

# THE BALLINGER LEDGER

VOL. 70

BALLINGER, TEXAS, THURSDAY, JANUARY 19, 1956

NO. 13

## Drizzle and Snow Bring Moisture for This Area

Winter came to Runnels County Tuesday night and Wednesday morning and also brought the first moisture in many weeks. A light drizzle of snow fell Tuesday afternoon and Tuesday night resulting in about one-half inch of moisture. This turned to sleet and snow during the night, and Wednesday morning about four inches of white snow covered the ground in this area. Temperatures dropped into the low 20's, making travel in this area very dangerous. Most highways were covered with snow and ice and warnings were issued to stay off roads unless trips were very urgent. Ballinger stores sold out of rubber boots, overshoes and other storm footwear within a short time Wednesday morning. Schools here were called off early Wednesday morning and no messages were on the

air advising students not to report to classrooms. City traffic was slow in getting underway Wednesday morning. Many cars were left out Tuesday night and users had to get the snow off before starting them. Many would not start and taxi cabs were in demand early Wednesday morning. With no school, youngsters started snow-balling early and snow men appeared in many yards over town. It was the first snow of any amount in recent years and young and old made the most of the occasion. It was estimated here that the melting snow plus the rain which fell Tuesday would amount to about one-inch of moisture. Temperatures tumbled to the lowest for the winter Wednesday night with the government gauge showing a low of 14.

## Annual Livestock Show Exhibits 453 Animals

The annual livestock show was held here Saturday with 453 animals judged during the day. The exhibits were all housed in the big hangar at Bruce Field and during the day a crowd estimated at more than 1,000 visited the show. Those who have attended livestock shows here in the past stated the 1956 exhibit was the best in many years in all divisions. Many new exhibitors were on hand this year but some of the winners of past years were also present to take top honors. Mark and Hugh Campbell, persistent winners in past years with their Hereford calves, again took top honors in that division. Mark Campbell showed the grand champion of the show with his 930 pound Hereford and Hugh Campbell took reserve honors with his 1,050 pound animal.

Hoffman had both the reserve champion buck and doe. The grand champion doe was shown by Clifford Watkins. There were 25 entries in the Southdown cross class of sheep and all but two were given blue ribbons. There were 92 animals entered in the swine division, one of the best shows in recent years. L. M. Hartgraves of Texas Technological College, Lubbock, came here to judge the swine division, substituting for M. B. Inman who was ill. Dr. Bob Black, also of Lubbock, was a pinch hitter for Inman in the calf division. Other judges were Louis Bridges of Bronte in the sheep division and Bill Scott of Wiley in the capons and rabbit divisions.

## First Aid Work For Boy Scouts Monday, Jan. 23

Scout and Explorer first aid teams from the Tri-River District will meet in competition on Monday, January 23 at the high school gymnasium in Eden. The contests are scheduled for 7 p. m. and will be completed during the program. The contests are being staged by the district health and safety committee. D. J. E. Wiedeman of Junction is chairman of the committee and Jerry Hampton and H. M. Dossier are local members. Boy scout teams will be given problems involving first and second class first aid requirements, while explorer teams will meet on merit badge first aid. The public is invited to watch the performance.

Following the contest, the district committee will conduct their monthly business meeting at the Eden High School. All scouts in the Concho Valley Council, who attained the coveted rank of Eagle during 1955, will be recognized in an impressive ceremony at Camp Sol Mayer on Saturday, February 4 at a dinner meeting. There will be 18 present from the Tri-River district. Local scouts who will be presented are: Edward Stasney, Billy Witter, Jim McWilliams, Calvin Kirk, Wade Clifton, Pat Haral, Ronnie Wood, Tommy Corde, Ronald Funderburk, Lyle Young, Barton Underwood.

## RUNNELS COUNTY PLACED IN DROUGHT FEED AREA

Runnels County has been certified again to receive emergency feed in the drought area. Judge W. H. Rampy received telegrams Wednesday advising that the recommendations of Gov. Shivers had been approved and that Runnels County was included in the group of approved counties. It added that F.H.A. county committees were authorized to receive applications starting at once and that the program was designed to give help to the farmers and ranchers of this area. Those who wish to make application for the feed can secure additional information in regard to the program by seeing members of the local committee.

## HARRIS IMPROVING FOLLOWING SURGERY

R. E. (Cat) Harris, who had surgery at the M. D. Anderson Hospital in Houston two weeks ago, is reported to be improving. He will remain in Houston for another week under hospital care. Mrs. Harris returned home Tuesday.

## Scoggins Resigns Head Coach Here; Will Join Oil Co.

Bill Scoggins as tendered his resignation as head football coach here effective at the end of this term, which is Friday. He announced that he would move to Midland, where he will be a scout for the Lion Oil Co. Scoggins has served as head coach here for one year but was assistant coach under Douglas Cox and before that was junior high coach. He has served with the Ballinger schools for five years. His one year as head coach was very successful, with his team winning the district championship and dropping only two games during the season. Due to heavy losses by graduation, his 1955 team was not expected to make much of a showing, but came through to be one of the outstanding teams in West Texas in Class AA. As assistant coach under Cox, Scoggins helped take the Bearcats to the state finals in 1953. Scoggins has been a popular coach with the fans, has given excellent cooperation to the Quarterback Club, is a member of the Ballinger Lions Club and has been interested in all local civic work. He is married to the former Beth Grigsby, of Comanche, and the couple has a small son. Scoggins was a star player with the Ballinger Bearcats during his high school days. He attended San Angelo College for one year and entered Howard Payne College, Brownwood, where he lettered for four years. During that time he was an all-conference center. He received honorable mention as a center on the Little All-American while he was a student at Howard Payne. At a special meeting of the board held Wednesday afternoon, Bill Gosney, who served as assistant under Scoggins last year, was named head coach. Gosney will take over now and his assistant will be named later. The selection of Gosney to look after the Bearcats was a popular move with all local fans as well as students.

