their work, labor,
 supplies, material and tools in, on
 and under that certain contract
 for dismantling and taking up
 main lines and siding, and load-
 ing and salvaging all railway
 track material, piling, posts, cul-
 verts, pipe, buildings and struc-
 tures between Miles, Rannels
 County, Texas, and Paint Rock,
 Concho County, Texas, dated May
 5, 1937, made between R. D. Wade
 and A. C. Woodruff, as contractors,
 and Gulf, Colorado & Santa Fe
 Railway Company, and which said
 sub-contractors, material men,
 laborers and other employees have
 elected or may elect to accept the
 offer hereinafter mentioned, in
 which suit C. P. Shepherd is
 Plaintiff and Robert D. Wade
 and A. C. Woodruff are Defendants,
 cause of action being alleged as
 follows: Suit by Plaintiff as
 assignee for the following persons
 who performed following number
 of hours service at the rate of
 \$0.35 per hour for the total amount
 due set opposite their respective
 names, to-wit:

Orange Burrell	95 1-2	33.42	
Frank Hardin	28	9.80	

That all such work and labor was performed in, on and under that certain contract for dismantling and taking up main lines and siding, and loading and salvaging all railway track material, piling, post, culverts, pipe, buildings and structures between Miles, Rannels county, Texas, and Paint Rock, Concho county, Texas, dated May 5, 1937, made between R. D. Wade and A. C. Woodruff, as contractors, and Gulf, Colorado and Santa Fe Railway Company, at the special instance and request of Robert D. Wade and A. C. Woodruff, and that the checks herein mentioned above were given upon such claims for labor performed; that Defendant, Gulf, Colorado and Santa Fe Railway Company has in its hands approximately the sum of \$3,000.00, which it has offered to Plaintiff and those persons who he sues as a payment upon the indebtedness held by Defendants Wade and Woodruff for performance of service, labor, material and tools in and about the carrying out of the contract as will accept same as a credit on indebtedness held by them against Wade and Woodruff; that if Plaintiff is mistaken in alleging that the offer is made to such persons, then that the offer is made to Plaintiff and such of such persons for whose use this suit is brought as will accept same and pay costs and expenses, including a reasonable attorney's fee for the bringing of this suit; and that Plaintiff and those persons who have assigned said offer and have agreed and contracted with Plaintiff to pay him one-third of whatever amount shall or may be recovered for such person, and that the same is a reasonable and customary fee for such services; and that Plaintiff and those persons who have assigned to Plaintiff, and Plaintiff for himself have accepted and agree to accept such offer as a credit upon such claims held by Plaintiff; and that the Defendants and each of them have assumed, become liable and bound to apply said money to the payment of indebtedness herein sued for, and have become liable and bound to pay Plaintiff for himself and those assigning claims to him their proportionate part; and that said money and funds has become and is now primarily liable for the payment of indebtedness herein sued on; and that Plaintiff is the legal owner of all such claims assigned to him and said checks or drafts and is fully authorized and empowered to file, institute and prosecute this suit by reason of which said Defendants have become liable and bound to pay Plaintiff the several and full amounts of the claims and checks herein sued on; and that though often demanded, of Defendants to pay Plaintiff, they fail and refuse to do so, to Plaintiff's damage in the sum of \$4,040.62; that on October 4th, 1937, Plaintiff filed his Application, Affidavit and Bond for Garnishment, and caused Writ of Garnishment to be served on Defendant Gulf, Colorado & Santa Fe Railway Company, impounding said indebtedness in the hands of Defendant Gulf, Colorado and Santa Fe Railway Company; that same was served on Defendant Gulf, Colorado and Santa Fe Railway Company on the 4th day of October, 1937, and by reason thereof Plaintiff, for himself and those for whom he sues, has a first and prior lien, charge and claim upon such funds in the hands of Gulf, Colorado & Santa Fe Railway Company.

Plaintiff prays for Citation, and on final hearing he has his judgment against R. D. Wade and A. C. Woodruff for his debt in the amount of \$4,040.62, and that he have judgment establishing his debt and claims sued upon against all Defendants as being the kind and character of claim for which said funds is primarily liable, and for a judgment against Defendant Gulf, Colorado and Santa Fe Railway Company upon its assumption to discharge Plaintiff's debt or a proportionate part thereof as he may show himself entitled to the extent of the funds held by it, and for such other orders, proceedings, and judgments of this Court as it may find necessary to carry out the offer of the Defendants and for the acceptance by Plaintiff and for such other and further relief, general and special, legal or equitable, as Plaintiff may show himself entitled.

You are hereby commanded to show summon such Defendants Robert D. Wade and A. C. Woodruff and to serve this Citation by making publication once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your county, but if there be no newspaper published in said county, then in any newspaper published in the nearest county where a newspaper is published. Herein fail not, but have you

before said Court on the first day of the next term thereof, this Writ with your return thereon, showing how you have executed the same.

Witness:
 JOHN B. RAYBURN,
 Clerk of the District Court of Rannels County, Texas.

(Seal)
 Given under my hand and seal of said Court in the town of Ballinger, this 13 day of October, A. D. 1937.

JOHN B. RAYBURN,
 Clerk of the District Court of Rannels County, Texas.

