clothes dryer made ...

automatic clothes dryer

No wonder the woman with an old-fashioned clothesline dreads each washday. For the average family of four, in one year she carries 2 tons of washing . . . walks 40 miles ... spends the equal of 24 eight-hour workdays merely carrying laundry!

It's just simple arithmetic! An automatic gas clothes dryer saves time, work, money! It takes clothes as fast as they're washed, delivers them soft and fluff-dried, with that sweet, fresh outdoors smell, ready to put away. Less ironing, too. Gas actually steams wrinkles out. Now rain or shine, day or night, an automatic gas dryer turns your laundry days

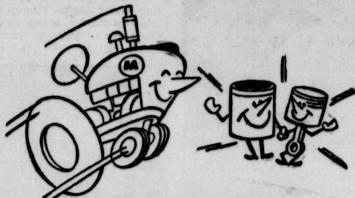

> The perfect Wife-Saver partner in the automatic Gas laundry is an Automatic Gas Water Heater.

DON'T BE FOOLED for what it costs to dry clothes for 1 year electrically ... you can dry clothes for 7 years with modern flame-fast GAS!

PUBLIC IS CORDIALLY INVITED

Today, as no time before in history, the school teacher is recognized as the builder of tomorrow's America! With juvenile delinquency increasing apace, and foreign ideologies creeping into our school books, it is high time that glowing tribute was paid to these patient men and women who instruct our young. Let's remember that teachers are human beings, not machines. Let's give them the support and confidence they so richly deserve. Let's attend P-T-A meetings and contribute something more than children. This community is fortunate in having such fine schools and outstanding educators. We applaud their work and their good American achievements!

Nobody "spared the horses" in the '56 Chevrolet!

This new beauty's got power. Big, deep-breathing power that's panther-quick and silk-smooth. Power that puts new kick in your driving and makes passing far safer.

Feather-touch the gas pedal-and you find out right quick that nobody spared the horses here!

A flick of your toe is all it takes to unleash a hoodful of power. Power that makes passing far safer by saving seconds when they really count! Power that's smooth as silk-and as full of action as a string of firecrackers. Power that ranges up to 225 h.p.!

But power's just one of the things that

make for safer, happier driving in a Chevy. For instance, you get safety door latches in

all models. Directional signals, too, are included as standard equipment in every new Chevrolet. And Chevrolet alone in its field offers the security of a sound and solid Body by Fisher-plus the nailed-down stability of a real road car!

Come on in and see how the hot one handles. Why not make it soon?

Air conditioning-temperatures made to order-at new low cost. Let us demonstrate!

123 GLAMOROUS PRIZES IN THE "SEE THE U.S.A. IN YOUR CHEVROLET" CONTEST. ENTER NOW. AT YOUR CHEVROLET DEALER'S.

Ray Fugua Chevrolet Co.

When you are examined by a physician and take his prescription to a pharmacist, you secure the maximum benefits from both the medical and pharmaceutical professions. The physician and pharmacist work hand in hand in the

interest of public health. Neither is self-sufficient. Each is dependent upon the other. You should have a family physician to whom you can turn in times of illness. Bring his prescriptions to us. Compounding prescriptions is a responsibility which we gladly accept.

> SOUTH BALLINGER HOME DEMONSTRATION CLUB

Miss Ollie Chenoweth, home demonstration agent, presented a program Tuesday afternoon on "Foods for Health and Emergency Meals" at the regular meeting of the South Ballinger Home Demonstration Club which met in the home of Mrs. Andrew Flint in South Ballinger.

Mrs. Archie Wallace, president, conducted the business session after the group sang "Texas. Our Texas." Mrs. John Cody gave the homemakers creed and Mrs. J. L. Ohlhausen gave the club prayer. Roll was answered by naming seeds or plants to be planted in early spring.

Mrs. Ohlhausen was elected a candidate to represent the club for the election of a THDA delegate at the council meeting to be held Friday. Mrs. Joe Thomas was appointed to present a safety program at the next meeting which will be held March 20, in the home of Mrs. Jack Fry. At this meeting

The Bible Teaches:

Why Study the Bible?

