

THE BALLINGER LEDGER

VOLUME 60

BALLINGER, TEXAS, THURSDAY, SEPTEMBER 19, 1946

NUMBER 67

Ballinger Lions to Stage Minstrel November 15

Directors of the Ballinger Lions Club held a special meeting and dinner last Thursday for the purpose of making plans for staging a club minstrel show about November 15.

The big show is to be presented to raise money for the club to pay its part of the paving cost on Broad Street which will provide a paved street from Eighth past the entrance to Bearcat Field. President C. A. Bissett announced that approximately \$1,750 would be needed to complete the project.

At the meeting preliminary plans were completed for writing the script, securing outside talent from nearby colleges, arranging for a candy sale and other special features. The club plans to use a cast of more than 100 people and to present a performance which will be worth the prices charged.

The following committees were named:

Steering—Dr. O. H. Chandler, S. E. Cloninger, Ernest Caskey, Carl Black, Harry Lynn

Direction and Script—Troy Simpson, Harry Lynn, Carl Black, Jack Nixon, Jr., and Rev. B. J. Martin

Ticket sales—W. J. Hembree

Advertising and Publicity—Jack Rudd and Ed Curry

Candy for Sale—James A. Wear, M. A. Foy and Sam Malone, Jr. Stage Carpenter—C. A. Bissett Stage Properties—Ernest Caskey Speaking Equipment—George Newby and Jack Nixon, Jr. Prizes for Candy Sale—C. D. Richards.

Rehearsals will not be started for sometime but committees will begin work at once getting everything ready for the work when the big cast is called to get together. The minstrel will feature a chorus of about 100 voices, men and women, along with the usual blackface comedians and the introduction of the latest songs.

Additional Students Depart to Continue Education at College

Additional names have been received of local students who will attend college this fall. Indications are that 60 to 75 students from Ballinger and vicinity will continue their quest for higher education.

Mr. and Mrs. Jimmie Dickey and baby daughter left last week for Alpine, where Jimmie enrolled as a freshman in Sul Ross State Teachers' College. He was recently discharged from the service.

Frank Dickey, Jr., another son of Mr. and Mrs. F. C. Dickey, has also left to continue his higher education and will enter Yale University at New Haven, Connecticut. He began work for his degree there while in the service.

Others departing for the University of Texas are: M. L. Forgey, son of Mrs. Cordelia Forgey; Joe Wayne Childers, son of Mr. and Mrs. Sterling Childers; and J. C. Wessels, son of Mr. and Mrs. Johnny Wessels.

Harold Richards, son of Mr. and Mrs. C. D. Richards, recently discharged from the navy, left this week to enroll at Hardin-Simmons University, Abilene.

Billy O'Neill, son of Mr. and Mrs. R. O'Neill; and Reid Caskey, son of Mr. and Mrs. Sid Caskey; left this week for Lubbock where they will enter Texas Technological College. Both are veterans.

Lucius Stokes, son of Mr. and Mrs. Altus Stokes, left for College Station to be a freshman at A. & M. College.

Mrs. C. Koller, of McNabb, Ill., is visiting her daughter-in-law, Mrs. Clark Koller, and baby granddaughter, in the home of Mr. and Mrs. Rufus Allen on Tenth Street.

Meade Griffin, of Plainview, was a visitor here last week in the home of Mr. and Mrs. Bob Crim. He was en route home from the state Democratic convention at San Antonio.

Produce Shortage Causes Suspension Of Canning Center

H. B. Edmondson, vocational agriculture teacher in the Ballinger high school, stated today that because of the shortage of fall garden produce since the extreme drought the Ballinger canning center would be closed. He said lack of produce had curtailed use of the facilities and made it necessary to suspend operations until the meat canning and curing period.

The canning center is financed by the federal and county governments and permits free service to people of this community.

Mr. Edmondson said a date for reopening the center would be set later.

During the time the center was open much food conservation was done, especially in canning for the school lunch rooms of the county.

It is believed that many will take advantage of the facilities during the meat canning and curing season.

Mrs. Vivian Miller, 29 Dies in Car Accident On Winters Highway

Mrs. Vivian Miller, 29, wife of Garland Miller, was killed on the Ballinger-Abilene highway about 5 o'clock Tuesday morning when the automobile in which she and an escort were riding turned over, pinning her underneath. The car rolled down a 12-foot embankment at a curve in the road.

A Newby-Davis ambulance was called to the scene of the accident and brought the body here for preparation. It was taken to Winters Wednesday and turned over to Spill Funeral Home.

Decedent had resided at El Paso several years, but had been making home at Winters the past two months.

Funeral services were held at Winters Wednesday afternoon and interment followed there.

Survivors besides the husband include her parents, Mr. and Mrs. H. L. Driver, Winters; three daughters, Sandra Gene, Betty Jane and Billie June; three sons, Charles, Gerald and Adolph, Winters; four sisters and three brothers.

Decedent was a member of the Church of Christ.

Rebekah Lodges Of District Hold Meeting in City

Members of Ballinger Rebekah lodge No. 48 met Tuesday night in the I. O. O. F. hall to observe the anniversary of the organization. All Rebekah lodges in this district were represented.

Mrs. Milburn Harvey presided over the program at which Rev. J. R. Lawson, deputy grand master, spoke on "The History of Rebekah and Oddfellowship." "I Would Be True" and "Evening Prayer" were rendered by Miss Lanetha Arrant and Mrs. Morris Stokes.

Corsages were presented two honor guests, Aunt Mary Maroff, 92, and Aunt Sallie Vosart, 82. The former has been a Rebekah 32 years and the latter 37 years. Both are members of the Bangs lodge.

The Tuscola lodge presented a beautiful and impressive drill as part of the program.

Lodge members were present from Miles, Winters, Brownwood, Tuscola and Bangs.

After the program popular music was rendered by Mrs. Jack Carwile and Mrs. Vernon Wright while a sandwich plate and iced drinks were served to about 200.

Miss Jennilou Grammar visited her parents at Coleman the past week-end.

Trash Cans to be Placed on Streets By Local Jaycees

The Ballinger Junior Chamber of Commerce met Wednesday noon at the American Cafe for its regular luncheon and program. Rev. B. J. Martin was the guest speaker.

At the business session it was announced that a number of trash cans have been built and will be placed on the streets this week or the first of next week. Advertising is being painted on the sides of the cans and as soon as this is completed they will be put in service. More cans will be built until a number are on the sidewalks of each block.

The Jaycees are starting a number of other activities and committees were appointed at the meeting Wednesday to push projects already underway.

The organization will conduct a charity campaign this fall in which an automobile will be given away in a program to raise funds for local work. Publicity is being given this campaign which will be launched within a few days.

Veterans' Vocational School Heads to Meet At Lubbock Saturday

County, state and federal officials concerned with the operation of county vocational education schools in which veterans are enrolled for training will hold a joint meeting Saturday, September 21, beginning at 8 a. m. in the Hilton Hotel ballroom, Lubbock. Eldon F. Fuller, chief, vocational rehabilitation and education division of the Lubbock veterans' administration regional office, said today.

Purpose of the meeting is to bring about a complete understanding of the functions of the county vocational school boards, state board for vocational education, state approving committee, and the veterans' administration in connection with operation of the county vocational schools.

"The state board of vocational education is responsible for the supervision of the county schools, while the veterans' administration is responsible for supervision of the veterans in training in the schools. New policies and regulations recently established by the VA will be discussed at the meeting," Fuller said.

James Parrish, coordinator of the Runnels county vocational school, together with the county board of directors are scheduled to attend the meeting.

B. C. Davis, director veterans' education, will represent the state board for vocational education.

N. B. Read, assistant chief of education training services, and O. S. Mathews, chief of agriculture training, of the Dallas VA branch office; Eldon F. Fuller, and VA training officers assigned to the vocational schools within the Lubbock veterans' administration region, will be in attendance.

THE LEDGER WILL BE SMALLER NEXT WEEK

For the next two weeks the size of The Ledger will be smaller. Each page will be two inches shorter than regular size due to using borrowed paper for the issues of September 26 and October 3.

The Ledger has a supply of paper on a boat in the port at Houston but due to the longshoremen's strike it cannot be unloaded. Information received from wholesalers this week indicated that the congestion in the Houston port was such that should the strike end at once, it will be some time before all boats are unloaded and rail shipments made.

We will make every effort to obtain some kind of paper to continue operations after October 3 in case the strike is continued beyond that date.

ATHLETICS TO BE SUBJECT OF ROTARY CLUB MEETING

Allen Davis, president of the Ballinger Rotary Club, stated today that the club will meet Tuesday noon at the Central Hotel for the regular weekly program. An inter-city meeting had been scheduled with the San Angelo club for next week but officials have not been able to announce this program.

Next Tuesday's program will be presented by Wayman Wilson, who will tell Rotarians about the physical training program in the Ballinger schools and about the prospects for the football season.

Directors of B.C.D. Hear Good Reports At Regular Meeting

Directors of the Ballinger Board of Community Development held their regular September meeting Monday night. Routine reports were given by all standing committees on work accomplished since the last regular meeting.

W. O. Wallace read a resolution sent out by the Texas Good Roads Association asking for continuance of the allocation of gasoline taxes for all road purposes, both state and local, with three-fourths of the money to be spent on road construction and one-fourth to go to maintenance of public schools. The resolution was approved by the board.

A motion carried to contribute up to \$10 to send the gold star 4-H club girl of Runnels county to the State Fair of Texas, Dallas, during October.

County Agent reported on activities at the Ballinger labor camp. To date J. N. Key, manager, has received 68 crews, a total of 714 Latin-American workers, all of whom have been placed. To date the camp has cost \$1,012,414 and there still is more work to be done.

A meeting is planned by the directors in October in which a dinner is to be served, followed by a business session.

NEW SCHEDULE MADE FOR ARMY RECRUITERS

Recruiters for the army have set up a new schedule for time to be spent in Ballinger. The recruiting sergeants will be here each week on Tuesday from 9 a. m. to noon; Thursday from 1 to 4:30 p. m.; and on Friday from 9 a. m. to noon.

The recruiters can be located on these days and during these hours at the sheriff's office or be seen on the streets. They will be glad to discuss army opportunities offered through volunteering at this time.

NEW MINISTER SERVING 8TH ST. CHURCH OF CHRIST

The Eighth Street Church of Christ has secured the services of Lewis Hogue, former minister of the church at Royce City for the past three years. Mr. Hogue is moving his family to Ballinger this week and will be at home in the church residence at the rear of the church after today. He has a wife and a 14-year-old daughter.

