

THE BALLINGER LEDGER

VOLUME 57

BALLINGER, TEXAS, THURSDAY, AUGUST 19, 1943

NUMBER 64

940,203 Pounds of Scrap Metal Salvaged in County

Lieut. Don R. Parsons, officer in charge of the scrap drive in this part of Texas for the army, was in Ballinger Monday morning to wind up business in connection with the drive here, and announced that Runnels county fell just a little short of the goal of one million pounds.

At the end of the campaign a total of 940,203 pounds of scrap had been collected in this county and hauled here for shipment. In addition was 260,730 pounds from Coke county, making a total of 1,200,933 pounds on the Santa Fe right-of-way to be cut up and shipped to steel mills requiring this metal to make war munitions.

A detachment of six men arrived the first of the week with power shears and other necessary equipment to cut the scrap into small pieces and load it on railroad cars for shipment. Lieut. Parsons said heavy pieces would be cut into sections of not over 200 pounds each so that it could be easily loaded and also take up less shipping space. This detail will require about one month to complete and when finished the grounds will be policed up.

The salvage crew which had been hauling scrap here for the past five weeks is now located at Eden and began hauling to there Monday morning. The soldiers are quartered in the Eden high school building and the Concho county scrap will be concentrated in the railroad yards. Shultz Hartgrove, county salvage chairman, is assisting the soldiers in the countywide drive.

Lieut. Parsons said the two soldiers injured here last week in an accident were improving. Pvt. Berthal L. Carson was dismissed from the Goodfellow Field hospital the past week-end and will be back with the detachment in a short time. Cpl. Hamilton Pyle is still in the hospital but it improves and out of danger.

BALLINGER GIRL HONORED AT SETAN NURSING SCHOOL

Miss Laura Mae Mueller, student nurse at Setan School of Nursing, Austin, was chosen to represent Setan at the summer school of Catholic action at Our Lady of the Lake College in San Antonio. She was also re-elected treasurer of the youth section of the Catholic State League of Texas at the convention held at Seguin recently.

Miss Mueller, an honor student last year, will begin her junior year in September.

Lieut. and Mrs. Bob Tiffany, of Abilene, were in Ballinger Sunday for a visit with friends.

County Commissioners Adopt \$49,500 Budget

The Runnels county commissioners' court in session Monday adopted a budget of \$49,500 for 1944 and set the tax rate at 55 cents on the \$100 valuation to raise this amount. This is the same tax rate as last year.

Tax payers will find their bills lighter this year due to a slash in the state tax rate which was cut from 75 cents to 47 cents on the \$100.

A check up on renditions in Runnels county discloses a slight increase this year, mostly in personal property but the total will be near that of last year or about \$5,000,000.

The commissioners are also considering a refunding issue on outstanding series B bonds for road district No. 3. These bonds total \$290,000 of which the state has been responsible for 92.16 per cent. At present they bear 5 per cent interest and it is likely that a refunding issue will be made to reduce the interest rate and save money for both the county and the state.

A break-down of the budget adopted by the court follows:
Jury fund, \$900
Special road and bridge, \$6,750
General fund, \$22,500
Permanent improvement sinking fund, \$5,100
Permanent improvement, \$450
Road warrants No. 2, \$900
Road warrants Nos. 2 and 3, \$1,800
Road warrants No. 3, \$1,350
Road warrants No. 4, \$900
Bridge warrants No. 4, \$1,575
Bridge warrants No. 2, \$4,275.

SERVING UNCLE SAM

Mrs. J. E. Fowler and Mrs. Robert Fowler and small son returned Monday from Jacksonville, Florida, where they visited Lt. Robert Fowler, who is stationed at the army air base there.

Sgt. O. L. Golden, Jr., of the marine corps, is back on active duty in the South Pacific after a recent illness. Sgt. Golden sailed for the South Pacific the week after Pearl Harbor and has been in action against the Japs at Midway, Guadalcanal and other sectors. He is a radio technician and a gunner on a Flying Fortress.

Mr. and Mrs. F. W. Wellhausen received a letter this week from their son, Sam Wellhausen, now stationed at Camp Claiborne, La., in which he said he had been promoted to the rank of sergeant. Sam has only been in the service a few weeks and was sent to Camp Claiborne two weeks ago. His ability is shown by the promotion which jumped him from private to sergeant.

A card was received last week by relatives of Sgt. Claud H. Harrell stating that his health was excellent, he was not receiving treatment and he was otherwise okay. Harrell was captured by the Japs in the Philippines and reported missing in action soon afterwards. It was only a short time ago that relatives learned he was alive and a prisoner. The printed card received last week allowed space for optional words regarding his health, etc., but did not divulge where he was being held prisoner.

Victor J. Trojcek, seaman first class, has been given a new address which is c-o fleet postmaster, San Francisco. Trojcek, whose home is at Rowena, has been in the navy for some time.

Pfc. Wm. H. Whitworth, of the glider infantry, stationed at Camp Mockall, N. C., is at home on a 15-day furlough for a visit with relatives and friends in Ballinger and the Bethel community.

Word was received this week by his parents, Mr. and Mrs. Marvin Justice, that Pvt. M. G. Justice was in a station hospital at San Diego recovering from another attack of malaria fever. Pvt. Justice first contracted the disease while on duty with the marines on Guadalcanal. He returned to the states to recover and recently returned to San Diego after a thirty-day furlough.

CITY WATER APPROVED; CLUB LAKE CONDEMNED

Samples of city water taken in town and at the Harman Training Center the past week-end proved to be pure and were approved for all purposes by the state health department.

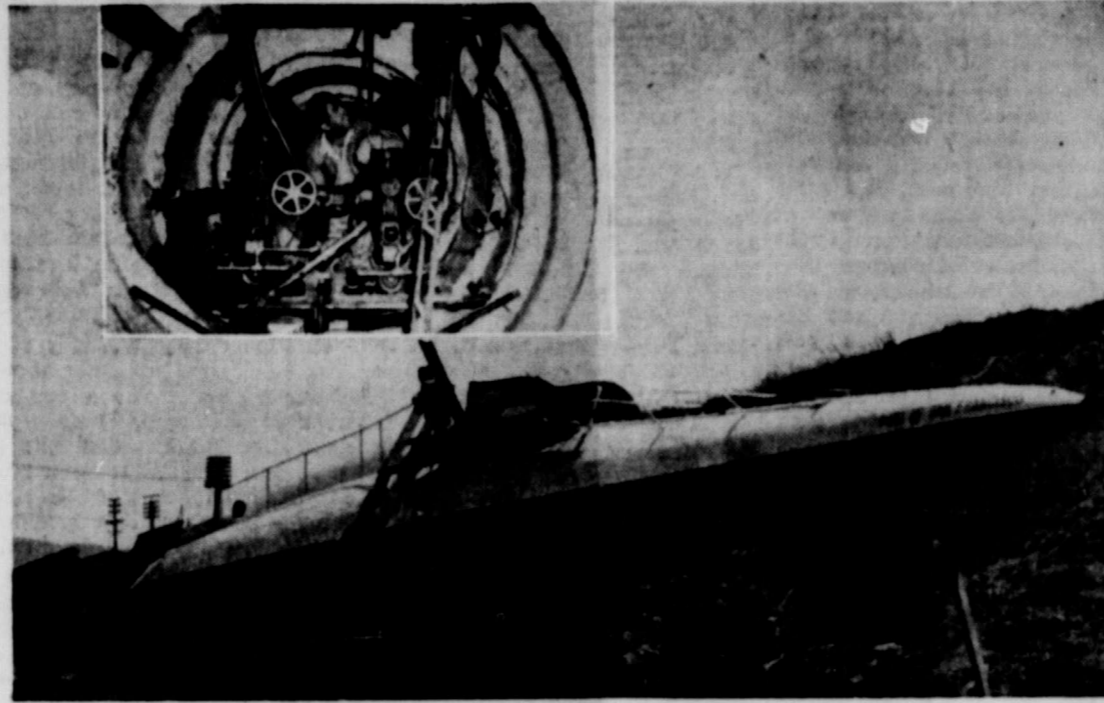

Analysis of a sample from the Ballinger Country Club disclosed it unsafe for drinking or swimming and club directors have posted signs at the swimming pier banning use of the lake for this purpose. As a precaution only a very few have been swimming in the club lake for several weeks although tests last week revealed it was suitable for this purpose.

Close surveillance is being maintained on the municipal water supply and samples taken from the reservoirs, pump station and hydrants are sent to Austin every week to be examined by chemists and bacteriologists of the state health department. A similar procedure is followed in the water supply for the air field and reports are made weekly on findings.

HEARING SET ON BALLINGER SCHOOL DISTRICT BUDGET

The board of trustees of the Ballinger independent school district will be in session Friday, August 27, at 3 p. m., at which time the proposed budget for the 1943-44 school year will be presented. Patrons are invited to be present at that time and inspect the proposed budget before its adoption by the board.

Concrete 'Sub' Type Cargo Carrier Planned

A submarine type cargo and troop carrier shaped like a torpedo and made of concrete is the dream of Hal R. Hayes, Hollywood contractor, and Hal Williams, motion picture producer. They claim that their craft would operate almost completely submerged and thus would present a poor target in submarine warfare. It would be cheap and light, they said, by utilizing concrete instead of steel. A model for the new type vessel is pictured above at Richmond, Calif. Inset: Hayes inspects the motors inside the new craft.

City Tax Rate Reduced 10c; Water Consumption Limited

17-Year-Old Youths To be Guests at Army Air Field August 23

Seventeen-year-old men of Ballinger and Runnels county have received invitations to attend a special program at the San Angelo army air field on August 23. The entire day will be devoted to showing the young men the four main branches of the army air forces—pilots, navigators, bombardiers and gunners.

Those who attend will be picked up in army buses at the San Angelo postoffice Monday morning at 9:30 and taken to the air field. The program will last from 10 a. m. until 4 p. m., during which the youths will see pictures of army planes at work in all theatres of war, listen to men who have been in combat in Africa, Sicily and the Pacific. They will tour the field and see actual demonstrations of gunnery, bombing and other phases of air fighting.

At the end of the day the men soon to become 18 years of age will be able to determine if they want service in the air forces and if so which phase they desire most to enter.

Lieut. Edward A. Felle, with 330 combat hours over Jap holdings and 53 actual missions, the man who sank the first and last Jap ship in the Bismark Sea battle, will be one of the speakers. Any boy who is 17 years old now is invited to attend. Dinner will be served at noon in the mess hall, the boys to eat with the cadets.

DRAFT BOARD ANNOUNCES TWO ENLIST IN RESERVE; SEEKS ADDRESSES OF TWO

The Runnels county draft board announced today the enlistment of two men who have been placed in the reserve, and seeks the present addresses of two others.

Gurthal Truman Gilligan and Raymond Joseph Patterson have enlisted and been accepted in the air corps enlisted reserve. Both are employed as instructors at Avenger Field, Sweetwater.

The correct addresses are wanted of the following: James William Moore, whose last address was San Antonio, but formerly lived at Winters; Ezra Jackson Hardy, whose last address was Gatesville, but formerly lived at Ballinger.

Anyone knowing the correct address of either of these men is asked to please notify the local draft board.

WILLIAMS TO ATTEND V-A MEETING AT WACO

J. M. Williams will leave Sunday for Waco, where he will represent area 2 at the State Agricultural Teachers' Association convention. After the five days of sessions Mr. Williams will return here to get ready for the opening of the fall term of the Ballinger schools.

Mrs. Clyde Bonser and daughter, Patsy, of Comanche, visited here Wednesday in the home of Mrs. Park Kemp.

Plans for Sheep Show Are About Perfected; To be Held August 27

Plans are completed for holding the Runnels county one-day sheep show here on August 27. Indications are that the show will draw the largest crowd in its history, sheepmen over a wide area promising to bring their stock here for the classification judging.

As previously it will be held on the southwestern corner of the court house lawn where pens are to be erected in the shade of the large trees and where water will be provided for the stock brought here for the day. The five hundred producers in Runnels county as well as many from adjoining counties are expected to attend.

Leaders in charge of the show state that entries will be from some of the best flocks in this part of Texas and all who visit the show grounds will see some fine animals Rambouillets, Corriedales and Delaines will be exhibited.

For the judging Wallace Dameron, superintendent of the sheep and goat experiment station at Sonora, will be here. Mr. Dameron has the reputation of being one of the best judges of sheep in Texas. In a classification show, such as this one, breeders as well as others in attendance will be able to learn about the better points of a sheep.

Dr. I. B. Boughton, veterinarian at the Sonora experiment station, will bring to sheepmen of this area the latest information on sheep parasites and their control.

W. R. Nisbett, A. & M. College extension service sheep specialist, will probably be present and participate in the program.

The following classes and breeds will be followed: aged, yearlings, lambs, Champion ram and ewe will be determined by breeds.

Judging will start promptly at 10 a. m. and the schedule below will be followed:
10:00 a. m. to noon, judging of sheep
1:30 to 3:00 p. m., completion of sheep judging
3:00 to 4:00 p. m., talk by Dr. Boughton on diseases and parasites of sheep
4:00 to 4:30 p. m.: Plan will be presented to organize a Runnels County Livestock Improvement Association.

Committees are working out details of the show and sheep raisers are being invited to bring their best rams and ewes to the classification show. Lyle Currie, president of the victory council sheep committee, is taking the lead in this gathering of producers.

