

Water Consumption Over Plant Capacity

Water consumption in Ballinger has been mounting for the past ten days and the present capacity of the system is not capable of furnishing this much. Late Monday afternoon some sections of the city were without water for a short period—5:00 to 9:00 p. m.

During the past week daily pumping has been from 1,300,000 to 1,500,000 gallons. R. E. Harris, water superintendent, stated Tuesday that it was possible to get plenty of water from the lake to the plant but the capacity from the plant to the storage reservoirs had not been increased.

Work is progressing on schedule at the plant and the project probably will be completed by the end of the month. When this work is finished the system will be able to provide at least 2,000,000 gallons a day.

Some sections of Ballinger that have experienced a big growth in recent months will continue to have low pressure until the new lines are laid. A contract has been let for the two mains that are expected to remedy this condition and work has been started.

Citizens who can be asked to water in the morning and early afternoon. There are many who are forced to water between 5:00 and 9:00 p. m. because they work downtown and are not at home other hours.

Every effort will be made to supply enough water for all purposes, but until the work at the filtration plant is completed only a limited volume can be supplied each 24-hour period.

Kemp Explains Bureau Program on Legislation

The Texas Farm Bureau lived up to its slogan: "Protect and Promote Agriculture" during the recent session of the 53rd legislature, according to Elliott Kemp, president of the Ballinger County Farm Bureau. Mr. Kemp issued the following statement to members of the county organization, other farmers and friends:

"For farmers and other rural dwellers the most important aspect of the session was the absence of any threat to take away the rural road program annual appropriation, the counties' share of vehicle registration fees and the county road bond assumption money."

"During the 1951 session an attempt was made to take money from those sources, plus the farmer's refund on the tractor tax for use in construction of super highways. The Farm Bureau mustered enough strength to defeat the measure and rallied late in the session to push through a gathering tax on gas."

"This year at the state capitol a bill was introduced to take away one-fourth of the farmer's refund on the tractor gasoline tax. This bill was never considered. Also a bill was introduced to increase the sales tax on gasoline from four to five cents per gallon. It was never brought to a vote. Both bills were contrary to Farm Bureau resolutions and the state organization rose up to prevent their passage."

"Another bill which would have been harmful to rural dwellers, had it been passed, was the administration-backed

plan to re-shuffle the state's school funds and force local districts to bear an increasing share of the minimum foundation school fund. The Farm Bureau was among the many civic-minded groups that fought this bill.

"Among the more important bills passed this year with Farm Bureau backing, approval or sponsorship was legislation designed to eradicate the swine disease, vesicular exanthema. A bill which regulates the sale, use and distribution of hormone-type herbicides, a law which gives grain farmers their best warehouse legislation to date and better seed laws."

"The Texas Farm Bureau was instrumental in securing an increase in appropriations of nearly half a million dollars for the Texas A. & M. College extension service and experiment stations. Of this amount, \$238,320 was earmarked for use in the counties."

Mr. Kemp said the Texas Farm Bureau opened an office at Austin this year to facilitate the work on its legislative program. "To make sure that the interests of the farmers and ranchers are protected is the reason for opening the Austin office," he pointed out. "It is also easier for the various county organizations to coordinate efforts with the state organization. The Austin office kept county leaders informed on what was happening and what was needed to be done in order for a certain bill to be passed or killed. Then it was up to the citizens of the counties to contact their elected representatives."

30 Landowners of County Have Sprayed Mesquites

The mesquite spraying program in Ballinger county has been cut short so far this year because of unfavorable weather conditions. This is the airplane program with application of 3.5 T.

Since contractors began work in Ballinger county high winds have prevailed much of the time, making it impossible to spray in areas near fields, gardens, orchards and homes.

County PMA officials have a list of 164 farmers and ranchers who have indicated they would like to participate in this program. So far this season, contractors have sprayed on 30 places and have been unable to move as fast as they would like. The government payment rate is \$1.50 per acre, with the fair price charged by the contractor \$2.95, or \$1.45 for chemical.

An estimated 16,730 acres have been requested for spraying this year as compared to 6,700 acres last year. Payment will not be made for spraying more than 640 acres on any one ranch.

Some of the first to use spraying this year are: Hamp Byler, 163 acres; Henry Kresta, 374 acres; Gerhart & Presley, 62 acres; Joyce Wilkerson, 127 acres; O. C. Sykes, 478 acres; Joe Irvin, 81 acres; Sory Alexander, 336 acres; Wilmer C. Gohart, 89 acres; Norval S. Alexander, 273 acres; Earl C. Burnes, 304 acres; Bryan Clayton, 390 acres; Arthur J. Pullin,

40 acres; Arnold Allcorn, 27 acres; Arch Brookshier, 186 acres; Claud Brookshier, 573 acres; Robert Herring, 640 acres; Zid Herring, 640 acres; Kenneth McWilliams, 614 acres; W. O. Gross estate, 639 acres; Cleo Smith, 216 acres; John C. Hoffman, 200 acres; Arthur N. Hoffman, 150 acres; Fred Spreen, 186 acres; Ernest Tounget, 59 acres.

Producers who have signed up for this practice and who are not too near cotton, gardens or pecan trees, and who still want mesquite sprayed, should contact the PMA office in Ballinger.

WHEAT ALLOTMENTS MAY BE APPLIED FOR UNTIL JUNE 30
Ballinger county farmers on land on which no wheat was seeded for any of the years 1951, 1952, 1953 may apply for a 1954 wheat acreage allotment, according to Meade McShan, chairman of the Ballinger county production and marketing association committee. To be considered for an allotment on a farm which had no wheat seeded during the past three years, the farmers must apply in writing to the county PMA committee by June 30.

Blank application forms are available at the county office for use in filing requests for allotments.

Miss Hattie Mae Dunlap left last Thursday to visit relatives at Bakersfield and Los Angeles, California.

Enforcers Report Several Violations During Week-End

Sammy Soto Holguin was arrested Saturday by Rannels county officers, who lodged him in jail and filed charges of car theft against him Monday. Holguin is charged with stealing a 1951 Chevrolet from the Humble Oil Co. at Winters and wrecking it a short time later. In a statement to officers Monday he admitted other car thefts in California.

Willie Owens, local negro, was tried in 119th district court Saturday on three charges. He was waived a jury and entered a plea of guilty before Judge O. L. Parish. On a charge of assault with intent to murder he drew a 9-year sentence in the penitentiary. On a second charge of assault with intent to murder he was given three years and on a charge of theft of over \$50 he received one year, making a total of 13 years.

Ruby Joe Harvey, negro, received a 5-year suspended sentence on a charge of receiving and concealing stolen property.

Mrs. Jewell Cooper reported the theft of about 50 bed sheets and towels and other linens the past week. Officers have arrested and expect to make an arrest soon.

Joe Jones, manager of the Traveller's Motel, also reported the theft of sheets and other linens. The Rannels county clubs entered only one team in the district contests. By winning in the district, the three girls will go to state contests to be held at College Station on June 24.

Betsy Glass was high individual in the meet over all other club girls of the 22 counties represented.

The Rannels county delegation of three girls, Miss Ollie Chenoweth and one adult leader will go to Buffalo Gap on June 17, 18 and 19 to attend the district encampment. The three-day program will be held at the encampment grounds at Buffalo Gap where housing and recreational facilities are available.

Girls selected to represent Rannels county at the camp are: Cecelia Hoelscher, St. Joseph's; Helen Halfmann, Olen; and Carolyn Nelson, Winters.

The district encampment has been held at Ballinger for a number of years and this is the first time for it to be held at Buffalo Gap.

Swimming pool operators, Douglas Cox, Frank Barnett and Bill Scoggins, have been given police power and will have the authority to arrest persons violating laws or park rules.

City police reported that someone entered the pool Saturday night by climbing over a fence and a life buoy was missing Sunday. A search is being made for the buoy, which is used on the life guard stand and is expensive and necessary to pool operation.

A total of 640 swimmers went through the pool last Sunday. Ads are being carried in a number of papers in this section to invite people to Ballinger and to use the park facilities.

3 Boys Attending Camps This Week

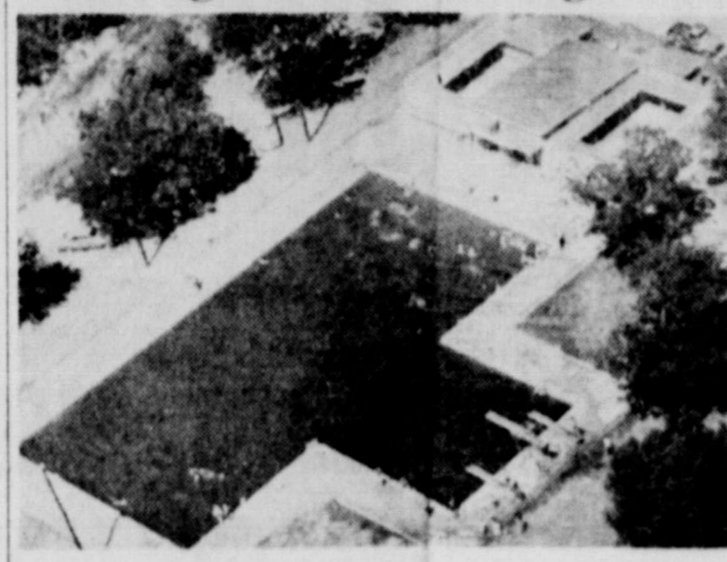

Ballinger organizations have sent three local boys to two camps in the state the opening periods. Frank Barnett and Jimmy Mauldin left Sunday for Irving to attend the Salvation Army camp which will be in session all this week. The two are sent by the Ballinger chapter and all expenses are paid. Three boys were booked for the local chapter but one failed to show up Sunday morning.

Alva Rothel, son of Mr. and Mrs. Floyd Rothel, is attending the first week of the Lions Clubs' crippled children's camp at Kerrville. This camp has been under construction for the past year and Monday morning the first 40 boys were accepted for a two week period.

Jack Nixon, local Lions Club president, stated that another child might be sent later in the year for two weeks at the camp. The camp is a project for all Lions clubs in Texas and will be enlarged to receive more children later.

Gene Hirschfeld will leave next week for Camp Carson, Colorado, to take six weeks of ROTC training. He is a student at A. & M. College.

Ballinger's Swimming Pool

Ballinger's new swimming pool is attracting large crowds daily, from 500 to 1,000 swimmers taking advantage of the cool water every day. The pool is one of the largest and most modern in this section of the state. (Photo by Bill Cordill)

Rannels 4-H Club Girls Take First In Shrub Contest

Rannels county 4-H club girls won first place in shrub identification in the district contests at Fredericksburg Wednesday of last week. Members of the team were Betsy Glass, Cecelia Hoelscher and Germaine Kallina, all of St. Joseph's Club, Rowena.

The Rannels county clubs entered only one team in the district contests. By winning in the district, the three girls will go to state contests to be held at College Station on June 24.

Betsy Glass was high individual in the meet over all other club girls of the 22 counties represented.

The Rannels county delegation of three girls, Miss Ollie Chenoweth and one adult leader will go to Buffalo Gap on June 17, 18 and 19 to attend the district encampment. The three-day program will be held at the encampment grounds at Buffalo Gap where housing and recreational facilities are available.

Girls selected to represent Rannels county at the camp are: Cecelia Hoelscher, St. Joseph's; Helen Halfmann, Olen; and Carolyn Nelson, Winters.

The district encampment has been held at Ballinger for a number of years and this is the first time for it to be held at Buffalo Gap.

