

THE BALLINGER LEDGER

VOL. 67

BALLINGER, TEXAS, THURSDAY, JUNE 25, 1953

NO. 34

JCs Plan Welcome For State President

Ballinger Jaycees held a regular meeting Monday and spent most of the evening completing plans for the entertainment of State President T. E. (Tommy) Cook, of Baytown, on July 6.

President Cook will be accompanied by his wife, Harriet, on the trip to Ballinger. Delegations from the clubs at Abilene, San Angelo and Brownwood will attend the evening dinner, program and dance. The visiting official will arrive in Ballinger at 3:00 p. m. and will be met by the entire local board of directors. Soon after his arrival a business session will be held with the officers and directors to receive reports of local activities. Also attending this meeting will be Buddy Gray, chairman of the state trades relation committee. Jaycees and ladies will meet

at the American Legion hall at 8:00 p. m. for the barbecue-buffet dinner. Following the meal, President Cook will deliver an address and afterwards the group will dance to the music of the Freddie Woolridge Band, of Abilene.

Cook has been prominent in Jaycee work for many years. He was the outstanding state committee chairman in 1948 and 1949 and also selected as outstanding state officer in 1951 and 1952. He has attended national conventions at Long Beach, California; Miami, Florida; and Dallas and has been present at state conventions a number of times.

He has been an employee of the Humble Oil & Refining Co. since 1941. He holds membership in St. Mark's Methodist Church and is a member of the board of stewards. All his civic work is centered in the Jaycees.

The following committees have been appointed:

Food—Jimmy Nicholas and Lynn Burkes
Decorations—Eugene Loika, Leroy Rieger and Dick Rhodes
Drinks—Carl Murman and Jack Halliburton
Tables and Chairs—Tom Epting, David Batts, Max McCrary, Jr.

At the Monday meeting a group was designated to attend the program and installation of officers at Brownwood July 2.

To make this trip are Messrs. and Mrs. Bob McGarvey, Buddy Gray, L. R. Rieger, Eugene Loika and Max McCrary, Jr.

4-H Clubs' Wool-Mohair Team Rates 3rd in Contest

The Runnels county 4-H club wool and mohair judging team won third place in the state contest at San Angelo Saturday.

Fourteen teams were entered and the score of the three Runnels county boys was only a little below the first place Sutton county winners.

All teams in the contest, with the exception of Runnels, had four boys on their teams with the three high grades consisted the 4-H clubs of this county and the points scored by each had to be considered in the totals. Harvey Wessells was third high individual in the more than 50 boys participating.

John A. Barton, county agent, and Jimmy Cusenberry, assistant county agent, left Wednesday morning with twelve 4-H club boys for College Station to take part in a number of other state contests. Those making the trip were:

Land Judging—David Lange, Andrew Lange, Donald Droll and Bernard Gully
Grass Judging—Weldon Hogan, Wendell Hogan, Weldon Minzenmayer and Walton Jackson.

Poultry Judging—Obie Dee Bradford, Billy Burton, Roy Bradford and Harvey Wessells.

The county delegation will return home the afternoon of June 26.

Artist to Show Pictures Here

Mr. and Mrs. Melvin Warren and daughters, Barbara and Patty, will be guests in the home of Rev. and Mrs. C. B. Orahoad this week-end.

The Orahoads discovered Warren's talent for painting in 1949 while visiting in the Warren home and observing a number of scenes which he had finished during his spare time. They arranged for him to enroll in Texas Christian University as a special art student. He has taken every course offered there.

Mr. Warren was given membership in the Fort Worth Art Association in 1949 and since has entered pictures in art shows there. Last spring he won the popularity prize for his painting of a cotton picking scene. This picture was sold and orders were received for others.

This spring out of 300 pictures offered for the show, a painting by Mr. Warren was among the 46 accepted.

He will bring a number of paintings to Ballinger and these will be exhibited at an informal tea in the fellowship hall of the First Christian Church Sunday afternoon from 2:30 to 4:00.

The public is invited to meet Mr. Warren and to view his work. Several local people are making an effort to interest enough students to have Mr. Warren teach in Ballinger the remainder of the summer. Anyone interested in art lessons should avail themselves of this opportunity to meet Mr. Warren.

City Seeks Bids On 3-Acre Tract

The city commission will accept bids for three acres of land formerly known as Lardman Park. This tract of land is on the northwest side of Crosson Avenue near the Elm Creek water plant.

Since the houses were moved from the location, local contractors have tried to purchase the ground for building sites. The city plans to open streets and alleys when it is purchased it will be laid out in blocks and lots for homes.

The plot is served by all utilities and will make desirable lots for dwellings. Bids will be opened on July 14 at 10:00 a. m. Those desiring to make bids may file them at the city hall and they will be considered by the commission.

WINE ELECTED DIRECTOR OF STATE ACCOUNTANTS

Harold P. Wine, of Ballinger, was named director of district six, Texas Society of Accountants, at the annual meeting held at Austin last week.

San Antonio was selected for the 1954 convention, the date to be set some time this month.

Normal Week-End Officers' Report; Parents Warned

Local law enforcement officers had about normal week-end business and number of cases filed have already been disposed of by the courts.

Marshall C. Severance was filed on for driving while intoxicated and fined \$97.80 in county court.

W. O. Lankford was fined on for two cases of "hot" checking and warrants have been sent to Taylor county officers for his arrest.

A juvenile was brought before Judge W. H. Rampey on a charge of stealing a watch at Winters. The judge gave the boy a lecture and turned him back to his parents without charges.

Two "wetbacks" were arrested here the past week-end and turned over to the border patrol. Pete Garcia was fined \$38.50 in justice court on a charge of disturbing the peace.

Rubin Brockington, local negro, was arrested for driving while intoxicated and fined \$97.80 in county court.

Lyle Deroy Atkins was fined on for car theft and he and the 1949 Cadillac were apprehended. He was also charged with attempting to forge a \$100 check. Bond has been set at \$2,500.

Sheriff Issues Warning

Sheriff Don Atkins has issued the following warning in regard to motor scooters.

"On Sunday, June 21, we had a 14-year-old boy on a motor bike to make a left turn without giving the proper signal or without proper clearance. The result was property damage to both vehicles. The boy had no driver's license and the motor bike was not registered.

"This is advice to all parents who have children riding motor bikes, that we are going to start checking their driver's licenses and those found without licenses will be fined on if they are old enough. If they are not old enough, charges will be filed against the parents. We do not want deaths to result from careless drivers. If you have a boy or girl riding a motor bike, be sure he is a licensed operator."

Farm-Market Road Contract Awarded; Will Surface to Inn

The state highway department awarded a bid for the construction of a farm-to-market road in Runnels county at its meeting the past week-end. The Sheppard Construction Co., of Wichita Falls, was the low bidder on the job at \$64,180.

The work to be covered is the route from highway 67, two miles west of Ballinger to the Concho county line near Martin's Inn. A work order is expected as soon as bonds are signed and approved by the contractor.

Clyde Chapman, county commissioner of precinct No. 1, has completed securing the right-of-way for the new road and telephone and electric lines are being moved and new fences built on the 100-foot roadway.

Mrs. J. E. Hughey and daughter, Peggy, of Longview, spent the past week-end in the home of her parents, Mr. and Mrs. J. W. McMillan.

Rev. Wayne Reynolds left Monday for Georgetown, where he will work in the youth conference at Southwestern University all this week. He will return home Saturday and be in all services at the First Methodist Church Sunday.

LT. AFFLERBACH MISSING IN ACTION SINCE JUNE 12

Albert Afflerbach, of Winters, was advised by the war department Tuesday that his son, Lt. Robert G. Afflerbach, was missing in action as of June 12.

Lt. Afflerbach, who has been overseas since November, 1952, was a member of the first cavalry artillery division.

No other information was given in the war department telegram.

South Crews Well Rated Potential 499 Barrels Daily

Oil operations in the county the past week have been quiet, but a number of rigs are being operated in the numerous fields.

The South Crews (upper Gardner) field was extended one location west on the north with the completion of Geochemical Surveys No. 2Q-John W. Harris for a daily flowing potential of 499.54 barrels of 44 gravity oil. This potential was based on an actual 12-hour flow through perforations between 3,880 and 3,884 feet. Top pay was encountered at 3,868 feet.

Sojourner Drilling Co. of Abilene, has filed an application to drill a 4,500-foot well on the J. P. McCord place, 3 1/2 miles southeast of Crews. Operations were scheduled to start today. The wildcat is located 1/2 mile northeast of the E. K. and E. M. Burt No. 1-J. P. McCord, a Jennings sand discovery.

O. K. Killam No. 5A-Early has been staked and will go to 4,000 feet. The location is one mile southwest of production in the Elm Creek (Fry and Grayburg) field. Tours are scheduled to start Saturday.

The South Cree-Sykes field was extended one location southwest with completion of Richard King, Jr. No. 1-Mrs. Pink Burrus. The gauge showed a daily flowing potential of 199 barrels of 43 gravity oil. Top pay was encountered at 3,903 feet.

Texas Pacific Coal & Oil Co. No. 2-Walter W. Pettitte has been staked in the Hull-Dobbs field and is projected for 4,200 feet.

Winters Showdeo To Open Tonight; 3 Performances

The Winters Showdeo opened this (Thursday) afternoon with a huge parade at 5:00 o'clock and the first performance of the rodeo scheduled at Blizard Field at 8:00 p. m.

The town is decorated and ready for the three days of entertainment. A large number of committees have been pushing work this week to be ready for the opening and booster groups have been visiting West Texas cities the past several days, advertising "the biggest little show in Texas."

Special features this year include the elephant act from the Gainesville community circus, the Mule Hitch from the Ferris Bulek Co., the Abilene Quadrille and the Sheriff's Posse. The usual western features will be presented in a fast-moving program. Matched roping between Herman Virden, of Ballinger, and James Russell, of Merkel, will be spotlighted each night.

A number of class homecomings have been planned for Saturday and this is expected to swell the crowds. Reserved tickets will be on sale at the chamber of commerce office each afternoon from 2:00 to 5:00 p. m.

COTTON GROWERS URGED TO REPORT ACREAGE NOW

All cotton now growing in the fields will be measured for marketing quotas and allotment history purposes. It is not definitely known at this time if there will be marketing quotas, but it is probable. The cotton must be measured to complete the 1951, 1952 and 1953 history.

Farmers have already reported acres planted in 1951 and 1952. Cotton growers are urgently asked to turn in their 1953 acre totals now. This data will be received on all farms having insurance but each grower must sign a form similar to the one used last year.

Measuring probably will begin in July, according to present plans.

MASONIC INSTALLATION TO BE HELD ON JUNE 30

Installation of officers for the Ballinger Masonic Lodge has been set for June 30 at the local temple. Floyd Mackey, of Norton, will be the installing officer and all members of the lodge are urged to be present.

Mr. and Mrs. M. E. Miller of Colorado City were joined here Wednesday by Mr. Miller's sister, Mrs. T. J. McCaughan, and went on to Eden to attend the funeral of an aunt, Mrs. W. H. Miller, in that city at 10 a. m.

