## District 4-H Girls' Camp Underway at City Park

The annual district 7 girls' 4-H leaders' training encampment opened at city park Wednesday morning with 12 county home demonstration agents, one adult leader, and three 4-H girls from each county registered.

The object of the three-day encampment is to give training to the leaders in each county so they may make preparations for the county 4-H encampments.

Wednesday morning was spent in setting up camp units and making lug poles with which to use for cooking purposes. Lunch was prepared at noon, and for the evening program the group was divided into two units. One unit prepared the meal and the other presented a program. The theme of yesterday's program was "An Indian Council." The meal consisted of hunter's stew, salad, and apple pie baked in reflector ovens, and the program was an Indian council around the campfire.

After breakfast and the clean-up today the group will fish, hike, do nature study and handicraft. Today's program will feature the round-up, which will include a chuck wagon dinner around the campfire, with guests included.

Individual activities will continue through tomorrow (Friday) morning. Displays of handicraft and wood lashing will be shown; nature studies and food preparation will be discussed; each county

representative will make a resume of the three-day activities; and judging will take place.

Miss Dorothy Brightwell, A. & M. College extension service recreation specialist; Miss Thelma Casey, district 7 agent; and the following county agents are in attendance: Mrs. Evelyn W. Scott, Callahan; Miss Vernema Freeman, Coke; Miss Mary Jo Garland, Coleman; Mrs. Annie J. Bradshaw, Concho; Miss Loretta Allen, Jones; Miss Doris G. Newman, McCulloch; Miss Dorothy Hicks, Menard; Mrs. Mary Drummond, Mitchell; Miss Irene Gromatzky, Nolan; Miss Chenoweth, Runnels; Miss Annie L. Lane, and Miss Mary Ann Egan, assistant; Taylor; Miss Hazel McCoy, Tom Green.

After the farewell lunch tomorrow the encampment will be concluded.

Miss Chenoweth was assisted by other home demonstration agents in making preparations for this gathering, the first of its kind to be held. It was stated by Miss Casey that the reason for holding it at the Ballinger park was because it was so beautiful and clean, and because the caretaker, Mr. Falls, was so cooperative.

Those representing Runnels county 4-H girls' clubs with Miss Chenoweth are Mrs. W. H. Curtis, of Miles; Nancy Hester, Miles 4-H club; Dorothy McShan, Bethel 4-H club; and Margaret Minzenmayer, Shamrock 4-H club.

Veterans in the Legion Hospital at Kerrville are shown making poppies for the annual Memorial Day sale by units of the American Legion and Auxiliary. Popy sales are held on this date in every town and city throughout the United States.

## Memorial Day Poppy Sale To Be Held Here Saturday

Saturday will be Poppy Day in Ballinger. Members of the American Legion Auxiliary will conduct the annual Memorial Day sale of the little flowers, assisted by a large number of girls.

The sale will be conducted in the usual manner, a booth being set up on Hutchings Avenue and sales girls working every section of the city. The small flower will sell for not less than 10 cents but larger amounts will be accepted by those who wish to contribute more to this worthy cause.

The poppies are made by veterans in hospitals and they receive a small sum for this work. It is a part of their treatment as well as providing a means of making needed income.

Workers who will be on the streets Saturday to help in the annual sale include the following:

At the booth at various hours—Mmes. Troy Simpson, Jack Nixon, Jr., Delbert Vancil, Tom Agnew, K. V. Northington, O. C. Sykes, W. B. Woody, C. W. Cheatham, Sim Cottle, Robert Bruce.

Group 9 to 11 a. m.—Mmes. Price Middleton, Wilson Middleton, Jack Scales, Sam Malone, Jr., J. G. Tuckey, James Parrish, H. G. Agnew, Murrell Landreth; Miss Wayne Byler.

Group 11 a. m. to 1 p. m.—Mary Jo Forman, Joan Wood, Gale Hays, Deanie Rountree, Catherine Hays, Mary Neill, Ruth Ann Erwin, Mary Beth Amarine.

Group 1 to 3 p. m.—Cynthia Tuckey, Grace Ann Bryan, Martha James, Betty Middleton, Janie Morrison, Eva Jo Flynn, Sallyne McGahey, Peggy Fox.

Group 3 to 5 p. m.—Betty Sue Cloninger, Dian Tuckey, Joyce Hite, Nanel McGahey, Margaret Hampton, Tookie Wade, Theresa Elkins, Carol Ann Bailey.

Group 5 to 7 p. m.—Sally Bailey, Ginger Gurley, Arlene Wessels, Joann Watkins, Elaine Gressett, Anne Stasney, Sue Ann Jacob, Patsy Minzenmeyer.

## 2,000 People Watch Speed Boat Races On Lake Ballinger

The first speed boat races held at Lake Ballinger on Valley Creek Sunday afternoon drew a crowd estimated at 2,000 people. Traffic to the lake on the designated route was dense most of the afternoon and parking space on the west side of the lake, nearest the racing course, was at a premium.

The first meeting of speed boat drivers of this section of West Texas was sponsored by the Ballinger Sportsman's Club and the members did a good job in advertising the program and in handling the crowd.

Ballinger drivers won their share of first places in the various events but San Angelo men dominated the winnings. More than 40 boats and drivers entered the races which were arranged in heats by horsepower.

Races got underway promptly at 2 p. m. with about six boats entered in each heat. Results were:

First race—7 and 7½ HP, first heat, time 6 minutes 33 seconds, first Johnny Key, San Angelo; second, Hugh Harris, San Angelo; third, Spec Jones, San Angelo. Second heat: time 6:03; first, Johnny Key, San Angelo; second, Edlington, Abilene; third, B. M. Batts, Ballinger.

Eight to 10 HP, first heat: time 6:07; first, Allen Yaw, Abilene; second, Johnny Key, San Angelo; third, James Wilkinson, San Angelo. Second heat: time 6:11; first, Allen Yaw, Abilene; second, James Wilkinson, San Angelo; third, Bud Akins, San Angelo.

First heat 10 to 12 HP, time 5:29; first, W. O. Middleton, Ballinger; second, Ronnie Wilkinson, San Angelo; third, Bud Akins, San Angelo. Second heat, time 5:21; first, Oriand Middleton, Ballinger; second, Ronnie Wilkinson, San Angelo; third, Bill Bradley, San Angelo.

First heat, 16 HP, time 5:17; first, Oriand Middleton, Ballinger; second, Ronnie Wilkinson, San Angelo; third, K. R. Crowe, Winters. Second heat, time 5:25; first, W. O. Middleton, Ballinger; second, Bud Akins, San Angelo; third, K. R. Crowe, Winters.

First heat, 22 HP, time 5:34; first, A. L. Jones, Paducah; second, Laurence Green, Ballinger; third, W. R. Gray, Jr., Ballinger. Second heat: time 5:45; first, Laurence Green, Ballinger; second, W. R. Gray, Jr., Ballinger; third, A. L. Jones, Paducah.

## O. L. PARISH, JR. RECEIVES LICENSE TO PRACTICE LAW

O. L. Parish, Jr. received his license to practice law Tuesday from the U. S. supreme court. He received his degree in law in February at the University of Texas and later took the bar examination. He received notice Tuesday that he had passed and a license had been issued.

This morning, his father, District Judge O. L. Parish, administered the oath, making the son a full qualified lawyer and prepared to practice.

For some time Mr. Parish has been working with Drury P. Hathaway in the Bennett Abstract Co. office.

## Cotton Specialists Will Meet Farmers Of County Tuesday

Cotton farmers of Runnels county are urged to attend one of two meetings to be held next Tuesday, May 31. The first meeting will be held at the Queen Theatre in Winters at 10 a. m. The second will be in the district court room of the court house, Ballinger, on the same day at 2 p. m.

Three cotton specialists will be in the county to give farmers the latest information on the use of insecticides and other helpful hints. The specialists will present their data with the use of colored picture slides.

Those to take part in the meetings are: Fred Elliott, cotton specialist, A. & M. extension service; A. C. Gunter, insect specialist, extension service; and F. E. Lichte, specialists on better ginning.

These specialists believe that with plenty of moisture in this section a fight against insects may mean the difference between a bumper crop and lower production. They will give new treatments for various insecticides and will also answer any questions farmers ask at the two meetings.

## Drilling is Underway On Several Oil Tests; New Locations Made

Information remained tight this week on most of the oil tests in this immediate vicinity, but several crews are making hole near production depths.

The depth of the British-American-E. C. Pape was not known this morning but drilling is near expected pay.

Drilling is continuing on Pan-American No. 1-Bradley, slightly east of the Hugh Campbell No. 1. Operations have been underway in geological tours for two weeks.

Geochemical No. 1-Schwertner is down to around 4,000 feet or more and a drillstem test was taken this week.

Good progress is being made on two wells being drilled by George W. Strake on the B. A. Jacob place near Winters, and another on the J. D. Smith farm is below 5,000 feet.

Al P. Groebi has staked the location for the No. 2-J. C. Beddo and work has begun.

H. G. Spiller and Roy L. Crawford have made a location on the Ernst farm, four miles west of Winters, for a wildcat. Contract depth is 5,200 feet, and rotary equipment is to be used.

A number of other wells are due to be started in the county within a short time and several blocks are being formed.

## HIGH WIND AND RAIN DO SOME CROP DAMAGE

Rain, high wind and an electrical storm struck this vicinity Wednesday night, the rainfall at Ballinger totalling 1.10 inches on the official gauge and most commercial gauges measuring about 1.30 inches.

