VOLUME 58

BALLINGER, TEXAS, THURSDAY, FEBRUARY 2, 1939.

NUMBER 17.

## 300 Attend Affair For Crippled Tots Sponsored by Club

Ballinger people made their first substantial contribution to the fight on infantile paralysis Monday evening at the President's Birthday celebration sponsored by the Business and Professional Women's Club. More than 300 attended the Mexican supper and floor show held in the national guard armory and a majority remained for the dance which followed serving of the third group.

The hall was beautifully decorated with national colors, high school girls in uniforms served patrons, and members of the club were in the kitchen to arrange plates. The hall was specially lighted for the floor show with overhead spots to give the entire dining room the appearance of a cabaret.

Serving began at 6:30 p. m. and in a short time all tables were filled. As the group finished the first floor show was offered and as soon as it was concluded there were more than enough waiting to fill the dining room again. A plate of tamales, beans, chili, peppers, crackers and coffee was served to each ticket holder.

Harry Lynn was master of ceremonies and showed night club experience in the manner which he conducted the program. His humorous line of chatter as he introduced the numbers kept the diners in an uproar and gave each performer a good start.

The first number presented little Miss Marilyn Agnew, who delighted her hearers in a reading that was humorous and well done. This popular little entertainer is always sure-fire on any program and she turned on the personality Monday night to help the kiddies not so fortunate as herself.

Misses Mary Simpson and Winnie Merle Adair stepped into the spotlight with a tap dance number to the tune of "Jeepers, Creepers" played by Mrs. Wilbur Redwine. A well rehearsed routine to fast back steps made up a very diverting number.

Mr. Lynn took advantage of Gurchal Gilligan in his introduction of a trombone solo and almost stole the show. In his usual manner the popular young high school bandmaster performed with Mrs. A. McGregor playing the accompaniment.

Mary Jo Webb in a solo held the large group of diners to rapt attention in her rendition of "La Paloma," with Miss Hattie Mae Dunlap at the piano.

A feature of the show presented the Tucker Twins, Annette and Janette, in harmony singing, playing their own accompaniment on guitar and mandolin. These girls are rated as the most popular performers in this section of the state. They have had considerable professional experience, last summer appearing in practically every city in Texas as the Taystee Twins, sponsored by a baking concern. They were greeted with a round of applause here Monday evening and recalled for numerous encores.

An unusual number that was received with prolonged applause, demonstrating real appreciation from the audience, was the national dance of Mexico, executed by Miss Lucia Rede and Geracido Saenz accompanied by Miss Eva Comunetz and Felix Cortez at the piano and violin.

The final number was the harmony singing of Hartford Boswell, R. W. Earnshaw and Troy Simpson. Opening with a specially written number pertaining to the president's birthday party, the quartet closed with comedy renditions.

During the serving a Mexican orchestra played stringed music.

Mr. and Mrs. S. R. Yates, of Arlington, were week-end visitors in the home of their daughter, Mrs. Robert Bruce.

## County's Teachers Will Get Holiday To Attend Meeting

Ballinger teachers and a majority of the teachers in Rannels county will have a holiday Friday, February 10, in order that they may attend the meeting of the Mid-Texas Educational Association at Brady on February 10 and 11.

Attendance at the convention will not be compulsory for teachers, however, Supt. H. C. Lyon stated that he would urge all Ballinger faculty members to attend. The matter of a holiday will be left up to the boards of trustees in the other schools of the county and a number have already stated that this would be allowed.

E. D. Stringer, superintendent of the Winters schools, president of the group, has been instrumental in lining up an attractive program for the annual meeting.

Prominent educators throughout the state will appear on the program at the general assemblies, and also at the sectional sessions. M. J. Benefield, secretary of the Brady Chamber of Commerce, will give the welcome address at the opening program. Other speakers announced include: L. A. Woods, state superintendent; Dr. J. C. Blair, chairman of the state board of education; Homer C. DeWolf, member of the state board of education; Dr. John O. Beatty, Southern Methodist University, will speak on "The Tyranny of Minorities." Dr. Willis A. Sutton, superintendent of schools at Atlanta, Georgia, will deliver an address on "Breaking the Shackles of Education."

From Baylor University an a cappella choir under the direction of Robert Hopkins, will provide musical numbers. Solo numbers also will be rendered at the general assemblies by Baylor University fine arts instructors. Mr. Hopkins will address the teachers on "The Child Voice and Treatment of Same." Sectional sessions will be held Friday afternoon from 2:15 to 4:15.

## Anson Man Buys Interest in Firm Of Shepperd Co.

John W. Purifoy, formerly of Anson, has purchased an interest in the firm of E. Shepperd & Co., and will be active with the firm, it was announced this week. Mr. Purifoy has resided at Anson 30 years, a number of years being engaged in the banking business, and for several years has been selling general insurance. He was here Wednesday conferring with Mr. Shepperd and making arrangements to move to Ballinger.

Mr. and Mrs. Purifoy will be here this week to make home. He had secured no living quarters Wednesday but had a number of places promised which could be had later.

E. Shepperd, founder and general manager of this business, stated that there would be no change in the present personnel of the firm. L. M. Loveless will remain in the insurance department and Mrs. Gertrude Woods will continue as bookkeeper.

The growth of the business has made it necessary to obtain additional help to take over part of the responsibility. Recently the concern moved to its new home in the old Security State Bank building which provides better office quarters and a large vault for records.

Mr. Purifoy comes to Ballinger thoroughly experienced in insurance. At Anson he has made a fine record for civic work and has also been an active worker in the Presbyterian church.

No change will be made in the firm name, continuing as E. Shepperd & Co.

Mr. and Mrs. L. R. Tigner visited in San Angelo Monday, Mr. Tigner having been called as a witness in a case in district court.

Chief Lee Moreland went to San Angelo Monday morning to appear as a witness in a case in district court.

Wilburn Batts, Phil Evans and Rex Nixon, all students of John Tarleton College, Stephenville, were week-end visitors here.

Miss Virginia Speck, of San Angelo, was a week-end guest in the home of an uncle, Sam Behringer, and family.

## Fire Destroys Texas Theatre; Loss is Estimated at \$35,000

Ballinger interests sustained a fire loss estimated at \$35,000 early Monday morning when the Texas Theatre, Texas Grill and the Cactus Drug Store were destroyed. It was one of the most disastrous fires in the history of Ballinger and one of the finest showhouses in this part of Texas was reduced to smoldering ruins.

The fire was discovered by Night Watchman H. O. Andrews about 3:30 Monday morning. It apparently originated in the rear of the Texas Grill, according to firemen arriving first at the scene, and quickly spread to all parts of the large building.

The regular Sunday afternoon program was presented and the theatre closed for the day. The drug store and grill were open later but closed about the regular time and the entire building was locked for the night. No employee could give any cause for the origin of the conflagration.

Soon after the flames were discovered the plate glass windows in the cafe were blown out and a draft swept the flames into the showhouse.

W. D. Seales, manager, estimated the loss on the theatre at about \$30,000. Damage done the drug store was declared approximately \$2,000, and on the grill \$3,000.

H. T. Hodge, of Abilene, one of the owners of the Texas and Palace theatres here, stated Monday that the Texas would be rebuilt as soon as insurance adjustments could be made and other matters cleared. He added that he and his associates were not entirely covered by insurance and that they would sustain a heavy loss.

The Texas was a part of the H. & H. theatre group of this section which owns other showhouses at Winters, Odessa, Merkel, Stamford and Midland.

The big auditorium and other interior sections furnished a pitiful spectacle Monday morning, with every inch piled in debris. Six streams of water did little more than confine the flames within the walls and firemen worked strenuously for more than three hours before the fire was under control. All fire fighting equipment was brought into action as quickly as possible and connections were made rapidly. The stillness of the night cut down the hazard of flying sparks from the burning building and only slight damage was done to the two adjoining buildings.

Inspections Monday indicated that the walls of the building were only slightly damaged. The south wall was cracked in several spots but inspectors said it probably could be repaired. The brick front seemed to be usable with slight repairs.

Films being shown at the Texas were not damaged. They had been placed in fireproof containers at the end of the Sunday afternoon matinee and were taken from the booth after the fire and shown at the Palace Theatre Monday and Tuesday.

The city secretary's office was ready to make a complete report of accomplishments in collections showing a total of 83 per cent of the current taxes paid by January 31. From the tax rolls of \$30,855.41 a total of \$25,642.06 was paid before the final date.

A. F. Brock, collector of school taxes, was not ready to make a definite report but stated that it would be about the same as a year ago when more than 80 per cent of current levies were paid.