Ballinger Legion Post's Birthday To be Observed

E. J. Loika, commander of the Ballinger American Legion post, has announced that the post will celebrate its 34th anniversary on Saturday, June 27. The post was organized on June 28, 1919, but as that date falls on Sunday, the observance will be moved up one day.

Arrangements are being made to serve a barbecue dinner with a program to follow. Mr. Loika stated that several committees will be appointed to arrange details and that the gathering would be at the clubhouse in Bruce Field.

Air conditioners were recently installed in the building to make it comfortable during hot weather. The three large machines cool the entire clubhouse and the usual number of reservations by non-Legion groups will be permitted through the summer.

Local officials are planning to extend invitations to a number of neighboring posts to attend the birthday party.

TISDALE REMODELING BEN FRANKLIN STORE

The Ben Franklin Store has been closed several days and will be reopened tomorrow (Friday) morning after complete remodeling of the interior.

New fixtures have been installed and a check-out counter added at the front. The new display of merchandise puts everything within reach of the customer and market baskets are provided for shoppers to make selections and carry the merchandise to the checking counter.

Interior improvements include decoration of walls and new floor covering. Specialists have been here this week helping get the store ready for the reopening tomorrow at 9:00 a. m.

Gene Hirschfeld will leave next week for Camp Carson, Colorado, to take six weeks of ROTC training. He is a student at A. & M. College.

Landowners Vote Friday to Elect Soil Supervisor

Herman Giesecke, Jr., chairman of the board of supervisors of the Rannels county soil conservation district, would like to remind all people who own land and live within subdivision 2 and who are 21 years or older, are eligible to vote in a special election to name a supervisor of the subdivision, which will be held tomorrow (Friday) at 8:00 p. m. in the First National Bank building at Rowena.

John A. Barton will officiate for the election and W. M. Hoffman will present a short program on soils.

This subdivision is all the land south of the Colorado River and west of the Paint Rock highway to the southern and western lines.

The district was established by a majority vote of the landowners and all operators may obtain information, technical assistance, recommendations and other help the district may have available at the office in Ballinger.

Ballinger Thanked For Relief Funds Given Lake View

Robert G. Carr, chairman of the disaster relief fund at San Angelo, has sent a letter of thanks to the Rannels county chapter of the Red Cross thanking the organization for the check sent there in the sum of \$1,448.

In the letter Mr. Carr states: "On behalf of the disaster relief fund committee, the citizens of San Angelo and the unfortunate victims of our recent tornado, we wish to thank you most sincerely for this wonderful contribution by your Ballinger people. Will you kindly express to all of them our deep appreciation for this contribution."

In addition to the above amount a check for \$50 was sent to the Salvation Army at San Angelo, as requested by the donor, and a check for \$10 was sent to Waco, another request.

All relief money has now been sent in but if other contributions are made for the fund, a check will be forwarded later.

Local Red Cross officials express deep appreciation for the many who helped make the Ballinger contribution so large.

CLUB STOCKHOLDERS IN ANNUAL MEETING

Stockholders of the Ballinger Country Club held their annual business meeting Friday night.

Two new directors, Gene Keel and Carl Murman, were elected and Allen Davis, president, stated that committee appointments would be made within a few days.

It was voted to hold the annual July 4th celebration which will include bridge and golf tournaments and various other entertainment.

The following committee chairmen were named to look after arrangements on July 4: food, Buster Parrish; dance, L. R. Rieger; golf, Doyle St. John; Max McCrary, Jr. and Sam Conner.

Permanent committee chairmen for the ensuing year are: grounds, Ray Fuqua; house, Buster Parrish; lake, Carl Murman; golf, Doyle St. John; dance, Max McCrary, Jr.; family night, Mrs. Louise Mack; stag night, Gene Keel.

Rev. Ward Marks Jubilee as Priest

Commemorating the silver jubilee of his ordination, Rev. Patrick J. Ward, O.M.I., offered mass at St. Mary's Catholic Church Wednesday morning at 10:00 o'clock. The Very Rev. Frederick Brockman, O. M. I., was deacon and Rev. Frank Kilday, O. M. I., subdeacon.

Rev. Frederick J. DeRoche, O. M. I., of San Antonio, gave the sermon at the solemn high mass. Rev. DeRoche's sermon dealt with the life and accomplishments of Rev. Ward as a priest, who served his early priesthood in missions at Brady, Eagle Pass, Crystal City, Brackettville, Brownsville, Port Isabel, Raymondville and St. Louis cathedral, New Orleans. He also served four years as chaplain at Mercy Hospital, Brownsville. In speaking of the dignity of priesthood the speaker asserted their outstanding works are the tender solicitude for souls and the consuming love of Christ and for those whom Christ has given into their care.

Rev. Ward was born at Knoxville, Tennessee, June 27, 1897, moved to Beaumont in 1916, later moving to Houston. He entered St. Anthony College, San Antonio, May 10, 1917, and was ordained at DeMazened Scholasticate in 1922.

Other clergy assisting at the mass were Rev. Paul J. Decker, O.M.I., San Antonio, master of ceremonies, and Rev. Michael Slattery, O.M.I., Ballinger. Visiting clergy were: Very Rev. Francis Hultzer, O.M.I., Sweetwater; Very Rev. Thomas Gody, O.M.I., San Antonio; Rev. John Ward, O.M.I., San Antonio; Rev. Bernard Dayon, O.M.I., San Antonio; Rev. Thomas Quimliven, O.M.I., Colorado City; Rev. John Diehl, O.M.I., Mason; Rev. Michael Moore, O.M.I., Menard; Rev. Clement Weber, O.F.M., and Rev. Fermin Aldegeering, O.F.M., San Angelo; and Rev. Frederick Doeren, O.F.M., McCamey. Altar boys were Clifford Hoelscher, James Wade, Alfred Schweitzer and Mike Baird.

At noon Wednesday the jubilarian was named honor guest at a luncheon held at St. Mary's Recreation Hall, all visiting clergy attending. Under the supervision of Mrs. John McGrath, president of the Altar Society, and members of the society assisting, the turkey menu was served.

In the evening the entire parish was included for a reception, at which Rev. Ward again was named honor guest. H. J. Zappe was master of ceremonies. Speakers were Rev. Michael Slattery, O.M.I., County Judge W. H. Rampey, Mayor Charles Hambrick, J. O. Satterwhite and Frank Gruber, who commended Rev. Ward on his work as a parish priest and as a citizen of Ballinger. Mr. Zappe presented a jubilee gift from the parishioners.

A social followed, at which women of the church were hostesses. A sandwich plate with cookies was served with punch. Gladiol arrangements in salmon shades were used for decorating the refreshment and the speaker's tables.

Methodists Attend Annual Conference With Good Reports

Rev. and Mrs. Hubert Smith left Wednesday for Fort Worth to attend the annual Central Texas Methodist conference. J. W. Guynes also is attending the conference as the official delegate of the local church. Miss Mary Jo Forman will be in Fort Worth Saturday to attend the annual youth rally.

Rev. H. T. Arnold, of San Angelo, will be here Sunday morning and will be the guest speaker at the 11:00 o'clock service.

No services will be held at night. Sessions opened at Fort Worth Wednesday and will continue through Sunday. The last session of the conference will be held Sunday afternoon, when the appointments for another year will be read.

Rev. Smith takes an unusually good report to Fort Worth for the Ballinger church.

Mrs. C. E. Dillon is in charge of a daily vacation Bible school being held at the local church all this week.

The final meeting is scheduled Saturday.

Mrs. J. C. Sturges left Friday for market in New York. She plans to return around June 15.

5 Oil Pays Discovered In One Hole Near City

T. W. Murray and Mr. and Mrs. R. L. Rasmussen have found five oil pays in one hole on the H. F. Lindemann place near Ballinger.

Their discoveries are creating interest among oil people and the result is expected to be greatly increased activity in this area.

On a drillstem test in the McMillan sand between 2,541 and 2,559 feet, gas came to the surface in eleven minutes and oil flowed in three hours. Flowing pressure was 350 pounds and shut-in pressure 650.

In the same hole a drillstem test in the Palo Pinto, between 3,315 and 3,335 feet, gas surfaced and heavy oil and gas cut mud was recovered. Flowing pressure was 100 and shut-in pressure built to 300 in 30 minutes.

In a test in the Morris zone between 3,488 and 3,496 feet gas surfaced in five minutes and 420 feet of free oil and 240 feet of oil cut mud were recovered. Flowing pressure was 350 pounds and shut-in 1,350.

A drillstem test in the Goen lime between 3,786 and 3,793 feet gave a heavy gas flow with oil and gas cut mud and a small amount of free oil. Shut-in pressure was 700 pounds.

In the Gardner sand, between 3,827 and 3,835 feet, gas surfaced in two minutes, mud flowed in 21 minutes and oil in 23 minutes. Flowing pressure was 475 pounds and shut-in pressure 1,425 pounds.

Cement has been set for the Gardner production and an

official gauge will be taken within a few days.

Hovgard & Fitzgerald No. 1-August McWilliams, seven miles northeast of Winters, will go to 4,500 feet.

T. W. Murray has filed an application to re-enter his H. F. Lindemann No. 2, a wildcat failure, seven miles northeast of Ballinger. He has asked permission to drill to 4,200 feet.

Murray Petroleum Co. No. 1-1-Annie Cox, eight miles northeast of Ballinger, will be drilled to 4,500 feet.

S. C. Herring No. 2-W. D. Buford has been located east of production in the Hull-Dobbs field and will go to 4,500 feet.

L. H. Armer, of Fort Worth, has filed an application for a 5,280-foot wildcat on the C. A. Dooze place, three miles south of Maverick.

G. W. Strake No. 1-W. T. Colburn, on the south side of the Lloyd field, is projected for 4,800 feet.

Thomas D. Humphrey has filed an application to drill his No. 1-Thomas C. Hall, 4 1/2 miles northeast of Ballinger. Drilling will explore to 4,300 feet. The location is 3/4 of a mile south of the Beddo field.

Humphrey has also filed an application for his No. 2-C. F. Tounget, 1/2 mile south and slightly west of production in the Lindemann-McMillan field. Projected depth is 4,300 feet.

Humble Oil & Refining Co. No. 1-George J. Onken is a 4,900-foot try in the newly designated Winters (Palo Pinto) field.

One Killed, One Hurt In Wreck Near Here

J. D. Miller, 32, of Quintin, Oklahoma, was killed instantly and Edwin Green, 41, also of Quintin, was seriously injured in an automobile accident Monday morning at 1:45 on highway 67, 11 miles east of Ballinger.

The two men were driving a 1948 Chevrolet coach and hit the concrete approach to a bridge. The driver, Green, had dozed and the car crashed into the abutment at a high rate of speed. When police arrived for investigation, the car was found in the opposite direction after spinning completely around in the air and landing against the opposite side of the bridge.

Miller was taken to the Newby-Davis Funeral Home and prepared for burial. A plane landed at Bruce Field Monday afternoon and picked up the body and flew it back to Quintin for burial.

Green was taken to the Ballinger Clinic-Hospital with numerous and serious cuts. His wife was due to arrive here Monday to be at his bedside and remain with him until he can be moved.

The two men, employed by the Texas highway department, were working in the Lamesa area. They had been at home and were returning to their jobs when the wreck occurred.

