Right now is the time to btain water for the park and sod the diamond so that it will me et requirements for the 1950 season.

A good sodded field will make Olfen girls' 4-H club, began her bedroom demonstration and is bedroom demonstration and is it possible to play many games bedroom demonstration and is Mrs. Everett Jacob and son, Abiwould be rained now finishing the project.

Now is the time also to contract Chenoweth, county home demona manager for the next season stration agent, laid plans for the and start assembling a club. There rearrangement of furniture, selectwill be players available this fall and winter who cannot be signed next spring when all clubs begin scouting for rookies.

↑0♦ The Ballinger club will have a fair carry-over of limited service and class men plus a few rookies.

The local management accomplished all that was possible this year and did much of it the hard way. Construction of the park was assembling of a team was started practically from scratch late in the season. The officers were also short of funds all season and will have to show a deficit. With this deficit wiped out, the field sodded and an early beginning on signing a club, 1950 should move off to a

Sports fans are asked to keep their pep up and transfer their attendance from baseball to football. The Ballinger Bearcats are ready to start entertaining and will play a full five-game home schedule this year. While all conference games are away from home, the home schedule will bring some of the best class A teams of West Texas to Becreat

Ballinger coaches have a fair number of lettermen back this year but have had to move several into the backfield to fill holes. Most important of the shifts is the moving of Jimmy Davenport, all-district end, to the backfield Davenport will play at quarterback, handle the pigskin under the T and do most of the passing and kicking for the Bearcats. He was the place kicker after touchdowns last winter and his educated toe made many points for

Opening tomorrow night at 8:00 p. m., the Bearcats will be hosts to the Seymour Panthers. Seymour has a team of veterans and a large reserve roster and will give the Bearcats a real test in the opener. The Ballinger lads are in fair physical condition and all players on the squad will be eligible for service if needed.

Only one word fits it - Wonderfill

Tou know how it usually is-slow and steady is the rule in automotive progress.

But every now and then it happens. Along comes a car that's new all over-like this oneand headlines sing the news.

Take the styling of it-fresh and smart and really exciting from its non-locking bumper-guard grilles to the jet-plane look of its fenders.

Take the outward size of it-handy in traffic, easy to garage, actually more room and a sweeter ride in fewer over-all inches.

Step inside-and stretch yourself in the biggest interiors ever found in a Buick Special, with a full twelve inches added to rear-seat hiproom.

Iry the power of big 110 or 120 hp high-compression Fireball engines - sample the restful levelness of a ride that sets the standard for the industry.

Check controls-and note really big news: The luxury of Dynaflow Drive* - newest, simplest and smoothest of all modern transmissions-is optional equipment, available now at the lowest price level yet!

Finally, look at the price tag. Measure its figures against others-and see if any car, even in the lowest-price field, gives you so much of what you want for each dollar you invest.

Tops in style, tops in room, tops in lift and life and traveling ease, a trip to your Buick dealer will show you this is wonderful in value too!

For the biggest buy of this year - and many a year to come-better go now and get your order in!

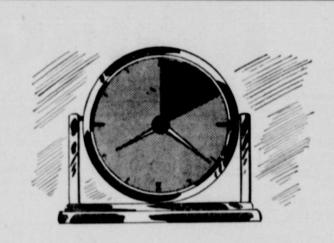

TEN-STRIKE! Only Buick Special has all these Features!

You're not going to pay more to buy from us ... and we don't blame you

So, to get your business, we're going to try to supply you with all the petroleum products you need and with the best petroleum products we can make, at prices that are no higher than those of other companies. Every other oil company in the industry is trying to do the same.

They are our competitors; we are theirs.

We compete in the search for oil, so that we can be in a better position to supply your demands. Our geological and geophysical crews are in the field 365 days a year seeking subsurface reservoirs which may contain oil. So are the crews of other oil companies. Sometimes we find oil where others couldn't; sometimes they get production where we have failed. Competition within the industry finds more oil than any other system.

We compete in production, and the oil company with the most

started on your farm, visit local county agent and talk the situation over with him. Chances are good that he can show you demonstrations where soil building crops are being used to increase crop yields and too, he can help you make that long time plan for your farm.

TWO BALLINGERITES GET DEGREES AT MCMURRY

Two Ballinger students were among 36 to graduate recently from McMurry College, Abilene. They were Mrs. Mae Bryan, who had a major in education and a minor in English and Miss Kathryn Sensabaugh, a journalism major with a history minor. Both completed the bachelor of science requirements on September 1.

LARGE CROWD PRESENT AT JAYCEES QUIZ SHOW

A large audience filled the high school gymnasium last Friday evening when the Ballinger Jaycees presented the former "Dr. I. Q.," Rev. James McClain, of Eastland, in a quiz program.

Following the style of the famous radio program, Rev. McClain handled the questions from the stage as a group of San Angelo Jaycees with hand microphones passed through the audience to give many a chance to win the valuable prizes.

Ballinger merchants cooperated with the Jaycees in providing merchandise and cash for the prizes offered.

In 1946 Texas ranked first in Reports from 21 counties showed the number of horses and mules and only about 200,000 horses He adds that if you are interested were used in crop production in
