COLEMAN, RUNNELS COUNTIES TO HAVE ONE DRAFT BOARD

The state selective service commission has announced the personnel of a number of draft boards in Texas, and under the present plan one board will serve both Coleman and Runnels counties. Fred Sackett, of Coleman, has been appointed chairman, and R. F. Crum, of Santa Anna, and Charles Hambrick, of Ballinger, are the other members.

Mr. Hambrick will go to Coleman this afternoon to meet with other board members and discuss plans of operation. He stated that he did not like the set-up with offices at Coleman and if too many meetings were necessary might have to resign because of the time and travel factors.

Twelve-Inch Pipe Received by City To Complete Line

The city of Ballinger received a shipment of 12-inch pipe Monday which will be used to complete the line from the filtration plant to the Valley Creek lake. The shipment was in the local railroad yards Monday and was to be hauled to the unfinished portion of the line Tuesday and put in the ground as soon as possible.

Two bends are yet to be received to connect the two 8-inch lines inside the intake tower. Three shipments of these connections have been received but none of the couplings would fit and two others are expected soon. When these pieces are installed the new water system will be ready to pump water from the new lake.

Practically all work at the filtration plant has been finished and tested. Water from the Elm Creek reservoir has been pumped to the new plant so that all lines could be used with treated water and be ready when the new plant is put in operation.

City officials stated that water consumption has been running unusually high here for ten days. The summer water rate is causing a maximum daily consumption and the old plant has had to be operated full time to supply the demand.

Bruce Field Property Sold by Commission

The Ballinger city commission in a meeting Tuesday afternoon accepted the resignation of Commissioner H. P. Neill and transacted other business.

Several sales of Bruce Field property were concluded at this meeting. The O. D. office, located between barracks Nos. 1 and 2, was sold to Curtis Jones on a bid of \$500 and he is to remove the building from the field.

W. D. Howell sold the guard house at the entrance to the field, a rest room 9 by 13 feet, a walk-in refrigerator storage with motors and freezing unit, for a consideration of \$750.

Several routine items were presented for consideration. No action was taken on naming a successor to Commissioner Neill.

Three Local Groups Will Hear Address By D. Hodson Lewis

Members of the Ballinger Jaycees, the Ballinger Lions Club and the Ballinger Chamber of Commerce will meet today noon at the Central Hotel for a dinner to be followed by an address by D. Hodson Lewis, manager of the southwestern division of the United States Chamber of Commerce.

Mr. Lewis was to have been here next January, but Roger Wheeler, manager of the local chamber of commerce, was notified the first of the week that it would be necessary for Mr. Lewis to come to Ballinger at this time.

The meeting will conflict with the barbecue dinner at the Runnels county 4-H club boys' encampment at which a number of local business men will be guests.

Francis and Wellington Pearce left Friday for New Orleans, where they are visiting their brother, Dr. John Y. Pearce, and family ten days.

Young Men Will Begin Registration August 30

A proclamation has been issued that registration under the new draft law will commence August 30. On this date men born in 1922 after August 30 must register. Other registration dates announced are as follows:

1. Persons born in 1923, August 31 and September 1
2. Persons born in 1924, September 2 and 3
3. Persons born in 1925, September 4 or 7
4. Persons born in 1926, September 8 and 9
5. Persons born in 1927, September 10 and 11
6. Persons born in 1928, September 13 and 14
7. Persons born in 1929, September 15 and 16
8. Persons born in 1930, before September 19, will register September 17 and 18.

Boys born on or after September 19, 1930, will register the day they become 18 years of age or within five days thereafter.

The president has called on the governor of each state to accomplish effective and complete registration. No time has been set for induction of men, but Gen. Lewis B. Hershey, head of selective service, has stated that it would start on October 1.

No Runnels county officials have been advised of the exact plan for registration but it is expected that a draft board will be appointed soon by the governor and members will be furnished complete information.

It also has been announced that men 25 years of age will be the first taken into the service under the new selective service law.

Common School Districts Approve Boosts in Taxes

Elections have been held recently in thirteen school districts of Runnels county to submit the proposal of raising taxes. In eleven of the elections already canvassed by the commissioners' court the voters has been approved by the issue and the tax rate will be upped from \$1 to \$1.50, effective at once. In two other districts similar elections were held Monday and the higher rate is believed to have been favored.

All these schools are in the vicinity of Winters and either contract or transfer pupils to the Winters independent district. Trustees of the districts involved and Winters trustees previously had held a series of meetings at which it was pointed out the need for additional money if this outside load was continued by the Winters school.

In the Baldwin, Eagle Branch, Pumphrey, Mazeland, Poe, Drasco, Victory, Independence, Franklin, Mann and Harmony citizens favored the increase, the commissioners' court canvasses show. Elections were held in the Dale and Cochran districts Monday and the returns will be canvassed soon.

The increase in taxes will aid the Winters school board in operational costs, which are greater than at any time in the past.

Long Range Agricultural Plan Will be Considered

A joint meeting of the agriculture committee of the Ballinger Chamber of Commerce, members of the county agent's office, the home demonstration agent, and vocational agriculture teachers of the county was held last Thursday night to consider plans for a long range agricultural program in Runnels county.

A committee representing the chamber of commerce will devote much time to a program to be worked out by the other agencies and approved at a directors' meeting. After approval of the full plan one member of chamber committee will serve as chairman of several sub-committees to put the projects into effect.

Projects to be considered for the long range program include:

1. Livestock and poultry
2. Crops
3. Soil and water conservation and range improvement
4. Home improvement
5. Farm management
6. Insect, parasite and rodent control.

The sub-committees will encourage better farm management and promote better relations between farmers and business men.

Details of the program are being worked out and as soon as completed will be submitted at a special committee meeting.

At a meeting Tuesday committee chairmen were named to take the lead in the various sections of the approved program. Following are the appointments:

Livestock and Poultry—Raymond Berryhill and J. M. Williams
Crops—Lloyd Herring
Soil and Water Conservation—J. O. Satterwhite
Farm Management—Ray Fuqua
Insect, Parasite and Rodent Control—A. F. Kemp

The selection of a woman to take the chairmanship of the home improvement division was postponed until later.

BALLINGER FIREMEN TO BE GUESTS OF MANAGEMENT AT BALL GAME TONIGHT
Ballinger firemen, members of the advisory board and their families will be guests of Mayor Bill Moore at the baseball game here tonight. The firemen and their families will assemble at the city hall and go to the park in a body. Special seats will be reserved so the group can all be seated together.

One piece of equipment will be taken to the park so in case of a fire no time will be lost in getting to the scene.

American Legion Plans Purchase of Post Home

Members of the Ballinger American Legion post held a special meeting Sunday afternoon to consider the purchase of the H. G. Agnew property on Tenth Street as a clubhouse and meeting place for the organization. Members of the post and Auxiliary met at the former Agnew Funeral Home to inspect the building and discuss the proposal.

The two organizations voted to appoint a committee of five men to draft by-laws and rules for the operation of the building and to secure contract papers for buying the property, to report back to a membership meeting as soon as possible. Those present Sunday afternoon expressed their desire to purchase the building and take over operation as soon as possible.

The post has a building fund large enough to make the required down payment, to do repairing and some remodeling and provide

extra furniture to open the home. It was proposed that the post operate the home on membership dues and to retire the indebtedness with money raised from activities.

The first floor of the building is already well arranged for a club house and meeting place. Some changes would be necessary, however, to provide for all departments of the two organizations.

Living quarters for the keeper and his family would be arranged on the second floor and part of this section remodeled for game rooms and other post affairs.

A committee composed of Tom Caudle, Walter Presson, Ed Curry, O. C. Sykes and F. M. Pearce, was named to assist the incoming commander, R. E. Bruce, in preparing by-laws and rules and arranging the contract. This committee met Tuesday morning and probably will make a report this week-end.