Eagle Baseball Club Folds After 3 Games

The Winters-Ballinger baseball club had a short life in the Loughorn League. Harold Webb, manager, announced to a group of fans at the end of the game Friday night with the Artesia Drillers, that the team was folding and that the league president, Hal Sayles, had been notified.

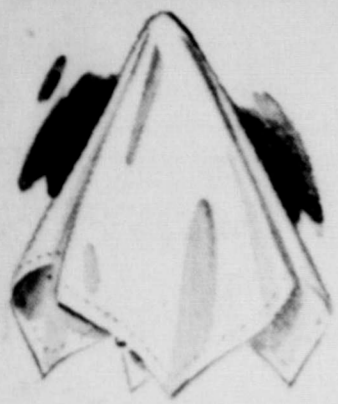

The team opened here on Wednesday night of last week against the Carlsbad Potashers before a crowd of some 1,000. It was apparent before the game had progressed far that the local Eagles were no match for the boys from New Mexico and the game looked like a group of rookies playing a major-league outfit.

After coming to Ballinger, two men had left the club, others were injured and in the game Friday night it was necessary to use every man in the dug-out, including Manager Webb, to finish the game. Two pitchers were in outfield positions and the visiting Drillers won with ease.

Webb told the fans that he had spent the day on the telephone and could not obtain players who could win in this league. T. J. Mansell said that the present team could not draw enough to keep gate receipts meeting expenses, and fans were in favor of folding before additional expense piled up. They voted Webb an invitation to return some time later with a lower class club.

President Sayles cancelled the remaining games of the Eagle-Drillers series until he could meet with league officials and decide on the future plans.

SOCIETY

Courtesies Extended Miss Lynn, Bride-Elect

Beginning a week of pre-nuptial parties complimenting Miss Clara Beth Lynn, bride-elect of Gilbert Vance Black, Mrs. Alex McGregor, of San Angelo, hosted a gift shower in the Alex McGregor home on Eleventh Street Wednesday afternoon of last week.

Miss Lynn, daughter of Mr. and Mrs. Estes M. Lynn, will be married on June 12 at 10 o'clock, son of Mr. and Mrs. Preston A. Black, of Bent, Neff, Mexico. Greeting guests at the door were the hostesses, Mrs. Lynn and the honoree, Miss Elizabeth Lynn, of Takahasse, Florida; and Mrs. Jack Randall, of San Angelo.

The bride-elect's chosen colors, yellow, white, and green were used in house and table decorations.

An arrangement of white gladioli, yellow rosebuds and day lilies with fern were used to form the centerpiece for the tea table. Other rooms were decorated with bouquets of daisies, yellow snapdragons and gladioli.

Miss Grace Jo Bondarant was at the bride's registry. Mrs. Bill Sykes, of Fort Sumner, New Mexico, served the salad; Mrs. Fred Dodson, of San Angelo, presided at the punch bowl. Other tea dainties were served by Mrs. J. R. Lusk, Mrs. Ernest Caskey, Mrs. W. H. Woody, Mrs. L. R. Turner, Mrs. Tom Agnew, Mrs. Claude Stone, Mrs. R. L. Craig.

Gifts were presented in a basket decorated in the bride-elect's colors, by the three small children of Mr. and Mrs. Jack McGregor, of San Angelo. Baby Jack Robert was dressed at Dan

Cupid with his bow and arrow, little Frances was attired in a summer yellow frock and Tom Bandy deputized the bridegroom in an all-white suit with a boutonniere. As gifts were presented, Mrs. Al Purifoy played the wedding processionals.

The guest list included: Mmes. R. W. Claunch, Al Wehrley, J. D. Reneau, Bob Sykes, James Williamson, E. H. Boelsche, Virginia Nance, Frank Barnett, Lloyd Johnson, Lanham Flynn, J. B. Dankworth, Foy Farmer, Q. V. Miller, W. R. Gray, Max McCrary, Jr., Price Middleton, E. W. Staasney, Powell Wear, Alex Saunders, Max McCrary, Sr., Malcolm McGregor, O. L. Parish, Jr., Arthur Giesecke, R. G. Erwin, J. C. Sturges, of San Angelo; John E. Green, Jr., W. R. Bogle, Misses Dorothy Bruce, Pat Caudie, Jewell O'Neal, Gladys Hill, Marryatt Smith, Winnie Trail and Ann Graves, of New Hampshire.

Morning Compliment for Miss Lynn

Mrs. E. H. Boelsche entertained with a morning coffee Thursday at her home in Wilke Terrace to honor Miss Clara Beth Lynn.

Mrs. Boelsche carried out the yellow, white and green color scheme in the floral decorations with arrangements of daisies.

A footed silver holder with white and yellow chrysanthemums and majestic daisies encircled with miniature bridesmaids hats in pastel shades formed the centerpiece for the dining table laid with white linen. All table appointments were in silver. Napkins were embossed with a silver bride.

Mrs. Estes M. Lynn, mother of the bride-elect, was at the silver coffee service and Mrs. James Williamson served assorted fruits, cookies and assorted pastries also were served.

A hostess gift was presented. Mrs. Lynn and guests expressed their wishes for the bride in a bridal booklet of the bride's chosen colors.

Others were: Mmes. Bill Sykes of Fort Sumner, New Mexico; B. W. Claunch, E. L. Craig, Al Purifoy, Bob Sykes, Max McCrary, Jr., J. D. Reneau, Lanham Flynn, O. L. Parish, Jr., Ed Curry, John E. Green, Jr., Powell Wear, Orland Middleton, Charles Hambrick, John King, Jack Bandy McGregors, of San Angelo; Edgar Payne, of Abilene; Misses Dorothy Bruce, Pat Caudie, and Elizabeth Lynn, of Takahasse, Florida.

Miss Lynn Honored at Tea in Pyburn Home

Complimenting Miss Clara Beth Lynn, who will become the bride of Gilbert Vance Black, of New Mexico, in a ceremony to be read in the First Presbyterian Church on Broadway on June 12, a tea was hosted in

the home of Mrs. J. M. Pyburn on Twelfth Street late Friday afternoon.

Co-hostesses with Mrs. Pyburn were her daughter, Mrs. R. L. Craig, and her sister, Mrs. B. W. Claunch.

Alternating in receiving were Mrs. Pyburn and Mrs. Claunch, who presented Mrs. E. M. Lynn and Miss Clara Beth Lynn, and Mrs. R. W. Claunch. The honoree's chosen colors,

white, yellow, and green, were used in reception rooms and table decorations. Daisies and ferns in a cut glass bowl formed the centerpiece for the dining table which was overlaid with a handmade cutwork linen cloth. Other table appointments were a handpainted punch bowl and cut glass napkins where white mints decorated with yellow and green florals and assorted home-made cookies were served.

Alternating in presiding at the tea table were Mrs. Bill Sykes, Mrs. Alex McGregor, Mrs.

Powell Wear, Mrs. Ernest Caskey, Miss Virginia Henniger and Miss Marryatt Smith.

Mrs. Craig, Mrs. Alex Saunders and Mrs. James Williamson assisted in dispensing courtesies to 80 guests who called between five and seven o'clock.

FOR ATHLETE'S FOOT USE A KERATOLYTIC BECAUSE--

IT SLOUGHS OFF the tainted outer skin to expose buried fungi and kills it on contact. Get this STRONG, keratolytic fungicide, T-A-L, at any drug store. If not pleased IN ONE HOUR, your 48c back. Now at Pearce-Bailey Drug.

A word to newly engaged couples

Citation by Publication
 THE STATE OF TEXAS
 TO: Janice M. Comisky, Clint G. Rogers, Trustee; John D. Rogers and wife, Carolyn G. Rogers; Henry W. Shimeall; Henry Stern; Percy S. Strauss, Jr.; A. J. Long; GREETING:
 You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock a. m. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday, the 20th day of July, A. D. 1953, at or before 10 o'clock a. m., before the Honorable District Court of Runnels County, at the Court House in Ballinger, Texas.
 Said plaintiff's petition was filed on the 30 day of December, 1952. The file number of said suit being No. 6187.
 The names of the parties in said suit are: Luther Lynn as Plaintiff, and Fred M. Manning, Inc., R. W. Abercrombie, R. H. Abercrombie, John L. Abercrombie, J. S. Abercrombie, J. H. Anderson, Jr., DeWalt H. Ankeny, Marie Ankeny, Garland Anthony, Robert S. Anderson, Beloit Corporation, Ltd., a private corporation, Henry M. Brown, Raymond Bandue, Edna Bandue, Edward H. Bailey, Nettie Currie, Individually and as Independent Executrix of the Estate of Sallie M. Odom, Deceased, C. R. Craig, Janice M. Comisky, J. Brown Cutbirth, Athena Chessman, Delaware Drillers, Inc., a private corporation, John J. Deifel, Dan H. Dailey, Jr., Miss Louise Dailey, Maurice Dailey, H. D. French, W. H. Francis, Jr., Evelyn G. French, S. J. Fuller, Fred Goodstein, D. G. Gordon, A. N. Goldberg, Greenbrier Oil Company, a private corporation, Humble Oil & Refining Company, a private corporation, W. L. Herstadt, Louis B. Hensley and wife, Mozelle Hensley, James T. Harris, Jr., J. T. Harris, III, Wm. H. Hamm, Jr., Thelma Irby, Margaret Schmid Jeremiah, John Richard Jeremiah, Virginia Deifel Jones, James E. Kelly, Margaret H. Kelly, A. J. Long Lester & Duffield, Inc., a private corporation, William H. Lang, Theodora Lang, Margaret Alice McNeely, a widow, John E. Moran, George P. Murray, Individually, and as Trustee, Fred M. Manning Wright Morrow, Mrs. Lucy G. Moses, Henry L. Moses, Arthur T. McDannald, Malco Refineries, Inc., a private corporation, Joseph A. Maun, T. W. Murray, Christine Hall McDannald, Individually, as an Agent, Nevada Oil Company, a private corporation, Newmount Oil Company, a private corporation, Olivia Wooten Oberhaus, N. P. Powell, Roy M. Pair, R. G. Piper, The Public National Bank & Trust Company of New York, a corporation, Leon M. Payne, E. A. Poe, Clara Elizabeth Quick, Clint G. Rogers, Trustee, John D. Rogers and wife, Carolyn G. Rogers, Giddings Rogers, James I. Riddle, May Dailey Reilly, Herbert

Rosenbush, Ann B. Slezak, Wm. C. Sylvan, Dale Sumrall, William S. Sherwood, Agent, Percy S. Strauss, Jr., Henry W. Shimeall, Clarence W. Sanders, Henry Stern, L. P. Teas, Trustee, John H. Tomfohrde, Mrs. Edna Wiley, C. H. Wiley, Wunderlich Contracting Company, a Nebraska Corporation, John H. Wilson, Warren Oil Corporation, a private corporation, Mannon L. Walters, J. H. Wooten, and C. H. Wooten, also Honorable Bason Giles as Commissioner of the General Land Office, of Texas, as Defendants.
 The nature of said suit being substantially as follows, to-wit: The Plaintiff sues to establish his right to an oil and gas lease from the State of Texas under Mineral Application No. 46233, filed by the Plaintiff in the General Land Office of Texas, October 11, 1950, upon the following described land situated in Runnels County, Texas, to-wit:
 A tract containing 274.697 acres of land, more or less, and briefly described as bounded on the North by Survey 298, in the name of Maria Candida Zuniga; on the West by said Survey 298; on the South by Gray Carroll Survey 290 and 291, and on the East by Survey 292, in the name of Jose Maria Garcia; said tract being particularly described by metes and bounds in Plaintiff's Original Petition.
 And the interest of the Defendants involved is in lands adjacent to said tract, together with any claim they may have to said tract itself.
 Plaintiff alleges that said tract, at the time of the filing

of his said Mineral Application was vacant, unsurveyed School Land under the provisions of Article 5821c (as amended), Revised Civil Statutes (Vernon's Annotated Texas Statutes); and that same belongs to the State of Texas, subject to Plaintiff's said application for an oil and gas lease thereon under the provisions of said Law; said ownership by the State of Texas being for the benefit of the Public Free School Fund.
 If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.
 Issued this 2nd day of June, A. D. 1953.
 Given under my hand and seal of said Court, at office in Ballinger, Texas, this 2nd day of June, A. D. 1953. (Seal)
 WILLIE STEPHENS, Clerk
 District Court, Runnels County, Texas. 4-4t
COMMISSIONERS' COURT TRANSACTS BUSINESS
 The Runnels county commissioners' court held a regular meeting Monday, the court discussed a number of matters pending at this time without taking any official action. The tax rate cannot be set until the regular August meeting, but requirements of the various funds were discussed.
 Bills were approved for payment and other routine items were cleared.