While no thorough check could be made on crop damage from the sudden storm, it is believed that most of the small grain will straighten up and can be handled by combines if there is no further damage.

Many crops were pretty well blown down by the wind but are not flat on the ground. Reports from all parts of the county were not in this morning as most rural telephone lines were out of order.

## BALLINGER WOMEN LAND 43-POUND YELLOW CAT

Mr. and Mrs. Lee Evans and Mrs. John Loveliss fished on the Concho River Monday, and had very good luck, catching a large number of nice fish.

Mrs. Loveliss, using a cane pole and a small line, caught a 43-pound yellow catfish. She hooked the fish in deep water and when she saw she could not land it over the bank, dragged it to a nearby shoal, where with the help of Mrs. Evans, landed the big fellow. After getting it in shallow water, Mrs. Evans waded to the fish and the two women held it while a stronger line was tied to the fish, then they pulled it up the bank. The fish was weighed at the Broadway Food Market when the party arrived in town and the scales indicator stood at 43 pounds.

Dr. and Mrs. J. D. Eoff will accompany their daughter, Miss Bobby Marie Eoff, to Alpine next week. Miss Eoff will be assistant counselor at the Mite Peak Girl Scout camp near Alpine during June and July.

## 6,201 is Legal Population Of City Set by Commission

The Ballinger city commission held a mass meeting Saturday morning to legally establish the city's population. Two representatives each of the West Texas Utilities Co., the Lone Star Gas Co. and the city water department presented statements of meters in service by each utility.

Estimating on the national figures for meter connections, the population was legally established as 6,201. Citizens attending the meeting offered no protest and the commission accepted the figures as legal.

Representatives of the three utilities providing the information on meter connections, said their figures were very conservative, some believing the population by actual count might be as high as 7,000. It was estimated that

approximately 200 new residences had been constructed within the corporate limits since 1940.

It was necessary for the commission to establish a legal population in order to make any change in the tax structure. Tax rates which exceed \$1.50 on the \$100 can only be set in towns having more than 5,000 inhabitants.

An official census will be taken in the United States next year. The 1940 census, taken before the war, is obsolete and inaccurate in practically every city after the big shift in population during the war years. Ballinger is no exception and the increase here in the past nine years has been large. This is proven in the large number of new meter installations by all local utilities.

## Wheat Harvest in Zone To Begin May 24-June 5

The first report on wheat in this part of the state, issued by the Texas employment commission, indicates that the harvest will start in Runnels county about May 27. The bulletin also indicates that no outside equipment or labor will be needed to handle the crop, at least at the beginning of the harvest.

A representative of the commission has been located at Ballinger to assist in organizing local unemployed to assist in the harvest. He has offices with the Ballinger Chamber of Commerce and will be glad to know what farmers will need in the way of labor and the approximate dates wheat and oats harvesting will get underway.

Counties represented in the recent survey include: Baylor, Coleman, Foard, Hardeman, Haskell, Knox, Runnels and Wichita. This section has not been damaged by storms or hail and heavy production is expected unless damage is sustained between now and the time of harvest. Representatives of the employment commission have been located in each county to assist in labor problems.

Milton C. Pressley, TEC agent in Ballinger, stated this week that if labor needs could not be met with local workers, others would be brought here. The report indicates that the harvest season in all sections of Texas will get underway between May 24 and June 10.

Daily morning refreshments, served at 10:30, have been furnished by local firms. Nose-bag lunches are served at noon on Wednesday the Brownie troops had cook-outs and today the intermediate troop will have a cook-out.

Camp activities consist of flag ceremonies, sing-songs, games, folk dancing, nature study, health and safety talks, handicraft, planning and preparing meals, and a track meet between units of similar ages.

Tomorrow at 4 p. m. there will be an assembly period at which all groups will receive assignments for the night program. At 6:00 p. m. the units will join for the evening meal and the capers program.

Mrs. W. O. Parks is the general chair for the events on tomorrow evening's program. Mrs. Loyd Herring will be in charge of the flag ceremony at 7:00 p. m. and at 8:00 p. m. Miss Laverne Dankworth will direct the starlight campfire program which is to be concluded by group singing led by Mrs. Troy Simpson.

Leaders express appreciation to Dairygold, Banner and Gandy creameries for milk served during the day and for ice cream each afternoon.

Fort Worth business and professional men were in Ballinger Tuesday afternoon from 4:30 to 5:30 for a visit with local people. While here they were greeted by members of the Ballinger Chamber of Commerce and served coffee at the Malone Drug Store.

Most of the visitors spent their time calling on local business men in the interest of their wholesale houses at Fort Worth. The group, travelling in chartered busses, spent the night at San Angelo on the first day of their four-day swing through West Texas.

Mr. and Mrs. E. O. Schawe, of Parks, Nebraska, are here for a visit with Mr. Schawe's mother and sister, Mrs. A. Schawe and Miss Olga Schawe. W. A. Schawe, of Waco, also was a recent visitor in Ballinger.

The first report on wheat in this part of the state, issued by the Texas employment commission, indicates that the harvest will start in Runnels county about May 27. The bulletin also indicates that no outside equipment or labor will be needed to handle the crop, at least at the beginning of the harvest.

A representative of the commission has been located at Ballinger to assist in organizing local unemployed to assist in the harvest. He has offices with the Ballinger Chamber of Commerce and will be glad to know what farmers will need in the way of labor and the approximate dates wheat and oats harvesting will get underway.

Counties represented in the recent survey include: Baylor, Coleman, Foard, Hardeman, Haskell, Knox, Runnels and Wichita. This section has not been damaged by storms or hail and heavy production is expected unless damage is sustained between now and the time of harvest. Representatives of the employment commission have been located in each county to assist in labor problems.

Milton C. Pressley, TEC agent in Ballinger, stated this week that if labor needs could not be met with local workers, others would be brought here. The report indicates that the harvest season in all sections of Texas will get underway between May 24 and June 10.

## Legionnaires Plan To Open Club Soon; Work Night Slated

Members of the Ballinger American Legion post and Auxiliary met Tuesday night at the club house in Bruce Field for a barbecue dinner followed by separate business sessions. Action was taken on a number of items.

Legionnaires voted to complete the post home at once, leaving it at the field for the time being. Committees were named to secure furniture and other equipment necessary for club purposes and no time will be lost in getting the building in condition for a formal opening and regular use.

Next Tuesday was set as a work night when at least 50 members are expected to report at the club house by 5 p. m. and start a general clean up and painting campaign. Crews will paint the outside of the building, cut grass, police up, repair the interior, and put all kitchen equipment in condition.

The Auxiliary will have one room in the building and will look after the furnishings, draperies and other requirements.

Post Commander R. E. Bruce said every member of the post is urged to attend the work night next Tuesday. Work will start at 5:00 p. m. and a barbecue dinner will be ready at 7:00 p. m. After the meal more work will be done and refreshments will be served at 10:00 p. m.

Those who intend to work are asked to bring tools. Plenty of rags, brooms, brushes, hammers and other tools that can be used in cleaning and repairing the building will be needed. A total of 26 men promised at the meeting this week to be on the job next Tuesday evening.

Mrs. L. B. Hiner, of Fort Worth, came in Wednesday to visit Mr. and Mrs. M. E. McClenny and granddaughter, Carolyn McClenny.

## Two Odessa Youths Draw Pen Sentences On Robbery Charges

All cases set for trial in 119th district court here were continued Monday and Judge O. L. Parish excused the jury venire, stating that it would not be called back until farmers caught up with their work. Most of those called asked to be excused, giving pressing farm work as the reason.

After the jurors were dismissed Lester and John Bradley, of Odessa, entered pleas of guilty to charges of armed robbery. Evidence in the cases against the two brothers was presented before Judge Parish. They were arrested following the robbery of the E. C. Tinsley Grocery & Market on the night of March 19.

Lester Bradley, 21, was assessed a penitentiary sentence of ten years and John Bradley, 19, was given eight years.

Sheriff Don Atkins stated that officers in at least two other counties have asked for the defendants after the trial here ended. Brenham officers were expected here to take the two youths to that city to stand trial.

Anne Stasney will leave Friday for Houston and Beaumont, where she will visit two weeks.

## Cat Management Seeking Players For Winning Club

Directors of the Ballinger Baseball Association announced Tuesday that they were looking for players and would give the fans a winning club either by buying proven men or securing them on option.

Several contacts were made by telephone Tuesday and within a very short time a number of new players are expected to be en route here to strengthen the club. Three new players arrived the first of the week and are being given a look.

Deals are now pending which will give the Cats the necessary punch to start the climb for a first division place. Every effort has been made to provide a team owned by the local association, but option players will be obtained soon in order to stop losses.

The directors ask that the fans hold on and be loyal in support of the team until a winning combination can get underway.

## Business Census Scheduled Here, Starting Monday

Ballinger firm managers will be called on within the next few days for data to be included in the 1949 business census. W. L. Ray Wellburne, assistant district supervisor, was here Tuesday to make arrangements for the short survey.

Mrs. Jim Mac Wright, who will be the enumerator in Ballinger, has been schooled in the work and provided with supplies.

It has been approximately ten years since the last business census and during that period many changes have been made. It is pointed out that business needs new and up-to-date information upon which to make decisions, plan operations, set quotas, locate facilities, design products, plan advertising and find markets.

There is nothing complicated about the enumeration. Information comprised in reports will be strictly confidential and no business manager need hesitate to answer all the questions asked.

Cooperation with Mrs. Mac Wright will be appreciated so that the work can be completed in short order.