## Oil Activities Heavy In County Past Week

The Rhodes Drilling Co. No. 2-Harry Lynn has drilled into the Palo Pinto, set casing and run concrete and expect to start production Saturday or Sunday. The well has every indication of being another producer in the Ballinger (Palo Pinto) field. Humble Oil & Refining Co. has filed applications to drill an outpost and a stepout to the recently opened Rowena (lower Capps) lime field. Both will be 5,500 foot tests, sufficiently deep to test the Ellenburger. Humble Oil & Refining Co. No. 2-Isabella Lange and No. 1-Frank Lange will be drilled by rotary equipment with work to start at once. No. 1-Isabella Lange was drilling this week around 3,000 feet. C. Andrade of Abilene, No. 1-E. C. Lindeman in the Ballinger multipay area, 1 1/2 miles southwest of Hatchel, has been completed in the lower Gardner for a daily flowing potential of 428.64 barrels of 44 gravity oil. Potential was based on an actual 9-hour flow. Top of pay was encountered at 4,158 feet. Other production in the area is found in the Palo Pinto, Gray and lower Jennings. Lee Brothers of Maverick No. 2-E. F. Bryan is an indicated Palo Pinto producer in the North Norton multipay field. Gas surfaced on a test in two minutes and oil in 12 1/2 minutes from perforations between 3,978-80 feet. Karl Hobbiltzelle, R. R. Perkins and Lee Brothers will drill their No. 1A-E. F. Bryan, a southeast offset to the Murray Petroleum Co. No. 2-Kirby Robinson in the North Norton field. Ada Oil Co. No. 1-Mary Hollingsworth, three miles east of Norton, recovered gas and shows oil on a drillstem test in the Palo Pinto. Murphy Corp. of Denver, Colo., No. 1-W. M. Hord, 4 1/2 miles west of Winters, has been finalized for a daily flowing potential of 398.28 barrels of 41.9 gravity oil, in the Breckenridge lime. It was also completed in the Cisco reef for a daily flow of 415.88 barrels of oil. Gulf Oil Corp. No. 3A-I. N. Phillips, 1 1/2 miles northeast of Wingate in the Sanford (Fry field) has filed application for a 4,600 foot test. C. Andrade has filed application to drill No. 2-E. C. Lindeman, in the Hatchel multipay field. Application calls for a 4,300 foot test to start when application is approved. Robert B. King No. 1-W. A. Mitchell, four miles southeast of Wingate, 1/2 mile northeast of the Jim Adams multipay field, has filed application for a 5,000 foot test. King will also clean out the No. 1-S. P. Gray to 3,100 feet and test production in the Fennell multipay field. The test was originally drilled by Heep Oil Co. and abandoned in 1954.

## BEARCATS TO MEET FAST COLEMAN TEAM

The Ballinger Bearcats kept their record perfect this past week and now come to the big one with Coleman, scheduled for Tuesday night in the high school gymnasium here. Friday night at Brady they defeated the Bulldogs by a score of 67 to 53. Harold Hudgins led the Bearcats with 16 points and Charles Holloway was second high with 10. Tuesday night the Bearcats downed the Comanche Indians by a score of 54 to 42 in a game played here. The local quintet was never pushed by the visitors and held a lead all the way. Ronnie Maedgen and Harold Hudgins were high for the Bearcats with 12 points each.

## Farm Bureau is Seeking Gasoline Tax Exemption

Farmers of Runnels County will receive refunds on federal tax they pay on farm-used gasoline if the farm bureau is successful in its effort to secure gas tax exemption legislation. An effort will be made during the present session of Congress to get this exemption. Marion Hays of Ballinger, president of the Runnels County Farm Bureau, said the organization is making an effort to obtain an exemption for farmers of the tax on farm-used gasoline. The tax on non-highway gasoline is inequitable and discriminatory. The government does not tax power used by industry in the form of coal, oil, natural gas, electricity, etc., but at present taxes power when used on the farm in the form of gasoline. The total consumption of gasoline in tractors and other farm machinery is estimated at 3 billion gallons per year. This means that at present farmers are paying \$60,000,000 a year on gasoline used for farm production.

## Officers Report Several Arrests Here Past Week

Law enforcement officers handled a number of cases the past week and started investigations on others. W. J. Green was fined \$72.80 for driving a car while license was suspended. Francisco Gaitan was arrested the past week-end and charged with driving while intoxicated. He was fined \$72.80 and given three days in jail. Drew Allen Heslip, Jr. was arrested by city police Monday for Dallas officers. He had stolen a car there and will be turned over to police from that city. Louie Halfmann was charged with sale of wine and possession of wine for the purpose of sale. He made bond of \$750 in each case. Homer Cupp was fined on for wife desertion in local court the first of the week. Joe Hernandez was fined on for removing mortgaged property and a warrant for his arrest sent to Floresville. Benjamin McGraw was fined on for removing mortgaged property and a warrant was mailed to Corpus Christi for his arrest. Officers were investigating one case of burglary and two property damage cases.

## HOME DESTROYED BY FIRE TUESDAY

Ballinger firemen answered a call Tuesday night in the most severe winter weather of the year. They were called to Sealy Avenue to the home of Mr. and Mrs. L. C. Garner-Brown, where fire had gained considerable headway. The home and contents were practically destroyed and firemen had a hard time bringing the flames under control. The worth of the truck with large flood lights was realized Tuesday night and all lights were in use to help firemen in their work. The blaze started from a curtain that became ignited from a gas stove.

## STUDENTS BUSY TAKING FINAL EXAMINATIONS

Ballinger high school students began final examinations this week and most of the activities will be limited to that through Friday. Members of the student council assisted the March of Dimes committee Saturday in handling the balloon sale here. They were very successful, selling all balloons before noon and an order has been placed for an additional shipment which will be sold later. Students also will cooperate with the annual polo variety show to be held on the night of January 26 in the high school auditorium. Members of the one-act play cast will cooperate and will present their play, the boys' quartet will give a group of numbers and the girls' sextet will sing. Other high school groups may be used in the show along with outside numbers. The girls' basketball team will go to Lake View this week to take part in a tournament Friday and Saturday.

## LARGE CROWDS ATTENDING LECTURES BY BIEGELSEN

Crowds have been good at the series of lectures at the First Methodist Church this week. Dr. John Biegesien is presenting a series of talks on the New Testament and eight local churches are cooperating in the program. The series started Sunday night with a good crowd present, which included groups from Rowena, Talpa and San Angelo. The lectures will close Friday and those who have attended all meetings will be given certificates of credit. Mr. and Mrs. Joe Forester spent the past week-end in Corsicana visiting and attending to business.

## Court Will Open Remodeling Bids Friday Morning

The Runnels County commissioners' court will meet Friday, at which time they will open bids for the remodeling of the court house. Up to Tuesday, four contractors had taken out blue prints and specifications and indicated they would submit bids on the project. Commissioners expect to let a contract at the meeting Friday and to get work started as soon as possible on the changes to be made on all three floors. Workers installing the elevator have about completed all the job that can be done at this time. The motor was tested Wednesday but shipment of the cab cannot be made until the latter part of this month. The workers will leave this week and will return here soon after February 1, or when the elevator cab is received, and complete the job. After installation is completed, the carpenter on the job will have a small amount of work to do. Remodeling on the third floor of the court house will provide adequate room for taking care of overnight juries, both men and women. It will also provide a number of new offices which will be occupied and several changes will be made to accommodate elevator traffic without interruption of court when it is in session. Three local firms and one from Eden had indicated they would submit bids on the remodeling job.