MONDAY IS CIRCUS DAY IN BALLINGER

Early Monday morning, long before dawn, Seal Bros. Circus will arrive in Ballinger to unload and begin the erection of their tented city, which everyone knows a circus is a city within itself, and Seal Bros. Circus should be called Seal Bros. Circus City as they have every artisan of a small city. Imagine yourself placed as the superintendent of this great task of moving this city every day from town to town. First, the flying squadron who surveys the show grounds and lays out the markers for the various tents. The dining and horse tents are the first to be erected, as the working men and horses are the first to have breakfast.

The circus has twenty-four different departments and in that way every one has its task to do. The circus physician treats the ailing, the veterinarian inspects all the horses and animals, the detective is on duty, the barber sets up his shop, carpenters, blacksmiths, painters, mechanics, bakers, butchers, lawyers, bookkeepers and stenographers all have their duties to perform in order to make the circus function on time. The boss canvasser with an army of carefree men go about with the raising of the various tents. The seat men, property men, electricians all have their regular routine to follow each day. When this all done it is time to start the parade.

Seal Bros. Circus is the largest modern motorized circus coming this year and the only one to give the old time free street parade, so be on hand early for the parade, follow the parade to the show lot. The side show opens then the ticket wagon opens where you secure your tickets for the circus which is housed under a mammoth tent, and one wonders how they put it up and take it all down in one day. You go through the menagerie or zoo and see the wonderful collection of animals. Do your trading in Ballinger as the merchants will have many bargains on circus day. Save the price of a circus ticket and have an enjoyable day at small cost.

Silver Tea
 The Philathea Class of the First Methodist Church will hold a silver tea and bazaar at the home of Mrs. R. W. Earnshaw in Wilke Terrace on October 22, from 3 to 6 p. m. Everybody invited to attend. 7-31

NEW ASSISTANT EMPLOYED BY WM. CAMERON COMPANY
 Mr. and Mrs. Allan Hamilton, formerly of Troy, have moved here to make home. Mr. Hamilton will be associated with the Wm. Cameron Company, succeeding to the position formerly held by Cicero H. Smith, now manager of a Cameron yard at Eldorado.

Silicosis, a lung disease contracted in dusty occupations, is called the greatest single occupational hazard in this country.

If man's voice was as powerful for his size as that of the tree frog, he could be heard from eastern Washington state to New York City.

Last Conference Of M. E. Church Held Wednesday

The last quarterly conference for the First Methodist Church of Ballinger was held Wednesday night with Dr. J. T. McClure, presiding elder of the Brownwood district, in charge. Every obligation was reported paid in full at the close of the evening service last Sunday, three full weeks before the end of the year, and the local church was the first one in the district to make such a report to the presiding elder.

At the meeting Wednesday night written reports from all departments of the church were read and turned in to the conference to be incorporated in the minutes and Dr. McClure complimented the membership very highly for the splendid work during the year.

The members face the losing of their pastor, Rev. Homer Vanderpool, with much regret. Due to the illness of his son he has been handicapped this year with the baby and his wife having to spend practically all the time in Fort Worth. A letter was written last week to the clinic where the boy is receiving treatment asking if it was thought possible for the family to return to Ballinger for another year. Dr. J. Morris Horn, who has the baby's case, stated by return mail that he could not recommend that and would strongly advise against the family attempting to reside in Ballinger, at least for several years. Church officials believe it will be impossible for Rev. Vanderpool to remain in Ballinger and those in church of appointments have stated that unless the baby's health improves so he can live in Ballinger, a change will be made at the end of the conference year.

A committee from the Ballinger church will attend annual conference at Fort Worth in November and be present to advise with officials about the appointment.

Card of Thanks

We wish to express our appreciation for the love and kindness shown to us by our friends during the recent illness and death of our little son and brother.

Mr. and Mrs. Herbert Houston and sons 21-1*

NORTON SCHOOL NEWS

Eagles Victorious Over Wingate Pirates
 The Norton Eagles won by a score of 26 to 8 over the Wingate Pirates at Wingate Friday. Norton's touchdowns were made by Griggs, Carter and Jennings. Carter made one of the extra points.

Eagles to Play Wingate Juniors Thursday
 The Norton junior team is to play the Wingate junior team Thursday here. Mr. McGlathery coaches the Juniors.

Norton to Play Mertzon Saturday
 The Norton Eagles are to meet the Mertzon Hornets on the Eagle gridiron Saturday. Victory to the Eagles!

Pep Squad Holds Rally Thursday Evening
 The pep squad held a rally in the high school auditorium Thursday evening. The program schedule was as follows: three songs by the pep squad, a speech by Mr. Elkins, a speech by Mr. Conger, speeches by the main leader, Ella Mae Jennings, and Mr. McGlathery, a song by the pep squad, and two yells by the pep squad.

MASONS FTURED IN AUTO COLLISION

Mr. and Mrs. W. F. Mason were painfully hurt and their car badly wrecked Friday night when it was knocked from the Tenth Street Santa Fe crossing by the east bound motor car. Mr. and Mrs. Mason were en route to their home on Tenth Street and drove the front wheels of their car into the track when the collision occurred. Mrs. Mason was thrown from the car by the collision and barely missed being run over as she lay near the tracks.

Both were taken to the Halley & Love Sanitarium where examinations revealed Mrs. Mason sustained a broken arm and other injuries that will keep her in the hospital several days. Mr. Mason was bruised and cut but his injuries were not serious.

Both are doing nicely this week and will soon be able to resume their work at the Mason gin.