W. A. Forgy, county tax collector, was at least a week from having all mail opened and could not give an estimate of the number of polls paid this year. Several sub-collecting stations in the county had not been checked up and many letters were piled up waiting to be opened and credits given. Mr. Forgy expects tax payments to be slightly lower than the year before but to run

## Commencement Programs Here to Begin on May 16

### Club Shareholders Will be Submitted Improvement Plans

Ballinger Country Club members will meet tonight to consider permanent improvements on club property and much interest has been evinced, indicating a full attendance of stockholders at the meeting.

Plans will be submitted for consideration to replace sand greens on the golf course with grass and the construction of a swimming pool. For the past two years swimmers have been denied this privilege because of moss in the lake and there has been a strong demand for this entertainment for children of members and others.

Modern golf courses in this section have almost made sand greens obsolete and playing members are looking forward to getting up to date in this sport. Estimates have been obtained for the laying of irrigation lines, the dirt work and seeding of grass greens, and the figures and data will be presented in the business before the organization this evening.

The meeting will also be open for suggestions of other improvements at the club grounds which members would like to submit. Clearing the lake of vegetation has been a problem which so far has not been solved. Efforts have been made for two years to rid the lake of moss but nothing has proved effective.

Miss Camille Behringer left Monday for Georgetown, where she is a student at Southwestern University. She had been visiting in the home of her parents, Mr. and Mrs. Sam Behringer, since last Thursday.

### Killough Elected C. of C. President At Meeting Today

The directors of the Ballinger Chamber of Commerce held their first meeting of the year to begin organization work and elect officers. J. A. Killough, manager of the J. C. Penney store at Ballinger, was named president, and accepted the responsibility for the ensuing year. W. B. Woody, manager of the Texas Compress Co. plant here, was elected first vice-president; and H. W. Lynn, manager of the West Texas Cotton Oil Co. mill in Ballinger, second vice-president. R. E. Bruce, assistant cashier of the Farmers & Merchants State Bank was named treasurer.

Killough, Woody and Lynn will compose the executive committee and will meet during the next few days to make plans for the group, appoint standing committees and have other business ready to present to the next meeting of the board next Tuesday night.

At the next meeting the directors plan to perfect the organization and be ready to launch a constructive program of items of interest to all Ballinger citizens

Supt. H. C. Lyon has set dates for the programs in connection with the closing of the public schools here. These dates are announced in advance so that other events and especially programs of fine arts teachers may be arranged without conflict.

One departure from the regular schedule of the past will be made this year. The baccalaureate service will be held on Wednesday night instead of on Sunday as has been the practice in the past. Mr. Lyon pointed out that such an arrangement would not interfere with local churches in their regular program. Baccalaureate usually falls on Mothers Day and sometimes causes change of plans for local pastors who have their programs set for that day. It is also more difficult to secure visiting speakers from large churches on that date and the new arrangement will eliminate this difficulty. The First Christian Church of Ballinger will provide the speaker for the baccalaureate service this year.

The commencement program will begin Tuesday, May 16, at which time the senior play will be presented. Students in the senior class will be selected for this feature and will be rehearsed by Ernest Sublett.

At the baccalaureate service Wednesday, May 17, the senior class is to make its first appearance in caps and gowns as the 1939 graduates.

On Thursday evening, May 18, the junior high school graduation exercises will be held and the program includes the issuance of diplomas.

Friday evening, May 19, is the date set for graduation of the senior class, with a guest speaker delivering the principal address. A speaker for this occasion will be obtained early this year in order to get a prominent man who will interest the class members and also draw heavy attendance for the final program of the 1939 commencement series.

### DISTRICT HEALTH NURSE VISITS IN THIS COUNTY

Miss Bernedene Brunner, district health nurse, spent Wednesday here with Miss Sarah Harwell, county health nurse, checking up on the program in Rannels county. Wednesday morning was spent in going over work in the office and Wednesday afternoon the nurses visited the Wingate school.

Miss Brunner spoke to the high school pupils and members of the Wingate P.-T. A. and showed a picture on syphilis and tuberculosis.

and business interests.

Other board members, besides those elected to office, are: J. J. Beck, E. E. King, R. G. Erwin, W. O. Wallace, F. M. Pearce, John A. Weeks and R. T. Williams. The board was in session today from 10 a. m. until noon.

### Judge Overrules Plea for Retrial Of Salazar Case

The defense motion for a new trial in the case of Frank Salazar, 23-year-old Mexican convicted last week of the murder of Paul Kennedy, of near Miles, was overruled Tuesday morning by Judge John F. Sutton, in a special hearing at Sweetwater.

Defense Attorney Eugene Mathis filed the motion at the close of the first trial in which Salazar was assessed the death penalty. The prisoner, brought into court Tuesday by two state rangers, was carrying a Bible which had been given him while he was a prisoner in the Abilene jail.

Judge Sutton ordered the Nolan county sheriff, Tom Wade, to take Salazar to Huntsville immediately. Sheriff Wade said he would leave Tuesday night for Huntsville, stopping at Fort Worth overnight.

In asking the new trial Mathis cited 11 bills of exceptions to testimony given in the case. His petition was 13 paragraphs long in which he legally set out claims for a retrial of the case.

Defense counsel said it would appeal the case to higher courts.

### GOLDEN STAR QUARTET TO SING AT TYREE CHAPEL

The Golden Star Quartet (colored) will render a program of negro spirituals at Tyree Chapel, A. M. E. Church, Friday (tomorrow) night, commencing at 8 p. m.

The general public (both white and colored) is invited to hear these great gospel singers.

A special section of the church is to be reserved for white friends who wish to attend and their presence will be appreciated by the pastor and members of the church. Tickets are available now for this attraction. Rev. V. T. Herron, pastor, said.

Rev. Coleman W. Kerry, gospel singer and evangelist, is manager of the quartet. He also gives astrological readings.

### Marriage Permits Issued to 11 Pairs During January

Marriage license issuances in Rannels county during January showed the effects of the Christmas rush. County Clerk W. W. Chastain had few awakenings late at night last month on account of bridegrooms seeking the necessary permits. At the end of the month it was revealed only 11 couples had acquired "the papers."

This was a big slump from December when the average was more than one a day, and 11 issued the three days before Christmas eve.

Those issued licenses during January are listed below with the exception of three couples who did not want their names printed:

Emil Liebers and Miss Helen Armbricht  
E. L. Ford and Miss Christine Walden  
Gerald Nicks and Miss Ruth Aileen Walden  
Joe Walters and Miss Agnew Emery  
Benito Sandoval and Miss Soila Parra  
Bryant Matthews and Miss Polly Lou Pettigrew  
Robert Ferguson and Miss Elva Mae Wheelless  
J. C. Watson and Miss Dollie Garnett.

somewhere around 80 per cent of the 1938 rolls.

Dr. Horace W. Morelock, president of Sul Ross College, Alpine, and noted authority on national and state parks, told 200 members and guests at the annual meeting of the Ballinger Chamber of Commerce last Friday night that Texas has the greatest opportunity of any state to develop her natural beauty, particularly in the Big Bend region.

In referring to the proposed international peace park which would be at the border of Texas and Mexico and would comprise 1,250,000 acres, the speaker stated that Gov. W. Lee O'Daniel has expressed himself as being highly in favor of the movement and has indicated that he will sign the bill creating the park. National rights to build a national park have been acquired and all that is holding it up is action by the state.

As shown in movies, taken in the Big Bend region, the proposed park will equal other national parks in scenic beauty. It also will be an industrial and commercial asset, Dr. Morelock pointed out, in that more than six million people visit the national parks annually and a park situated in the Big Bend will attract many visitors from out of the state who must travel almost completely across the state to reach the park. A personal subscription campaign is to be launched by the park committee within the next few weeks and will be state-wide in scope. Further announcements concerning this drive will be made when plans are perfected.

Following the invocation by Sam Behringer, guests from Abilene, Brady, Bronie, Coleman, San Angelo and Winters were introduced. Members of the Ballinger Business and Professional Women's Club sat in a body at the banquet and were introduced by their president, Miss Iola Clayton. B. and P. W. members present were Misses Sarah Harwell, Evelyn Crowell, Wynis Greer, Alida Macune, Myra Tankersley, Betty Stewart, Mrs. Carmen Lawrence, Mrs. Erma Daly, and Miss Clayton. This club was celebrating its first anniversary at the banquet.

In the absence of George Clements, retiring president of the chamber, Neil McAlpine introduced the members of the board of directors for 1939. These are: J. A. Killough, John A. Weeks, R. E. Bruce, R. T. Williams, J. J. Beck, W. B. Woody, E. E. King, F. M. Pearce, W. O. Wallace, H. W. Lynn and R. G. Erwin.