### Six Hostesses at Gift Tea Honoring Miss Boswell

Miss Joyce Boswell, bride-elect of Coy B. Calvert, of San Angelo, was honored last Thursday evening when Mmes. Elmo Harrah, Clarence Richards, Jr., John Wessels, Glenn Morrison, Clyde Gabbert and Fred Mapes were hostesses at a pretty tea in the dining room at the Central Hotel, including about seventy-five friends of the honoree between 6:30 and 8:30 o'clock.

The bride's chosen colors, yellow, green and white, were given attractive emphasis in all details with summer blossoms being used to decorate the entire dining room where Mrs. Gabbert extended welcome and presented Miss Boswell and her mother, Mrs. Ruel Boswell; Mrs. O. D. Calvert, mother of the bridegroom-to-be; and Mrs. Mapes.

The tea table, laid in lace, was centered with an arrangement of white blossoms flanked by tall white candles burning in two-point crystal candelabra. A blooming gardenia plant decorated the piano.

Mrs. Harrel presided at the punch bowl and Mrs. Richards served cake squares and mints. Mrs. Wessels assisted in serving.

Miss Jean McAden registered guests in the bride's book and gifts were displayed by Mrs. Morrison. A musical program was given by a girls' quartet composed of Mary Harrah, Anita Wade, Deanie Roundtree and Wanda Richards, and Gale Hays played accompaniments.

### Miss Marilyn Jones Becomes Bride of Cpl. Richard Ash

The Church of God on Strong Avenue was the scene of a candle-light wedding service at six-thirty o'clock Wednesday of last week when Miss Marilyn Jones, daughter of Mr. and Mrs. D. C. Jones, of San Angelo, became the bride of Corporal Richard Ash, of Las Vegas, Nevada, son of Mr. and Mrs. C. L. Ash, of Pontonac, Illinois.

The Rev. J. H. Shell, pastor, was officiating ceremony read before an assembly of relatives and friends.

Baskets of roses and mock orange blossoms stood before a background of greenery which was flanked by white tapers in seven-branched candelabra.

Miss Lillian Bounds was at the piano for the pre-nuptial music and to accompany Miss Joyce McCortin, who sang "Because," and "Always." She also played the traditional wedding marches. As candles were lighted by Lidel

Paschal, wearing an aqua crepe dress, Miss Bounds softly played a love medley.

Miss Almada Bounds was maid of honor and Miss Winnie Mae Kolb was bridesmaid. Miss Bounds wore a frock of pink net over pink taffeta with a corsage of pink roses. Miss Kolb wore pink crepe with a white carnation corsage.

Cpl. A. M. Long, of Las Vegas, attended the bridegroom as best man, and Sgt. William G. Cossey, of Goodfellow Field, San Angelo, was groomsmen, and Harley Kelsor was usher.

The bride, given in marriage by her father, wore a gown of light blue taffeta designed with a tight bodice with a low round neckline outlined with a bias berth. The floor-length skirt was bouffant style. The fingertip veil of illusion was caught to a cap of lace, and her only ornament was a double strand of pearls. She carried a colonial bouquet fashioned with sweet peas in pastel tones combined with queen anne's lace.

Mrs. Ash attended Abilene High School, and Cpl. Ash attended Victory School at Niota, Illinois, before going into the Air Corps, in which he served two and a half years, eight months of which was spent in Germany. He re-enlisted and is now stationed at the Las Vegas Air Field.

After a short wedding trip the couple will be at home in Las Vegas.

### Slumber Party for Graduates in Bryan Home

Grace Ann Bryan and Janie Morrison were hostesses at a slumber party following the graduating exercises last Thursday evening in the W. C. Bryan home on Seventh Street.

A midnight supper was served by Mrs. Bryan. After a swim in the Country Club lake Friday morning they returned to the Bryan home for breakfast.

Others present were: Sallyne McGahey, Betty Middleton, Arlene Miller, Cynthia Tuckey, Peggy Fox, Joan Chapman and Eva Jo Flynt.

### Dinner for Contract Club

As a compliment to the winners of a contest in which the Contract Club members participated, the losers, Mmes. George Newby, W. C. Bryan, J. H. Endacott, John

Castor; Misses Pearl Currie and Ollie Chenoweth, were hostesses to the winners, Mmes. John Barton, Marie Carter, Naomi Keithley, Sim Cottle; Misses Mary Jane Kiechle and Lillian Keithley; and a guest, Mrs. Edward Sommer.

A two-course dinner was served at linen-laid tables in the dining room of the Central Hotel. Table decorations were arrangements of nasturtiums, carnation pinks, sweet peas and delphinium blossoms.

Games of contract followed in which Mrs. Barton won high score prize, and the bingo award went to Mrs. Keithley.

### ROWENA FARMER WINS PRIZE AND PUBLICITY

The ingenuity of Harvey Gully, Rowena farmer, in devising a hand-made sweep stand has won him wide recognition in the agricultural world and an award from the Continental Oil Co. The company has presented Mr. Gully with a Henry Diston hand saw for his "handy farm idea" and is publicizing the device in the June issues of Farm & Ranch, Progressive Farmer and Capper's Farmer as well as eleven other farm journals of the country with a readership of more than eight million. The Rowena man developed the sweep stand from a lug wheel of a row binder, an automobile tire rim, angle iron and reinforcement rods.

## Texas Farm Co-ops Pay Loans in Full

COLLEGE STATION, May 25.—Last year farm business was good as far as the farm cooperatives were concerned. So good, in fact, that 53 Texas farm cooperatives paid back their loans in full to the Houston Bank for Cooperatives.

Many others made pretty good sized payments to reduce their

debts to the bank, says M. C. Jaynes, extension specialist in organization and marketing of Texas A. & M. College.

During 1948, the Houston bank lent more than 28 million dollars to 173 farmers' cooperatives serving 114 thousand farm and ranch families. These associations are set up to perform a variety of off-the-farm services which only a few farmers can provide for themselves.

For example, says Jaynes, farmers use their cooperatives to gin their cotton, handle and market grain, rice, fruit, vegetables, livestock, poultry and dairy products, to crush and market cottonseed, manufacture feed and buy supplies needed on the modern mechanized farm.

Eighty-nine new cooperatives were chartered last year. More than 95 per cent of the 1,100 active cooperatives in the state serve local groups of around 200 farmers each.

The Ballinger Cats will return home tomorrow (Friday) night to meet the Sweetwater Swatters in a three-game series. This is the first appearance here of the Sweetwater club this year and game time is 8:15. The Swatters will be here Saturday night and Sunday afternoon, after which the Cats will take to the road for their first two games at Vernon.

Players are coming and going here. A new pitcher, Culp, showed up in the Ballinger line-up Sunday and went good for several innings before getting into trouble and being relieved by another moundman.

Two men reported here Sunday and were taken to Sweetwater Monday afternoon to join the Ballinger club. They are Rocco Marchione, a right-handed pitcher, and Albert Vianello, a catcher, who bats and throws right. Both have been with the Fargo-Moosehead team in the Northern League, a class C loop.

Pitcher Ed Norton continued his hard luck streak at Sweetwater Saturday night. With no earned runs charged against him he gave way to a relief hurler, with the count against the Cats 6-3. Big Ed has given up few earned runs this season but miscues have hurt his record and the club has been unable to hit behind him.

In the last two home games against the Odessa Oilers Ballinger fans supported the team the best so far for the season and the Cats came through with two

victories. The youngster on the diamond appreciates the full support of the fans and in most instances plays a little harder to win.

The protest filed in the game here last Saturday night by Al Monchak, manager of the Odessa Oilers, did not stand up and the contest will remain as a win for the locals by the score of 5 to 4. This year each protest to the league authorities must be accompanied by a check for \$25. If the protest is not granted, the money is kept by the league. If the claim is allowed the check is returned and the game ordered played over from the point of protest.

### Bearcats Conquer Ranger High Nine By Score of 9 to 3

The Ballinger Bearcats will meet the Hamlin team at Hamlin tomorrow (Friday) afternoon to decide the championship in high school baseball for this region. The Bearcats won their right to take part in the finals by defeating the Ranger team here Saturday afternoon by the score of 9 to 3.

Coach Douglas Cox fought an uphill battle to field a team against the Ranger nine. Four of his mainstays were out with illness, three with mumps and one with a finger injury, and a fifth left town when school closed. Jimmy Davenport, ace hurler for the Bearcats, was a star of

the game, going the full route for the Bearcats and limiting the visitors to 8 hits and three runs while striking out 11 men in the seven innings. He also hit a couple of two-base blows to push across Ballinger scores. Walter Hill, first-baseman for the Bearcats, was shifted to catching duties Saturday and came through in a fine way. He was at bat four times to hit three safely, one a triple and another good for two bases. His blows accounted for four Ballinger runs. Jimmy Endacott at shortstop had a perfect day with three hits out of three trips to the plate. Neill at third base also hit three for three.

Score by innings:

	R	H	E
Ranger	101	010	0-3 8 1
Ballinger	501	102	-9 12 4

Batteries: for Ranger, Wheat and Robinson; for Ballinger, Davenport and Hill.

### GUARD COMMANDER ASKS MEN BE ALLOWED TIME OFF FOR SUMMER CAMP

Capt. Ray Key, commander of company I, 142nd Infantry, is urging that all employers of members of the local unit give the men time off to attend the annual national guard camp, to be held June 5 through 19. The 36th division will assemble at Camp Hood for maneuvers and all company commanders have been told to bring as many men as possible. A total of 10,500 from 215 units are expected.