Others attending the funeral were Mr. and Mrs. Drury Hathaway.

Local Club Golfers Begin Qualifying Rounds for July 4

The Ballinger Country Club is completing plans for a big day for all members, their families and out-of-town guests on Saturday, July 4.

Special features are being planned for all members, their wives and children.

The golf tournament committee is ready to accept qualifying rounds now and will continue this until July 2, when pairings and flights will be arranged. Those in the championship flight will tee off at 7:00 a. m. and play two nine-hole rounds in the morning and the championship rounds of 18 holes each will be in the afternoon. A large number are playing every day, getting ready for the July 4 play. Doyle St. John, Sam Conner and Max McCrary, Jr., are in charge of the tournament.

Mrs. H. G. Agnew will be in charge of the bridge tournament which will get underway at 10:00 a. m. This will be open for all players who desire to enter, but they must be present for the beginning of the tournament.

In addition there will be dominoes and 42 games for those who want to play. Supervisors will be assigned to handle the children on the playground equipment.

A number plan to fish during the morning hours and a contest may be arranged for the best catches.

At the noon hour the barbecue dinner will be served. A food committee has made arrangements for the dinner and will have a crew to serve the meal at twelve o'clock.

Golf players will get back on the course at 1:30 p. m. and for others there will be games in the club rooms.

Girls' Encampment Set for July 15, 16; Program Arranged

A group of 24 4-H club girls and adult leaders met here Monday to make plans for the summer encampment. All clubs were represented at the meeting and July 15 and 16 were set as the dates.

The encampment will be held at the American Legion hall in Bruce Field and practically the entire membership of each club in the county is expected to attend. The girls will register at 10:00 a. m. on the opening day and remain in the camp until the afternoon of the second day.

The program will include games and recreation and some special training. Committees have been appointed to make plans for the program.

Highlight of the encampment will be the noon meal on the second day when a number of guests will be included.

Three girls from the county attended the district encampment at Buffalo Gap and these will be program leaders for the county meeting.

CHAMBER OF COMMERCE MOVES TO NEW OFFICES

The Ballinger Chamber of Commerce is moving this week to new offices on the ground floor of the E. Sheppard building, next door to the L. B. Rudder Shop. The chamber will be operating there this week-end and invites members and business people to come and see the new quarters.

Mrs. Kenneth Parrish, secretary, began packing the first of the week and all permanent files were moved to the new location. The new office will provide rooms for the manager and secretary and a large room for regular meetings of the board of directors and committees.

Air conditioning was installed in the offices the past week-end and electricians finished their work Monday and Tuesday.

Mr. and Mrs. C. H. Tull and daughter, Wanda, of Waco, visited here the past week-end in the home of her uncle and aunt, Mr. and Mrs. J. W. McMillan.

Mr. and Mrs. Pryor Mapes, of La Mesa, California, left this morning from San Angelo en route home. They had visited relatives and friends in this section about a week.

Blood Donor Sign-Up To Begin on July 14

Runnels county workers are preparing to launch the campaign for blood donors in the American Red Cross campaign. Tom Caudle, county chairman, has named practically all workers and on July 14 the campaign will be launched to get signers to the donor cards. With 300 pints of blood promised, and much more needed, the effort will be to secure as many signers as possible in both the Ballinger and Winters areas.

Z. B. Morgan is the chairman at Winters and will have about the same organization as is being set up here.

The blood mobile clinic will be in Ballinger all day on August 10 and at Winters on August 11. Several locations are being considered here and one will be announced soon.

Persons between the ages of 21 and 59 will be asked to sign cards. When they appear at the clinic, each person will be given an examination and if there is any reason he cannot give blood, he will be rejected.

Those who give blood will only be kept at the clinic for a short time. Immediately following the taking of blood, donors will rest for a short time in the canteen lounge where they will be served refreshments.

C. E. Maedgen is recruitment chairman here and is assisting Mr. Caudle in securing workers. Price Middleton and members of the American Legion Auxiliary will conduct the door-to-door visitation and

signing of donor cards in the residential sections.

C. R. Stone and members of the American Legion will have charge of the downtown canvass. They will make calls at each store and contact every business man and clerk between the ages mentioned above and ask them to sign.

The rural solicitation will be made by W. E. Elkins. Miss Ollie Chenoweth, chairman of the volunteer services, will assist in securing the necessary workers at the clinic on August 10. W. B. Woody, chairman of the labor details, will have men to assist in setting up the clinic and equipment.

Doctors and nurses have been secured for the entire day. Typists and receptionists have been recruited. All persons needed will be volunteers. The blood campaign in this county is for defense purposes only. All the take here will be used in foreign fields where American soldiers are fighting.

A publicity campaign will be conducted during the rest of the drive here and by July 20 it is expected that some 600 donor cards will be signed in the Ballinger section alone.

Those who sign will receive an appointment card later, advising them the time of day to report at the clinic. This is being done so that no one will lose time from his place of business, job or home. A certain number will be called for each hour of the day and the technicians will be able to receive them as fast as they report.

500 Expected Friday For Lions' Installation

Ballinger Lions have made plans for the meeting here tomorrow (Friday) evening of eight clubs of this zone for a mass installation of new officers.

The ceremony will be for eleven officers of each of the eight clubs and attendance of about 500 is expected.

The meeting will start at 5:30 p. m. with free swimming offered out-of-town Lions and members of their families. At 7:30 a picnic dinner will be served and each family is expected to bring its own eat.

Following the dinner, District Governor Jack B. Wright, of San Antonio, will have charge of the mass installation when some 90 incoming officers line up for instructions.

Information received from several clubs in this area indicate that all members and their families will be present. The Winters club will be short on attendance because of the Showdeo which will be underway in that city.

The Ballinger club's program last Friday was furnished by Al Dallingier. A film, "Fabulous Fishing," taken in waters in South America and in the Pacific off the coast of Chile, was screened.

Ray Young and Rev. Wayne Reynolds were introduced as new members.

The Ballinger club will not hold a meeting tomorrow noon, the zone meeting at the park counting on attendance.

Bureau Directors Talk Agriculture's Problems

Directors of the Runnels county Farm Bureau assembled for a called meeting here the past week-end to discuss the agriculture act of 1949 and what is ahead for farmers of this county.

The 1949 agriculture act covered such things as basic crops, support prices, controls, etc. It also provided for flexible parity of 90% to 75% on basic crops including cotton, corn, peanuts, rice and several others. When the act was passed in 1949 flexible parity was set aside and 90% rigid parity was substituted to be in force through 1954.

In 1954 a new agriculture program or the adoption of the present one is to be worked out. The county Farm Bureau through resolutions will decide what kind of a program is best. These resolutions will be taken up at the state convention of the Farm Bureau at Mineral Wells in November. The state plan will be submitted at the national meeting at Chicago.

The directors also discussed

conditions facing farmers in this area such as low livestock prices, wheat surpluses and controls for 1954, cotton surpluses and possible controls in 1954.

It was pointed out that the wheat carry-over would be more than we consume in this country and export in a full year. With such conditions, wheat acreage control is to be expected in 1954.

Speakers declared the cotton carry-over would be larger and that if estimated production is realized, controls in 1954 will be likely. The directors declared that the cotton outlook is not bright. Foreign exports have dropped to about 50% of last year's total. Cotton supported by the government is now slightly higher than the world price.

One speaker stated that cotton farmers asked for and got a support price on cottonseed. As a result, the government purchased most of the seed produced at a high support. It made the cost of cake and meal in livestock producers very high in view of the low price for soybean cake. It also made cottonseed oil very expensive and some markets such as oleo margarine have been lost. Figures were given on the amount of such products owned by the government.

The American Farm Bureau, of which the Runnels county organization is a part is an overall agriculture organization. It is represented in 48 states and has membership in a million and a half farm families.

Guard to Leave Sunday For 2 Weeks in Camp

Company I, 142nd infantry, will leave here Sunday for North Fort Hood, where the men will engage in two weeks of field training. The full strength of the company, 6 officers, 1 warrant officer and 73 enlisted men will attend the camp.

The six new recruits, men with less than two months of training in the unit, will be assigned to the regimental recruit company for training in fundamentals with recruits from other units of the division. These men are Dalvin Awalt, Boyce Burkes, Roy L. Campbell, Frank Keese, Richard Kresta and Donald Pearce.

The remainder of the men will participate in the unit field problems, the first week to be spent in camp and the first four days of the second week in field bivouac. Army training tests will be given to the rifle squad and mortar squad during the second week.

The unit will participate in the annual parade of the 36th division, passing in review before the governor on July 4.

Sfc. Francis Martin, Sgt. Leonard Long and Sgt. Wayne McDorman will go to Fort Hood in advance of the remainder of the company to prepare for the arrival of the others. They will take the company vehicles and equipment.

Officers of the unit are: Capt. Henry B. Edmondson, company commander; Lt. Thomas I. Gahbert, executive officer; Lt. Charles E. Bradshaw, Lt. Douglas Cox, Lt. John Bradshaw and Lt. Bill Sorrell, platoon leaders; OWO Caleb Brown, Jr., unit administrator.

Non-commissioned officers are: M-Sgt. Chester Simpson, first sergeant; M-Sgt. Harold Mueller, M-Sgt. Aubrey Watson and Sfc. Edwin Zly, platoon sergeants; Cpl. Danny J. Egan, company clerk; Sfc. Francis E. Martin and Sfc. Bill Scoggins, company supply; Sgt. Leonard Long, Sgt. Warner Halfmann, Sgt. Dow Lee Hancock; Sgt. Wayne McDorman and Cpl. James West, cooks; Sgt. Julian G. Horton, communications.

ABOVE-CENTURY MARK HEAT CONTINUES HERE

Ballinger has experienced a heat wave that is running higher than reported from most places in the state. For the past five days official readings here have been well above 100 degrees.

The government thermometer here registered the following:
Saturday, 107
Sunday, 105
Monday, 107
Tuesday, 105
Wednesday, 105

UNDERWOOD MAKES HOLE-IN-ONE CLUB

E. B. Underwood, local attorney, made a hole-in-one at the Ballinger Country Club Wednesday afternoon. Playing with a foursome, Underwood made a perfect shot on No. 9, a 185-yard hole.

Mr. and Mrs. Buddy Hall and daughter, of San Angelo, visited Mr. and Mrs. Harry Lynn and other relatives here Sunday.

Mr. and Mrs. Edward Spill, of Comford, will be week-end guests in the home of Mr. Spill's sister, Mrs. Sam Cottelle.

No bank could celebrate even its first anniversary without the good will and loyal support of its customers and friends.

To you who have helped us reach this current milestone we are grateful indeed; and all of us who have had the privilege of serving you wish to say "thank you."

During the 67 years of banking operations in Ballinger, this area has progressed from the open range to a highly diversified farming and stock raising section. With these changes have come developments for better farm and ranch operations as well as in the business and professional fields. Officers and directors of this institution have kept abreast with these fast changing developments and have always advocated better living conditions for the people we serve.