Mr. ad Mrs. Hogue spent several days here last week, getting acquainted with the local members and he has filled the pulpit the past two Sundays. The Hogues have expressed themselves as highly pleased with Ballinger and desire to meet the entire citizenship.

Richard Robbins, who served as minister of the local church for the past two and a half years, has resigned here to accept the ministry of a church at Brownwood. He and his family have already moved to Brownwood.

Mr. and Mrs. Crawford Lemburg and daughter, Jamie Ruth, of Menard, visited relatives and friends here Saturday afternoon.

District Commander Visits Ballinger Post Of American Legion

Louie D. Lane, commander of the 21st district of the American Legion, was here Tuesday night to visit the local post and spoke on the 1947 program of the organization. The commander urged that membership drives be started early this year and notified the Ballinger post that it would be given a stiff quota for the ensuing year.

Commander Lane said the district convention would be held at Boerne on October 13 and urged that the local post be well represented.

He announced the organization of a new post at Wingate Friday night of last week and said memberships were being taken at Taipa for the forming of a post there.

Post Commander Dan Woodroof and Adjutant Robert Owen gave brief reports on the state convention, held at Galveston two weeks ago, and which they attended as delegates.

The Auxiliary in business session made plans for the annual poppy sale, read letters from a French family it has assisted recently and had an interesting program on the federal constitution.

Bruce Field Building Space Being Sought By Veterans' School

The board of directors for the Runnels county vocational school for veterans was in session Saturday to discuss plans for making application for classroom buildings at Bruce Field when the property is declared surplus.

A committee, composed of O. C. Sykes, James Parrish and Ernest Caskey, was named to take the proper steps to file a formal application along with that of the city.

An inspection trip was made to the field Saturday and it was found that vocational agriculture classes could be handled very nicely at the field. Practically all those included in these classes live on farms near Ballinger and come to classes in private cars. Transportation would not be a problem and the classrooms there are perfect for school work. Blackboards, lights, heating equipment and many other necessary items are still in the classrooms and the work could be done there without delay. Mechanical classes might be best served in town because many leave their jobs to attend classes and also shops are already set up here.

The committee will be in session again this week to determine how much space could be utilized at the field and it is likely that a definite application will be filed.

Mrs. R. F. Smit, of Winters, was in Ballinger the past week-end, visiting friends and shopping.

Homer Price has entered the University of Texas to continue his studies after being discharged from the army.

City Bond Sale Discussed; Water Raise November 1

Sgt. Byler's Grave Found in Germany; To Bring Body Home

Mr. and Mrs. Hamp Byler received a letter last week from the army air forces, Washington, informing them that the grave of their son, Sgt. George Wagner Byler, had been found.

According to a translation of German war records the B-17 on which Sgt. Byler was a gunner, was shot down by German fighter planes on May 19, 1943, near Teienhausen, Germany. Teienhausen is a small village 12 miles south of Schleswig, Germany. The records reveal that his burial was reported May 25, 1943, in the military cemetery at Schleswig.

Mr. and Mrs. Byler were also advised that they would receive another letter from the war department giving more information and telling them where the body will be moved, papers to be filled out relative to their wishes in the final disposal, and other details. Mr. Byler said they would request that their son be returned home for burial here.

Sgt. Byler was among the first from Runnels county to be lost. He was with general headquarters in England for a time and later transferred to the air forces and trained at a gunnery school in London. Previous information was that the plane's objective on May 19 was the port of Kiel, Germany, near where the B-17 was lost.

No other information has been received by the parents in regard to other members of the crew or details of the raid.

O. C. SYKES RESIGNS FROM SCHOOL BOARD

At a meeting of the Ballinger school board Tuesday night the resignation of O. C. Sykes was received and accepted. Mr. Sykes was serving as president of the board and had been a trustee the past twelve years.

O. J. Harber was named president of the board, and W. O. Middleton was elected vice-president.

J. G. Tuckey was appointed a member of the board to take the place made vacant by the resignation of Mr. Sykes.

Hilmar Wagner, son of Mr. and Mrs. H. H. Wagner and Melvin Hoelscher, son of Mr. and Mrs. E. B. Hoelscher, of Rowena; left last week for Lubbock where they enrolled in Texas Technological College. Hilmar is a 1946 graduate of the Ballinger high school and expects to major in band. Melvin graduated in 1942 from the Paint Rock high school and was recently discharged from the navy. He will major in engineering.

Bill Wood, son of Mrs. Gertrude Wood, has returned to his station at Staten Island, New York, after enjoying a furlough at home.

A number of Ballinger business men met with the city commission Thursday morning to discuss the method of issuing revenue bonds for work on the proposed water improvement and sewerage system projects.

Those present were of the opinion that the two issues should be sold together and that only part of the authorized issues be sold at this time in order to provide sufficient money for the work in the immediate future.

Engineers are busy on the water system survey and are making core tests at two locations this week. This will be continued until a definite location is made for the dam and reservoir and later the land will be acquired by the city so construction can be started as soon as a contract is let.

The voting of water bonds also authorized a new water rate here. This rate will become effective with the billing on November 1. Meters are being read this week and will include water used the latter half of August and the first half of September. This reading will be billed at the old rate and curbs will be mailed out October 1. Water being consumed at this time will be charged for on the new rate.

Patrons residing outside the city limits will be billed on the same rate as those living in town plus 25 cents. The first named customers also have paid for their own meters.

The water and sewerage projects will move much slower than in ordinary times because of the shortage of materials. It was stated that no pipe shipments could be received before ten months after the date the order is placed.

Bond company representatives were here the past week-end to confer with the city commission in regard to purchasing the three bond issues authorized in the election of September 10.

COUNTY COURT JURY VENIRE OF 18 CALLED

A county court jury venire of 18 men has been summoned to appear next Monday morning, when a criminal docket of contested cases will be taken up.

County Judge E. C. Grindsstaff stated that several cases charging violations of the liquor law have been docketed in which the defendants have indicated they want a trial by jury.

A jury of six will be selected from the venire to hear evidence in the contested cases.

Pvt. Aubrey Frazier and Pvt. Bob Northington came in the past week-end from Camp Hunt and will be here more than a week, visiting relatives and friends. They will report at Seattle, Washington, about September 24 and are slated for overseas service upon arrival there. Both men have been in the army about three months.

Mrs. Augusta Bethany returned Sunday from a short visit at Sealy with her sister, Mrs. F. Westerman.

BETHEL HOME DEMONSTRATION CLUB

The Bethel home demonstration club met last Thursday in the home of Mrs. Ross Smith with twenty-one members present and the following guests from the Rowena club: Mmes. E. H. Voelkel, Andrew Faltisek, G. A. Burkemper, John Schuhmann, Marie Beach, Ed Kasberg, Elo Hoelscher. Other visitors included: Mmes. J. W. Holt, P. P. Holton, Walter Bigby, Ballinger; Mrs. J. P. Boothe, South Ballinger; and Misses Mary Ruth Duke and Wanda Zuehike, of Bethel.

Mrs. Claude Thompson, club chairman, was in charge of the meeting and named a nominating committee for the election of officers for the coming year.

It was decided that the club contribute \$10 on a typewriter for the home demonstration office.

Mrs. Marion Hays gave a report on the last county council meeting and she also had charge of the recreation period. The members drew names and shadow names were revealed.

Miss Chenoweth showed quite a variety of small kitchen equipment and gave a demonstration on the micro-matic cooker.

Punch and cookies were served to all present. The next meeting will be held with Mrs. Ardell Richards on September 19.

Miss Ollie Chenoweth, county home demonstration agent, displayed kitchen equipment and gave new ideas on kitchen conveniences. She also gave a demonstration on the use of pressure saucapans.

Refreshments of frosted cakes with cake were served to: Mmes. C. D. Harris, Carlton Smith, B. M. Batts, J. Wesley Jones, Virgil McShan, Fred Moncrief, R. R. Holstead, Miss Chenoweth; and Mrs. Milton Harris and Mrs. Fred McKay, visitors.

The next meeting will be in the home of Mrs. Joe Thomas.

Citation by Publication THE STATE OF TEXAS

TO: Thomas Lee Johnson and the unknown heirs and legal representatives of Thomas Lee Johnson, deceased.

You are hereby commanded to appear and answer plaintiff's petition at or before 10 o'clock a. m. of the first Monday after the expiration of forty-two (42) days from the date of issuance of this citation, the same being Monday, the 14th day of October, A. D. 1946, at or before 10 o'clock a. m. before the Honorable District Court of Runnels County, Texas, at the Court House in Ballinger, Runnels County, Texas. Said plaintiff's petition was filed on the 24th day of August, A. D. 1946; the file number of said suit is No. 5324.

The names of the parties to and in said suit are: R. W. Ueckert, Sr., is plaintiff; and defendants are the persons to whom this writ is addressed, to-wit: Thomas Lee Johnson and the unknown heirs and legal representatives of Thomas Lee Johnson, deceased. The nature of said suit is substantially as follows, to-wit: Suit in trespass to try title filed by said plaintiff, R. W. Ueckert, Sr., against said defendants to recover the title to and possession of the following described land in Runnels County, Texas, to-wit:

Being a part of Block Six (6) of the West End Addition to the City of Ballinger in Runnels County, Texas, described by metes and bounds as follows, to-wit:

Beginning at a point in the East line of said Block Six (6) and the West line of East Avenue, which point is 209.13 feet North 30 degrees East of the Southeast corner of said Block Six (6)

Thence North 30 degrees East with said East line of said Block Six (6) a distance of 85.7 feet to the Northeast corner of said Block Six (6);

Thence North 60 degrees West 161 feet for corner;

Thence South 30 degrees West 85.7 feet for corner;

Thence South 60 degrees East 161 feet to the place of beginning; and being the same land conveyed to R. W. Ueckert, Sr., by deed executed by R. W. Johnson and recorded in Volume 181, at Page 241 of the Deed Records of Runnels County, Texas, to which said deed and said record thereof reference is here made for better description of said land.

Plaintiff also pleads, and seeks to recover said land under, the three and five year statutes of limitations.

The style of said suit is R. W. Ueckert, Sr., vs. Thomas Lee Johnson et al.

If this citation is not served within 90 days after date of its issuance, it shall be returned unserved.

Issued this 27th day of August, A. D. 1946.

Given under my hand and seal of this court at my office in Ballinger, Runnels County, Texas, on this 27th day of August, A. D. 1946.

What are the wise ones waiting for?

For One Thing—This! Fresh new styling that clearly says "1946." The sheer good looks of long low lines, full sweeping fenders, solid, uncluttered appearance in every line and contour.