A complete schedule has been set up and each day will start with first call at 5:20 a. m. and end with taps at 11 p. m. The training will include overnight marches and bivouac. Gov. Beauford Jester will review the division on June 11. Typewriter ribbons at The Ledger office.

## We Honor Our Heroes

Memorial Day, unlike most holidays, is not for joyous celebration. It is an occasion on which to honor those who made the supreme sacrifice on many fields of battle.

Here at home our heroes will be honored with fitting ceremonies. Flowers and flags will also be placed on graves of many who sleep far beyond their native shores. Great was their service—and great is our gratitude for what they did to preserve American ideals.

If we observe the day with due reverence and reflection, we shall be spiritually uplifted, and our faith in the future of our great country will be renewed.

**Morgan-Morgan Nuptials Held In Twilight Church Service**

In a beautiful formal twilight service at seven-thirty o'clock Saturday evening in the First Baptist Church, Miss Gwendolyn Pauline Morgan, only daughter of Mr. and Mrs. Malcolm Morgan, became the bride of Hilton E. Morgan, of New Athens, Illinois.

The Rev. B. J. Martin, church pastor, read the double ring service as the bridal party was grouped before an archway of huckleberry greenery and background of ferns. White maroon daisies were arranged in baskets about the altar.

The church was lighted from cathedral tapers in seven-branched floor candelabra. White satin bows with clusters of daisies and greenery marked the pews for families and friends.

Given in marriage by her father, the bride wore a traditional gown of heavy bridal satin in pearl shade created with a close fitted bodice styled with a high round neckline yoke of net, outlined with two bias folds. Long fitted sleeves tapered to petal points over her hands and fastened with small covered buttons, matching buttons down the back of the dress. The circular skirt swept into a full train.

The bride's full-length veil of illusion, which had been worn by a friend, Mrs. John Slaughter of Waco, was caught to a tiara of pearls. She carried a white orchid with stephanotis shower atop a white Bible, a gift of the bridegroom. For the traditional "something old," the bride wore a lavaliere which had belonged to the bridegroom's mother.

Miss Nancy Conner of Commerce was maid of honor; and Miss Doris Jones of Corpus Christi, the bride's roommate at Baylor University, and Miss Elizabeth Wear, also a student at Baylor University, were bridesmaids. The junior bridesmaid was Margaret Ann Adair. Their frocks were made on identical lines, with fitted pointed basque and very full skirts of net over tulle. The off-the-shoulder neckline was marked by bias folds of self material attached to a net yoke. Their headbands of daisies were in pastel tones matching their frocks. Miss Conner wore blue, Misses Jones, Wear, and Margaret Ann Adair wore canary yellow. The candlelighters, Jo Ann Blackmon and Jeannie Lawless of Abilene, wore identical dresses of pink tulle with pink daisy headbands. All the bride's attendants carried colonial nosegays of daisies in pastel shades to con-

trast in color with their dresses, and wore white net mitts.

John Slaughter, of Waco, served as best man, and ushers were Stinson Worley of Dallas, Herbert Richards of Waco, Everett James Grindstaff, all students of Baylor.

Mrs. Charles Hambrick, organist, gave the wedding music. For the pre-nuptial program she played "Serenade," by Schubert; "My Heart at Thy Sweet Voice," by Saint-Saens; "Nocturne," by Chopin; and as the candles were lighted she played Grieg's "I Love Thee." During the nuptials, Mrs. Hambrick softly played Schumann's "Traumerl." She was also accompanist for Walter Scott, of El Paso, who sang "Because," and for Miss Rosemary Bruce, who sang "With This Ring, I Thee Wed." She also played the traditional wedding marches, and accompanied Miss Bruce when she sang "The Wedding Prayer."

The bride's mother chose an orchid tulle dress with long tulle mitts of the same material, and a flower hat. Her corsage was a pink and white orchid.

The wedding reception which immediately followed the ceremony, Mr. and Mrs. Morgan were hosts in their Sixth Street home. Lovely summer flowers in the bride's chosen colors, white, blue, yellow and pink tones were used to decorate reception rooms where they were assisted in receiving by the bridegroom and their wedding party.

The bridal colors were featured in appointments for the bride's table. A note of blue was introduced by the blue net cloth styled with floor-tipping ruffle over blue satin. Bows of yellow tulle and the attendants' nosegays placed at intervals, and white candles in crystal candelabra added color to the table. Presiding at the double-ring wedding cake decorated with pink florals and topped with a miniature bridal couple, was Mrs. John Slaughter of Waco; and Mrs. Douglas Cox laded punch. Others assisting in serving were Misses Carol Canady, Carolyn Dublin and Marty Allen, all students at Baylor; and Mrs. Clay Jackson, of San Angelo. Other table appointments were white napkins which bore the names, "Tony-Gwen," along with a bridal couple design.

Misses Charlotte Miller registered guests in the bride's book. Others assisting in the house party were Misses Cal Adair, Joe Flynn, J. G. Tuckey, Chester Cherry, Misses Eva Jo Flynn, and Jessie Lou Golden of Murray. Mrs. Earl Cope, pianist, gave a

program of love medleys. For the wedding trip to Mid-Western states, Mrs. Morgan wore a white gabardine suit with tiny buttons trimming the flare back, a light blue blouse and bag, and other accessories were navy blue. Her corsage was an orchid.

Mrs. Morgan is a graduate of Ballinger High School and received her degree from Baylor University in March. She was a drama and education major, and English and radio minor, also a member of Kappa Delta Phi, Alpha Chi, and Baylor Theatre. Mr. Morgan served two years in the Air Corps after graduating from New Athens High School. He attended the University of Southern Illinois before entering Baylor University, where he graduated this spring. He is an English major, a member of the German Club, and radio workshop. He will begin work on a master's in business upon their return from the wedding trip. The couple will be at home in Waco.

Other out-of-town wedding guests were Mr. and Mrs. E. F. Lawless, of Abilene; Mr. and Mrs. O. L. Golden, of Murray; and Mr. and Mrs. Rothal O'Kelly, of Sweetwater.

**First Presbyterian Auxiliary Has Birthday Celebration**

In the absence of Mrs. Q. V. Miller, secretary of foreign missions, Mrs. Harry Lynn was director for the annual birthday celebration program of the First Presbyterian Auxiliary given in the church parlors Monday afternoon.

Mrs. Frank Pearce presided for business preceding the program which had for its theme, "Committed Afresh." Mrs. Leonard Stallings brought the devotional, and others assisting were Mrs. Jerry Hampton, Mrs. J. R. Whitaker, Mrs. Larry Gilbert, Mrs. Loyd Herring and Miss Charlotte Miller. At the conclusion an offering was made for missions in Brazil and the American Bible

Society. At the social hour Mrs. Chester Cherry and Mrs. Warren Lynn were hostesses in the parlors which were beautifully decorated with sweetpeas and nasturtiums. The linen laid tea table was centered with the pretty white birthday cake decorated with green and yellow florals which Mrs. Gilbert served, and Mrs. Pearce laded punch. Plate corsages were nasturtiums.

Others present were: Misses Ernest Cezaux, John Gulon, A. V. Hargis, W. O. Middleton, L. J. Campbell, K. V. Northington, Loyd Johnson, R. T. Trail, E. S. Price, Jr., Joel Bates, Estes Lynn, Alex McGregor, J. M. Pyburn, Lela McAdams, Alex Saunders, Paul

### Bette Davis vs. Bob Montgomery In Hilarious Film, 'June Bride'

In "June Bride," Warner Bros. hilarious comedy, which stars Bette Davis and Robert Montgomery, the "first lady of the screen" indulges in her first light-hearted role in almost eight years. "June Bride" is to be shown at the Texas Theatre Sunday and Monday, May 29, 30, is, in fact, only the fourth comedy role Bette has played in 57 motion pictures. Her other comedies were "The Man Who Came to Dinner," "It's Love I'm After," and "The Bride Came C.O.D."

This is the first time that Bette and Montgomery have appeared together on the screen. Bette's role in "June Bride" is that of an editor of a magazine which specializes in the American home point of view. Montgomery plays the part of a former foreign correspondent, famous, cynical and world-weary. Bretaigne Windust, one of Broadway's most distinguished directors, directed "June Bride." He chose his cast carefully, selecting Fay Bainter, Betty Lynn and Tom Tully for featured supporting assignments. Others who stand out in the cast include: Mary Wickes, Raymond Roe, Barbara Bates, Ray Montgomery and Jerome Cowan. "June Bride" is laid in Indiana, and tells the amusing story of a group of New York magazine people who practically invade the community to get a story for their June issue. Ticks cause the same damage to the calf as hornflies and lice. A mixture of two pounds of 50 per cent wettable DDT and one pound of 6 per cent gamma BHC in 25 gallons of water will effect control of livestock pests.