. COMMANDED TO STUDY

2 Timothy 2:15 begins with the command: "Study " If we love the Lord we will keep that command. (John 14:15, 21, 24).

2. TO BE APPROVED OF GOD

We want our lives to please God don't we? Paul tells us one way to be approved of God: "Study to show thyself approved unto God.

B. TO BE PROUD OF OUR SPIRITUAL WORK All of us take pride in doing a job well. "A workman that needeth not to be ashamed . . ." the verse continues. Let us study God's Word so we will not be ashamed of our spiritual work in his

4. TO RIGHTLY DIVIDE THE BIBLE

rightly dividing the word of truth" 2 Timothy 2:15 concludes. Study is necessary if we would understand, handle aright, and properly divide the Bible according to testaments, dispensations, etc.

5. TO KNOW GOD AND CHRIST

Knowledge of God and Christ is necessary if life eternal would be ours. (John 17:3). We learn of them from their book, the Bible.

6. TO HAVE FAITH

Without faith it is impossible to please him . . Hebrews 11:6. We want to please God. How does faith come? By studying God's Word (Romans 10:13-14, 17).

7. TO KNOW WHAT TO DO TO BE SAVED

. . . the holy scriptures which are able to make thee wise unto salvation . . . " 2 Timothy 3:15. The Bible is our treasure map, our guide-book from earth to heaven, "A lamp unto my feet and a light unto my path" (Psalms 119:105). See also Acts

8. TO BE FREE FROM SIN'S GUILT AND DAM-

, ye shall know the truth, and the truth shall make you free" John 8:32.

9. TO KNOW GOD'S WILL SO WE CAN OBEY IT The saved are the ones who do God's will (Matthew 7:21) and obey Christ (Hebrews 5:9; 2:1-3) but none can obey until they study and find out God's will (Romans 10:17).

Want some Fun and Fast Action? Come join Buick's THRILL-A-MINUTE CLUB

HERE's the why of it:

There's so much excitement at the wheel of a '56 Buick, we had to do something to accommodate all the folks who want to get in on it.

So we set up a little Club to handle matters-and it's for fun and for free. All you do to join is drive a new Buick-that makes you

a member. And all you do to drive this beauty is ask.

From that point on it's pure thrill all the way. Because then you'll feel the sheer bliss of cradled travel in the best riding Buick yet built - and of a wonderful

nundling ease in the car with the truest sense of direc-Because then you'll tingle with the flash-fast power response that's yours from Buick's big 322-cubic-inch V8 engine - where horsepowers and compression ratios

hit lofty new peaks, and road command hits a soaring Because then-and only then-will you feel the absolute smoothness and the electrifying action of today's new

Variable Pitch Dynaflow -- where the first inch of pedal travel does new wonders for getaway and cruising and gas mileage-and where flooring the pedal switches the pitch for the most spectacular safety-surge in America

So if you want some fun and fast action - if you want to see what it's like to call signals on the most performance-packed automobile in all Buick history come join our Thrill-A-Minute Club.

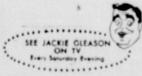

As we said, there's nothing else to do for membership except drive a new Buick. And, as we'll gladly show you, there's nothing to match this beauty as a bedrock buy-for we're making the best deals ever on the best

Drop in on us today or tomorrow-press that pedaland let the thrills fall where they will.

*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century-optional at modest extra cost on the Special.

Purifoy & Co.

Representing Atna Casualty and Surety Company, Hartford 15, Connect

She doesn't use crutches, and, except for a drawn and listless expression, looks very much like any other little girl. But she is crippled. She has a crippled heart-the kind of disability you can't see. And it may surprise you to learn that the tragedy of congenital heart disease affects more than 500,000 children of school age in the United States. For them, as for people of all ages, heart disease is a leading health problem.