On this, our 67th anniversary, we desire to again express our appreciation to the many loyal customers and true friends who have made our successful operation possible. May we again wish for each of you a full share of health and prosperity.

Miss Parish, Robert Christian Wed in Home Ceremony

The wedding of Miss Virginia Charlene Parish, daughter of Mr. and Mrs. O. L. Parish, of Ballinger, to Robert Fulton Christian, of Winters, son of Mr. and Mrs. B. D. Christian, of Slidell, was solemnized Sunday afternoon at four o'clock in the Seventh Street home of the bride's parents.

M. D. Manning, minister of the Winters Church of Christ, officiated at the double-ring ceremony. Baskets of white gladioli and palms decorated the altar, placed before the stained glass windows in the reception hall. Flanking the altar were arrangements of woodwardia ferns.

Mrs. Carr Spraberry, of O'Donnell, sister of the bride, played a pre-nuptial program as the guests assembled. Mrs. W. O. Gillean, of Stamford, another sister of the bride, sang "I Love You Truly," and Miss Elnita Faubion sang "Through the Years." Mrs. Spraberry played the song accompaniments and the processional from Wagner's traditional march.

The bride, given in marriage by her father, wore a white linen salina cloth afternoon dress fashioned with a low round neckline. The sleeveless bodice was buttoned down the front with clear buttons set with rhinestones. The gored skirt was street-length. She wore a small white straw hat with accents of seed pearls and rhinestones, and white linen opera pumps. The white Bible she carried which belonged to her niece, Pamela Jo Parish, was topped with white roses and valley lilies. She wore a cameo necklace belonging to her mother and carried a linen and lace handkerchief belonging to a life-long friend, Mrs. R. G. Erwin.

Miss Helen Jo Nelson, of Talco, a class and room mate of the bride while attending Baylor University, Waco, was maid of honor. She wore a tailored frock of orchid silk tissue faille. Seallops and smoked pearl buttons were featured at each side of the skirt and the bodice was fashioned with a high neckline. Her accessories were white and she carried a

nosegay of shell pink carnations with valley lilies.

Best man was Ray Christian, of Slidell, the bridegroom's brother.

A reception at the home followed the ceremony. The table was laid with lace and centered with shell pink carnations. Ruffles of sheer plastic lace outlined the base of the three-tiered wedding cake. Wedding bells were interspersed with lattice designs of icing in festoons on the sides of each tier, and sprays of white roses and valley lilies topped the tiers. Mrs. O. L. Parish, Jr. and Mrs. Raleigh Christian, of Decatur, sisters-in-law of the bride and bridegroom, presided at the cake and the crystal punch bowl.

Assisting the hosts in entertaining were Mrs. R. G. Erwin, Miss Gaylan Gillean, of Stamford; Mrs. Mildred King and Mrs. Gladys Crawford, of Winters; Mrs. W. D. Parish, of Abilene, sister-in-law of the bride, registered guests.

After a wedding trip the couple will be at home at 414 1/2 West Sycamore, Denton, where Mr. Christian is working on his master's degree at North Texas State College. They will return in September to Winters, where Mr. Christian is assistant coach and science teacher, and Mrs. Christian is a teacher.

For traveling the bride wore a white pebbled Boujee jacket trimmed with white linen with her wedding costume and a corsage of white roses from her bridal bouquet.

Mrs. Christian graduated from Ballinger High School and received her degree from Baylor University in 1952. She taught in Houston schools and Winters High School. Mr. Christian is a graduate of Slidell High School and North Texas State College, Denton.

Miss Eubank, Bride-Elected Feted at Gift Tea

Miss Gayle Eubank, whose engagement to Bob Vancil has been announced by the bride-to-be's parents, Mr. and Mrs. J. M. Eubank, 1820 W. Avenue J, San Angelo, was honored Saturday at a gift tea by Mrs. Chester Cherry and Mrs. E. P. Talbott in the Cherry home on Sixth Street.

The prospective bridegroom is the son of Delbert Vancil, of Ballinger.

Receiving guests at the tea were the hostesses, Mrs. J. M. Eubank and Miss Gayle Eubank; two grandmothers of the bridegroom-elect, Mrs. Robert Herring, of San Angelo, and Mrs. I. Vancil, of Ballinger; Mrs. Dan A. Daugherty, of Texon, and Miss Lola Eubank, sister and aunt of the honoree.

The reception suite featured the bride-elect's chosen colors of periwinkle blue and white. The refreshment table was laid with a floor-length cloth of nylon net over satin in periwinkle blue and was appointed in silver and crystal. The reflected centerpiece was of blue marsh lilies and daisies with five-point silver candelabra holding tapers at each side.

Alternating at the hand-painted punch bowl and serving angel food squares iced in white were Mrs. E. C. Baskin, Mrs. W. O. Wallace, Mrs. West Talbott and Mrs. Ernest Caskey. Others assisting in serving were Misses Mary Jo Forman, Sally Bailey, Martha Northington, Susan Herring, Barbara Medlen, Lucia Clark and Dorothy Daugherty.

Others in the house party were: Meses. Foy Farmer, Al Purifoy, Oren Chandler, Bill Clark, Drury Hathaway, W. J. Wilke, L. C. Daugherty, Alvin Spreen, Misses Pearl Currie, Curtiss Gregory of Talpa, and Mary Jane Klechle.

The register table was adorned with a bride doll belonging to the bride-elect when she was a child. Miss Clara Hill and Sarah Chandler presided at the bride's book. Other bridal dolls were used on the buffet with silver candelabra holding white tapers.

Love medleys on the record player were given while more than 100 friends of the honoree called.

Out-of-town guests were Mrs. Hubert Cervenka and Mrs. Joe Cervenka, both of Coleman; Mrs. Orland Sims, of Paint Rock; Meses. Sam Runkles, Elmer Simpson and E. H. Pfueger, all of San Angelo.

Branham-Elkins Rehearsal Held at Hotel

Mr. and Mrs. E. T. Branham, Jr., parents of Zane Harris Branham, who was married to Miss Theresa Elkins on Saturday morning, were assisted by Mr. and Mrs. W. E. Elkins when they were hosts at dinner in

the Central Hotel Friday evening following the rehearsal.

Arrangements of pink asters formed the centerpieces for tables where places were indicated by cards adorned with silver wedding bells.

Miss Elkins and Mr. Branham presented gifts to their attendants.

Included besides the honored

couple were: Rev. and Mrs. R. H. Cagle, Mr. and Mrs. Charles Hambrick, Mr. and Mrs. E. B. Blackburn, Mr. and Mrs. Joe G. Harwell, of Dallas; Mrs. D. C. Hornburg and Mrs. John Hornburg, of Fort Worth; Miss Betty Cloninger, of Gorman; Miss Betty Glenn Reese, of Kenedy; Miss Patsy Johnson, of Winters; Miss Dian Tuckey; Bob Wil-

liams, of Fort Worth; Peggy and Joyce Branham; Eldon Boggess; Billy Maedgen; and Elwood Harris, of Winters.

Diamonds will burn with sufficient heat.

Wedding announcements, wedding invitations, Ballinger Printing Co.

Mr. and Mrs. Price Middleton and daughter returned home Saturday after a trip to Ruidoso, New Mexico, El Paso and other points of interest.

TWO-CHURCH REVIVAL TO BE HELD AT TALPA

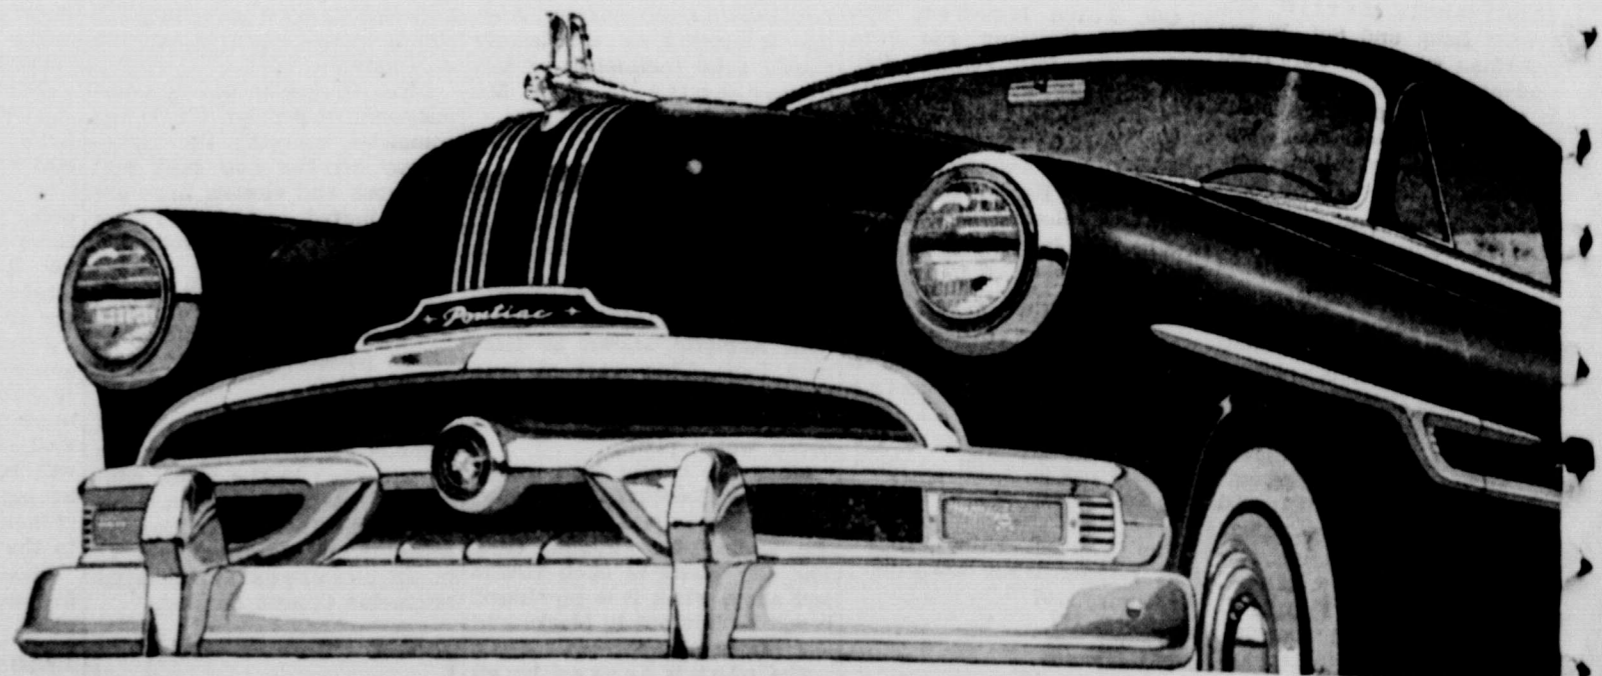

The Methodist and Presbyterian churches at Talpa will start a revival Sunday to con-

tinue through Sunday, July 5. Week-day services are scheduled at 10 a. m. and 8 p. m. and on the two Sundays at 11 a. m. and 8 p. m.