Mrs. M. D. Freeman returned this week from Fort Worth, where she visited her daughter, Mrs. Tessie Claunch, formerly Miss Tessie McGehee, for five weeks.

Mrs. Eva Wilson and granddaughter, Patricia Miller, returned this week from Long Beach, California, where they spent a month with relatives and friends.

(Continued on page 10)

Preparations Being Made For 3rd War Loan Drive

Red Cross Surgical Dressing Quota Will Be Received Shortly

County chairmen of the Red Cross surgical dressing center have received information that materials have been shipped for the new county quota and it is due to arrive within the next ten days.

Women and girls who have been working or who wish to start with this quota are urged to keep their dates arranged so that full classes will be ready to begin as soon as the material is here. The finished pieces are urgently needed and the work will be rushed as much as possible.

The new quota calls for 73,000 dressings and is divided as follows: 30,000 2 by 2 bandages; 36,000 4 by 4 bandages; and 7,200 4 by 8 bandages.

Mrs. R. T. Williams has accepted the appointment as co-chairman, succeeding Mrs. Jack Nixon, Jr., who has resigned.

Supervisors and other workers were busy this morning getting the last remaining bandages completed on the current quota and preparing to make a shipment. A total of 73,000 bandages were shipped this week, including 60,000 2x2s and 13,000 4x4s.

When the new material arrives supervisors will call those who have been working with them and publicity will be given weekly class meetings.

Bruce is Ordered To Report to Navy By End of Month

R. E. Bruce received orders the past week-end to report at the U. S. naval station at Quonset Point, Rhode Island, on August 31. Mr. Bruce received confirmation of his commission in the navy several months ago and at that time was made a lieutenant, junior grade, and put in the reserve subject to call.

The call Friday came without notice and advised him to be ready for assignment to duty on August 31. Mr. Bruce stated that he was getting his affairs in shape to leave here as soon as possible and probably would depart about August 25.

Since August, 1926, Mr. Bruce has been connected with the Farmers & Merchants State Bank. In February, 1939, he became active vice-president and since that time has been head of the institution.

Responsible for much civic work in Ballinger, Mr. Bruce was chairman of the aviation committee of the Ballinger Board of Community Development when Ballinger was seeking the location of an air field. His activities on that committee won for him the honor of having the field named for him and a little more than a year ago it was officially dedicated Bruce Field. He also served Runnels county as war bond chairman until about a year ago when his duties became so heavy he was forced to resign. Since then he has remained on the committee and has done much work in the monthly drives, and especially in the second war loan campaign.

His knowledge of farm and ranch operations has made him an efficient banker, understanding the problems of the many customers of the bank.

Joe Wayne and Bobby Bonser, of Comanche, spent the week-end here, visiting Mr. and Mrs. Russell Bonser and Mrs. Park Kemp.

Money containers have been placed in a number of local stores and citizens here have already contributed generously to the cause. The first of next week all these boxes will be gathered and opened and all funds on hand at that time will be used to buy cigarettes.

Miss Alice Smith and Mr. and Mrs. Ross Smith visited relatives at McCamey the past week-end.

W. J. Hembree, local chairman for the Third War Loan campaign, announced plans this week for beginning the drive in Ballinger on September 9. A number of local organizations have been asked to help in the sale of bonds and a double contest will be conducted with a \$25 war bond as prize for each group.

These groups will compete against each other in sales and at the end of the campaign the organization selling the most in each group will be awarded a war bond. Bonds for prizes are to be donated by the Lions and Rotary clubs of Ballinger.

Mr. Hembree stated that the electric bell would be reeled at the intersection of Hutchings Avenue and Eighth Street and that special events would be arranged locally for days when crowds were in town. He said the first event probably would be staged on Saturday, September 11, and a big start be made on sales.

The Ballinger chairman is asking anyone to pass on to him selling ideas and if the committee thinks they are good they will be put in effect during the campaign. In the Second War Loan campaign elephant rides, jeep rides and other special stunts were used to sell bonds.

In the local contest, group one, organizations to compete against each other are the following: Ballinger Lions Club, Ballinger Rotary Club, Ballinger Fire Department, Texas Defense Guard, American Legion, Ballinger public schools.

Group two is as follows: Masonic Lodge, Odd Fellow Lodge, Clive-Garden Club, Eastern Star, Rebekahs, Fannie Stephens Study Club, Shakespeare Club, and Airfield Allies.

Organizational work is getting well underway in Ballinger, and C. R. Stone, county chairman, is making every effort to get other communities in the county organized for the drive.

Scouts Will Conduct Tag Day Saturday For Soldiers' Smokes

Ballinger Boy Scouts will assist the Pat Williams Post of the American Legion in the drive to send cigarettes to overseas soldiers. Saturday afternoon will be tag day in Ballinger with the Boy Scouts to seek donations from everyone on the streets. The tags will sell at ten cents or more and all money raised will go into the "smokes" fund.

On each tag are the words: "I have contributed through the American Legion to send cigarettes to soldiers overseas." The highly colored tags are furnished by a tobacco company which also sells the cigarettes for this purpose at the low cost of five cents a package. The company delivers the smokes to ports and the government takes over the shipment and distribution free to the fighting men.

No tag is to be sold Saturday for less than a dime but anyone may pay as much as he desires and every cent will be used to purchase cigarettes for the soldiers.

Miss Alice Smith and Mr. and Mrs. Ross Smith visited relatives at McCamey the past week-end.

Women's, Society and Club News

Engagement of Miss Louise McMillan and Lt. Guy Lively Announced

Mrs. W. L. McMillan, Sr., was assisted by her daughters, Mrs. Horace Atnipp, Mrs. Elmer Greenwood, Mrs. Cecil Roe, and Miss Dorothy McMillan, in giving a prettily-appointed two-course breakfast at eight-thirty Sunday morning to announce the engagement and approaching marriage of another daughter, Louise, to Lt. Guy Lively, Jr., of the Childers Bombardier School, son of Mr. and Mrs. Guy Lively, of Miles.

Lovely arrangements of summer flowers in the soft pastels, with pink and orchid predominating decorated rooms of the McMillan home on Tenth Street where four-some tables were centered with crystal bubble bowls of roses, pink crepe myrtle blossoms. Capsules attached to name cards with white satin bows at individual places bore the announcement, "It's no military secret—Guy and Lou, Sept. 10."

Others included: Meses. G. W. Lively of Miles, Claude Stone, Troy Simpson, Charles Pafford, Misses Florence and Lorene Wood, Gayle Hirschfeld, Patay Doss, Virginia Nance, Melba Bankston, Norma Gene Bankston, Odessa Parrish, and Helen Spreen.

Simeon Cottelle is Honor Guest

To compliment Simeon Cottelle, metalsmith 2c, who was at home on furlough from the U. S. Navy to visit his mother, Mrs. Sim Cottelle, Mrs. I. Vancil included neighbors and a few close friends for an informal watermelon supper Friday evening in the yard at her home on Sixth Street.

Young Cottelle is wearing three stars on his service stripes. He left Sunday for San Diego, where he is to report.

Others were: Mrs. Cottelle, Misses Clara Wheeler and Melba Bankston, Lt. W. H. Booser, Messrs. and Meses. Ralph Vancil, E. S. Malone, J. B. Striplin, Troy Simpson, and Joe Albert Vancil.

Mrs. Ingram is Club Hostess

A one o'clock luncheon followed by contract games was the social courtesy extended club members by Mrs. E. L. Ingram in her Wilke Terrace home last Friday.

Vari-colored zinnias and golden glow decked rooms where hand-painted cards marked places at quartet tables centered with low-bowls of pink and white blooms.

In games, high guest prize went to Mrs. Buster Parrish, high club to Mrs. D. O. Henson, low to Mrs. Gus Barr of Childers, and bingos to Mrs. Roy Worley and Mrs. W. L. Barber. Others were: Meses. Fred Harman, K. K. Hoffman, and Virgil Reynolds.

Engagement of Chicago Girl to Flight Officer Johnson is Announced

Mr. and Mrs. Carl Donald Hunter, 8346 Wabash Avenue, Chicago, Ill., have announced the engagement of their daughter, Susanne Patricia, to Flight Officer John Clarence Johnson, son of Mr. and Mrs. C. R. Johnson of Ballinger.

Miss Hunter was graduated at Calumet High School and is now employed in the bond department of the Federal Reserve Bank.

Flight Officer Johnson is now stationed at Baer Field, Fort Wayne, Indiana, after serving in Alaska.

No date has been set for the wedding.

Frietag-Rohde Nuptials in Little Chapel at St. Mary's

The Little Chapel of St. Mary's Catholic Church was the scene Saturday afternoon of the wedding of Miss Gertrude Rohde, daughter of Mrs. Josephine Rohde, of Chicago, and Aviation Cadet Harold E. Frietag, son of Mr. and Mrs. Ewald W. Frietag, also of Chicago.

The Rev. Fr. Edward B. Postert, O. M. I. church pastor, read the single ring ceremony at four-thirty o'clock before the altar which was decorated with white

tapers in three-branch candelabra.

Mrs. Simeon Cottelle was at the organ for the traditional Lohengrin and Mendelssohn marches.

Miss Gloria Frietag of Chicago, sister of the bridegroom, was maid of honor. She wore a floor-length dress of aquamarine nanina sheer designed with fitted bodice buttoned down the back with self-covered buttons, elbow-length sleeves, sweetheart neckline, and full skirt. Her veiled sweetheart bonnet was of net in the same shade and her corsage was of peach gladioli. Aviation Cadet Joseph K. Fisher of Chicago, lifelong friend of the bridegroom, who entered service with him and has continued with him, was best man.

The bride wore a gown of white nanina made princess style with long train over a slip of pearl-white satin. The long fitted sleeves were pointed over the wrists and dainty satin appliques of valley lilies marked the sweetheart neckline. Her fingertip-length veil of bridal illusion which was edged with Chantilly lace was caught to a pearlized coronet. She wore a single strand of pearls, the gift of the bridegroom. For "something old" she carried a lace handkerchief belonging to the bridegroom's mother. Her arm bouquet was fashioned of white carnations and lilies of the valley and fluffs of white satin.

The wedding supper was served at the Central Hotel. The three-tiered cake, which was iced in white and decorated in pink, formed the centerpiece.

Wedding guests were: the bridegroom's mother, the mother of the best man, Mrs. Katherine Fisher of Chicago; Mrs. George Rothermel and Mrs. Joe Schabinger of Kenilworth, Ill.; Mrs. Mary L. Hunter, Mrs. Marie Ferris, and Miss Shirley Ferris of Detroit; Mrs. Joe Amerose of Ft. Worth; Mrs. Gene Bydelik, Mrs. Lee Anthony, and Miss Lee Anthony of Chicago.

Cadet and Mrs. Frietag will be at home in Ballinger until Class 44A completes primary training at Bruce Field.

Chester Wood Honored

Mrs. Chester Wood named her husband guest of honor at a surprise birthday picnic Sunday at their home on Valley Creek.

Friends gathered for a very enjoyable day and dinner. Those present were: Mr. and Mrs. F. M. Wood and family, Mrs. Vernon Cook, Mr. and Mrs. Johnny Smith and Barbara, Mrs. C. H. Midgley and Ann, Miss Bonnie Mae Clark, Mr. and Mrs. Carl King and Lynn, Mr. and Mrs. Elmer Patton and family, all of Ballinger; and Mr. and Mrs. Crayton Stanley, of Winters.

Glenn-Forman Marriage in Bronte

The marriage of Miss Bobbie Forman, daughter of Mr. and Mrs. Robert Forman, and Vernon Glenn, son of Mr. and Mrs. J. B. Glenn, was solemnized Monday afternoon, August 9, in the Bronte Baptist parsonage with the Rev. J. E. Eldridge reading the service.

Both Mr. and Mrs. Glenn attended the Bronte High School and will make their home in the Bronte community.

Miss Louise Williams is Bride of Lt. Agnew in Tom Agnew Home

Miss Louise Williams, daughter of Mr. and Mrs. W. E. Williams of Ft. Worth, became the bride of Lt. William Robert Agnew, son of Mrs. William Harrison Agnew of Abilene, in a beautiful twilight service read Monday evening at 8:30 in the home of Mr. and Mrs. Tom Agnew in Wilke Terrace. Lt. Agnew is a nephew of T. W. and H. G. Agnew.

The altar, improvised before the triple arched living room windows, was lighted exclusively from the glow of candles in tall branched floor candelabra. Floor baskets of lovely flowering willow in pink and pedestal baskets of white asters and white statice stood before an

embankment of ferns in graduated heights. In front of this was the satin prie dieu where the couple knelt for the nuptial benediction after the impressive single ring ceremony for which the Rev. W. E. Shipp, pastor of The First Methodist Church, was officiating clergyman.

Mrs. Joe Faxton was at the piano for the wedding music. She played "Liebestraum" by Liszt as candles were lighted and accompanied Mrs. J. A. Schnable, who sang "Ah, Sweet Mystery of Life" by Herbert, and "At Dawning" by Cadman. She used the traditional Wagner march from "Lohengrin" and the Mendelssohn recessional.

Miss Shirley Williams of Ft. Worth attended her sister as maid of honor. She wore a two-piece frock of pink crepe made peplum style. Her small veiled hat and other accessories were dark brown and her corsage was of blue asters. John Burr Agnew, only brother of the bridegroom, was best man.