### Jamboree Stars Ernest Tubb and Others; Bogart Hero of Thrill-Jammed 'Sahara'

"Jamboree," featuring Ernest Tubb and other famous air and recording artists, and Humphrey Bogart's starrer, "Sahara," make up the double-feature program at the Palace Theatre Tuesday, Wednesday and Thursday, May 31 through June 2. When a fast-thinking, resourceful agent for a band wants his clients to get a coveted spot on a new airshow, and the show's sponsor has ideas of his own, the agent's campaign is apt to be a bit spectacular. In Republic's gay musical comedy re-release, "Jamboree," a series of hilarious episodes are skillfully interwoven with music, furnishing an evening of riotous entertainment. The picture brings a variety of music, western swing and mountain melody. Besides Tubb and his Texas Troubadours there are

Freddie Fisher and his famous Schickelfritz band, and the easy-to-look-at Music Males, who turn out with fast tunes or drop into the sweet numbers. In the player cast are Isabel Randolph ("Mrs. Uppington"), Shirley Mitchell, Don Wilson, Rufe Davis, George "Shug" Fisher, and pretty Ruth Terry, who sings and carries the leading feminine role of the film. Playing opposite is George Byron, handsome young romantic lead. Many new tunes are featured, including two written by Tubb. "Sahara," exciting saga of a momentous few days in the North African campaign of the last war, which provided Humphrey Bogart with one of his most colorful roles, also features Bruce Bennett, Rex Ingram, J. Carol Nalish, Lloyd Bridges, Dan Duryea and Kurt Krueger.

### Famous Story, 'Little Women' At Ford Beginning Saturday

"Little Women," to be shown at the Ford Theatre Saturday, Sunday, Monday and Tuesday, May 28, 29, 30, 31, is M-G-M's star-studded Technicolor filmization of the celebrated novel by Louisa May Olcott, one of the most widely-read stories in the world. Louisa May Olcott was born on November 29, 1832 in Philadelphia. Her birth coincided with the 33rd birthday of her father, Amos Bronson Olcott, a teacher, philosopher and social reformer. His views regarding education (for example, that girls were as deserving of higher education as boys) were so ahead of his time that he had difficulty keeping a position. Louisa, to augment the family income, worked as governess, seamstress and companion to invalids. In the Civil War she put this practical nursing experience to good use and tended wounded in army hospitals until her health broke down under the strain. When she found it necessary to find less strenuous work, she became a writer. She wrote about persons she knew best, the members of her family, with such understanding that the whole world recognized them as kin. For the result was "Little Women," which became an immediate best-seller and a monumental portrait of life in the 1860s.

In M-G-M's film version June Allyson is cast as Jo, Peter Lawford as Laurie, Margaret O'Brien as Beth, Elizabeth Taylor as Amy, and Janet Leigh as Meg. The Italian film star, Rossano Brazzi, makes his American screen debut in the role of Prof. Bhaer. Mary Astor is seen as Marmee, Lucille Watson as Aunt March, Sir C. Aubrey Smith as Mr. Laurence, Elizabeth Patterson as Hannah, Leon Ames as Mr. March, Harry Davenport as Dr. Barnes, and Richard Stapley as John Brooke.

Commercial broiler production where 5 thousand to 40 thousand broilers are produced each 10 to 12 weeks on the farm will continue to increase the sales of ready-to-cook poultry. And this also tends to increase quick frozen poultry on the market and consumer acceptance if a high poultry and price ratios are favorable.

The coming of warm weather emphasizes the need for prompt cooling of milk and cleanliness in production. Milk from clean, healthy cows contains few bacteria as it comes from the udder.

Keep all the stoves on the farm in a state of good repair at all times. Never fill gasoline or kerosene stoves while they are burning. And, it's safer to fill stove tanks out of doors.

### Scott, Ella Rains In 'Walking Hills'

Columbia's "The Walking Hills," story of nine men and a woman on a dramatic hunt for buried desert treasure, is the principal attraction at the Texas Theatre Tuesday and Wednesday of next week, May 31, June 1. Randolph Scott and Ella Rains are starred, with William Bishop, Arthur Kennedy, Edgar Buchanan, John Ireland, Jerome Courtland and Josh White, blues singer, in top supporting roles.

The plot relates the dramatic happenings that occur when a strange company of adventurers and outcasts braves the desert's fury on a weird quest for a fabulous treasure trove believed to have been lost in the awesome "Walking Hills" (shifting sand dunes), just north of the Mexican border.

## When a Boy Dreams of Manhood!

If you drive a CADILLAC, the sketch above tells a story. Somewhere on the streets or highways you bring your car to a velvety stop to give a "lift" to a youngster whose thumb is pointed the same way you are—and you watch his face light up as he settles down beside you. "Boy, a Cadillac!" You know, without asking, what is going through his head. He's dreaming of the day when he himself grows up to man's estate and has a Cadillac of his own. It is only natural, of course, that Cadillac should occupy this unique place of honor in the dreams and aspirations of American youth—for Cadillac is the only car in America whose name and crest have been reserved exclusively for cars of the very highest character. It is the only fine-car name that has meant the same—forever—decade after decade. This year, the Cadillac name has a special luster—for Cadillac cars are powered by a great new V-type engine—the creative masterpiece of Cadillac's renowned engineering division. Performance is so brilliant, from every standpoint, that it simply must be experienced in order to be believed. Why not experience it yourself? You are welcome in our showrooms at any time.

### Nine 4-H Club Boys Receive Eight Gilts, Boar, in Competition

Runnels county 4-H club boys were awarded eight gilts and one boar at San Angelo Saturday and they will start these on feed to have them ready for competition in October. Runnels county boys who participated in the program last year each returned a gilt this year and an exchange was made with the boys to take part in the 1949 gilt contests.

Monroe Frerich of Rowena, received one gilt in exchange from Hubert Frerich. Other exchanges were:

Arnold Eggemeyer of Olfen, from Jerome Beach  
Alpheus Hill, Cochran, from Hubert Frerich  
Richard Kresta, Bethel, from Bernard Halfmann  
Gilbert Kubenka, Miles, from Ralph Hiller  
Dennis Halfmann, Olfen, from Wilbert Hoelscher  
Maurice Holle, Cochran, from Gerald Tegel  
Harvey Honesche, Cochran, from Jerome Beach  
Frank Hoelscher, Olfen, received the boar for 1949.

The boys will take over the care of the gilts at once and all will be bred to the boar. A county show of the gilts will be held in October with the winners showing in the district competition a week later. The boar will also be shown in the district contest in October with others from Menard, Concho, Coke and Tom Green counties.

Hugo Braden, Jr. will also take part in swine production this year and expects to take animals to the State Fair, Dallas, in the fall. Last week he purchased two Hampshire gilts from the Bar-Walk Farms at Burleson and this week expected to receive three Durocs from Rob Pope, of Miles.

He will put them on feed and care for them through the summer to have them ready for show purposes next fall. Braden has made an excellent record with his swine the past three years.

### Coke County Grasses Studied by Runnels Identification Team

Members of the grass identification team of the Runnels county 4-H clubs and their leader, Lloyd Rumsey, assistant county

agent, spent Tuesday in Coke county, studying various kinds of grasses. The team members are Hubert Frerich, Rowena; Luther Minzenmayer, Cochran; Jimmy Kruse, Cochran; and Charles Kellermeyer, Miles. The Runnels county group was joined by Garylyn Hoffman, Tom Green county assistant agent, and his team of boys.

Most of the grass study was made on the ranch of Clarence Webb, northwest of Tennyson, where excellent progress has been made in reseeding pasture land with desirable grasses.

During the day about 40 different varieties of grasses were studied.

These boys are continuing their study of grasses and will enter the elimination contest to be held at the district 7 4-H club encampment on June 8, 9 and 10, at Lake Buchanan. The high team in the district will enter the state competition at College Station on June 13.

### Three-Church Bible School will be Held Beginning Monday

Arrangements have been completed for a vacation Bible school to start Monday morning, May 30, at the First Christian Church on Broadway, and will continue the next two weeks. The first session will begin at 8:30 o'clock.

Plans for the school have been worked out by the women of the First Christian, First Presbyterian and Eighth Street Presbyterian churches, and the two pastors, Rev. Rawlins Cherryhomes and Rev. Larry Gilbert.

Children between the ages of four and twelve years are invited to attend the school. All phases of study and work will be included, and refreshments are to be served each morning.

Mrs. Gene Crawford, general director, will be assisted by Mrs. E. W. Stasney.

Mrs. Pierson Corder, superintendent of the beginners' department, will be assisted by Mrs. R. T. Hall, Mrs. Marvin Clark, Mary Neill and Sally Bailey. Mrs. Larry Gilbert will be in charge of the primary department, and other leaders will be Misses Paul Petty, D. B. Crockett and Loyd Herring. Mrs. Charles Bailey will be in charge of the junior department, and will be assisted by Mrs. Stasney and Virginia Zedlitz.

### MRS. ALICE KING BURIED IN BRITTON, OKLAHOMA

A. M. King has returned from Britton, Oklahoma, where he attended the funeral of his mother, Mrs. Alice J. King, Friday of last week. He was called to Britton last Wednesday after his mother's condition became grave and arrived before she passed away last Thursday at 6 a. m.

Decedent was born in Nacogdoches county in 1864 and moved to Coleman county with her husband and infant son in 1887. Later they moved to Menard county and then to Concho county in 1898, living here until in 1920 when they moved to Britton. She had been confined to her bed the past 19 months.

Mrs. King was a member of the

Baptist Church and very active in religious work until her health failed.

Survivors include six sons, B. R. King, Fort Worth; A. M. King, Ballinger; Olin and Calvin King, San Antonio; Brown King, Britton; John M. King, Jr., Silver Spring, Maryland; four daughters, Mrs. Pryor Mapes, Ballinger; Mrs. Miles Maxwell, Lucien, Oklahoma; Mrs. Dora A. Secor, Britton; Mrs. Walter B. Dye, Berkeley, California. Other survivors include 32 grandchildren and 27 great grandchildren, who with their husbands and wives made her family number 102. The six sons acted as pallbearers.