## SOIL SUPERVISORS MAKE 1956 PLANS AT LUBBOCK MEET

Supervisors of the Runnels County Soil Conservation district who are attending the Lubbock convention this week are Kirby Robinson of Norton, W. F. Minzenmayer of Winters and Arthur Eggenmeyer of Miles. V. C. Marshall, father of Texas soil conservation districts, will be honored at the convention, which opened Wednesday and will close Friday afternoon. Farmers and ranchmen from all over the state are gathered there to map conservation strategy for 1956 and ponder soil, water and farm problems of state and national concern. One point receiving considerable attention is the Hoover recommendation that USDA's upstream flood prevention work should be turned over to the army engineers. A big feature at the convention this year is the soil and water show and the giant display of conservation farm and ranch equipment. Both the show and the convention are being held in Lubbock's State Park Coliseum.

## ROWENA CHURCH WILL INSTALL NEW OFFICERS

The Zoar Evangelical and Reformed Church of Rowena will install members of the church council Sunday morning. The new officers are: Ralph Kettler, president; Curtis Wiesepape, vice-president; Henry Wiesepape, secretary; Wesley Urbantke, financial secretary; F. A. Haverland, treasurer; Freddie Gallas, Kingdom Service secretary; W. A. Nanken, Kingdom Service treasurer. The service will start at 10:30 a. m. Sunday.

## March of Dimes Events To Raise Funds Planned

The first feature in the March of Dimes campaign was held here last Saturday when members of the student council of the Ballinger High School staged a balloon sale. The campaign was very successful, and all balloons were sold before the town was covered. During the morning the students sold 800 balloons for more than \$200 and an additional shipment was ordered and will be sold later. Workers secured from the Rotary, Lions and Jaycees will make a downtown canvass for funds Friday. Committees will call at each place of business in Ballinger to receive checks for the annual campaign to fight polio. Members of the Women's Golf Association will stage a variety show at the high school auditorium at 7:30 p. m. January 26. An excellent program is being arranged, which will present some of the best talent in this area. It will be a full two hour show, made up of special acts and will feature a number of high school groups. The annual March of Dimes

dance will be held at the American Legion hall on January 28. A good orchestra is being secured to provide the music, and every effort will be made to have a capacity crowd on hand. The Mother's March will be held January 31. On this night, solicitors will knock-at each door in Ballinger for contributions. In past years this has been one of the most successful features of the entire program. Ballinger Jaycees will launch their annual Russian Raffle at their meeting Monday night. George Newby will have charge of the auction and will offer a goat for sale to the person making the lucky bid. Last year this event raised almost \$500 before the goat finally sold. All schools of the county are conducting fund raising events and will make their reports this week-end. Mr. Newby stated that other special features would be arranged and staged before the end of the month. The county chapter needs to raise a quota of about \$7,500 to meet their needs for 1956.

## C of C Banquet Tickets For February 3 on Sale

## Soil Supervisors Make 1956 Plans At Lubbock Meet

Tickets for the annual Chamber of Commerce banquet went on sale this week with a limit of 300 to be sold. The meeting, banquet and program will be held at the junior school cafeteria at 7 p. m. on the night of February 3. Cayce Moore, humorist and philosopher, of Hearne, will be the main attraction this year. A few years ago Mr. Moore was operating a barber shop in Hearne when the editor of the Hearne Democrat dropped in for a haircut and some of Moore's famous barber-shop philosophy. The editor urged him to write a column for his paper. He began the column and within a short time reprints had been made in many of the large daily papers of the state. When he had become a famous writer, he turned to another pastime and began making talks. His reputation spread and today practically all his time is taken as an after-dinner speaker and it is hard to secure a date with him. Miss Carolyn Kemp of Bronter, will bring the musical numbers. She is the daughter of Mr. and Mrs. Cecil Kemp, formerly of Ballinger, and in recent years has made many appearances in West Texas as the vocalist on programs. Plates for the annual banquet will be \$2 each. Those who wish to attend should contact a member of the committee or call the Chamber of Commerce office and make reservations. The limit is 300, and some of these will be used for out-of-town guests and those on the program. Business items will be short at the banquet and will only include the presenting of the new officers and directors. Dick Ayers, retiring president, will call the meeting to order and present Allen Davis, new president, who will present his directors for the year of 1956.

## BUILDING PERMIT ISSUED BY COMMISSION THIS WEEK

The city issued only one building permit this week. L. R. Tigner received approval of a \$2,000 permit for an addition to his home at 709 Seventh Street. Other city activities include a general clean-up at the airport. Weeds have been cut and hauled away from buildings to eliminate fire hazards.

## HAS YOUR ADDRESS BEEN CHANGED?

Ledger subscribers are requested to notify the publisher of any change in their address promptly. Under postal laws, newspapers and periodicals must pay postage due for notices of any change in address furnished by the post office. Besides there always is the probability that your paper will be delayed or fail to reach you altogether if you do not give immediate notification when you move. The best plans for all concerned is to send the change of address in advance.

**PURRFECTLY LOGICAL FORECAST**—F. M. Ties, of Brodhead, Wis., holds one-third of his weather forecasting equipment in his arms. The other two devices are a calendar and a bit of American Indian folklore. Ties, whose snow forecasts are gospel in many parts of the midwest, notes date of the first snowfall deep enough to track a cat. Day of the month and number of days since the new moon figure in the formula, which indicates 45 snows will occur during the 1955-56 winter season. Ties says that his predictions have been accurate since 1921.

**SOCIETY**

**Josef Haydn Subject Discussed at Music Club Meeting**

Mrs. Alex McGregor discussed the Austrian composer, Josef Haydn, at the regular meeting of the Ballinger Music held in the home of Mrs. Arthur Giescke on January 10.

Mrs. McGregor outlined his long list of works, which

included 125 symphonies and overtures. At the conclusion of the program a recording of his Symphony in G Major was played. Fannie Pearce played an arrangement of the second movement of the "Surprise Symphony," and told why it was written.

Mrs. A. B. Stobaugh, pres-

dent, announced that the high school choral club, under the direction of J. C. Chapman, would present a program at the February meeting, which is to be held in the parlors of the First Presbyterian Church, U.S. Each member will be allowed to bring a guest. The resignation of Mrs. J. O. Satterwhite as an active member was received and accepted by the club.

Others present were: Misses Lola Eubank, Hattie Mae Dunlap, Olga Schawe; Misses Bob Bartlett, Joel Bates, Earl Cope, Joe Forman, Charles Hambrick, Horace Murphy, F. M. Pearce, Wayne Reynolds, E. A. Saunders, H. H. Wagner, J. R. Lusk, O. R. Lasater and W. R. Bogle.