The bride, who was given in marriage by her father, wore a two-piece dress of powder blue crepe. Eyelet embroidery lapels were edged with lace ruffles all in the powder blue shade as were the bracelet-length sleeves. Her pompador hat of fuchsia felt was veiled in black with tiny fuchsia bow-knot trim. Her gloves were fuchsia and other accessories were black.

She carried the satin-covered testament, belonging to Mr. Agnew and carried by him in France in World War I. It was topped with white gardenias and fuchsia rosebuds with shower of satin ribbons and single statice blossoms.

Mr. and Mrs. Tom Agnew were assisted in receiving at the reception by the bride's parents, the bridegroom's mother, and Mr. and Mrs. H. G. Agnew. The lace-laid dining table was centered with Picardy gladioli and fern in a low crystal bowl and an oblong arrangement of summer flowers in the pastels decorated the buffet. The flower-encircled crystal punch bowl, and the pretty tiered cake,

which was iced and decorated in all-white and topped with a miniature bride and soldier groom, were placed at opposite table ends. Mrs. J. V. Nuckols of Abilene ladled frosted punch, and Mrs. Lester Dorton of Abilene cut the cake. Sisters of the bridegroom, Mrs. J. P. Shackelford of Lubbock, Mrs. G. T. Canatsey and Miss Fritz Agnew of Abilene, assisted in the dining room and another sister, Mrs. Tully A. Mayer of Abilene, presided at the guest register.

Other guests were: Lt. Mayer, Lt. Canatsey, Mr. Dorton, Mr. Nuckols and Mrs. Theron Lewis of Abilene; Dr. and Mrs. E. W. Stasney, Messrs. and Meses. Troy Simpson, L. R. Tigner, Harry Lynn, Nat Williams, Claude Stone, R. W. Earnshaw, Mrs. Fred Vetterlein, Mrs. John A. Weeks, Miss Gracie Atkins, Messrs. Schnable and Paxton, Mrs. Dean Aiken of Paris, Miss Patsy Nuckols of Abilene, Gwen Williams, Ann Stasney, Marilyn and Jimmy Agnew, John Weeks Earnshaw, and Bob Agnew.

Mrs. Agnew is a graduate of the Abilene High School where she was a member of Tri-D sorority. She attended McMurry College at Abilene one year and Texas Christian University. She is employed by the Employers Casualty Insurance Co. of Ft. Worth.

Following his graduation from the Abilene High School Lt. Agnew served with the 112th Cavalry more than a year before Pearl Harbor and went overseas to New Caledonia with the same unit. He was sent back to the U. S. as an officer candidate and received his commission with O. C. S. Class 36 Mechanized Cavalry August 12 at Fort Riley, Kansas. He will return to Ft. Riley where he will be in C. R. T. C.

Garden Party for Methodist Philatheas

Mmes. Tom Patteson, L. C. Adair, D. G. Posey, and H. Ravellette were hostesses to the Methodist Philatheas Class Monday evening

with a garden party on the church lawn on Tenth Street.

Perennial phlox and althea blossoms were arranged in baskets on the east lawn where Mrs. O. R. O'Neill directed the business session after the devotional by Mrs. Patteson. Meses. Tom Caudie, Cecil Jones, and Ford Taylor were appointed nominating committee members and birthday celebrants were Meses. Robert Bruce, L. C. Adair, J. B. Striplin, Troy Simpson, and Nat Williams.

A dessert plate was served. Others present were: Meses. Sam Behringer, M. E. McClenney, Rothal O'Kelly, and M. B. Webb.

Summer Homemaking Club Has Picnic in Park

The Summer Homemaking Club has had several entertainments this summer at which members gave reports on their activities and projects. The last was a picnic held in City Park, where the sponsor, Mrs. J. L. Lovelace, Mrs. Grace Crimm, and members were served refreshments.

Drury-Nunley Wedding Read

Miss Juanis Nunley, daughter of Mr. and Mrs. J. M. Nunley, became the bride of A. B. (Pete) Drury, son of Mrs. O. D. Swenson of Stamford, Wednesday afternoon at two o'clock in a ceremony read by the Rev. M. C. Golden. Only attendants were a sister of the bride, Mrs. Earl Caudie, and Mr. Caudie.

The bride wore a tailored black dress with black accessories. Her corsage was of salmon gladioluses.

Mrs. Drury attended the Ballinger High School and the San Angelo Beauticians School. Mr. Drury attended Stamford High School and for several years was employed by the John Deere Plow Co., of Dallas. He is now an instructor at Camp Normoyle, San Antonio.

After a few days' wedding trip the couple will be at home in San Antonio.

Women's, Society and Club News

Mrs. Eoff is Book Club Hostess
Mrs. J. Dexter Eoff was hostess to the Current Book Club Tuesday afternoon in her home on Tenth Street.

Sunflowers were used to decorate rooms where current events were given in answer to roll call. Mrs. A. B. Legate reviewed an article from Collins by David O. Woodbury, "Your Life Tomorrow," and Mrs. O. R. Lasater one by Therese Bonney, "Children in Peril."

Favors for the plate of sandwiches and frosted punch served by the hostess assisted by her young son, Jerry, were hand-painted book marks made by the hostess' daughter, Bobbie Marie.

Others included were: Mmes. Sam Behringer, John Barton, W. A. Taylor, C. A. Glover, Chester Cherry, Jack Nixon, Sr., J. E. Dankworth, O. R. O'Neill, Gertrude Woods, Alex Saunders, Tom Caudle, and O. C. Sykes.

Watermelon Supper for Methodist Intermediates

Methodist intermediates were entertained Tuesday evening in City Park with a watermelon supper given by their superintendent and teachers.

Present were: Messrs. and Mmes. Sam Behringer, M. E. McClenny, H. G. Agnew, Herbert Chabyssek, the Rev. W. E. Shipp, Mrs. Cecil Jones, Betty Morrison, Bobbie Tunnell, Ferald Parker, Sue and Betty Parks, Betty Jean Smith, Marilyn Agnew, Patricia Caudle, Bobby Agnew, Carolyn McClenny, Catherine Sensabaugh, Betty Lou Batts, Herbert Chabyssek, Jr., Clifton Reneau, Jackie Hampton, Bonnie Davis, Mary Francis Clark, Marilyn Joyce Bowden, Mildred Phillips, Nelda Sanders, Mary Evelyn O'Neill, and Diz Caskey.

Annual Burk Reunion Held Sunday

The annual reunion of the family of Mr. and Mrs. J. P. Burk was held last Sunday in City Park on Mr. Burk's seventieth birthday anniversary.

All of the children were present except J. P. Burk, Jr., who is serving with the 142nd Infantry in North Africa. A letter was received from him on Friday telling that he was well, but that he would like to see the U. S. A.

A basket picnic at the noon

hour climaxed the affair. Children and grandchildren present were: Mr. and Mrs. Dewey Burk, Claudia, Betty Jo, Patsy Sue, Shirley Ann, and Martha Frances; Mrs. O. L. Golden and Jessie Lou, of Murray; Mr. and Mrs. George Burk; Mrs. Clyde Burton and Nancy Lou of Carrizo Springs; Mr. and Mrs. O. F. Forbus, Duane, Yvonne, and Harlan; Mr. and Mrs. Paul Burk, Billy and Johnny; Mr. and Mrs. Donald Smith and Larry Burk, of Abilene; and Mr. and Mrs. Malcolm Morgan and Gwen. Other guests were: Mr. and Mrs. W. T. Forbus of Norton; Mr. and Mrs. G. J. Smith; and Staff Sgt. and Mrs. Leonard Hughes and Linda Sue, of San Angelo.

Nancy Connor is Honoree

Nancy Connor, who has moved with her parents to Comanche, was honoree recently when Gwen Morgan gave a surprise party for her at the home of her parents, Mr. and Mrs. Malcolm Morgan, on Sixth Street.

In games of croquet, Natilyne Williams and Leon King were winners and Charlotte Miller and John Weeks Earnshaw won the booby prize. Dancing also gave diversion. Gifts were presented Nancy.

Juniors and Intermediates Present Program for Eighth Street Society

Members of the junior and intermediate departments of the Eighth Street Presbyterian Church were directed by Miss Eva Lilly Monday afternoon in presenting a program on Porto Rico and China for the Woman's Missionary Society.

Helen Reese was song leader and Juanita Lee was pianist.

After the devotional by Walter Roy Hill, a dramatization of the work of the missionaries among the sick and poor in Porto Rico was given by Jim Erwin, Virginia Lange, Patsy Crawford, and Clara Bell Hill. Jack O'Neill told of the work in the homes, and Virginia Routh spoke of other activities there. Elizabeth Routh told the story of Madame Chiang Kai Chek and Marguerite Kevill gave a summary of the work in China. John Milton Reese read the names in the Yearbook of Prayer.

Orchid and white asters centered the lace-laid refreshment table where punch was served with cookies by the hostesses, Misses Eva and Maggie Lilly and Mrs. J. W. Black. Others present were: Mmes. W. A. Taylor, F. C. Miller, W. A. Erwin, Kenneth Kevill, R. M. McMillan, Walter Lange, J. A. Ostertag, Roy Hill,

Before leaving for Hollywood and a probable movie career, pretty Elsie Roberts, National Bond Queen and University of Houston coed, did her part for the Texas Deposit Bottle Round-Up. Dressed in typical Texas costume, Elsie gathered together all the milk, carbonated beverage, and beer bottles in her home, loaded them into the conveyance labeled "official bottle buggy" and drove to her beverage dealer. "Keeping deposit bottles working is not only a patriotic duty," Miss Roberts said, "but I'll get my deposits back which can be invested in War Stamps."

B. H. Erwin, E. S. Malone, and Carroll Bell. Other children were: Ruth Erwin, Peggy Kevill, and Fernande Lange.

Mother James Honored on Birthday

Mrs. H. H. James, who is known to her close friends as Mother James, was honored on her 84th birthday with a surprise dinner. The affair was no-hostess and was served at the home of the honoree.

The pretty birthday cake was served as the dessert course with ice cream.

Others were: Mmes. E. J. Hendricks, John Womack, Alice Cumble, and M. D. Freeman.

Instructors Auxiliary in Stratton Home

Mrs. C. C. Stratton was hostess to the Civilian Instructors Auxiliary Tuesday afternoon in her home on Eighth Street.

Zinnias in vivid color tones graced rooms where Mrs. Buster Parrish was presiding officer. Mrs. Jim Miller was elected secretary-treasurer to succeed Mrs. C. J. Chenault who is moving away.

Plans were discussed for the presentation of a home-talent play to assist in bond sales.

Refreshments were served at a down-town drug store. Others were: Mmes. John Hart, Frank Smith, Guy Hibler, Chenault, O. W. Parris, M. A. Wheelon, Carl Bentsen, and C. C. Schaumberger.

Mrs. Spreen is Surprise Honor Guest

Mrs. Mary Spreen was surprise guest of honor on her eighty-first birthday anniversary Tuesday morning when Mrs. Chester Cherry entertained the Needleworkers Club in her home on Sixth Street.

Pink crepe myrtle blossoms and fern were used to form the centerpiece for the linen-laid dining table where Mrs. B. N. Wilke of San Angelo, Mrs. Vernon Webb, Miss Zelta Spreen, and Mrs. D. R. Hall assisted in serving the delicious breakfast menu.

After sewing for a time, gifts were presented Mrs. Spreen as she was winner of the "V-jackpot" in a game of bingo. Homemade ice cream was served with cookies.

Others were: Mmes. J. W. Bladell, A. F. Brock, O. B. Corbett, W. A. Nance, W. A. Forgy, W. J. Morrison, E. P. Talbot, O. P. Dorsey, and O. R. Lasater.

SOUTH BALLINGER REVIVAL IS TO CLOSE TOMORROW

Good attendance has marked the revival services in South Ballinger the past week. The revival is sponsored by the Grace Baptist Church and after the close of the meeting tomorrow (Friday) evening a mission will be held in the community to follow up the work of the revival.

People of the community have been encouraged to attend these services in their overalls or work clothes and many have done so, thus swelling attendance. The singing during the week has been led by U. S. Daniel with Mrs. Floyd Owen at the piano.

A children's choir, directed by Mrs. Raymond C. Wilson, has rendered numbers at each service.

Mr. and Mrs. Tom Guin, of San Angelo, formerly of Ballinger, are the proud parents of a girl, born last Friday, August 13, and christened Margaret Jane. The daughter, who weighed 7 1/4 pounds upon arrival, and her mother are both doing nicely.

One of our every two families have at least two workers. Figure it out yourself how much beyond 10 percent of your family income you can put into War Bonds every payday.

Vacation Bible School To be Conducted by 4 Ballinger Churches

It was announced this week that a cooperative vacation Bible school will start at the First Methodist Church Monday morning at 8:30 o'clock. Churches cooperating in this effort are the Eighth Street Presbyterian, the First Presbyterian, the First Christian and the First Methodist.

The school will continue for two weeks with daily sessions lasting from 8:30 until 10 a. m.

Classes will be conducted from the beginners through the intermediate ages. An excellent staff of teachers has been secured from the cooperating churches for each group and parents of Ballinger are invited to send their children. They will be carefully supervised and no church doctrine will be taught.