Miss Lorene Norman, student of Howard Payne College, Brownwood, spent the week-end with her parents.

When scientists began studying tiny ditraons under a microscope, there was uncertainty as to whether they were animals or plants, but now they are considered one-celled plants.

Turkey Movement Starts November 5; Crop Rather Light

The Thanksgiving turkey market is expected to open in this section on November 5 and the Western Produce Co. has already announced that it will begin operation of its packing plant on that date. Other poultry dealers will attend conferences of poultry dealers in Fort Worth and Dallas this week to determine when the market will open for them and to discuss prices.

Ruel Boswell, manager of the Western Produce Co., stated Tuesday that every picker who works in the plant this year will be required to have a social security number. Those who contemplate working either by contract at so much per bird or by the hour must have their numbers before they can be employed. Application blanks for numbers can be obtained at the local postoffice, filled out and sent to San Angelo and number cards will be issued.

Poultry journals covering the general condition in the United States indicate there will be a decrease in the turkey crop this year. Bill Moore, manager of the Moore Produce Co., said today. No accurate check-up has been made in this vicinity but local dealers anticipate a cut in the crop this year of from 10 to 15 per cent.

Due to good hatchings, few insect parasites and good ranges through the summer, all turkeys

TURKEYS

We Expect to Open Our Dressing Plant in Ballinger by November 5.
 Parties Wishing Employment in Dressing Turkeys—

The Social Security Act makes it necessary that you have a Social Security Account number before being placed on the payroll. These applications must be forwarded to San Angelo, which will require several days. May we suggest that you go to the postoffice, secure an application blank and information as to how it should be filled out and mail application immediately. This act covers all employees whether piece work or hour labor.

Guide: "This, ladies and gentlemen, is the greatest cataract in the country, and if the ladies will only be silent for a moment you can hear the deafening roar of the waters."

DEATHS

James G. Power
James G. Power, age 19 days, son of Mr. and Mrs. J. D. Power, died at the Halley & Love Sanitarium Thursday night at 11:55, following illness of only a few hours' duration. Mr. Power, the father, is an employee of the Cameron Garage.

Funeral services were held at the Jennings Funeral Home Friday afternoon, Rev. M. C. Golden officiating. Interment followed in Evergreen Cemetery.

Palbearers were Frank Cameron, Francis McAden, Ted Linderman and Rufus Allen.

Jennings Funeral Home was in charge of arrangements.

Billie Carroll Houston
Billie Carroll Houston, 5, son of Mr. and Mrs. Herbert Houston, of San Angelo, died at the Halley & Love Sanitarium Friday at 2:15 p. m. after a lingering illness of several months' duration. The child was brought here for treatment a few weeks before his death.

The Houston family formerly resided in Runnels county, moving to San Angelo in February.

Survivors besides the parents are three brothers, Charles Robert, M. H. and Harold Wayne Houston.

Funeral services were held at the Jennings Funeral Home Saturday afternoon, Rev. Raymond C. Wilson officiating. Interment was made in the Runnels cemetery.

Palbearers were J. E. Jones, W. R. Clark, Jr., Young Stephenson, and L. L. Bilbree.

Jennings Funeral Home was in charge of arrangements.

W. N. Smith
W. N. Smith, 58, died at the home of W. O. Beard near Runnels Friday morning at 9 o'clock. He was employed on the Beard place and started to work as usual Friday morning. He cut wood until about 9 o'clock and came to the house complaining with a pain in his chest and asked for a drink of water. By the time Mr. Beard got the water and returned to the house he was dead.

Survivors include a son, J. A. Smith, of Temple, and a brother, A. G. Smith, of Belton.

The body was taken in a Jennings Funeral Home hearse to Belton, where last rites were held Sunday afternoon. Interment was made in the Belton cemetery.

Jean David Pearce
Jean David Pearce, 19 days, son of Mr. and Mrs. E. A. Pearce, died at the family home Thursday afternoon.

Funeral services were held at the Church of God Friday afternoon, Rev. W. S. Hull officiating. Interment followed in Evergreen Cemetery.

Jennings Funeral Home was in charge of arrangements.

Perry Samuel Boswell
Perry Samuel Boswell, 66, died at his home, 808 Sealy Avenue, Monday at 3:45 p. m. after a brief illness. Death was attributed to a heart attack, although he had been in failing health for a number of years.

Decedent had been employed by the Currie Produce Company for a number of years, in the feed crushing department, and was able to work the past Saturday. He came to Ballinger 27 years ago and had made home here ever since.

Survivors include the wife, two sons, Ed Boswell, of Fort Worth, and Oscar Boswell, of Ballinger, and one daughter, Mrs. Bertha Chrisko, of Ballinger. Other survivors are ten grandchildren and two great grandchildren.

Funeral services were held at the Jennings Funeral Home Tuesday afternoon, Rev. Homer Vanderpool officiating. Interment was made in Evergreen Cemetery.

Palbearers were L. L. Strobie, Jess Jones, T. M. Marsh, Henry Vorbeck, Ed Parr and C. L. Armstrong.

Mary Washington
Mary Washington, 68, negro, died at her home in the colored section of Ballinger Sunday afternoon at 5 o'clock after a short illness. She had lived in Ballinger several years and was well known among the white people, having worked in many local homes.

Survivors include the husband, four sons and four daughters.

Funeral services were held at the First Baptist Church, colored, Tuesday afternoon and interment made in the negro section of Evergreen Cemetery.