Rev. W. C. Cooper, pastor of the First Presbyterian Church of Coleman, will be the evangelist during the entire series of services. The public is invited to attend.

POWER! PERFORMANCE! AND LOW PRICE!

Drive it and Learn Why Dollar for Dollar You Can't Beat a Pontiac

GENERAL MOTORS LOWEST PRICED EIGHT

Pontiac

MORGAN MOTOR COMPANY

Ninth Street and Hutchings Ave.

Ballinger, Texas

Once you're behind the wheel of a new Pontiac, it's hard to believe it's priced so low.

You thrill to outstanding performance that lets you slip through city traffic or cruise the open road with power to spare.

You relax in roomy, luxurious interiors, and enjoy the satisfaction of driving the most distinctive beauty on the road.

And because it's big and rugged, Pontiac gives you the feeling of road-hugging safety, yet maneuvers so easily that driving is almost effortless.

In fact, there's nothing to suggest that it's priced just a few dollars above the lowest.

Come in soon and prove to yourself that dollar for dollar you can't beat a Pontiac.

\$26.96

Average

IN TAXES PAID ON YOUR TELEPHONE IN 1952!

The total taxes paid by the Southwestern States Telephone Company in 1952, including local, State and Federal, amounted to \$834,384.44, an increase of \$195,094.18, or 23.38%, over 1951. Federal income taxes on 1952 operations amounted to \$482,900.00, or 57.88% of the total taxes.

In addition to the foregoing taxes paid direct by the Company, a total of \$1,386,901.00 was billed and collected from our subscribers at the Company's expense, covering Federal Excise and State Income taxes on local and long distance charges for service.

The total taxes, including excise taxes, paid during 1952 amounted to \$26.96 per average telephone in service during the year.

Few things give you so much for so little...

The nature of said suit being substantially as follows, to-wit: The Plaintiff sues to establish his right to an oil and gas lease from the State of Texas under Mineral Application No. 46233, filed by the Plaintiff in the General Land Office of Texas, October 11, 1950, upon the following described land situated in Runnels County, Texas, to-wit: A tract containing 274.697

The Background Comes First

When you are not feeling well and are tempted to buy some remedy for which great claims are made, ask yourself a few simple questions. What is the background of the manufacturer of the remedy? Has he been educated in medicine, pharmacy, or chemistry? Are the claims made for his remedy based on scientific fact? Is it not possible that you have been influenced by exaggerated statements? Don't risk your health by experimenting with medicines of unknown value. Consult your physician. He alone is qualified to advise you in matters pertaining to health. If he prescribes, bring his prescription to us. It will be filled promptly with the finest ingredients obtainable.

DeMille's 'Greatest Show on Earth,' Alan Ladd Thriller Horseshoe Bills

"The Greatest Show on Earth." Cecil B. DeMille's peak achievement is booked at the Horseshoe Drive-In Theatre for four days—tomorrow, Saturday, Sunday and Monday, June 26 through 29. "The Greatest Show" is the result of three solid years of planning, research, training and production. Made with the cooperation of Ringling Bros.-Barnum & Bailey circus and shot under the "big tops," this Technicolor spectacle is studded with a truly unprecedented array of talent that includes top Hollywood stars and the entire galaxy of Ringling circus performers and acts. Location shots during actual "big top" performances involved more than 10,000 spectators; one outdoor sequence put almost 80,000 citizens of Sarasota, Florida, and nearby towns before the Technicolor cameras. Hollywood actors in the cast include Betty Hutton, Cornel Wilde, Charlton Heston, Gloria Grahame, Dorothy Lamour and James Stewart.

NERVOUS STOMACH
 Crackling with action, Universal's exciting Technicolor production, "Desert Legion," to be shown at the Horseshoe Tuesday and Wednesday, June 30, July 1, blends the tale of a secret Algerian mountain community and the heroics of the

WINTERS, TEXAS

Ballinger will be 67 years old Monday of next week. The date will be pass unobserved this year, no celebration having been planned, and only a few of the pioneers will call attention to the anniversary. Sixty-seven years is a short span of time and yet many changes have taken place since the town lot sale was held here on June 29, 1886. That was in the era of the open range, the saddle pony, the buggy and horse, kerosene lamps and very few of the conveniences that we enjoy now. As inventions have been perfected, this section has been among the first to accept them, and our rural people have about the same standard of living as in the cities. One pioneer remarked this week that the best birthday present this town could get would be a general rain over this widely parched region.

School boards are finding it harder each year to replace teachers. Local school officials have been touring the state, interviewing college graduates with the hope of getting their names on contracts, but to date have had little success. They find that large city schools are looking for teachers by the hundreds and in many cases are offering attractive bonuses for signing contracts. One official stated that if every college graduate would start teaching this fall it would not begin to fill the need.

City officials are faced with

The Winters city council has received a new street sweeper and it was announced that the business district streets would be cleaned two or three times a week. Paved streets in other parts of town also will be swept occasionally to maintain a neat and clean appearance. It was stated that parking meters in the city had been paid for, following the installation twenty-nine months ago at a cost of \$13,298. Money in the meter fund was used to buy the street sweeper.

a financial problem. The road to city park needs paving and there is no money for this purpose. Increased traffic to the park because of the swimming pool has brought much dust. The dirt from the two roads entering the park settles over the pool, picnic area and other facilities and is causing many complaints. The large amount of dust also makes necessary the changing of water in the two pools often.

The Fourth of July this year will bring Ballingerites a double holiday. The time off will be long enough for short trips, outings and a good rest for those who stay at home. Nothing special has been planned here except by members of the country club, but there are several programs in this section of the state which will attract crowds. Brady and Stamford will have the top programs of interest to Ballingerites. The three-day carnival at Goodfellow Field, San Angelo, also will receive patronage.

The Bronte Lions Club has named committees for a community-wide picnic in the near future. Purpose of the gathering is to celebrate the obtaining of water from the Oak Creek reservoir. A date will be set and invitations are to be extended all citizens of the area. J. A. Stephenson heads the steering committee and H. A. Springer and Clarence Arrott are other members.

Work has been started on a \$500,000 gasoline plant at Glen Cove to process flared natural gas. The plant is being constructed by the Luling Oil & Gas Co. Crews are expected to complete the installation by July 15. The package-type plant will process gas from the Glen Cove field, converting five to six million cubic feet of gas a day, officials said. There are about 100 wells in the field, all producing from the Jennings sand.

HAS YOUR ADDRESS BEEN CHANGED?

Ledger subscribers are requested to notify the publisher of any change in their address promptly.

Under postal laws newspapers and periodicals must pay postage due for notices of any change in address furnished by the post office. Besides there always is the probability that your paper will be delayed or fail to reach you altogether if you do not give immediate notification when you move.

The best plan for all concerned is to send the change of address in advance.

Directors of the Brown county community chest have started early this year in planning fall activities. It was revealed that the chest has a balance of \$7,610, with \$5,765 to be paid out to participating organizations. The solicitation campaign will be conducted early in the fall, and all organization work will be done in advance.

Erie Mayo, resident state highway engineer at Coleman, states that 34 miles of improvement work will be included in contracts to be let in July. A seal coat will be applied to 15.85 miles of U. S. highway north of Coleman, and 17.87 miles on farm-to-market road No. 53, west of Coleman to the Runnels county line. Both of these roads are already paved and the topping is maintenance work.

The Jones county commissioners' court began last week obtaining options on land needed for right-of-way north of Hamlin to Anson. This is the first step in plans for the construction of a four-lane highway which would put the area in the heavy traffic category. Options are being signed for a 290-foot right-of-way from the Jones county line, north of Abilene, to the city limits of Anson. Jack Roberts, state resident highway engineer, said the action would open the way for the commission to stake out the path for another freeway.

An agreement was reached last week between the Menard city council and directors of the Menard Irrigation Co. whereby the city is to get approximately 400 gallons of water per minute from the irrigation ditch. The agreement was set up on a three-year basis and the city is to pay the company \$1,000 for water this summer. This water will supplement that taken from city wells and it is hoped to have a sufficient supply for normal purposes.

Summer water restrictions at Brady have been renewed which will apply to the watering of lawns, trees and shrubs. Home owners in even numbered houses may water on Monday, Wednesday and Friday and those in odd numbered houses on Tuesday, Thursday and Saturday. There will be no restrictions on Sunday. Mayor W. K. Cobb emphasized that the city has plenty of water but the mains are not big enough to carry the load during the period of heavy consumption. The plant is pumping nearly four million gallons a day.

Colorado City Jaycees have offered farmers of the community a special service in analyzing water from their wells. In the past the water samples have been sent to College Station and required some time to get reports. In the plan the water will be tested by chemists of the Col-Tex Refinery within two to three days and at a smaller cost. Farmers planning to use well water for irrigation are urged to have these tests made.

The small grain harvest continues to hold the spotlight in the Melvin community. Grain dealers stated that most of the work was over, however, and that only a small amount of wheat from small operators was to be received. The movement of oats and wheat has been heavy and much better than predicted. Most of the grain tested strictly No. 1 and brought

the highest market prices. The grain harvest has started but will require only a short time due to the low yields this year. Maize was reported standing up well in the fields but in need of rain soon. A city-wide meeting to pray for rain, sponsored by members of the ministerial alliance was held at Snyder Saturday night. Representatives of fifteen churches attended. More stringent restrictions on use of water was asked by city officials when storage dropped to a dangerously low level. Twenty of the

city's 23 wells remained in use, three failing because of constant pumping. The executive committee of the Stephenville Chamber of Commerce appointed four committees at a called meeting last week. Dick Spradley, new manager, is getting the organization perfected for more efficient work. The new committees named were civic improvement, recreation, public health and education. Additional members were named to the industrial committee and special work will be done by this group. Groundwork was laid at Dub-

lin Tuesday night of last week for the organization of a dairy herd improvement association. A meeting held in the school cafeteria was well attended and dairymen showed interest in forming the association. A five-man board was appointed to look after preliminary details. A Collee Station dairy specialist spoke at the meeting and will assist in forming the organization.

This advertisement is the thru in a special series which began over a year ago, and which is designed to give you, as a prospective buyer, detailed and helpful information. We'd be happy to have your comments about this type of advertising.

This is the 1953 Chevrolet Bel Air 4-Door Sedan. It's one of 16 Chevrolet models in 3 series, which add up to the widest choice in the low-price field.

Some Chevrolet advantages worth considering when you're ready to choose a car...

Next to a new house, a car is probably your most important purchase. Here are some facts to help you make up your mind about which make to buy.

Don't you agree that it's well worthwhile to weigh all the factors carefully before you buy any new car? Let's consider the major reasons why people choose one make over another and see how the 1953 Chevrolet stands in those respects.

Styling You Can Stay Proud Of

Styling, of course, is a matter of personal taste. Because we think Chevrolet is the best-looking car in its field, doesn't necessarily mean you'll think so, too. But we can tell you that the majority of our showroom visitors prefer Chevrolet styling and compare its appearance most favorably with cars costing a great deal more. And you might consider this: Chevrolet styling is the newest in its field. It's the kind of styling that stays new, too. For it is based, not on fads or extremes, but on the fundamentals of good, modern design.