City Commissioner Neill Tenders His Resignation

H. P. Neill, Ballinger city commissioner for more than a year, has tendered his resignation to other members of the commission to be acted upon at once.

Mr. Neill expressed appreciation to the other commission members and municipal employees for the cooperation given him while serving in this capacity and added that his service had been a pleasure. He stated that he had been working for a fine city and had taken a delight in the time he had given local projects and other city business.

Business reasons were given as

the cause for his resignation. Mr. Neill stated that his business was demanding his full time and that part of his work would keep him out of town a good deal of the time if not altogether and for these reasons wished to retire.

The commission will consider the resignation at this week's meeting and begin discussions of a successor. Several names have already been submitted and will be up for consideration when the resignation is acted upon. None of those whose names have been filed have been approached and some of them may not accept the appointment it is believed.

Runnels County 4-H Boys End Encampment Today

More than 100 Runnels county 4-H club boys are here today, attending their annual encampment. The boys arrived soon after noon yesterday to register and start activities at the city park. A number of clubs are represented by softball teams and a tournament was to be completed this morning to determine the championship of the county.

A short time after registration was completed the entire group was transported to the Ballinger Country Club lake, where the 4-H club boys are here today, attending their annual encampment. The boys arrived soon after noon yesterday to register and start activities at the city park.

Returning to the park, supper was prepared and after the meal a recreational period was held, followed by motion pictures, discussions of wildlife conservation and several other topics under study by the clubbers.

The camp was active early this morning as the boys prepared their own breakfast, had a second swim and engaged in other contests and games.

At the noon barbecue dinner today the boys are to have about fifty business and professional men as guests. Those invited included all who purchased livestock in the annual spring show and others who assisted leaders in club work in the county.

Soon after noon the boys will break camp, march to town for a parade and a few yell, and then will attend local picture shows as guests of the Ballinger Chamber of Commerce.

John A. Barton, county agent; Lloyd Rumsey, assistant county agent, and a number of club leaders were in charge of planning and conducting the encampment program.

FISHER HOLDS MAJORITY OVER HIS TWO OPPONENTS
Figure: compiled on the 21st district congressional race at San Angelo Monday noon covered substantial returns from all 27 counties and all the larger populated counties complete. The totals in this race were as follows:

O. C. Fisher, 32,302
Howell E. Cobb, 10,717
Charles L. South, 13,473

The scattering votes not yet reported were not expected to make much difference in the totals, and on this unofficial tabulation Monday Fisher had a majority of 8,112 over his two opponents.

Miss Ruth Ann Hall, of Lamesa, is a guest of Mrs. Bitsie Vetterlein.

Philatelic Class Entertained in Taylor Home
Mrs. Ford Taylor and Mrs. R. D. Midgley were hostesses to the First Methodist Philatelic Class Monday evening of last week, entertaining in the Taylor home on Eighth Street.

Groups of zinnias and other summer flowers gave added beauty to living rooms where Miss Ollie Chenoweth presided for the regular routine of business and committee reports. Miss Chenoweth

also gave the devotional. Those celebrating birthdays during the month were: Mmes. E. L. Craig, Midgley, Ernest Caskey, Wesley Reese, Glen Morrison, M. B. Webb and Fred Parker.

Hostesses served ice cream and cake. Others were: Mmes. Paul Richardson, Tom Agnew, R. W. Earnshaw, John Barton, Claude Stone, Robert Bruce, Mack Setaer, Elizabeth Coleman, and Miss Thelma Midgley.

Presbyterian Auxiliary's Program on China
Mrs. T. J. Flippen was leader for a program on "China and the Southern Mountain Area" given for the Eighth Street Presbyterian Woman's Auxiliary Monday afternoon of last week in the home of Mrs. E. S. Malone on Sixth Street.

Mrs. Malone was at the piano for the opening hymn, "Oh for a Thousand Tongues to Speak," sung in unison. Mrs. Roy L. Hill brought the devotional, and also discussed "The Amsterdam Conference." Others discussed were "E. Pluribus Unum," by Mrs. Walter F. Lange, and "Why Don't You Come, Doctor?" by Mrs. J. D. Coulter. Names in the Yearbook of Prayer and the missionary prayer were given by Mrs. Rufus Allen. The other hymn sung was "In the Service of the King," and the meeting closed with the mizpah benediction.

Marigolds were used for decoration in the living room, and a pastel arrangement of snapdragons and flocks centered the lace-laid dining table where frosted punch was served with angel cake. Co-hostesses with Mrs. Malone were Mrs. Mary Spreen and Miss Eunice Lilly.

Others present were Mrs. Paul Petty and Mrs. A. W. Sledge.

Mrs. Tocker and P. H. Hamilton Wed at Blanton
Mrs. Lola Tocker, of the Crews community, and P. H. Hamilton, of Ferris, were united in marriage Sunday, July 26, in the Blanton Baptist Church.

Rev. Words Gideon, pastor, performed the single ring ceremony at the close of the morning service.

The couple left July 21 for Ferris, where they will make home.

First Baptist R. A. Members Attend Camp Leaders
Max McCrary, Sr., counselor for the Royal Ambassadors of the First Baptist Church, accompanied Aubrey Faubion, Avery Tippett and Jimmy Weathers to Leaders, where they attended the R. A. camp all last week.

Local Young People on Baptist Quarterly Meeting Program
Mrs. Malcolm Morgan accompanied twelve young people from the local First Baptist Church to Winters on July 20 where they took part on the program for the Associational W. M. U. quarterly meeting of district 16, held in the Winters Baptist Church.

A basket picnic was served in the church basement, followed by a program under the direction of the leader, Mrs. B. F. Currie, of Paint Rock. The program theme was "Our Best in Service for Jesus." The group singing was led by Richard Moon, of Ballinger, with Martha Ann James at the piano. The devotional was given by Mary Jo Skipper, of Paint Rock, and the short sermon was delivered by Rev. Fred Blake, of Robert Lee. The Junior G. A. S. of Paint Rock, under the direction of Mrs. Roy Currie, assisted with the program. Others from Ballinger participating were Elinta Faubion; Billy Jon Whitehead, who played a piano solo; and Eva Jo Flynt, who sang a vocal solo.

Churches represented were Winters, Paint Rock, Robert Lee and Ballinger.

Baptist Mary-Martha Class Meets in Lowry Home
Mrs. Robert Lowry and Mrs. Drury Hathaway were hostesses to the First Baptist Mary-Martha Class Tuesday evening of last week, entertaining in the Lowry home on Fifth Street.

Arrangements of zinnias and other summer flowers gave added beauty to party rooms where Mrs. C. W. Jennings presided for the business routine and heard reports of officers and committee

Winters Man Named On FHA Committee For Runnels County

Appointment of W. Clifton Davis, Rt. 2, Winters, to a three-year term on the farmers home administration committee for Runnels county was announced recently by L. J. Cappelman, state director.

The new appointee succeeds Robert S. Davis, whose term expired June 30. Also on the committee are Kirby B. Robinson, Rt. 3, Winters; and George W. Poe, Winters. A committee of three serves in each agricultural county throughout the nation in which the agency makes farm ownership and operating loans. Appointments are scheduled so that a committee always has two experienced members.

The Runnels county committee has an important place in making supervised credit available to farmers, according to John H. Curry, county supervisor.

Before any money can be borrowed through the agency an applicant must have the approval of the county committee. In the case of farm ownership loans, the farm to be purchased, enlarged or improved must also be approved by the committee. "The members know agricultural conditions in the county, are often familiar with the farm the applicant plans to operate," Mr. Curry explained.

In addition to approving loans the committee cooperates with the county supervisor in overall administration of the program in the county. Periodically they review the progress of borrowers to determine whether they have reached a financial position that would enable them to refinance their loans through private lenders. A farmer who is eligible for credit from regular lending sources is not eligible for a loan from the FHA.