Jennings Funeral Home was in charge of arrangements.

Stomach Gas
One dose of ADLERIKA quickly relieves gas bloating, cleans out BOTH upper and lower bowels, allows you to eat and sleep peacefully. Quick, thorough action, yet entirely gentle and safe.

ADLERIKA
J. Y. Pearce Drug Co.
Texas has more farms than any other state in the union.

Menus of the Day

With the sweet fragrance of burning leaves filling the invigorating air, appetites increase and a new interest in cooking is aroused. So let's go over these recipes with a view to giving the family a new "taste thrill."

Pork and Macaroni Scallop
1 cup macaroni
4 onions
2 cups cold cooked pork
1 cup apple sauce
2 tablespoons fat
2 tablespoons flour
Buttered crumbs
Break macaroni in pieces and

peel the onions. Cook together in 2 quarts boiling salted water until tender, then drain, reserving the liquid. Put half the macaroni in a baking dish, cover with onions, with cold meat cut in cubes and the remaining macaroni. Melt fat, add flour and 1 1/4 cups water in which the onions were cooked and stir until the sauce boils. Turn into the baking dish, cover with buttered crumbs and bake until brown. Serve apple sauce separately.

Smothered Veal
1/2 cup flour
1 1/2 pounds veal round steak
salt, pepper
1 teaspoon celery seed
1 1/2 teaspoons powdered sage
dash curry powder
4 teaspoons cooking fat
1 Bermuda onion
6 potatoes

1 No. 2 1/2 can tomatoes
1 cup hot water
Beat the flour into the veal. Dredge liberally with the salt and pepper, and sprinkle with the celery seed, sage and curry powder. Put into a skillet containing the hot fat and turn until browned evenly. Slice the onion over the top and put the peeled potatoes around the meat. Add the tomatoes and hot water. Cover with a tight lid and simmer until tender. When ready to serve lift the meat to the center of a large platter, arrange the potatoes around it and garnish the edge of the platter with 1-inch pieces of curled celery and round red radishes or parsley.

Hocus: "Did Fusilot take his misfortune like a man?"
Pocus: "Precisely." He blamed it all on his wife."

Ballinger Produce Co.
Located across Seventh Street from Edwin Smith's Filling Station. Now open for business. We buy: Cream, Turkeys, Chickens, Eggs, Hides, and Pecans.
VERNON DANKWORTH, In Charge.

BALLINGER WOMEN PASS BEAUTY CULTURE TESTS

Mrs. H. T. Forson and Miss Gladys Fulcher were notified Saturday that they had passed the examination for beauty culture operators before the state board at San Antonio. Both attended a beauty culture school at San Angelo and upon completion of their courses went to San Antonio

for the state tests. They have both been issued operator's licenses.

Mrs. Forson is connected with the Artstyle Shop in Ballinger.

Cassius left the house after two or three years of stormy married life, and in about a week returned by the back way, pried open a window and crawled in.

"The neighbor next door saw him come out, bent under the weight of a wash tub, wash board and wringer. 'Cassius, whar you takin' dat paraphernalia,' she asked.

"To pawn 'em," Cass answered. "Dat gal ain't gwine to vamp nobody wiv mah weddin' presents."

Operator, get me the Amateur Hour. Hello, Amateur Hour? I think I'm out with one of your gang; come down and get her."

THE BALLINGER LEDGER

SECTION 2

BALLINGER, TEXAS, THURSDAY, OCTOBER 21, 1937

SECTION 2

West Texas Utilities Co. Employees Work for Fair

The Ledger erred last week in reporting a radio broadcast Tuesday afternoon at the fair grounds being presented over Gulf Oil Co. loudspeaker and KGKL.

The West Texas Utilities Co. provided the speaking equipment for this program and also the studio for the broadcast, and used and paid for the time on KGKL. Not only was this speaking equipment used for this occasion but it remained on the grounds near the grandstand during the entire fair and was used almost continuously for fair announcements and the broadcasting of music. Another program was presented over KGKL on Friday afternoon which was complimentary to the fair association by the West Texas Utilities Company.

Not only did the utilities company provide the help referred to above but it did more to put the fair over than any other firm in Ballinger. A full crew of men was on duty day and night to do any kind of work that came up. Employees of this company built stages, dug ditches, drained water from the grounds, built walks after the rain started, provided one of the best displays at the exposition, entered a decorated car in the parade, and at the mass meeting following the fair was one of the heaviest cash contributors in paying off the deficit.

W. O. Wallace, district manager of the West Texas Utilities Co., who is president of the fair association, worked almost the entire year to make the fall celebration a success.

We regret that proper credit for the broadcast was not given last week and assure that it was not intentional.

The Gulf Oil Co. did have loudspeaking equipment at the fair and it was in use most of the time but on the occasion of the Tuesday and Friday broadcasts the West Texas Utilities Co. provided everything for the program on the air and the broadcast from the grounds.

Adding Evidence to Doubt
"I know a place where it doesn't cost much to eat," said the Irishman.

"It's go," replied the Scotchman.

After eating, the Irishman talked with the cashier so long she forgot whether or not he had paid her. "Did you pay me?" she asked as he left. "Sure" was the reply.

The Scotchman looked on, then talked himself. "Did you pay me?" the cashier finally asked. "Sure," he answered, "I've just been waiting for my change."