The principal entertainment features of the program were furnished by a group of Baylor University students. With C. J. Humphrey, of Oklahoma City, master of ceremonies for the group, a brief program of comedy and music was presented. Humphrey kept the diners in an uproar as he cleverly presented the program and inserted boasts for Baylor at intervals. Besides Humphrey, student performers were Misses Mary Helen Neely of Waco, Avis McKelvin of Ranger, Saretta Morrow of Abilene, and Helen Osgood of Amarillo, and Jeff Bell of Crowell.

Following the principal speaker's address the motion pictures were shown by Dr. G. P. Smith, director of teacher training at Sul Ross and leader in the Big Bend park movement.

Out-of-town guests for the banquet included: Fleming James, R. G. Boger, Sim O'Neal, Howard McMahon, Gene Eilo, Mr. and Mrs. L. A. Smith, J. C. Watson and Brooks Peden, of Abilene; M. J. Benefield and W. B. Jones, of Brady; H. O. Whitt and B. B. Covey, of Bronie; Mr. and Mrs. George C. Hill, of Winters; W. A. Stroman, Virginia Duncan and Dave Lemmons, of San Angelo; R. I. Bowen, Jr., and Mr. and Mrs. S. W. Cooper, of Coleman.

Secretary J. D. Motley submitted a printed report of activities for the past year to each person attending the banquet. Items

**Mr. Lyon Speaks in Assembly**  
 Mr. H. C. Lyon, superintendent, spoke to the student body Friday, January 27. He spoke on the subject of the immediate future which high school graduates must face. He discussed the three ways in which the world is changing with pertinent remarks about each. The first of these was the political world, which is becoming more and more uncertain. Mr. Lyon stated that Democracy must serve the needs of the people if it is to survive. Future Americans must see that it does. Economically, the world is changing. Machinery is displacing numerous workers. Young people today must face a world in which all occupations are overcrowded. Moral standards are changing also. There is much argumentation as to what is actually right and wrong. Mr. Lyon said these were things young people must decide for themselves. The best plan, he said, is to do whatever is for your own good and welfare. He said the best preparation for the future was strong character, good health, and a keen, well-trained mind.

**Prize for 4-H President**  
 The Oldfen 4-H club boys met with County Agent John A. Barton at the Oldfen community hall Monday, January 30. The minutes of the last meeting were read and approved. After roll call Mr. Barton distributed books explaining care and feeding of certain animals whichever the members have selected for their project.  
 Our leader, W. J. Halfmann, told us interesting things to know while we are working on our project. After discussion it was decided that two boys should choose sides and see which team would bring in the best records, as well as the side beating in playing ball. Captains of the two groups are Wilbert Palmer and Leroy Halfmann. Mr. Barton urged the club members to attend the fat stock show to be held at San Angelo March 4 to 7.  
 At the close of the meeting Mr. Barton surprised Norbert Halfmann with a fancy eyesharp pencil from the American Poland China Record Association, and also a gold medal from the Wilson Packing Co. He was very happy to receive these gifts and his dad was very proud of him.  
 The date for our future meetings will be the last Friday of each month at 1 o'clock sharp. We hope to pass the coming year with a perfect record book and perfect attendance at meetings.

## Miss Doose and Joe Richardson Marry in West Indies

Miss Dorothy Doose, daughter of Mr. and Mrs. Arthur Doose, and Joe Richardson were married in the Netherlands, West Indies, on January 23.

Mrs. Richardson was born and reared in Ballinger, where her family is listed among its pioneers. She is a graduate of the local high school. In August, 1937, she went to the West Indies Islands to work for the Lago Oil and Transport Company.

Mr. Richardson is a native of New York city. He has been an employee of the Lago Oil and Transport Company in the Indies for five years.

The couple will live there where a home is furnished them by the company. They are now on a honeymoon trip to several important ports in South American waters.

## Mrs. Shepherd is Hostess to Forty-Two Club

Mrs. C. P. Shepherd was hostess to her forty-two club last Saturday afternoon in her home on Eighth Street.

Red potted plants and burning red tapers about rooms suggested the valentine color theme used in all decorations and game accessories.

A salad plate with hot rolls and coffee was served following games to: Mmes. Warren Lynn, R. W. Bruce, John Currie, Hamp Byler, J. G. Douglass, E. C. Baskin, Ed O'Kelly, Drew Dickson, H. C. Lyon, J. Y. Pearce, John Weeks and B. C. Kirk.

## Alatheans Meet in Tigner Home

The regular monthly business and social meeting for the Baptist Alathean Class was held Tuesday afternoon in the home of Mrs. L. R. Tigner on Seventh Street with Mrs. Ruth Bankston and Mrs. J. F. Owens joint hostesses.

Potted plants decorated spacious rooms where handwork was done during the informal social hour.

The Valentine motif was stressed in the salad plate with coffee served to: Mmes. J. H. Parrish, C. W. Jennings, L. B. Rudder, J. B. Arterburn, R. T. Williams, Pyrie Gustavus, B. C. Kirk, Royal Bishop, O. C. Sykes, Robert Lowry, Henry Doss, Guy Lively, Hugh Parrish, Everett Witter, A. O. Bartlett and Fred Holliday.

## Hamp Byler is Host

Members of the Methodist Board of Stewards and a few added friends were included by Hamp Byler Monday evening when he was host at a stag dinner in his ranch home north of Ballinger.

Valentine decorations were used about rooms and heart tallies were used at quartet tables for place cards and later for score records kept with small heart stickers in forty-two games. The delectable menu of baked turkey and country cured ham with all the trimmings was served in two courses by Mrs. Byler and Miss Wayne Byler assisted by Mrs. H. G. Agnew, Mrs. John Currie and Mrs. C. P. Shepherd.

Included were: Rev. E. D. Landreth, Dr. J. G. Douglass, Messrs. Robert Bruce, J. D. Forman, W. R. Clark, R. W. Earnshaw, U. E. Hartman, W. F. Mason, R. W. Bruce, W. E. Middleton, Jack Scates, Cal Adair, Ray Tisdale, W. D. Scates, Joe Forman, J. E. Dankworth, L. M. Lovelace, J. A. Schnable, Troy Simpson, Myles Nixon, Sam Behringer, R. P. ## Date Announced for World Day of Prayer

The annual interdenominational World Day of Prayer service has been announced for Friday, February 24, at 4 p. m. at the First Christian Church on Broadway by Mrs. J. G. Douglass, leader. She will be assisted in a splendid program by members of the various

woman's church societies. The theme is to be "Let Us Put Our Love into Deeds and Make It Real." The offering will be shared by four interdenominational missionary projects. The need is urgent this year and every interested Ballinger woman should plan to attend and have a part in the offering.

## Book Reviewed for Teachers' Fraternity

Delta Kappa Gamma, honorary society for women teachers, met Saturday afternoon at the Tom Green County Library in San Angelo. Mrs. Bryan Yarbrough, of Lowake, was in charge of the program. Mrs. Lucy Rawlings Warner, social science teacher in Bronte High School, reviewed "Introduction to Teaching" by Charles W. Knudsen and Lucius O. McAfee. The five divisions of the book, so ably given by Mrs. Warner, concern the teacher and the teacher's work, the extrinsic rewards of teaching, factors in the supply of teachers and the demand for their service, preparation for teaching and the ethical obligations of the teacher.

Announcement was made that the club would present Dr. Walter Prescott Webb, head of the University of Texas history department and author of several books, in a lecture in the San Angelo College auditorium at 7:30 p. m. February 24. His theme will be the crisis of the democracies and will be free to the public.

Ballinger members present were: Mrs. Levy Lee, Miss Wynn Greer and Miss Marryatt Smith.

## Mrs. Stephens is Shakespeare Club Leader

Mrs. C. R. Stephens was leader for the regular Shakespeare Club meeting held last Thursday in their club room in the Carnegie Library on Eighth Street. She discussed "Navies and Marines." Mrs. Kiechle's topic was "Submarines and Aerial Craft," and Mrs. Leonard Stallings was "The Romance of the Fishing Fleets."

## Foreign Mission Program for First Presbyterian Auxiliary

Mrs. M. E. Boggess, cause secretary of foreign missions, directed the program for the Woman's Auxiliary of the First Presbyterian Church Monday afternoon. Roses and potted plants gave added attractiveness to the assembly room in the church basement on Broadway where Mrs. Dwight Sharpe gave an inspiring devotional. Mrs. Thomas B. Hill talked on "The World Today," and Mrs. Leonard Stallings on "Thy Kingdom Come." Mrs. J. C. Sturges, Jr., and Mrs. Alex McGregor sang "Tis the Blessed Hour of Prayer" with Mrs. Estes Lynn playing the piano accompaniment. Mrs. C. R. Stephens gave the concluding prayer. This is a special program for the week of prayer and self-denial. The various foreign mission schools have been studied for a period of time in a special class at the regular church school hour.