The One Automobile Body Almost Everybody Knows

It's not really surprising that so many people prefer Chevrolet's appearance. For Chevrolet is the only low-priced car with Body by Fisher. And Fisher, as you know, is the only automobile

body manufacturer with a world-wide reputation for styling, craftsmanship and quality.

The Many Benefits of High-Compression Power

When you drive a new Chevrolet (and we hope you'll do that soon), you'll notice these things: faster acceleration from a standing start; greater passing ability in traffic and on the highway; the new ease with which you climb steep hills.

These are just some of the benefits of Chevrolet's new high-compression power. In gearshift models, there is an advanced 108-h.p. "Thrift-King" engine with a 7.1 to 1 compression ratio. Teamed with the new Powerglide automatic transmission* is an entirely new 115-h.p. "Blue-Flame" engine with 7.5 to 1 compression ratio. It is the most powerful engine in Chevrolet's field.

A Great Gain in Gasoline Economy

Along with remarkable new performance, Chevrolet's advanced engines give you far greater gasoline mileage. In fact, this year marks the most important gain in economy in Chevrolet history. And that includes sub-

stantial savings on over-all upkeep, as well as on gasoline.

New Getaway in the New Powerglide*

The new Powerglide automatically drops into "Low" range for starting and for passing in city traffic. Then, as you glide along, it slips smoothly and almost imperceptibly into cruising range. The results are much faster and more positive acceleration, and much lower fuel consumption.

The First Power Steering in a Low-Priced Car

This year's Chevrolet is the only car in its field to offer you the extra ease and convenience of Power Steering, optional at extra cost. With it, you can spin the wheel with the strength of one finger. You can see-saw in and out of tight parking places without the slightest strain. You get an additional cushion against road shocks and jars. Driving is easier, safer.

A Smoother and a Safer Ride

Chevrolet is the heaviest low-priced car. Model for model, a Chevrolet will weigh as much as 200 pounds more than the other makes. You often hear people say they buy high-priced cars because they're heavier, hold the road better and ride better. Well, isn't it logical, then, that Chevrolet's extra weight (which comes from extra strength of body and frame) would result in a better ride?

Chevrolet is the Lowest-Priced Line

Certainly, price is one of the most important factors of all. We're glad to be able to tell you that Chevrolet is the lowest-priced line in its field.

Now, you might well ask, "How can Chevrolet offer me more and still cost less?" There is a simple, logical answer to that.

Remember that Chevrolet builds more cars than any other manufacturer. Chevrolet, along with General Motors, has greater facilities for research, for engineering and production. So, isn't it reasonable that these greater facilities bring manufacturing advantages and economies which Chevrolet can pass on to you in terms of higher quality at lower price?

An Endorsement Given No Other Car

Again this year, more people are buying Chevrolets than any other car. Obviously that wouldn't be true unless people liked Chevrolet better. Unless Chevrolet offered more things people want—more value.

So, when you're ready to choose your new car, wouldn't you agree that Chevrolet merits your careful consideration? We welcome your visit at any time, so that you can look the car over yourself and try it out on the road.

*Combination of 115-h.p. "Blue-Flame" engine and Powerglide automatic transmission optional on "Two-Ten" and Bel Air models at extra cost.

Huddleston Gives Report on Houston Polio Conference

O. L. Huddleston, secretary-treasurer of the Runnels county chapter of the National Foundation for Infantile Paralysis was in Houston last week to attend a meeting of volunteer county chapter workers. The county workers were informed that despite encouraging progress in polio research, all communities must be on the alert and fully prepared to cope with polio outbreaks this summer.

Runnels county was one of only a few represented at the meeting that had no new cases reported in 1953. The county chapter is giving assistance to 12 carry-over cases from other years.

Speakers emphasized that no polio vaccine is ready for application this summer and that gamma globulin, the blood derivative found effective as a temporary preventive of paralytic polio, is in critical short supply. "Polio will present much the same problem this summer as in recent years," Mr. Huddleston said.

He pointed out that reports showed the disease this year is about 25 per cent more prevalent than in 1952, which was the worst year recorded, with 37,628 cases across the country.

Diagnosis, hospitalization and treatments were discussed and reports on new phases of treatment were explained.

Leaders declared that no one can foretell the number of new cases this year but asserted that the national foundation will not fail any child or adult who needs help.

Card of Thanks

We want to thank everyone who helped in any way during the illness and at the death of our loved one, Mr. A. A. Musgrave. We especially thank Dr. Green and all the nurses who contributed in any way. May God's richest blessings be with each one is our prayer.

Mrs. Jack Hampton and daughters, Mary and Dona, spent the past week-end at Marfa, visiting Mr. Hampton. The Hampton family will move to Marfa in July.

Notice to Bidders

The City Commission of Ballinger will receive sealed bids until 10:00 a. m. July 14, 1953, for the purchase of three acres of land, formerly the location of Harman Park on Crosson Street. This land is to be opened as a new addition with streets and alleys opened by the city and lots sold by the owner.

A complete description of the land being three acres in the City of Ballinger, Runnels County, Texas, and situated in the Thomas Largest Survey No. 366, Abstract No. 357, described by metes and bounds as follows:

Beginning at a point in the west line of Crosson Street 140 feet north 30° east to the intersection of the north line of Elm Street and the west line of Crosson Street, at the north easterly corner of a 32 1/2 acre tract described in a deed executed by Arthur Giesecke to the City of Ballinger, now on record in Volume 151, page 90, Deed Records of Runnels County, Texas;

"THENCE north 60° west at 100 feet past the northeasterly corner of said 32 1/2 acre tract and continuing a total distance of 266 feet to a point for a corner;

"THENCE north 30° east a distance of 489 feet to a point for a corner;

"THENCE south 30° west and along the west line of Crosson Street a distance of 489 feet to the place of beginning and containing 3 acres of land more or less.

The city reserves the right to reject any and all bids. Given under my hand and seal of office at Ballinger, Texas, this 23 day of June, 1953. (Seal)

CHARLES HAMBRICK Mayor

Attest: FRED UNDERWOOD City Secretary

SOCIETY

Methodist W.S.C.S. Circles Meet in Homes

Circles of the First Methodist Women's Society for Christian Service met in three groups Monday afternoon for the study, "Youth in Christian Fellowship." It was the first meeting after the installation of new officers, and pledges were issued to members for the ensuing year.

Mrs. W. E. Midgley entertained members of Etlie Gressett Circle in her Eighth Street home. Mrs. Herbert Tickle conducted the business and appointed Mrs. Midgley secretary; Mrs. Tom Caudle, treasurer; Mrs. C. R. Stone and Mrs. W. R. Clark, telephone committee; Mrs. W. H. Coleman, food chairman. It was reported that \$52.95 had been appropriated for causes during the year, and the love offering was \$8.

Mrs. Bill Witter brought the lesson, followed by a social when cookies were served with frosted coca colas. Others were: Mmes. J. W. Barr, Hagg Byler, Hugh Campbell, Marion Hays, C. P. Shephard, Troy Simpson, Sally McShan and R. A. Williamson.

Sally Odum Circle member were entertained in the home of Mrs. J. F. Currie on Ninth Street, Miss Bonnie Clark assisting. Arrangements of garden flowers were used for decorating rooms where Mrs. D. L. Vestal directed the business. Mrs. F. L. Wells gave the devotional from the fifth chapter of Luke, and Mrs. Tom McEntire presented the lesson. At the social hour, Mrs. Currie gave a program of organ music. A sandwich plate was served with cake and frosted punch. Visitors were Mrs. J. W. Guynes,

president of the W.S.C.S.; Mrs. Wayne Reynolds, who recently moved to Ballinger with her husband, Rev. Reynolds, pastor of the local church. Others were: Mmes. A. Dickinson, W. D. Donohue, W. Chastain, Sam Connor, Arch Brookshier, Oliver Conran, John Loveless, C. T. Tuley and R. D. Midgley.

Mrs. J. C. Reese was assisted by her daughter, Mrs. Wesley Jones, when she was hostess members of Ida Campbell Circle in her South Ballinger home which was decorated with garden flowers.

Mrs. Tom Crockett presided for the business and heard report from the secretary, Mrs. Hatton Laxson. Mrs. Reese presided over the devotional and Mrs. Evans brought the lesson.

Orange sherbet was served with cookies. Other members present were: Mmes. Felix A. O. Strother, L. L. Rankin, Jack Nixon, Jr., T. J. Forde, Laura Crockett, C. D. Harlow, A. J. H. Borders and George Beard.

Sloan-Ford Marriage Rites for August 2

Mr. and Mrs. George Ford Ballinger, announce the approaching marriage of their daughter, Rene Margaret, to Gerald Sloan, son of Mrs. C. Sloan, of Carlsbad, Texas. The wedding will be exchanged August 2.

Miss Ford will complete her internship in Medical Technology at Scott & White Memorial Hospital, Temple, in July. The prospective bridegroom employed here by General Creamery of San Angelo.

Alva Rothel, young son of Mr. and Mrs. Floyd Rothel returned home Saturday from Kerrville, where he spent weeks in the Long camp crippled children.

SOCIETY

First Baptist Church is Scene of Branham-Elkins Wedding

An impressive service read on Saturday evening in the First Baptist Church united in marriage Miss Theresa Jon Elkins and Zane Harris Branham.

The Rev. R. H. Cagle, church pastor, read the double-ring ceremony at 6:30 o'clock before sunburst arrangements of maroon daisies. The background was of large woodwardia fern trees and chamaedorea greenery. White cathedral tapers in four floor candelabra flanked the altar. Pews were marked by white satin bows with maroon daisies.

The bride is the only daughter of Mr. and Mrs. Wesley Elvis Elkins. Mr. Branham's parents are Mr. and Mrs. E. T. Branham, Jr.

Entering on the arm of her father, who gave her in marriage, the bride was attired in

an original strapless gown of Alencon lace and net over taffeta. The lace jacket featured a Queen Anne collar and long sleeves which tapered to points over her hands. Lace motifs on the collar and sleeves were traced with seed pearls. The lace rippled in soft folds over the full net and taffeta skirt which was demi-tasse length. The bride's veil of tiered illusion cascaded to fingertip length from a heart-shaped crown of shirred and ruffled illusion with clusters of seed pearls.

She wore white satin opera pumps. She carried a crescent bouquet of white roses and lilies of the valley centered with a white orchid atop a white Bible which members of the Fancy Doers Club carry when they are married. For something old and borrowed, the bride wore a brooch and

carried an heirloom handkerchief, both belonging to her cousin, Mrs. Pete Leach, of Waco.

Miss Betty Glenn Reese, of Kenedy, cousin of the bride, was maid of honor. She wore a shell pink strapless gown of Chantilly lace. The lace jacket featured a mandarin collar with push-up sleeves. Her full skirt was of lace over net and taffeta. The bridesmaids, Peggy Branham, sister of the bridegroom; Miss Betty Cloninger, of Gorman; and Miss Dian Turkey, wore gowns of identical design in green mist lace over net and taffeta with matching linen opera pumps. The maid of honor carried a crescent bouquet of green ester reeds, and other attendants carried pink ester reed bouquets and wore matching coronets of net and seed pearls, and wore matching lace mitts.