Those in charge of the departments are as follows:

Beginners—Miss Carmen Demmer, superintendent; Mrs. R. V. Pinson, Mrs. Harry Lynn and Mrs. E. A. Saunders

Primary—Mrs. W. O. Middleton, superintendent; Mrs. Guy Middleton, Miss Gladys Hill, Mrs. O. R. O'Neill and Mrs. H. B. Dempsey

Juniors—Mrs. Nat Williams, superintendent; Mrs. Walter Moss, Mrs. Van de Putte, and Mrs. George Clements

Intermediates—Mrs. C. F. Bailey, superintendent; Mrs. M. A. Foy, Mrs. Joe Furman, and Mrs. W. E. Shipp.

KING-HOLT FUNERAL HOME HAS NEW TELEPHONE NUMBER

A new telephone number, 454, has been announced by the King-Holt Funeral Home as a means of improving service and speeding calls. The management also stated that someone would be at the telephone 24 hours a day to take calls and that ambulance service also was available 24 hours a day. Meeting requirements of state laws, the ambulance has been equipped with all necessities to render approved service. It carries first-aid equipment and a Red Cross certified attendant.

Gymnastic Economist

John Bovingdon, former economic analyst for the OEW who was dismissed shortly after Representative Martin Dies protested Bovingdon's appointment and called him a "ballet dancer." Bovingdon said he indulged in "rhythmic gymnastics" for his health.

LIVESTOCK SELLS HIGH AT AUCTIN HERE TUESDAY

A large crowd attended the livestock sale at the Runnels County Auction Barns here Tuesday and many animals were offered for sale. Prices were good, fat cows selling at \$9 to \$10.60 per cwt., cows and calves at around \$9.60, and top hogs at \$12.90.

Both buyers and sellers are invited to attend the regular weekly sales and there find buys they are looking for or sell their surplus stock. L. A. Faubion, manager, is putting forth every effort to be of service to the livestock people of this section.

Sgt. M. A. Walker, of the military police detachment, Camp Swift, spent the week-end with his wife here.

First Aid Course Completed by 21 Local Guardsmen

Another first-aid class of twenty-one has completed the standard course under J. A. Schnable and D. G. Posey, instructors. The class was made up of members of company E, Texas Defense Guard, and has been meeting each Friday night for study and demonstrations.

Mr. Posey, chairman of the Runnels county first-aid committee, certified twenty-one members this week whose examination grades were high enough to entitle them to certificates from Red Cross headquarters.

Members of the class were: Marlin A. Foy, Baylis Fletcher, G. A. Glover, Clyde Gabbert, G. G. Harwell, Roy Elmo Harris, William H. Hayes, Clayton E. Maedgen, William H. May, Walter O. Middleton, Ernest A. Miller, Olen G. Morrison, Overton L. Parish, Roy V. Pinson, J. W. Purfoy, C. D. Richards, Andy D. Smith, Otto G. Sykes, James G. Tuckey, Robert H. White and William O. Wallace.

This class was the sixteenth in Runnels county to complete the standard course. A number of accredited instructors have completed training in advanced first aid as well as instruction and are prepared to teach courses.

Mr. Schnable recently finished a course at A. & M. College.

Housewives Will Be Asked to Sign Home Front Pledge

American women are to be asked to sign a pledge during the next few weeks that concerns the war effort on the home front and will help to curb black markets. The pledge states among other things that: "I will pay no more than top legal prices. I will accept no rationed goods without giving up ration stamps."

E. E. King, chairman of the county educational committee of the OPA, has called the heads of all clubs in this immediate section to meet with him and other OPA officials Friday afternoon at 2 o'clock in the district court room of the court house here to hear a complete discussion of the new approach to the program. Other housewives are invited. Plans will be worked out at this meeting for a campaign in which every housewife in Ballinger will be asked to sign a pledge card.

Merchants will be asked to aid in the campaign and to run ads in the newspapers and display cards in their stores welcoming the trade of housewives who have signed pledge cards.

Local officials point out that

the pledge will not concern many people here, except on purchases of some rationed goods in which stamps have not always been collected, such as butter and other farm-produced items sold direct to the consumer.

CROSS ROADS BOYS' 4-H CLUB

The Cross Roads boys' 4-H club held its regular meeting last week at which time John A. Barton, county agent, discussed projects of the club for this winter and gave information on cotton pests and their control.

Following the meeting a picture show was presented for all citizens of the community. The film, "The Heritage We Guard," made by the U. S. department of agriculture, showed the natural resources of the nation and how to take care of and conserve these gifts of nature.

On Wednesday night, August 11, the club held a picnic on the Colorado River, every member attending. Guests included: Mr. and Mrs. Frank Book, Mr. and Mrs. Frank Schwertner, Mr. and Mrs. Robert Beach, Mrs. Emma Schniers, and County Agent Barton.

Five Killed in \$5,000,000 Harlem Riot

Private Robert Bandy, left, interfered with a policeman making an arrest, was shot, and thus ignited a Harlem, N. Y., riot in which five Negroes were killed, 600 persons were injured and property was damaged to the extent of \$5,000,000. Right, Mayor Fiorello LaGuardia, with Dr. Max Yergon and Ferdinand Smith, Negro leaders, as they conferred on measures to stop the rioting.

Mexican Nationals May be Imported To Help in Harvest

COLLEGE STATION, Aug. 18.—Representatives of the office of labor, war food administration, are expected to inspect housing facilities in Colorado, Brazoria, and Galveston counties in preparation for the expected employment of Mexican nationals in the rice harvest, the Texas extension service has been advised.

WFA labor representatives and spokesmen for the Rice Growers' Association met last week to discuss plans for obtaining, distributing and housing the workers. No Mexican nationals can be recruited in Mexico until the WFA has approved housing facilities and contracts have been signed by the growers.

The extension service was advised by Washington the first week in August that Mexican nationals could be moved into Texas. Prior to August 7, the Mexican government had not agreed for nationals to come into the state because of alleged discriminations.

While no indication has been given of the number of Mexican workers which may be obtained, C. Hohn, assistant state agent for the extension service, says rice growers have requested about 3,500. The rice growing area now is considered the most critical section in the state with regard to farm labor.

The war manpower commission already has certified need for 850 Mexican workers to the farm labor office of WFA. That means these imported laborers will not compete with farm labor already available. Certification of about 2,000 Mexican nationals for this area is believed likely.

New Farm Machinery Program Underway; Raise Tractor Output

COLLEGE STATION, Aug. 18.—Texas farmers will receive a higher percentage of labor saving machinery under the new farm machinery and equipment program which got underway July 1.

Machinery which will be increased during the 1943-44 program year includes combines, rubber wheel tractors, pick-up balers and corn pickers, the Texas USDA war board announced this week.

As a means of getting machinery to farmers where it is needed for immediate use, manufacturers have been authorized by the war food administration to make distribution up to 40 per cent of their 1944 production into regular trade channels. Before new machinery is distributed, however, manufacturers first are required to fill quotas issued to them by WFA, which are designed to place rationed items of farm machinery and equipment where they will be needed to satisfy state quotas established under last year's program.

Although quotas will not be used in making distribution on the 40 per cent production which will be made in the near future, state quotas will be established on the remaining 60 per cent of production which will get underway later, the board said and explained that under present plans county farm rationing committees would ration the machinery according to farmers' needs. Break-down of state quotas on a county basis is not anticipated under the new program.

Already, 165 additional combines, which include the large and small models, have been allocated to Texas and will be distributed according to harvesting needs. The majority of the combines are expected to be routed into the grain sorghum areas where producers have increased production under this year's food-for-freedom program.

Additional tractors are expected for distribution this fall, the board said.

"SLEEP TREE" OF AUSTRALIA AIDS UNITED NATIONS' CAUSE

MELBOURNE, Aug. 18.—When Hitler cut off hyocine, potent drug in the treatment of shock, the United Nations began a long quest for a supply, and someone remembered the pituri tree of Australia. Today Australia supplies the allies with generous quantities of shock-healing hyocine. In 1941 only eleven ounces could be found in the United States, while Britain had a minute quantity—and air raids were coming. One ounce makes 50,000 doses, but many ounces were needed.

Fluid drawn from the pituri, when drunk by the aborigines of Australia, stupefies them. They catch fish by throwing pituri leaves into the water. Months of work in a Melbourne laboratory resulted in extraction of a few precious drops from bales of leaves, but the problem was solved and an adequate supply was in sight.

Herbert Fulcher, Jr., spent the past week-end here, visiting his parents and friends. He is attending the University of Texas, entering July 1.

Program Announced For '43 Cotton Loans To Assure Fair Price

COLLEGE STATION, Aug. 18.—Fair prices for their cotton is assured Texas farmers under this year's cotton loan program.

Based on ninety per cent of parity price as of August 1, 1943, the beginning of the marketing year, the average basic loan rate for Texas approximates 19.90 cents per pound but will vary in different parts of the state because of distance from warehouses to mills. Under the 1942 program, the average loan rate was 17.92 cents per pound.

As in previous years, the loan rate will be on the net weight of cotton. Premiums and discounts for grade and staple will be calculated in relation to the loan rate on 15-16 middling cotton.

Citing differences in the basic loan rate for key cotton points in the state, P. C. Colgin, commodity loan specialist for the AAA in Texas, said the price varied from 19.75 cents per pound in El Paso to 19.96 cents per pound in Galveston and to 19.96 in Jacksonville.

Other leading points and the rates on a per pound basis include Abilene, 19.89; Big Spring, 19.94; Corpus Christi, 19.78; Greenville, 19.96; Harlingen, 19.84; Vernon, 19.91; Waco, 19.91; and Lubbock, 19.84.

Loans will be made directly by the commodity credit corporation or through lending agencies, principally banks, approved by the corporation. Also in effect for the second year are farm storage provisions which apply to all cotton counties.

Producers' notes will bear interest at the rate of 3 per cent per annum and will mature July 1, 1944, but will be callable on demand. Loans will be available until May 1, 1944.

According to state AAA records, Texas has approximately 333,000 cotton farms, the majority of which are expected to participate in this year's loan program.

Read the grocery ads and save.

RODENT CONTROL EFFECTIVE WAY TO SAVE FOOD AND FEED, A. & M. SPECIALIST DECLARES

COLLEGE STATION, Aug. 18.—Rodent control is an effective means of saving substantial amounts of food and feed yearly in Texas, according to R. B. Hickerson. He is the district field assistant of the state rodent control service working in cooperation with the A. & M. College extension service.

Wild creatures which feed on field crops include gophers, rats and jack rabbits. In the same category are coyotes and mountain lions which harm poultry and livestock. Destruction of these animals reduces the amount of grain, peanuts, rice and other food and feed they steal yearly, and at the same time makes more pasture for livestock.

Listing some results of control work, Hickerson says that in 1936 forty sections of the Means ranch near Valentine was practically worthless for grazing because of prairie dog infestation. An intensive control campaign resulted in an estimated 99 per cent kill. Clean up was conducted in 1938, 1939 and 1940. A check in January of this year showed less than 10

acres infested. Hickerson says that the ranch now carries 1,000 more cattle and 4,000 more sheep than was possible prior to the control campaign.

Illustrating the depredations of pocket gophers, Hickerson says that Chester Latham, county commissioner of Marion county, estimates he lost 500 bushels of his 1942 peanut crop to these rodents. A bushel of peanuts was found in one gopher store room. But before planting his 1943 crop, Latham treated the area with poisoned maize for control of the pest.

Coyotes were responsible for the loss of 100 sheep and 85 hens and turkeys in Jim Wells county this year. Hunters employed by the county have taken 191 bobcats and 661 coyotes in the past 12 months, Hickerson says. A male mountain lion weighing 151 pounds caught by dogs in southern Kinney county is credited with destroying 150 sheep and goats estimated worth \$900.

Fall Gardens Are Urged To Solve Food Problem

Miss Myra Tankersley, county home demonstration agent, urges all residents of this county to begin now to make arrangements for their fall gardens and do their share in producing vital foods for the war effort. In the following article she tells how to prepare, plant and cultivate these gardens.

Since food is playing such an important part in winning the war, it is wise for every farm, ranch and city family to make arrangements now for space to plant a fall garden. Every bit of food produced at home releases that much food for the boys and girls in the service—and we are sure of having fresh vegetables on the table if we produce them. Fall gardens in this section are often more successful than spring gardens, as many people who are old hands at gardening agree.

Most every person knows that garden fresh vegetables have more food value than any fresh vegetables that can be bought as there is deterioration of vitamin content between the time they are gathered and prepared. Also garden fresh vegetables have a better flavor than those canned.

It is now time to prepare soil for the fall garden. Before starting to plow or spade the soil, cut and remove all weeds and plants. If they are turned under mounding and heating will take place which dries out the top soil and prevents thorough cultivation. Diseases are increased by plowing under all plants.

In most barn lots there is a layer of several inches of trampled manure that has dried out, losing acid that burns plants. This material is largely a mass of vegetable fiber. A thin coating of this material should be spread over the surface of the garden and then plow or spade to a depth of 4 to 5 inches. Then harrow or rake into well mixed consistency. This will give a soil of more moisture holding capacity and prevent packing. When this work is completed the garden is ready for rain or irrigation.

See that you have plenty of seed on hand of correct variety for this area, remembering that one-fourth more seed is needed for the fall garden than in the spring, since germination of seed at that season is poor. Seed will be hard to secure, so it would be well to buy as many garden seeds as possible now.