### NATIONAL GUARD COMPANY ASSEMBLY CALLED SUNDAY

A special assembly of company I, 142nd infantry, national guard, will be held Sunday afternoon at 2:00 o'clock. Final preparations for the summer camp will be made at this meeting and all members are notified to attend.

Miss Griffie Atkins, of Odessa, spent the past week-end visiting the home of Dr. and Mrs. C. W. Cheatham. Miss Atkins returned from Galveston last week where she had been at the bedside of her brother, Marvin Atkins. Mr. Atkins' condition remains quite serious.

Mr. and Mrs. R. R. Olsak of San Angelo, and Mr. and Mrs. Leroy Olsak of Lamesa were visitors in the home of Mr. and Mrs. Charles Olsak last Sunday.

Cpl. Bryan E. Scoggins, stationed at Ellington A. F. B., Houston, spent the past week-end with his parents, Mr. and Mrs. H. B. Scoggins.

## Mr. and Mrs. Powers Celebrate Golden Wedding Anniversary

Mr. and Mrs. F. M. Powers celebrated their golden anniversary in the home of their daughter, Mrs. H. B. Scoggins, and Mr. Scoggins on Tuesday, May 24.

The occasion was very quietly observed as Mrs. Powers had been in the local hospital the past seven weeks with a broken hip, and was brought home Tuesday. Mr. and Mrs. Scoggins shared honors with their parents by celebrating their twenty-fifth anniversary.

A wedding cake, iced in white and decorated with yellow rosebuds and encircled with gold leaves, was presented the honored couple by Mr. and Mrs. Joe Flynn. Gifts and floral arrangements were also presented Mr. and Mrs. Powers.

Mr. and Mrs. Powers were married in Brown county on May 24, 1899. All but two of the fifteen children are living. The family moved to Runnels county in 1909 and has been living in various parts of the county since. Mr. Powers is a retired farmer.

Children are: Mrs. H. B. Scoggins, Mrs. Elmer Curry, and Miss Juanita Powers, all of Ballinger; Leslie and Tom Powers, of Ozona; Ted Powers, Mrs. Grady Clark and Mrs. Wayne Pickett, all of San Angelo; Mrs. Jimmie Sprinkle, of Winters; Jim Powers, of Dryden; Gordon Powers, of Urbana, Illinois; Mrs. Elmer Aly, of Coleman; and Mrs. Virgil Lindley, of San Antonio. There are 43 grand-

children and 19 great grandchildren.

Others present were: Mr. and Mrs. Curry and children, Mr. and Mrs. Ted Powers, Lewis Powers, Mrs. Clark, Mrs. Sprinkle, Miss Juanita Powers, Mr. and Mrs. Herman Herring, and Mrs. Clarence Jennings.

## Mrs. Dallinger Compliments Miss Eoff

Miss Bobby Marie Eoff, student at Abilene Christian College, while spending the week-end with her parents, Dr. and Mrs. J. Dexter Eoff, was named honoree at a breakfast Sunday, when Mrs. A. H. Dallinger was hostess in her home on Eighth Street.

The linen-laid dining table was centered with an arrangement of pastel sweet peas, and hand-drawn cards marked places for guests along with sweet pea corsages.

Others were: Misses Vernelle Ball, June Hanna, Jane Rowan, and Janice Shinnerer, all students at A. C. C.

## Dorothy Daugherty Named Guest on Picnic Supper

Miss Bobby Marie Eoff named Dorothy Daugherty, member of the 1949 graduating class, guest of honor, when she was hostess at a picnic supper on the banks of the Colorado river last Saturday evening.

The picnic table cloth was designed with diplomas and other graduating symbols. The girls enjoyed a treasure hunt in which Dorothy Daugherty found

the treasure which was a gift from the hostess.

Other spring graduates were: LaRita Price, Mary Jo Wright, Edwina Vogelsang, Sue Hampton and Joanne Rayburn. Abilene Christian College students who were house guests in the home of Dr. and Mrs. Dexter Eoff were Misses June Hanna, Vernelle Ball, Jane Rowan, and Janice Shinnerer. Mrs. L. C. Daugherty and Mrs. Eoff were also guests at the picnic.

## High School Sextet Complimented With Dinner

The Ballinger High School Sextet which is composed of Jessie Mae Henderson, Joyce McCorstin, Anita Wade, Betsy Coffey, Wanda Richards and Clara Hill, and the accompanist, Wilma Duke, were complimented by Jessie Mae, assisted by her mother, Mrs. C. C. Henderson, at a dinner party preceding the graduation program.

The Henderson home on Ninth Street was decorated with arrangements of spring flowers, and the musical theme was emphasized in table appointments where the three course menu was served. Others included were Miss Rosemary Bruce, high school music director, and Miss Merle Lewis.

## Fancy Doers Club Have Chicken Supper

Members of the Fancy Doers Club were entertained with a chicken supper party in the home of Mr. and Mrs. Herman Roundtree on the Bronte Highway Monday evening.

Following the menu, secret pals were revealed and gifts exchanged and a gift was presented Mrs. O. L. Hart, the club sponsor.

Members are: Eva Jo Flynn, Sallyne McGahey, Ann Bryan, Cynthia Tuckey, Dian Tuckey, Mary Howell, Gale and Catherine Hays, Janie Morrison, Jessie Mae Henderson. Guests were C. B. Boggess, Scottie Bell, Jimmy Davenport, Wart Hill, Bill and Graham Hart, Bill Middleton, Deanie Smith, James Sloan, Bob Bruce, Eldon Boggess, John Reese, Joe Vancil, Messrs. and Mmes. Roundtree, O. L. Hart, J. G. Tuckey, Marion Hays and Mrs. C. C. Henderson.

## Zadie Royalty Circle Meets in Clyde Simmons Home

Members of the Zadie Royalty Circle of the First Methodist Church were guests of Mrs. Clyde Simmons when she entertained in her Fifth Street home Wednesday afternoon.

Mrs. Fred Middleton presided for the business when the circle voted to buy a baby life W. S. C. S. membership quarterly, as their project. A membership from the W. S. C. S. was also presented Penny Hearne. Mrs. Middleton gave the devotional, "Unless You Help," and Mrs. Ed Curry gave a report on Missionaries in India. Mrs. Jack Nixon, Jr., W. S. C. S. president, brought a report on the Methodist conference which was held in Temple.

The hostess served ice cream and cake. Others were: Mmes. Sam Conner, Gene Keel, Mack Young, Jack Fry, Tom Epting, Wylie Hearne, Lloyd Rumsey, and a visitor, Mrs. A. V. Hargiss.

## Virginia Douglass Class Meets in Price Middleton Home

Mmes. Price Middleton, Walter Bigby, E. C. Tinsley and G. R. Witter were co-hostesses when members of the First Methodist Virginia Douglass Class met in the Middleton home on Eleventh Street which was beautifully decorated with roses and other summer flowers.

Mrs. Fred Underwood presided for the business. Mrs. Bill Bell gave the devotional and Mrs. J. W. Guynes gave the lesson on "What Should Our Influence be as Christians?"

At the social hour hostesses served home made ice cream topped with strawberries and cake.

Other were: Mmes. W. O. Irby, Tom McIntire, Jack Scales, G. M. Hargus, Henry Moody, Flay Brevard, J. W. Jones, E. L. Rampy, Sam Conner, H. G. Agnew, W. E. Moss, George Newby, L. M. Bowden, Misses Bonnie Clark and Ann Midgley.

## OIL MAN, GUNSHOT VICTIM, TAKEN TO DALLAS HOSPITAL

Eph Griffin, 31, oil lease operator, was found severely wounded Tuesday night on the E. S. Price lease northeast of Ballinger. He was suffering from a gunshot wound which entered the right temple and emerged from the left temple. Found by Mr. and Mrs. Price, he was rushed to the hospital here for treatment.

After arriving at the hospital he made a statement to local officers that the wound was self-inflicted and after relatives arrived he was taken to a Dallas hospital in a Newby-Davis ambulance.

Ambulance drivers stated upon their return that the patient made the trip well and was resting after arriving at Dallas.

During the remainder of May and all of June Americans are urged to purchase series E bonds in the "Opportunity Drive." The national quota is \$1,040,000,000, and every possible sales plan will be worked to reach the goal and at the same time place the securities in the hands of as many buyers as possible. County chairmen have been appointed and every county will have a certain quota to subscribe. The slogan is "Put more opportunity in your future." Every person in every wage level is urged to buy to the full extent of his ability. Forty-seven billions in savings bonds are now in the hands of the people. By keeping our economy stable through creating financially sound

families and communities, with reserves of purchasing power, we help prove that our American system is the best.

Runnels county has been very fortunate during the past several weeks in not having a storm, while many sections of the state have been hard hit. At this time any kind of a storm would do much damage to a small grain record. Slight damage was done by high winds last week but this is negligible compared with the loss where tornadoes, hailstorms and floods swept sizeable areas. If luck remains with us and we escape storms, farm labor will soon be in demand. Already farmers are far behind with their work after being kept idle by wet fields while weeds and wild grass got a headstart. Cleaning of fields and planting of the rest of the cultivated acreage will take all the farmers' time until the harvest gets underway.