Candles were lighted by Joyce Branham, sister of the bridegroom, and John Hornburg of Fort Worth, cousin of the bride. E. T. Branham, Jr., attended his son as best man, Groomsman were Elwood Harris, of Winters, cousin of the bridegroom; Bob Williams, of Fort Worth, cousin of the bride; and Eldon Boggess.

A program of prenuptial music was furnished by Mrs. Charles Hambrick, organist. She accompanied Mrs. E. B. Blackburn, soloist, who sang "Ah Sweet Mystery of Life" and "Because." After the benediction when the couple knelt at the white satin covered prie dieu, Mrs. Blackburn sang "The Lord's Prayer." The traditional wedding marches were played by Mrs. Hambrick.

A reception was held in the home of the bride's parents on Eighth Street. Mrs. J. G. Turkey and Mrs. Joe Flynt assisted the bridal couple and their parents and the wedding party in receiving. The bride's table was laid with a floor-length ruffled white organdy cloth over satin and centered with an anniversary candle arranged on a reflector with the bridal bouquets of the attendants.

Ruffles of maline outlined the base of all-white heart-shaped wedding cake, which was

decorated with spun sugar lilies of the valley and topped with wedding bells. Alternating at the punch bowl and serving the cake were aunts of the bride, Mrs. D. C. Hornburg and Mrs. L. R. Williams, of Fort Worth; Mrs. Joe G. Harwell, Jr., of Dallas; and Mrs. Mildred King, of Winters.

The bride and bridegroom's grandmothers, Mrs. J. T. Hornburg, of Fort Worth; and Mrs. C. D. Harris, of Ballinger, assisted in the house party.

The couple left on a wedding trip to Cloudcroft, New Mexico. For traveling the bride chose a natural linen frock with which she wore a matching full length duster. Her small hat was black velvet and other accessories were black patent. Mrs. Branham was a graduate of Ballinger High School. Before her marriage, she was a student at Baylor University, Waco. Mr. Branham was a graduate of Ballinger High School before attending Texas Technological College, Lubbock. The couple will be at home in Lubbock, where both will enroll as students at Texas Tech next September.

Notice to Bidders and Notice of Intention to Issue Road and Bridge Warrants

THE STATE OF TEXAS
COUNTY OF RUNNELS:
NOTICE IS HEREBY GIVEN that the Commissioners' Court of Runnels County, Texas, will receive bids until 10 o'clock a. m. on July 13, 1953, at the Commissioners' Court Room at Ballinger, Texas, for the purchase of the following road machinery:

One (1)—New Motor Grader, Diesel powered, tandem drive, power control motor, equipped as follows: full Diesel 100 HP motor, hour meter and mufflers; electric starter including generator, battery and horn; fully enclosed steel and safety glass cab with upholstered seats; tandem drive with four 13.00 x 24 (12 ply) tires, plain tubes; 13 foot moldboard extension with one extra blade; hydraulic power control for each adjustment including hydraulic power steering.

The County will offer as part payment on the above described road machinery the following secondhand machinery:
One (1)—Gallon No. 102,

Serial No. MD-8140 Motor Grader.

One (1)—New Motor Grader, Diesel powered, tandem drive, power control motor, equipped as follows: full Diesel 100 HP motor, hour meter and mufflers; electric starter including generator, battery and horn; fully enclosed steel and safety glass cab with upholstered seats; tandem drive with four 14.00 x 24 (12 ply) tires, plain tubes; wide (80") tread front axle, leaning front wheels with four 14.00 x 24 (12 ply) tires, plain tubes; 13 foot hydraulically shiftable moldboard, two end bits with blades; one 2 foot moldboard extension with one extra blade; hydraulic power control for each adjustment including hydraulic power steering.

The County will offer as part payment on the last above described road machinery the following secondhand machinery:

One (1) Gallon HD. Gas (heavy duty) Motor Grader, Serial No. M 1514.
One (1)—Gallon No. 101 Gas Motor Grader, Serial No. M 2406.

One (1) New Motor Grader, Diesel powered, tandem drive, power control motor, equipped as follows: full Diesel 100 HP motor, hour meter and mufflers; electric starter including generator, battery and horn; fully enclosed steel and safety glass cab with upholstered seats; tandem drive with four 14.00 x 24 (12 ply) tires, plain tubes; 13 foot moldboard extension with one extra blade; hydraulic power control for each adjustment including hydraulic power steering.

One (1)—New Motor Grader, Diesel powered, tandem drive, power control motor, equipped as follows: full Diesel 100 HP motor, hour meter and mufflers; electric starter including generator, battery and horn; fully enclosed steel and safety glass cab with upholstered seats; tandem drive with four 13.00 x 24 (12 ply) tires, plain tubes; 13 foot moldboard extension with two end bits with blades; one 2 foot moldboard extension with one extra blade; hydraulic power control for each adjustment including hydraulic power steering.

The County will offer as part payment on the last above described road machinery the following secondhand machinery:

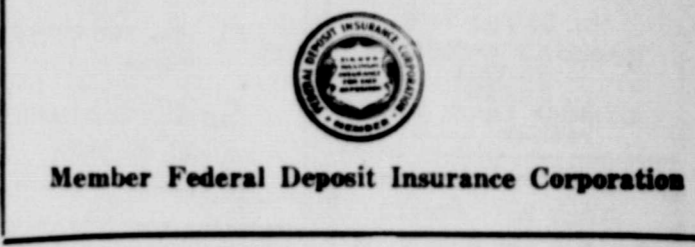

There's an "Extra" Something in every one of our prescriptions. Some people call it confidence—some people call it dependability, but all know that when they bring a prescription to our store they not only receive it accurately filled—they also have the added feeling of complete assurance in the integrity of the man who fills it.

Aladdin, so one story goes, just rubbed his lamp—and flash! A genie brought him brand-new clothes, a house and lot, and cash. We have no lamp to offer you; But there is still a way To make your cherished dreams come true—Start saving, here, today... and keep going, with regular deposits! We'll welcome your account.

The First National Bank OF BALLINGER SINCE 1886

Member Federal Deposit Insurance Corporation

NOTICE IS ALSO GIVEN that it is the intention of the Commissioners' Court of Runnels County, Texas, to pay all or a part of the net cost of said road machinery by the issuance and delivery of RUNNELS COUNTY ROAD AND BRIDGE WARRANTS, to be authorized by the Commissioners' Court by order to be passed July 13, 1953, in the maximum amount of \$50,000.00, said warrants to bear interest at a rate not to exceed three and one-half (3 1/2%) per cent per annum, and to mature at such times as may be fixed by the Commissioners' Court, serially or otherwise, with a maximum maturity not later than 1963.

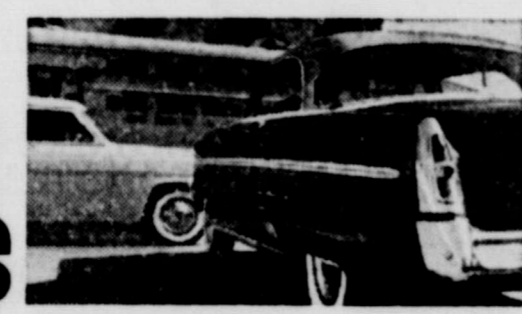

Mercury now brings you

POWER STEERING

3 times easier handling Whenever more than finger-tip pressure is needed on the wheel, new Mercury power steering goes to work... removes the strain from parking and turning, yet doesn't sacrifice that safe "feel of the road."

POWER BRAKES

50% easier stopping An ounce of toe pressure is multiplied hydraulically into pounds of braking power. Your foot pivots effortlessly from accelerator to the closer, lower suspended brake pedal, giving faster, smoother stops.

4-way POWER SEAT

MOVES up and down, too New first-in-class 4-way power seat gives you the position from which you can see the best, drive the easiest. Handy for raising you out of the sun's glare and shifting your position for more relaxation.

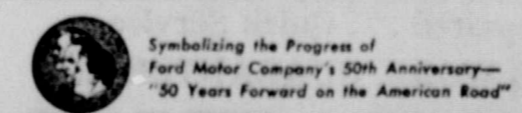

Power steering, power brakes, 4-way power seat, white side-wall tires and full-disc hubcaps optional at extra cost.

Here are three big reasons for adding Mercury to your "must" list to see and try. For Mercury's far-advanced power steering removes all the real work from driving and parking. Mercury's power brakes take little more toe pressure than the accelerator. And Mercury's power seat adjusts four ways to give you

new driving comfort and safety. Add Mercury's years-ahead styling, famous economy, proven V-8 engine backed by our exclusively V-8 history, and a reputation for the highest trade-in value in its field—and you get more for your money with Mercury. Drop around and try a Mercury real soon. How about now?

HERE'S WHY more people buy RCA VICTOR than any other television!

"It's the clear, steady pictures I like—they're free of static, and they stay bright." (He's talking about the improved "Magic Monitor" circuit system.)

"The pictures are so sharp... more lifelike than I thought possible." (It's because of the "Deep Image" picture tube—an important TV development.)

"Beautiful, beautiful, beautiful cabinets!" (Widest range of styles and finishes in RCA Victor history!)

"We live out in the country, but get marvelous pictures anyway!" (RCA Victor's new long-distance reception steps up picture and sound performance.)

"For UHF television, RCA Victor has a new automatic UHF-VHF tuner." (Optional, at extra cost.)

21-inch Stackon. Imagine it in your home! The Stackon has richly grained, full length doors... In Regency styling... finished in mahogany or walnut, as you prefer. See it today! Model 21T354.

Other RCA Victor models priced from \$199.95

3-Dimension Film
At Texas Theatre
Starting Sunday

The first feature-length
movie in third-dimension will
be shown at the Texas Theatre
beginning Sunday.
Work has been going on for
two weeks in taking down the
present screen, enlarging it on
all sides, installing special mask-
ing tape and re-erecting the
screen.

The showing of a three-
dimension film also calls for
new lenses on the projectors and
for the use of two projectors
rather than the one normally
used.

In showing a three-dimen-
sion film, motors of the two
projectors are geared together
and two different pictures are
projected on the screen at the
same time.

The polaroid glasses that
the spectators will wear will
blend the two different images on
the screen into one image. This
means that in the ordinary
movie, the audience sees only
two dimensions, height and
width. Depth is added with the
third dimension.

"Man in the Dark" is the
newest full-length feature and
stars Edmond O'Brien and
Audrey Totter and is a
75-minute long feature.

There will be a ten-minute
intermission during the showing
of the film while the operator
changes reels.

Theatre attendants will be on
hand to instruct patrons in the
use of the special glasses.
The glasses should not be
touched with hand or it will
cause a smudge on the glass
which in turn will cause distor-
tion of the picture.