For Another Thing—This! A big straight-eight Fireball engine, made silky-smooth with Accurite-finished cylinders and brilliantly able to hold its own on any highway.

For Another Thing—This! The matchlessly soft cradling of gentle coil springs on all four wheels—springs that float you like a breeze over cobbles and bumps.

For Another Thing—This! The word for it is "handling"—meaning the deft lightness of wheel and brake and gear-shift that makes every trip truly a pleasure trip. You have to experience it to know it—but it's what makes a Buick salesman out of every new Buick owner.

In a Word—The Best Buick Yet! You can buy one at OPA ceiling price—with or without a car to trade in. And the great Buick factories are turning them out as fast as they can get materials. So put your name on our list and get one headed your way.

WHAT OTHER CAR HAS SO MUCH THAT CLICKS FOR FORTY-SIX!

SMARTNESS—that sets the style pattern with car-length Airfall fenders and bolt-on rear wheel shields.

POWER—from a Buick Fireball valve-in-head straight-eight engine.

OIL SAVINGS—from non-scuffing Accurite cylinder bores.

FLASHING ACTION—of Fliteweight pistons.

STEADINESS—from full-length torque-tube drive in a sealed chassis.

GLIDING RIDE—from Panthegair all-coil springing.

COMFORT—of soft Foamtex cushions in roomy Body by Fisher.

SURE FOOTING—of Broadrim wheels.

CONTROL—through Permi-firm steering.

CONVENIENCE—of high-leverage Step-On parking brake.

PROTECTION—of Buick-originated fender-shielding front and rear bumpers.

Tune in HENRY J. TAYLOR on the air twice weekly.

O. E. S. Has Regular Meeting
Ballinger chapter No. 266, Order of the Eastern Star, held its regular September meeting Monday evening with Mrs. Rachel Boswell, worthy matron, presiding, assisted by Ruel Boswell, associate worthy patron.

Mrs. Velma B. Halley gave a biographical sketch of Robert Morris, founder of the Order of Eastern Star, and Mrs. Rama Saunders read a poem dedicated to Robert Morris.

Other officers and members present were: Mmes. Nellie Campbell, Frances Zedlitz, Edrie Petty, Ione Teague, Dorothy Davis, Mavis Newby, Inez McIntire, Josephine Beard, Nettie Edwards, and Mary Midgley; Misses Agnes Glover and Demma Barron; Messrs. H. O. Campbell, George Beard and Gay Edwards.

Miss Davis Named District Dental Assistants Association President
Miss Gladys Davis, who assists Dr. J. D. Eoff, local dentist, was elected president of a new organization, known as the San Angelo District Dental Assistants Association, formed during the past week by charter members from Ballinger and San Angelo.

Miss Bobbie Stewart, of San Angelo, was chosen vice-president; Miss Bert Wade, San Angelo, secretary-treasurer; and Miss Wanda Pearson of Ballinger, who is assistant in the office of Dr. C. W. Cheatham, reporter. Nine were in the original group.

When the charter group's enrollment is completed, the chapter will affiliate with the Texas State Dental Assistants Association, and in turn with the American organization.

Regular meetings will be held the first Monday in each month.

J. Y. PEARCE DRUG CO.

Where Pharmacy is a Profession

daughter, Sue, and Tillman Allen, son of Mr. and Mrs. L. T. Allen, Sr.

The twilight ceremony was read September 7 at the home of the bride's parents, the Rev. M. C. Golden, Baptist minister, officiating.

The bride wore a gray dress-maker suit with blue accessories and an orchid corsage. Miss Betty Parks was her sister's only attendant and she wore a pink wool dress with carnation corsage. M. F. Gallant, of San Angelo, attended the bridegroom as best man.

Following a wedding trip the couple will be at home at 301 Eighth Street.

Both Mr. and Mrs. Allen are graduates of the Ballinger High School. He is employed by the J. M. Radford Grocery Co., and she by the Southwestern Life Insurance Co.

Miss Ann Kiechle Compliments Mrs. Pafford

Miss Ann Kiechle was hostess at a contract party Thursday evening of last week when she honored Mrs. Charles Pafford, who is leaving Ballinger with Mr. Pafford and small son to make their home in Borger, entertaining in her home on Fourth Street.

After games a surprise shower of crystal was presented Mrs. Pafford by members of the contract club. A sandwich plate was served with cookies and iced tea.

Others were: Mmes. Murrel Landreth, K. V. Northington, Jr., Bill Williams, Henry Biecluk, Misses Dorothy McMillan and Norma Gene Bankston.

EMPLOYMENT ACT PROVISIONS TO BE EXPLAINED BY STATE COMMISSION REPRESENTATIVE

A representative of the Texas unemployment compensation commission will be in Ballinger on October 22 from 9:30 a. m. until noon to meet with employers who need assistance or information relative to the act.

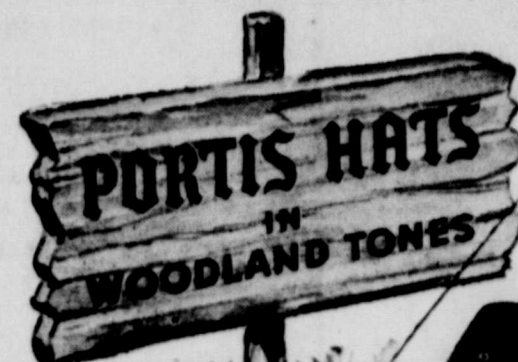

The meeting will be at the city hall and no set talk will be given but each case will be taken up with the employer and a general discussion held on the specific problems. Officials here this week to arrange for the meeting said many employers came under the act who were not aware of it until after penalties had been assessed, making these cases difficult to settle. Especially is this true in instances where World War II veterans have entered business since returning to civil life and have not made reports under this act.

Another notice will be given to remind local business men of the date for the visit here.

Even the king of the jungle beasts can't see much more than 20 feet on a pitch black night. Yet the army's "sniperscope," utilizing a shaft of infra-red light, transferred by "viewers" into distinct light rays, can see him from far greater distances. Yet the beast sees no light whatsoever.

...TIME TO THROW AWAY YOUR OLD HAT!

Local F.F.A. Chapter Has \$15,000 Invested in Livestock Projects

The Ballinger chapter of the Future Farmers of America is getting into full swing and has enrolled more than 65 members. Leading in the outside school activities at present is the livestock program. Practically all the livestock projects have been commenced but some difficulty was experienced in finding enough high grade animals for feeding this year.

Members of the Ballinger F. F. A. have approximately \$15,000 invested in livestock projects. About 50 calves, 50 lambs and 20 barrows are now on feet and are being prepared for the spring shows. They will be shown first in the annual exhibit here, where a considerable number also will be offered for sale.

A number of other projects are being carried on by members of the chapter which will either be sold before show time or kept for breeding purposes.

The local F. F. A. is now preparing for the initiation and receiving of 27 new members. The chapter membership already numbers 40. The additions will make the Ballinger chapter one of the largest in the state.

Pencil and typewriter erasers at Ledger office.

SMITH MANAGER OF CAMERON LUMBER YARD AT GATESVILLE

Mr. and Mrs. Cicero H. Smith and daughter, Barbara, visited relatives and friends here the past week-end. Mr. Smith has been made manager of the Wm. Cameron Lumber Co. yard at Gatesville and the family has moved there. He had been with this company at Temple since being discharged from the service.

On those cross-country trips do you wonder what has happened to the Texas highway patrol? They're still on the job—working as hard in peacetime as war to combat our arch-enemy—accidents, but because of depleted funds, each of the 125 cars is allowed only 10 miles per day. The Texas Safety Association says lend a helping hand to the patrolmen by seeing that you don't have an accident. A second's thought may add years to your life!

Bearcats Lose Opener To Pecos Eleven, 32-7

The Ballinger Bearcats went down in defeat at the hands of the Pecos high school football team at Pecos last Friday night, losing 32 to 7. It was the first defeat sustained by the Bearcats in three years at the hands of a class A ball club but was not a surprise to local fans who knew the reputation of the Pecos eleven and also that the Bearcats were short on experience to start the season.

Only two starters from last year's championship team were on the starting lineup for the first game of the season. A fair sized crowd of Ballinger fans accompanied the team to Pecos and watched the locals put up a game but losing fight. Bob Agnew, letterman back, was taken from the game in the first period after being injured, and was unable to return.

In Pecos the Bearcats met a

club with 18 lettermen back in school and one of the fastest backfields in West Texas. They were unable to stop the powerful running attack and the home team piled up a healthy score in the four quarters.

Ballinger's lone touchdown came in the second half after Carl Black had broken into a field for a gain of 46 yards which carried inside the Pecos 5-yard line. Four plays failed to net the required distance and the ball went over on downs. Pecos attempted to kick out, but the ball was blocked and Powers fell on it behind the goal line for a touchdown. Black converted for the extra point and that was all for the Bearcats.

The Bearcats meet Roscoe this evening at Sweetwater and again must face a veteran team with an excellent aerial attack. The Plo-boys were scouted last week in their game against Hamlin and reports indicate the Bearcats will again have a full evening's work.

the association will bear the costs. Five days after the tests are made they will be read by a doctor and follow-up work will be done for those who show positive reactions.

The campaign is made possible throughout the county by the fund raised in the Christmas seal sale last year. For several years the association has done work in the schools and much good has been accomplished. Officials of the organization request the full cooperation of teachers and parents in this undertaking.

Physicians and nurses of the county are assisting the association in this public health program.

1st Baptist Revival Concluded Sunday With Good Results

The revival at the First Baptist Church closed Sunday night after eight days of special services. Attendance was exceptionally good throughout the revival and Rev. Dick O'Brien, of Big Spring, brought a stirring message at each service.

Attendance goals were met in the Sunday school each week and a considerable number were added to the church membership during the revival.

This was the second evangelistic campaign to be conducted by the Ballinger church this year, a successful revival having been held in the spring.

Rev. B. J. Martin, pastor, was pleased with the results of the revival and will start a campaign of follow-up work to hold attendance at Sunday school and church at the same level attained last Sunday.

Music under the direction of the assistant pastor, Rev. W. R. Karkalits, was a feature of each service and the singing of the large chorus each evening helped draw large congregations to the church.

NEW COMBINE MILO SHOWS PROMISE IN THIS SECTION

COLLEGE STATION, Sept. 18.—A new selection of combine milo, known as No. 7078, is showing good production possibilities in Taylor county, reports Elmo V. Cook, county agricultural agent.