**Fancy Doers Work on Handbook**  
LaNell Holbrook and Margo Brunson were co-hostesses to members of the Fancy Doers Club Monday evening, January 9. Sharon Tuckey, president, conducted the business held in the home of Mr. and Mrs. A. E. Holbrook. The group worked on the club's handbook, and also did some individual handwork.

Hostesses served cookies and cakes to: Midge Adair, Sharon Cook, Hettie Mae Herring, Fannie Stokes, Sharon Tuckey, Kay Wallace, Sarah Chandler, Linda Crockett, Betty Nix and Pauline James.

**G. G. Club Plans Box Lunch**  
Members of G. G. Club held their regular meeting in the home of Mr. and Mrs. Loyd Herring on Eighth Street Monday, January 9, with Susan and Lynn Herring as hostesses.

Susan Herring conducted the business. The group made plans for a box lunch to be served sometime in February.

Refreshments were served to Nydah Ellett, Marilyn Mason, Dorothy McShan, Ann Richardson, Linda Wright, Deannous Kindemann, Carol Ann Beard,

**BALLINGER HOME DEMONSTRATION CLUB**

Mrs. Alvin Spreen was hostess to members of the Ballinger home demonstration club Thursday afternoon in her home at 304 Fifth Street.

Members answered roll by "Have You Paid Your Poll Tax?" Mrs. George Hall, president, was in charge of the business after Miss Ollie Chenoweth gave the opening prayer.

"Storage Space in the Kitchen and How To Make It Attractive," was the program topic, which was discussed by Miss Chenoweth, county demonstrator.

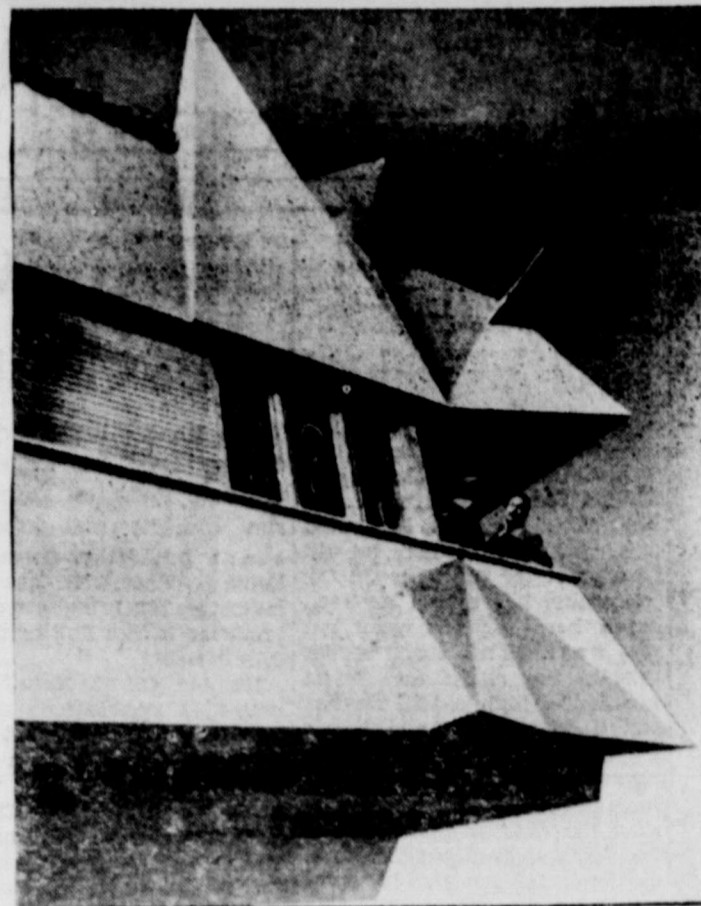

The hostess served cherry tarts and coffee to fourteen members and Miss Chenoweth. The next meeting will be at 2:00 p. m. on January 26, in the home of Mrs. George Hall.

Dr. and Mrs. H. A. Gustavus and children are in Ballinger making their home with Dr. Gustavus' mother, Mrs. C. J. Lynn.

The Gustavus family have been at the Craig AFB, Selma, Alabama, the past two years, where Dr. Gustavus was a major in the Air Forces. Before going into the service he was located in Ozona practicing dentistry. Dr. Gustavus will not locate until after school is out in the spring, as the children have been placed in Ballinger school.

Mrs. Mattie Belle Newberry of Abilene was a recent visitor in the home of Mrs. Ruth Ramsey. Mrs. Newberry is with the Taylor County Red Cross Association.

Gwen Laxton, Sue Bishop, Barbara Reynolds, Linda Darby, Gwin Wade, Glenda Cook and the sponsor, Emilie Burton.

**FLIGHT OF FANCY**—No space ship, this. It's the balcony of a hillside home in Turin, Italy. Architect Enzo Venturini, left, calls the design "Chaos." Sculptor Umberto Mastroianni, right, commissioned the unusual design for his home.

**BE IT REMEMBERED**

That on the above date, there was held a meeting of the Ballinger Volunteer Fire Department at its office in the City Hall in Ballinger, Texas, at said time and place, those being present were the officers and members of the Ballinger Volunteer Fire Department, and the following proceedings were had:

Moved by M. L. Forgy, seconded by Lynn Candler, and unanimously adopted as attested

by the undersigned, as follows:

WHEREAS, it has pleased an all-wise Creator to remove from our midst on the 7th day of December, 1955, our beloved friend and Life Member, Dr. F. M. Hale;

THEREFORE, be it resolved that we, the members of the Ballinger Volunteer Fire Department whose privilege it has been to be associated with Dr. F. M. Hale as a friend, a Life Member of our department, and past Physician of our department, beg to express our love and appreciation of him and for the influence he had on our lives.

FIRST: Because of his tried and true friendship;

SECOND: Because of his untiring efforts in the interest of every member of the Ballinger Volunteer Fire Department, and to the entire Citizenship which it served; and:

His passing away will be felt

**MRS. KENNETH MASSEY NAMED TO COMMISSION**  
Mrs. Kenneth C. Massey, the former Miss Louise Hash, daughter of Mrs. John Hash of Ballinger, has recently been appointed to the newly organized Commission on Drama of the National Council of Churches in America. The commission was established in recognition of the historic relationship existing between Christianity and the drama, and the purpose of the Commission on Drama is that this relationship may achieve significant expression in the culture in which we live.

The roster of the commission includes directors, writers and actors across the nation. Another Texan included is Paul Baker, with the Baylor Theatre.

Mrs. Massey is chairman of drama work for the New Jersey Baptist Convention and produced its historical pageant in Trenton, New Jersey, last September. She will be chairman of the drama work for the music, art and drama conference of the American Baptist Assembly in Wisconsin next August.