During the social hour Mrs. Estes Lynn and Mrs. Harry Lynn served hot spiced tea and cake. Others present were: Mmes. Albert Fryar, Grace Thomas, T. R. Burnette, J. D. Motley, Tommie Hall, L. J. Campbell, John Stitt, Victor Miller, M. C. Smith, Warren Lynn, Paul Trimmer, J. Y. Pearce, Alex Saunders, Chester Cherry, Mike Wright, Jack McGregor and E. W. Stasney.

Golightlys Are Hosts in San Angelo. Mr. and Mrs. George Golightly were hosts last Friday evening in their San Angelo home to mem-

bers of a club composed of Ballinger members in which they retained membership.

Lovely fuchsia blossoms were combined with feverfew for table centerpieces and room decorations. Other game and table appointments featured the Valentine theme. An Italian spaghetti supper was served preceding contract games in which Mr. and Mrs. Jack Rudd received high score award.

Others included: Dr. and Mrs. Oren Chandler, Messrs. and Mmes. John Stitt, J. C. Sturges, Jr., Loyd Herring, Ford Taylor, Leonard Stallings, W. B. Woody, and Clyde Pratt of San Angelo.

## Mrs. Paul Kirk Entertains Club

Mrs. Paul Kirk entertained the Thursday Contract Club last week in her Wilke Terrace home.

Valentine tallies were used for recording scores and favors were heart-shaped candies in valentine cups. A sandwich plate was served with coffee. Mrs. Jack Scates won high score trophy in games with: Mmes. Tom Guin, Sam Malone, Jr., Herbert Sledge, Oscar Batts, Misses Dorothy Lynn, Teddy Wardlaw, Merna Sue Clark and Louise Batts.

## Dance for High School Groups

To acknowledge courtesies of other classes, the junior class, of which Jack Bandy McGregor is president, sponsored a dance at the Ballinger Country Club last Friday evening to which a general invitation was issued.

Nickelodeon music was provided for the affair chaperoned by Mr. and Mrs. G. W. Lively, Mrs. F. L. Duncan and Mrs. Elmer Pasenik.

## Mrs. Cheatham is Hostess to Wednesday Club

Mrs. C. W. Cheatham was hostess to the Wednesday Contract Club this week in her home on Eighth Street.

Valentine appointments were used in games and in the salad plate with coffee and candy hearts served at tables laid in valentine covers.

Mrs. Hill Hampton received high score in games with: Mmes. Jack Holt, Alex McGregor, John Stitt, Tommie Hall, Leslie Baker, R. J.

Hawk and Ross Murchison.

## Guest Valentine Affair for Junior Woman's Club

The country club was the scene of a prettily appointed valentine affair given for guests by the Junior Woman's Club Wednesday evening.

Red and white twisted streamers were strung from the central chandelier, from which hung many red balloons to the four room corners and were held to each side of the fireplace by big red hearts. Quartet tables laid in valentine covers were centered with lighted red tapers and the large table had an arrangement of red carnations and candytuft flanked by tall red candles on a reflector. Red hearts were placed against window shades and partners for the delectable two-course spaghetti supper were found by matching heart pieces.

Following the supper games of ping-pong and Chinese checkers were played and valentines were drawn from a box elaborately decorated in red and gold.

Committee members responsible were: Mmes. J. D. Forman, H. G. Agnew, Thomas B. Hill, Rothal O'Kelly, James T. Bickley, E. C. Grindstaff, Ernest Moody, Price Middleton, and Miss Eugenia Baskin.

Present were: Dr. and Mrs. J. D. Eoff, Messrs. and Mmes. E. C. Grindstaff, Ernest Moody, J. T. Bickley, Agnew, Roy Miller, LeRoy McAuley, W. E. Moss, Mike Wright, Thomas B. Hill, O'Kelly, Forman, J. H. Endacott; Mmes. Cecil Jones, D. Saylor; Misses Mary Jane Kiechle, Louise Batts, Elizabeth Hoffman, Baskin, Cleo Lane, Iola Clayton, Cathryn O'Neal, Maurine Tipton, Pauline Morley, Carmen Demmer, Fay Canady, Elouise Jones; Messrs. Frederick Kingsbury, Sam Rogers, Owen Massey, Chester Afferbach, Cleburne Kincaid, Paul Gibbs, Jack McKay, W. P. Truett and Eric Behrend.

## CREWS SCHOOL NEWS

By Donnell Kelly

The Crews boys' basketball team entered a tournament at Paint Rock Friday, January 20. They were beat by Millersview in the first game.

The boys' and girls' teams went to Mozelle for games last January 17. The girls were beaten by the Mozelle girls by the score of two points. The Crews boys were also beaten by two points.

The Crews girls' basketball team went to Novice last Tuesday night. The Crews girls brought home the victory with the scores of 40 and 35. It was a very good game. Norene Rainwater was high pointer, making 21 points the last half.

On Wednesday night, January 25, the boys' and girls' teams went to Talpa. There were two very good games. The Crews girls lost by two points, and the Crews boys lost by four points.

Mid-term tests have just been completed by the students. It has not been decided who made the honor roll, but it will be published in this column next week.

We are sorry to report that Mrs. Woods, our school teacher, has not been able to be with us the past two weeks, due to illness. Mrs. W. T. Gassiot has filled her place. Mrs. Woods is expected back very soon.

## SINCLAIR DEALERS ATTEND MEETING AT SAN ANGELO

A group of Ballinger men attended the sales meeting of Sinclair oil dealers at San Angelo Tuesday night. The meeting was held in the Cactus Hotel with dealers attending from the Ballinger, San Angelo and Merton districts. Elmer Talbot, Vernon Talbot, J. V. Smith, O. L. Neely and J. E. Gilliam, of Ballinger, were present.

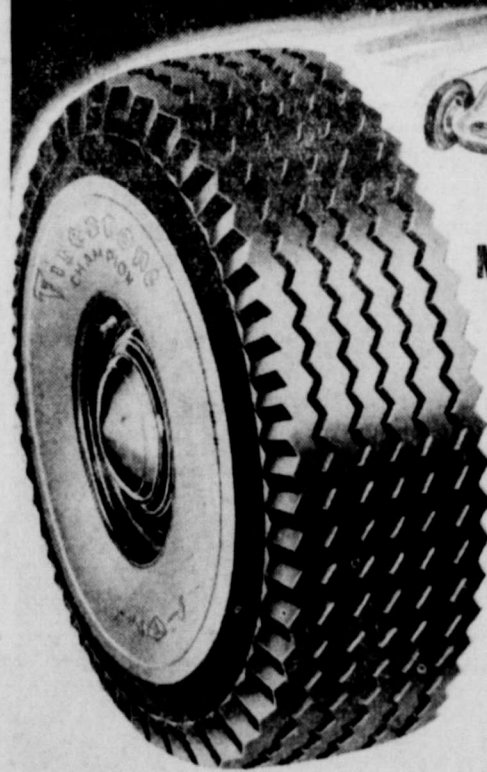

He: "How did you come to be discharged from the army?"

He: "When the enemy was coming toward us, our captain yelled, 'Shoot at will!' and not knowing which one to shoot I asked the captain, 'Which one is Will?'"

## IT'S HERE! The NEW Firestone CHAMPION TIRE

with the NEW Safety-Lock Cord Body and NEW Gear-Grip Tread

**Stronger Cord Body  
More Non-Skid Mileage**

**Plus FAMOUS FLOYD ROBERTS 1938 National Race Champion**  
**TRIPLE-SAFE CONSTRUCTION**

**FIRESTONE triumphs again!** This time with the new Firestone Champion, the tire that sets the safety standards for 1939. This new tire provides a combination of safety features never before built into a tire. It is a completely new achievement in safety engineering.

From the experience gained on the speedways of the world and in the Firestone laboratories, Firestone engineers have developed a revolutionary new type of cord body called Safety-Lock, which provides amazingly greater strength. This outstanding achievement makes possible the use of a thicker, tougher, deeper tread which assures much greater non-skid mileage. Because of this new Safety-Lock Cord body and Gear-Grip tread, the modern streamlined Firestone Champion Tire establishes completely new standards of blowout protection, non-skid safety, silent operation and long mileage.

The Firestone Champion Tire embodies the famous Firestone Triple-Safe construction — you get the exclusive and patented Firestone construction features of Gum-Dipping, two extra layers of Safety-Lock cords under the tread and Gear-Grip tread design. Never in all the history of tire building has there been such a triple-safe combination to protect you against the dangers of blowouts, punctures and skidding.

Come in today and equip your car with a set of new Firestone Champion Tires — the only tires made which are safety proved on the speedways for your protection on the highway.