'White Witch Dr.'
Here July 10, 11, 12

R. T. Hall, owner-manager of
the Horseshoe Drive-In Theatre,
returned Tuesday from Dallas
and announced that he had
booked "White Witch Doctor"
to be played here on July 10,
11 and 12, day and date of the
state-wide premiere.

"White Witch Doctor" is the
African missionary picture on
which Conway T. Wharton was
technical advisor. Dr. Wharton
spent about three months in
Hollywood, working with the
20th Century-Fox director in
producing this picture and did
considerable re-write work
before the filming began.

Dr. Wharton was made avail-
able to the Fox Co. through the
World Mission Board and by
consent of his local church.
Since returning to Ballinger,
Dr. Wharton has spoken before
a number of clubs and other
organizations on his experi-
ences in Hollywood and work
as a technical advisor.

BROTHER OF BALLINGERITE
SUCCUMBS AT SAN ANGELO
J. D. Coulter, 82, brother
of B. D. Coulter of this city,
died Friday at the Shannon
Hospital, San Angelo, where he
had gone Monday for treatment.

Decedent had been a resident
of San Angelo for 35 years and
for 41 years had operated Cou-
lter's Arcade. He was married in
1898 at Wingo, Kentucky, and
he and his wife moved to San
Angelo in 1907. He purchased
real estate in the city limits
and opened a store which he
operated until four years ago
when he retired.

Funeral services were held at
5:00 p. m. Saturday at the First
Presbyterian Church, U. S. A.
Rev. Rodney Gibson officiating.
Burial was in Belvedere Ceme-
tery.

Survivors besides the wife,
include two sons, Nathan W.
Coulter, San Angelo; Luther
Coulter, San Antonio; a daugh-

ter, Mrs. C. A. Fairbank, San
Angelo; a brother, J. D. Coulter,
Ballinger; and five grandchild-
ren.

MRS. FANNIE GILLIAM
DIES AT BIG SPRING
Mrs. Fannie Gilliam, 69, a
native of Runnels county, died
suddenly Tuesday afternoon in
a Big Spring hospital. She had
been working in the yard Tues-
day when she was stricken and
rushed to the hospital, where
she died.

Decedent was born in 1864 in
Runnels county. Her husband,
C. E. Gilliam, died in 1943.
Funeral services were held
today at 4:00 p. m.

Survivors include three daugh-
ters, Mrs. Frances Zant, Mrs.
Vera Mae Rawlings, Luther;
Mrs. Ruth Robinson, Big Spring;
three brothers, N. J. Allen, Big
Spring; Rufus Allen, Ballinger;
Worth Allen, Goleta, California;
three sisters, Mrs. May Jones,
Temple; Mrs. Una Evans and
Mrs. Ruth Nance, Ballinger.

F.F.A. JUDGING TEAM
TO SONORA JULY 1, 2
The Ballinger F.F.A. chapter
will be represented by a wool
and mohair judging team at the
contest to be held at Sonora
July 1 and 2. The team is com-
posed of Bill Ashton, Henry
Wolf, Edwin Waither and
Francis Fischer. They will judge
plants and livestock as well as
wool and mohair.

Wiburn Wehlmann and Bobby
Patton were made Lone Star
Farmers at the state meeting in
Austin.
Wolf and Fischer are assist-
ing County Agent John A. Bar-
ton with the insect program in
this county.

HIGH WATER CONSUMPTION
HERE DURING PAST WEEK
Water consumption here last
week averaged 1,500,000 to
1,600,000 gallons daily and that
was not enough to supply the
city. The pumps and plant
were operated at the maximum
24 hours a day but certain sec-
tions of the town, on high
ground, were without water.

nearly every late afternoon and
early evening.
Good progress continued in
work at the filtration plant and
in laying new mains. All pipe
fittings have been received and
the work is being pushed. Indica-
tions are that from 10 to 15
more days will be required
before all the work is com-
pleted.

When the contracts are
finished and the improvements
turned over to the city, patrons
will be able to use more than
2,000,000 gallons a day.

NORTON METHODIST
CHURCH IN REVIVAL
Rev. Malcolm Harrell, new
pastor of the Norton Methodist
church, has announced a revival
which will start Sunday morn-
ing and continue through July
5.

Services on week-days will be
held at 10:00 a. m. and 8:00 p.
m. and on Sundays at 11:00 a.
m. and 8:00 p. m. All services
will be held in the church audi-
torium.

Rev. Harrell was sent to Nor-
ton by the Central Texas con-
ference and preached his first
sermon there last week.

CHURCH COUNCIL WILL
HONOR PIONEER WOMEN
The Ballinger Council of
Church Women will hold its
annual Fellowship Day observ-
ance on Monday from 6:00 to
7:00 p. m. on the lawn of the
First Methodist Church.

Every Ballinger church woman
is invited to attend the informal
tea given in honor of pioneer
women of every denomination.
Mrs. Jack Nixon, Jr., general
chairman, has been assisted in
planning the affair by Mrs. A.
B. Stobaugh, Mrs. Rufus Allen,
Mrs. Ivan Kountner, Mrs. J. H.
Shell, Mrs. J. W. Guynes, Mrs.
Victor Miller and Mrs. Felix
Itz.

The next regular meeting of
the council will be on August
31 at the Church of God. Mrs.
Horace Murphy will give a dis-
sertation on R. Newton Flew's
"The Nature of the Church."

Ballinger High School Senior Class of 1933

Members and faculty of the 1933 class of the Ballinger high school assembled here for a reunion on Sunday, June 14. The gathering was successful, members coming from great distances to be with their classmates of 20 years before. The above picture was taken at the Central Hotel following a banquet.

home of Mr. and Mrs. P. R. Dietz Friday night and Saturday.

Several members of the Baptist church are attending a revival at a new San Angelo mission. The local pastor, Rev. C. L. Carroll, is assisting in the services.

Neysa Petrie spent last Thursday night in the home of Patsy Dietz.

Miss Billie Hale, Mrs. Arthur Alcorn and Mrs. Flay Brevard attended the funeral of their uncle, G. C. Avant, at Crane Saturday.

Rev. Peyton and family were supper guests in the P. R. Dietz home Sunday.

TOYS MADE BY JUNIORS GO TO MIGRANT WORKERS

The junior department of the Christian-Presbyterian vacation Bible school has shipped a large box of handcraft toys to the Lubbock Migrant Workers' Center for use of church leaders who work with migrants. Miss Charlotte Collins and Miss Ethel Maldonado, who were in Ballinger in March with "The Harvester," missionary station wagon of the Texas migrant staff, are now at Lubbock with the cotton choppers.

The juniors did their work under the direction of Mr. and Mrs. C. B. Oranhood and made 7 toys valued for at least \$50. They include ring-tossers, toss-and-catch-the-ball hand toys, bat and ball combinations and others. All the toys were painted and decorated.

WATSON TO BUILD TWO RESIDENCES ON BROAD

A. A. Watson has filed applications for city building permits to erect two new residences. The applications are for \$6,800 each and the houses are to be built on Broad Street between Third and Fourth streets.

HOPEWELL

The G. A. girls of the Hopewell church are attending the Baptist encampment at Brownwood this week.

Mr. and Mrs. Roy Gambill, of Ballinger, visited in the L. C. Fuller home Saturday.

Rev. and Mrs. J. H. Halford and children, of Talpa, were Saturday night guests in the home of Mr. and Mrs. J. F. Worthington.

Mr. and Mrs. Sam Faubion and Brenda visited Mrs. Faubion's parents, Mr. and Mrs. Robinson, of Norton, Sunday.

Mr. and Mrs. L. C. Fuller, Jr., and girls were among those who attended a farewell supper at the Ballinger park for Jerry Giles, a brother of Mrs. Fuller. He will be stationed in Germany and his wife will stay here with his mother, Mrs. J. M. Giles.

Sympathy is extended to the friends and relatives of G. C. Avant, who died last week. He spent most of his life in this community.

Kathleen Fuller, daughter of Mr. and Mrs. O. C. Fuller, is spending the summer with her grandparents in Denver.

Mr. and Mrs. Perry Bragg are the parents of a son, born Saturday in the Ballinger hospital.

Mr. and Mrs. Lonnie Faubion and Aubrey were guests in the N. L. Faubion home Sunday.

Mr. and Mrs. Weldon Doherty and children were visitors in the Reed McMillan home Sunday.

Mr. and Mrs. John Carr and children, of Pyote, visited the past week-end with Mrs. Carr's sister, Mrs. W. H. Dietz, and family.

Mrs. V. E. Fisher attended the funeral of her uncle, Holly Haynes, at McGregor Friday.

BOY SCOUT TROOP 113 RETURNS FROM CAMP

Boy Scout troop 113 wishes to express appreciation to business men and interested citizens who made it possible for the boys to have a trip to Camp Fawcett, Barksdale, Texas, this year. A total of ten members

of the local troop were able to attend and troop 113 was second in representation at the camp. A fund of \$116 was raised here to pay expenses of the boys. Three San Angelo scouts came here and made the trip with the Ballinger delegation.

Oscar Whitfield, scoutmaster, and Frank Jernigan, institutional representative, accompanied the boys. Scouts from Ballinger were Robert Lee Owens, Frankie Lee Moore, Clyde Houston, Robert Lee Wesley, Raymond McDavid, Arthur Wheeler, S. H. Hubbard, Londwood Wilson, Charles H. Collins and Robert McDavid.

GRINDSTAFF INSTALLS WINTERS LIONS OFFICERS

E. C. Grindstaff was the speaker and installing officer for the Winters Lions Club Tuesday noon. Dr. J. W. Dixon, new president, and other officers were installed.

The program was held at Winters because the club could not take part in the mass installation of Lions officers here Friday night. The Winters Showed opens today and most of the Lions are assisting in the three-day program.

Judge Grindstaff was accompanied to Winters by Judge W. H. Rampy and Jack Moore.

Members of the Ballinger fire department wish to express their thanks to the many citizens who made contributions for the purchase of a resuscitator and Scott water packs.

They especially mention members of the sheriff's department and city police who assisted in collecting the fund. Firemen have received training in the operation of the new equipment and are ready at

any time to answer calls when needed.

He's Driving His Cares Away!

There's a great industrialist in Detroit, and a well-known scientist in New York, and a famous statesman in Washington who will tell you that the best way to relax from the cares of the day is to get behind the wheel of a 1953 Cadillac.

And there are also thousands upon thousands of other Cadillac owners throughout America who will gladly add supporting testimony to these revealing statements.

For these motorists know, from their own personal experience, that there is no faster or surer way to relax and refresh than to take to the highway with a smooth, comfortable, quiet Cadillac car.

It makes a man feel good just to sit behind the wheel. As he glances about his Cadillac's gracious

interior, he's reminded that he has made something out of his years—and that, in itself, gives a lift to his spirits.

And then, once he's out on the highway—well, in no time at all, he's as happy and contented and trouble-free as it's possible for a motorist to be.

He is surrounded with comfort—and his driving is so relaxing and effortless and enjoyable that his mind clears, as the miles go by—and his heart grows gay and his outlook bright and hopeful.