Benefits of having a modern city park were demonstrated this week when it became necessary to shift the site for the district 7 4-H girls' encampment. The three-day meeting was scheduled originally at Camp Louis Farr, but at the last minute the district agent announced that the meeting must be moved and would be held in the Ballinger park. This agent has met in the local park with home demonstration and 4-H clubs on numerous occasions and knows the kind of park maintained in Ballinger. When the change became necessary, Ballinger was selected, and a large number of home demonstration agents, adult leaders and 4-H girl club members from fourteen counties are here this week. Our park is far from being what citizens would like to have, but a swimming pool and other recreational equipment would make it one of the best small parks in West Texas.

## WEST TEXAS NOTES

A representative of the U. S. state health department is supplying the equipment and technicians and all tests will be free. Committees have been working in all communities of the county to line up people for the X-rays, part of the state program to find early symptoms of tuberculosis.

The value of soil conservation was emphasized by Walter R. Humphrey, editor of the Fort Worth Press, in speaking at the annual meeting of the Bangs Chamber of Commerce last week. The program was held in the high school auditorium and notwithstanding bad weather, 130 heard the speaker. The Salt Branch division of the Brown-Mills soil conservation district, which won the statewide \$1,000 Scripps-Howard cash award for achievement in 1948, was honored. Six of the seven families comprising the group attended the banquet.

Bruce Sprayberry will soon start construction of a modern residence and a six-unit tourist court on highway 36 near the city limits of Rising Star. He stated that all buildings would be of haydite tile and rooms would be air conditioned.

Rev. James McClain, the original "Dr. I. Q.," now rector of Holy Trinity Episcopal Church at Eastland, will come to Coleman June 14 for a program. In order to take care of the expected attendance the performance will be given at Hufford Field, which has a seating capacity of about 5,000. The Coleman Kiwanis Club will sponsor Rev. McClain's appearance.

McCulloch county has been authorized 10.1 miles of hard-surfaced road in addition to 14 miles authorized by the state in January. County Judge Claude Knight was informed last week that the 24 miles of rural road improvement would be done in 1949, the work to begin about July 1. The 24 miles is divided into several projects to make important

connections with roads already completed.

Graduation exercises for St. Joseph's school, Rowena, were held last Sunday morning in St. Joseph's Church. Rev. B. A. Erpen was celebrant of the high mass and Rev. W. F. Bosen was at the organ. The baccalaureate sermon was delivered by Rev. Alvin Feldhues, of San Angelo. Following the sermon, Rev. Bosen presented diplomas to ten seniors.

Fifteen members of the Miles high school senior class left yesterday on their annual trip. The group will visit the Big Bend Park and other places of interest in the state, including Del Rio, Brownsville, Corpus Christi and San Antonio. During the school year the seniors raised enough money to make the tour, including transportation, meals, rooms and side trips.

Heavy rains near Stephenville in Erath county did heavy damage to crops and a number of bridges were washed out. Downpours of more than 6 inches Monday of last week put all streams in the county at flood stage and halted traffic on several roads.

The first case of polio at Menard this year was reported last week. The child was taken to San Angelo soon after a physician was called and was said to be in a critical condition. About eight days had elapsed before the child was hospitalized.

### Results of Cotton Tests Announced

COLLEGE STATION, May 25.—For five years, 1944-48, a cotton variety and spacing test has been conducted cooperatively by the Texas agricultural experiment station and the U. S. department of agriculture at the Big Spring field station.

Supt. F. E. Keating of the Big Spring station reports that the highest yielding varieties in the five-year test were: Hi-Bred, Deltapine 15, Half and Half, native Mebane, Western Prolific and Lone Star. There was a difference of only 38 pounds of lint per acre between the high and low varieties listed above. The highest average yield for the five-year period was 290 pounds of lint per acre, and Deltapine 15 produced only two pounds per acre less. Thirteen other varieties were included in the test.

In the spacing test, Keating says the results indicate that highest yields are obtained where the distance between the plants, in rows forty-four inches wide, ranges from 12 to 18 inches. There was little difference in yields from 12-inch spacings; two plants together 12 inches apart; 18-inch spacings or two plants 18 inches apart. Thicker or thinner spacings produced lower yields.

In eight-eight inch rows, yields varied little regardless of the plant spacing within the row. In the forty-four inch rows, where every third row was left out, yields were lower than in regular width rows.

This test was conducted, says Keating, on Amarillo fine sandy loam soil, a type that is common in the Big Spring area. Moisture conditions during the test period were not favorable. Average annual rainfall for the past 40 years for the area is 18.98 inches, but in only one year, 1945, was this average reached or exceeded. The rainfall during the last three years of the test period was only two-thirds of normal, concludes Keating.

Keeping the poultry flock on full feed during the summer is important in good poultry production. Feed the layers all the laying mash they will consume.

**When you gotta stop -you wanta stop!**

"I can stop on a dime," the salesman promised you, "—and leave nine cents change!"  
And your Buick did—when it was new and brake linings unworn and everything factory-tight and fresh.  
But brake linings wear—lights grow dim with time—tires can lose their bite and traction.  
And with a whole summer's driving ahead, what better time than this to bring your Buick back to new-car peak in all those details that mean so much to safety?

**Check your car--- Check accidents!**  
Three great service and safety organizations across the country are alerting car-owners everywhere this month on safety-checking their cars.  
They list ten vital question marks for you to think about—How are your Brakes? Lights? Tires? Steering? Wheel alignment? Defective glass? Rear-view mirror? Muffler? Windshield wipers? Horn?  
Be sure your family rides in safety—ask your Buick service man to look over these check-points this month—and join the great drive for driving safety!

Our men, trained in Buick ways, will give you brakes that stop you as Buicks should, with new brake linings that are right in size and brake drums turned to perfect round.  
They can replace sealed-beam headlights to give you new-bulb brilliance—and while they're at it, check battery, voltage, wiring and headlamp-aim to boot.  
They'll check tires, switch them as needed, look into wheel alignment for easy steering.  
In a word, they'll renew your Buick with the same care and interest they would lavish on their own—and do it at no greater cost than for just ordinary service.  
So drop in. Get set for some summer fun that's up to lively Buick standard.

#### Pupils of Two Teachers Presented in Music Recital

Mrs. Earl Cope and Mrs. O. G. Joiner, teachers of piano, presented their classes in a joint formal recital at the First Baptist Church on the evening of May 16. A large audience of parents and friends greeted the young artists in the entertaining and well-executed program.

Guest artist was Dickie Cope, voice student at Howard Payne College, and son of Mrs. Earl Cope. He was heard in a group of vocal numbers.

Students of Mrs. Cope who appeared on the program were: Rebecca Davis, Sue Manning, Lou Manning, Barbara Bradshaw, Linda Moncrief, Joe Van Petty, Patsy Teplick, Marian McCoy, Wayne Irby, Patricia Davis, and Deweylou McGinley.

who participated included: Barbara Browning, Rannae Jones, Margo Brunson, Hettie Mae Her-ring, Patsy Lou Ashton, Linda Saylor, Tommy Lou Curry, June Haah, Patsy Witt, Jimmy Hamner, Sally Underwood, Billy John Whitehead, Marvella Ashton, Joan Whitman, Dee Ann Saylor, Dorothy Thomas, Jerry Turner, Virginia Clark, Patsy Dietz, Ann Kathryn McDonald, Peggy Hays, Ellen Shelburne, Dorothy Mc-Shan, Joan Vestal and Frances Thomas.

#### Dorothy Wilson Celebrates Sixth Birthday Anniversary

City Park was a gay scene on Wednesday afternoon when Dorothy Wilson celebrated her sixth birthday anniversary with a party, given by her mother, Mrs. Woodrow Wilson.

Games were played and gifts

opened. The birthday table was linen laid and centered with the pretty white cake, decorated with pink rosebuds and topped with six white candles, which was served with ice cream.

Mrs. Wilson was assisted by the honoree's grandmothers, Mrs. A. W. Sledge and Mrs. C. A. Wilson, and her aunts, Mrs. Charles Miller and Mrs. J. C. Wilson.

Paper hats and whistles were favors for the following guests: Jim Beth Flynt, Ann Richardson, Ann Ransberger, Tipton and Grant Lee, George Nance, Dave and Malcolm Hall, Mike Black, Eldridge and Sherry Price, Linda Tuckey, Ellen Herring, Susie McDonald, Calvin Kirk, Bill Routh, Elaine Zappe, Buddy Stasney, Frances Kay Reese, Larry and Margarette Gilbert, Karen and Janet Conner, Tom Simmons, Paul and Pamela Price, Candice and Sarah Craig, Robert Fowler, Bill Bledsoe, Fred Lynn Vetterlein, Jerry Smith, Linda and Mary Kay Cloninger, Wilton Simmons, Rita Gaye and Mickie Kean, Frances Dankworth, Louise Miller and Robert Wilson.

#### OLDFEN HOME DEMONSTRATION CLUB

The Oldfen home demonstration club held its regular meeting on May 17 at the parish hall with the president, Mrs. H. E. Halfmann presiding.

Plans were completed for the square dance, to be held this (Thursday) evening, May 26.

Mrs. Tom Egan, of the Rowena club, gave a report on the Texas Home Demonstration Association meeting, which was held at the San Angelo junior college in April.

Miss Ollie Chenoweth, county home demonstration agent, showed the club members how to hang draperies and what kind is best suited for each room.

Sandwiches, cake and iced tea were served to the county agent, one visitor, and nine members by the hostesses, Mrs. Leo Fuchs and Mrs. L. W. Rohmfield.

#### Chamber Directors Transact Business In Meeting Monday

Directors of the Ballinger Chamber of Commerce transacted considerable business at their meeting Monday night.