SOCIETY

Civic-Garden Club Has Church Floral Arrangement Theme

lingier Civic-Garden Club met Tuesday afternoon in the library club room. Sixteen other members were in attendance and Mrs. Jimmy Cusenbary was a guest. Mrs. B. W. Claunch conducted the business. Mrs. Jack Moore,

civic chairman, asked that each member bring three iris rhizomes to City Park Wednesday to be planted in the plot of ground which has been prepared for the Douglass Memorial Iris Garden. Mrs. Moore was also named to serve on the park committee. It was announced that 206 library books had been in the circulating library during May, that 10 new books had been added and 15 more had been ordered.

Mrs. Elmer Shepperd presented the "Floral Arrangement for Church" programs. Mrs. Jack Moore discussed the program topic, and Mrs. F. L. Wells gave a talk on Creating a Picture With Flowers" and presented an illustration with an arrangement of gladioli and

asters. Mrs. Shepperd suggested that members be finding dried flowers and preparing them for Thanksgiving arrangements.

Stokes-Wade Nuptials Performed in Blanton Church

The Baptist church at Blanton was the scene for the wedding of Miss Darlene Wade, daughter of Mr. and Mrs. William Wade, and Henry L. Stokes, all of this city. The Rev. W. J. Rhymes, Jr., pastor of the Elm Dale Baptist Church, Abilene, former pastor of the Blanton church, officiated at the double-ring service which took place at 7:30 p. m. last Saturday.

Vows were exchanged before an altar decorated with baskets of white gladioli and dais-

ies. A multi-colored gladioli arrangement centered the altar. The setting was lighted by white tapers in branched candelabra. Pews were marked by white satin ribbons.

Pre-nuptial wedding music was given by Miss Irene Forman, pianist, and accompanied Miss Cordelia Flanagan, who sang "Because" and "Always."

Miss Forman also played the traditional wedding marches. The bride was given in marriage by her father. She wore a bouffant gown of imported Swiss organdy embroidered with floral motifs over plain organdy. The scalloped embroidered bodice was topped with a plain organdy yoke which was accented with a Peter Pan collar. Tiny covered buttons

traced the back of the bodice which had short cap sleeves. The full ballerina length skirt was scalloped at the hemline. Her lace-edged shoulder-length veil of illusion fell from a heart shaped tiara of illusion outlined with lilies of the valley. Her bridal bouquet was of white carnations with satin streamers and stephanotis was atop a white Bible belonging to Mrs. Tom Beazley, of Temple, aunt of the bride. For something old the bride wore a bracelet belonging to her grandmother, Mrs. Frank Sharp, of Paint Rock. She wore white nylon mitts and white nylon opera pumps.

Miss Gwin Wade attended her sister as maid of honor. She wore a ballerina-length costume of yellow embroidered organdy.

The fitted bodice was designed with an off-the-shoulder neckline and the full skirt was edged at the hemline with scallops. She carried a nosegay of yellow carnations. Miss Doris Stokes, sister of the bridegroom, was bridesmaid. She wore an orchid embroidered organdy dress made identical to that of the maid of honor and carried an orchid carnation nosegay.

Sue Wade, sister of the bride, and Dorothy Lange, cousin of both the bride and bridegroom, were the candlelighters. They wore frocks of pink and blue nylon. The tiered skirts were complemented at the waistline with contrasting sashes. They wore wristlets of contrasting shades of carnations.

Herman Stokes, of Wichita Falls, attended his brother as best man, and groomsmen was Kerry Lang, cousin of the bridegroom. Ushers were Elwood Wade, uncle of the bride, and Alvin Spreen, cousin of the bridegroom.

The reception was held at the home of the bride's parents in the Blanton community. Baskets of white gladioli decorated rooms. The bride's bouquet centered the linen-laid table where crystal candelabra holding white tapers were at each end. Daisies encircled the throated decorated cake topped with a small bridal couple. Mrs. Bill Matous, of Temple, aunt of the bride, served the cake, and Misses Claudene Lange and Julia Lee Spreen laded punch. Miss Joyce Spreen registered guests in the bride's book.

When the couple left for a wedding trip to Carlsbad, New Mexico, and to Mexico, the bride was wearing a two-piece summer frock of navy and white with white accessories. Her corsage was of white carnations from her bridal bouquet. The couple will make home at 612 Fifth Street. Mr. Stokes is associated with his father in farm and ranch business.

The bride and bridegroom were spring graduates of Ballinger High School.

Miss Wade Honored at Kitchen Shower

Mrs. Pierson Corder complimented Miss Darlene Wade with a kitchen shower last Friday morning, entertaining in her home on Ninth Street.

Mixed garden flowers decorated rooms. A road map was spread out on the registry table where a miniature car inscribed with all the identifications of a bridal couple told where the wedding trip was to be.

The hostess served assorted cookies, sandwiches and coca colas to the honoree's mother, Mrs. William Wade; the bridegroom's mother, Mrs. Herman Stokes; Mrs. Bill Johnson, Lynn Canady, H. M. Gallant, Rufus Allen, Leonard Willingham, Misses Doris Stokes, Gwin and Sue Wade, Pat Manning, Elrita Stanley, Julia Lee Spreen and Claudene Lange.

O. E. S. Chapter Has Regular Stated Meeting

The recently installed worthy matron, Mrs. Inez McEntire, and worthy patron, George M. Beard, were in the East for the regular June meeting of the Order of Eastern Star, Chapter No. 266, held Monday evening in the Masonic hall.

All retiring officers presented annual reports. Mrs. Willie Hoover, who was unable to be installed as Electa at the installation was duly installed. New officers presented a drill and formed a V formation at which Mrs. Faye Clark presented Mrs. McEntire with a birthday gift and gave an appropriate birthday poem.

The refreshment committee served a sandwich plate with punch to 34 members and guests. Mrs. Lela Sweeney, of Shreveport; and Mr. and Mrs. Broussard, of Sulphur, Louisiana.

Miss Mary Jo Forman is at Glen Rose this week as one of the counselors for the Glen Lake Methodist Junior camp. She will go to Fort Worth for the conference youth rally on Saturday. Miss Forman is secretary of the youth conference.

A 'formicary' is an ant's nest.

AMERICA'S NEW RAILROAD

A 50-yard dash with a potato on a spoon! An exciting bit of Americana—but it's not the

World's Greatest Potato Race

That's the 2200-mile dash on the Santa Fe with 1,350,000,000 potatoes

Somebody east said, "Pass the potatoes!"

Out in California, the fertile San Joaquin Valley heard them. And look what happened.

Santa Fe started moving 14,000 to 15,000 carloads of potatoes to hungry markets all over the Midwest and East, 36,000 to 40,000 pounds to a carload. As high as 550 carloads per day at peak of harvest. That's more than 1,350,000,000 potatoes. And that's a lot of spuds.

Bag 'em. Load 'em. Roll 'em. And hustle. Somebody east said, "Pass the potatoes!"

From America's largest fleet of refrigerator cars owned by an individual railroad, these yellow

Santa Fe "reefers" are dispatched to the "Potato Capital of the West."

There the cars are cleaned, checked, loaded, switched. And leed *fast* (a car a minute, if you please). These potatoes can't wait!

In servicing the cars as they speed east, new icing docks at Bakersfield and Needles, Calif., Belen, N. Mex., Waynoka, Okla. and Kansas City work the clock around. Electronically-controlled "hump" yards speed the switching.

SANTA FE PRECISION—SANTA FE SPEED

On-time delivery calls for full-time precision to keep these schedules "on the advertised."

After the potatoes come the wheat... citrus fruits... grapes... melons... and green vegetables all year long—flooding east from Santa Fe country to you. Everything from avocados to zucchini.

It costs Santa Fe millions of dollars to serve you so—and provide you with *Super Chiefs*, too! But we're proud to say they are *earned* dollars. Not one penny comes from the taxes you pay.

SANTA FE SYSTEM LINES

PROGRESS THAT PAYS ITS OWN WAY

Week-end visitors in the C. W. McAden home were Mr. and Mrs. Fred L. Simpson, of Artesia, New Mexico; Mr. and Mrs. J. M. Glascock and Jimmy, of Ackerly; Pvt. and Mrs. Jimmy McAden and Mr. and Mrs. Wayne Swift and Charles

Wayne, of Abilene.

In all these things you want...

Chevrolet's

farther ahead

than ever!

... in Fisher Body Quality! It's the only Body by Fisher in the low-price field. And now it's even more outstanding in styling, in comfort and conveniences, in quality.

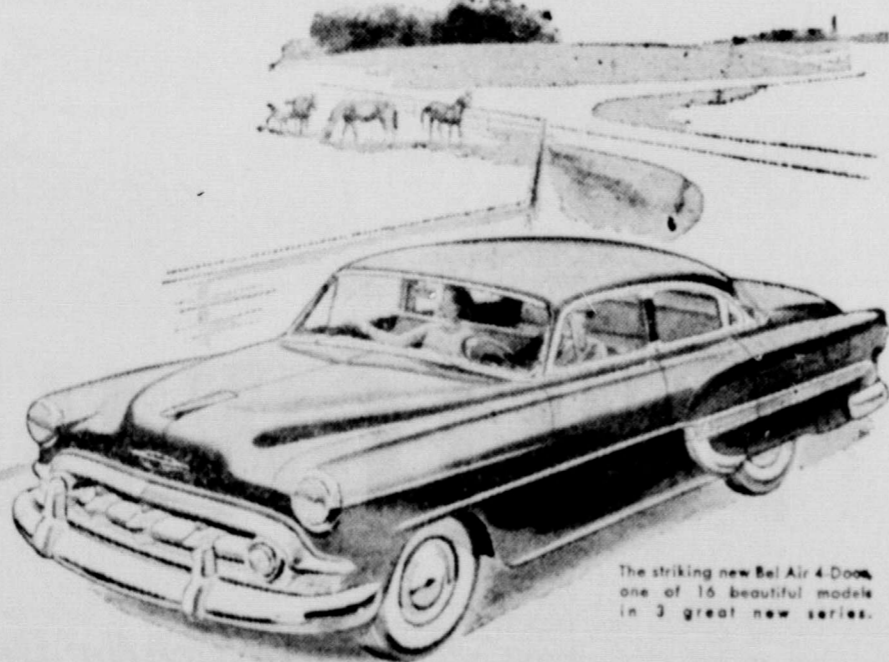

... in High-Compression Power! Most powerful engine in its field with 7.5 to 1 compression ratio—the new 115-h.p. "Blue-Flame" engine with Powerglide.* Advanced 108-h.p. high-compression "Thrift-King" engine in gearshift models.