He has literally driven his cares away!

You really ought to try it sometime. Come to think of it, you ought to try it today . . . after your day's work is done.

The car is waiting—and so are we.

3-D 'Man in Dark' Puts Audience Smack in Middle of Killer Chase

"Man in the Dark," Columbia's 3-D crime thriller, which puts the audience smack in the middle of the dizzying heights of amusement park rides, fist-flying gang fights and the blazing cross-fire of police car chases, opens a three-day engagement at the Texas Theatre Sunday, June 28.

Tough Edmond O'Brien and blonde Audrey Totter are the stars. The large cast portraying gangsters, cops and carnival workers is headed by Horace McMahon, Nick Dennis, Ted de Corsia and Dan Riss.

The picture is reported to achieve new heights in three-dimension's revolutionary realism by filming its climax on the rocketing rides of Santa Monica's Ocean Park amusement pier. It also gives the 3-D works to the rest of the film, with hand-to-hand fights, police chases, crossfires of gun set-toes and fond embraces in all of which the patron is put on the receiving end of the action by the magic of the 3-D cameras, the new process which makes every seat in the theatre more than a front seat by placing

every one virtually in the middle of the stage.

O'Brien in "Man in the Dark" portrays a gangster who is freed of his criminal tendencies by a frontal lobotomy brain operation, and loses his memory in the process. His ex-pals, who want the \$130,000 stolen payroll he cashed before going to jail, think the operation is a gag and try to beat the information out of him while his girl friend, Miss Totter, uses more feminine tactics to get the same information.

Innovation follows innovation as Walt Disney rises to the challenge of capturing the magic of "Peter Pan" on the screen. Offering J. M. Barrie's famed play in a fabulous all-animatronic treatment, sparkling with merry incidents, enlivened by a delightful score, and bright with Technicolor, the production, in the last run of a three-day engagement at the Texas tonight, emphasizes the rousing, thrill-packed adventurous elements enjoyed by the daring Darling children on their fabulous trip to Never Land.

Randolph Scott's 'Carson City' and First Run 'Split Second' Hillcrest Offerings Week Ahead

"Carson City," Warner Bros. adventure story set against the brawling Nevada capital during the turbulent 1870s, will be presented at the Hillcrest Drive-In Theatre Saturday only, June 27, in conjunction with "Distant Drums" starring Gary Cooper.

In WarnerColor, "Carson City" stars Randolph Scott, with Lucille Norman, Raymond Massey and Richard Webb in featured roles.

second drama and split-second excitement are promised in "Split Second," which comes to the Hillcrest Sunday and Monday, June 28, 29.

This first-run film, directed by Dick Powell, is said to contain some of the season's most explosive scenes in its high-voltage climax, this new RKO Radio feature co-stars Stephen McNalley, Alexis Smith, Keith Andes, Jan Sterling and Arthur Hunnicutt.

Split-second action, split-

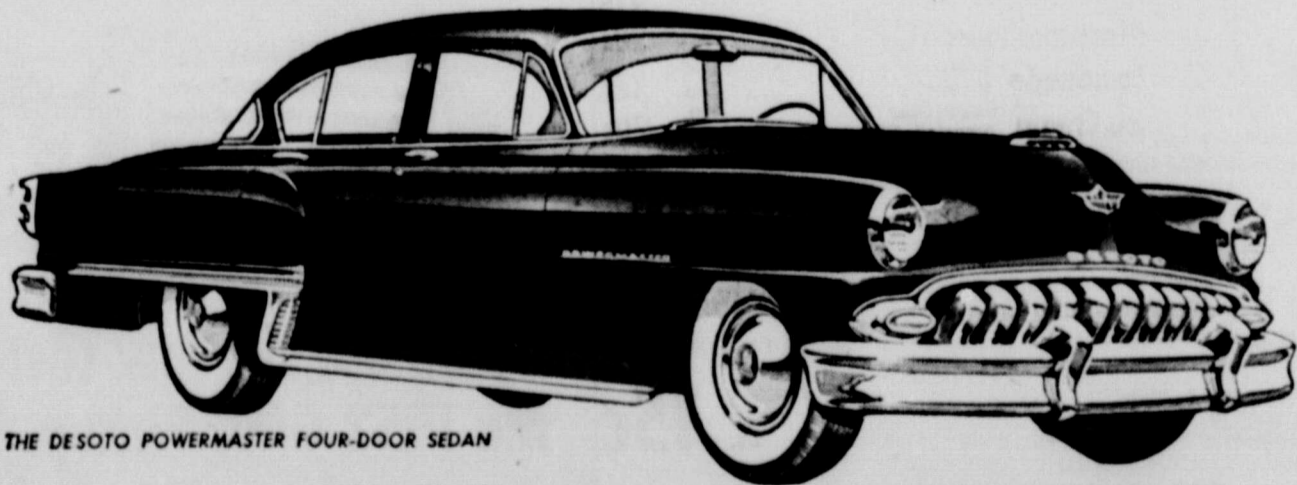

Rock Hudson portrays the

CLASS ON THE GRASS—Going to school is a treat for these Dallas, Tex., kids. Not only do they have classes outside in the warm spring air, but their teacher is Mrs. Neil Owen who was recently named the nation's most beautiful schoolteacher. Seen seated at lower left, Mrs. Owen is helping one of her pupils find the page which tells about the lesson of the day.

If you are considering a car in the \$2800⁰⁰ class

THE DESOTO POWERMASTER FOUR-DOOR SEDAN

DeSoto delivers as standard equipment many features for which other cars charge extra!

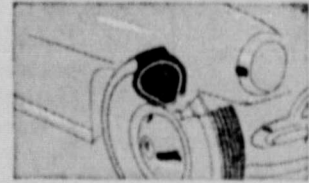

And they're important features... such driving advantages as Safety-Rim Wheels, Waterproof Ignition, Oriflow Shock Absorbers, Safe-Guard Hydraulic Brakes, Fully Insulated Body Mountings, Electric Windshield Wipers, Chair-High Seats, and 44% greater luggage space.

And there are De Soto options such as Full Power Steering, Power Brakes, No-Shift Drive, Fluid-Torque Drive... compared dollar for dollar with competition, these are priced to favor you.

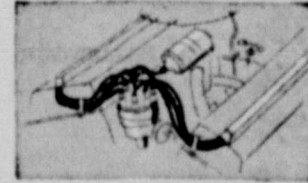

With De Soto production up, De Soto prices are down. Also, your present car is never going to be worth more in trade. See us about a new De Soto Fire Dome V-8 or De Soto Powermaster Six. See how much more De Soto gives you before you settle on any other car! And ask about De Soto Airtemp Air Conditioning. Keeps you cool, fresh, comfortable—no matter what the climate.

Chair-High Seats provide full leg and back support for maximum comfort on long trips!

Safety-Rim Wheels keep tires on rims in case of blow-outs, allow safe, sure control!

Waterproof Ignition assures instant starting, prevents stalling caused by rainy weather!

Oriflow Shock Absorbers adjust to cushion out all kinds of road shock and eliminate excessive sway!

rugged role of John Wesley Hardin, one of the old West's most notorious gunfighters, in Universal's "The Lawless Breed," to be shown at the Hillcrest Tuesday only, June 30, in addition to "Dreaming Out Loud," a Lum 'n Abner comedy.

Julia Adams shares star billing with Hudson in "The Lawless Breed" and supporting players include Mary Castle, John McIntire, Hugh O'Brien.

and Suzan Ball, and booked at the Texas Theatre Wednesday and Thursday, July 1, 2. Backgrounded in the historic city of Port Royal, Jamaica, which sank into the Caribbean in 1692 at the height of an earthquake, "City Beneath the Sea" tells the story of two salvage experts who are trapped in the undersea city during a 20th century quake.

'City Beneath the Sea' Gives Ryan Hero Role

The adventurous life of deep-sea divers is excitingly brought to the screen in Universal's Technicolor "City Beneath the Sea," starring Robert Ryan, Mala Powers, Anthony Quinn

INSURANCE AND LOANS

James Hall, local negro, has returned home after serving three years in the army, two of which were in Korea. Mr. and Mrs. H. F. Tickle are at home after a vacation trip to San Marcos, Austin and San Antonio.

SOCIETY

Former Ballinger Girl Marries at Menard
Mr. and Mrs. Alvin Pope are at home at Menard after their wedding there June 14 in the First Baptist Church. The Rev. J. C. Wade officiated at the double-ring ceremony. The bride is the former Miss Adelaide Conner, daughter of Mr. and Mrs. Robert Conner, of Menard, former residents of Ballinger.

Given in marriage by her father, the bride wore a gown of white organdy over satin. The fitted bodice featured a Chantilly lace yoke enhanced with a stand-up collar. The full skirt was waltz length. Her fingertip veil of silk illusion was caught to a flower half-hat. She carried a white Bible topped with a white orchid and showers of ribbons. She wore a gold bracelet belonging to her grandmother.

Mrs. Alvin Spreen, of Ballinger, attended her sister as matron of honor, and Miss Ann Carroll was bridesmaid. They wore orchid and yellow organdy gowns with matching picture hats.

Mr. Spreen was best man. Marshall Parham served as groomsman. Ushers were Lynn Conner, brother of the bride; L. J. Wright, and Buddy Speck. Candle lighters were Charles and Gene Conner, brothers of the bride; Jan Pridemore, of Ozona, cousin of the bride; and Phyllis Kidd, niece of the bride-groom.

A reception was held in the Conner home. The bride's table was laid with a cutwork linen cloth and was centered with the bride's and her attendants' bouquets. The three-tiered wedding cake was topped with a miniature bridal couple.

When the couple left on a wedding trip, the bride was wearing an ice blue silk shantung suit with white accessories and a white orchid corsage.

Both Mr. and Mrs. Pope are graduates of Menard High School. The bridegroom

attended Hardin-Simmons University, Abilene, and served 13 months in Korea with the Marines.
Ballinger wedding guests were Mr. and Mrs. H. H. Hammer, Mr. and Mrs. Jerry Hampton, Mr. and Mrs. Albert Spreen and Mr. and Mrs. Tom Agnew.

Mrs. Hall Leads Presbyterian Inspirational Meeting
Mrs. R. T. Hall, chairman of religious education, directed a program on "My Church Fosters the Home" for the regular inspirational meeting of the First Presbyterian, U.S. Women of the Church Monday afternoon in the church parlors on Broadway.

Mrs. Estes M. Lynn, president, conducted a short business session. After the group sang a hymn, Mrs. Hall presented the program, which was concluded with the Mizpah benediction.

Social hour hostesses, Mrs. H. W. Lynn and Mrs. K. V. Northington, entertained in parlors decorated with multi-colored zinnias. Home-made ice cream was served with cookies to: Mmes. Alex Saunders, E. M. Lynn, Joel Bates, John Guion, Virginia Nance, Q. V. Miller, W. B. Woody, Conway T. Wharton, F. M. Pearce, Harry Lynn and Hall; and to Tom Sykes and George Nance.

Mt. McKinley in Alaska is the highest in North America.