No. 7078 was developed by the Lubbock experiment station, and two Taylor county farmers, Holland Teaff, of Merkel, and Billie McCasland, Bradshaw, believe the new selection may out-produce Martin's combine milo, which is the most popular combine grain sorghum in Taylor county.

McCasland obtained a small quantity of pure line seed from the Lubbock experiment station two years ago. He has multiplied the supply and has distributed quantities of the seed over a large portion of the county, where the crop is showing much promise.

Texas Farm Prices Fall During Month Ending August 15

COLLEGE STATION, Sept. 18.—Prices received by Texas farmers and ranchers for a number of products dropped during the month ending August 15.

According to a report from the bureau of agricultural economics in Austin, received by the Texas A. & M. College extension service, this decline in prices offset to some extent the general farm price advances recorded in July. The report showed slight to sharp drops in prices received for grains, peanuts, milk cows, chickens and all meat animals except hogs. The most significant declines were in prices of corn, grain sorghum, beef cattle, calves, sheep and lambs.

Sharp advances continued on cotton, cotton seed and hogs. Cotton at 33.6 cents per pound was the highest since July, 1920, but was still 2.6 cents per pound below the peak of 36.2 cents reached in March, 1920. During the month, hog prices were at a record high of \$20.30 per hundred pounds. The previous record was \$18.60 in August, 1919.

Only slightly higher prices were received by farmers during the month for turkeys, dairy products and alfalfa hay. Other farm prices did not change significantly during the period.

CHEMICAL WEED-KILLER 2,4-D OBTAINS FAVORABLE RESULTS

COLLEGE STATION, Sept. 18.—After a series of experiments with the weed-killer 2,4-D, Cass County Agricultural Agent E. M. Trew, Jr., reports that the chemical has totally killed common thistles and bull nettles, roots and all. Several other shrub species also seem to be dead and decaying after a treatment of 2,4-D. Trew says, but persimmon and pin oak are resprouting. The county agent believes that the treatment date, July 17, was too late for best results.

Melodrama 'Black Angel' Moves with Speed of P-38

Dan Duryea isn't exactly a cop in "Black Angel," which is to be shown at the Ritz Theatre next Saturday, Sunday, Monday and Tuesday, September 21 through 24, even though he does a bit of sleuthing, but he turns in one of the most arresting performances seen on the screen this season. Under his new deal with Universal, Duryea is given a chance to be a heavy with a heart and he delivers in his first starring

role. The story has a surprise ending that probably has O. Henry striving for a rebuttal. It also boasts one of the loveliest actresses on the screen in June Vincent and certainly does not suffer from the presence of Peter Lorre as the third star in the cast. It would be unfair to prospective theatregoers to reveal the story. All that can be said is that they should be on hand at the beginning, for the plot motivation

starts immediately and moves with the speed of a P-38. In addition to the top trio in the melodrama, such competent players as Broderick Crawford, gorgeous Constance Dowling, Wallace Ford, Hobart Cavanaugh and former prize-fight champion Fred Steele add to making this a very exciting picture.

Bob Steele Western Heads List for Week Of Palace Offerings

"Thunder Town," latest PRG western starring Bob Steele and Syd Saylor, and "The Devil's Mask," second of a series of films based on the original radio program, "I Love a Mystery," compose the double feature program at the Palace Theatre tomorrow (Friday) and Saturday.

"Thunder Town" opens with Steele an outcast because he has just been paroled from prison for a crime which he did not commit.

Others in the cast include Ellen Hall, as the girl; Bud Geary, Charles King and Edward Howard. In "The Devil's Mask" Anita Louise, Jim Bannon, Mona Barrie and Michael Duane are the featured players, and Barton Yarborough, from the radio show, is also cast.

The most famous night spot in the world, New York's Stork Club, is the background for Paramount's comedy-with-music, "The Stork Club," to be shown at the Palace Tuesday, Wednesday and Thursday of next week, September 24, 25, 26.

The dynamic blonde, Betty Hutton, is the star, and Barry Fitzgerald plays opposite. He will be seen as an eccentric millionaire who, grateful because Betty saves him from drowning, anonymously showers her with all kinds of fabulous gifts. When her boy friend, played by Don DeFore, returns from overseas, she has some tall and impossible explaining to do.

The story complications are said to be hilarious, as are the performances. In addition to the principals mentioned, laughs are contributed by Robert Benchley, Bill Goodwin and Iris Adrian.

EAST SIDE HOME DEMONSTRATION CLUB

The East Side home demonstration club held its regular meeting Tuesday of last week in the home of Mrs. Willie Stephens. Tea towels were hemmed for the hostess and a lovely luncheon was served to Mrs. T. W. Malone, Dabney Tomlinson, Clarence Routh, Harold Routh, Rankin Jones, Ernest Schott, Wallace Barnett, Clyde Flanagan, Lynn Stokes, Tom Moreland, Jess Schneider, Willie

Alan Ladd, Geraldine Fitzgerald Star in Adventure Story, 'O.S.S.'

Adventure on a pulse-pounding and suspense-charged scale is promised film fans beginning next Sunday and continuing through Monday and Tuesday, September 22, 23, 24, when the Texas Theatre presents Paramount's dramatic action picture, "O. S. S." starring Alan Ladd and Geraldine Fitzgerald.

"O. S. S." is the first dramatization of the government's colorful undercover intelligence organization, known simply as the office of strategic services, whence comes the abbreviated initials of the picture's title. The film was made with the full approval and cooperation of the United States government, many of the hitherto

secret factual records incorporated in the script. Probably no other production ever had a staff of so many technical advisers, to insure accuracy of every exciting detail.

In "O. S. S." Ladd will be seen as a member of the secret operating team known as "Applejack." Geraldine Fitzgerald is another. They, together with two other men, portrayed by Richard Benedict and Don Beddoe, are dropped by parachute into France with instructions to destroy a vital bridge in preparation for the D-Day landing.

"O. S. S." is, according to all reports, packed with thrilling, authentic incidents, brilliantly enacted by Ladd, Miss Fitzgerald and other performers, including Patrie Knowles and the stage star John Hoyt in featured roles.

"In Old Sacramento" and "The Man Who Dared" on Double Feature Program

"In Old Sacramento," thrilling tale of the Old West, and "The Man Who Dared," latest high-tension drama from the Columbia studios, make up the double feature bill at the Texas Theatre tomorrow and Saturday, September 20, 21.

"In Old Sacramento" stars William Elliott and Constance Moore and features Hank Daniels, Ruth Donnelly, Eugene Pallette, Grant Withers, Lionel Stander and Jack LaRue.

"The Man Who Dared" tells the story of a crusading newspaper columnist's fight against murder convictions based on circumstantial evidence. Leslie Brooks, Forrest Tucker, and George Macready are in the leading roles.

Trio of Stars in New Laugh Film, 'Our Hearts Were Growing Up'

Those unforgettable white bunny coats that shed fur and garnered hilarious laughter in Paramount's delightful film, "Our Hearts Were Young and Gay" make way for seductive Spanish shawls in a new film that furthers the adventures of Cornelia and Emily. It is "Our Hearts Were Growing Up," and is billed at the Texas Theatre September 25 and 26, next Wednesday and Thursday.

Once again Gail Russell and Diana Lynn are cast as the two would-be sophisticates whose attempts at worldliness this time involve them with a couple of bootleggers and some hungry

Bohemians. In an effort to impress their maturity upon their beaux, Gail and Diana invade Greenwich Village, hoping to emerge in the three weeks of their Christmas school holiday, successful actresses and writer, respectively.

What happens instead, is said to make "Our Hearts Were Growing Up" twice as funny and twice as romantic as its hit predecessor.

Brian Donlevy is co-starred with the girls. Billy DeWolfe is hilariously cast as a Bohemian chiseler. Others in the film are William Demarest, James Brown and Bill Edwards.

County Clerk's Work Is Heavy at Present; Many Papers Filed

Increased work in the office of the county clerk is reflected in the amount of fees being turned in to the county's general fund. Fees in the clerk's office have been running around \$900 monthly as compared with about \$300 before the war.

County Clerk John B. Rayburn stated that as fee work increased free work also became heavier. To date about 2,000 discharges have been recorded in this county for World War II veterans. There are 12 to 20 copies of discharges made every day for veterans to use in filing for terminal leave pay recently authorized by congress. This work has only been begun and most of the veterans will want one or more copies made.

There are five regular employees in the office and at present the work is behind with more than 100 instruments on file this week to be prepared as soon as possible.

Mr. Rayburn pointed out that all veterans who have discharges should have them recorded as soon as possible.

Property transfers are numerous at this time and the recording of deeds, bills of sale and other

forms account for much of the increased work and bring in a large percentage of the fees collected.

Tests of a rocket motor for assisting transport aircraft take-offs have been successfully completed by the air transport command's fourth ferrying group at Memphis, Tennessee.

Take it Easy

You can afford the luxury of Automatic Central Gas Heat

For the cottage where space is limited this closet-type furnace is ideal for installation in small space. It provides clean, warm air throughout the house. It is completely automatic. It is quiet, efficient and costs little to operate. It is vented to a flue.

How would you like to sit back and enjoy life during winter without a single heating worry? You can! Simply include heating as part of house in your remodeling or building plans.

Closet type central furnaces are being specified here in Southwest by new home builders. They like this furnace because it provides fresh, cleaned, warmed air automatically. They like it because it can be installed in small space. They like it because it costs little to operate. And they like it because it is vented to a flue.

You, too, will like it. And you can afford it when it is included as part of house cost. Remember, a house is no more modern than its heating system.

DEATHS

Mrs. Minna Augusta Kahlfeld
Mrs. Minna Augusta Kahlfeld, 76, died in the Bailey Clinic-Hospital Saturday at 10 a. m. following illness of several months' duration.

Born in Schleisen, Germany, decedent came to Texas at the age of 19, settling first in Milan county. She resided there until in 1914 when she moved to Rowena, where she made home ever since. She was a member of the Zoar Evangelical Reformed Church and of the Woman's Guild at Rowena. Her husband, Henry Kahlfeld, died in 1932.

Prayer services were held at the Newby-Davis chapel here Monday afternoon at 2:00 o'clock and funeral rites were conducted at Zoar Evangelical Reformed Church in Rowena at 2:45 p. m. Monday. Rev. Frank Lammert officiating. Interment was made in the Rowena protestant cemetery.

Survivors include two daughters, Mrs. Martha Pochis, Rowena; and Mrs. Freida Backhaus, Rowena; seven grandchildren and one great grandchild.

Newby-Davis Funeral Home was in charge of arrangements.