... in Powerglide and Power Steering! Powerglide is the newest, most advanced automatic transmission in its field. Power Steering—another Chevrolet exclusive in its field—lets you steer with finger-tip ease.

... in Economy and Value! You go much farther on every gallon of gas (regular gas, at that). You save on over-all costs of operation and upkeep. Chevrolet is again the lowest-priced line in its field!

... in Popularity Leadership! Again this year—as in every single postwar year—more people are buying Chevrolets than any other car. For the first 3 months alone, Chevrolet is over 20% ahead of the second-choice car. Nearly 2 million more people now drive Chevrolets than any other make.

*Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Two-Ten" and Bel Air models only. Power Steering available on all models.

The striking new Bel Air 4-Door, one of 16 beautiful models in 3 great new series.

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

Ray Fuqua Chevrolet Co.

'She's Back on Broadway,' Drama With Music, Stars Virginia Mayo

A backstage drama with music about the show people who help make Hollywood and Broadway the crossroads of the world's entertainment business, Warner Bros. "She's Back on Broadway" is booked at the Texas Theatre Sunday and Monday, June 14, 15. Filmed in WarnerColor, the new screen-play presents a big cast including Virginia Mayo, Gene Nelson, Frank Lovejoy, Steve Cochran and Patrice Wymore in the important roles.

Miss Mayo plays a film celebrity seeking a renewed career on Broadway. In New York she meets a host of personalities including ex-boy friend Cochran. The lovers resume their romance until complications arise with the appearance of Miss Wymore, the other woman in Cochran's life. From then on, the two beauties are matched against one another both for Steve's affections and the honor of becoming the "toast" of Broadway.

One of the production highlights is "Voodoo Calypso," a lavish number set in the New Orleans French Quarter at Mardi Gras time and featuring 20 boy and girl teams dancing to the torrid rhythms in clouds of swirling confetti and multi-colored balloons.

Virginia Gibson, Larry Keating, Paul Picerni and Sy Melano comprise the supporting performers.

Thundering across the screen with all the bravery, adventure and patriotism of the great 45th division which it immortalizes, Republic's production, "Thunderbirds," starring John Derek, John Barrymore, Jr., Mona Freeman, Eileen Christy, Gene Evans and Ward Bond, comes to the Texas screen today, tomorrow and Saturday in conjunction with "Blackbeard the Pirate," starring

Bette Davis; Hayden Stars of 'The Star'

Coming to the Texas Theatre next Tuesday, Wednesday and Thursday, June 16 through 18, is Bette Davis' auspicious new starring vehicle, "The Star," which traces the last days of a great actress and the first days of a woman in love. Sterling Hayden co-stars in the 20th Century-Fox production.

In support are Natalie Wood, Warner Anderson, Minor Watson and June Travis. Special music for the film was composed and conducted by Victor Young.

Weight of the earth is one sextillion, 600 quintillion tons.

'Clementine,' 'Naked Spur,' 'Thief of Venice' Provide Varied Fare for Hillcrest Patrons

Starring Henry Fonda, Linda Darnell and Victor Mature, and directed by three-time academy award winner John Ford, 20th Century-Fox's encore triumph, "My Darling Clementine," is the No. 1 attraction at the Hillcrest Drive-In Theatre today and tomorrow. Set in the colorful Southwest of the 1880s, the picture, based on actual historical incidents, unfolds one of this country's most exciting chapters of flaming hate, violence and romance.

Columbia's "Problem Girls," drama of a secret reform school for rich girl delinquents, is the No. 2 feature on the Texas double-bill today and tomorrow. Helen Walker, Ross Elliott and Susan Morrow are starred.

"Rio Grande," starring John Wayne, and "Wild North" are the two feature films at the Hillcrest Saturday only, June 13.

"The Naked Spur" opens a two-day run at the Hillcrest Sunday, June 14. The big name cast includes James Stewart, Janet Leigh, Robert Ryan, Millard Mitchell and Ralph Meeker. A hard-hitting adventure-drama of three men who are motivated by greed in joining up to track down a fugitive with a price on his head, this picture was photographed in Technicolor on locations in the Rockies, some of them in altitudes of 14,000 feet.

"The Thief of Venice," spectacular drama of ancient Venice actually filmed in the historic city with an all English-speaking cast headed by Maria Montez, Paul Christian, Faye Marlowe and Massimo Serato, will be shown at the Hillcrest in a twin-bill Tuesday and Wednesday, June 16, 17. Release is by 20th Century-Fox.

11 Arrests Made By Police Force In Past Month

The city police department reports eleven arrests in May, \$200 being assessed in fines and \$214 collected, part of which was for old fines.

Two cases handled by the police were transferred to the county court. One was fined \$50 and costs on a driving while intoxicated charge and the other was fined \$200 and costs on a charge of disturbing the peace and carrying a gun.

Arrests were: drunkenness, 5; affray, 2; running red light, 1; no operator's license, 1. City records list nine traffic accidents with an estimated \$2,178 paid for repairs.

Collections on parking meters for the month totaled \$704. Traffic police issued 2,082 tickets and all but 150 were returned. A total of 56 were mailed notices that \$1. fines were assessed and all of these have paid except 7.

The police radio station at the city hall handled 547 calls during the month.

HOSPITAL NOTES

Patients dismissed from the Ballinger Clinic-Hospital the past week included:

- Paul Valdes, Bronte, medical, Monday
- F. R. Sorrells, medical, last Thursday
- Mrs. B. A. Beach, Rowena, medical, last Thursday
- Mrs. V. O. Wade, medical, Monday
- Mrs. J. C. Collins, medical, Saturday
- Mrs. J. H. Butler, Winters, medical, Monday
- D. E. Carline, medical, Saturday
- Miss Ann Boatright, Winters, medical, Wednesday
- W. A. Tillery, medical, Tuesday

Births recorded at the clinic the past week were as follows: Mr. and Mrs. Avice Frison, a daughter, June 5

- Mr. and Mrs. A. E. Matthews, a daughter, June 4
- Mr. and Mrs. David Martinez, a son, June 9
- Mr. and Mrs. Ross Campbell, a daughter, June 18

Patients hospitalized at this time include: Earl Cope, medical; Willie Mae Wiseman, surgical; Lee Sykes, medical; Mrs. F. A. Rogge, Rowena, medical; Mrs. Emma Hines, Hising Star, medical; Mrs. Janey Jackson, medical; Mrs. J. H. Wellbrook, medical; George Green, Quinton, Oklahoma, medical; Mrs. E. C. DeLay, medical; George Cortina, medical; Homer Capps, medical.

Mr. and Mrs. H. W. Doherty had as their guests last week, the latter's three sisters and her brother-in-law, Judge and Mrs. J. R. Smith, of Breckenridge; Mrs. Ancie Ferguson, of Arlington; and Mrs. Georgia Norman, of Los Angeles.

DEATHS

H. G. Book

Funeral services for H. G. Book, 36, who died Wednesday at his home in Taft, were held at the St. Joseph's Catholic Church, Rowena, at 9:00 a. m. Saturday. Rev. W. F. Bosen, pastor, officiated and burial followed in St. Joseph's Cemetery with Newby-Davis Funeral Home in charge.

A native of Illinois, decedent came to Texas in 1900. He was married that year to Frances Schwabner in Williamson county. The couple moved to Rowena in 1948 and he left there in 1950 for Taft, where he had been making home.

Survivors include a son, George Book, Dimmitt, a daughter, Mrs. Angelo Havoka, Taft, a brother, John Book, Rowena, 10 grandchildren and 5 great-grandchildren.

LOCAL FIREMEN, WIVES TO STATE CONVENTION

Ballinger is well represented at the State Firemen's Association convention at Austin this week. Nine firemen and their wives compose the Ballinger delegation which left Monday morning to be present for programs Tuesday, Wednesday and today.

In the local delegation are Chief and Mrs. Charles Webb, Messrs. and Mrs. L. F. Jackson, Lynn Candier, Chester Cherry, John King, Jack Fry, W. N. Selby, Bill Bell and D. O. Possey. Pat Bell, department sponsor, also is a member of the group.

MEETING OF PAPE FAMILY HELD AT NEW BRAUNFELS

E. C. Pape, A. S. Pape and Mrs. Luella Rumpy and granddaughter, Diane Sims, of Winters, visited relatives at Seguin the past week-end. On Sunday, they attended the annual Pape reunion at New Braunfels. At this reunion, a memorial service was held for the late Mrs. E. C. Pape, of Ballinger, and Gilbert Meyer, of San Antonio. The Rev. August Pape, of Gonzales, delivered the sermon.

MASONS ELECT OFFICERS; TO BE INSTALLED SOON

The Ballinger Masonic Lodge has elected new officers and the installation will be held soon after June 24. The new leaders are: Horace Atnipp, worshipful master; R. E. Harris, senior warden; Clifford Cook, junior warden; George Mader, treasurer; John King, secretary; George Beard, chaplain; Ralph Ballou, tiler; J. A. Perry, senior deacon; T. W. McEntire, junior

deacon; Tony Morgan, senior steward; M. A. Foy, junior steward.

Mr. and Mrs. Lee Moreland will leave Sunday for San Antonio, where Chief Moreland will attend the annual meeting of city police and fire marshals. Mrs. Moreland will visit relatives.

Mr. and Mrs. Bill Witter and children and Mrs. Paul Witter, Sr., have gone to Austin to spend the week-end with Mr.

and Mrs. M. N. Franka. Mrs. Franka will be installed as worthy matron of the Austin Eastern Star chapter.

Mr. and Mrs. Bobby Penn, of Corpus Christi, were weekend visitors in the home of Mr. Penn's mother, Mrs. Ona Penn, and his grandfather, U. E. Hartman.

Mr. and Mrs. J. G. Tuckey and children left Saturday for a ten-day trip to Louisiana.

SO BEAUTIFUL! SO POWERFUL!

GENERAL MOTORS LOWEST PRICED EIGHT

SO ROOMY! SO LOW IN PRICE!

Judge Pontiac purely from the standpoint of quality and it's hard to believe that it is actually a low-priced car.

Here's a car so handsomely styled it's one of the most beautiful on the road.

Performance-wise, too, Pontiac will take on all comers. Its big, high-compression engine gives you split-second response in city traffic, lets you cruise at highway speeds with plenty of power to spare and economy, too.

Pontiac is a big car—in fact, no car so big is priced so low. Its long 122-inch wheelbase means road-hugging safety. And inside you'll find Pontiac's big, roomy body by Fisher gives you plenty of space to relax.

But Pontiac's outstanding feature is its price—a price so low that if you can afford any new car you can afford a Pontiac.

We'll be glad to prove that dollar for dollar you can't beat a Pontiac!

SOCIETY

Middletons Celebrate Fiftieth Wedding Anniversary

Mr. and Mrs. W. E. Middleton, 902 Tenth Street, observed their golden wedding anniversary Sunday with an open house from 3 to 5 o'clock. Hosts were their children, Mrs. E. C. Tinsley, Ballinger; Walter O. Middleton, Ballinger; Fred Middleton, Alexandria, Louisiana; Wilson Middleton, San Angelo, and Price Middleton, Ballinger.