**Basketball Team Organized**  
The high school boys have turned their attention to basketball here of late. Luckily, the loss of games so far has apparently undaunted them. A game here with the Maverick team last Thursday afternoon was won by the visitors by the score of 23 to 14. We're hoping for better luck in the future, however.

**Large Crowd Attends Recital**  
Mrs. Earl Cope presented her piano class in a recital in the auditorium Thursday night. Also, Doc "Ston" Hambricht, a violin player of Mr. Myers, and both junior and senior choruses of Miss Zada Chenoweth were featured. A large crowd attended and the program was greatly enjoyed.

**Work to Start Thursday on Gymnasium**  
Final plans have at last been completed and that noted gym which has been a rumor ever since the present seniors were fresh-

men, is to be started Thursday, February 2. It is to be a combination gymnasium-auditorium, and is to be built north of the school house. It will be a WPA project. The home economics and wood-work cottage are also progressing rapidly.

**Sh-h! But—**  
We know a certain girl whose favorite song could be paraphrased:  
"Twinkle, twinkle, little ring,  
You're the sweetest little thing!  
Recognize the song? The girl?

Marguerite, you really are a good looking young man. We didn't know that Norton girls were so frightening. A college student and two graduates of this school literally "took to their heels" and ran the other day when some N. H. S. girls appeared. Does anybody need a lawyer or a detective? Miss Morgan is training about twenty in those fields in senior English. They can preach, too.

Robert, chewing gum is very offensive in the hair, isn't it? I'll bet "Square" has learned his lesson.

Ding! Dong! Oh, those wedding bells! Is it or aint it, Dan and Jo?

"Oh, Willa-r-r-r-rd!" Can you vocalize such a yelp as that yet? Aw, come on, Billie. We want a real party!

Speaking of lawyers, detectives and preachers in the senior class, we also have our quota of actors. Don't we, Gene and Joan?

A new campus romance! "Big Smith" and "Sweet Milk"! Poor Gene is falling in her speech (as well as Sandy) from listening to their English sermons. And still another campus romance! The couple attended the president's birthday ball—Barbara and Odell.

Voice (over telephone): "Are you the game warden?"  
Game Warden: "Yes, ma'am."  
Voice: "Well, I am so thankful I have the right person at last! Would you mind suggesting some games suitable for a children's party?"

**FAMOUS MAGICIAN TO BE HERE TOMORROW NIGHT; WOMEN'S CLUB SPONSOR**

Marquis, famous magician, will be presented by the Ballinger Business and Professional Women's Club at the senior high school auditorium tomorrow (Friday) night. Admission prices will be 15, 25 and 40 cents.

Marquis has been acclaimed everywhere by critics to be the successor to all the great magicians of the past. More than twenty astounding mysteries, many laughs, and a full evening of fine entertainment is in store for those who attend.

An advance notice says: "Marquis audaciously challenges owners of the highest speed lens to make every attempt possible to picture his secrets. Amateur photographers have even been allowed upon the stage during the Marquis show and all attempts to reveal the modus operandi of Marquis' modern mysteries have been futile and Marquis' secrets are still secure."

Featured this season upon the fast moving and exciting two-hour program of the magician are acts including: "Ghost Town Ghosts," "Tent of Omar," "Phantom

**Broadcast: 'Spirits of the Keg,' 'Changing a Boy into a Rabbit,' and scores of equally as amazing wonders.**

"The Marquis show has been described as a 'circus in wonderland' and is presented amid lavish splendor. Special batteries of modern stage lighting enhance the baffling mysteries of Marquis."

**ATTEND FATHER'S FUNERAL**

Mr. and Mrs. Bert Fletcher and family and Mrs. R. D. Martin and family of Maverick; and Mr. and Mrs. Tom Crockett and family of Hatchel; were called to Mullin Saturday to attend the funeral of their father and grandfather, J. A. Fletcher, who died at the age of 85 years. Mrs. Crockett had spent the past ten days at her father's bedside.

Mr. Fletcher had many friends here as he had visited often with his children in this county.

**Rotary Club Demonstrates Appreciation Resolutions of Praise Passed Unanimously Of Ballinger Fire Department's Work**

The Ballinger Rotary Club passed resolutions Tuesday commending the work of the Ballinger fire department in recent fires and made a cash contribution of \$25 to the department's entertainment fund. The action was prompted because of the splendid work done the past several weeks and especially when the firemen fought the Texas Theatre conflagration so successfully.

The club's program Tuesday, on Boy Scout first aid work, was directed by K. V. Northington. R. W. Anderson, instructor in first aid for the local troops, was the principal speaker, and accompanying him were Paul Gibbs, scoutmaster; K. V. Northington, Jr., Jack Bandy McGregor, Lawrence Morrison, Harlan Dorsett, and John McMinn. The Scouts gave a demonstration in applying a splint in case of a fracture and told of the merits of this method.

Following is the resolution in behalf of the firemen: "WHEREAS, the members of the Ballinger Rotary Club recognize in the Ballinger Volunteer Fire Department one of the most useful and unselfish organizations in our city;

"AND, WHEREAS, the effectiveness of the long periods of training, study and practice has been so splendidly demonstrated in the handling of the serious fires that have so recently endangered the entire business section of Ballinger, the Perry Brothers and the Texas Theatre fires in particular; "NOW, THEREFORE, BE IT RESOLVED, that the Ballinger Rotary Club goes on record as being profoundly grateful to the Fire Department as an organized unit and to each and every officer and member thereof individually for the service being continuously rendered the citizenship of Ballinger, for the fortitude with which personal hardships are endured, and for the inspiration afforded by this notable example of service above self;

"FURTHER, that a copy of this expression of our appreciation be preserved in the records of our Club, a copy be delivered to the Ballinger Volunteer Fire Department, and that a copy be provided for the local press;

**OAK CREEK GROUP ORGANIZES 4-H CLUB**

The Oak Creek 4-H boys' club was organized at the school house on January 26. John A. Barton, county agent, was present and gave valuable information on the crops and livestock which would do best in the community.

The program was opened with an introduction of the local leader, Marion Phillips, after which officers were elected. Theron Bramlett was named president; Melvin Bahiman, vice-president; Neil Mac Clark, secretary and reporter.

The members have all selected their projects for the year with pig production the major demonstration. One boy has already started on a demonstration of turkeys. A number of visitors were present and several other boys are expected to come into the group later.

The following have taken membership and began their club work for the year: Theron Bramlett, John Dale Ballew, C. H. McKnown, Donald Phillips, Melvin Bahiman, Neil Mac Clark.

The next meeting will be held at the school house on February 17, beginning at 2:30 p. m. at which time the boys will have for the program subject "Handling a Brood Sow Before and After Farrowing."

Man, at one time, could move his ears in any direction. Underneath the skin are seven muscles which were used for this purpose. The muscles, however, are useless now.

"AND, FINALLY, as some more tangible evidence of the existence of these sentiments, that the sum of \$25.00 from the Club treasury be tendered to the Fire Department for its entertainment fund, such tender to be made with the assurance that it is a privilege to take public notice of so worthy a cause.

"Unanimously approved in open meeting, this the 31st day of January, 1939.

## Halfmann Given Gold Medal; Boys' Club Work Underway

Norbert Halfmann, Olfen 4-H club boy, was given a gold medal by the Charles E. Wilson Packing Co. at the meeting of the club Monday afternoon. John A. Barton, county agent, presented the medal for the work done with livestock by Halfmann last year, a record which won for him a trip to Chicago offered by the Santa Fe Railroad and other honors.

Mr. Barton stated this week that 4-H club work in this county was moving along nicely now with the membership goal passed and ten active clubs in the county. Approximately 150 boys have been enrolled in the clubs and others are named to come in later on cards. All club organizations have been perfected, have good adult supervision, and have started projects for the new year.

To date the ten clubs organized include those at Oak Creek, Mazeland, Norton, Maverick, Blanton, Crews, Content, Olfen, Bethel and Barnett. Those at Content, Barnett and Oak Creek are new clubs.

A new plan is being tried this year. Each club is divided into two groups with a team captain over each and all work will be

done on a competitive basis with each team graded. Baseball games will be played in clubs where there are enough members for two teams and a record kept of the results and included with the final grades.

The Olfen club will hold a meeting on February 21 which will be open to the public. At that time the boys will start raising funds to be used in sending both boys' and girls' 4-H club members to the annual short course at A. & M. College this year.

Each club in the county has a reporter who has been instructed to submit to the newspapers of the county at least one report a month. This work will count on the final rating of the club when record books are graded next fall.

The American Swine Association has presented eight pencils to boys in this county who had swine exhibits at the 1937 fall fair.

Mr. Barton will continue attending regular meetings of boys' clubs until all demonstrations are well underway. Twenty special lessons will be given the clubbers during the year on important problems dealing directly with club work and an examination is to be held on each lesson.