Mrs. Mary Brosh

Mrs. Mary Brosh, 77, died Friday night at the home of a daughter, Mrs. Henry Schwertner, of Miles, after illness of three days' duration.

Decedent was born in Czechoslovakia and came to Texas in 1877, at the age of nine. She was married in 1891 at LaGrange to Frank Brosh, who preceded her in death in February, 1945.

Funeral services were held at St. Joseph's Church in Rowena at 9 a. m. Monday. Rev. W. F. Bosen, pastor, and Monsignor S. J. Pokluda, of Wall, officiating. Interment was in St. Joseph's Cemetery at Rowena with grandsons acting as pallbearers.

Survivors include five sons, Emil Brosh, Eola; Anton Brosh, Ballinger; Joseph and Ed Brosh, Miles; Frank Brosh, San Angelo; five daughters, Mrs. Annie Krupp, Rowena; Mrs. Henry Schwertner, Miles; Mrs. Frances Michulka, Ballinger; Mrs. Mary Brandl and Mrs. Millie Stepan, Rosenberg; 27 grandchildren and 17 great grandchildren.

Agnew Funeral Home was in charge of arrangements.

BALLINGER FLORAL CO. WILL OPEN THIS WEEK

The Ballinger Floral Co. will be open for business this week on Friday and Saturday and will set a date for the formal opening later.

Mrs. Beulah Frazier is in charge of the new business which will be operated at the J. E. Witt home on the Bronte highway. She stated that flowers would be supplied for every occasion and there would be a good display of pot plants.

Public inspection of the new floral establishment is invited at all times.

NORTON HOME DEMONSTRATION CLUB

The Norton home demonstration club met in the home of Mrs. Tom Crockett with all members and four visitors present. Visitors were Misses Carl Chapman, Joe Crockett, Meuse Meyer and Bob Bryan.

Reports were made on the Amarillo state convention of the Texas Home Demonstration Association. A large display of felt work was ready for inspection of the members. An order was placed for satin for down comforts.

The next meeting will be held in the home of Mrs. Bob Crockett, when Miss Ollie Chenoweth will demonstrate pressure sauce pans. A plate lunch was served at the conclusion of the meeting.

BIRTHS

Mr. and Mrs. Charles Leo Castor, of Corpus Christi, are parents of a son, Charles Leo Castor, Jr. Mr. Castor, who formerly lived in Ballinger, is the son of Mrs. Charles Castor.

Miss Louise Schawe and Miss Elsie Thiessen, of Dallas, were week-end guests in the home of Mrs. A. Schawe and Miss Ogla Schawe.

Pencil and typewriter erasers at Ledger office.

Now women and girls may get wanted relief from functional periodic pain

Cardui is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

1 Taken like a tonic, it should stimulate appetite and digestion, thus help build resistance for the "time" to come.

2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardui. If it helps, you'll be glad you did.

CARDUI

Beautiful 100% virgin wool shetland by American Woolen Company, impeccably fashioned by Junior-Deb into a cardigan suit and companion topper so smart for now and right through Spring. Luxuriously lined with Ponatone, a Pongel acetate rayon fabric.

And the ensemble that is your new Spring wardrobe

Mix your own Printzess ensemble... or match it. Contrast dark and light shades... or match textured tweeds with plain woolsens of the same color. There are scads of ways... but any way you do it, Printzess is a complete new wardrobe... with the coat that tops everything and the suit that leads a double life in and out of town. It's a wardrobe you'll live in, season-in, season-out, for Printzess means fashions that live in fabrics that last!

Miss Ruby Walden is Bride
of Josh Wilson, Jr.

Miss Ruby Walden, daughter of
Mr. and Mrs. C. L. Walden,
became the bride of Josh Wilson,
Jr., son of Mr. and Mrs. J. Wilson,
Sr., of Detroit, Michigan, Sunday
afternoon at 5 o'clock at a single
ring service read by the Rev. A.
C. Donath, pastor of the First
Baptist Church in San Angelo, in
his home.

Mrs. Louis P. Walden attended
her sister-in-law as matron of
honor. She wore a suit of smoke
white gabardine with black patent
accessories. Her corsage was of
pink carnations. Mr. Walden, the
bride's brother, was best man.

The bride wore a dressmaker
suit of mint green wool gabardine.
All of her accessories were dark
brown except her gloves which
were beige. She wore a corsage of
gold pompon asters.

Mrs. Wilson is a graduate of
Ballinger High School. For the
past year she has been employed
by the Ballinger Printing Co.

Mr. Wilson is a graduate of the
Henry Ford Trade School in
Detroit. He was in the armed ser-
vices for three years, having been
overseas two years. He was dis-
charged January, 1946, and is
employed as bookkeeper at Har-
man Motor Co.

The couple will be at home at
808 Sixth Street.

Beta Rho Club Organized

The Beta Rho Club had its first
meeting Tuesday afternoon, Sep-
tember 3, at 4 o'clock in the home
of Mrs. Loyd Herring, sponsor.

Officers were elected, as follows:
president, LaRita Price; vice-
president, Jo Anne Rayburn; sec-
retary-treasurer, Mary Wright;
and reporter, Dorothy Daugherty.
Charter members are: Betty Lou
Stuart, Sue Hampton, Jo Anne
Rayburn, LaRita Price, Dorothy
Daugherty, and Mary Wright.

The club members chose the
wild rose as their club flower, and
red and white as the club colors.

Members of the club held their
second meeting last Friday after-
noon in the home of their spon-
sor, Mrs. Herring.

LaRita Price was presiding offi-
cer for the business routine, and
by-laws were read and adopted.
All the members were present.
Regular meetings will be held each
month.

Barbara Smith Complimented

Barbara Smith, who is leaving
Ballinger with her parents, Mr.
and Mrs. Harvey C. Smith, to
make their home in Justin, was
honoree at a party Wednesday
after school given by Mary Jane
Neal in her home in Wilke Ter-
race.

Remembrance gifts were pre-
sented Barbara, followed by the
ouija board game, playing of the
record player and other enter-
tainment.

Mrs. H. P. Neal assisted in serv-
ing a sandwich plate with candy
corn balls and coca colas. Others
were: Eva Joe Flynt, Pat Bowden,
Claudine Coward, Charlene Olak,
Frances Watkins, Barbara Berry,
Anita Wade and Clara Hill.

Thanks Letter Read At Council Meeting; Rummage Sale Set

At the regular meeting of the
county council for home demon-
stration clubs last week a letter
was read from Miss Presentation
Atienza, acting chief of the plant
utilization division in Manila, P.
I., acknowledging receipt of four
boxes of sacks sent by clubs of
this county. The relief goods sent
from here are now being dis-
tributed to members of the pro-
vincial rural improvement clubs,
who suffered much from the
ravages of war.

October 12 was set as the date
for a rummage sale to raise funds
for the council. All club members
are urged to send in articles by a
member of their club.

Mrs. Kirby Robinson, Mrs. B. M.
Batts and Mrs. Clyde Flanagan
were appointed as nominating
committee to select officer candi-
dates for the council to be voted
on at the next regular meeting.

Plans were discussed to hold
future council meetings half time
at Winters. Mrs. Reese Jones, Mrs.
R. B. Osborne and Miss Mary Lou
Halfmann were appointed to inves-
tigate the plan.

Recent rains which broke one of the longest drouths in this area in recent years, has already increased estimated cotton production and farm leaders believe that the 1946 crop will be worth about as much as the 1945 crop. A large part of this is because of the increased price being paid for cotton. On Friday and Saturday the county got the first general rains since last May and the value of the moisture will be incalculable. Many stock raisers have planted much acreage to small grain in order to have fall and winter grazing for livestock and others will plant as soon as the fields are dry enough. The Ballinger water supply is expected to be improved in quality since the creek received a good washing out. Water was running over the dam more than a foot deep Saturday morning.

Leaders in many West Texas towns have congratulated Ballinger on the voting of three bond issues for municipal improvements. Three issues were submitted to the citizens and all carried by sizeable majorities. City officials and bond company representatives are working out the preliminaries so that work can be started soon. Paving will be continued without a stop but considerable time will be required in the construction of the Valley Creek water reservoir and the

municipal sewer system. It is not likely that the new water supply will be ready for use before the summer of 1948. Pipe purchases will require around ten months before delivery and other details will be slow because of shortages of necessary materials.

The Ballinger Lions Club has approved a big project which will undertake the paving of Broad Street past the entrance to Bearcat Field, more than a block and a half. For this work they must raise more than \$1,750 in cash and officers of the club have announced that a minstrel show will be presented at the high school gymnasium on November 15. From the proceeds of this performance the club hopes to get enough to pay its part of the cost of this paving. All citizens of Ballinger will be urged to purchase tickets, witness a good home talent show and help make possible this needed pavement.

The army engineers developed during the war rocket-driven "snakes" that clear a safe path through the mine fields.

WEST TEXAS NOTES

Coleman citizens are enjoying the first street and highway paving to be completed since the end of the war. Residents of Hollywood Drive and Miami Street in South Coleman have new sealed coat pavement just opened to traffic. Previously the paving on Fifth Avenue, connecting the Ballinger highway north to Walnut Street was topped, providing an excellent entrance to Coleman from the highway. Topping has also been completed on the highway west of Coleman past the Mallan swimming pool and terminating at the new Central school. The work was done by the Thomas & Ratliff Construction Co.

Neil Don Hart, 17, son of Mr. and Mrs. James A. Hart of Eastland county, died in a Gorman hospital Sunday from gunshot wounds in his head, sustained earlier in the day. Several youths were shooting at tin cans with a .45 pistol when the accident occurred. He was rushed to the hospital immediately but died shortly after being admitted for treatment.

Miss Edith Ray Agnew was selected at Rising Star to represent the chamber of commerce in the peanut carnival to be held Saturday at Claco. She will compete with 11 other girls for the title of "peanut queen of 1946."

WHY LOSE BABY CHICKS?

When Durham's Coccidi-Dine in their feed and drinking water can save them so easily, it is an acid-dextrose solution that has proven so good for control and prevention of Coccidiosis and Diarrhea—it is sold on a money-back guarantee. Remember this, Coccidi-Dine must save your chicks or it costs you nothing. Sold and guaranteed by J. Y. Pearce Drug Co.

This is a feature in connection with the annual peanut show held in Eastland county. The 1946 show is expected to be the biggest since before the war.