What to plant in the fall garden is the next question. Between August 15 and 30 is the time to plant Bliss Triumph potatoes and pinto beans. The small potato is

allowed a rest period of at least six weeks from the time they are dug to the time of replanting. Irish potatoes can be made to come up more readily by covering the potatoes with a damp sack or straw for several days until they have sprouted then cut into seed pieces and plant.

Things to plant between September 5 and 10: Thomas Laxton English peas, Scarlet Globe radishes, stringless green pod beans, Danvers half long carrots, Charleston Wakefield cabbage, White Globe or Shogoin turnips, Florida broad-leaf mustard, and Detroit red beets.

Be sure to thin the plants when about three inches high in order to encourage early growth.

Other vegetables to plant in the early fall are: dwarf blue Scotch kale, dwarf curled kale, rutabagas, Swiss chard, Lucullus variety, and Bloomsdale Savoy spinach and Bermuda onions.

It is wise that persons planting a large variety of vegetables include plenty of onions since they are almost unobtainable on the market.

B. C. D. DIRECTORS WILL HOLD MEETING TONIGHT

Directors of the Ballinger Board of Community Development will meet tonight at 8:30 at the office in the city hall building. Members of the board have been urged to attend as important business will be discussed.

Projects approved by the post-war planning committee will be brought up for consideration as some of the leading items.

Other proposals on the schedule for the fall season will be brought to the attention of the board by committee chairmen. These include the annual sheep classification show, labor problems during the harvest season, and cooperation in the third war loan drive.

Mrs. Dean Aiken, of Paris, came in the past week-end for a visit with her husband, who is in training at Bruce Field.

Rev. W. E. Shipp returned home Sunday afternoon after holding a ten-day revival at Norton. In his absence Sunday morning, Rev. John Merritt, of Talpa, filled the pulpit at the First Methodist Church.

The Axis Stops at Nothing. Don't stop your War Bond Payroll Savings at 10%. Every soldier is a 100 percent. Figure it out yourself.

'Presenting Lily Mars' Stars Judy Garland and Van Heflin

Judy Garland goes glamour girl, gets plenty of opposition in the person of exotic Marta Eggerth, and charms no less an austere personage than Van Heflin in M-G-M's "Presenting Lily Mars," her newest singing appearance, to be shown at the Ritz Theatre next Saturday, Sunday, Monday and Tuesday, August 21, 22, 23, 24. This is a romance of the modern theatre, with haunting music embellishing an equally haunting romance. It tells what happens when a young singer sets out to attain stardom.

Judy is the young singer. She tries to "crash" her way to the attention of a famous producer,

Heflin, manages to make his prima donna, Miss Eggerth, plenty jealous, and amid comical complications and a touching love story the embryo star achieves success, musically and romantically.

Catchy musical numbers highlight the action. "Tom, Tom, the Piper's Son" is another hit for Miss Garland, and Miss Eggerth scores in the exotic "Kulebaka," and the old favorite "Every Little Movement," is expected to evoke nostalgia.

Richard Carlson, Fay Bainter and Spring Byington are effective as principals. Bob Crosby and his band add musical moments of joyful entertainment.

Ty Power in Spectacular Story Of Undersea War, 'Crash Dive'

Thrills above, below and across the Atlantic are experienced in "Crash Dive," new technicolor hit to be shown at the Texas Theatre in midnight preview Saturday night, and regular screenings Sunday, Monday and Tuesday, August 22, 23, and 24.

Out of a sea aflame with danger and thrills, this film bursts forth, hailed as the great action picture of the year... and the war. Starring Tyrone Power, this is the first picture of Uncle Sam's fighting submarines, and their story is one of intense action all the way.

From the time the picture opens with its awe-inspiring panorama of the turbulent, U-boat infested

Atlantic in all the magnificence of technicolor, right down to the last tender romantic scene between Ty Power and Anne Baxter, the film is a series of uninterrupted thrills, touching romance, dramatic suspense—all photographed in the best colored photography yet.

Dana Andrews plays the part of Power's senior officer, a young man who has raised himself up from the ranks. Pretty Anne Baxter carries the tender romantic theme of the picture.

The story itself tells of the many and varied duties of the submarine division. Each a little more dangerous than the other and requiring the nerveless, iron constitutions

of the men who man Uncle Sam's steel fishes.

The spectacular climax of the picture takes place when members of the crew under Power's command stage a commando-like raid on a secret enemy refueling base. They destroy the base, making good their escape in a damaged sub through flaming oil covered water—far and away the most spectacular scene filmed this or any other year.

In addition to Power, Andrews, and Miss Baxter, the exceptional cast includes James Gleason as a salty CPO, Dame May Whitty, Ben Carter and Henry Morgan. A large bullfrog named "Lena" contributes to the lighter comedy moments.

"Song of Texas" with Roy Rogers and Lamour in "Jungle Princess" Features at Texas Tomorrow

Dorothy Lamour in her first "saron" film, "Jungle Princess," in which Ray Milland also was starred, and "Song of Texas," featuring the king of the cowboys, Roy Rogers, are the two feature-length pictures at the Texas Theatre tomorrow (Friday) and Saturday.

Roy Rogers finds himself in hot water because he tries to do a good turn for an old man in the deluxe western, "Song of Texas." When Roy sets Harry Shannon up as the owner of his ranch just to make Shannon's daughter think he's important, he runs into trouble. The daughter turns out to be not a 12-year-old kid, but beautiful Sheila Ryan. She proceeds to sell half of the ranch right out from under Roy and his partners, the Sons of the Pioneers, and to all of people, Barton MacLane, Roy's hated enemy.

It takes a long shot gamble in which Roy wagers his half of the ranch against MacLane's on a chuckwagon race to clear the picture. Roy wins in spite of crooked, treacherous driving on the part of William Haade, MacLane's brother. Arline Judge in the role of Sheila's girl friend adds comedy to the exciting picture.

Mr. and Mrs. Joe Forman spent Sunday in Valera, attending a family reunion.

Norton School Will Open September 6; 2 Teachers Needed

Supt. Dale Douglas, of the Norton school, was in Ballinger Monday and announced that school would open there on Monday, September 6. Busses will operate on their regular routes that day and all students will be registered and class work will start the next day.

Supt. Douglas stated that he was still two teachers short and needed a high school principal and an English teacher. He is making every effort to complete the faculty before the opening day of school.

The faculty to date is composed of Miss Eunice Lilly, Miss Ruth Morgan, Miss Owen Dunn, Miss Bessie Mae Wheeliss, Miss Janie B. Hull and Mr. Douglas. The Norton superintendent stated that no definite plans had been made in regard to the athletic program for this fall. He stated that his football prospects there were good but to date he has not found anyone who can handle the program unless a combination principal and coach is located.

Enrollment is expected to be about the same as last year as shown by the 1943 school census.

Aviation gasoline and synthetic rubber industries are calling on the University of Texas war training office more and more frequently to conduct short courses to train skilled technicians—chemists, engineers, and supervisors—for those vital war industries.

FDR says:
Payroll savings is our greatest single factor in protecting ourselves against inflation.

Citation by Publication
THE STATE OF TEXAS
To: J. Johnson, GREETING:
You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock a. m. of the first Monday after the expiration of 42 days from the date of issuance of this citation, the same being Monday the 13th day of September, A. D. 1943, at or before 10 o'clock a. m., before the Honorable District Court of Rannels County, at the Court House in Ballinger, Texas.

Said plaintiff's petition was filed on the 22 day of July, 1943. The file number of said suit being No. 4868.

The names of the parties in said suit are: Orlie Johnson as Plaintiff, and H. J. Johnson as Defendant.

The nature of said suit being substantially as follows, to-wit: Suit by plaintiff against defendant for judgment dissolving the bonds of matrimony existing between them and divorcing them from each other and for general relief on the ground that while they lived together, defendant, without just cause, was guilty of cruel treatment, excesses and outrages toward plaintiff of such a nature as to render their living together insupportable; plaintiff further alleges she and defendant were legally married on September 17th, 1927, and permanently separated on January 17th, 1943, and that no children were born to them.

Issued this the 27th day of July, 1943.
Given under my hand and seal of said Court, at office in Ballinger, Texas, this the 27th day of July, A. D. 1943.
(Seal)

M. S. CAUDLE, Clerk, District Court, Rannels County, Texas. 29-48

Miss Esther Eckerman, assistant secretary of the Ballinger Board of Community Development, left this week for San Angelo on her vacation. She also plans to visit in Abilene before returning home.

GARDEN CLUB URGES WOMEN TO DONATE SILK AND FATS

The Ballinger Civic-Garden Club urges all women in the city to collect their silk and nylon hosiery for the general collection drive. The exact date when Girl Scouts will make a house-to-house canvass will be announced next week. It was announced that this will be the last drive here on these items but point out that there is an urgent need.

Ballinger women are also urged to save their waste kitchen fats and turn them in regularly.

CHURCHES OF CHRIST SINGING ON AUGUST 26

A meeting of singers of the Churches of Christ has been arranged by Rex Kyker, minister of the Eighth Street Church of Christ here in this church's auditorium Thursday night, August 26, beginning at 9 o'clock.

This is a regular cooperative singing of members of the Eighth and Ninth street churches in Ballinger, the Hatchel church, and the Winters church.

FDR says:
Curtailed spending. Put your savings into war bonds every payday.

AAA RATES OF PAYMENT TO FARMERS REVISED

COLLEGE STATION, Aug. 18.—A revised scale for payments to Texas farmers under the 1943 AAA program were announced through the state office this week by the war food administration.

New rates of payment include cotton at one cent per pound and wheat at 8.5 cents per bushel while rice remains unchanged from 3.2 cents a barrel announced several months ago. Also unchanged are rates for payments earned by carrying out approved production practices, such as terracing, contouring and strip cropping.

Original rates of payment on cotton and wheat had been announced at 1.1 cents per pound and 9.5 cents per bushel, respectively. Payments are made on normal production of the allotted acreage.

Changes in the program to meet wartime conditions have increased the number of farmers eligible for AAA payments this year, officials of the AAA office said in explaining reduction in this year's payments. Under the AAA act, rates of payment may be adjusted upward or downward, depending on the percentage of participation.

Bonds or bondage? Buy U. S. war bonds.

QUARANTINE OF FIELD DISAPPOINTS VISITORS

A large number of parents, wives and sweethearts, who came to Ballinger the past week-end to visit cadets at Bruce Field, were disappointed when they found the men under quarantine and they could not see them.

The field was put under quarantine Saturday noon after a large number of the men became sick during the week. A thorough check-up was made by medical inspectors, and some were placed under observation in hospitals in an effort to determine the cause of the illness.

Some of the visitors here to see cadets were only here for the week-end and could not remain another week for an open post.

CAPTURE OF NAZI RAIDER CREW IS KEPT SECRET

CANBERRA, August 18.—Australian authorities kept secret for nearly a year the capture of German sailors of the Nazi raider Kormoran, sunk by the Sydney on November 19, 1941. The Nazis were taken captive by volunteers when they landed from lifeboats on the western coast of Australia near Carnarvon.

To the victory will belong the soil. Let's keep ours—buy war bonds!

IN ADDITION TO OTHER THINGS, HE'S ON FIELD BONDIONS—IF YOU GO ON BOND BONDIONS YOU'LL BOTH THINK! AND CHURVIE!

I've Got a Home, too Mister! Every extra BOND you buy through the Payroll Savings Plan will help me get back to it. Figure it out Yourself.

SANTA FE BROADWAY CROSSING REPAIRED

A Santa Fe crew was here the first of the week to repair the railroad crossing on Broadway. The street was closed for two days while timbers and rails were removed and replaced with new materials. The street was opened to traffic Wednesday.

Recently the Santa Fe crossings on Eighth and Tenth streets were rebuilt to put all crossings on heavy traffic streets in first class condition.

BIRTHS

Mr. and Mrs. J. G. Tuckey are the proud parents of a girl, born last Saturday, August 14, at the Halley & Love Sanitarium. The little lady, christened Linda Sue, weighed 6 pounds 10 ounces upon arrival. Mother and baby are doing nicely.

Any excuse you can give for not upping your payroll savings will please Hitler, Hirohito and puppet Mussolini.

Class With Glass

Texas housewives might well follow the example of this movie star and collect and return all deposit bottles so there'll be plenty of cool drinks this summer.

L. A. FAUBION PURCHASES SEIDEL IMPLEMENT CO.

A deal has been closed whereby L. A. Faubion becomes owner of the Seidel Implement Co. He will take charge at once and will continue to handle the M-M line of tractors and at the same time carry a complete line of parts.

Mr. Faubion announced that Dick Embry will be with him as shop foreman and he invites framers of this area to bring their tractor work to him.

Mr. and Mrs. Lloyd Thomas, of Houston, were here Monday to attend the funeral of Rufus Thomas.

Back the attack by upping your payroll savings your very next payday. Measure your savings by your new higher income.

BRITAIN'S CIVIL DEFENSE WORKERS LEARN TRADES

LONDON, Aug. 18.—Britain's civil defense workers are being taught trades while at their stations. They perform such industrial work as does not interfere with their routine duties and training. About one hundred defense workers recently completed a six-week training course in carpentry, shoe repairing and tailoring in a special London workshop. Those found qualified when the course was finished were given needed work to perform.

Boots and shoes of local defense workers are repaired in the shop. It is planned to do repair work for other local authorities, and the workers expect to obtain subcontracts for small munitions plants. Profits probably will be invested in war-savings certificates to be allotted in proportion to work performed and delivered after the war.