Mrs. Walter O. Middleton greeted guests and presented the honored couple. Others in the receiving line were the honored couple and their children.

The golden wedding anniversary theme was carried out in the home with arrangements of golden gladioli in white baskets, yellow carnations combined with calla lilies, and yellow chrysanthemums which were gifts from friends.

The dining table was laid with cutwork linen and centered with a large gold and white

wedding cake which depicted an open Bible. On the left hand side was inscribed in gold "Walter and Bell, 1903-1953." The ten commandments were written in gold letters on the right side. Outlining the Bible cake which lay on a base of gold foil, was a wide ruffle of gold lace entwined with gold and white ribbon. Sugar spun calla lilies and lilies of valley decorated the open page. Gold tapers in crystal candelabra enhanced with gold bands were at each side. Table appointments were silver and crystal.

Mrs. Ernest Caskey invited guests into the dining room where two granddaughters, Miss Betty Jo Middleton, of Ballinger; and Miss Jane Fuller, of Sherman, presided at the punch service and served the cake. Mrs. Price Middleton and Mrs. Wilson Middleton assisted in serving.

Suzanne Middleton and Mary Lou Middleton, granddaughters of the honored couple, registered guests in the registry.

Mr. and Mrs. Tom McEntire, who are brother and sister-in-law of Mrs. W. E. Middleton, assisted in dispensing courtesies in the house party, along with Mrs. Nora Middleton, of Marlin, sister-in-law of the honored couple. Others were Mrs. Cecil Hesler, of Brownwood; and Mrs. John Fuller of Sherman.

Mr. Middleton was born in Gurley, Alabama, July 31, 1883, and Mrs. Middleton was born in Lancaster, Texas, on January 8, 1885. The couple was married in Ellis county on June 10, 1903, and moved to Runnels county in 1906. Mr. Middleton is a retired livestock dealer and ranchman.

Seven children were born to

the couple, Winnie Belle Middleton died in infancy, and Mrs. Nannie Mae Fuller died soon after her marriage to John Fuller. Others are four sons, Walter O., Price, Wilson and Fred Middleton and the daughter, Mrs. E. C. Tinsley. Six of the seven grandchildren attended the open house. One grandson, Billy Jack Middleton, son of Mr. and Mrs. Walter O. Middleton, is a prisoner of war in Korea. Mr. and Mrs. Middleton packed the pretty birthday cake in the deep freeze and will cut it at a family get-together when Billy Jack returns home.

Miss Eubank, Bob Vancil to Wed July 11

Mr. and Mrs. J. M. Eubank, of San Angelo, have announced the engagement and approaching marriage of their daughter, Ruth Gayle, to Bob I. Vancil, son of Delbert Vancil, of Ballinger, and the late Mrs. Vancil.

The wedding will be solemnized in the First Baptist Church of San Angelo July 11.

Haechten-Beach Vows Read in Rowena Church

In a double ring ceremony in St. Joseph's Catholic Church, Rowena, Tuesday morning, Miss Anna Marie Beach, daughter of Mrs. Marie Beach, became the bride of Pvt. Marvin Haechten, son of Mr. and Mrs. Joe Haechten, all of Rowena.

The vows were read by the Rev. W. F. Bosen, pastor, at the nuptial high mass. Miss Joyce Ocker, cousin of the bridegroom, played the wedding music and accompanied the wedding for the church choir when it sang the mass and Rossini's "Ave Maria." The bride, given in marriage by her brother, Rupert Beach, wore a ballerina-length gown

of white satin topped with a lace bolero. Her fingertip veil of illusion was caught to a pleated headdress with rhinestone leaf clips. The bridal bouquet was of yellow carnations encircled with white feathered carnations. Her only ornaments were a rhinestone necklace and earrings, gifts of the bridegroom.

Mrs. R. W. Holtman, sister of the bride, was matron of honor. Her gown was of yellow taffeta, and she carried a white carnation bouquet centered with a calla lily. Her headdress was a ruffled bandeau of matching material.

Bridesmaids were Miss Dorine Hallmann and Miss Geneva Eggemeyer, cousin of the bridegroom. Their gowns were similar to that worn by the matron of honor. They carried yellow and white carnations.

Robert Holtman was best man and Wilfred Buskemper was groomsmen.

Following the nuptial mass an all-day reception was held at the parish hall. Mrs. Werner Lange and Mrs. R. J. Beach served the decorated cake. Mrs. C. J. Lange presided at the punch service and Mrs. Anthony Zentner registered guests in the bride's book.

In the evening a dance was held at the O.D.H.S. hall. When the couple left for El Paso where the bridegroom is stationed, Mrs. Haechten was wearing a navy suit with white accessories and a white carnation corsage.

Mrs. Haechten is a graduate of St. Joseph's High School. Mr. Haechten is a graduate of Ballinger High School. He has been in the armed service since January, 1953.

Maudie Lee Brookshier Honoree at Swim Party

Maudie Lee Brookshier was honored with a farewell swim party on Thursday of last week at the Ballinger pool. Her grandmother, Mrs. Arch Brookshier, was assisted by Mrs. C. C. Brookshier and Mrs. Gordon Brookshier.

After the swim ice cream, cake and cookies were served by Judy Brookshier, Rebecca Bowers, Linda Kay Crockett, Linda Condra, Paula Bishop, Janabeth Conner, Karen Conner, Lucia Clark, Jim Beth Fynt, Martha Gallant, Pauline James, Deanna Lindemann, Truman Conner, Ivan Estes, Steve Brown, Kyle Brookshier.

Maudie Lee left Sunday with her mother, Mrs. C. C. Brookshier, and her brother, Kyle, for Afghanistan, where they will join their father and husband, Curry C. Brookshier, who is with the point 4 program there.

BALLINGER HIGH TWIRLERS ATTEND SUL ROSS SCHOOL.
Twirlers of the Ballinger Bearcat Band left Monday for Sul Ross State College, Alpine, to enter a special school which will continue through June 17. More than 35 high schools will have twirlers enrolled for the course which will give them the best training available.

M. T. Camp, band director, accompanied the girls to Alpine and remained there a few days. Attending are Helen Kennedy, Ellen Shelburne, Louise Miller and Dorothy McShan.

Mrs. Q. V. Miller and son, Robert, were accompanied by Mrs. V. O. Wade and daughters, Mary and Sally Kay, when they attended the birthday party of Mrs. Miller's grandson, John Miller, Eldorado, Monday.

T. L. Epling went to Abbott Saturday to join Mrs. Epling, who had been at the bedside of her mother, Mrs. A. B. McDonald, for a week. Mr. and Mrs. Epling returned home Sunday.

Mr. and Mrs. Carl Fouts and children left Friday for Independence, Kansas, where they will visit relatives and friends.

Ballinger school authorities are keeping a crew of workers on duty this summer to irrigate and keep the campuses, athletic fields, and to do routine jobs on the interiors of buildings. The grass on the school grounds is doing well and with a full summer of care will be in excellent condition by fall. Additional ground near the junior high school has been cleared and grass sowed and is being irrigated every day to get a good turf before September. The usual care is being given Bearcat Field and the practice field in front of junior high. There are no major jobs to be done this summer.

During the first week of operation of the municipal swimming pool good business was recorded each day both in fees for swimming and in sales of merchandise from the concession stand. There were patrons for morning, afternoon and evening swimming, and while the weather was ideal for swimming, the water has been rather cold. After the first three days, the pool was drained, washed out and refilled and since then the water has been fairly clear. Service clubs have realized the need for benches around the outside of the wire fence and efforts probably will be made to provide seats for spectators. No one, except those in bathing suits, is allowed inside the swimming area. The kiddie wading pool also has proved very popular and has had its share of visitors. The park was practically filled with gatherings Saturday and Sun-

day and tables were at a premium the past two week-ends. City authorities are emphasizing that the park and all the facilities are for the enjoyment of people of this section as well as visitors and they are urged to come in as often as they please.

Runnels county farmers have been sticking to the job early to late the past two weeks and as a result Ballinger has been pretty well deserted. Planting, harvesting of small grain and cultivating of crops already growing have given farmers plenty to do since the last rain. Those in town the past week-end stated they were about to catch up and that rain was badly needed to keep row crops alive. Yields on small grain have been better than anticipated, some oats fields making as much as fifty bushels per acre. There is still a considerable amount of wheat in the county to be combined.

All spiders do not spin webs.

HAS YOUR ADDRESS BEEN CHANGED?

Ledger subscribers are requested to notify the publisher of any change in their address promptly. Under postal laws newspapers and periodicals must pay postage due for notices of any change in address furnished by the post office. Besides there always is the probability that your paper will be delayed or fail to reach you altogether if you do not give immediate notification when you move. The best plan for all concerned is to send the change of address in advance.

WEST TEXAS NOTES

Diek Spradley has been employed as a manager of the Stephenville Chamber of Commerce. He comes from Temple, where he served as assistant manager several years. Before entering this work he was in the air force during World War II serving in the Pacific theater. He has outlined a program of work at Stephenville and has been promised the full cooperation of the board of directors. The movement of small grain in the Melvin section was in full swing last week, 10 carloads of oats and 14 cars of wheat being shipped. In addition to these shipments, elevators were full for the first time since 1949. B. M. Batts, Jr., has finished combining his wheat and had a yield of 32 bushels to the acre. The harvest will continue two more weeks and soon afterwards the flax harvest will get underway.

James Crow, who was in the music department of Howard Payne College, Brownwood, has accepted a position with the First Baptist Church of Menard. He will be religious education director for the church and also handle the music. He met with choir members last week for rehearsals and to begin building up a large chorus. He served as a chaplain in Germany two years during World War II and has had other experience in religious education work.

A group of cattlemen from Central America visited Brady Sunday and Monday. The group was invited to Texas to attend the Madisonville Sidewalk Cattlemen's Association convention and from there came to Brady for an inspection tour. They landed at the Brady airport Sunday morning and went to the Brook ranch and Camp San Saba for a barbecue dinner. Later a tour of ranches in McCulloch county was conducted.

Bronte citizens were invited to inspect their new filtration and pumping plant last Sunday afternoon. The plant, built at the northern outskirts of the city, will receive water from the Oak Creek reservoir and treat it before it goes into the storage reservoir. The equipment is the latest for water handling and treatment and will fill a need that citizens of Bronte have felt for many years. Contractors

completed work Wednesday of last week and turned the plant over to the Upper Colorado River Authority.

Thirty ranchmen attended a meeting held on the Sansom Ranch near Paint Rock last week. A. H. Walker, extension service range management specialist, gave the group some valuable information on how to face the drouthy years in this section. A plant identification school was held and those present were asked to identify 20 grasses and weeds growing on the ranch.

At the annual election of officers of Bishop Forrest Council No. 2639, Knights of Columbus, at Rowena last week, LeRoy Schuhmann was elected grand knight and other officers were named. Joe G. Dierschke gave a report on the state convention at Fort Worth on May 12 and 13, and a more complete report will be given at the next meeting of the lodge. Richard H. Book, outgoing grand knight, expressed appreciation for the cooperation of all members during the past two years.

The Comanche Lions Club entertained farmers and ranchmen of the county Tuesday night at a special program at Lake Eanes. Approximately 400 people were present for the party. State Senator Crawford C. Martin, of Hillsboro, was the guest speaker. The entertainment is an annual affair for the Comanche Lions.

The summer recreation program at Brownwood was launched last week and supervised play is scheduled at five parks. A training school for playground supervisors was held earlier and there is adequate supervision to carry on the 1953 program. Youngsters of the area may engage in about any game they desire and there is a little league for baseball players between the ages of 8 and 12.