"Using this system of operation, the agency has helped many families in Runnels county toward better farming and better living with farm purchase and farm operating loans," Mr. Curry said. In the past 12 months a large number of applications have been received for this type of credit.

FIRST in Value . . .
ALWAYS THE VALUE-LEADER . . . always the first choice of people who want the finest at lowest cost . . . Chevrolet's value-leadership is now so outstanding that men and women everywhere are deciding it's more than ever the preferred investment in its field!

FIRST in Big-Car Quality at Lowest Prices . . .
Not only does Chevrolet stand out as the first and only low-priced car with all the following major advances which comprise the soundest and best in modern motoring . . . not only does it offer all these major advantages of Big-Car quality at lowest prices . . . but it offers them at prices that are now definitely and decisively lower than those of any other car that even remotely approaches it in quality!

FIRST in Registrations
It's the first and only low-priced car with the original and outstanding Unitized Knee-Action Ride. It's the first and only low-priced car with a world's champion Valve-in-Head Engine. It's the first and only low-priced car with the enviable Body by Fisher. It's the first and only low-priced car with the triple safety-protection of Fisher Unitized Body-Construction, the Unitized Knee-Action Ride and Positive-Action Hydraulic Brakes.

And yet, despite the fact that CHEVROLET AND ONLY CHEVROLET IS FIRST to offer all these major advancements of low-cost motoring, it holds an even greater price-advantage and gives you even more value for your dollars in comparison with other automobiles today than at any previous time in Chevrolet history!

That is why more people are buying Chevrolets than any other make of car, this year as for the total 17-year period, 1931 to date; that is why they are agreeing, with ever-mounting enthusiasm, that Chevrolet is first in dollar-value as it is first in nation-wide demand.

Clark Gable, Lana Turner Bring Emotional Drama 'Homecoming'

The combination of Clark Gable and Lana Turner in a motion picture is an advance guarantee of dramatic and emotional fireworks, and "Homecoming," new M-G-M offering to be shown at the Ford Theatre Saturday, Sunday, Monday and Tuesday, July 31 through August 3, gives these electric stars every opportunity in the heart-moving story of a doctor whose entire outlook on life is changed when he falls in love with the nurse who stands by him in his greatest crisis.

Gable plays the doctor, Ulysses Johnson, who leaves his adoring wife, Anne Baxter, and a successful practice behind when he goes overseas with the medical corps at the outbreak of World War II. His attitude that the war is just another chance for him to come back with a lot of medals undergoes a drastic change under the influence of "Snapshot" McCall (Miss Turner), the attractive nurse who is assigned to him. "Snapshot's" husband had died

fighting in China and her resentment of Ulysses' calm assumption that all a guy has to do is look out for himself brings out all the contempt in her. It is only when they have shared the horrors of war and when "Snapshot" herself is killed that the heartbroken Ulysses returns to his loyal wife with a reawakened consciousness of the responsibilities of his profession.

Gable offers what is said to be the finest performance of his career as the self-satisfied surgeon and Lana Turner rises to new heights as the tragic heroine who convinces him of the shallowness of his former life. Add to that the sensitive portrayal of Anne Baxter, as the wife who struggles to hold the man she knows to be in love with a memory, and that of John Hodiak, as Gable's pal who finally persuades him to devote his life to helping others, and you have a gallery of superb acting portrayals.

CHAMBER OF COMMERCE DIRECTORS HEAR REPORTS

The board of directors of the Ballinger Chamber of Commerce met July 19 to hear committee reports and transact other business. It was the first meeting of the directors in the new quarters in the E. M. Lynn building.

The only definite action taken by the board was approval of the five-year agricultural program submitted by the agriculture committee.

Comedy-Mystery and Brilliant Cast and Story Make 'Fort Apache' Outstanding Film

"Tomorrow at Seven," detective story abounding in comedy, and a Johnny Mack Brown western, "Crossed Trails," make up the double-feature program at the Palace Theatre tomorrow and Saturday.

According to previewers never have the thrills and the laughs been more chilling or more frequent than in "Tomorrow at Seven." The humor is supplied by Frank McHugh and Allen Jenkins, who play the parts of two detectives—at least they come from police headquarters and call themselves detectives.

The manner in which these two endeavor to solve the mystery and their pungent comments on the suspects and each other furnishes constant amusement. In addition the mystery solution is withheld logically and in a manner which keeps the suspense at full pressure.

Chester Morris and Vivienne Osborne play the romantic leads. Desperadoes "frame" an innocent man and scheme to obtain a ranch controlling valuable water rights when Johnny Mack Brown attempts to follow the plot in "Crossed Trails." Many thrills are promised in the outdoor drama, as the cowboy star endeavors to corral the outlaws.

Raymond Hatton, Lynne Carver, Kathy Frye, Douglas Evans, Zon Murray, Mary MacLaren, Frank LaRue, Ted Adams and Steve Clark have featured parts.

OLDFEN HOME DEMONSTRATION CLUB

The Oldfen home demonstration club held its regular meeting on July 21 with 17 members present.

The roll call was answered with "A mistake I made."

A demonstration on shirt ironing was given by Mrs. Alfred Multer.

Miss Ollie Chenoweth gave a demonstration on egg cookery and apricot whip.

Refreshments were served by Mrs. Ben J. Halfmann and Mrs. Jerome Lange.

Serve all salads very cold, and garnish with crisp, fresh lettuce or shredded cabbage, tomato wedges, slices or quarters of hard-cooked eggs.

With John Wayne, Henry Fonda, Shirley Temple and Pedro Armendariz co-starring at the head of an imposing cast, "Fort Apache," the John Ford-Merian C. Cooper production for RKO Radio, presents a striking drama of U. S. cavalry vs. the Apaches in 1870 Arizona.

Local presentation of this epic, at the Texas Theatre, will be on Sunday, Monday and Tuesday, August 1, 2, 3.

Wayne plays an experienced frontier officer at a lonely army post. Fonda, an arrogant lieutenant-colonel from the East, refuses to take Wayne's sound advice on dealing with the wily Chief Cochise. Fonda also objects to his daughter's romance with a young officer at the fort, which makes him even more unpopular.

When Cochise and his tribe rebel at the crookedness of an Indian agent, Fonda seizes the chance to trap the Apaches and make a name for himself in Washington. Wayne warns him that his scheme will fail, but Fonda, contemptuous of the Indian's fighting ability, goes ahead, with dramatic results.

Much of the exciting action of the picture was filmed in the famous Monument Valley. The climax, with its savage pitched battle between a cavalry squadron and the Apaches, is said to be one of the most thrilling scenes ever photographed.

John Agar, husband of Shirley Temple, makes his film debut as a

young West Pointer, and the featured cast includes Victor McLaglen, Ward Bond, Anna Lee, George O'Brien, Irene Rich, Grant Withers, Dick Foran, Guy Kibbee and Mae Marsh.

Roy Rogers' latest, "Eyes of Texas," in Tricolor, and a Charlie Chan detective drama, "Docks of New Orleans," are the two feature films on the twin-bill at the Texas tomorrow (Friday) and Saturday, July 30, 31.

Lynne Roberts, Andy Devine, the Sons of the Pioneers, Francis Ford and Roy Barcroft support Roy Rogers in the new musical, "Eyes of Texas." The action concerns a newly-established camp for war-orphaned boys. The story gets underway when the kindly founder of the project, a rancher named Cameron, is tragically killed by a pack of wolves. Various details of the attack, however, attract the attention of U. S. Marshal Roy Rogers, who soon discovers that the ranchman's death was not an accident, but a carefully-planned murder. Quick as lightning, Rogers swings into action to avenge the cowman.