Poultry Department

The Buff Orpington and Pit Game chickens placed on display by A. H. Wiesepape, of Ballinger, won for him more prizes than taken by any other individual in the poultry show of the Runnels County Fair.

In the open class, Wiesepape took first money for the best display of

fowls, his Pit Game cock was placed as champion parti-color male of the show and a Buff Orpington hen the champion solid color female. Other placements by his Buff Orpington were: cockerel, first; pullets, first, second and third. His Pit Game chickens took these ratings: cock, first; hens, first, second and third; pullets, first, second and third.

The Dark Cornish hen of William Hoppe, of Winters, another large winner, placed as champion parti-color female, and the Light Brown Leghorns of S. B. Dietz, of Ballinger, as the champion parti-color pen. Rhode Island Red chickens of W. C. Sawyer, of San Angelo, ranked as champion solid color pen and a White Leghorn cock belonging to A. N. McIntire, of Talpa, as the champion solid color male.

Hoppe also won on: Dark Cornish—cock, first; hens, first, second and third; White Cornish—pen, first; hens, first, second and third; black giant capon, third.

Other winners of the open class division and the birds on which they won follow:

S. B. Dietz, Ballinger—Light Brown Leghorns: pen, first; cockerel, first; pullets, first and second

Bob Sawyer, San Angelo—Rhode Island Reds, pen, first

A. N. McIntire, Talpa—English White Leghorns: cockerels, first, second and third; pullets, first, second and third

Frank Krc, Ballinger—Bronze turkeys: tom, first; hen, first; young hen, first

Jones Parrish, Ballinger—Dark Cornish: cockerels, first, second and third; pullets, first, second and third

W. C. Sawyer, San Angelo—

Rhode Island Reds: hen, first; cockerel, first; pullets, first, second and third.

4-H Club Boys' Poultry

Youths taking prize money in the 4-H club boys' division of the poultry show and the fowls winning the awards were:

Howard Morrison, Talpa—English White Leghorns: pen, first; C. J. Poindexter—Novice, Light Brown Leghorns: pen, third; Bradley Pape, Winters—English White Leghorns: pen, fourth, and pullet, second; Marion Kemp, Ballinger—Dark Cornish: pen, fifth.

F. F. A. Poultry

Showing exclusively capons, the F. F. A. class winners were: single bird, Douglas Cole, first; Muriel Proctor, second; trio of birds—Cole, first; Gerald Proctor, second, and Ernest Vinson, third. All the youths reside at Winters.

"The Best Place to Trade"

DROP IN SOME DAY

We mean that. Some day, when you have a few minutes to spare, stop by a Humble service station, take a good look around and get acquainted with the men who service your car. You'll be pleased with the way the station is equipped and maintained for your service—you'll find the men the sort in whom you can repose confidence.

HUMBLE OIL & REFINING CO.

A Texas Institution manned by Texans

INCORPORATED 1907, BY HUMBLE OIL & REFINING CO.

It's a Woman's War, Too!

These Chinese "women of valor," not more than eighteen years old, but well-trained troopers, fight in the front lines alongside Chiang Kai-shek's own men. Many of them are said to be crack shots.

State Liquor—
(Continued from page 1)
three charges in county court here Monday.
T. E. Vaughn, of Winters, was charged with the sale of liquor and the case was set for hearing tomorrow.
Chona Lugo, of Winters, was charged with the sale of liquor and his case will be heard in county court this week.
Dan Liverman, of Ballinger, was charged with possession of liquor for the purpose of sale and his case is set for tomorrow.
County Attorney Roy L. Hill said there were no other cases on file in his office and remarked aside that "business was quiet" for the first time in several weeks.

IN MEMORIAM
In Loving Memory of Yvonne Howell
On Wednesday evening, October 13 at 6:50 o'clock, death opened the doors of eternity and the angels took charge of our little friend, Yvonne Howell, and conveyed her sweet spirit to the Heavenly Mansion. She had been seriously sick and suffered intensely for several days, but God, in His infinite wisdom, saw fit to call her out of this world of suffering and trouble into that Eternal Home where all is peace and joy and love. Perhaps Yvonne was taken to lighten the way on the path that we will all travel some day.
She was a sweet and loving child and is missed so much, but our loss is her gain. The circle has been broken on earth but just begun in Heaven. To loved ones, left in a world that will never be quite the same, we say in the words of David, "We cannot bring her back, but we can go to her." We are so glad for the sweet hope of meeting her again, where parting is unknown and where no farewell tears are shed. What a blessed thought it is to know that little Yvonne is safe in the arms of Jesus.
Little Yvonne bided on earth.
To bloom in Heaven,
Daddy and mother, weep not for me,
I am waiting in Heaven for thee.
Yvonne, 'tis lonely since you went away.
We sadly miss you day by day,
But Heaven is brighter since you are there.
And sacred is your vacant chair.
—Written by Minnie Lea Camp.

PRIZES ARE AWARDED IN GUESSING CONTESTS
Two contests conducted by Your Fruit Stand last week, in connection with its first anniversary, created much interest and winners were announced this week. In the apple naming contest Duane Jenkins, 508 Fourth Street, gave the most complete list of varieties grown and sold in this section. Other winners were Mrs. Jim Miller, Dan May, Sam Hutcheson, H. T. Calk, C. F. Carlisle.
Guesses at the sack of peanuts were numerous and the winners were as follows: E. M. Eubank, R. E. Truly, Mrs. A. G. Koenig, J. M. Davis, Dan May, Miss Mildred Doherty, L. F. Harvey and Miss Mary Nunley.
Misses Louise and Frances Layton, of Dallas, spent the week-end in Ballinger with their grandparents, Mr. and Mrs. A. Pagels.
Price Middleton, who had his tonsils removed Tuesday morning, is recuperating rapidly.