Mrs. Massey is a graduate of Ballinger High School and Baylor University, Waco, and was a member of the faculty of Baylor University for a number of years.

**B. T. MURDAUGH NEW SALES MANAGER LONE STAR GAS**  
Appointment of B. T. Murdaugh as regional sales and promotion manager for Lone Star Gas Co. distribution properties in West Texas has been announced by R. H. Gray of Abilene, regional manager. He succeeds John Perryman, who has been named sales and promotion manager for Lone Star's 187,000-customer division in Dallas, Gray said.

Under Lone Star's reorganized and enlarged merchandising program, Gray stated, Murdaugh will direct gas appliance sales and promotion activities in Ballinger and approximately 100 other cities and towns in the West Texas area comprising the Abilene region.

He will take over his duties February 1 and Abilene will be his headquarters.

Murdaugh comes to this territory from Waco, where he worked as regional sales supervisor. He began his career with Lone Star June 12, 1940, as salesman at Waco and several months later was transferred to Temple. Late in 1942 he entered the army air corps and saw service at San Antonio,

**FIREMEN ARE CALLED TO BLAZE SATURDAY**  
Ballinger firemen were called Saturday to the home of Paul Kirk on Seventh Street where a chicken house was practically destroyed and damage done to a garage at the E. M. Kitchens place. The fire started in the alley and was believed to have been caused by someone throwing matches into grass.

A power mower and a hand mower was destroyed in the chicken house at Kirk home.

**H. B. EDMONDSON NAMED AMBASSADOR FOR SHOW**  
H. B. Edmondson, of Ballinger, has been appointed official ambassador from the Ballinger area to the Seventh Annual San Antonio Livestock Exposition, E. W. Bickett, exposition president, announced.

The greatly enlarged 1956 exposition will be held in the Bexar County coliseum February 10-18.

As an ambassador of the forthcoming show, Mr. Edmondson will be its official representative from this area and will be furnished with complete and up-to-the-minute information concerning the show.

Five new divisions have been added to the San Antonio show this year. These include Charbray and Charollaise cattle, Cheviot and Montadale sheep and Delaine sheep in the junior division.

In addition, a new 50,400 square-foot sheep and goat barn is now under construction on the site where these animals were formerly penned in tents. The new barn, of metal and concrete construction, will have pens for 500 animals.

The Everett Colborn World's Championship Rodeo will play 15 performances during the stock show and Rex Allen, popular cowboy star of screen, radio and television, will appear at each performance of the rodeo.

A horse show, featuring quarter horses, cutting horses and Appaloosas, also will be held during the exposition.

Airman 2e Walter L. Benler, husband of the former Nina Eloise Taff, 405 Ninth Street, Ballinger, was recently assigned to Japan's 59th weather reconnaissance squadron. His duties with the group are those of instrument repairman. Benler has been a resident of the San Angelo area since going to Goodfellow AFB in January 1952. He was discharged from the air force in June 1954 and reenlisted at Goodfellow in August 1955.

**DEATHS**

## WEST TEXAS NOTES

Candidates who seek office in the Democratic primaries this summer will have a stiff assessment for getting their names on the ticket. The cost of holding two elections will be about the same as in past years and his year only one-half of the offices will have candidates. This will make the assessments about twice as high as in the past. Practically all the cost of a primary election falls on the county and precinct officers. There are 29 voting boxes in his county and the hiring of a force to staff each box, plus the tickets and other election supplies, is a considerable sum.

The Ballinger Jaycees, Ballinger Chamber of Commerce and numerous other organizations have started campaigns to get people to pay their poll tax before January 31. With important elections scheduled for 1956, these organizations feel that the county should be at maximum voting strength. It is expected that more than 3,000 people will pay their poll taxes this year and that with the "overs" and "unders" will give the county a heavy vote. January 31 is the last date to secure poll tax receipt.

One of the most worthy financial campaigns of the year is under way and will continue until the end of this month. The annual March of Dimes was launched Saturday and numerous feature programs have been announced for the rest of the month. The National Foundation for Infantile Paralysis has done a great work and the end of polio can be predicted and cases with paralysis suiting are about over. Some say that because of this, the March of Dimes doesn't need as much money as in past years. Here are thousands of cases that are still trying to relearn to walk and be normal. These need help and only the specialized hospitals operated by the National Foundation can give the treatment that is necessary. Unnels County has carried a heavy load the past year with one ten cases. Three of these developed in 1955 and one case as already cost the local chapter more than \$3,000 and the aid is not in sight. Several uses have been receiving assistance for the past seven years and go to clinics and hospitals for regular check-ups and changes of equipment. There is still research work to be done and the foundation will continue to need money until polio is stamped out and all victims

The board of trustees of the Overall Memorial Hospital at Coleman met last week to outline several proposed improvement projects to meet the requirements of the Ford Foundation grant of \$10,000, and was forwarded to the foundation for approval. If the projects meet approval for the grant, then one or more of the proposals will be carried out. These proposals were to open the lower floor of the north wing, which would add many additional beds to the hospital. This wing has been used for doctors' offices. Another proposal was to install more modern heating and cooling systems in the south wing on the upper floor and for the installation of a fire escape on the building.

Despite dry weather and short crops, the farmers in the Comanche area have done a good job in applying their conservation plans. There are approximately 7,000 acres of grass land deferred during 1955 growing season. This extra grass has come in handy with the extended fall and winter drouth. 2,000 acres of peanut land is protected by thickly planted sudan and grain sorghum left standing in the fields. 1,500 acres of land has been tilled in such a way as to leave a cover of dead stubble to protect the land from winds. Cover crops have been planted on 10,000 acres, 13 miles of terraces, 24,950 feet of diversion terraces, 32 ponds, 5,000 acres of brush control, 109 acres of land vegetated waterways and run-off strips

have received treatment that has been the best. Give when your friends approach you and patronize the programs that have been planned by the workers, chapter officers and members of the county boards serve without pay and all that you give will go directly to research or for patient care.

The Ballinger Chamber of Commerce is to be complimented on the way the annual livestock show was handled. Such an undertaking is a big job and requires good committee work to do the job as the 1956 show was staged. That reminds us that such an organization is a good thing to have in town and any local citizen who is not a member, this would be a good time to join and start paying dues and giving a little time to help the organization.

had been established.

At a recent meeting of the Board of Trustees of the Winters school district, the board accepted the resignation of Mrs. Bodean Kruse and Mrs. Clara Martens. Mrs. Nell Benson and Mrs. Maudeen Gilbreth were appointed to their positions. Mrs. Benson is a graduate of Hardin-Simmons University and has taught in Stamford. She has a B. S. degree and a Permanent High School certificate. Mrs. Gilbreth received her Bachelor's degree in January from McMurry College.