550 TRAINED IN PRE-RADAR AT UNIVERSITY OF TEXAS

AUSTIN, Aug. 18.—The University of Texas has trained nearly 550 men in round-the-clock short courses in pre-radar, Leland L. Antes, supervisor, reports.

Leaving here, the students are usually assigned to radar schools, where they learn to operate and care for the extremely complicated and expensive miracle-working military equipment which, by means of extremely short-wave radio waves, searches out enemy aircraft or seagoing vessels.

Although the university has been giving these courses since last October, only the recent lifting of military secrecy on radar permitted this announcement, Antes said.

Iceland Prisoner

The first Nazi soldier captured in Iceland is Sergeant Manfrak, an aviator, who bailed out of his plane after it was hit by U. S. army air force fighters. He is shown sitting sullenly before his half-finished meal in army intelligence headquarters in Iceland.

To the Rear

During the first five days of the invasion of Sicily, 1,500 prisoners were captured by Allied troops. This soundphoto shows a few of them being guided through mine fields to await embarkation from the battle zone.

STOVE RATIONING Starts Tuesday, Aug. 24

Until Tuesday, you can buy a stove without a rationing certificate.

We are fortunate in having received a large shipment of RADIANT Gas Heaters and all the better makes on the market today . . . all having been approved by the American Gas Heater Association!

Although it may seem early, we urge you to get your heating needs now while you can get them without rationing certificates.

Come in this week and get your needs!

RURAL NEWS

HERRING

The dry, hot weather continues with stock water and grazing getting scarcer every day. A lot of people are selling off their surplus stock.

We had an average crowd at Sunday school and preaching services Sunday, the congregation being smaller at the night service. Rev. Allen, pastor, is to be with us again next Sunday as he was unable to be with us at the regular first Sunday services.

Mrs. Rube Whitley entertained her junior Sunday school class with a party Saturday. Outdoor games were played in the moonlight. About 12 children were present.

Mr. and Mrs. Ben Malechek visited on Sunday afternoon with Andy Herring in the Winters hospital and reported him to be no better.

Mrs. Kate Fuller is spending this week with her son, Welby Fuller. She had been in a San Angelo hospital several weeks, having an infected toe removed. She plans to return to her home at Waco the latter part of the week.

Rev. and Mrs. Allen were dinner guests of Mr. and Mrs. Owen Bragg Sunday, taking supper with Mrs. Zipporah Bragg and Vernon, and spending the night in the Arthur Fuller home.

Mr. and Mrs. Clinton Whitley and family, of Grand Falls, visited last week with his father, J. D. Whitley, and brother, Rube, and family.

Mrs. Lonnie Allcorn and sons, Joe and Foy, visited Monday afternoon with Grandma Taylor in the Jess Thurman home.

W. J. Jackson is spending this week with his son, Benton, and family. He spent the past week with his son, Allen, and family.

Mr. and Mrs. Eldon Avent and Mrs. V. M. Stacy, of Crane; Mrs. Kerby Todd, of McCamey; and Mrs. Arnold Watkins, of Hobbs, N. M., visited recently with their parents, Mr. and Mrs. Grover Avent.

Kenneth Rosford, of Granbury, spent the week-end with Roy Fuller.

Mr. and Mrs. Junior Whitley are spending this week with his parents, Mr. and Mrs. Rube Whitley.

Roy and Sue Fuller spent Monday night with Mrs. Ben Malechek. Mr. Malechek went to Ft. Worth with a truck load of fat heifers Monday afternoon.

Mr. and Mrs. Loyd Fuller and Junior, of Crews, spent Sunday afternoon with his brother, Arthur Fuller, and family.

Mr. and Mrs. Jim Brevard, Noel and Neva Brevard, and Marvie Jo and Roland Kerby visited Sunday with Mr. and Mrs. Horace Stokes and Wesley on route one Talpa.

Mrs. Jess Watson and Foy returned Wednesday afternoon from San Angelo where they visited her sister, Mrs. R. S. Bethune, and other relatives.

NORTON

Mr. and Mrs. Henry Ford and daughter, Jouetta, and Mrs. J. E. Gilliam and daughter, Mary Gayle, all of Lubbock, visited here this week with the J. T. Ford and R. L. Conder families.

Miss Eunice Lilly is visiting at Sweetwater with her sister, Mrs. Robert Allen, who recently underwent an operation for appendicitis. Mrs. Allen is reported convalescing nicely.

Mrs. Ira Turner and son, Rudolph, and Mrs. A. J. Walker and children, all of Mineral Wells, are visiting relatives here this week.

Mrs. A. T. Chapman, who underwent a major operation at a San Angelo hospital the past week, is reported doing nicely.

SOUTH AFRICAN GOVERNMENT MAPS POST-WAR PROJECTS

JOHANNESBURG, Union of South Africa, Aug. 18.—As soon as the war is finished South Africa will begin an extensive irrigation program. The first project to be undertaken is the Caledon-Sand-Vet rivers irrigation scheme. It is part of the government's plan to harness the rivers of the Union. A dam will be built on the Sand River, 12 miles south of Vetensburg, and one on the Vet River, 50 miles west of Winburg. Both projects will be linked with a similar project on the Caledon River, which will convey water into the Winburg area through a tunnel twenty-one miles long. Irrigating farms in the Excelsior, Marguard, Winburg, Theunissen, Senekal, Virginia, Vetensburg and Bulfontein districts. Another project will be on the Modder River.

VENEZUELAN GOVERNMENT DRAWS POST-WAR PLANS

CARACAS, Aug. 18.—To increase farm production and make the nation self-sufficient, Venezuela is drawing up a plan of immigration for large agricultural colonies after the war. Heading the movement is President Isaias Medina. The program was outlined by the national colonization and immigration institute. A long questionnaire sent to local authorities will supply information on available lands, climate, fertility of soil, sanitary conditions, availability of water, and natural resources. Sites tentatively selected for colonies will be visited by farm and health experts and engineers who will make detailed surveys.

SWEDES REPAIR MORE SHOES

STOCKHOLM, Aug. 18.—Shoe repairing has received a new impetus in Sweden now that the authorities have enlarged allotments of sole leather to dealers. The step was taken when restrictions were placed on the sale of new leather shoes. Allocation of sole leather to shoe factories is unchanged.

This Soldier May Be Your Boy

I've got a home, too, Mister! Every extra bond you buy through the Payroll Savings Plan will help me get back to it. "Figure it out yourself."

TRANS-ANDEAN HIGHWAY IS NEARING COMPLETION

LIMA, Aug. 18.—Peru is rapidly completing the 525 miles of trans-Andean highway between Lima on the Pacific coast and the river port of Pucallpa on the Ucayali. Working forces were increased to 1,500 men in March and have been maintained at that figure. The new highway is 19½ feet wide on the level plain, known as the Pampas de Sacramento, and 17½ feet wide in the section passing through the mountains.

Merchants are importing goods from the Sierra and the coast by the highway through the Boqueron to the Yanayaca River, an affluent of the Aguaytia. At the Yanayaca the goods are transferred to canoes and rafts for transport down the latter river to the Ucayali.

Travels Via Mama

No gas for her car, no perambulators, and nobody to watch little Kerrigan when she's not at home, so Mrs. Stanley C. Gray of Seattle, Wash., carries him with her, Indian fashion.

SOCIETY

Watermelon Supper for First Presbyterian Young People

Members of the young people's department of the First Presbyterian Church were guests at a watermelon supper in City Park Wednesday evening.

Present were: Mr. and Mrs. Oscar Batts, Marjorie McGregor, Mary Lynn, Ann Creasy, Earlene Webb, Clara Beth Lynn, Martha Saunders, Mary Brian Woody, Bob Northington, Charles Miller, and Dickie Eyster.

BOY SCOUT TROOP 30 ENJOYS MELON FEAST

Members of Boy Scout troop No. 30 met Tuesday night in city park and enjoyed a watermelon feast following a period of instruction and work. Knot tying, contests and games took up part of the session.

Present were: Billy Mountz, Charles Miller, Eldon Moody, Wellington Pearce, Edward Kevill, Billy Bogness, Happy Jack Farmer, W. E. Wallace, Antonio Alvarez, Carl L. Black, Jr., Harold Mueller, M. J. Cole, Frank Smith, Jack Wallace, Bobby Sykes, Walter Jones, Bobby Parr, Bob Moody, Bobby Clements, Ray Golden, C. B. Bogness, and Oscar Batts, scoutmaster.

FORMER BALLINGER MAN DIES AT HOME IN VALERA

J. D. Carsey, formerly of Ballinger, died at his home in Valera Tuesday and funeral services were conducted there Wednesday afternoon. Mr. Carsey has been away from Ballinger for some time but two sons, Homer Carsey and Bob Carsey, are well known here. Bob Carsey resides at Marysville, La., and Homer Carsey is employed at Houston.

Mr. and Mrs. Zahnow, of Streator, Illinois, returned home this week after spending several days with their daughter and son-in-law, Cadet George Aschinger, of Bruce Field.

Be wise—advertise.

Chiang Kai-shek Again Chinese President

Generalissimo Chiang Kai-shek, who was designated acting president of China after the death of Lin Sen, is shown receiving the award of the Legion of Merit from Gen. Joseph L. Stilwell. Chiang Kai-shek resigned the presidency in 1932 to devote all his time to the war.

EDUCATION BY MOTION PICTURES TO BE GIVEN BOOST AT END OF WAR

AUSTIN, Aug. 18.—Education by motion pictures will be given a tremendous boost when World War II is over, a University of Texas visual education expert predicts.

Dr. B. F. Holland, assistant professor of educational psychology who conducts university courses in visual aids, estimates that many miles of government-produced films on a wide variety of subjects will be donated to visual aid bureaus for free distribution to schools after the war.

At the close of the last war, 43,000 reels of film and 25,000 slides were contributed by the government for educational purposes, he said. Many times this number will be available at the

end of World War II. He also believes that schools will be able to buy more than 20,000 motion picture projectors—perhaps at one-fourth the original cost. Such equipment is now unobtainable. This "windfall" would mean more than double the present number of projectors owned by school systems.

Dr. Holland said visual education has expanded rapidly in the last five years. In 1936 only 458 American schools owned 16 mm. sound projectors, and by 1941 this number had grown to more than 9,800.

Mr. and Mrs. Arthur Keidel, Sr., and Mr. and Mrs. Elmer Spindel, of Cincinnati, visited their son and brother, Cadet Arthur Keidel, who is a member of class 44-A at Bruce Field, last week.

HAS YOUR ADDRESS CHANGED RECENTLY?
 Ledger subscribers are requested to notify the publisher of any change in their addresses promptly.
 Under the new postal laws newspapers and periodicals must pay postage due for notices of any change in addresses furnished by the postoffice. Besides, there always is the probability that your paper will be delayed or fail to reach you altogether if you do not give immediate notification when you move.
 The best plan for all concerned is to send the change of address in advance.

Runnels county people are learning how to get along with less driving as gasoline coupons were good for only three gallons Monday morning. This 25 per cent cut will cause less automobile traffic but it will take time to determine the results in this section where people were already limited to bare necessities. Another factor that will force less driving is the tire shortage which has become acute in this area. Many people eligible for tires are finding it almost impossible to find them, and as the unprecedented heat wave continues many old tires in service for several years are blowing out beyond repair. The most acute rubber situation right now is getting tires on trailers so that the 1943 cotton crop can be moved from farms to gins.

People are going to be made to realize more fully that we are at war during September and October. Starting September 9 the Third War Loan drive will be launched and Runnels countians will be asked to buy approximately one million dollars worth of war bonds. This is the greatest war financing movement ever activated in this country and plans are being made to start the campaign in every community simultaneously. In October a drive will be conducted for the United War Chest in which the nation will be asked for \$125,000,000 to carry on the activities of a number of allied war service organizations.

The army scrap metal drive has been completed in Runnels county and the soldiers have moved on to another location. This does not mean that the general salvage campaign is over and the work

HELP RULE THE SKY

● Mastery of the air is being won by our fighting men—aloft, at sea and on the ground. YOU help win this great air war when you buy War Bonds. We sell them at this bank without compensation or profit.

The First National Bank
 of Ballinger

Since 1886
 Member Federal Deposit Insurance Corporation

will be continued every day for the duration. H. J. Zappe, county chairman, is urging that citizens give more attention to saving waste fats, silk and rayon hosiery, brass, collapsible tubes, and other items that are badly needed in the war effort. The recent scrap metal collection was very successful and as a result practically one million pounds is awaiting shipment from this county. A survey also was made of scrap not donated in this drive, and may be called for later if needed.

Treating of Grain Against Weevils Advised by Agent

County Agent John A. Barton points out to the farmers of Runnels county the importance of saving their grain this year and especially protection against savages by weevils. Mr. Barton stated that with prices of grain so high it was important that every grain be saved to meet feed needs later in the year and also for the money value of the crop if sold now.

He listed the following requirements for success:
 Start early. Infestation starts in the fields and progresses rapidly in storage, especially in warm weather.

Carbon disulphide, otherwise known as "highlife," is the best fumigant for farm use.

The bin should be built tight, so that the gas will not flow out. Double walls and floors with building paper between and one wall of tightly fitting lumber will make an ideal fumigation bin. Grain piled on the ground or floor may be fumigated with reasonable success by covering with tarpaulin and throwing dirt on the edges. Barrels and boxes can be used for small amounts.