## 4-H Girls and Club Women Do Much Garden Work

Left, Mary Ann Carter, Mason county home demonstration agent visits Mrs. Lewis Hahn, of Streeter in her garden, one of the many fine vegetable and fruit plots in that section. Mrs. Hahn cans around 400 pints of vegetables each year. Right, foundation planting of native and nursery shrubs add much to the appearance of the home of Mr. and Mrs. O. R. Boenicke, of Bangs, Brown county. The work was done under the leadership of Brown county Home Demonstration Agent Mayesie Malone, seen (right) talking with Mrs. Boenicke.

COLLEGE STATION, Feb. 1.—More than twenty-five thousand of the 32,580 farm families in the 19 counties, from Palo Pinto and Jones on the north to Gillespie and Blanco on the south, that make up extension service District 7, were reached by some phase of home demonstration work in 1938.

Leaders in the work were 2,208 4-H club girls and 3,543 members of home demonstration clubs, according to Maurine Hearn, district agent of the Texas A. & M. College extension service, who supervised the activities of the 17 county home demonstration agents in the area.

Items compiled from annual reports of the agents show that 12 counties specialized in girls' clothing work and that 1,446 girls made 2,795 garments at a saving of \$4,706.88, while 663 girls kept clothing accounts.

More than two hundred bedrooms were improved by girls, who made 1,440 articles such as curtains, bedspreads, rugs, and bedlinens.

Kitchen work in 10 counties resulted in the transformation of 804 kitchens into more convenient and sanitary worksheds. Improved kitchens in Mason county are the subject of a moving picture that has just been completed.

In spite of a late freeze in the spring of 1938, food preservation was a major line of work as 562,728 pints of vegetables, fruits, meats, and jelly were canned by

women and girls under the leadership of the county home demonstration agents.

Some of the most outstanding yard improvement work in the state was done in Brown county, where 75 demonstrations, including improvement of a cemetery, two school grounds, and two church yards, are being carried on.

The Taylor County Homemakers' Market was open 52 days during the year, and farm women received \$3,611.62 through sales of high quality dressed poultry, cakes, rolls, jellies, relishes, eggs, butter, candy, fresh pork, and other products made or grown by them.

Leoma Hardin of the Clarlette 4-H club in Erath county won first place on canned tomatoes at the State Fair, while Erath county club girls placed fifth there with their county exhibit of canned products.

Counties in district 7, with their county home demonstration agents are Brown, Mayesie Malone; Calahan, Clara Brown; Coleman, Chrystene Trowbridge; Eastland, Ruth Ramey; and Mable Caldwell, assistant; Erath, Grace Cody; Gillespie, Cornelia F. Stewart; Jones, Gladys Martin; McCulloch, Jewel Patterson; Mason, Ellen Steffens; Mills, Emma Scott; Palo Pinto, Mrs. Mary Sue Gosell; Runnels, Myra Tankersley; San Saba, Frances Punchard; Shackelford, El Fieda Harrison; Stephens, Ruth Monroe; Taylor, Hattie Tacker.

## Basketball Teams To Begin Tourney At Winters Friday

The Ballinger high school basketball team will go to Winters this week-end to take part in the county tournament which will be held Friday and Saturday in the Winters gymnasium. All schools in the county with basketball teams in classes A and B and the rural division will be represented in the tournament.

Between 15 and 18 teams were expected to appear for places on the schedule. Amon Johnson, Winters coach, will be in charge of the tourney and coaches will be given an opportunity to draw for places and opponents in each group at the start.

In class A the Winters Blazers, the Ballinger Bearcats and the Miles Bulldogs have sent in certified player lists and will compete in this group. Games already played between the three teams indicate a tussle for the class A honors. The Ballinger boys have met the Winters quintet twice this season already, the locals winning the first game by one point and losing the second contest by two points. Miles has a fast game club and this division title might be won by any of the teams.

In the class B division entries have been received from Crews, Content, Norton, Wingate, Bethel, and Ballinger junior high. The Crews five is the favorite to win in this group as well as doped to defeat the class A champion.

In the class C or rural school division teams from Maverick, Drasco and Hatchel are entered and several others are expected by the closing date.

The basketball tournament will be the first feature of the rural school interscholastic league meet. On March 17 and 18 the rural school section of the meet is scheduled, and on March 25 and 26 students in classes A and B schools will compete.

### COTTONOIL MILL HERE RESUMES OPERATIONS; FEEDERS BUY PRODUCTS

The West Texas Cottonoil Co. mill here began operations again Tuesday morning and is expected to operate steadily for about two months. H. W. Lynn, local manager, stated that three full crews would be employed and he thought the run would continue eight or ten weeks before all materials would be used up and the mill shut down for the sea-

son. Cattle and sheep raisers in this section are using feed from the local mill for their livestock and a number of feeder projects in this section are being supplied locally.

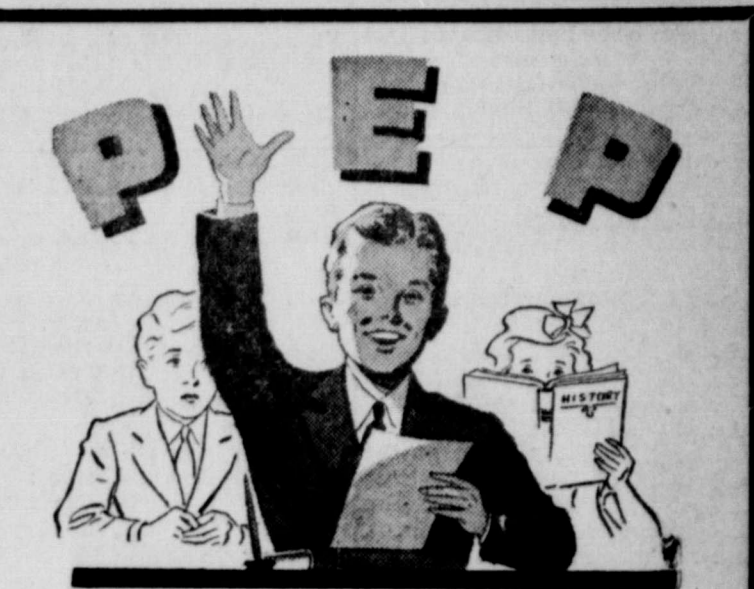

Another two weeks of operation will provide jobs for a large number of men and furnish a payroll each week that will put a large amount of money in circulation here.

### ILLINOIS WOMAN COMES TO TEXAS A. & M. TO LEARN LAND PLANNING

COLLEGE STATION, Feb. 1.—Interest in the Texas land use planning work, especially in relation to participation of farm women, brought Mary Louise Chase, assistant state leader of home economics extension work in Illinois, to Texas A. & M. College for a conference with extension service workers.

"I want especially to learn something about the fundamental philosophy back of the demonstration idea you use in Texas," Miss Chase said. She referred to the teachings of Dr. Seaman A. Knapp, upon whose demonstration plan the national extension service was organized more than 5 years ago and is still followed by Texas county agricultural and home demonstration agents. She expressed the belief that Dr. Knapp's saying: "What a man hears he may doubt, what he sees he may possibly doubt, but what he does himself he cannot doubt" is truer today than ever.

Miss Chase planned to study Texas land use planning activi-

An increase in assets of \$5,777,727, the largest in its thirty-six years' history, was made by Southwestern Life Insurance Company during 1938, according to C. F. O'Donnell, president. The company's annual financial statement shows total assets of \$61,200,299.

A comparison with last year's statement shows that the Southwestern invested heavily during 1938 in United States government bonds, and in bonds of Texas cities and counties. The increase in these items accounts for the greater part of the gain in assets.

With more than \$29,000,000 now invested in bonds, Mr. O'Donnell said that his company had continued its record of never having had a default of either interest or principal on any bond. "The company's bonds are worth at current market prices \$2,226,519 more than their book value," he said.

During 1938 the company gained insurance of \$19,564,935, bringing the total to \$342,617,326. "Southwestern Life is now the second largest company in the South writing ordinary insurance only," said Mr. O'Donnell. "Measured by amount of capital, it is fifth in size in the United States."

"The substantial growth of the home insurance companies of Texas is significant in the light of remarks recently made by Chairman William O. Douglas of the securities and exchange commission during his recent visit to Texas. He advised Texas investors to put their money in home enterprises. 'There is no reason,' said Mr. Douglas, 'why the huge financial structure of the nation, now centering in the East, should not be decentralized, stopping the siphoning of income from producing regions to New York.'

"Texas life insurance companies are making a substantial contribution toward the financial independence of Texas."

ties, plans, and technique and to observe the responsibility farm men and women are to have in formulating agricultural policies. To this end she visited with El Paso county extension agents and was scheduled for a similar visit in Milam county.