C. W. Cox of Hext, in Menard County, was taken to Austin last week for treatment and examination after he was attacked and bitten by a fox in front of a Hext store. Cox was walking past the store when the animal dashed out from under the building and bit the victim several times on the hand. He was given emergency treatment in Brady before being taken to Austin.

At the stockholders meeting of the First National Bank at Bronte last week, Earl F. Glenn was named executive vice president and cashier. J. Mackey was elected as director of the bank. A 10 per cent dividend was voted to stockholders.

Bill Quimby of Fort Stockton has been appointed executive vice president of the Co-

lorado City Chamber of Commerce, to become effective February 1. He will fill the vacancy created by the death of W. Frank Craddock who was manager of the chamber for the past three years. Quimby has been manager of the Fort Stockton Chamber of Commerce the past two years and has an outstanding record in public service, both in his home and community and in his West Texas area.

Two Erath County dairymen won honors at the Texas Jersey Cattle Club meeting held at Texas State Teachers College in Denton last week. W. L. Peyton was elected president of the organization and A. B. Copeland, Sr., was awarded the Champion Jersey Herd of Texas honors for his class at the meeting. Peyton has served the organization as vice-president during 1955 and has been a leader in the Jersey cattle breeders field for several years.

The Brady City Council authorized Fire Chief Howard Salter, last week, to hire two additional men in the fire department. They are E. T. Clay and Leonard Crump, and both men have been serving as volunteer firemen. Clay is a former city marshal and fire marshal, and Crump was employed by S & K Motor Co. This will give the city of Brady two men on duty at all times, working 24 hours on and 24 hours off. Salter will head the department. They went to work at their new job on January 16.

The resignation of Assistant Coach Joe Pat McHaney from the school system at Eden has been accepted. McHaney has been teaching in the high school

since last September and has resigned to enter the army. He was line coach for the Bulldogs and also served as classroom instructor, teaching mathematics. He came to Eden after receiving his Bachelor of Science degree at Hardin-Simmons University last June. Superintendent Sanders stated they have received several applications and hope to have the vacancy filled soon.

The Painted Bluffs, near Paint Rock, will be opened to the public for the benefit of the March of Dimes from 1:30 to 5:00 p. m. on January 22 and January 29. Admission will be \$1.00 per car. These bluffs are located on the property of Mrs. Fred Campbell of Sterling City and have a large collection of Indian paintings.

The profit from all gasoline sales at the Canal Service Station on Saturday, January 21, will go to the Menard County March of Dimes, according to the manager of the Humble bulk station, J. L. Smith, and Mrs. Carlton Kothmann, county campaign director. Smith has been hospitalized with polio at San Angelo and Gonzales Warm Springs foundation for about two years. Assisting in windshield washing and tire checking for that day will be members of the Daisy Belle Garden Club.

J. E. Herrington, McCulloch County school superintendent, was named chairman of the American Red Cross fund campaign for 1956. Herrington accepted the job at a meeting of the directors last Wednesday morning and has asked the cooperation of those whom he contacts for assistance for the March drive.

## People Are Important

People do not have to make the headlines of daily papers to be important—we have them all around us who could qualify for the title "important." They are important because they practice the virtues of thrift—living within their income; important because they live by the golden rule, are sympathetic; and helpful when a neighbor is in need. They encourage those in need of encouragement, and help those who are worthy; moreover, these important people right around us are proving by their daily lives that they believe this country has attained its high standard of living by thrift, in honesty, and in applying to their daily lives the methods which have made this country the model for the rest of the world.

These are the people who are important—we are proud to have so many of them as our customers and friends.

Bel Air Beauville—4 Doors, 9 Passengers

Chevrolet offers 6 sprightly new Station Wagons—all with Body by Fisher—including two new 9-passenger models!

These Chevrolet station wagons can knuckle down and work as hard and as long as you like—and they've got the cargo space to prove it. Nearly 9 feet of it with the end gate down. But, let's face it, they'd much rather take off for a good time—and they've got the power and performance to prove that! A zippy, exciting kind of power that's fun to handle. And the closest thing to sports car performance you'll find in a full-size automobile. It's a real road car, and safer because of it! Come in for a ride and see.

**Card of Thanks**  
I want to take this means of thanking Dr. O. H. Chandler, Dr. C. F. Bailey, other staff members and all the nurses at the Ballinger Clinic-Hospital for their kindness and services while I was ill. I am also grateful for the cards, flowers, gifts and visits while I was in the hospital and since returning home. May God bless each one of you.

Gertrude Ederle, of New York, became the first woman to swim the English Channel.

**At the Hillcrest . . .**

The Hillcrest Drive-In Theatre will present two first-run features on Friday, Saturday and Sunday.

First feature on this program will show Errol Flynn, Joanne Dru and Peter Finch in the CinemaScope production of "The Warriors."

Co-featured will be the latest police method of a "run-down" of a suspect car by two-way radio squad cars, controlled from a map room in a central station, is shown in dramatic detail in Allied Artists' "Bobby Ware is Missing."

The intricate operation was under the technical direction of officers attached to the Los Angeles county sheriff's office, although the cars involved were studio rentals, specially painted and equipped to look like county equipment.

In "Bobby Ware is Missing" two boys, hiking in the mountains, are trapped when they fall into an abandoned quarry. The frantic parents believe it to be a kidnapping, and a vast search is organized. While it is on, the parents receive a ransom demand, and this veers the search into a new direction.

**CAR INSPECTIONS URGED; FEW RECORDED TO DATE**

Capt. Ray Butler, commanding officer of the state highway patrol for the San Angelo district, has sounded a warning to car owners in regard to securing the safety certificates. The final date for getting safety stickers and displaying them on windshields will be April 15.

He stated that registered motor vehicles in Rannels County at present number 9,243 and that only 983 have been inspected for 1956. This is only about 10 per cent. There are a number of licensed inspection stations in Ballinger and owners of motor vehicles are urged to start early this year and avoid that last minute rush.

Mr. and Mrs. W. B. Hash of Pampa arrived in Ballinger Sunday night for a visit with Mr. Hash's mother, Mrs. John Hash, and sister, Miss Anna Belle Hash.

**Home Demonstration Council Reports at Meeting Friday**

The Rannels County Home Demonstration Club Council met at 2:00 p. m. Friday in the office of Miss Ollie Chenoweth, extension service agent, with Mrs. Dick Holstead presiding.

Mrs. D. W. Williams of the Drasco club read the primary purpose of home demonstration clubs, and Miss Pauline Schiller of the Rowena group read the club prayer.