The Brown county commissioners' court has voted to provide its part of the money for employing an assistant county farm agent. In a meeting last week \$1,000 was appropriated as the local part of the salary. The remainder of the salary and travel expenses will be provided by the state and federal governments. Charles V. Griffin, Brown county agent, recently requested an assistant, declaring the work of the office was too heavy for one man.

A petition is being circulated in Comanche county in which a beer election will be asked of the commissioners' court. Recently a petition bearing 750 names was presented but was not in the proper form and was denied by the court. Sponsors of the election have started another list and it will be submitted in proper form within a short time. A mass meeting was held in the First Baptist Church last Sunday at which the United Texas Drys formed a Comanche county unit and will launch a campaign at once to keep the county in the arid column.

Members of the Winters Junior Chamber of Commerce turned out in a body last week to clean the downtown streets. All members reported with tools and after several hours work the streets were swept and in perfect order. The Jaycees also are assisting in advertising football games and have provided window cards and windshield stickers giving the Winters schedule for this fall.

Twenty-seven churches representing a 100 per cent attendance had delegates at the 41st annual meeting of the Coleman County Missionary Baptist Association at Novice on Tuesday of last week.

The 27 churches have a membership of 4,990; total expenditures for the past twelve months were slightly over \$93,000; 159 members were received by baptism, and 332 joined by letter.

Mr. and Mrs. H. A. Springer, the former manager of the West Texas Utilities Co. system at Bronte, have returned home from a vacation trip which took them all over the western part of the United States. They spent considerable time in California, visited Boulder Dam, the Grand Canyon and other scenic spots.

Early registration at John Tarleton College, Stephenville, established a record, 1,456 being enrolled through Tuesday of last week and registration will be continued another week. Of the number enrolled through Tuesday 640 were veterans of World War II. Dean E. J. Howell expressed his appreciation to the people of Stephenville for opening their homes and providing rooms for many students.

Officers for the ensuing year were named when the Rowena 4-H club held its regular meeting Tuesday of last week. The new officers are: Frank Gully, Jr., president; Paul Jansa, vice-president; Bernhardt Moeller, secretary; Lee Allen Halfmann, treasurer; Hugo Braden, Jr., reporter. Club members will start at once getting their livestock in shape for the spring shows.

About 600 people, mostly from Concho county, attended a road meeting at Doole last week. A committee was formed to work for an extension of a farm-to-market road east of Paint Rock with outlets to the south. Rising Wells, of Doole, and Tom Bengel, of Millersview, were named president and secretary, respectively. The business session followed a dinner at which 490 pounds of barbecued beef were served.

Application by Walter Anthony for a permit to construct a \$3,500 produce building at Miles has been approved by the civilian production administration. Walter P. Camp, district CPA manager, said the project was granted as essential to health and safety.

Bids are being advertised for the construction of 14.45 miles of hard-surfaced highway from the end of the new 6 miles stretch of road west of Menard to the Schleicher county line at the same place.

Bert Harrison has been named acting squadron commander of a proposed civilian air patrol to be organized at Brady. Plans for the organization in the near future were made at a meeting of pilots and aviation enthusiasts at Brady last week. Major A. W. Patterson, of the army air forces explained details of such a patrol.

Sweetwater voters approved bonds last week for an extension of 18 rooms to the municipal hospital at a cost of \$76,000, adding new water lines, filtration plant and other improvements to the water system at a cost of \$160,000.

CCC Will Pool 1945 Cotton October 1; Price Now Higher

COLLEGE STATION, Sept. 18.—All cotton still under the 1945 crop loan on October 1, 1946, will be pooled for producers' account by the commodity credit corporation.

According to F. C. Elliot, cotton work specialist of the Texas A. & M. College extension service, Texas farmers who have 1945-crop cotton under loan now should give serious consideration to marketing

provided funds for the city's part in construction of the T. & P. underpass at cost of \$128,000, and turned down a free public library, a police administration building ground improvements.

Vocational agriculture classes were retested at the Melvin school last week, fifty-seven boys signing up for the course this year. The F. F. A. chapter has adopted a heavy program of work for the present school year which will include the feeding of a large number of livestock.

the cotton before it is placed in pools. The average 1945 loan rate for 15-16 inch middling cotton, gross weight, was 29.09 cents per pound. Since the price now has climbed considerably, producers should be able to dispose of this cotton at prices that will give them a substantial profit.

The 1945-crop loan cotton which is not redeemed before October 1, will, as provided in the loan agreements, go into pools. Not until all the cotton in these pools is liquidated will the producer receive any payment. Net proceeds, if any, will then be distributed among the producer whose cotton was placed in the pools in proportion to their interest. From the proceeds of the pool cotton will be deducted all advances and accrued costs—including storage, insurance, and handling charges. No payment will be made to producers at the time their cotton is placed in pools and after October 1, farmers will not be entitled to order the sale of cotton now under loan.

Rip Van Winkle wakes up to a bargain!

What day is it? I mean, what year is it? My word, I've been asleep 15 years!

Yessir, I see lots of changes since 1931, but women's hats are as silly as ever! and the high cost of living is enough to send me back to sleep for another 15 years!

Gosh, look at all the new electric gadgets! When I dozed off back in the Thirties, we had electric lights and an iron and a vacuum cleaner at our house! Now we've got a refrigerator, a couple of radios (my last one was a crystal set), clocks, toaster, washer—why, everything you touch has a switch on it!

It's funny, too, with all those gadgets perking away, my electric bill isn't much more than it was 15 years ago, while everything else has gone up a lot!

(Yes, Rip Van Winkle, you're getting twice as much electricity for your money today as you did 15 years ago. It took increased usage plus plenty of skill and planning—under sound business management—to make electricity the bargain it is right now!)

A TIME and MONEY SAVER

It's a Winters State Bank Checking Account. It saves time, for it is so much easier to write a check than to make a special trip to pay a bill. It may also save you money. No need ever to pay the same bill twice, for when you have a check you have a record.

Conserve energy and have more time for other things you want to do. Every minute you save is valuable during these busy days. You can easily send a check when you cannot go. It is safer and more business-like to pay by check. You profit by other benefits you get from a connection here. You will like our friendly helpful service.

In a few minutes you can open an account which will save you hours of precious time this month—and every month. Your business is invited.

**METHODIST YOUNG PEOPLE
WILL MEET IN COLEMAN**

The council of the Brownwood District Methodist Youth Fellowship announced this week that a district youth rally on overseas relief would be held at the First Methodist Church in Coleman next Tuesday, September 24. Methodist churches in Runnels, Coleman, Brown and Comanche counties will be represented at the meeting, when a special program is to be presented emphasizing the program of overseas relief now being carried on in sections of need.

The meeting will begin at 8 p. m. with a worship service followed by a business period. Discussions by groups, recreation, refreshments and the closing worship program will conclude the program.

**KAISER-FRAZER AGENCY
TO OFFER SERVICE IN AREA**

Until first models of the Kaiser and Frazer cars arrive for display the Key Motor Co., located at the corner of Tenth Street and Railroad Avenue, will devote its garage and repair facilities to the servicing of all makes of cars.

The company has approximately 4,000 square feet of floor space and modern equipment.

Roy E. Key is head of the new firm here and will handle Kaiser and Frazer sales in this area. He stated today that deliveries of the first Kaisers would be made in the near future and that Kaiser cars would be on display shortly thereafter.

Coaches Wayman Wilson and Dillard Adair returned home Sunday after watching the Colorado City-Kermit football game at Kermit Saturday night.

SOCIETY and CLUBS

St. Mary's Altar Society Elects Officers

Mrs. Ernest Schott was elected president of the Altar Society of St. Mary's Catholic Church Tuesday afternoon in her home on Fifth Street. Arrangements of crepe myrtle were about the living room where Mrs. Walter Mueller presided for the business period when officers were elected. They are: president, Miss Mary Krc; vice-president, Mrs. Walter Mueller; secretary, Mrs. W. J. Curtis; treasurer, Mrs. John Kohutek; and reporter, Mrs. Willie Joe Maps. Mrs. Chester Aftlerbach will continue to direct the Bible study. New officers will be installed at the January meeting.

The hostess served a sandwich plate with cake and iced tea. Others present were: Mmes. Tom Egan, Sr., E. F. Krc, R. Hoelscher, John Zak, Charles Moonen, and Rev. Edward Postert.

Presbyterian Auxiliary Has Guest Speaker

Mrs. Allen White, of Brownwood, Presbyterian president, was guest speaker when the Eighth Street Presbyterian Woman's Auxiliary members met at the church Tuesday morning at 11 o'clock.

The church auditorium was decorated with bouquets of lilies and verbenas.

Mrs. Carroll Bell, Auxiliary president, directed the meeting and introduced Mrs. White, who gave an outline of the national meeting for Presbyterian women which convened at Grand Rapids, Michigan, this summer. The theme of the national program was "Thy Will Be Done on Earth." Mrs. White also gave a report on the work done the past year.

A luncheon was given following the program, at the home of Mrs. Jewel Cooper on Broadway. Tables were centered with arrangements of pink radiance roses combined with queen's wreath trailers.

Present were: Mmes. Ola McMillan, E. S. Malone, Una V. Doose, A. W. Sledge, J. W. Bluff, B. H. Erwin, J. W. Mackey, Rufus Allen, Paul Petty, A. H. Wiesepape, J. D. Coulter; Misses Eva and Maggie Lilly.

Mrs. Agnew Hostess to Virginia Douglass Class

Mrs. H. G. Agnew was hostess to members of the Methodist Virginia Douglass Class Tuesday evening in her Sixth Street home.

Early fall flowers in shades of gold were about rooms where Mrs. Agnew presided for the routine business after Mrs. W. O. Irby gave the devotional. Mrs. J. G. Douglass, for whom the class was named, was the installing officer when the following were installed: president, Mrs. Marvin Davies; vice-president, Mrs. Bill Bell; secretary, Mrs. Irby; assistant secretary, Mrs. John Hooks; treasurer, Mrs. George Newby.

Mrs. M. E. McClenney directed games at the social hour. The hostess served a sandwich plate with cookies and coca colas. Others present were: Mmes. Tom McEntire, Edward Sommer, J. K. Nicholas, Henry Moody, J. D. Fordman, Leonard Scales, Guy Jones, W. D. Baucom; Misses Ann Midgley, Bonnie Clark and Wayne Byler.

Montis-Bucklew Wedding Performed at San Angelo

The Church of Christ in San Angelo was the scene of a candle-light wedding on Friday evening when Mr. Crenshaw read the double ring ceremony for Thomas Montis, son of Mr. and Mrs. A. R. Montis, of San Angelo, and Miss Agnew Bucklew, daughter of Mrs. Letha Bucklew, of Maverick.