## Romance, Sure-Fire Comedy Combined in Ritz Offering

Romance and sure-fire comedy are combined with uproarious results in "Rich Man, Poor Girl," featuring Robert Young, Lew Ayres and Ruth Hussey, and to be shown at the Ritz Theatre next Sunday, Monday and Tuesday, February 5-6-7.

Young, a socialite millionaire in love with his secretary, played by Miss Hussey, is presented in another of those breezy, personable roles which earned him acclaim in "Married Before Breakfast" and "I Met Him in Paris." Lew Ayres in the part of Miss Hussey's impetuous cousin, champion of the middle classes, unquestionably huris himself into Hollywood's front rank of comedians with this delightful characterization. Miss Hussey, undertaking her first leading role, is an engaging and charming heroine.

Young and Miss Hussey are in love, and wish to get married, but she fears the wide social gulf which separates them and insists that he meet her family. The folks at home, "Ma" Thayer, played by Sarah Padden, "Pa" Thayer, played by Guy Kibbee, Frank, Don Castle, and the hot-headed Cousin Henry, as portrayed by Ayres, are suspicious of the millionaire. Miss Hussey's sister, Lana Turner, however, considers the proposed marriage a windfall, and one which shouldn't be blown away.

In order to impress the family with the seriousness of his intentions, Young moves into their tiny flat with them—and then the hilarity begins to bubble. At last Young, unable to aid the Thayers financially, or win their favor, is reduced to the extremity of threatening to give away his fortune. With lightning-like rapidity and in a series of rip-roaring scenes the Thayers prevent him from carrying out his threats.

### Bishop Will Preach At Local Methodist Church February 23

Bishop Ivan Lee Holt will come to Ballinger February 23 for a service at the First Methodist Church at 11 a. m. This date falling on Thursday makes it inconvenient for the local membership but it was impossible to change and every effort will be made to secure a large hearing for the bishop on this visit.

Other churches of the city are invited to cooperate in the service and hear Bishop Holt's message. He is making a tour of this section of the state and speaking twice a day to church groups. He will be accompanied here by Presiding Elder J. M. Williams, of Brownwood.

Thursday evening, February 23, the bishop will address a young people's crusade rally at the Winters Methodist church. Young people and members of Methodist churches in the west zone of the Brownwood district will assemble there for this occasion. A special chorus of young people will be organized from churches in this section to provide the music and assist.

Bishop Holt is one of the most prominent speakers in Methodism and his visit here is a privilege for members of the local church.

## REA Extension in Runnels County is Given Approval

S. R. Hale, manager for the rural electrification administration in this area, received notice Wednesday that approval had been given the Runnels county extension and a total of \$317,000 appropriated for the survey and construction. Mr. Hale stated that the survey would start about March 1 and construction would follow as fast as possible.

This 376-mile extension of lines serve 999 customers who have already signed for service and many others will be able to tie-in if they desire. It will cover some territory in Taylor and Concho counties and practically all of Runnels county.

### SOUTH BALLINGER HOME DEMONSTRATION CLUB

The South Ballinger home demonstration club began the new year with two interesting meetings. The first, held in the home of Mrs. Jones Sanders, included a demonstration of suitable finishes for kitchen walls. This demonstration was given by Miss Myra Tankersley, county home demonstration agent, who also discussed how to plan a pleasant and convenient farm kitchen.

Besides regular members there were two visitors present. The second meeting was in the home of Mrs. Joe Thomas. At this time a discussion was held regarding the most important needs of the farm family at present. Also the members discussed farming conditions in this community.

There were two visitors present besides regular members. The next meeting will be in the home of Mrs. J. C. Reese.

## Norton Baptists To Erect Church Of Native Stone

Duke D. Shaw, pastor of the Norton Baptist Church, announced today a building program for his church, which will be commenced at once, and a modern religious edifice is expected to be completed in about six months.

The new building will be of field stone construction and will be built by friends and members of the church under the supervision of the pastor. Sufficient stone is already on the ground for the new structure, and excavation for the foundation will start within a few days.

The new church will be modern in every respect with an educational annex that will take care of 300 members and an auditorium with a seating capacity of 300. It will replace the old wooden structure which has been in use for many years and which is too small to efficiently carry on the work of the church.

## Rev. Mathis New Pastor of Church Of Nazarene Here

Rev. J. C. Mathis, formerly of Fort Worth, has accepted a call to the Ballinger Church of the Nazarene and arrived here Wednesday to begin his pastorate. For the past two years he has served the first church at Fort Worth and an exchange of pupils was recently arranged by him and Rev. James McGraw.

Rev. Mathis met with the local members Wednesday night and the local Nazarenes were delighted with his ability as a speaker and his splendid record of recent years. Prior to his work in Fort Worth he was connected with some large churches in California and has some fine accomplishments listed during his ministry.

Rev. and Mrs. Mathis and two girls, ages 9 and 5, will be at home in the parsonage at the rear of the church. He will preach at both services Sunday at which time he will meet the entire membership of the church.

Rev. McGraw left the first of the week for Fort Worth and will begin his service there next Sunday.

## Methodist Revival Begins February 27; B. L. Nance to Aid

Rev. E. D. Landreth, pastor, announced Monday dates for the annual revival at the First Methodist Church. Rev. B. L. Nance, of Phoenix, Arizona, will come here February 27 to direct special work for two weeks. He will organize, visit and do personal work one week prior to the opening of the revival on March 5, and will be with the church during the one week of special services which will be concluded on March 12.

Rev. Landreth will do the preaching for all the special services and the musical part of the programs will be prepared and presented by the choir.

Rev. Landreth has been highly successful in evangelistic campaigns and members of the local church were anxious for him to preach the special sermons during the eight-day campaign here.

Rev. Nance is one of the best known workers of his kind in the field and comes to Ballinger with years of experience in organization, survey work, visiting and other work in religious campaigns. He will meet the workers of the church and make definite plans for campaign as soon as he arrives and for one week will direct local aides in preparing for the revival.

The pastor stated Monday that definite announcement of the time of services would be made as soon as local committees were named and decisions reached.

## REV. DOSS IS NOTIFIED OF BROTHER'S DEATH

Rev. W. H. Doss has returned home after a visit with relatives at Abilene, and this week received a message stating that his brother, M. F. Doss, 81, had died at Nashville, Tennessee. He was buried there the first of this week.

Heart disease takes approximately three times as many American lives annually as all kinds of accidents combined.

## BIRTHS

Mr. and Mrs. J. T. Gregory, of Brady, are entertaining a new baby girl at their home who arrived this (Thursday) morning at 5 o'clock. Mrs. Gregory was formerly Miss Sybil Cox, daughter of Mrs. E. S. Cox of Ballinger. Mother and baby are both doing nicely.

## BROTHER OF LOCAL WOMAN DIES TODAY

Mrs. W. F. Wellhausen received a message today reporting the death of her brother, H. Lee Fields, at Comanche early Thursday morning. The funeral was held here this afternoon, but Mrs. Wellhausen was unable to attend, because of an attack of influenza which has confined her to her home for a week.  
Decedent had visited in Ballinger a number of times and was well known here.

## BETHEL HOME DEMONSTRATION CLUB

The Bethel home demonstration club met in the home of Mrs. Claude Simmons Thursday, January 5, for its first meeting of this year.

During the short business session, the members decided the roll should be revised. The county home demonstration agent, Miss Myra Tankersley, gave an interesting talk on kitchen improvements, stressing wall and woodwork finishes, color schemes and linoleum coverings for the floor.

The club met for its quarterly social meeting Thursday, January 19, in the home of Mrs. J. W. Batts. After a short business period, many amusing games were played and friendship blocks for a quilt were presented by the members to the outgoing president, Mrs. Vernon Webb.

A refreshment plate consisting of sandwiches, pie and coffee was passed to the members and three visitors.

The next meeting will be in the home of Mrs. Blair Hays.

## BALLINGER GIRL LANDS IN NIGERIA JANUARY 5

Mr. and Mrs. R. E. Truly received an airmail letter this week from their daughter, Miss Elizabeth Truly, stating that she had landed at Lagos, Nigeria, West Africa. She embarked from New York on December 10 and reached the port in Africa January 5 after a voyage of 26 days with a stop in England.

Miss Truly will enter a Baptist girls' school at Abeokuta, Nigeria, and is to remain there until July, after which time she has not been informed where she will be sent.