A strange murder mystery confronts Charlie Chan in "Docks of New Orleans," with Roland Winter starred Virginia Dale has the feminine lead, with Mantel Moreland as Chan's comical chauffeur and Victor Sen Young as the sleuth's son. John Gallaudet, Carol Forman and Douglas Fowley have important supporting roles.

LAST STAND: Hopelessly defeated, a band of cavalrymen face their fate in "Fort Apache." This RKO Radio production, to be shown at the Texas Theatre Sunday, Monday, Tuesday, August 1, 2, 3, stars John Wayne, Henry Fonda, Shirley Temple and Pedro Armendariz and was directed by John Ford. In the scene above are Miss Temple, Victor McLaglen and John Agar.

WHEN BANKERS ARE
BLAMED FOR **Rules**
WHICH ARE REALLY LAWS

No sensible motorist would grumble about "slow rules" if prevented from parking too near a fire plug.

Nor should any sensible depositor complain of "bankers' rules" when, for example, a bank refuses to risk other depositors' money in his new and untried business ventures, to allow "occasional" overdrafts, or to pay interest on checking balances.

There are laws covering matters of this kind, which say that the banker "must not." Therefore, in such cases it is not the banker obstinately saying to you "I won't," but the law saying clearly to the banker, "You can't."

A Nice Selection of Fine Used Cars

SAFETY TESTED AND GUARANTEED

Yes, it is an established fact that automobile prices are high. But when you come to think of it everything else is the same way. Automobile prices are going to get higher yet. New car prices are advancing due to recent steel and labor price raises. Maybe some day we can supply everyone with a new car who wants one, but the future is not too bright, not for a long time any way. Until that time comes along a lot of us will have to trade up to a better used car. We have a good selection of fine used cars, safety tested, and are ready to give you thousands of miles of trouble-free service.

Listed below are a few for this week:

1941 Pontiac Custom Torpedo Sedan, radio and heater, really nice.

1940 Chevrolet Special DeLuxe Sedan, runs better than most new cars. One owner. Radio and heater.

1940 Chevrolet Special DeLuxe Tudor, radio, everything original and extra clean, low mileage, one owner.

1942 Hudson DeLuxe Tudor, very good car, priced right.

1936 Ford DeLuxe Tudor, clean, almost new engine.

1936 Chevrolet M. DeLuxe Coupe. Very clean for the model.

1937 Chevrolet M. DeLuxe Sedan. Not a new car but runs and looks pretty good. Priced too cheap, \$345.00.

1937 G. M. C. 1 1/2 Ton Truck with stick, good condition, \$345.00 cash takes it.

1933 Std. Chevrolet pickup, runs good, good tires, just the thing for a work or fishing car, \$199.00 cash.

Also have 1948 Diamond T. 1 1/2 ton truck with two speed and 1948 Oldsmobile 66 Sedan. These are brand new.

Will buy 25 clean used cars and pay reasonable prices. If you want to buy, sell or trade, don't fail to get our prices first. Remember, we handle fine automobiles, safety tested and guaranteed, honestly represented. Buy with confidence and save. Watch this lot for the finest in automobile buys. Open evenings until 7:30.

Today" was sung in unison for the regular meeting of the First Christian Woman's Council which was held Monday morning in the church parlors on Broadway.

Mrs. W. F. Atwell gave the opening prayer, and Mrs. C. F. Bailey brought the devotional which was taken from the Scripture, the 13th chapter of Mark and the 119th Psalm. Mrs. Bailey presented Mrs. E. D. Walker, who discussed the lesson, part I, on the Study of Hawaii. Mrs. Walker told of the customs and also gave an account of the work of the missionaries and doctors on the islands in the 18th century, and the result of their work. Mrs. Bailey concluded the program by leading the council in repeating the missionary benediction. Mrs. Gene Crawford was at the piano for the hymn accompaniments.

Others present were: Mmes. O. P. Dorsey and Archie Gray, Misses Nan Kevil, Lula McElroy and Lilly Clayton.

Mrs. Behringer Entertains Current Book Club

Mrs. Sam Behringer was hostess to members of the Current Book Club Tuesday afternoon, entertaining in her home on Tenth Street.

Party rooms were beautifully decorated with arrangements of yellow, red and pink zinnias and mixed summer flowers where Mrs. Behringer conducted the business session. For the program, Mrs. Gertrude Woods gave a travelogue of her recent trip through the Ozark Mountains and other interesting points in Arkansas and Missouri. Current books were exchanged. Mrs. E. L. Craig was presented as a new member.

Mrs. J. W. Longnette assisted the hostess in serving sherbet and angel food cake. Others were: Mmes. John Barton, Tom Caudie, Chester Cherry, A. H. Dallinger, J. W. Guynes, O. R. Lasater, James Wear, Jack Nixon, O. C. Sykes, A. J. McDaniel and Homes C. Daniels.

THANKS

I wish to thank the voters of Runnels County for nominating me to the office of County Treasurer in the first primary last Saturday.

I wish to express appreciation to everyone who voted for me in the Sheriff's race last Saturday.

I will be working every day until the second primary and will see everyone I can and thank you personally for your support.

Let me urge you to return to the polls August 28 and I also invite you to give me every consideration.

Ten members of the Pat Williams post, American Legion, have received special cards from the state department for 30 consecutive years membership. Jack Nixon, Jr., adjutant, received the cards Wednesday and distributed them. Awarded the 30-year cards were: Tom Caudle, A. McGregor, Troy Simpson, L. R. Tigner, C. R. Stone, Sam Behringer, R. W. Earnshaw, K. V. Northington, F. M. Pearce and D. G. Posey.

SERIES OF SPECIAL MEETINGS ARRANGED BY LOCAL JAYCEES

The Ballinger Jaycees have arranged a series of special meetings for the immediate future. On the first Tuesday night of each month, business sessions and dinners will be held in the recreational building at Bruce Field, and "ladies night" will be observed there every three months.

The Jaycees will join other civic groups Friday noon for a meeting at the Central Hotel to hear E. Hodson Lewis, of the United States Chamber of Commerce.

MRS. HILL AND CHILDREN WILL MOVE TO ABILENE

Mrs. Nedra Hill and children, Tom Lipscomb and Vicki Hill, will leave this week to make home at Abilene, where Mrs. Hill will be employed in the office of the Banner Ice Co.

Mrs. Hill had been employed for the past five years in the local post office. Tom will return to the University of Texas in September where he will be classified as a junior.

J. L. Moreland, Jr., of Abilene, was here Saturday to visit his parents.

Thanks

I want to express my appreciation to the voters of Commissioner's Precinct No. 4 for the fine vote they gave me in the primary Saturday.

The majority vote given me made possible my nomination for Commissioner of this precinct and I will certainly try to merit the confidence shown in me.

FORMER BALLINGER MAN DIES AT NEW ORLEANS

M. H. Watson died in a government hospital at New Orleans at 3:00 o'clock Wednesday afternoon. The body is being returned to his home at Lufkin, where funeral services will be held tomorrow (Friday) morning at 10:30 o'clock.

Decedent resided here in the 1920s and was manager of the Central Hotel several years. He was a veteran of World War I.

Survivors include the wife, the former Miss Mildred Holliday of this city; and two daughters, Zadie and Zyla.

A brother-in-law, Fred Holliday, left here this morning for Lufkin to attend the funeral.

The Suez canal is 104 miles long.

Still in the Race

There seem to be rumors out in some sections of the county that I have withdrawn from the Sheriff's race. This is not true. I am in the race until the last vote is counted in the second primary on August 28.

I wish to thank my many friends for their votes in the election last Saturday and to invite their support in the second primary.

FHA Announces New Plan for Making Loans

An increase in appropriations for farm operating credit for the fiscal year that began July 1, was announced today by L. J. Cappelman, state director of the farmers home administration, through John H. Curry, county supervisor. The amount of operating loans in Texas is \$6,940,000, a 20 per cent increase over last year's funds. "We expect to provide these loans to 2,500 more families this year than last," Cappelman said.