(Above) Chas. Martin and Henry Hadden, stars of Purina radio program "See the Difference Purina Makes!"

You Pocket the Difference!

PROBABLY you've noticed that hens just naturally seem to "do better" on some feeds than they do on others. You've watched egg production go up, you've had a healthier flock, you've lost fewer birds. It's more than just an accident that these are the kind of results you get when you feed Purina Laying Chows.

Years of scientific research and testing have gone into the making of every bag of Purina Chows. Thousands of birds have been used in actual experiments at the Purina Experimental Farm. Every conceivable test for making a feed that gives more eggs, healthier hens

and uniform laying has been tried. These are the things that make Purina different. These are the things that make your hens lay more eggs, that give you more profit from your flock. These are the "extras" that go into every bag of Checkerboard Chow, the things we mean when we say, "See the Difference Purina Makes!"

HERRING HOURGLASS

The rainy weather has finally come to an end. The damp weather delayed cotton picking, but the few showers which fell will be a great help to winter grasses as well as young grain.

Quite a few from here attended the fair at Ballinger.

Mr. and Mrs. Flay Brevard and family, of Glen Cove; Miss Myrtle Ruth Hale, of Eagle Branch; W. A. Hale, Jr., of Harmony; Mr. and Mrs. Noel Hale, of Talpa; Mr. and Mrs. Steve Hale and family, of Glen Cove; and Mr. and Mrs. Jim Brevard were Sunday guests of Mr. and Mrs. W. A. Hale, Sr.

Mr. and Mrs. Berry Matthews were Sunday dinner guests of Mrs. Vera Simpson.

Mr. and Mrs. John Rosford spent Sunday with Mr. and Mrs. Lonnie Allcorn.

Syble Simpson spent the weekend with Donella Kelly, of Eagle Branch.

Sunday guests of Mr. and Mrs. John Fuller were: Mr. and Mrs. Lucian King, of Talpa; Mr. and Mrs. Arthur Fuller, Roy and Norma Sue; Mr. and Mrs. Jack Fuller and Melvin; Helen Elms, Flora Belle and Lucille Simpson, Carl Faubion, Obed Fuller, Arnold Allcorn and Pete Preas.

Mrs. Welby Fuller, Grady Miller, Mr. and Mrs. Marion Kerby and Marvie Joe were Monday dinner guests of Mr. and Mrs. Jim Brevard.

HARMONY HERALDS

Rev. S. C. Cox, of Abilene, will conduct services at the Baptist church here Sunday.

Mrs. G. R. Green has been at the bedside of a friend in the Ballinger hospital several days this week.

Mr. and Mrs. Joe Stubblefield and son visited in the Keating home at Mullins recently.

Mr. and Mrs. W. T. Knowles and little daughter, of Haskell, visited in the home of Mr. and Mrs. W. T. Billups over the week-end.

Mr. and Mrs. F. L. Seals and Laverne were business visitors in Ballinger Thursday.

Mr. and Mrs. Joe Stubblefield visited Ellis Stubblefield in the Santa Anna hospital Friday.

BARNETT BELLRINGERS

Everyone rejoiced over the large rain that fell last week.

Mr. and Mrs. W. N. Gaddy and daughter spent Sunday with Mr. and Mrs. Black, of Marie.

Mrs. Harcastle and Mrs. Maud Jones, of Millersview, are spending a few days with Mr. and Mrs. Burtus Jones and son.

The death angel visited our community last Wednesday night and took away little Yvonne Howell. She was just a little bud on earth to bloom in heaven. Loved ones do not grieve because she is waiting over there.

Burtus Jones visited in the Lander home Sunday.

Mr. and Mrs. Claude Thompson and family, of Bethel; Mr. and Mrs. Otis Harber, of Ballinger; Mr. and Mrs. J. B. Yancey and Mrs. Roy Tyree visited in the W. B. Thompson home Sunday.

Mr. and Mrs. Harold Mix of the valley, attended the funeral of their niece, little Yvonne Howell.

Miss Dot Norman left Wednesday for San Angelo, where she will take a beauty course.

There will be a box supper at the Barnett school house Friday night, October 22. The public is invited to attend.

Citation by Publication of Final Account

THE STATE OF TEXAS
To the Sheriff or any Constable of Runnels County—Greeting:

Roy Scott, Administrator of the Estate of J. Frank Scott, Deceased, having filed in our County Court his Final Account of the condition of the Estate of said J. Frank Scott, Deceased, numbered 1443 on the Probate Docket of Runnels County, together with an application to be discharged as such Administrator and for Partition and Distribution of said Estate.

You are Herely Comanded, that by publication of this Writ for ten days before the return day hereof, in a Newspaper printed in the County of Runnels you give due notice to all persons interested in the Account for Final Settlement of said Estate and for discharge as such Administrator and for Distribution of said Estate to appear and contest the same if they see proper so to do, on Monday, the 15th day of November, A. D. 1937, at the Courthouse of said County, in Ballinger, Texas, when said Account and Application will be acted upon by said Court.