Swimming facilities are provided and instruction will be given the children who do not know how to swim.

The Miles high school senior class has returned from a twelve-day trip. Parents and teachers furnished cars for the long sight-seeing vacation and the group visited in New Mexico, Arizona, California, Nevada, Utah, Wyoming, Colorado and Texas. Supt. L. M. Hays accompanied the seniors on the trip, arrangements for which had been made in advance. Class members have expressed appreciation to the school officials and others who made the trip possible.

Winters rodeo fans are starting the final drive for the 1953 Showdeo, scheduled June 25, 26 and 27. All features have been booked and included are some of the top acts of the Gainesville community circus. An interesting pre-Showdeo event is the whiskey contest by Winters men. A cash prize will be paid for the best hair growth by any individual and another is posted for the best "effort." Homecoming day is June 27 and many former Wintersites will return for the activities of the day.

The Colorado City postmaster has announced that box rents are to be advanced at once. The increase will be 35 cents to \$1 per month. It was pointed out that this is the first increase since 1907 and is necessary due to increased costs in providing service. Notices will be put in each box on June 20 and rentals must be paid by July 1 to maintain service. The three sizes of boxes will cost \$1.10, \$2.25 and \$3.00 after July 1.

Col. H. R. Hallock, of Fort Worth, ranking U. S. army engineer in the Fort Worth district and supervisor of many Texas flood control projects, was at Coleman this week for a two-day inspection of the Hord's Creek lake. He was joined by a number of other engineers on the tour of inspection and also addressed the regular meeting of the Kiwanis Club. The Hord's Creek lake was built by army engineers and it now serves Coleman as a water supply as well as providing a recreation place. The Santa Anna Community

Chamber of Commerce has received the endorsement of city officials for conducting a city beautification contest. Committees have been named by civic clubs to look after various phases of the contest. The chamber has also requested the city council to build a swimming pool, provide a park and playground and build a golf course on municipal property near the corporate limits. CARDBOARD, full sheets, half sheets, heavy and light weights. Ballinger Printing Co. tt

Taxes Ride With You

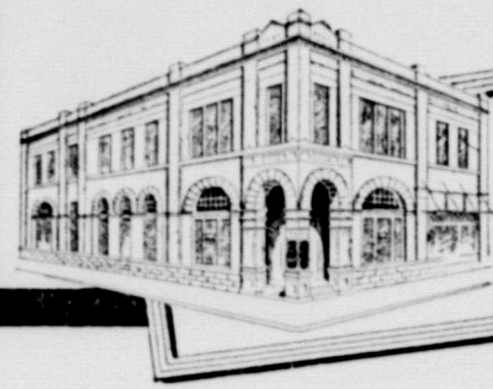

When you buy a new car about a third of the cost is taxes. If you make a down payment of \$700.00 on a \$2,100.00 car, you have not yet started to pay for the car itself. You are only paying for the privilege of owning one—this is the main reason why autos cost so much more when today's prices are compared with those of former years.

AND THE END IS NOT YET—when you get your car there is extra cost for a license; for every gallon of gas or oil you buy, there is more tax. All along the line taxes increase the cost of maintenance, and it is the HIDDEN taxes—not the direct taxes—which add up to a big total.

You may join the crusade to reduce taxes by writing to your senators and congressman—they like to know the opinions of voters back home.

LONE STAR GAS COMPANY

<p>4-way Power Seat— Mercury's the only car in its field with this new power feature—one of the greatest aids to comfort ever devised. At the touch of a finger the seat moves up, down, back or forth... gives you the position from which you can see the best, drive the easiest. And it helps relieve muscular tension on trips. Raises you out of the glare of the late afternoon sun.</p>	<p>Power Steering— Whenever more than finger-tip pressure is needed on the wheel, hydraulic "muscles" take over, make steering—especially when parking—3 times easier. You never lose the vital feel of the road. Teamed with Mercury's proven V-8 engine (perfected during an exclusively V-8 history) you get quicksilver responsiveness—performance at its thrifty, lively best.</p>	<p>Power Brakes— They require little more pressure than the accelerator. The weight of your foot holds your car on a hill. Stopping is up to 50 per cent easier—faster, too, because the newer, closer pedal permits you to pivot from gas pedal to brake, cuts reaction time. Road test these new power features today. You find them all only on Mercury in the medium-price field.</p>

Power steering, power seat, power brakes, white side-wall tires and full-disk wheels optional at extra cost.

bingo to Mrs. B. W. Claunch. A silver-covered dish was presented Miss Lynn by the hostesses.

The bridal colors were used on the luncheon plate following games, which was served at foursome tables laid in Madeira linen and centered with daisies. Daisy corsages were plate favors.

Registering in the bride's book were the honoree's mother, Mrs. Estes M. Lynn; her sister, Mrs. Bill Sykes, of Fort Sumner, New Mexico; and Mmes. R. W. Claunch, James Williamson, Al Puritoy, E. A. Saunders, Edgar Payne of Abilene, Bob Sykes, Jack B. McGregor of San Angelo, John Guion, B. W. Claunch, E. H. Boelsche, Ernest Caskey, Powell Wear, Paul Trimmer, Harry Lynn, Alex McGregor, John E. Green, Jr., Lloyd Johnson, O. L. Parish, Jr., W. B. Woody, Troy Simpson, L. R. Tigner, R. T. Hall, W. R. Gray, Jr., Max McCrary, Jr., John King, Bruce Creasy, L. L. Downing, Virginia Nance, Orland Middleton, R. L. Craig, Al Wehrley; Misses Elizabeth Lynn, of Tallahassee, Florida; Winnie Trail and Dorothy Bruce.

Luncheon guests were: Mmes. C. J. Lynn, Conway T. Wharton, Warren Lynn, J. M. Pyburn, and Ross Lynn, of Tallahassee, Florida.

Peggy Hays Becomes Bride of Eugene Robertson

The setting for the wedding of Miss Peggy Hays and Eugene Robertson was the First Methodist Church in Ballinger. The couple exchanged vows at 2 o'clock Sunday afternoon.

The bride is the daughter of Mr. and Mrs. C. Blair Hays, of Ballinger. The bridegroom is the son of Mr. and Mrs. D. C. Robertson, of Winters.

The Rev. Hubert C. Smith, church pastor, officiated at the double ring ceremony, read before an archway of huckleberry leaves entwined with calla lilies with a background of palms and branched candelabra holding white tapers. Altar baskets held calla lilies. Pews were marked with white satin bows.

The bride, given in marriage

ETHEL MERMAN and DONALD O'CONNOR in a hilarious routine from 20th Century-Fox's "CALL ME MADAM" Technicolor

by her father, wore a gown of ivory net and Chantilly lace over satin. The fitted bodice featured a deep sweetheart yoke of lace, satin covered buttons traced the back, and short sleeves were puffed. The net skirt was bouffant with panels of lace at either side and small ruffles of net centered the back of the floor-length gown. She wore a fingertip-length veil of illusion edged with lace which was caught to a bandeau of seed pearls, which the bridegroom's sister, Mrs. Willis Davis, of Winters, had worn at her wedding. She carried a cascade bouquet of feathered carnations and stephanotis centered with gardenias.

For something borrowed she wore pearls belonging to her sister, Mrs. Eldon Holley.

The matron of honor was the bride's sister, Mrs. Eldon Holley. She wore a floor-length dress of pastel blue over taffeta, featuring a strapless fitted bodice edged with a tiny ruffle. Three tiers of net enhanced the full skirt. Covering the bare shoulders was a matching stole which was caught at the front of the bodice.

The bridesmaids were Miss Pat Robertson, sister of the bridegroom, Mrs. Wendell Davis, and Miss Joyce Campbell.

The attendants' dresses were of pink, yellow, and green made identical to that of the matron of honor. They carried cascade bouquets of calla lilies with matching sating ribbon stream-

ers. Dena Holley, niece of the bride, and Linda Lloyd, niece of the bridegroom, were flower girls. They wore floor-length dresses of white net over taffeta fashioned similar to those of the other attendants. They carried white satin covered baskets filled with rose petals.

D. C. Robertson was his son's best man. Groomsman were J. B. Robertson, of Austin, brother of the bridegroom; George Lloyd, of Winters, the bridegroom's brother-in-law; and Bill Hays, brother of the bride.

Candle lighters were Eldon Holley and Willis Davis, of Winters.

Traditional wedding music was played by Miss Neida Faubion, organist.

She also played the accompaniment for the sisters of the bridegroom, Mrs. Willis Davis and Mrs. George Lloyd, who sang "To Think You've Chosen Me," and "Indian Love Song."

A reception was held in the parlors of the church. The bride's table was laid with an imported cloth of linen centered with an arrangement of pink and blue daisies. Baskets of calla lilies were used to decorate the parlors.

Mrs. Bill Hays served the three-tiered decorated wedding cake topped with a bridal couple, and Mrs. J. B. Robertson presided at the punch service.

For the wedding trip the bride wore a two-piece navy

All About the New
AIR-CONDITIONED OLDSMOBILE!

FRIGIDAIRE CAR CONDITIONING* BRINGS YOU COOL, REFRESHING DRIVING COMFORT IN HOTTEST WEATHER

Here's how it works—The Frigidaire Car Conditioner works on the same basic principle as a room conditioner. A compact refrigeration unit is "tucked away" in the trunk. A rotary compressor is located under the hood. The condenser is installed in front of the engine radiator. The air distribution system is located inside the body of the car. Two flat sleeves—one on each side of the interior—distribute cool air evenly into the car by means of four sets of louvers and individual air jets. These louvers eliminate annoying drafts, and assure well-balanced air circulation throughout your Oldsmobile.

Here's what it does for you—No matter how hot the weather outside, your Oldsmobile is refreshingly cool inside. And the coolness achieved is a clear, dry coolness—free from high humidity and wind noise. You just roll up your windows and relax in a quiet, serene atmosphere—free from wind, noise and dust. Conversation is easier, radio reception is clearer and warm-weather traveling is much more enjoyable.

No more Heat! No matter how torrid the weather outside, you'll always be cool inside! You can drive all-day long under a blistering hot sun and relax in refreshing comfort.