## Not Buried in Standing Position

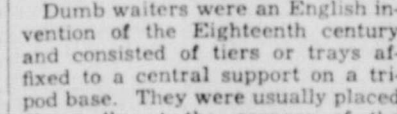

The former premier of France, Georges Clemenceau, said in his will: "Let me be carried in the silence of daybreak to my Vendean forest and there beside the coffin of my father let mine be placed upright as his was. Even in death I wish to remain standing." As far as possible his wishes were carried out. The funeral cortege traveled by vehicle the 250 miles from Paris to Vendee. The coffin, however, was placed horizontally as it was found that there was a solid rock formation which prevented an upright position.

## Dumb Waiter English Invention

Dumb waiters were an English invention of the eighteenth century and consisted of tiers or trays affixed to a central support on a tripod base. They were usually placed diagonally at the corners of the dining table so that diners might help themselves after the servants had departed. One of Chippendale's early bills mentions "two mahogany dumb waiters on casters" which were supplied to Kensington palace.

Dr. Eduard Jenny, of Switzerland, has ventured the opinion that babies are more likely to be born between 2 and 5 a. m. than at any other time of the day or night.

## CONTENTED PRISONER

Detroit, Mich., police recently arrested a good natured, bearded and ragged old man on a charge of vagrancy. When the judge asked him his name, he replied that it was plain John Doe. He was found sleeping peacefully in the cold on a sidewalk, and is happy with all his present attention.

## Club Boys' Feeding Projects Showing Excellent Results

Fourteen Runnels county 4-H club boys are feeding 109 sheep for market. The boys entered the project from a commercial standpoint and except for cottonseed meal are using all home-grown feed.

The clubbers plan a local exhibit the latter part of February or the first of March after which they will send their sheep to Fort Worth to be sold and will spend one day there getting first hand information as to how sheep are sold, handled, and prepared for the retail trade at the packing plants.

Space will not permit the records of all the boys but that of two will be given as a fair example of what is being accomplished. Wilbert and Alois Gully, first-year members of the Rowena club, selected 20 head of sheep from the flocks of Meade W. McShan and J. T. Moreland on October 26, that averaged 62 pounds each. The sheep were wormed and placed on feed on that date. On January 28 these sheep weighed an average of 88 pounds, gaining 26 pounds in 94 days or an average of 3-10 pounds per day. The boys have used a total of \$29.60 worth of feed at a cost per pound for the grain of 5 1/2 cents. At 8 cents per pound for the animals and deducting all expenses, the boys have a net profit of \$1.70 per sheep.

Here is a brief report by the boys on how they handled the lambs: "First wormed them, placed in lot with water and hay for the first three days, then started to feed a small amount of grain and cottonseed meal, gradually increasing up to 1/4 pound by the fourth day. They continued at this rate for some time and then gradually increased until the sheep were on full feed in about 35 to 40 days. At 60 days they were eating 1 1/4 pounds of grain and 1/2 pound of cottonseed meal."

The boys say in their report that it is good to get lambs on feed as quickly as possible, but if fed too much at the start, it will make them sick, throw them off feed and death losses will occur. The boys fed salt and ground limestone flour and kept water for the sheep at all times and protected them from rain or bad weather with sheds.

Other Runnels county boys who have lambs on feed are: Arnold Allcorn, 10; Carl Faubion, 12; Jessie Ray Klutts, 6; Bradley Pape, 5; Melvin Mathis, 3; Billie Mathis, 5; (Crews club); Eugene Loika, 20; (Bethel club); James McWilliams, 10; (Ballinger); Zane Grey McWilliams, 3; (Norton);

Harold Halfmann, 5, (Olfen).  
The boys and their parents are taking particular interest in the feeding of these lambs, as the prospects for growing cotton as a cash crop is more or less limited, and because Runnels county is an outstanding feed growing county. The feed grown can be turned into mutton, and sold on the hoof instead of through a sack, stated the county agent, who is interested in getting a substitute for the reduced cotton acreage.

Frank Everedge, of Millersview, was a business visitor in Ballinger Wednesday.

MAPS OF TEXAS OIL FIELDS 'BEST SELLERS' DURING '38

AUSTIN, Feb. 1.—A "best seller" has been prepared by the bureau of economic geology at the University of Texas, but it is not a book. It is the only complete geological picture of an entire state that has ever been made.

Hints for the Farm

TEXAS may expect a 1939 grasshopper infestation estimated as 28 per cent more severe than that of 1938 and one capable of causing 15 million dollars damage to crops.

COLLEGE STATION, Feb. 1.—Texas farmers have included leather tanning in their fight to improve their equipment in the face of low cash income.

M. K. Thornton, Jr., agricultural chemist of the Texas A. & M. College extension service stated that county agents' annual reports showed 725 demonstrations in home tanning of leather and that 1,427 hides had been tanned under their supervision on 907 farms and ranches.

The 1938 infestation caused losses estimated at \$1,766,908, while savings estimate at \$10,238,988 were effected by the control campaign.

The federal-state-county plan of control in effect in previous years will again be used in 1939, and plans are already being made to combat anticipated infestation.

SAYS RED ANT CONTROL EASY WITH THIS METHOD

WESLACO, Texas, Feb. 1.—The red harvester or agricultural ant is quite destructive to crops of all kinds and is also an extremely obnoxious pest on lawns, playgrounds and sidewalks.

Perform the treatment when most of the ants are under ground. This time would most likely be in late afternoon or about midday, during the summer or when the temperature is above 75 degrees.

Another, but less satisfactory method of using highlife consists of mixing about eight ounces of the liquid with one gallon of water and pouring the mixture into the main entrance to the nest.

## Ballinger Pastors Pass Resolutions For Rev. McGraw

The Ballinger Ministerial Alliance in a meeting this week passed resolutions of regret in losing a fellow pastor from the group. Rev. and Mrs. James McGraw, formerly of the Ballinger Church of the Nazarene, left this week for Fort Worth to make their home, where Rev. McGraw has accepted a call to the pastorate of the First Church of the Nazarene.  
Following is a copy of the resolutions passed:  
"Whereas, the Rev. James McGraw, pastor of the Ballinger Nazarene Church, has been led of the Lord to accept another field of service as pastor of the First Church of the Nazarene of Fort Worth, and  
Whereas, the Rev. McGraw has earned a high place in the esteem and Christian affection of us all, and  
Whereas, we recognize the magnificent service that he has been enabled of the Lord to render to his church, to the community, and to the fellowship of the brethren;  
Be it therefore resolved by the undersigned brethren of the Ballinger Ministerial Alliance, that we offer to Rev. McGraw these resolutions of our esteem and respect, that we express our regret at losing him from our immediate fellowship and association, yet we join in wishing for him God's richest blessings as he takes up his new field of service.  
Be it further resolved that:  
A copy of these resolutions be placed upon the record of the minutes of our alliance;  
A copy be delivered to the Ballinger Nazarene Church;  
A copy be sent to the First Church of the Nazarene of Fort Worth; and  
That these resolutions be published in The Ballinger Ledger.

2:15 p. m.—"How to Have a Revival." Rev. M. C. Golden, Ballinger  
2:45 p. m.—Executive board meeting.

## Lyon and Wright Guests at Spread For Winters Team

Supt. H. C. Lyon and Coach Felton Wright were guests Tuesday evening at the annual banquet at Winters honoring the Blizzards. The affair was held in the dining room of the First Methodist Church and was declared a success in every respect. Three separate tables were arranged for the honor guests, one for the football squad, one for the pep squad and another for the band.  
Coach Leo ("Dutch") Meyer, of Texas Christian University, was the principal speaker and discussed football and character building. The speaker urged adults and sideline fans to not condemn a boy for a fumble that just a game. He added that many old men were still making fumbles and had made them all their lives. Meyer brought to Winters the pictures of the Sugar Bowl game played by his team on New Year's day but projectors were not available for the showing.  
Coach Wright spoke briefly, praising the Blizzards for their wonderful record in football and complimenting Coach Amon Johnston. Wright stated that the Blizzards were one of the cleanest playing teams he had ever met on a football field.  
Coach Johnston returned the compliment to Wright and the Bearcats and told of the friendly relations existing between the two men in past years. He closed by saying that whatever success the Blizzards had during the past season was due to the players and his assistants and that he would shoulder any of the mistakes.  
Supt. E. D. Stringer made awards to team members. George Hill acted as toastmaster, and

Miss Dorothy Jean Stewart represented the pep squad with a talk on "The Twelfth Man."  
"I thought of giving my uncle a hundred cigars like these. Can you think of anything he would like better?"  
"Yes, fifty."  
"Still working for the same people?"  
"Sure, wife and four kids."

"Father," said little Frank, "how did the cliff dwellers keep warm in the winter time?"  
"Why, I guess they used the mountain ranges."  
Landlord: "We keep it very quiet here—allow no children, pianos, radios, victrolas, dogs, cats or parrots."  
Prospective tenant: "Pardon me, do you mind if my fountain pen scratches occasionally?"