The agency is also authorized to insure farm real estate loans made by private lenders. For direct farm ownership loans in the state it has \$100,000, which is the same as for last year.

Direct or insured farm purchase loans are available to qualified farmers, tenants, sharecroppers, and veterans who can find sound-value farms, and who can't get the credit they need anywhere else. "Loans are made or insured only on farms that will pay out in terms of their long-range earning capacity," County Supervisor Curry said, "rather than at today's relatively high farm prices."

The FHA also has funds for water facility loans in the seventeen western states. Texas will participate in loans for water facilities in the amount of \$170,000.

Changes recently made in the insured mortgage program are designed to broaden opportunities for family-type farmers to become farm owners. Lenders now get 3 per cent interest instead of 2 1/2 per cent. Borrowers pay 4 per cent interest on both direct and insured loans, with the 1 per cent difference in insured loans going to the FHA for insurance charges and administration expenses. The agency services the loan without extra cost to the borrower or to the credit institution. Lenders now have an assured

None of the occupants was seriously injured and except for a few scratches and bruises were all right after receiving treatment at the local clinic.

Thanks Voters

I deeply appreciate the splendid vote given me in the Democratic primary last Saturday.

Although my name did not appear on the ballot, the big vote I received made possible my being in the run-off to be held on August 28.

My name will be printed on the second primary ticket and I will appreciate the votes of my friends.

HENRY DABNEY

Candidate for

CONSTABLE, PRECINCT NO. 1

THANKS To The Voters of Runnels County

I deeply appreciate the fine vote given me last Saturday in the first primary which enabled me to lead the ticket by 513 votes.

For the next month I will be engaged in the second primary campaign and I ask your careful consideration on August 28.

During my time in the office of your Tax Assessor and Collector I have tried to serve you well. I have studied tax matters and at all times have kept myself posted on the laws under which I must work. Experience has taught me the duties of this office and I feel that I can continue to serve you well and meet every requirement of this office.

Your support and vote will be deeply appreciated in the second primary, August 28, and if returned to the office, I promise the best that is in me.

Your friend,

The city commission and health officer are pleading for a clean-up campaign immediately which will clear vacant lots, yards and alleys of weeds and high grass. At the present time mosquitoes, flies and other insects are harboring in the daytime in the dense weeds and a little later when the vegetation is dead, it will create a serious fire hazard. Inspections here last week revealed that the city as a whole is in the worst condition in many years and a clean-up at once will give the city opportunity to dust by plane with DDT and do much towards getting rid of disease-carrying insects. Health authorities point out that it will do little good to dust so long as there are so many harboring places. The city is using a field mower to cut weeds on city property. Property owners are asked to cooperate.

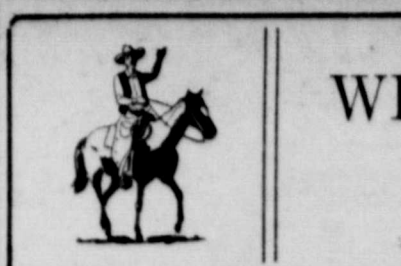

Ballinger sportsmen will make an effort to assure professional baseball here in the future. These men are launching a drive for \$50,000 in stock subscriptions with which a lighted field would be constructed or bought, a bus and a franchise in a league bought, and have money left to carry on for a season. These sportsmen believe baseball can be made to break even here and they also believe there are enough fans who want to continue the sport to kick in the required money to form a corporation to carry on. During the next few weeks about 100 men will be offering to take subscriptions, the money to be collected later if the full amount is subscribed and if a franchise is obtained. While Ballinger is smaller than most towns in organized baseball it has the best fans of any town double its size and in 1947 led the Longhorn League in attendance.

The Texas department of public

safety is conducting a campaign against speed on state highways. "Speed kills—take it easy" is the slogan being given publicity this month and the first part of August. Col. Homer Garrison, head of the department, says: "Speeding doesn't save enough time to be worth the cost," and points out that the biggest cost is in death. Last year 13,000 people were killed in the United States in accidents in which speed was the contributing factor. Col. Garrison quotes statistics to prove that speed was a cause in two out of every five fatal traffic accidents.

WEST TEXAS NOTES

The Stephenville high school band is giving a series of summer concerts. The band is assisting in the summer recreation program and is attracting large crowds to the city park in the evenings. Appearing each evening as the main evening attraction, the band concert is followed by swimming and other athletic features.

The semi-annual convention of the Hill Country Firemen's Association will be held at Junction

August 10, and sixteen towns will be represented. Cash prizes valued at \$200 have been posted for the various contests to conclude the afternoon program. Contests will include a quiz, pumper races, and bucket races.

The annual Menard Baptist encampment is being held this week on the grounds one mile west of the city. Dr. W. R. White, president of Baylor University, is the principal speaker this year and early registrations indicated record attendance. Recent rises on the San Saba River have put the stream in excellent condition for swimming and other water sports and the program is said to be the best since before the war.

Brady school trustees took steps in their meeting July 15 to eliminate segregation of Latin-American pupils in the schools. This is in compliance with a recent order of a federal judge and instructions from the state superintendent. The south ward school, formerly operated for Mexicans, will not be opened in the fall, Supt. W. E. Whitten announced. Separate classes for first grade Latin-American pupils with language difficulties will be provided.

The Melvin school board has let a contract to the Brewer Tile Co. of Eden, for concrete work on the new athletic stadium. Work was started this week on the foundation, and plumbing for showers and commodos has already been roughed in in a building moved from Camp Bowie. A concrete floor is to be built. The building will have lounges for men and women as well as a complete club house for the teams. The playing field has been sown in grass and a good turf will be ready for the first football game of the season.

The Miles Odd Fellow lodge hall is being remodeled and redecorated. The improvements will provide a much better meeting place for the lodge and furnish quarters for the Rebekahs.

Fire on July 18 destroyed the Winters municipal airport hangar and two planes. The blaze was discovered shortly after midnight and efforts were made to recover the records in the hangar but the flames had made too much headway to permit entrance. Damage is estimated at about \$12,000, partially covered by insurance. Airport directors have decided to rebuild the hangar as soon as possible.

Streets and alleys at Bronte were sprayed with DDT last week in the campaign against mosquitoes and flies. City officials said the spraying would be done free but anyone desiring to help with the expense might contribute to the fund. Widening of street pavement used as highways is progressing nicely.

Mayor R. E. Murphy, of Coleman, has indicated he will call a mass meeting of citizens to present the problem of a shortage of funds with which to complete the pipeline from Coleman to the new city lake. It was stated that at least \$100,000 more is needed to pay for the pipe, already ordered, when it arrives. Water is still being shipped to Coleman from Brownwood.

Brownwood Jaycees conducted a county-wide campaign last week to get citizens to go to the polls Saturday. The slogan, "Vote as You Please—but Vote," was publicized and many stickers were given merchants to be affixed to outgoing mail. Newspaper advertising was placed and radio talks made along the same line. Large signs were erected on highways and a sound truck paraded through Brownwood streets election day.

Old timers of Comanche county joined for their annual meeting at Lake Eanes last Saturday. Several thousand gathered for the basket dinner, highlight of the day's activities. Pioneers were heard in talks during the morning and in the afternoon candidates made last minute appeals for votes in the Democratic primary.

A Dallas contracting firm had a crew at Rising Star last week making repairs on the Masonic building which was damaged in a fire which swept an entire business block recently. Exterior work will be completed soon and the interior will be redecorated. Lodge meetings are being held in the grammar school building at present.

THREE LOCAL STUDENTS IN A.C.C. SUMMER SCHOOL

Opening the second semester of its 1948 summer school July 21, Abilene Christian College has enrolled 561 students from 25 states and four foreign countries, South Africa, Australia, Mexico and India. The college's 1948 fall semester will open September 14.