The bride wore a grey wool suit with black accessories and a corsage of white carnations. She was attended by Mrs. Mabel Granzin, of Miles, who wore a blue wool knitted knit suit with black accessories and a corsage of pink carnations.

Joe Ed Tomlinson was best man. Following the ceremony a reception was held at Steve's Ranch House after which the couple left for a short wedding trip to Abilene. They will make their home at 220 E. Harris Street, San Angelo.

A graduate of the Norton high school, the bride is a senior nurse at Shannon Memorial Hospital, San Angelo.

The groom is a graduate of Brackenridge high school in San Antonio and was in the armed forces for six years, serving for 41 months in the European theater. He is now employed at the Shannon hospital.

NORTON SCHOOL NEWS

By Dorcas Traylor and Sybil McBeth

School got off to a good start Monday morning, September 9. Rev. L. L. Griffin, of the Baptist church, made a short talk to the students. Sybil McBeth led the entire group in singing "America" and "The Star Spangled Banner." The superintendent, Mr. W. L. Donahoo, then said a few words to the students, after which they went to their respective rooms for the following day's assignments.

Mrs. Doris Woods was absent for the first week, but for the second week she is here and we are very happy to have her back after two years' absence. She is to teach high school English and typing. Mrs. John Hardaway took her place while she could not be here. Mrs. Arthur Alcorn taught for Mrs. Hardaway in the seventh and eighth grade room.

Mr. and Mrs. Tom King are teaching the first six grades. Mrs. King has been here before and we are very glad to have her back. We are happy to have Mr. King and we welcome him heartily.

There are eight seniors enrolled. We sincerely hope each one completes the entire year. They are: Lloyd Fuller, Jr., Vayden Morrison, James Donahoo, Curtis Lollar, Fairy Giles, Wanda Jean Cummings, Dorthais Traylor, Sybil McBeth.

The basketball teams started off Tuesday (September 10). The boys had been practicing three weeks before school began. We are hoping for a game soon. The outsiders plan for a game with Maverick Friday night.

There are only three new students in high school this year. They are: James Donahoo, William Donahoo and Billy Bailey. We welcome them.

There are eight beginners this year. We hope they can continue to go to Crews school for the next 11 years.

There are several new pupils in grammar school. We welcome them.

We are planning to organize the school paper, "The Crewer," soon. Mrs. Woods is now back to help us and to offer suggestions. We plan a school annual this year, also.

Our lunch room is still in operation. Mrs. Thad Traylor and Mrs. Henry Seals are cooking. The price is 15 cents. We hope we will not find it necessary to raise the price.

The bus drivers are Henry Seals and Berry Matthews. The bus schedules are much the same as last year.

Former students of Crews who

are attending Sul Ross State Teachers' College, Abilene, are: Cecil McDaniel, Mr. and Mrs. Walter Pape, Jr., Mike Boatright, Doris Gene Traylor and Martha Schwartz.

Other former students of C. H. S. attending college this fall are: Bradley Pape, North Texas State Teachers' College, Denton; Alfred Colom, Dallas; Ila Dean Foreman, Howard Payne College, Brownwood; Louise Morrison, Draughon's Business College, Abilene.

CREWS SCHOOL NEWS

By Dorcas Traylor and Sybil McBeth

School started with approximately one hundred and fifty students and six teachers. They are: Miss Eunice Lilly, first and second grades; Mrs. T. C. Clary, third, fourth and fifth grades; Mrs. Rube Cope, sixth, seventh and eighth grades. High school teachers are: Superintendent Ray V. Stark, Miss Marguerite Mathis, and Mrs. J. K. Talley.

Skating Party

The Baptist Young People entertained the Methodist Young People with a picnic supper and a skating party Thursday night, September 12. Present were: Robert Hambricht, Scott Barrett, Mrs. Sally Barrett, Myrtle Hambricht, Miss Marguerite Mathis, Eulene Ray, Betty Shelburne, Neil Stuart, Juanelle Chapman, Charlene Carlton, Bill Mackey, Melty Parker, Pansy Setser, Norman Roper, Mac Carter, Nealon Carter, Keith Corley, Weldon Lee Henry, J. A. Henderson and Curtis Patton. Everyone had a wonderful time.

New Bus

Everyone was thrilled Friday afternoon when the new yellow and black bus rolled into Norton.

Football Game

Norton will play its first football game at Wingate, Friday, September 20. The team has high hopes of winning.

**Street Surfacing
Commenced Here;
New Projects Filed**

W. L. Johnson, contractor for asphalt work on city streets, came in Monday to prepare for topping about twenty blocks where caliche base has been completed. He will get the work started this week and rush it to completion as fast as possible.

Since the election of September 10 in which \$50,000 was authorized for the city's part of the costs in continuing the paving program, three applications have been filed by property owners with their part of the costs accompanying the applications. Each of these is for a single block which will connect with pavement already completed or to be completed soon. Several other projects are being worked up at this time by property owners and are expected to be filed soon.

Consideration is being given a number of other projects. The city and school authorities are considering paving an alley which serves as a street for much of the senior high school and elementary school

property between Harris and Murrell Avenues. This alley passes in front of the home economics cottage, to the school lunch room, and serves for parking when there is an attraction at the high school auditorium.

Another contemplated project is to pave Eighth Street from the end of the present pavement to the Bronte highway. The Ballinger Lions Club also is pushing a movement to pave Broad Avenue from Eighth Street to the entrance of the football field.

There also have been numerous requests for paving downtown alleys but this work will be postponed until after sewer lines have been installed and connections run to adjoining property.

**Rise on Elm Creek
To Provide Better
Water in City Lake**

The quality of Ballinger's city water should be improved this week after all the previous supply is pushed out of the mains and storage reservoirs. Rains the past week-end put Elm Creek on a considerable rise and for several days water poured over the spillway of the lower lake. Water department employees stated that the rise was sufficient to wash out the lake and the "hard," gypsy and salty water will be replaced by rain water.

Good rains fell in all sections of the county ranging from one to four inches. The northern portion of the county received the heaviest fall and streams were at flood stage during the past week-end.

Heavy rains on the Colorado River watershed also caused a rise and Saturday night the stream was running bank full.

Farmers and ranchmen assert the moisture will be of great benefit. Much small grain is up and a large acreage will be planted

as soon as it is dry enough, to provide winter grazing for livestock.

Cotton picking was delayed for a short time and one of the largest crowds of the season was in town Saturday to shop and attend to other business.

Pencil and typewriter erasers at Ledger office.

building?

**STRAN-STEEL
"Quonsets"**

All-steel construction—easy to erect, easy to maintain, attractive in appearance. Used widely on farms, in business and industry for many purposes. Fire-safe and durable; will not sag, warp or rot. Low-cost, permanent construction. Call for information.

MALONE-NANCE DRUG STORE

SPORTS

The Ballinger Bearcats found too much strength in the Pecos Lions and lost by a score of 32 to 7 Friday night in the season's opener. Fumbles hurt the Bearcats as they went into action for the first time this season with practically a new club. Only two of last year's starting lineup was in the ball game.

Coaches Wayman Wilson and Dillard Adair have done some

Complete Abstracts to Land in Rannels County GUARANTY TITLE CO. Ballinger, Texas Office in Old Security State Bank Building

hard driving this week in an effort to have the Bearcats in better condition for the Roscoe game at Sweetwater tonight at 8 o'clock. The Pecos game showed them the main weaknesses and changes may occur in the starting lineup as efforts are made to get the best combination on the field.

The game with the Roscoe Plowboys will be another hard tilt. The Plowboys upset the highly rated Hamlin Pied Pipers last Friday night by defeating them 16 to 6. They had one of the best teams in West Texas class A last year and are back with a good sprinkling of lettermen this year.

The Bearcats were accompanied to Sweetwater this afternoon by the Bearcat band and pep squad and a large number of local fans. All will return after the game is over tonight.

The Howard Payne College team, coached by Joe Bailey Chaney and Felton ("Pooch") Wright, will open the season at Brownwood Saturday night against the strong Texas A. & I. team from Kingsville. A large number of Ballinger fans plan to see this game and watch Coach Wright's line in action. The game will be played at the high school stadium at 8 p. m.

Teams of district 9A fared fairly well Friday night in their opening games. Winters defeated Eastland 6-0. Coleman bested Goldthwaite 21-7. Santa Anna beat Rising Star 6-0, while the Bearcats were losing to Pecos and Lake View lost to McCamey 6-0.

The defeat at Pecos was not a surprise to coaches, school officials or most local fans. Pecos has 18 lettermen returning this year after a very successful season last year. The Bearcats have lots of material and with a few weeks work they will come around for a good club. District 9-A play will be more interesting this year than at any time since 1940. Brady, Coleman, and Winters have teams which will be contenders for the district crown this year and the race will be a hot one.

A large number of Ballinger fans saw Denison defeat the San Angelo Bobcats Friday night, 26 to 6.

Service Clubs' Help Asked in Relieving Shortage of Nurses

Ballinger service clubs have been asked by the Texas League of Nursing Education to assist in a campaign to encourage more young women to become nurses. In this appeal it was stated that Texas hospitals are facing a crisis more serious than any in recent years. Already 23 per cent of the nation's hospital beds are closed and undoubtedly this figure will become larger because of the alarming shortage of nurses.

Although educational, recreational and living facilities are the best in the history of the profession, student nurse enrollment in the 37 accredited schools throughout the state declined to 1,137 in 1945 and now has dropped to the pitiful figure of 300 for this year. Fall terms scheduled for September 1 in some instances in the hope of helping the situation.

All civic groups in the state have been asked to do their part in a campaign whereby high school graduates might be influenced to take up nurse training in some of these schools.

A complete "weather station on wheels" is the signal corps' answer to the army's demand for more and faster weather forecasting. These units can be driven to a given location and set up in an hour's time.

BETHEL BASEBALL TEAM DEFEATED BY MAVERICK

The Bethel baseball team lost to the Maverick team, 6 to 4, in a game at Maverick Sunday afternoon. Rain prevented all Bethel players from getting to the scene

of action, but the contest was full of thrills the full nine innings.

The Bethel club will close the season Sunday afternoon on the Ballinger diamond with the Voss nine furnishing the opposition. Manager J. R. Whitworth said he would have a full lineup back on the field and predicted one of the best games of the season.

All Ballinger fans are invited to witness this tilt.

Rev. B. J. Martin Speaks on Youth At Club Meeting

The Ballinger Rotary Club in its meeting Tuesday ordered a new classification survey to be made in Ballinger with a membership campaign to follow.