Given under my hand and seal of said Court at my office in the city of Ballinger, this 21st day of October, A. D. 1937.

W. W. CHASTAIN, Clerk,
County Court, Runnels County.
I hereby certify that the above and foregoing is a true and correct copy of the Original Writ now in my hands.

W. A. HOLT, Sheriff,
Runnels County, Texas.
21-28

BIRTHS

Mr. and Mrs. Lawrence L. Rollo-witz, of Concho county, are rejoicing over the arrival of a son, born Friday evening, October 15. The young man, who weighed 8 1/4 pounds at birth, and his mother are doing nicely.

Mr. and Mrs. Tom Gregg are entertaining a fine baby boy, born Wednesday morning at 8:30 in the Halley & Love Sanitarium. The young man, who has been named Tommy Reese Gregg, weighed 6 1/2 pounds at birth. Mother and baby are both doing nicely.

"Frequent water drinking," says the specialist, "prevents you from becoming stiff in the joints."
"Yes, but some of the joints don't serve water."

The world record production of feldspar was attained in 1928, when a total of 460,637 long tons were produced by all countries.

BALLINGER AND ROWENA MEN HONORED AT UNIVERSITY

AUSTIN, Oct. 21.—Bill Woods, University of Texas student from Ballinger, is appearing this week in the Austin Little Theater's first play of the season, Ernest Vajda's "Fata Morgana." Woods' role in the play is that of Henry, which was played on Broadway by Sterling Holloway.

In the student elections held this week on the university campus, Woods was elected without opposition to the students' assembly from the college of pharmacy.

Alfred Kettler, of Rowena, tutor in physics at the University of Texas, has been elected president of the physics colloquium, organization of physics professors, assistants, and others interested in physics. Kettler succeeded Eugene Ennis, of Mexia.

Kettler, who holds bachelor of arts and master of arts degrees from the university, majored in physics and minored in mathematics. As part of the requirements for the master's degree, he wrote a thesis, based on original research, on the subject, "The Problem of Amplification of Transients."

Kettler has made an outstanding scholastic record at the university, having been elected as an undergraduate to Phi Beta Kappa, national scholastic academic honor society. He also belongs to Sigma Xi, national honorary science society, and to the University Science Club.

A. & M. MEETING CLARIFIES AGRICULTURAL OBJECTIVES

COLLEGE STATION, Oct. 20.—Texas A. & M. College will soon issue a statement on its agricultural objectives in an effort to aid Texas farmers. The extension service will be charged with the responsibility of carrying the details of the plan to Texas farm and ranch families. H. H. Williamson, director of the service, has announced.

County agricultural and home demonstration agents have been asked to submit county objectives. On the basis of this information, and of suggestions offered at a conference of some 160 leaders of agricultural affairs, held at the college on October 12, the objectives of the institution will be framed.

The present objectives and activities of the institution in regard to agriculture are built along the lines of improvement in home food supplies, home improvement, including clothing, the production, preservation, and utilization of the feed supply for both home and commercial use, conservation and utilization of farm cash resources, the conservation of soil, water, timber, and other natural resources, including wild life, the improvement in quality of farm and ranch products, control of diseases, insects, rodents, and animal parasites, cooperation with county, state and federal agencies dealing with agriculture, development of rural leadership, and human betterment.

Representatives of various insti-

DEFENDS OIL MEN

tutions, organizations and agencies who attended the conference heard President T. O. Walton point out that the ultimate objective of the institution was human betterment, which he said included the broad field of public welfare, whether it relates to social content or to economic betterment. This objective must be attained, in his opinion, through such avenues as measures designed to increase the farmer's spendable income.

There's what we want!

At the Price we can afford to pay!

What do you want? How much do you want to pay for it? Where will you find it? Those are your questions.

What's wanted, how much it should cost, when it will be needed is an old story to Ballinger merchants. They know those things... and they stay in business by making your wants their guide.

They know how to tell you about them, too. What's wanted... at the right price... is what you'll find in the ads in The Ledger today.

You'll Find it in the Ads in

Lights of New York

by L. L. STEVENSON

The announcement that the residences of the late John D. Rockefeller and John D. Rockefeller, Jr., were to be demolished to make space for a million-dollar museum again recalls the fight of the Rockefellers to keep West Fifty-fourth street, between Fifth and Sixth avenues, strictly residential. Quietly, Rockefeller and son for years purchased adjacent properties until they owned all but two parcels on West Fifty-fourth street and had considerable holdings on West Fifty-third street. A dozen years ago, the home of Florence A. Twombly at the southwest corner of Fifth avenue and Fifty-fourth street was acquired. The purchase price was not made public though it was held to have been more than a million dollars since the property was assessed at more than that amount. By owning the Twombly home, with St. Thomas' church on the northwest corner of fifty-third street, father and son possibly thought their privacy would be protected. For that security they had invested about four and a quarter million dollars.

The house in which the elder Rockefeller spent a number of years of his life after he had attained his fortune is a four-story structure at No. 4 West Fifty-fourth street. It was built in 1865 and at that time stood alone in the neighborhood. In 1912, John D. Rockefeller, Jr., built a home at No. 10 West Fifty-fourth street. Nine stories in height and of ample proportions, the residence is one of the largest homes in the city, its size being equivalent to that of an apartment house. The cost was \$200,000 and the interior trim and decorations are said to have cost another \$100,000. In later years, the elder Rockefeller spent much of his time at the Rockefeller estate at Pocantico Hills in Westchester. As the years passed he passed his summers on an estate in New Jersey and his winters in Florida.