Three students from Ballinger and vicinity are enrolled, as follows: Juanita Lee, daughter of Mr. and Mrs. Charles H. Lee, of Maverick, a junior student majoring in home economics; Allen J. McDaniel, Jr., son of Mr. and Mrs. A. J. McDaniel, 508 Fifth Street, a freshman student; and Roy E. Guiley, a sophomore student majoring in Bible.

Built-in Safety Cuts Accidents at Home, Engineer Points Out

COLLEGE STATION, July 28.—Safety can be built right into the home to help reduce accidents. New homes can—and should—be made far safer than houses built in the past because better materials and more advanced ideas are always being developed for greater home safety.

This built-in safety business is really two angles in one, says W. S. Allen, extension agricultural buildings engineer of Texas A. & M. College. It deals with the dangers of fire as well as the personal injury angle.

Builders and architects are giving quite a bit of thought to ways and means of getting rid of home accident causes in both the new and old structures.

Safety studies show that most accidents in the home occur on the stairs, so architects are recommending a certain step height, width and steepness that will still be the safest. Handrails should be provided every place there are more than two steps. Also lights at the top and bottom steps are recommended.

Basements are often dangerous places when there are overhead water pipes, air ducts and low hanging objects. Where it is not possible to remove them, they should be painted brightly so they will be easily seen. Windows are now on the market which can be cleaned from the inside of the house. More and more of this kind are being built into the new homes.

Toys, tools, brooms and mops make dangerous enemies if left lying around. Keep them in a special place so they won't be tripped over. Kitchen hazards are reduced by sliding cabinet doors or the narrow hinged type which do not swing far out into the room. Rounded corners on kitchen equipment along with more built-in facilities also lower your chances of being injured right in your own home.

Flat bottomed tubs and grab bars to assist in getting in and out of the tub match nicely with any bathroom design. Non-slip

flooring is not only available, but a little healthier too. And there is the old story of bathtub electrocutions. Keep light switches and radio controls—if you have a radio in the bathroom—out of tub or shower reach.

None of these safety measures is costly. In fact, many times it has proved to be more costly not to have them. If the homeowner gives as much attention to safety in his home as he does to some of the other things, advises Allen, his chances of becoming a hospital patient will be much less.

The cedar bag worm also attacks Chinese elm, salt cedar, cottonwood, roses and liveoaks. These destructive pests can be controlled with two or three teaspoonful of lead arsenate to a gallon of water.

One pound of chromated zinc chloride, dissolved in half a gallon of water will treat one cubic foot of wood, or one sapling that measures four inches at the base and is about 30 feet tall.

Latin-American Help For Cotton Gathering May Pose a Problem

The Latin-American commission of the West Texas Chamber of Commerce is calling on member towns in this region to take steps at once to help get Mexican labor to gather the cotton crop.

The Mexican government has put an embargo on labor leaving that country for the United States because of alleged discriminations against these nationals.

Letters were received here this week asking that the mayor and president of the local chamber of commerce write letters stating that there would be housing and eating facilities for Mexicans in Ballinger in the fall.

Consideration is being given the problem but there is no surplus housing for Mexicans in the city at the present time and few places for them to eat. A labor camp is maintained here but this offers very poor accommodations for those who stay any length of time. The camp is operated to receive labor groups and place

them on jobs in the vicinity. Local people realize that the demand for workers may be heavy in the fall, depending on rains the rest of the season before the cotton crop matures. Many farms of the area do not have housing for large crews of laborers and this may prevent obtaining labor from Mexico.

TALPA CITIZEN'S GUESTS AT BASEBALL GAME HERE

A large delegation of Talpa citizens came here Monday night as special guests at the baseball game between the Sweetwater Sports and the Ballinger Cats. The community was extended an invitation by the local management to attend the game and a considerable number responded.

The Talpans were given special recognition at the end of the fourth inning when they were asked to stand for the applause of Ballinger fans.

The visitors had a good evening, seeing a good game, won by the Ballinger club, and going home to a good rain which covered that area.

SPORTS

The Ballinger Cats opened a three-game series with the Sweetwater Sports Monday evening, taking the first contest by the score of 7 to 4. The game was called in the 7th after rain began.

Starnes, starting Sports pitcher, was greeted in the second inning by an eight-hit barrage which netted six tallies. Taylor came in to relieve in this inning and was responsible for the last two put-outs. In the second frame every man on the Ballinger team except Pitcher Watling hit safely.

CATS TAKE SWEETWATER IN SECOND GAME, 7 TO 3

The Ballinger Cats made it two in a row against the Sweetwater Sports in a Longhorn League contest Tuesday night, winning the second of a three-game series, 7-3.

The Cats got six hits, four walks and three sacrifice hits, making these count for runs and leaving only two men aboard bases during the nine innings.

John McCarthy allowed the visitors eleven hits but kept them well spaced and home-runs by Steiger and Jackson came with none on the bases. Bill Path drove out a homer inside the park with Stu Williams on.

Wee Willie Wynns was sent to the showers by Umpire Richert when the agile shortstop protested a called strike, and Stu Williams also was ordered from the game for words in the argument that ensued. This forced a shift of five positions on the Cat line-up but the locals remained air-tight, except for a homer by Jackson, and neatly executed a double play after the shake-up.

Methodist W. S. C. S. Circles Meet

Mrs. John Lovelace and Mrs. R. D. Midgley were hostesses to the Sally Odom Circle of the First Methodist Woman's Society of Christian Service Monday afternoon in the Lovelace home on Eighth Street.

Mixed garden blossoms decorated rooms where Mrs. W. O. Wallace presided at the business session. Mrs. J. W. Barr brought the devotional and Mrs. O. R. O'Neill gave the lesson, "His Way in Poland," from the book, "The Methodist Church in Europe."

Hostesses served ice cream and cake.

Mrs. J. W. Guynes was hostess to the Ettie Gressett Circle in the church parlors on Tenth Street. Mrs. W. E. Midgley directed the business after the opening prayer by Mrs. R. A. Dickinson. Mrs. Cal Adair gave the devotional and Miss Thelma Midgley presented the lesson.

Mrs. Powell Wear and little Sally Guynes, of Dallas, assisted the hostess in serving a refreshment plate of ice cream and cake.

Members of the Ida Campbell Circle were entertained by Mrs. George Beard and Mrs. Tom McIntire in the home of Mrs. Beard on Third Street which was decorated with a profusion of summer flowers from the Beard garden.

Mrs. J. G. Douglass gave the devotional and Mrs. E. L. Craig brought the lesson which was followed by a general discussion. Mrs. W. O. Irby conducted the business routine and gave the opening prayer.

Hostesses served ice cream and cake.

Others attending the three circle meetings were: Meses, Cora Green, O. R. Lasater, W. R. Clark, Elizabeth Coleman, Marvin Davies, O. R. O'Neill, Lee Evans, Lee Parks, J. L. Davis, Jack Nixon, a visitor, Mrs. Harry Lovelace; Meses, A. O. Strother, D. L. Vestal, Marion Hays, James E. Garrett, C. D. First Baptist Y. W. A. Meets in Morgan Home

Members of the First Baptist Y. W. A. met in the home of their counselor, Mrs. Malcolm Morgan on Sixth Street Monday evening.

Elita Faubion conducted the business routine and heard reports from various committees. The program theme, "Rural Churches," was presented by Martha Ann James, Elita Faubion and Eva Jo Flynt.

A breakfast was planned for August 8 at 7:00 o'clock and members of the G. A. will be included as guests.

Others present were: Josephine Burkhart, Elizabeth Wear, Joyce Lee, Jessie Mae Henderson, Sally McGeahey, Barbara Patterson, LaRita Price, Betty Lou Batts and Mrs. Morgan.