The air temperature must be 60 and above.

Use 8 pounds of liquid highlife per 1,000 cubic feet of space, or one ounce per barrel, computing not only the volume of the grain but the entire capacity of the container.

The gas settles downward, therefore apply the material at the top of the grain mass.
 Good results depend upon the rapidity of evaporation, therefore apply the material in shallow pans that will provide a broad and quick evaporation surface.

If grain is to be used for seed keep containers tightly closed for 24 hours. If only to be used for feed, longer would be better.

At the end of the fumigation period ventilate thoroughly and remember to keep all fire away from bins. This is especially important where grain is to be used for planting.

Fumigation does not make grain immune to attack from weevils later coming from outside sources, hence careful watch must be maintained and treatment again applied if needed.

Corn, maize, wheat, barley, peas are all subject to attack by the grain weevil and an early start is half the battle in saving the grain from damage.

Pay-day is bond-buying day.

Self-Sufficiency Basis of Youth Forest Camp

Boys who have been made wards of the juvenile court in California are being sent to a forestry camp in Calaveras State park if a check of their records and behavior indicates they are worthy of an opportunity. Self-sufficiency is stressed at the camp. Top left: Custodian A. A. Beck and J. H. Knight, assistant warden, kneeling, instruct two of their charges in the care of young trees. Bottom left: Two youths learn to mix concrete for camp foundations. Right: A youth gives his companion a haircut.

WEST TEXAS NOTES

Lake Scarborough at Coleman was restocked with fish last week when agents of the state game, fish and oyster commission placed 53,000 fish of all kinds there. The fish, both large and small, had been seined from holes in the Jim Ned and Indian creeks that were about to go dry. Lake Scarborough was already an angler's delight and by next spring should be one of the best fishing resorts in this part of the state.

The Winters city council has ordered all irrigation stopped in order to conserve the supply in the municipal lake. Mayor Smith issued a statement in which it was asserted that if all citizens saved water there probably would be enough until it rains. A close watch is being kept on the water supply and regular tests are made weekly to maintain purity.

The Miles fire department was host last week to members of the Hill Country Firemen's Association and since has received many letters and messages praised the entertainment provided. One of the highlights of the convention was the chicken supper served in L. John Treadway Park by Miles citizens.

The Stephenville city council last week ordered another water well drilled to take care of present patrons and permit growth of the city. Mayor J. W. Clements stated that the water situation was not acute but that the council was looking to the future and providing more water to meet subsequent requirements.

Comanche county officers made an arrest last week and took thirteen pints of liquor from the spare tire on an automobile. Armed with a search warrant the officers went to a man's place but failed to find any liquor. When they were leaving they noticed a peculiar shape to the spare and when they investigated found thirteen pint bottles of whiskey crowded into it.

The first of the new housing units at Brownwood were made ready for occupancy the past week-end when contractors completed 22 of the first 220 to be built. The houses are to be rented to persons stationed at Camp Bowie who reside in Brownwood. Work on this government project is to be continued until the housing situation is eased.

Sweetwater citizens were told by army officers last week that the growth of Avenger Field depends on the providing of homes for civilian workers and instructors.

Notice to Creditors of Estate
 No. 1897, Estate of J. Park Kemp, Deceased.
 In the County Court of Runnels County, Texas.

Notice to Creditors of the Estate of J. Park Kemp, Deceased:
 Notice is hereby given that original Letters of Administration upon the Estate of J. Park Kemp, Deceased, were granted to me on the 3rd day of August, A. D. 1943, by the County Court of Runnels County, Texas.

All persons having claims against said estate are hereby required to present the same to me within the time prescribed by law.

My residence and post office address are Box No. 580, Ballinger, Runnels County, Texas.
 ELIZABETH KEMP,
 Administratrix, Estate of J. Park Kemp, Deceased. 12-44

Drilling began at Brady last week on a new city water well. The recent population increase has called for expansion of the water supply and a contract was recently let for a 2,100-foot well to be ten inches at the bottom and to cost \$15,450. With the bid went a guarantee of producing a well that would pump 750 gallons a minute.

Arthur Leifeste, 59, was killed instantly last week on the highway near Melvin when he fell into a rock crusher while it was being operated. The hopped had clogged and Leifeste leaned over to clear it, falling in when his foot slipped.

Rowena Girl Scouts held an initiation ceremony in the home of Rev. and Mrs. Frank Lemmert last week. A number of new members were taken in and plans for the future were made by the leaders. During the recreational period which followed the initiation games were played and refreshments were served.

Junction leaders are organizing the fourth blood plasma caravan and a large group of citizens will go to San Antonio to give blood at the American Red Cross station. On each of the first three trips a large number joined the caravans and gave blood to be used on the battlefronts in saving the lives of wounded American fighting men.

Mexican Baptists of Texas gathered at Menard last week for their annual convention and encampment. The regular Baptist encampment ground were used and sessions continued through yesterday. Invitations were extended to white Baptists and a number were present for the daily services.

Concho county leaders were busy last week perfecting plans for the army scrap metal drive. The cam-

Changes in Food Store Operation Subject of Talk

Ballinger Rotarians heard a comparison Tuesday of the food stores of twenty-five years ago and those of today by Sam Behringer, pioneer grocer of this section.

Mr. Behringer told of the change over about twenty-five years ago from the old credit-service store to the cash-and-carry, helpy-self type and how radical this change was to the older merchants. At the beginning of this war, it was pointed out, restrictions hit the food stores perhaps more than any other line of business and almost completely altered their methods of doing business. Ration points and price ceilings created a great deal more work for the clerks and at the same time the labor shortage further complicated the food store business.

Mr. Behringer gave a general picture of the extra work in adhering to the rationing and price edicts and at the same time trying to keep a well stocked store when so many items are on the short list and some not even obtainable. The speaker said some of the changes were to the good, citing particularly the standardiz-

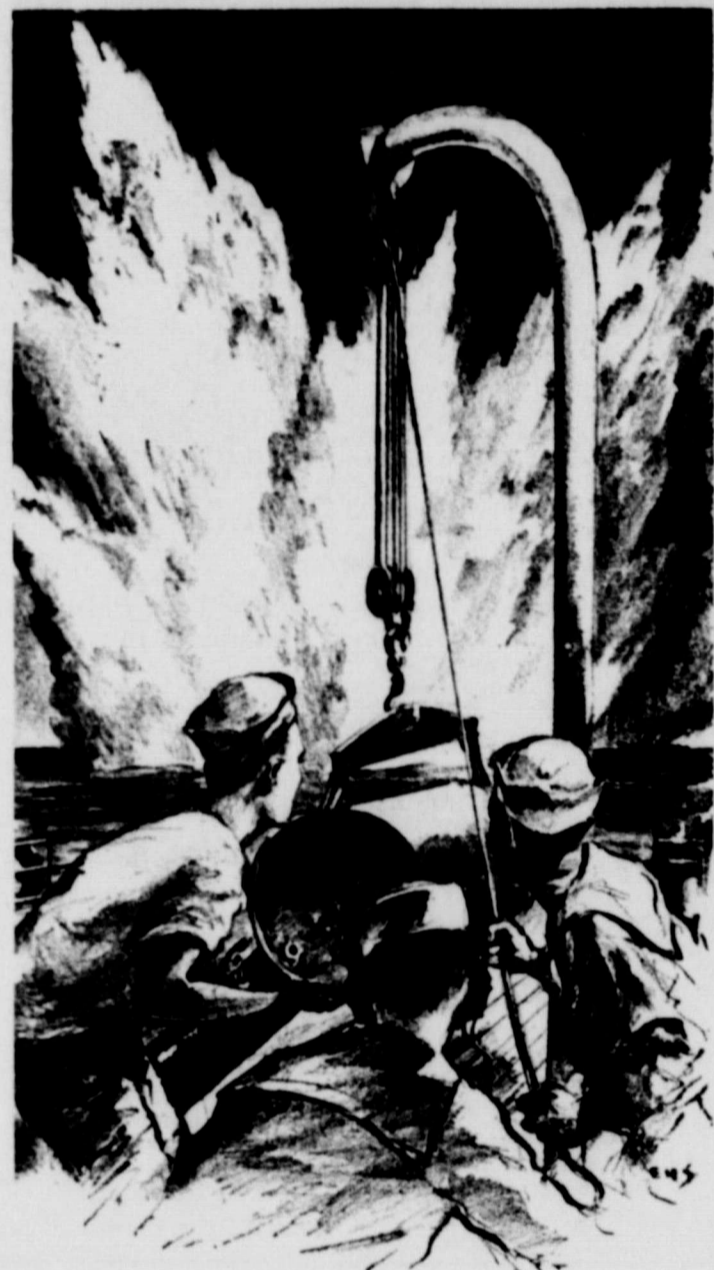

ing of containers and cutting out small cans.

M. A. FOY IS APPOINTED MEMBER SCHOOL BOARD

The board of trustees of the Ballinger independent school district has appointed M. A. Foy a member of the board to succeed Ben Denny, who resigned when he moved from Ballinger to Childress. Mr. Foy has accepted the place and has assumed the duties.

Rev. Clarence A. Morton came in this week from Hico, where he had been conducting a revival for the past two weeks. He stated that there were 43 additions to the Hico church during the revival. Sunday services at the First Baptist Church will be conducted as usual by Rev. Morton.

Blasting for Axis Oil

"Torpedo starboard stern," cries the watch . . . The bells in the engine room ring excited orders . . . The transport veers sharply in its course . . . "Whew," whistles the captain as the tin fish passes harmlessly by, "that was a close call."

Already a subchaser was racing to the spot where the enemy submarine crash-dived. The Y-throwers go into action . . . Wider and wider the spot is circled . . . Geysers of water mark each detonation . . . Then a yell from the crew as the sea boils up a film of Axis oil and debris . . . The last bomb found its mark.

Though it had been weeks since the Y-guns had seen action, every part of the mechanism functioned perfectly. Non-corrosive grease, marine paints, rust preventives protected all working parts against the insidious attacks of the salt air of the sea.

Figuratively the uses of oil in war are myriad and their importance cannot be overestimated (see partial list below). These products are made available for war and industry through leadership in petroleum research, the same research which produces for your car and truck Esso and Humble gasolines, Esso, 997 and Velvet motor oils.

HUMBLE PRODUCTS FOR THE MACHINES OF WAR: Asphalt, Aviation Gasolines and Aviation Engine Oils, Camouflage Paints, Diesel Fuels, Engine Oils, Unisil Instrument Oils, Marine Paints, Navy Symbol Lubricants, Shell Oils, Rust-Resistant Protective Coatings, Stratosphere Greases, Tulsoco, Torpedo Greases, Waxco, Waterproof Lubricants, and more, Synthetic Rubber for military use. **FOR THE MACHINES OF INDUSTRY:** Automotive Lubricants, Cutting Fluids, Cleaners, Diesel Fuels, Gasolines, Industrial Lubricants, Lubricating Lubricants, Motor Oils, Paints, Petroleum Solvents, Quenching Oils, Rust Preventatives, Waxco. **FOR YOUR CAR:** Products and service to help you care for your car for your country.

HUMBLE OIL & REFINING COMPANY
 13,000 Texans United in the War Effort

HUMBLE Humble fuels, lubricants and greases have been field-tested and used by successful farmers for years. There is a Humble product for every farm need. Look to your Humble Bulk Agent for advice on your fuel and lubrication problems.

1943 Baptist Association Meeting Slated August 26

Rev. Clarence A. Morton, pastor of the First Baptist Church, Ballinger, and moderator of the Runnels Baptist Association, announces that the thirty-sixth annual meeting of that body will open next Thursday, August 25, in the Wingate Baptist Church. The Runnels association is composed of some thirty regular missionary Baptist churches of Runnels, Concho, Coke, and bordering counties.

Churches in the Runnels association cooperate with the Baptist General Convention of Texas and the Southern Baptist Convention in carrying on educational work in colleges and seminaries, including Howard Payne College, Brownwood; Hardin-Simmons University, Abilene; Baylor University, Waco; Mary Hardin-Baylor College, Belton; a number of junior colleges, one academy, three seminaries, the Southwestern at Fort Worth, the Southern at Louisville, Ky., and the Bible Institute at New Orleans.

Benevolent work is carried on in support of Buckner Orphans Home, Dallas, and hospitals at Abilene, Dallas and Houston. The missionary work in Texas includes that among the Mexicans, negroes, and European people. In the South work is done among all the foreign-speaking people and in mountain schools. In foreign missions the Runnels Baptists are helping support some 500 missionaries in sixteen foreign nations.

Twelve hundred Baptist ministers from the Southern Baptist Convention, four hundred from Texas, are chaplains in the army and navy. These men have been trained and educated for the chaplaincy by the Baptists cooperating with the Southern Baptist Convention. One missionary is from the First Baptist Church, Ballinger, Miss Elizabeth Truay, now in Africa, and one chaplain from the First Baptist Church, Ballinger, Rev. Taylor Henley, now in Sicily.

First choice of thousands

BLACK-DRAUGHT

when A LAXATIVE is needed

Follow Label Directions

First Baptist Church of Ballinger will be the pastor and wife, Rev. and Mrs. Clarence A. Morton, Judge E. C. Grindstaff, Mrs. James Wear, Mr. and Mrs. A. F. Brock, Mrs. T. J. McCaughan, Mrs. E. Shepperd.