Miss Chenoweth discussed the duties of club officers, distributed bulletins on parliamentary procedure, and requested club presidents to read suggested constitutions and by-laws at a meeting in February. She also introduced new council members.

Mrs. J. L. Ohlhausen, secretary, read a letter from William T. Lawler, director of education and rehabilitation therapies at the Abilene State Hospital, in which he thanked the Rannels County club women for the

packages of gifts collected for the children of the hospital.

Mrs. Neuman Smith, chairman of the yearbook committee, asked that club presidents appoint one member to collect material for the next yearbook and turn in suggestions by August 1. Other members of this committee are Mrs. George Hall and Mrs. E. W. Bridwell.

Mrs. B. M. Batts, of the finance committee, recommended raising a budget of \$300 for next year's council expenses, and also that only two delegates be sent to the state meeting. Mrs. M. C. Broussard and Mrs. Archie Wallace are also members of this committee.

The education committee chairman, Mrs. J. L. Ohlhausen, and Mmes. Ralph Russell, J. C. Harrell, Joe Crockett and Miss Pauline Schiller, made the recommendations that the clubs continue to help the children's hospital at Abilene, have a com-

mittee, of which Mrs. Dick Holstead is chairman, were that clubs sponsor two community events a year and community group singing; 5 to 15 minutes of recreation at club meetings; that all clubs have a program for Rally Day; and that home study and reading centers be provided. Mrs. John Cody, Mrs. Tom Egan and Mrs. Alfred Multer complete this committee.

The civil defense chairman, Mrs. Calton Smith, said that each club should appoint a civil defense chairman, have a program on first aid, cooperate with planned defense programs in the county, and encourage members to donate blood to blood banks. Mrs. M. J. Lawrence and Mrs. A. V. Milsap work with Mrs. Smith on this committee.

Mrs. Marion Hays, citizenship committee head, and Mrs. Clyde Simmons and Mrs. J. J. Hoelscher, members, suggested that clubs study the responsibilities of a juror and that members serve when summoned.

The council voted to accept the recommendations of the

committees. Mrs. Tom Egan, THDA chairman, read a letter from Mrs. C. E. Barfield, district vice-president, announcing a planning meeting in Brady February 6. She also announced the district meeting for Wednesday, April 11, in Sweetwater, and the national meeting September 23 to 27 in San Antonio. The state meeting will also be in San Antonio on September 28 and 29. Mrs. Barfield suggested that one member from each club attend these meetings.

All clubs were represented and reported Christmas parties and plans for the new year.

The South Ballinger and Bethel clubs will send a Valentine box to the state hospital, Abilene.

Mrs. J. L. Ohlhausen read the standing rules of the council for 1956. The council donated \$5.00 to the March of Dimes drive.

Training on "Your Responsibility as a Juror" will be given in the county office at 2:30 p. m. January 30. Two members from each club will attend and

Jack Moore will give the program. At 2:30 p. m. January 31 leadership training on "Eat and Grow Slim" will be given in Miss Chenoweth's office. A dress tailoring class will be conducted on February 9, 17, 23 and 26. The February 9 class will begin at 2:00 p. m.

D. E. Williams has reenlisted in the army with the rank of master sergeant. He and his wife, the former Gayle Hirschfeld and two daughters, have been making their home in Austin for the past year. He will be stationed in Lake Charles, Louisiana.

**Collins-Wanoreck Vows Read at Officiation**  
Miss Volle Jean Wanoreck, daughter of Mr. and Mrs. Victor Wanoreck of Olfen, became the bride of Bobby A. Collins, son of Mr. and Mrs. C. B. Collins of San Angelo, at a ceremony performed in the St. Boniface Church at Olfen on January 14. Rev. Norbert F. Wagner officiated at the double

ring ceremony before the altar banked with white gladioli. The bride, given in marriage by her father, wore a floor-length gown of white lace over tulle satin, fashioned with a stand-up collar and long fitted sleeves. Her veil of net trimmed with lace was attached to a tiara sprinkled with pearls and rhinestones. She carried a crescent bouquet of white French

feathered carnations and lilies of the valley with white satin streamers. The maid of honor, Miss Joyce Wanoreck, sister of the bride, wore a pale blue ballerina-length gown of net over tulle, with a matching bolero. She carried a colonial bouquet of pink carnations. Miss Mae Dell Wanoreck of Mereta, cousin of the bride, was bride's maid. Her gown was of gold and similar to that of the maid of honor. She carried a colonial bouquet of champagne carnations. An all day reception was held

Best man was Ed Wanoreck, Jr. of Mereta, cousin of the bride. Groomsman was Frankie Hoelscher of Olfen, cousin of the bride. Ushers were Ray Gene Hoelscher of Rowena and Earon Jackson of Austin. Nuptial music was played by Mrs. H. E. Halfmann of San Angelo. A statue of the Blessed Virgin Mary was presented the bride by Joyce Ann Hoelscher and Mary Frances Halfmann, who represented the Children of Mary Sodality of Olfen.

at the home of the bride following the ceremony. The three-tiered cake was served from the table, which was decorated with white tapers in candelabra and white gladioli, by Mrs. Earon Jackson of Austin and Mrs. Herbert Goetz of Rowena. Rev. W. T. Reynolds brought two good messages at the Methodist Church Sunday. His subject Sunday evening was "A Gospel for the Drought Years."

Rev. Coleman, the new missionary Baptist pastor, has moved with his family to the parsonage at Crews. We welcome to our community. The Woman's Society of Christian Service met at the church Monday for their regular program. Mrs. F. W. Bridwell was the leader and the subject was: "The Gospel in a Revolutionary Age." Those participating were: Mrs. Walter Pape, Mrs. Enoch Johnson, Mrs. A. S. Alcorn and Mrs. Orville Pearce.

The new home of Mr. and Mrs. Enoch Johnson is nearing completion. They expect to be able to move in within a few days. Mr. and Mrs. Ira Klutts of San Angelo visited Friday with Mr. and Mrs. Marvin Hale. Mrs. M. R. Petre visited her son-in-law and daughter, Mr. and Mrs. Cecil Hambricht, at Winters Sunday.

the people I represent commissioners court keeping the roads we the best of condition securing more farm-to-roads in all parts of the district. I will see to it that you give me your careful consideration and, if possible, support. I will deeply appreciate anything done in half during the campaign. Sincerely, Jim Duncan

## CREWS

Many persons from outside the community attended the funeral of Mrs. Pearl Clark. Among those here were: Doyle Jayroe, Pecos; George Gardner, brother of Mrs. Clark, Big Spring; Mr. and Mrs. Joe Brister, San Angelo; Mrs. Clarence Webb, Tennyson; Mrs. Snodgrass, Coleman.