Billy Worley Honor Guest at Party on Birthday Anniversary

Billy Worley was named honor guest on his second birthday anniversary Tuesday morning when his mother, Mrs. Roy Worley, entertained with a party at City Park.

Play on park equipment and directed games gave happy entertainment. The honoree's grandmother, Mrs. J. W. Moore, Mrs. Lee Sykes and Mike Worley assisted in serving the pretty white birthday cake which was decorated with pink and green florals and topped with "Happy Birthday, Bill," and one white candle, which was served with punch. Whistles were favors.

Guests were: Mrs. Charles Hambrick, Pat and Nancy Hambrick; Mrs. W. K. Wheatley, Connie and Billy Wheatley; Mrs. Levy Lee, Tipton and Grant Lee; Mrs. Walter Tritt and Judy; Mrs. Jack Scales and Sharon; Mrs. Sam Malone and Melinda; Mrs. B. J. Martin and Sid; Mrs. West Talbot and David; Mrs. Ross Bartlett, Tommy and Bub; Mrs. Jack Nixon and Tommy; Mrs. Ed Curry and Karen; Mrs. Robert McGarvey and Janette; Mrs. Bill Atwood, Janis and Billy Tim; Terry and Bob George Isbell, of Big Spring.

Kien Williams' Eleventh Birthday Anniversary Celebrated

Mrs. J. M. Williams honored her daughter, Kien, on her eleventh birthday anniversary Saturday afternoon with a party at their home on Fifth Street, followed by a theatre party.

The pretty white birthday cake which was decorated with pastel florals was served with ice cream preceding the theatre party. The group returned to the Williams home where cold drinks were served, and a jeep ride to the Country Club late in the afternoon was enjoyed. Party favors were gayly colored caps and candy dolls.

Guests were: Jo Ann Blackmon, Gwendolyn Joyce Davies, Edna LaVerne Calvert, Norma and Brenda Pratt, Helen Kennedy, Louise Miller, Sally Bailey, Margie Neill, Delphine Berryhill, Patricia Zappe, Ann Katherine McDonald, Nixie Lou Gregory, Suzanne and Charlotte Seamon of Houston.

THANKS.....

I want to thank you, the people of Runnels county, for the fine vote I received in the first primary Saturday.

My love for Runnels county and its people impels me to again pledge my best efforts to work to make this county remain a leader in Texas.

Let me serve you, either as community or an individual, any time.

HOUSE JOINT RESOLUTION
amending Section 15 of Article XVI of the Constitution of the State of Texas, by adding thereto a provision that the husband and wife from time to time may in writing partition between themselves in severalty or into undivided interests all or any part of their community property, whereupon without prejudice to the right of existing creditors the portion or interest set aside to each spouse shall be and constitute a part of the separate property of such spouse; further providing that such Constitutional Amendment if adopted shall be self-operative and self-executing; providing for the submission of this Amendment to the voters of this State; prescribing the form of ballot; providing for the proclamation and publication thereof.
BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 15 of Article XVI of the Constitution of the State of Texas be amended so as to read as follows:
"Section 15. All property, both real and personal, of the wife owned or claimed by her before marriage, or that acquired afterward by gift, devise or descent, shall be the separate property of the wife, and laws shall be passed more clearly defining the rights of the wife, in relation as well to her separate property as that held in common with her husband; provided that husband and wife without prejudice to pre-existing creditors, may from time to time by written instrument as if the wife were a feme sole partition between themselves in severalty or into equal undivided interests all or any part of their existing community property, or exchange between themselves the com-

munity interest of one spouse in any property for the community interest of the other spouse in other community property, whereupon the portion or interest set aside to each spouse shall be and constitute a part of the separate property of such spouse."
"This Amendment is self-operative, but laws may be passed prescribing requirements as to the form and manner of execution of such instruments, and providing for their recordation, and for such other reasonable requirements not inconsistent herewith as the Legislature may from time to time consider proper with relation to the subject this Amendment. Should the Legislature pass an Act dealing with the subject of this Amendment and prescribing requirements as to the form and manner of the execution of such instruments and providing for their recordation and other reasonable requirements not inconsistent herewith and anticipatory hereto, such Act shall not be invalid by reason of its anticipatory character and shall take effect just as though this Constitutional Amendment was in effect when the Act was passed."
Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State of Texas at an election to be held throughout the State on the second day of November, 1948, at which election all voters favoring said proposed Amendment shall write or have printed on their ballots the words:

"FOR the Amendment to the Constitution of the State of Texas providing that husband and wife from time to time may in writing partition between themselves in severalty or into undivided interests community property existing at the time of

partition so as to convert same into separate property of the respective spouses without prejudice to the rights of pre-existing creditors."
Those opposing said proposed Amendment shall write or have printed on their ballots the words:
"AGAINST the Amendment to the Constitution of the State of Texas providing that husband and wife from time to time may in writing partition between themselves in severalty or into undivided interests community property existing at the time of partition so as to convert same into separate property of the respective spouses without prejudice to the rights of pre-existing creditors."
Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and have same published as required by the Constitution for amendments thereto.

H. J. R. No. 7
HOUSE JOINT RESOLUTION
proposing an Amendment to Article IV of the Constitution of the State of Texas, by adding a new Section to be known as Section 3a, so as to provide for succession to the office of Governor in the event the Governor-elect dies, or becomes disabled, or fails to qualify, before taking his oath of office as Governor; and providing for the issuance of the necessary proclamation and publication by the Governor.
BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Article IV of the Constitution of the State of Texas, be and the same is hereby amended, by adding another Section to follow Section 3, and be designated Section 3a, to read as follows:
"Section 3a. If, at the time the Legislature shall canvass the election returns for the offices of Governor and Lieutenant Governor, the person receiving the highest number of votes for the office of Governor, as declared by the Speaker, has died, then the person having the highest number of votes for the office of Lieutenant Governor shall act as Governor until after the next general election. If, in the event the person with the highest number of votes for the office of Governor, as declared by the Speaker, shall become disabled, or fail to qualify, then the Lieutenant Governor shall act as Governor until a person has qualified for the office of Governor, or until after the next general election. Any succession to the Governorship not otherwise provided for in this Constitution, may be provided for by law; provided, however, that any person succeeding to the office of Governor shall be qualified as otherwise provided in this Constitution, and shall, during the entire term to which he may succeed, be under all the restrictions and inhibitions imposed in this Constitution on the Governor."
Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this State at a General Election to be held throughout this State on the date provided by law in the month of November, A. D. 1948, at which election all

ballots shall have printed thereon:
"FOR the Constitutional Amendment providing for gubernatorial succession in the event the Governor-elect dies, or becomes disabled, before qualifying and for such succession in other contingencies."
"AGAINST the Constitutional Amendment providing for gubernatorial succession in the event the Governor-elect dies, or becomes disabled, before qualifying and for such succession in other contingencies."
Each voter at such election shall mark out one of such clauses on the ballot, leaving the clause expressing his vote on the proposed amendment.
Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this State.