The Ballinger church reveals one of the best reports in years. During the past year a large number have united with the church. The church has paid off the debt against the building, being now debt free. Many improvements have been made and all of the work has gone forward in a satisfactory manner.

The program for the annual association meeting follows:

Morning
10:00—Worship
10:20—Organization
10:40—Report of committee on order of business, E. E. Dawson, Paint Rock; report of committee on committees, W. T. Hamor, Winters; report of committee on social and civic righteousness, Judge E. C. Grindstaff, Ballinger
11:00—Associational reports: of the treasurer, A. F. Brock, Ballinger; of the executive board; election of executive board for next year
11:00—Address, R. A. Springer, treasurer, Baptist General Convention of Texas, Dallas
11:50—Annual sermon, Rev. E. E. Dawson, Paint Rock
12:30—Adjournment for lunch.

Afternoon
1:45—W. M. U. annual meeting, Mrs. E. Shepperd, president, Ballinger executive board meeting
2:45—Worship
3:05—Reports: District Missionary J. R. Hickerson, Brownwood; committee on digest of letters, Edmond Howell, Abilene; committee on time, place, preacher 1944 meeting, A. F. Brock, Ballinger; committee on workers' conference, Alvah Kelley, Fort Worth; committee on obituaries, J. C. Watta, Winters; committee on associational evangelism, Emmett Brooks, Abilene; committee on question, "Shall the Association return to the employment of an Associational missionary?" W. T. Hamor, A. F. Brock, L. Roy Stuckey, miscellaneous.

4:25—Organizational reports: Associational W. M. U., Mrs. T. J. McCaughan, Ballinger; Associational B. T. U., Miss Zora Mitchell, Winters; Associational Sunday school, J. E. Eldridge, Bronte; Associational Brotherhood, J. A. Killough, Ballinger
6:00—Adjournment for evening meal.

Evening
8:00—Worship
8:20—Baptist program of world missions; report by Felder Cade; address by Rev. A. C. Donath, San Angelo
8:30—Sundry reports: Baptist

WAC Inspection in North Africa

A unit of the Women's Army Corps has been serving in North Africa for six months doing much of the non-combatant work associated with the tremendous Allied campaigns on North Africa and Sicily. The man who has directed these unique military victories—Gen. Dwight D. Eisenhower—is shown inspecting a WAC group.

literature, G. E. Purvis, Miles; Baptist war effort, J. C. Danley, Abilene; Baptist benevolent activities, Bob Lambert, Brownwood; Baptist schools, L. Roy Stuckey, Norton
9:30—Address, Dr. Rupert N. Richardson, Hardin-Simmons University, Abilene
10:00—Adjournment.

Water Facilities Loans Available To Farmers Now

Runnels county farmers who need government financing with which to repair their home and farmstead water facilities or to install new equipment with which to produce food and care for livestock may obtain loans for these purposes from the farm security administration, Roy V. Pinson, supervisor, announced Wednesday. FSA loans, Mr. Pinson advised, are now available to farmers who cannot obtain credit elsewhere for farmstead and domestic water needs. Loans are open to both tenants and owners.

Drilling wells, windmills, stock tanks, storage tanks for home and farm supplies and for irrigating gardens up to one acre are some of the purposes for which these loans will be made.

Mr. Pinson said these water facilities loans are not to be confused with the FSA's irrigation loans which are available only in certain approved areas. Water facilities loans available now in Runnels county will be made immediately to all qualified borrowers of this agency of the U. S. department of agriculture.

Applications for loans should be filed with Mr. Pinson at his office in the court house at Ballinger.

"Today, more than ever before, more food is needed in this country for use here at home and for shipment to our allies and to the people in countries set free by our armies," said Mr. Pinson. "The federal government, through the farm security administration, recognizes the importance of adequate water supplies on American farms and it is to meet this need that this agency's water facilities loans are being made accessible."

Mr. Pinson invites farmers to contact him at his office for complete further details or for making application for a loan.

SEABEES RECRUITING OFFICER TO BE IN ABILENE THIS WEEK

F. D. Baucom, SP1c (R) U. S. N. R., was in Ballinger Sunday for a short visit with friends and to attend to business. He stated that a recruiting officer would be in Abilene Saturday and Sunday to interview applicants for the seabees. He also said the San Angelo navy sub-station would continue to receive applications for enlistments in this branch of the navy.

The recruiting party visited here Tuesday of this week but next week will resume the regular schedule of stopping in Ballinger on Wednesdays. Anyone interested can see the recruiters at the local post office on Wednesday of each week hereafter.

FIRST SCHOOL IN COUNTY TO BEGIN TERM MONDAY; OTHERS MAY OPEN SOON

The first Runnels county school to open its fall term is Cross Roads, scheduled to begin next Monday. Plans are to teach for a period and then allow a recess so that pupils can help in harvesting crops.

Teachers of the Cross Roads school are Mrs. Felix Haverland and Mrs. H. H. Wagner.

Mr. and Mrs. C. H. Robertson, formerly teachers of the Hagan-Barnett school, have tendered their resignations and accepted positions on the Miles school faculty.

Trustees of the Kristoff school have announced the employment of Mrs. Ida Marton as teacher for the school year soon to start.

Several other school boards in the county are due to make decisions this week relative to an early start so that recesses can be given to permit the pupils to help in gathering the cotton crop.

Notice to Creditors of the Estate No. 1892, Estate of John Loveless, Deceased.

In the County Court of Runnels County, Texas.

Notice is hereby given that original letters of administration upon the estate of John Loveless, deceased, were granted to me, the undersigned, on the 20th day of July, by the County Court of Runnels County. Hamburg Now World's Most Bombed City

Another Axis city now is entitled to the dubious distinction of "world's most bombed city"—Hamburg, Germany. It has been rendered useless as a military, manufacturing or shipping locale. Through gaps in the pall of smoke rising over the city, new explosions can be seen as Allied fliers work on the Howaldtswerke U-boat shipyards.

DEATHS

Rufus Thomas
Rufus Thomas, 51, died at San Angelo Sunday morning at 7:30 o'clock after illness of only six hours.

Decedent came to Runnels county 35 years ago from Mexico and made home here until about 18 months ago when he went to San Angelo to be connected with a barber shop there. He was a pioneer barber of this section and owned and worked in shops here many years. His wife preceded him in death in 1936. He was a member of the Bethel Methodist church.

Survivors include his mother, Mrs. C. C. Thomas, Ballinger; three brothers, Roy Thomas, Mexia; Joe Thomas, Houston; Jack Thomas, Austin; three sisters, Mrs. Lynn Stokes, Ballinger; Mrs. Austin Williams, Ballinger; and Mrs. Ernest Gaston, Sudan.

Funeral services were held at the Agnew chapel Monday evening at 8:30. Rev. W. E. Ship officiating. Interment followed in Evergreen Cemetery.

Active pallbearers were E. E. Woodson, Sam Malone, W. F. Harrell, George Mader, Henry Martin and H. B. O'Kelly. Honorary pallbearers were J. L. Thomas, R. B. Thomas, Clyde Williams, Morris Stokes and Altus Stokes.

Agnew Funeral Home was in charge of arrangements.

Jose F. Coca, Jr.
Jose F. Coca, Jr., died at the family home on the Bruce farm south of Ballinger Monday a short time after birth. Funeral services were held at the graveside in the Mexican cemetery Monday afternoon at 7 o'clock.

Survivors besides the parents include the four grandparents. The father is Pfc. Jose Coca, now serving in the 43rd division in Sicily and for the past month making history as the unit drove the Germans and Italians from the island.

King-Holt Funeral Home was in charge of arrangements.

SHIPS SILVER-PAPERED

LONDON, Aug. 18.—Ships used in the British navy for service in the Arctic are being lined with silver paper. It is reported that ships already treated with silver paper, which is unaffected by climate, have provided warm quarters for their crews when they proceeded to the Arctic.

NAZIS CRAMP STYLES OF FURNITURE MAKERS

LISBON, Aug. 18.—Furniture manufacturers in Germany have had their styles cramped by official decrees, and are looking forward to a drab era. The variety on which they prided themselves is gone for at least the duration. Instead of making many items, such as beds, easy chairs, kitchen cabinets and tables, each factory has been ordered to limit its output to furniture for a single type of room—living room, bedroom or kitchen.

To add to their artistic grief manufacturers are permitted to work on only two models of each item, one for each of two authorized price classes. All luxury furniture is banned.

VERA CRUZ COMMENCES BUILDING FOR FUTURE

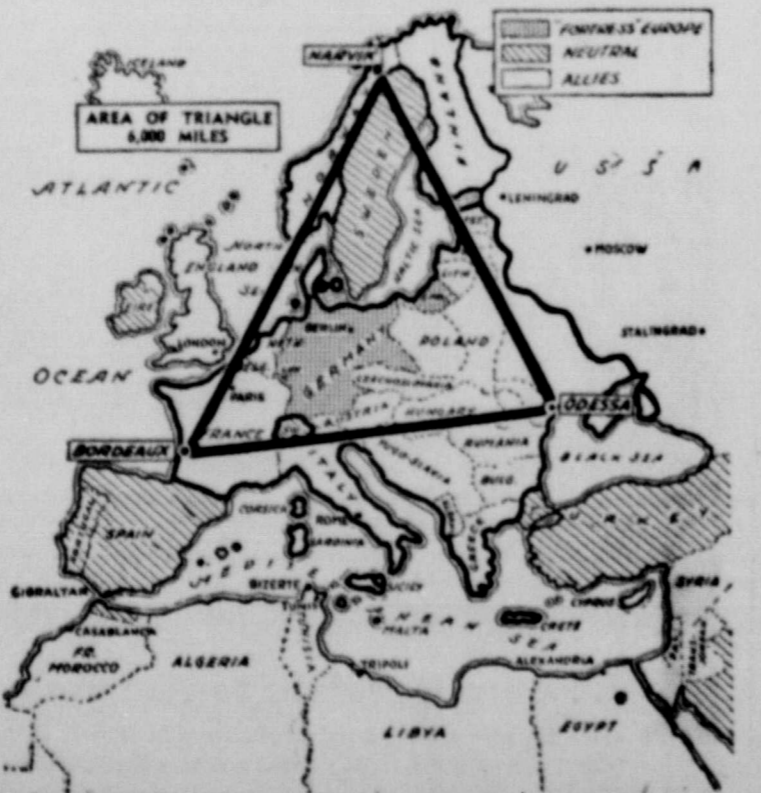

VERA CRUZ, Mexico, Aug. 18.—Vera Cruz has started to build itself into a greater city. Total money to be poured into this historic port in the immediate future will be nearly \$6,000,000. The construction started with a rush after union labor difficulties had been overcome and large sums allotted for public works.

Vera Cruz, oldest settlement in Mexico, relied on shipping for its prosperity, neglecting to build up the back country or to promote factories. It took little heed of the morrow as long as notables came and departed and shipping flourished. Among the new works will be shipbuilding ways.

Possible Nazi Triangular Defense Line

Italy's exit from the war, military experts believe, would force Germany to abandon Greece, Yugoslavia, Rumania and Bulgaria, thus losing 600,000 satellite troops and necessitating a 5,000-mile defense line with about 5,500,000 men. The line may run triangularly from Narvik, Norway, to Bordeaux, France, to Odessa in the Ukraine, then back north to Narvik. Neutral Sweden and Switzerland fall inside the triangle but Sweden has announced that such movements must end August 20.

Serving Uncle Sam

(Continued from Page 1)
Bobby Fred Farmer, Sic, now stationed at Datona Beach, Fla., with the coast guard, is at home on a ten-day furlough. He will return to his base tomorrow.

Pvt. Penn E. Fenley is now with the field artillery at Camp Callan, San Diego, California. Mrs. Fenley is making home with her parents, Mr. and Mrs. W. J. Nunn, of Ballinger.

Pvt. Albert E. Green, of Camp Barkeley, spent a four-day furlough with relatives and friends in Ballinger last week. He was leaving for an unknown destination.

Lieut. Ray Tisdale is here for a short visit with friends between training classes. He and Mrs. Tisdale came in the first of the week following his graduation and receiving his commission at Aberdeen, Maryland. He will return there the first of next week for more training.

Bill Sykes, son of Mr. and Mrs. O. C. Sykes, has been sent to Santa Ana, California, where he has entered the reception center for aviation cadets. After preliminary training there he will be assigned to a primary field to get flight training.

Douglas Cox and David Batts, who left here last week to become aviation cadets, have been sent to Miami, Florida, to receive the first phase of their training.

Lieut. Billy Jack Connelly was in Ballinger a few days this week for a visit with relatives before returning to Luke Field, Arizona, where he is stationed. Lieut. Connelly received his commission with class 43-G.

Plant good seed—in war bonds—and harvest security after the war.

To Run Sicily

Wesley A. Sturges, who was named by the state department as an overall director to assume charge in Sicily when hostilities end. He has been working for the Office of Economic Warfare in Africa.

Three times as many teachers could be placed in jobs now available, Miss Miriam A. Dozier, secretary of the University of Texas teachers' appointment bureau, declares.

City Tax Rate Reduced 10c

(Continued from page 1)
of water in Ballinger for the past three months has been the heaviest in history.

Members of the city commission endorsed the delinquent tax program and will continue it. They have received many compliments from tax payers who praise the campaign to make all property owners pay their part of the city government's budget.