A welcoming committee, composed of Mmes. Hill Hampton, chairman; Jack Scales and Sam Malone, Jr., was presented. This committee will extend a welcome to newcomers to Ballinger and Mrs. Hampton outlined a number of plans which would be included. A mimeographed sheet will be sent each new resident, giving a list and locations of all churches in Ballinger, the names of pastors, and their telephone numbers. Locations of the library, city park and other places of interest also will be listed.

Joe Satterwhite, reporting for the agricultural committee, said efforts to purchase a hangar for use as a livestock barn had not been accomplished but the committee was still working on the proposition. He added that the Flying Farmers of Texas had been invited to attend the annual Field Day to be held in this county on July 7.

W. A. McDonald reported that plans were being made for a clean-up, fix-up and point-up campaign in the near future.

Frankie Berryman reported for the program and entertainment committee in regard to the reception for Fort Worth visitors this week.

Sam Malone and Gay Edwards outlined plans for safety around local schools and stated that signs would be erected before the beginning of the next school term in September. They also stated that a city ordinance should be passed requiring all persons riding in

boats on the new city lake to wear life preservers.

The board voted for the manager, James Weaver, to attend the meeting of the Texas Chamber of Commerce Managers Association at Houston on June 5, 6 and 7.

It was voted to back a movement for the spraying of Ballinger and vicinity in a fight against polo. The manager was instructed to contact Goodfellow Field to see if the army air forces could help in this undertaking.

A contribution of \$20 was made by the board towards sending two 4-H club girls to College Station for one week beginning June 13.

Capt. Ray Key, commander of the local national guard company, asked that Manager Weaver be given time off to attend the

annual encampment this year. The request was referred to the executive committee.

The manager was asked to contact officials of the San Angelo tile factory in regard to the proposed plant in Ballinger.

A number of other matters were discussed on which no action was voted.

#### B. C. D. BUILDERS TO START FOURTH HOUSE IN ADDITION

The B. C. D. Builders, Inc., has three houses underway this week and is preparing to start the foundation on a fourth in the new addition to Wilke Terrace on Sharp Avenue.

The company announced the sale of a house this week to A. V. Hargiss, manager of the Stano-

blind Exploration Co. This is the third dwelling to be constructed and work was reported progressing nicely on the first three. The fourth will be started this week when foundation forms are built.

Company officials stated that paper work is being prepared on other residences which may be started within a short time.

### Bluestem Grass Whips Out Weeds

COLLEGE STATION, May 25.—In this wet spring, the battle between weeds and KR bluestem looks more favorable toward a

final victory of the bluestem in the 15-acre field on the C. C. Smith farm near Uvalde, says County Agent D. P. Gallman, of Uvalde. This river bottom field was seeded to KR bluestem in February, 1948. But, due to the dry weather, only a poor stand was

made. Weeds of all kinds came up with the grass. And last summer, the only way you could find any grass was to rake the weeds back, says Gallman. The grass was completely covered with the weeds, but it kept growing under very dry conditions until last fall. After the rains, the grass headed

out and made a fine seed crop. At present, the KR bluestem has covered some parts of the field solid, and has held the weeds down. It's making another seed crop and the seedlings are plentiful. Mr. Smith says he is not going to mow the weeds or water the grass. "If it will spread to a solid stand over the entire field and whip out the weeds, I'll sure be ready to recommend it to anybody for a good pasture grass," said Smith.

Besides this 15 acres, he is also planting 50 acres more of KR bluestem in rows on land on which level borders have been built. Joe F. Brown has also planted 50 acres of this bluestem, and Seth Davenport and Oscar Vickery are planting 150 acres under irrigation, says Gallman. These plantings will be used primarily for seed production.

#### COMFORTABLE WORKING HEIGHTS RECOMMENDED FOR OUT-OF-DOORS JOBS

COLLEGE STATION, May 25.—"When warm weather comes around, we like to do as much work out-of-doors as we possibly can," Mrs. Bernice Claytor, extension home management specialist of Texas A. & M. College, recently pointed out. "But don't forget that comfortable working heights are just as important outside as they are in the kitchen and laundry."

A sturdy bench or table conveniently near the back door or in the garage can take the stoop out of many jobs which too often are done uncomfortably and inefficiently on the ground, she points out.

For example, window screen and garden furniture can be painted more easily when set up at a convenient working height. Refinished furniture, upholstering and putting furniture into condition for the season can be pleasant jobs when done out in the sunshine and at a level where they are convenient to handle as well as to see.

"The principles that hold for indoor work apply outside, too," Mrs. Claytor concluded. "Indoors or out, work is easier, faster and pleasanter when done without stooping."

### Dr. Trent C. Root Delivers Address For Graduation

Members of the Ballinger high school senior class received their diplomas and completed their high school work in the graduation exercises last Thursday night. The high school auditorium was packed for the commencement program, members of the class and relatives occupying practically all of the first floor.

Musical numbers were furnished by the school chorus, Miss Rosemary Bruce directing. Mrs. Earl Cope was at the piano for the professional and recreational Awards for honor students were presented by Principal Joe Forester and a diploma was handed to each senior by Supt. Ernest Caskey.

Lynn Neill was presented the Rotary Club award by Clifford Cook, president of the club. This award, made annually to a student selected by all senior class teachers, is based on a large number of points which include scholastic ability, sportsmanship and citizenship.

Dr. Trent C. Root, assistant to the president of Southern Methodist University, Dallas, delivered

Dr. Trent C. Root

the commencement address. Martha Ann James delivered the valedictory address and Fredric Peist was salutatorian.

Comment was made the past week-end on the fine attendance record of a number of students. Edwina Vogelsang, who had a perfect attendance record for 12 years, was neither absent nor tardy during that long time. Principal Joe Forester stated that in his school experience this was the first perfect record for full twelve years.

Joyce McCorstin set some kind of a record for four years of perfect attendance in high school.

#### INSULATION SAID TO KEEP HOUSE COOLER IN SUMMER AND WARMER IN WINTER

COLLEGE STATION, May 25.—You may not be able to do much about the temperature this summer, but you can do something about your house to keep a little cooler.

Inside house temperatures may be from 10 to 15 degrees cooler with insulation than without it, provided the house has enough ventilation, says W. S. Allen, extension agricultural buildings engineer of Texas A. & M. College.

The insulation itself won't cool the house, but it will keep the heat outside during the day. Along with night ventilation, shading of the windows, awnings and shade trees near the house, insulation helps provide better cooling. The difference will be enough to make any house more comfortable when the mercury climbs high, Allen says.

Any home exposed to high temperatures in the summertime needs insulation, and the higher or lower the temperature, the greater the need for it. Here in Texas it's most beneficial in the summer. Reflective insulation, which comes in metal foil or sheets, helps keep the sun's heat out of the house during the day, and allows for rapid cooling at night. So it is well adapted to the South, says Allen.

Your house may be made cooler this summer by proper use of insulation. And don't forget that the fuel bills will be less next winter, too.

#### COUNCIL OF CHURCH WOMEN IN FINAL MEETING MONDAY

The Ballinger Council of Church Women will hold its final meeting of the year Monday afternoon at the Foursquare Gospel Church on Twelfth Street.

At this meeting, Mrs. Joe Forman, president of the council, will give a complete report of the year's work and the accomplishments. She will also present the plan and purpose of the council and explain the local affiliation with the national and international protestant movement.

Mrs. J. R. Dunaway will talk on "The Marks of a Christian Home."

An average five-year-old peach tree probably produces 25 thousand blossoms. Only 250 to 1,250

of these blossoms develop into fruit.

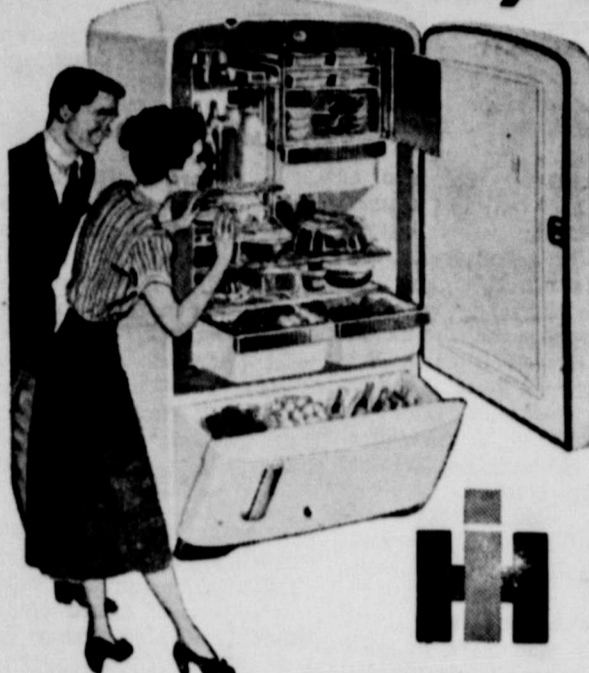

Ice used for shipping vegetables across the country can be too cold. The best temperature is 32 degrees Fahrenheit—just freezing.

Cooked oatmeal may go into almost any meat loaf in place of bread, cracker crumbs or other cereal. Also, oatmeal porridge left from breakfast may be used

thriftily in meat loaf for lunch or supper.

Prevent the destruction of eggs. Never stand eggs on the large end. Keep the small end down and the large end up when packing eggs. Open egg cases carefully, use care in removing fillers, replace flats and fillers, don't drop cases, and make every case go one more trip.

## Store Away More Food

with the Amazing "Stowaway" Freezer Locker in your great new INTERNATIONAL HARVESTER REFRIGERATOR