Mrs. P. R. Dietz was a medical patient in the Ballinger Clinic-Hospital last week. Mr. and Mrs. W. L. Porter visited Mr. and Mrs. Fred Gerhart Sunday.

Mr. and Mrs. A. S. Alcorn accompanied Mr. and Mrs. Flay Brevard to Dallas Sunday to visit James E. Hale, brother of Mrs. Alcorn and Mrs. Brevard. He had just returned home after spending two weeks in the hospital and was showing improvement. Marion Wood attended the funeral of his cousin, Mrs. Raymond Johnson of Cleveland, Texas last week. Her death was caused by the accidental firing of a gun by her husband.

I wish to announce at this time that I will be a candidate for the office of County Commissioner of Precinct No. 1, of Runnels County, subject to the democratic primaries in 1936. This work is not new to me as I have served with two former commissioners of the precinct. I worked for two years with T. J. Parrish when he held the office and for one year with H. E. (Hub) Fulcher when he was the county commissioner. For 27 years I have been associated with farm implement companies and feel that I know how to use heavy machinery and something about their care and upkeep.

I consider the most important part of the work of the office, that of looking after the affairs of the county and in seeing that funds are properly spent for the best interest of the tax payers. I have made Runnels County my home since 1900 and believe that I know the needs of the area which I would serve. If elected to the office I promise my best efforts in looking after the interests of

## JUNIOR TEAMS HONOR AT FOOTBALL BANQUET

Junior high school players were served a Monday night at the A. Cafe. The Bearcat Quarter Club sponsored the banquet which some 100 players and special guests were present. Coach Wilson, club president, was master of ceremonies and the occasion and Supt. Caskey gave the invocation. Coach Alton Patterson presided and the banquet was a success. The picture was of the team and the coach. Coach Bill Scoggins, principal speaker and football, especially the in the Ballinger schools. Close of his talk, a picture of the McMurry College Payne College game was shown. This picture was of interest in that four boys were playing on McMurry team.

**SOUTH BALLINGER HOME DEMONSTRATION CLUB**  
Sixteen members of the South  
Ballinger home demonstration  
club held their regular meeting  
Tuesday in the home of Mrs.  
Ed Farley. They heard annual  
club reports at this meeting.

Mrs. Archie Wallace, presi-  
dent, conducted the session  
after members answered roll by  
giving a practical joke. Mrs.  
Ross Smith was welcomed as a  
new member. Mrs. Tom Mc-  
Entire read the Homemakers'  
Creed and Mrs. J. L. Ohlhausen  
gave the prayer. Mrs. Neuman  
Smith, council delegate, read  
the annual reports given by the  
28 members at the Runnels  
County home demonstration  
council meeting. A committee  
was appointed to meet with a  
committee from the Bethel  
home demonstration club at 9  
a. m. on February 9 in the  
home of Mrs. Tom Crockett to  
pack cookies and Valentines for  
the children at the State Hos-  
pital at Abilene. Mrs. Calton  
Smith and Mrs. Neuman Smith  
were appointed to attend the  
training school on "Your Res-  
ponsibility as a Juror," which  
will be held in the agent's  
office at 2:30 p. m. on January  
30. This information will be  
brought to club members at the  
next regular meeting. The club  
voted to contribute \$5 to the  
March of Dimes.

The president, appointed the  
following committee chairmen:  
yearbook, Mrs. V. L. McShan;  
finance, Mrs. B. M. Batts; edu-  
cation, Mrs. Joe Thomas; citi-  
zenship, Mrs. Austin Williams;  
civil defense, Mrs. Calton  
Smith; health and safety, Mrs.  
Ed Farley; recreation, Mrs. John  
Cody; 4-H club, Mrs. J. C. Reese;  
flowers and cards for the sick,  
Mrs. J. P. Booth and Mrs. Jack  
Fry. All committee recom-  
mendations were read and  
voted on.

The hostess served a sand-  
wich plate and doughnuts to  
those previously mentioned and

to Mrs. Andrew Flint and Mrs.  
Ross Smith.  
The next regular meeting  
will be held on February 7 in  
the home of Mrs. C. D. Harris,  
700 Sixth Street.

Mr. and Mrs. Paul Harra-  
l, 406 Sharp, are parents of a son  
born Friday, January 13, at San  
Angelo Clinic-Hospital. The  
baby arrived at 6:30 p. m. and  
has been named David Glenn.  
He weighed 7 pounds. Other  
children of the couple are  
James, 3½, and Christine, 2.  
Grandparents are Mr. and Mrs.  
Charles Olsak and Mr. and Mrs.  
J. E. Harra, all of Ballinger.

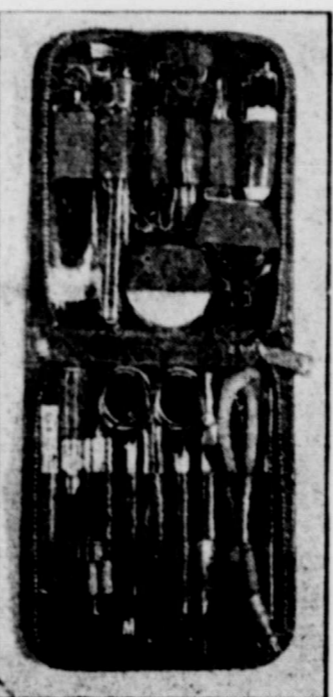

Mrs. Ewing Holt has returned  
from a visit in Orange and Free-  
port with relatives and friends.

**IT'S A SMALL WORLD**—Soviet comrades Khrushchev, left, and  
Bulgarian, right, meet a Rhode Island "Red" rooster in far-off  
India. Russia's party chief and her premier were visiting a state-  
operated farm at Bareilly, one of many stops on their Indian  
Itinerary. The pair laid several king-size eggs, diplomatically  
speaking, with frequent and bitter attacks on England and other  
NATO powers when speaking.

**COMPACT**—All essentials contained in the doctor's "little black bag" are to be found in this billfold-size pocket kit. Designed by Dr. Harry E. Barnett of Chicago's Michael Reese Hospital, it holds instruments, therapeutic equipment and basic medications. Redesignated instruments which serve several purposes, singly or in combination, are the secret of the kit's compactness. It weighs 13½ ounces.

**HEALTHFUL BILLFOLD**—Everything a doctor might need to cope with an emergency is contained in this compact, billfold-type medical kit. Weighing just 13½ ounces, it is the development of Dr. Harry E. Barnett of Chicago's Michael Reese Hospital.

**JOINS THE "400"**—Jockey Willie Hartack holds trophy which means more than the winning of a race at Tropical Park, Miami. It symbolizes his 400th victory in one season, a record held by only one other track pilot—Willie Shoemaker.