Rev. B. J. Martin, pastor of the First Baptist Church, was speaker for the program, talking on an assigned subject, "The Youth Problem." The speaker reminded his hearers of recent crimes by youths in which the nation has been shocked. He asserted that for each youth crime someone in the person's earlier life was also to blame and charged the home, state, school and church with their full responsibility for the youths of each community.

He referred to youth canteens and other extra activities for young people and declared these would not solve the problem. He

Chenoweth Speaker For Lions' Program

The Ballinger Lions Club had one of the largest attendances in several months at the regular meeting Friday noon at the Central Hotel.

Dean Chenoweth, of San Angelo, guest speaker for the program, stressed the importance of clubs carrying out assignments once they accept them. He pointed out that there were many important tasks which Lions could undertake for the betterment of their club, community, nation and even the world as a whole. He urged that all clubs work for international peace and harmony; study foreign trade and aid in breaking down tariff barriers. He also declared that Lions clubs could help in creating harmony between adjoining counties and communities and serve in many other practical ways.

The gold star colored quartet sang three numbers to conclude the program.

Visitors included Mrs. Dean Chenoweth and J. C. Goswick, new manager of the Central Hotel. Dr. W. K. Wheatley was presented as a new member of the club.

The world-wide war department communications network handled more than 50,000,000 words of traffic per day at the height of the war. Join the regular army and receive training in the army's radioteletypewriter and tape relay which accomplished this record. Enlist before October 5, 1946, and get the G. I. bill benefits in addition.

IN SOCIETY

Conquest Class Meets in Roy Hill Home

Mrs. Roy Hill and Mrs. Harper McFarland were hostesses to the Eighth Street Presbyterian Conquest Class Tuesday evening of last week, entertaining in the Hill home on Eighth Street.

Mrs. McFarland presided for the business period, hearing reports of officers and chairmen. Mrs. B. H. Erwin gave the devotional, "Christian Citizenship" after the Lord's Prayer was repeated in unison, followed by Mrs. Una V. Doose singing a solo, "America the Beautiful." The class song, "Sunrise," was sung as a closing number.

Scarlet verbenas gave added beauty to living rooms and a low arrangement of queen's wreath trailers centered the lace-laid dining table. At the social hour iced watermelon was served by the hostesses. Others present were: Mmes. C. J. Jennings, Ola McMillan, G. P. Teague, and John Reese.

Mrs. Delbert Vancil Club Hostess

Mrs. Delbert Vancil included a few added guests Wednesday afternoon of last week when she was hostess to the Triple-Four Contract Club in her home on Sixth Street. After a no-hostess

luncheon at the home of Mrs. Jewel Cooper on Broadway, games were played in the Vancil home where a profusion of late summer blossoms were used to give added beauty to party rooms. Mrs. C. R. Stone was high score winner and bingo awards went to Mrs. Tom Agnew and Mrs. John Bradley.

Others included were: Mmes. F. M. Pearce, Bruce Creasy, E. W. Stasney, Ross Murchison, L. R. Tigner, J. A. Schnable, Alex McGregor, R. W. Earnshaw, Harry Lynn, K. V. Northington, Edgar Boelsche and Troy Simpson.

Methodist Workers' Class Elects Officers

Mrs. E. C. Baskin and Mrs. R. A. Dickinson were hostesses to the Methodist Workers' Class Wednesday afternoon of last week, entertaining in the church parlors on Fifth Street.

After the opening prayer, given by Mrs. J. G. Douglass and the opening song in unison, officers were elected for the ensuing year. They are: president, Mrs. C. P. Shepherd; secretary, Mrs. W. W. Chastain; treasurer, Mrs. W. H. Clark; and teacher, Mrs. A. O. Strother.

At the social hour hostesses served ice cream with cookies. Others were: Mmes. Cora Green, W. E. Midgley, John Loveless, J. F. Currie, Ed O'Kelly, C. H. Midgley, C. D. Harris, Borders, and Emma Godwin of Burnet.

hereinafter described portions of streets to be improved by excavating, raising, grading and filling, and installing concrete curbs and gutters except where the present rock curb and gutter is sufficient, and paving with caliche base and double penetration of asphalt and stone as defined in the specifications on file in the office of the City Engineer, and contract therefor has been made and entered into with Drummond and Dickinson for the making and construction of such improvements.

The portions of streets so to be improved, together with the estimated cost of the improvements for each portion or unit or district, and the amounts per front foot proposed to be assessed against the abutting property and the owners thereof, on such portions of streets, are as follows, to-wit:

HAMILTON AVENUE from the South Line of Broadway to the south line of Third Street, the estimated cost of such improvements is \$8,000.00, and the estimated cost per front foot to be assessed against abutting property and the owners thereof as provided by Ordinance heretofore passed is \$1.65, and the roll of property and supposed owners thereof is as follows:

Lot 3 Block 15 Wilke Third Addition in the name of B. F. Hamilton, 140 feet @ \$1.65 per L. F. or \$231.00

Lot 4 Block 15 Wilke Third Addition in the name of J. W. Hunt, 150 feet @ \$1.65 per L. F. or \$247.50

Lot 10 Block 19 Wilke Third Addition in the name of Jas. A. Talley, 140 feet @ \$1.65 per L. F. or \$231.00

Lot 4 Block 18 Wilke Third Addition in the name of Gus A. Grimes, 140 feet @ \$1.65 per L. F. or \$231.00

FOURTH STREET from the West side of Hamilton Avenue to the West line of Largent Avenue, the estimated cost of the improvements is \$2,000.00, and the estimated cost per front foot to be assessed against abutting property and the owners thereof as provided by ordinance heretofore passed is \$1.65, and the roll of property and supposed owner thereof is as follows:

Lot 3 Block 22 Wilke Third Addition in the name of H. E. Williams, 60 feet @ \$1.65 per L. F. or \$99.00

FIFTH STREET from East line of Phillips Avenue to the West line of Murrell Avenue, the estimated cost of the improvements is \$2,000, and the estimated cost per front foot to be assessed against abutting property and the owners thereof as provided by ordinance heretofore passed is \$1.95, and the roll of property and supposed owner thereof is as follows:

Lots 6, 7, 8 and 9 Block 110 Orig. Addition in the name of the Chas. S. Miller Estate and the same being 5-8 of the cost assessed to property @ \$1.95 per L. F. or \$390.00.

FOURTH STREET from the West Line of Field Street to the West Line of McCarver Drive, the estimated cost of the improvements is \$2,000, and the estimated cost per front foot to be assessed

Lions Club Votes To Push Paving At Bearcat Field

The Ballinger Lions Club in session Friday voted to sponsor the paving in front of the Junior high school and to the entrance of Bearcat Field on Broad Avenue, as a major project of the year. The report on the project was made by Dr. O. H. Chandler, who said if the bond issue was passed on Tuesday of this week the cost would be \$1,750 after securing aid from the city and school district. If the issue was defeated, he said, the cost would be approximately \$3,200.

Committeemen were appointed to push this project and will make every effort to get the work done as soon as possible, but it cannot be finished this year.

Coach Wayman Wilson was the speaker for the club program and gave a report on the summer recreation program. Figures were quoted on the number participating and of the results accomplished.

Referring to football prospects, the coach reported twelve lettermen back for the squad but only two are regulars on the 1945 team. He said three schedules would be played this season, the junior team playing on Thursdays, the senior team on Fridays, and the high school B team on Saturdays.

Do you know when right is wrong? It's when you are walking on the highway, says the Texas Safety Association. If you are doing any hiking, remember that you should walk on the left hand side of the road, so you can watch the approaching cars on your side. In the catechism of safety, there is only one answer—walk with caution, courtesy and common sense!

against abutting property and the owners thereof as provided by ordinance heretofore passed is \$1.95, and the roll of property and supposed owner thereof is as follows:

Lot 1, Block 126 Orig. Addition in the name of Mary Jane Kiechie, 60 feet @ \$1.95 per L. F. or \$117.00

Lots 2 and 3 Block 126 Original Addition in the name of the Fred Kiechie Estate, 120 feet @ \$1.95 per L. F. or \$234.00.

A hearing will be given and held by and before the City Commission of the City of Ballinger, Texas, on the 2nd day of October, 1946, at 9:30 o'clock a. m., in the City Hall in said City, when and where all owning or claiming any such abutting property or any interest therein, shall be and appear and will be fully heard concerning said improvements, the cost thereof, the amounts to be assessed therefor, the benefits to the respective parcels of abutting property by means of the improvements on the portion of street upon which the property abuts, and concerning the regularity, validity and sufficiency of the contract for, and all proceedings relating to such improvements and proposed assessments therefor, and concerning any matter as to which they are entitled to hearing under the law in force in the City and under the proceedings of the City with reference to said matters. Following such hearing assessments will be levied against abutting property and owners thereof, and such assessments when levied shall be a personal liability of the owners of such property, and a first and prior lien upon the property so provided by the law in force in the City, and under which the proceedings as provided by an Act passed at the First Called Session of the 40th Legislature of the State of Texas, known as Chapter 106 of said laws, and further

Weak, Watery Blood Blamed for Making Men and Women Look and Feel Older THAN THEIR YEARS

How do you feel at the end of a day? Is that old-time pep and drive lacking? Have you checked-up on your blood strength lately? Thousands now regain their glowing good looks and vitality through the release of vibrant energy to every muscle, fiber, cell.

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a general run-down condition, lack of resistance to infection and disease.

To get real relief, you must keep up your blood strength. Medical authorities, in analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or weak—thus the stomach will have little cause to get balky with gas, bloating and give off that sour food taste.

Ralph D. Crockett and Tom Crockett, Jr., returned to Austin Sunday to resume studies at the University of Texas. Ralph is a freshman and Tom a sophomore. Another brother, Frank Crockett, will enter as a senior. All attended the summer term at the university.

Mr. and Mrs. A. B. Legate, residents of Ballinger for the past 40 years, have sold their home here and will move about October 1 to Whitesboro. For many years Mr. Legate was a mail carrier from the local post office and he and Mrs. Legate have been active in church and civic work in the city during their residence here.

Mrs. Charles Sullivan, Jr., and son, Billy, who have just arrived from Trinidad, B. W. I., were visitors in the home of Mrs. Charles Castor the past week. Mrs. Sullivan was accompanied to Ballinger by her parents, Mr. and Mrs. George Richards, of Grape-land. Mrs. Sullivan will join her husband in California and leave soon for Maui, Hawaiian Islands, where he is employed.

The Ledger office. Full market price paid. 1t
