GOOD HEALTH for every citizen, every family, is the chief concern of medicine and pharmacy.

To accomplish this objective in the best way, the vast field of medical science has been divided into specialized groups. The physician is thoroughly schooled in diagnosis and treatment. As pharmacists, we are experts in the preparation and dispensing of drugs. We do not pretend to be able to diagnose your ills. But we are qualified, and gladly accept the responsibility of filling your prescriptions.

You see it quick-stepping along the highway—and you can't miss the parallel.

You glimpse a bold front end-sleek tapering fenders-flaring, streamlined roof lines-even to "double-bubble" taillights, here is the look of "the fastest thing that flies."

Then you try one on the road, courtesy of your Buick dealer.

Adjectives flock into mind-"agile"-"nimble"-"eager."

You realize that here is action, swift and easy-action born of Fireball valvein-head straight-eight power-action floated on soft coil springs that, for all their lightness, keep your grip on the road sure-footed and firm.

This, you tell yourself, is traveling as traveling should be.

Comfortable-in the spacious manner of king-size interiors. Easy-in the lightness of controls, which can include even the magic of Dynaflow Drive\* if you wish. Pleasurable-in the wide, wide outlook that's yours, and the inner satisfaction of having a Buick for your very own.

And we might add another thing. just by way of being practical.

It's frugal too. Frugal in a first cost that's actually less than for some sixes. Frugal in the surprising way such a sizable car gives the go-by to gas pumps.

And if you have Dynaflow, frugal \*Optional at extra cost.