When plans for Rockefeller Center, first known in its entirety as Radio City, were announced, old-timers shook their heads. The Rockefellers, who had fought for privacy, by the new development were bringing crowds right to their back doors. Rockefeller Center was built, then came apartment houses built by the Rockefellers in West Fifty-fourth street. Now the Rockefeller homes are to come down and John D. Rockefeller, Jr., and his family are to move to a Park avenue apartment.

New in New York, I used to like to stroll by those quiet, respectable looking but somewhat domineering residences on West Fifty-fourth street. If progress were too slow or if a stop were made to speculate on the gardens in the rear—gardens on million-dollar real estate—silent and businesslike gentlemen appeared. There were always two of them and I took them to be guards. One evening, I saw John D. Rockefeller, Jr., carrying a bulging brief case, enter No. 10. Later I learned it was his habit to take home from his office at 26 Broadway work he had been unable to finish during the day. I never saw the senior Rockefeller enter or leave No. 4.

Another diversion for this Middle Westerner when new in New York was to wander around Madison avenue in the vicinity of No. 231 and hope for a glimpse of J. P. Morgan. Not until several months of vain vigil did I learn that though the telephone book listed that address as his, Mr. Morgan lived out at Glen Cove, L. I.

With so many New Yorkers looking around for a place to which to move at the end of September, a tale told by Carl Ravell, young orchestra leader, about a young friend seems in line.

"Darling," said the friend as he rushed into his wife's arms, "we don't have to move to a more expensive apartment. They've just raised the rent here."

Recently Phil Baker received a novel gift, a small glass vial containing an odd-looking insect. It was sent to him by a Vermont farmer with this note: "Just so you can carry 'Beetle' and 'Bottle' around with you when you're not broadcasting."

Enter Civilization

Goldfields, Sask.—Civilization has caught up with this tiny newly discovered mining community. The inhabitants have been advised that they will be provided with a jail and will have to pay school taxes.

Gadget to Indicate Moment to Propose

Salt Lake City—Ardent swains of the future will have an infallible guide in electricity, which will show the correct moment to propose, predicts Dr. Phillips Thomas, Pittsburgh scientist.

"Romeo will only have to glance at a yet-to-be-developed gadget, tuned to 'personality radiations' of his loved one. When the gauge shows proper emotional pressure for the question he can't miss," Dr. Thomas said.

Mr. and Mrs. R. E. Terry, of Dallas, were week-end guests in the home of Mr. and Mrs. W. H. Greer.

An old lady was on her first air trip: The plane was rapidly climbing, when she leaned over, and, touching the pilot on the shoulder, said: "Young man, it is cold enough up here already without having that fan on."

Farm Legislation Will be Proposed At Dallas Dinner

A two-state agricultural meeting called to discuss recommendations to make to the special session of congress in regard to farm legislation will be held in the Jefferson Hotel, Dallas, October 25. Farmers and business men interested in farming and allied industries are invited to attend the meeting and join in the discussions. Floyd L. Stainback, county supervisor for the farm security administration, said today.

C. M. Evans, general chairman of this Texas-Oklahoma farm security dinner, announced he had received assurance that practically all of the congressional delegates from both states would be present. Evans said the dinner will give opportunity for discussing recommendations to make to a senate sub-committee which will hold a meeting at Dallas the following day. This sub-committee is headed by Senator Elmer Thomas.

The object of the meeting is to lay the foundation for general farm legislation which is to be considered during this special ses-

SIGNS FOR MOVIES

Airline hostesses are all so capable and charming that the intruder of Cupid are the most serious factor involved in alienating them from their jobs. Now comes an announcement from an airline company indicating another threat. As evidence we show you a picture of pretty Daphne Lane, airline hostess who has just received a motion picture contract from one of the major producers.

dinner. Those who are unable to attend are invited to send their suggestions to the Dallas Agricultural Club, or to C. M. Evans, regional director, farm security administration, Dallas.

Mr. Evans said he is "especially anxious to have farmers from every county send their suggestions," and they will be passed on to the sub-committee for further study.

WEDDINGS

Tatum-Gorman

A. G. ("Red") Tatum, of Ballinger, and Miss Cornie Gorman were married at Brownwood Saturday night. Only a few close friends were with the couple when the ceremony was performed.

Quincy ("Buddy") Agnew was brought here the first part of the week from Royalty, where he was injured in an accident at an oil well. He is at the home of his father, H. G. Agnew, and is reported to be improving at this time.

Mrs. Fannie Taylor, of the Eastern Star home at Arlington, was here over the past week-end for a visit with friends.

THE BALLINGER LEDGER

LOOK LOOK LOOK

For Men of Standing

A well groomed appearance betokens an orderly mind and efficient performance that wins. A Curlee suit will give you that appearance.

All over America you'll find men of the highest standing wearing Curlee Clothes for their correct styling, perfect fit and comfort. Many have several suits, because the man who is doing things must find comfort in the clothes he wears.

The new styles for this season are very attractive. All the new models and fabrics—all pure wool—and every suit has two pairs of pants. Curlee methods assure you a perfect fit and much longer wear than you expect.

Wear Guaranteed by Curlee

Fit Guaranteed by Us