S. J. R. No. 2
A JOINT RESOLUTION
proposing an amendment to Section 28 of Article III of the Constitution of the State of Texas, so as to provide for a Board for apportionment of the state into senatorial districts and representative districts in the event the Legislature fails to make such apportionment; providing for the issuance of the necessary proclamation by the Governor; and making an appropriation.
BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Section 28 of Article III of the Constitution of the State of Texas be amended so as hereafter to read as follows:
"Section 28. The Legislature shall, at its first regular session after the publication of each United States decennial census, apportion the state into senatorial and representative districts, agreeable to the provisions of Sections 25, 26 and 26-a of this Article. In the event the Legislature shall at any such first regular session following the publication of a United States decennial census, fail to make such apportionment, same shall be done by the Legislative Redistricting Board of Texas which is hereby created, and which shall be composed of five (5) members, as follows: The Lieutenant Governor, the Speaker of the House of Representatives, the Attorney General, the Comptroller of Public Accounts and the Commissioner of the General Land Office, a majority of whom shall constitute a quorum. Said Board shall assemble in the City of Austin within ninety (90) days after the final adjournment of such regular session. The Board shall, within sixty (60) days after assembling, apportion the state into senatorial and representative districts, or into senatorial or representative districts, as the failure of action of such Legislature may make necessary. Such apportionment shall be in writing and signed by three (3) or more of the members of the Board duly acknowledged as the act and deed of such Board, and, when so executed and filed with the Secretary of State, shall have force and effect of law. Such apportionment shall become effective at the next succeeding statewide general election. The Supreme Court of Texas shall have jurisdiction to compel such Commission to perform its

duties in accordance with the provisions of this section by writ of mandamus or other extraordinary writs conformable to the usages of law. The Legislature shall provide necessary funds for clerical and technical aid and for other expenses incidental to the work of the Board, and the Lieutenant Governor and the Speaker of the House of Representatives shall be entitled to receive per diem and travel expense during the Board's session in the same manner and amount as they would receive while attending a special session of the Legislature. This amendment shall become effective January 1, 1951."
Sec. 2. The foregoing Constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held throughout the state on the first Tuesday after the first Monday in November, A. D. 1948, at which all ballots shall have printed thereon:
"For the amendment to Section 28, Article III of the Constitution of Texas providing for a Board for apportionment of the state into senatorial districts and representative districts in the event the Legislature fails to make such apportionment."
"Against the amendment to Section 28, Article III of the Constitution of Texas providing for a Board for apportionment of the state into senatorial districts and representative districts in the event the Legislature fails to make such apportionment."
Each voter at such election shall mark out one of such clauses on the ballot, leaving the clause expressing his vote on the proposed amendment.
Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and laws of this state.
Sec. 4. The sum of Ten Thousand (\$10,000.00) Dollars or so much thereof as may be necessary, is hereby appropriated out of any funds in the treasury of this state not otherwise appropriated, to pay the expenses of such publication and election.

**Slow Start Made
On Subscriptions
To Baseball Club**

A large number of local people are working this week, taking subscriptions for the Ballinger Baseball Association. The Sportsman's Club has set a goal of \$50,000 in stock subscriptions with which to purchase a park and franchise and thereby assure professional baseball in Ballinger. Men working on teams reported the first of the week that the subscriptions were falling far short of expectations and a meeting will be held just before the game tomorrow (Friday) night for a check-up. It was explained that many people were subscribing for stock in the proposed corporation but that most of the amounts were

SPORTS

Only 18 more home games are to be played by the Ballinger baseball club this year. The Cats are struggling to hold a first division place and the support of local fans will help them be eligible for the play-off.

Bill Gage did a nice job of relief pitching at Odessa Sunday, taking over with the score tied and for 5 1-3 innings held the slugging Oilers hitless, not a man reaching first base. With plenty of rest Gage has perfect control, especially on his curves.

Jack Wadsworth joined the inner shrine of home-run hitters Sunday and helped refrigerate the game by driving one over the left wall in the eighth. Jack hit the old apple at a lively clip on the road tour.

Managers of Longhorn League

clubs are striving to strengthen their teams and a number of changes are due to be made this month. All changes must be made twenty days before the end of the season in order for the players to be eligible for the play-off.

Stu Williams has climbed back into his customary hitting slot. Last Saturday's standings showed him in third position with an average of .370. Jim Prince was leading with .387. Pat Stasey came second with .382. In games since the recent tabulations Stu has been pounding 'em out at a .450 clip and is due for another rise on the next report.

The Cats moved back into third place in fielding and are still leading the Longhorn League in the number of double plays executed. Last Saturday the locals had a total of 75 twin killings to

their credit. The Vernon Dusters were second with 67.

As a team the Cats were hitting in fifth place with a percentage of .267, topping San Angelo, Del Rio and Vernon.

The Cats meet the Midland Indians here tonight and will wind up the home stand tomorrow (Friday) evening with Harold Webb's crew. The next home

Features Arranged For Club Women's Encampment Here

Plans are well underway for the one-day home demonstration club women's encampment here on August 11. Indications are that each of the organized clubs in Runnels county will send a large delegation. A new club to be organized at Drasco this afternoon plans to attend in a body.

Miss Ollie Chenoweth, county home demonstration agent, said today that 150 to 200 members were expected to attend the 1948 encampment. Highlight of the day will be the noon luncheon to which a number of special guests will be invited.

Miss Thelma Casey, district agent, will be heard on the afternoon program in a brief talk.

The program so far arranged is as follows:

Registration, 10 a. m.
Singing and recreation, 10:30 to 11:20 a. m.

Ten-minute programs by Bethel, Norton and Olfen clubs

11:50 a. m. to 12:00, introduction of guests by Judge E. C. Grindstaff

Noon dinner
1:30 to 2:00 p. m., pictures and songs

2:00 to 2:10 p. m., talk by Miss Casey

Ten-minute programs by Rowena and South Ballinger clubs

Recreation, all clubs to participate

Ten-minute programs by Wilmeth and Victory clubs.

The encampment will be held in city park and each women attending will bring a covered dish for the noon luncheon.

Watson Urges Local C. of C. to Take Part In National Affairs

Tom V. Watson, national affairs advisor of the United States Chamber of Commerce, met Friday with the national affairs committee of the Ballinger Chamber of Commerce. The meeting was held in the chamber offices with Tom Caudle, Clifford Cook, E. C. Grindstaff, Paul Petty and Roger Wheeler attending.

The purpose of the meeting was for Mr. Watson to explain the functions of the committee and to set up a program here.

Mr. Watson explained how the policies of the U. S. chamber are made and said a vote of the membership dictated these policies. He said the national organization

stand begins August 7 when the Big Spring Broncs furnish the opposition.

wanted its national affairs committee to keep informed on all issues for the following reasons:

1. To gather and study information on national issues
2. To prepare and disseminate arguments pro and con on major issues to the general public
3. To urge action by individual

members to express their opinions to members of congress.

The following suggestions as to means were given the local committee to promote action: opinion forums, letters for ballot vote by members, radio talks, school essays, newspaper articles and open forums.

Considerable discussion was held

on issues which will be presented to congress in the present session.

Other specialists of the U. S. chamber will visit Ballinger from time to time to pass on information to the local organization.

KAISER

FRAZER

Service wherever you go

In just two years we've built and sold more fine cars than any other new manufacturer in automobile history.

Why? Because America fell in love with the KAISER and the FRAZER on sight. Folks are streaming into Kaiser-Frazer showrooms and learning from present owners how dependable these two great cars are. They're learning — from people who drive them — how soundly they are built . . . how economical they are . . . how much enjoyment there is in owning one.

THESE ARE THE MOST-COPIED CARS IN AMERICA, road-proved by 250,000 owners in two billion miles of driving.

Because plenty of Americans insist on comfort, convenience, style and value, traditional leaders had to "move over" — as Kaiser-Frazer became the fourth largest manufacturer of motor cars in the world in two short years.

Why wait? Enjoy your new car this summer. You'll get fast treatment and highest trade-in allowance.

Three good homes on Broadway
Two close-in homes on Ninth Street
Two nice homes on Seventh Street
Two extra good homes just outside the city limits, a little acreage with each.
One low priced home, close in.
A few small farms—would make a swell home.
We will appreciate all listings—small or large. Have some buyers for homes in the city.

3.39% INTEREST RATE

The net average interest rate to our stockholders on their loans for 1947 was

3.39%

For 1948 we expect the rate to be lower. This low interest rate is made through savings returned to our borrowers in dividends. 10% dividends will again be paid this year.

Long time amortized loans with the option of paying all or any part at any time without bonus or penalty is not offered by any other lending agencies.

No commission charge. See us for full information.