Fortunately, medical research has scored dramatic victories in prevention, care and treatment of the heart disorders of young people. Some congenital heart defects, for example, now yield to surgical correction. Both initial and recurrent attacks of rheumatic fever, forerunner of rheumatic heart disease, now may be prevented in most cases.

But more research is needed if young hearts are to be saved—the kind of research supported by the Heart Fund. Indeed, the chances of many thousands of children for a full, rich and happy life depend on this research.

HELP YOUR HEART FUND - HELP YOUR HEART

At Home... Among Strangers!

You're going to get a wonderful thrill when you take the wheel of your first Cadillac and head out into the country-a long, long way from home.

We're not just talking about the car's wonderful performance and its extraordinary riding and handling ease-satisfying and inspiring though these are bound to be.

No, we're talking about something more.

We're talking about the friendliness you're going to encounter-how you'll be driving among people who seem to know something about you, and who are ready to trust and respect you as if they had known you for a long, long time.

This is true, of course, because Cadillac quality and goodness have made it the overwhelming preference of people of judgment and discrimination-and the whole world has come to know and understand this and to appreciate what it means. Yes, your best foot is forward when it rests on the throttle of a 1956 Cadillac.

This great personal benefit is strictly a plus value when you take the title of the "car of cars." It comes in addition to the long-known Cadillac virtues: matchless beauty and luxury and comfort, and safety and long life.

Why not consider a Cadillac for your next car? It is a logical choice-not only for quality and goodness and prestige-but for economy of ownership and operation as well.

We suggest that you come in soon and see for yourself. We'll be happy to give you a personal demonstration at the wheel . . . and to explain why this is such a wonderful time to make the move from every standpoint.

THEY'LL THINK YOU PAID \$1,000 MORE

when you drive the year-ahead car!

The only cars with which you can compare a Chrysler Windsor V-8 are the other luxury cars . . . because that's what the Chrysler Windsor V-8 is. But you can own this car for the cost of a medium-priced car! And at this price, it simply defies comparison.

Take the way it handles in city traffic. Something quite wonderful happens. Instead of feeling tense, you're utterly relaxed - thanks to Chrysler's full-time Power Steering System and a host of other brand new Chrysler exclusives. You're handling a big, powerful car that

responds like a mind reader. It does the work for you. Your Chrysler is beautifully balanced between the forward thrust of its mighty airplane-type engine and the most powerful brakes in the industry. This car flows! Yet, if you can afford any car in the medium-priced field, you can afford to step up to a Chrysler Windsor V-8. Compare its year ahead new-car features with the other leading cars in its price class. We think you'll agree that it looks and acts like a car that costs \$1,000 more

STAR CHIEF FOUR-DOOR CATALINA

It Knows No Master but You!

You're setting the pace in this one-with your own good judgment the only limiting factor! Up front you have the highway's hottest performance team . . . the mighty 227-h.p. Strato-Streak V-8 (239-h.p. with dual exhausts*) and its partner, the revolutionary Strato-Flight Hydra-Matic. Here's a vast reservoir of dynamic, vibrant power!

The first time you tap that reservoir, you'll discover a thrill that can't be duplicated anywhere else at any price! The way it whisks you past awkward situations and slower-moving traffic will have you holding your breath. You're the master of everything on the road.

Why not come in today or tomorrow and sample this tremendous go? And while you're here, you'll find that per-

formance is only half of this fabulous '56 Pontiac's wonderful story. The other part is price-and it's every bit as exciting!

You can actually buy a big, glamorous Pontiac 860 for less than you would pay for many models of the low-priced three!

BALLINGER BASKETBALL FANS AT AUSTIN MEET

A number of Ballinger people were in Austin the past weekend to attend basketball games in the state tournament. Most of the locals remained in Austin until late afternoon Saturday and returned home that night.

Those from here were Mr. and Mrs. George Newby and

Those with fine wool lambs daughters, Wesley Stokes, Ron- | NAPKINS for every occasi-

with printed names and dates ing Co., Phone 6522.

BURIAL INSURANCE for \$100 to \$600