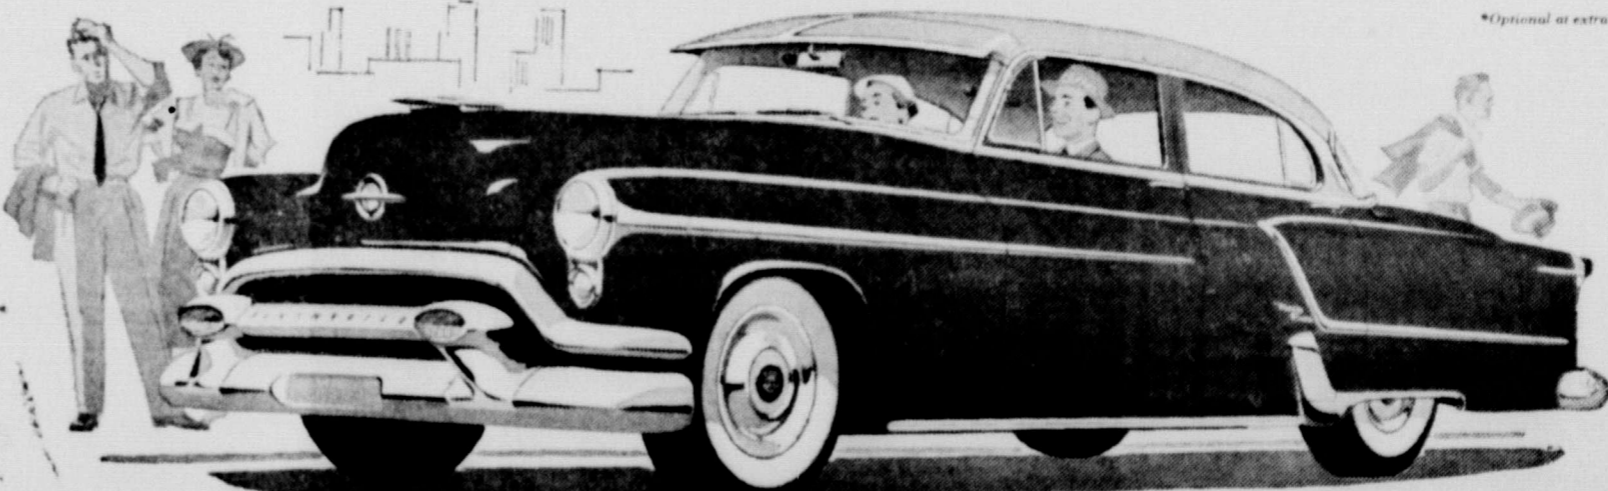

No more Humidity! Here's where you can find relief from high humidity on rainy days. Even in sticky weather, windows stay closed and you enjoy a clear, dry atmosphere.

No more Wind! Think of "wind-up" protection and comfort on hot, windy, dusty days! You'll breathe clear, filtered air even when you travel over country roads.

No more Road Noise! You can actually talk in whispers and be heard easily, and you'll enjoy your radio much more.

Widens Usefulness of Car—The Car Conditioner increases the efficiency of traveling salesmen and many others who depend upon a car in hot weather. And even on days that are not excessively warm, Oldsmobile owners find that "wind-up" driving is so much quieter and more comfortable.

Stop in and ask us about the Frigidaire Car Conditioner. This revolutionary new feature is typical of the advancements you expect from Oldsmobile—"Rocket" Engine and Hydra-Matic Super Drive*—Power Steering* and Power Brakes*—Power Role Chassis and Power Steering—the Autronic-Eye* and Custom-Lounge Interiors! Make a date with a "Rocket E"—the Classic Ninety-Eight or brilliant Super "88" Oldsmobile.

Car illustrated, Ninety-Eight Sedan. A General Motors Value.

CREWS

Mr. and Mrs. J. R. Woodfin, of Pumphrey; and Fred Brown, of Winters, spent Sunday in the E. W. Bridwell home. Mrs. R. E. Burrus is visiting her children at Sweetwater and Abilene.

Mr. and Mrs. A. S. Alcorn attended the closing exercises of the vacation Bible school at Taipa Sunday night.

There were forty-two from the local Baptist church to attend the district training service at Taipa Sunday afternoon.

Visitors in the Orville Pearce home last week were Mr. and Mrs. R. L. Pearce and David, of Selma, California.

Rev. and Mrs. C. L. Carroll visited their son, Edwin Carroll, and family, at Dallas, at Lake Whitney, near Hillsboro, last week.

Mr. and Mrs. Alfred Colton and Keith, of Dallas, visited in the home of Mr. and Mrs. B. C. Colton Sunday.

Guests in the Clarence Hambright home Sunday were Rev. and Mrs. R. L. Peyton and sons W. C. Mathis, Miss Marguerite Mathis and Shirley Hambright.

Several from this community attended the wedding of Joyce Thea Lucas and Miss Ruby Lee Kruse at Winters Saturday evening. Joyce is a former Crews boy and his many friends here wish the young couple much happiness.

Visitors at the Methodist church Sunday included Neva Brevard, Marion Davis, Mr. and Mrs. Irvin and Marvie Jo Kirby.

Mr. and Mrs. J. R. Woodfin visited Mr. and Mrs. J. G. Phipps Sunday afternoon.

The W.S.C.S. met at the Methodist church Monday and painted the interior of the Sunday school annex. There were nine members present.

Among those who are attending annual conference at Fort Worth this week are W. C. Mathis, Miss Marguerite Mathis and Mr. and Mrs. Clarence Hambright.

Gerald Dietz is on the sick list this week.

Vacation Bible School starts Monday, June 15, at the local Methodist church, sessions to be held from 7:30 to 9:30 p. m. each day. All children of the community are invited.

Cari J. Karlson, employee of the Ballinger postoffice, underwent surgery at San Angelo the past week-end.

MISS DUKE GETS DEGREE AT NORTH TEXAS STATE
Mr. and Mrs. Walter Duke and children have returned from Denton, where they

attended the commencement program at North Texas State College, where their daughter, Miss Wilma Lois Duke, received her B. A. degree on June 4

Miss Duke majored in elementary education. Nita Duke visited at Denton a week prior to commencement and returned home with the family.

More people drive FORD V-8's than all other V-8's combined

AND IT'S STILL THE ONLY V-8 IN THE LOW-PRICE FIELD! No other engine in the world has enjoyed so much popularity as Ford's power-packed high-compression V-8. Today, 4 out of every 5 V-8's are Ford V-8's. And while other makers are scrambling to catch up, Ford and Ford alone offers a V-8 in the low-price field... and for hundreds less than most sixes.

Fifty Years Forward on the American Road

FORD'S V-8 IS THE SAME TYPE OF ENGINE AMERICA'S COSTLIEST CARS ARE SWINGING TO! Six more makers in the last five years alone have switched to V-8 power in their most expensive models. Yet Ford's been offering this same type of V-8 power for over 20 years! What's more, Ford gives you your choice of Fordomatic, Overdrive or Conventional Drive—the widest choice of drives in the low-price field!

FORD'S V-8 GIVES MORE "GO" PER GALLON! Whether you choose Ford's 110-h.p. V-8 or the 101-h.p. Mileage Maker Six, your engine lives on a lean diet. For both offer the gas savings of Ford's exclusive Automatic Power Pilot which squeezes the last drop of power out of every drop of gas... "regular" at that! See and Value Check Ford's "Worth More." You'll agree Ford's worth more when you buy it, worth more when you sell it.

Contractors' Notice of Texas Highway Construction
Sealed proposals for constructing 8.237 miles of Gr. 170. Base and surf. from Int. 67, 4.5 mi. west of Ballinger south to Concho C.L. on Highway No. FM 1678, covered by 3 1593 (1), in Runnels County, will be received at the

Highway Department, Austin, until 9:00 a. m. June 17, 1953, and then publicly opened and read.
This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and

as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.
In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for

each craft or type of workman or mechanic needed to execute the work on above named projects, now prevailing in the locality in which the work is to be performed, and the contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman, or mechanic employed on this project.

Legal holiday work shall be paid for at the regular governing rates.
Plans and specifications available at the office of Felix H. Resident Engineer, Ballinger, Texas, and Texas Highway Department, Austin. Usual rights reserved. 4-2t

BETHEL HOME DEMONSTRATION CLUB

Fourteen members of Bethel home demonstration club met in the home of Mrs. David Duke on Tenth Street Thursday afternoon to make plans for a program on the making of cooper etching, which will be an all-day meeting in the home of Mrs. Charles Owens on June 18.

Mrs. J. H. Shelburne conducted the business period, at which the club voted Mrs. Oran Bigby as a delegate to the state meeting in Galveston. Members answered roll by naming an etiquette rule often broken.

The hostess served cookies and punch.

Randolph SCOTT pulls Lee MARVIN away from Donna REED in the scene from Columbia's "HANGMAN'S KNOT," in color by Technicolor

Randolph Scott, Ethel Merman Films Highlight Offerings at the Horseshoe

The story of a brave band on a desperate mission they would not forsake, although every man's hand was turned against them, is presented in "Hangman's Knot," new Columbia picture starring Randolph Scott, which is to be screened at the Horseshoe Drive-In Theatre today, tomorrow and Saturday. Photographed in Technicolor, the western features Donna Reed as Scott's leading woman. Scott, long famous as one of the leading adventure stars of the screen, is reported to give all he's got in "Hangman's Knot," in which he plays a gunfighter who time

after time finds himself forced to do the seemingly impossible. On the same program is "And Baby Makes Three," starring Robert Young and Barbara Hale.

In bringing Irving Berlin's successful musical comedy "Call Me Madam" to the screen, 20th Century-Fox made little change story-wise from its Broadway format. When this gay musical is shown at the Horseshoe Sunday, Monday and Tuesday, June 14, 15, 16, Ethel Merman will repeat the title role she played for almost two years on the New York stage, and co-starring will be Donald O'Connor, Vera-Ellen and George Sanders. The Berlin show-stopping tunes in the Manhattan production remain intact except for one which was deleted.

The other feature on this program is "Montana Territory," new Columbia picture starring Lon McCallister, Preston Foster and Wanda Hendrix. Color by Technicolor.

"Blue Canadian Rockies," starring Gene Autry, and "Invaders from Mars" comprise the double-bill at the Horseshoe next Wednesday, Thursday and Friday, June 17, 18, 19.

In the timber country of the "Blue Canadian Rockies," the bigger they come the harder they fall when Gene Autry swings into two-fisted action. Pat Buttram, Gail Davis, Carolina Cotton and the Cass County Boys are featured. The film gives the singing cowboy the role of top man in the tall timber country.

"Invaders from Mars," 20th Century-Fox production in color, is billed as a science-fiction spectacle. Starring in the melodrama are Helena Carter, Arthur Franz and Jimmy Hunt.

Wash My Best Cotton Dresses at Home? Never

I MAKE SURE THEY STAY LIKE NEW... I SEND THEM TO MY SANITONE DRY CLEANER

OUR "COTTON CLINIC" MAKES COTTON DRESSES LOOK AND FEEL LIKE NEW!

Don't let "home-washing" take the life out of your pretty cotton dresses! Let us clean them perfectly with our new dry cleaning secret exclusively for cottons. Back comes their crisp "like-new" body and texture. Colors and patterns restored. Never a wilted look. All dirt removed. Spots out... even perspiration gone. And perfectly pressed every time. You'll be amazed at how our special service for cotton dresses works miracles you could never do at home. Try it today!

WRIGHTWAY CLEANERS

You can drive this bargain

Come in and ask us about the low delivered price on this **1953 Buick SPECIAL** 2-door 6-passenger Sedan

WE make that statement for a mighty good reason.

A lot of people have no idea that this big, roomy, sweet-riding 1953 Buick SPECIAL costs just a little more than the so-called "low-priced" three.

Maybe you're one of them—and we'd like to clear the picture for you.

We'd like you to know that you can buy the most beautiful, the most comfortable, the highest-powered SPECIAL in Buick history for a lot less than you may think.

But there's more to this great automobile than just more room and power and thrill per dollar—more than just the solidness of Buick structure, the pride of Buick styling, the steadiness of Buick riding.

There's walloping big value above all this. For here you get as standard equipment a host of other things that most other cars of similar price charge as extras—things like twin sunshades, lighter, automatic glove-box light, direction signals, dual map lights, trip-mileage indicator, oil-bath air cleaner, full flow oil filter, bumper guards front and rear.

THE GREATEST BUICK IN 50 GREAT YEARS

The key—and the thrills—are waiting for you. Why not drop in on us this very week and try the most exciting Buick SPECIAL ever built? We know you'll find it a buy too good to pass up.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM
