Chest Board Meet With 7 Participating Groups

The directors of the Ballinger Chest met Tuesday morning with representatives of a number of the participating organizations to discuss the general plans of the chest as it will apply to their groups.

No organizations announced that they would not be able to take part in the chest as it would violate national or state rules. Dr. J. E. Green, representing the Tuberculosis Association stated that his group could not participate but assured the directors that no one would be asked to make a financial drive in their behalf. The plan of the organization is to raise most of their funds by the sale of Christmas seals.

The March of Dimes will not participate in any way with a chest fund. A field representative of that organization was here last week to notify local chapter officials that they could not participate. He pointed out that most of their funds are raised by special programs and that in case the full quota was paid from a chest fund, it would be returned and not accepted.

Other organizations present Tuesday morning stated they would participate but stressed the need of their quotas being raised. In this group was Dr. O.

H. Chandler reporting for the Heart Association, Mrs. O. L. Parish reporting for the Girl Scouts, Guy T. White reporting for the Salvation Army, John Purifoy reporting for the Boy Scouts.

A number of local funds, which include the chamber of commerce, the livestock show, the Christmas program and the Ballinger firemen, reported that they would participate. No action was taken on several matters at the meeting Tuesday. Price Middleton, president, stated that the next meeting would be held when the constitution and by-laws were ready to be presented for adoption.

In case it is decided at that time to go ahead with two or three organizations not participating, another meeting will be held with representatives of the participating groups to discuss quotas for each.

The board hopes to get all details ironed out and be ready to make the 1956 financial drive about October 1.

Several communities in the south part of the county have been contacted to see if they would want to take part in the chest. All have approved the idea but have stated that they would want to take the matter up with a representative group from their areas to see if the majority would favor such a plan. These definite reports will also be made at the next meeting of the directors.

Federal Soil Bank Plan On 1956 Cotton-Wheat

The Runnels County ASC office is getting information on the new soil bank program to the farmers and ranchmen of the county as fast as possible.

The soil bank will be composed of two separate programs, the acreage reserve program and the conservation reserve program. Provisions of the conservation reserve program have not been announced and are not expected soon. The following bits of information deal with the acreage reserve program as it relates to 1956 crops.

Farm owners and operators who have allotments for cotton, wheat or peanuts may earn payment for reducing the crop for 1956 by: 1. Not planting, 2. plowing up, and 3. crop failure due to natural causes. Acreage placed in the soil bank reserve may have been grazed until June 22, 1956, but must not be grazed after that date until January 1, 1957. No crop may be harvested from the acreage reserve during 1956 and noxious weeds must be controlled. Crops seeded this fall for harvest in 1957 may be planted on reserve acreage but must not be grazed until January 1, 1957. Producers who participate in the acreage reserve program will certify in writing that all the above terms will be met as a condition of payment.

The operator or owner must further certify that he has not reduced the number of tenants, their shares or acreages on the farm. He must also certify that he has not and will not enter into any agreement that would deprive any tenant of any payment due him nor increase his rental as a result of this program.

Following are regulations as they apply to each crop: 1956 Wheat—The largest amount of wheat that can be placed in the acreage reserve is the larger of 50 per cent of the allotment or 50 acres. The entire allotment may be planted in reserve on farms where the allotment was not more than 50 acres.

For wheat not seeded the payment will be \$4.00 per acre. The acreage designated may be any area on the farm where wheat might have been planted last fall. For wheat acreage that was planted but did not produce wheat because of crop failure, the payment will be \$6.00 per acre. In such cases the wheat must be the same acreage where wheat was seeded and this acreage must meet the non-grazing, non-harvested crop provision during the entire year of 1956.

Cotton—The largest amount of cotton you can put in the reserve for cotton is the larger of

50 per cent of the final farm allotment or 10 acres, whichever is the larger. Where the allotment for the farm is not more than 10 acres the entire allotment may be placed in the reserve. The least amount that may be placed in the reserve is the larger of 10 per cent of the allotment or 2 acres.

For acres not planted the payment per acre will be based upon a normal yield for the farm times 15 cents per pound. Payments range from \$7.50 to \$22.50 per acre. There are few farms in the \$22.50 bracket and most farms will be around \$15 per acre.

For cotton plowed up the producer will certify as to the condition of his crop at the time of sign-up. Payment will be the smaller of the normal yield or appraised yield based on the condition of the crop as stated by the producer times 15 cents per pound. Payments in any case will be at least \$6.00 per acre.

Baseball Boxes Rest Of Season To Sell At \$25

Announcement was made this week that box seats at Runnels Field for the remainder of the season would be sold for \$25 each. Tony York, manager of the Westerners, would like to sell all box seats at the field for the last half of the season and local fans who have taken a lead in trying to assist the local management are all willing to help put the sale over. In the beginning it was understood that the sale of box seats and signs would be a part of the local effort to have professional baseball. The signs were sold but many box seats are still vacant.

Many fans did not believe that professional baseball would be possible in Ballinger. To date this is about the only team that has not had financial troubles and if all boxes were sold, it would help in keeping baseball here for another season.

There are four chairs in each box and the low rate for the boxes for the remainder of the season would mean that the cost would be only \$6.25 per chair.

Those who are interested in helping baseball to this extent may contact the baseball office on the second floor of the First National Bank building, purchase box at the gate at Runnels Field or see T. J. Mansell. Those who buy the first boxes will have choice of those that have not been sold.

Sheriff Reports Window Breaker Returned Home

Fred M. Curry, about 56, has been sent to Amarillo and to enter a veterans hospital by local officers. Curry was arrested on Thursday of last week after he had entered the local postoffice and broken out two cashiers windows. He told officers that he had not had anything to eat since Sunday before with the exception of a small amount of bread. He said he wanted to be locked in jail to have a place to sleep and something to eat.

The man entered the local postoffice carrying an iron rod wrapped in a newspaper. He was mumbling to himself, according to postal workers, and started smashing the windows. He did not ask for anything to eat before knocking out the first two windows and Post Master K. V. Northington stated that when he went into the lobby and asked the man to put down the bar, he obeyed and waited until officers arrived without trying to make trouble.

Charges of destroying public property have been filed against Curry and is pending on the docket of County court.

Lupe Costello, charged with removing mortgaged property at Haskell, was arrested at Winters by local officers and turned over to Haskell officers.

W. A. Cleveland was tried in district court Saturday on a charge of forgery and was given two years in the state penitentiary.

H. C. Sanders has been filed on here for checking and also for removing mortgaged property. No warrant has been sent for his arrest and officers are seeking his present address. Leo Freeman has been filed on for non-support but he has not been located.

G. H. Johns has been filed on for removing mortgaged property and a warrant for his arrest sent to Moran.

I. R. Semler has been filed on for checking at Abilene and a warrant mailed to local officers.

H. A. Cole has been charged with worthless checking at San Angelo and a warrant sent to the sheriff's office here.

Olin K. McLain paid a fine of \$20.50 on a charge of being drunk.

Drinking Fountain Will Honor Former County Agent Here

The city commission in session Tuesday accepted a gift of \$140.00 from Mrs. John A. Barton with the understanding that the money would be used to place a drinking fountain in City Park.

The city officials accepted the gift and the fountain will be installed as soon as possible in memory of John A. Barton, who served this county for many years as county farm agent, and who died shortly after his retirement.

At the time of Mr. Barton's retirement, a gift of an outboard motor was presented him by a group of county friends. He never got to use the motor and Mrs. Barton sold it and asked that the money from the sale be used to place the fountain at the park here.

The city commission approved the following building permits at their meeting Tuesday:

A. A. Watson, \$800 for addition to residence on 14th Street between Hamilton and Sharp Avenues.

Arch Brookshier, \$500 for tearing down a building on Fifth Street.

Arch Brookshier, \$9,000 for new residence on Fifth Street between Phillips and Murrell Avenues.

Charles Clifton, \$8,000 for business building on Ninth Street between Hutchings and Railroad Avenues.

John B. King, \$300 for a new garage and store room at his residence on Third Street between Sargent and Sharp Avenues.

Mrs. Elwood Wilson returned home last week from San Antonio where she visited her son-in-law and daughter, Mr. and Mrs. Stanley Hunnicutt and her new grandson. She was accompanied home by her grandchildren, Bobby Joe and Kathy Sue Hunnicutt. Mrs. Hunnicutt came for her children the past week-end.

State Softball Tourney For Girls Starts Today

Runnels Field will be the scene of three days of fast baseball starting this afternoon and continuing through Saturday. Between 150 and 180 girl players will be here for the tournament in the Texas Softball Championship rounds.

The tournament here is being sponsored by the Bronco Lions Club and the Ballinger Jaycees. The park is being furnished by Tony York, manager of the Westerners, and he will have charge of the concessions during the three days of play.

Monday confirmation had been received from seven teams and others were expected in before the time limit. Those assured included Midland, Sweetwater, 2 teams, Bronco, Lake Jackson, Galveston and Chidress.

The first game is expected to start around 4:30 o'clock this afternoon and will continue on through the evening. These in charge stated that four games would be set for Friday and either three or four Saturday.

Admission to the park during the tournament will be 45 cents for adults and 25 cents for children.

A regulation diamond will be arranged at the Runnels Field and umpires will be sent here by the association. Games will be seven innings and all players will be girls.

The trophy for the winner is now on display at the Keel Drug Store.

The winners in a number of semi-final tournaments will go to Brownwood later this summer to decide the state championship.

Westerners to Return Monday for 8 Games

The Westerners will return home Monday night for eight home games. The Roswell Rockets will be here Monday, Tuesday and Wednesday and July 19 will be an off date for the all-star game. Play will be resumed on July 20, 21 and 22 with Pampa and July 23 and 24 Plainview will move in for two games.

The Ballinger club has been playing excellent ball, winning their share of the games and most of those lost have been by a close score.

July 20 is the date when a Shetland Pony, saddle and bridle will be given to some local boy or girl. Merchants have free tickets and will give them to children who ask for them. One of the largest crowds of the season is expected for the give away July 20 as the winner must be present.

6 Local Buddies Enlist In Army Under New Plan

A group of Runnels County boys, six in number, are joining the army together.

They are: Leroy Rollwitz, son of Mr. and Mrs. Ben S. Rollwitz, Weldon K. Brunson, son of Mr. and Mrs. Aubrey Brunson, Joe G. Elder, son of Mr. and Mrs. John F. Elder, Wallace G. Walther, son of Mr. and Mrs. Edwin A. Walther, Weldon G. Davis, son of Mrs. Mae B. Davis and James D. Krapp, son of Mr. and Mrs. Charles J. Krapp. All the boys are buddies and live in Ballinger with the exception of Walther who resides at Rowena.

Set Jack Lawrence stated that the boys were enlisting for three years under the army's "buddy" program and will serve together for training in the United States and then for overseas duty.

The boys were accompanied by Sgt. Lawrence to Abilene Monday to receive physical and mental examinations. From Abilene they will go to Fort Bliss, near El Paso, and upon completion of basic training, will receive their furloughs together.

After their visits home they will be assigned to the 534 Field Artillery Battalion at Fort Sill, Oklahoma. They will be sent to Europe in the same outfit.

Also enlisting with the six local boys was Joseph W. Strakos of Miles, a former service man. He was discharged in October after serving in Korea.

Dual Production In Norton Field For 411 Barrels

The North, Norton field of Runnels County gained a dual producer the past week with the completion of the Murray Petroleum Co. No. 7-A. C. Minzenmayer. It was finished for a combined flow of 411.64 barrels of oil. From the Goen it gauged 249.20 barrels of 43 gravity oil and from the Jennings it gauged 162.44 barrels of 44 gravity oil. Top of pay in the Goens was at 4,358 and in the Jennings, 4,432 feet.

Sinclair Oil and Gas Co. No. 6 Tennie Wilson is an assured Goens producer in the Fennell multipay field, five miles west of Winters. On a six hour and 20 minute test, gas surfaced in 15 minutes, mud in 56 minutes and oil, gas and mud emulsion in one hour and 11 minutes. The project flowed four hours making 47 barrels of oil.

Dalton H. Cobb, Greenbrier Oil Co. and Delaware Drillers No. 1-Broadstreet was drilling below 5,224 feet after showings on a drillstem test in the Gardner.

E. P. Thomas and Keith D. Graham have filed application to drill No. 1-W. B. Reeves in the Paul Thomas (3000 sand) field. The project will be drilled with rotary to 3,100 feet.

Gulf Oil Corp. has filed application to drill No. 1-W. L. Burns in the Sanford (Fry) field, two miles east of Wingate. The application calls for a 4,600 foot test.

McRae Oil and Gas Co. of Midland will drill an Ellenburger wildcat, two miles west of Wilmett. It will be their No. 1-Mrs. E. C. Baskin. The application calls for a 5,500 foot test with drilling to start at once.

Gulf Oil Corp. No. 1-W. A. Puckett, four miles northeast of Wingate was completed for a daily flowing potential of 131.95 barrels of 42.2 gravity oil. The producing formation was unidentified. Top of pay was picked at 4,833 feet.

Sequoia Oil Co. of Abilene has announced location for a 5,100 foot Caddo wildcat, four miles east of Wingate. Operations are to start at once. It will be their No. 1-Mitchell.

The largest number of candidates is in the race for governor where six men are listed. As they appear on the ballot they are: J. Evetts Haley, J. J. Holmes, W. Lee O'Daniel, Reuben Senterfitt, Price Daniel and Ralph Yarborough.

Also on the ballot is three propositions dealing with legislation.

No. 1 is for specific legislation exempting any child from compulsory attendance at integrated schools attended by white persons and negroes.

No. 2 is for specific legislation perfecting state laws against intermarriage between white persons and negroes.

No. 3 is in regard to the use of interposition to halt illegal federal encroachment.

The tabulation of the ballots this year will be a big job and boxes that do not get an early start will likely be late in the night before reports are available. Every effort is being made to have ample help in each box so that counting can get started as soon as a good number of ballots are voted.

PONY TICKETS GOOD AT PARK ANY NIGHT

Tony York, manager of the Westerners, has announced that Shetland pony tickets, being given to boys and girls by merchants of the county, will be honored at the gate every night.

Until this week the tickets were only good for admission on July 20. A change has been made and any boy or girl with a ticket will be admitted to any ball game up to July 20, the last date of the contest.

Holders of tickets are asked to sign their names on the stub and drop it into a box at the gate as they enter so it will be ready for the drawing July 20.

Boys and girls who wish to attend any of the games in the next home stand before July 20, can get free tickets from a large list of local merchants.

NOTICE SUBSCRIBERS

The Ballinger Ledger will be published on Wednesday next week. This is being done in order to gain time to make mechanical changes in the office. Workmen will be here Wednesday and every effort will be made to complete the contemplated work and have machinery working in time to publish next week without delay. We will appreciate early advertising copy from the merchants and those who have news are asked to get it in as early as possible.

The Management

Sale of Highway Bonds Due About September 1

Members of the Runnels County commissioners' court will likely not sell any bonds for improvements on highway 67 before about September 1. The State School Board has the right to purchase any municipal or highway bonds which bear an interest rate of 2 1/2 per cent or better. This group will not have another meeting until the first week in September, at which time they will pass on the local bond issue, accepting or rejecting them. In case they do not want the bonds, they can be sold to a regular bond firm.

Judge W. H. Rumpy stated that a sale would likely be held the latter part of August, at which time those firms interested would be advised to submit a bid to purchase the issue. After a bid is accepted, the State School Board will decide if they want the issue and in either event the sale will be made and work can be started.

Members of the court stated that deeds were here for the

acquiring of the first 8 of a mile right-of-way west of the Colorado River. No property owners have been contacted yet and no contracts have been made.

County officials have requested the State Highway Department to reallocate the \$445,000 set aside for the improvements on Highway 83 and use it on Highway 67. The division engineer will submit this request to the state group and it is possible that this amount can be used on a project from Ballinger to the Tom Green County line.

Tom Green County has approved bonds for the purchase of right-of-way from San Angelo to the Runnels County line and the state will be anxious to close that gap with a modern highway. For that reason local officials felt that the money already appropriated for use on Highway 83 might be transferred and not removed from the county.

County Bank Deposits \$14,976,042 June 30

Bank deposits in Runnels County since April decreased \$805,388 while loans gained for the same period by \$47,948. A call for statements of banks on June 30 showed a total of \$14,976,042 in the six banks of Runnels County. Loans shown by the six banks for that date totaled \$2,924,550.

Deposits by individual banks were:

First National Bank, Ballinger, \$6,995,036
Farmers & Merchants State Bank, Ballinger, \$2,302,226
Winters State Bank, Winters, \$3,653,831

Wingate Security, Wingate, \$514,506
First National Bank, Rowena, \$940,659
Citizens State Bank, Miles, \$569,784

Loans reported by the same banks:

First National Bank, Ballinger, \$668,938
Farmers & Merchants State Bank, Ballinger, \$581,899
Winters State Bank, Winters, \$764,581

Wingate Security, Wingate, \$283,283
First National Bank, Rowena, \$319,210
Citizens State, Miles, \$206,639

Plans for a new educational unit was approved by the voters. Construction of this building, which will form a wing to the present church building, will begin soon. The building will be used to provide space for the over-crowded Sunday school facilities in the present building and also to provide a meeting place for social events. Remodeling of the present church building is also scheduled to begin this week. H. H. Lindemann of Brownwood is the contractor.

Plans are also being laid by the members to have a series of evangelistic services in the latter part of October. There will be five evening services in which the gospel of Jesus Christ will be presented to the people of Ballinger.

It was announced that vacation Bible school at the Bethel Lutheran Church will be held this year from July 30 to August 10.

Beginning September 2, Bethel congregation will hold two Sunday evening services per month, conducted by the local pastor, Rev. W. H. Ringhardt. The purpose of these services is to give the members who must work on Sunday mornings a chance to worship and also give the people of Ballinger an opportunity to visit a Lutheran worship service.

The annual Mission Festival of the Bethel congregation, in which special thanks is given to God for His grace in leading many people here and in foreign countries to faith in Christ, will be held October 23. A guest pastor will deliver the sermon.

It was announced that Rev. Luther Roehrs of Corpus Christi will become pastor of Trinity Lutheran Church in Eden on August 12. Pastor Ringhardt has been serving as vacancy pastor for this congregation.

Pastor Ringhardt, in a report of the Lutheran Church, Missouri Synod convention in St. Paul, Minnesota, reported that the Reverend John W. Behnken was elected president of the Missouri Synod for the eighth term of three years. During his term of office he has seen the Lutheran Church in the Missouri Synod grow from 1,000,000 to 2,191,403 members. The convention set a minimum goal of 1,350 new congregations here in the next decade. A total of 345 lay delegates and 352 pastoral delegates attended the convention.

Queen's Contest At Farm Bureau Meeting Aug. 4

A group of ladies of the Runnels County Farm Bureau met Tuesday of last week 1, discuss plans for the Queen's contest to be held in connection with the meeting and barbecue here on August 16.

Mrs. C. T. Parker was elected chairman of the committee and Mrs. I. W. Conway as assistant. The purpose of the contest is to give recognition to the farm and ranch girls of Runnels County. The girls will be judged on grace, poise, charm, vivaciousness and all other qualities that go to make up the Texas future homemakers. Judges will consider three main points: appearance, poise and personality.

Daughters of farm bureau members actively engaged in agricultural production who will be 16 on September 1 and not over 22 on that date, are eligible to enter. Those not eligible to enter are employees, secretaries and previous winners.

The five minute talk, required in past years, has been eliminated this year. A question outline will be prepared for use of the master of ceremonies. The same questions will be used at the district and state contest.

The county winner will compete in the district contest, the district winner will go to the state convention and contest the state winner will receive \$500 for expense money for herself and matron escort to the American Farm Bureau Federation convention to be held in Miami, Florida in December.

Miss Patsy Hambright Becomes Bride of Aubrey Faubion
The Methodist Church in the Crews community was the setting Sunday afternoon at 2:00 o'clock for the wedding of Miss Patsy Rhee Hambright and Lonnie Aubrey Faubion, Jr.

The bride is the daughter of Mr. and Mrs. Marvin Hambright of Crews. The bridegroom's parents are Mr. and Mrs. L. A. Faubion, Sr. of Ballinger.

Dr. LeRay Fowler, pastor of the First Baptist Church in Ballinger, read the double ring ceremony before the altar decorated with baskets of white gladioli flanked by branched candelabra burning white candles before a background of palms.

Mrs. Chris Franks of Galveston, sister of the bride, played the nuptial selections and the traditional wedding marches. She accompanied Mrs. W. P. Thomason of Brownfield, sis-

ter of the bridegroom, as she sang "Because" and "The Lord's Prayer."

The bride's father gave her in marriage. Her wedding gown was white embroidered nylon organdy over taffeta. The long torso came to points at the waistline and the neckline was scalloped. The bouffant skirt was waitz length. A veil of silk illusion fell from a band of shirred organdy encrusted with organdy flowers. Her only jewelry was a locket belonging to the bridegroom's mother, and she carried a handkerchief belonging to her mother. For something blue she wore the traditional blue garter. Her bridal bouquet was white gladioli nestled in lace and mallow bows atop a white Bible which members of the Gold Diggers Club in Winters had carried at their weddings.

Mrs. George Lange of Abilene, sister of the bride, was matron of honor. She wore a

pastel blue organdy dress made similar to that of the bride's. Her headdress was a bandeau of tulle and she wore blue pumps. She carried a nosegay of blue carnations.

Lynn Faubion of Winters, nephew of the bridegroom, was best man. Ushers were Eldon Hambright, brother of the bride, and Walter Lange of Ballinger.

Candlelighters were Danny Faubion of Talpa, nephew of the bridegroom, and Shirley Hambright, sister of the bride.

A reception followed in the church parlors. The bride's table was laid with a blue and white linen cloth and centered with an arrangement of daisies. Mrs. Ethel Bridwell and Miss Patsy Scott served the three-tiered decorated wedding cake.

Mrs. Owen Bragg ladled punch. Mrs. Billy Jack Isbell registered guests.

For a wedding trip, the bride wore a pink and white dotted swiss dress with white accessories. Her corsage was gladioli from the wedding bouquet.

The couple will be at home in Brownfield where he is employed by J. T. (Bum) Gibbons Well Servicing Co. They will make home in Lubbock next September where Mr. Faubion will be a student at Texas Technological College.

Progressive Club Meets For Coffee and Regular Meeting
Honoring Mrs. Clyde Gabbert and Mrs. John Bradshaw in celebration of their birthdays, members of the Progressive

Club and several added guests met in the Gabbert home on Eleventh Street for a coffee last Saturday morning.

The table was laid with white net over blue and caught at the corners by pink bows dotted with sequins, and centered with an arrangement of pink carnations. Rain lilies were used to decorate other rooms.

Mrs. Thomas I. Gabbert presided at the silver service at the coffee hour and dainties were served from the table.

The honorees received gifts from Mrs. Ruel Boswell, C. A. Berry, H. B. Cotton, Faye Harding, Charles Bradshaw, B. B. Unsell, and Miss Anna Belle Hush.

The Progressive Club held their regular meeting Tuesday

in the home of Mrs. Thomas I. Gabbert on Sixth Street.

Individual hand work was the diversion. Picture slides of Canada and the Eastern Coast were shown by Mrs. Gabbert. Homemade ice cream and cake was served to Mrs. C. A. Berry, Charles Bradshaw, John E. Green, Jr., Clyde Gabbert, Mac Setaer and B. B. Unsell.

Henry Crockett Family Reunion To Be Held July 14 and 15

The picnic grounds are located near the ranch home of

Mr. and Mrs. Joe Crockett.

Omicron Psi Chapter Honors Mrs. B. J. Williams, Jr.
Members of Omicron Psi Chapter of Beta Sigma Phi sorority honored Mrs. B. J. Williams, Jr. at a game party Monday evening in the home of Mrs. Max McCrary, Jr., on Twelfth Street.

Following games of bridge and forty-two, a remembrance gift was presented Mrs. Williams who has been a member of the sorority since it was organized in Ballinger.

Mr. and Mrs. Williams and their children are moving to Houston.

Mrs. McCrary served homemade ice cream and cookies to the honoree and to: Mmes. T.

L. Epting, E. Y. Bailey, H. B. Edmondson, Clarence Wiedensfeld, Dick Owens, Foy Farmer, John E. Green, Jr., Jack Moore, J. D. Reneau; Miss Jewel O'Neal and Miss Doris Queen.

The Battle of San Jacinto, which won Texas independence from Mexico, is spectacularly depicted in Allied Artists' CinemaScope color production, "The First Texan," starring Joel McCrea in the role of General Sam Houston. The picture shows at the Hillcrest Drive In Theatre tonight, Friday and Saturday with Felicia Farr and Jeff Morrow as the co-stars.

The battle in which Houston's heavily outnumbered troops routed the soldiers of Mexico's President General, Santa Ana, was one of the greatest victories in American military annals.

Walter Mirisch, who also produced McCrea's previous successful film, "Wichita," produced "The First Texan." Byron Haskin directed the picture. The screen play was written by Daniel B. Ullman.

Wallace Ford heads the brilliant supporting cast.

"Congo Crossing," starring Virginia Mayo and George Mader, is to show at the Texas Theatre Thursday, Friday and Saturday. "The Atomic Kid" will be the second attraction.

It may be difficult to imagine a picture about little boys more charming and heartwarming—and funnier—than Universal International's "The Private War of Major Benson," but the same studio has come up with a more than worthy successor in its new Technicolor comedy, "Toy Tiger," which opens at the Texas Theatre Sunday, Monday and Tuesday with Jeff Chandler, Laraine Day and little Tim Hovey in its starring roles.

The new film, which reunites the "Major Benson" director, Jerry Hopper, and young master Hovey, is the story of a fatherless youngster who wants a male parent so badly that he invents one—and then has to produce him for the benefit of some skeptics at his school.

Of course its little Tim who plays the part of the fatherless boy and he gives a performance that confirms the judgment of the many critics who hailed him last year as the best child actor to come along in at least a decade. Again he plays masterfully upon the emotions of the audience, evoking gales of laughter one moment and then wells of tears the next.

Jeff Chandler, playing his first comedy role in motion pictures, is a happy selection the role of the random-chosen father. Not only does he exhibit an expert flair for comedy but he is tremendously effective in the more sentimental moments of the film. There is warmth and tenderness in his acting which makes it altogether believable to the audience when he accepts the fatherhood that Tim thrusts upon him.

"Rains of Ranchipur" can be seen on the screen at the Texas Theatre Wednesday.

Among homefolks.

On the National level, where the so-called Liberals and Internationalists are in control, a certain type of terminology has commonly been employed to obscure the dangers to constitutional government, and the unsuspecting citizen accepts it. Also frequently, when State constitutional amendments appear on the ballot, clouded phraseology is employed for the sole purpose of confusing or misleading the voter. This is sometimes the act of that "humble servant" type politician who promises in his campaign to lead the almost wrecked Ship of State out of the quagmire into which it has bogged and into the open, smooth sea where good government must and shall prevail.

Not infrequently Bond or Amendment elections win or lose by a very small margin of votes, and confusing or misleading phraseology expertly administered in forming the statement of the issue on the ballot could secure the needed number of votes to win and at the same time defeat the actual desires of the voters.

Which is worse? Confuse their voting or deny them the privilege?

Respectfully
J. Milton Clayton

Will Wilson, candidate for Attorney General, is qualified by proven courage. As a combat veteran he was awarded the bronze star for heroism against the Japs in the Philippines. He accepted the surrender of the forces of General Yamashita in Northern Luzon.

Many more people get on in the world than up in it.

At the Horseshoe . . .

There were exciting times in Kansas cow-towns in the early days when cattlemen drove their herds from Texas to the railroad for shipment east to Kansas City. And they brought plenty of trouble along with their cattle. Just such times in Flat Rock, Kansas are colorfully depicted in "The Proud Ones," a gun-blazing Western from Twentieth Century-Fox in CinemaScope, to show at the Horseshoe Drive In Theatre Friday, Saturday, Sunday and Monday. It is the stirring story of a cattle-town marshal who leans up the town with the aid of a young cow-puncher who has come to town with the avowed purpose of shooting the marshal who killed his father.

Robert Ryan as the law enforcer, who whips the town into order with a fast-drawn six-gun, heads a notable cast for this action-packed thriller.

His brittle performance, smooth awesome and flawless, keys the entire proceeding and gives the picture an air of suspense and foreboding. Jeffrey Hunter is the young cowpoke who turns from revenge to be the marshal's best deputy, and his portrayal is taut and steel-like.

LETTERS to the Editor

"The Ballinger Chamber of Commerce has given their full approval to the proposed Bond Election and will support it in every way possible."

The above quotation appeared in an article on the front page of the Ballinger Ledger under date of June 7 1956.

This same statement appeared twice before, preceding two other elections on the same is-

earnings. Cities which encompass large industrial and manufacturing plants can exist without catering to the trade and patronage of outlying areas but this is not the case of all incorporated towns.

With the above in mind it seems to me it would behoove the Chamber of a small town to give its "Full support in every way possible" only to measures which are without doubt for the betterment of all concerned.

The electing of issues such as levying bond on property requires a two thirds vote of the tax payers. Such issues are usually polemic and legitimately controversial. The two thirds majority rule has been established by conservative and considerate law makers for a further safe guard for the rights of each individual. Sometimes a cities' leaders, in their honest quest for success and greatness, fail to properly respect the opposing views of the individuals who make up the minority group even though the business patronage of this group is an important asset to the success of their city. So much for that and I dismiss the Chamber of Commerce criticism.

There was a very unbecoming act in connection with the bond election and that was the peculiar wording of the ballot. That was beyond the comprehension of most enthusiastic supporters. The question from some of the voters is, "Why was it like that?"

The law limits the number of words to be used on such a ballot. The object of the law was, likely, to protect the voter from being misled or confused with ambiguous and irrelevant phraseology. I am confident that the recent ballot to which reference is made was within the law, but confession must be made that it took a very, shall we say cunning mind, to stay within the law and employ so many words without expressing some form of clarity. All surely must regret that such procedure must be adopted a-

LONE STAR GAS COMPANY

NO BOO-BOO, THIS—It was done on purpose. A switch on the classic "I forgot about the size of the door" theme, this 26-foot craft was built inside the nearly completed house with intent aforethought. Willing hands help start the creation of Bob Brown, of St. Petersburg, Fla., on her way to water. Brown thoughtfully left installation of his picture window wait until "launching" of his ship.

SUMMER SONGFEST—Singing like the Dickens, five-year-old George Simoni, of New York City, joins in with a display of Dickens carol singers. The perpetually singing group is being shown at the National Display Show, where all the displays for the coming Christmas season are unveiled for the benefit of store managers throughout the country.

PICKING UP A PASSENGER POD—Getting passengers to jet aircraft is quite a problem. So a passenger-pod system has been developed as a possible solution. The pod, capacity 16 people, is picked up by a straddle carrier, which then carries it to the plane. Once there, the straddle carrier raises the pod to the doorway of the ship, and the passengers simply walk from pod to plane. The system, shown in demonstrations in Cleveland, Ohio, above, has been developed by Clark Equipment Company's Industrial Truck Division.

SOCIETY

Fancy Doers Meets In Adair Home

Midge Adair and Martha Gallant were hostesses to members of Fancy Doers Club and the sponsors Monday evening, entertaining in the Cal Adair home on Tenth Street.

Sarah Chandler, president, was in charge of business, at which time plans for the dance at the Ballinger County Club on July 17 were completed, and a slumber party will follow the dance in the Adair home.

Patty Sweeney will entertain the group next Monday at 6 p. m. in her home on Fourth Street.

A refreshment plate was served to Mrs. Edward J. Moonen, Jr., and Miss Delphine Berryhill, sponsors, and to Linda Crockett, Jane Wade, Linda Moncrief, Sharon Tuckey, Marcia Murchison, Gayle Jennings, Betty Nix, Jane Nixon, Pat Bell, Patty Sweeney, Rebecca Davis, Jackie Bramley, Frances Schroeder, Dorothy Lange, Frances Stokes, and Sarah Chandler.

Howard Taff Honored On Fourth Birthday

Mrs. Merle Taff honored her small son, Howard, Monday afternoon, on his fourth birthday anniversary at a party in the home of his grandmother, Mrs. Roy Taff, on Ninth Street. After games were played and gifts opened, homemade ice cream and the pretty decorated birthday cake was served to be followed small guests, Jerome, Brenda, and Sandra Materson, Rusty Smith, Twila and Nelda Davis, Joval, Jr., and Buck Eblen.

Adults were Mrs. Arthur Paterson, Mrs. Marlin Davis, Mrs. Tine Smith, Mrs. Joval Eblen,

First Baptist T. E. L. Class Has Luncheon Meeting

The T. E. L. Class of the First Baptist Church met Wednesday morning for their regular business meeting and luncheon in the church parlors.

Mrs. Carl Smith, president, conducted the business after Mrs. Jim Massey gave the opening prayer. Reports were heard from the secretary, Mrs. T. J. McCaughan, and the treasurer, Mrs. E. E. Woodson. Good reports were heard from the group captains, Mmes. John McKay, Emma Speer, George Holliday, W. E. Harvey, J. C. Sturges and Sally Cole.

Mrs. C. J. Lynn brought the devotional on "Growing Christians." Mrs. T. A. Rape gave the closing prayer.

Mrs. B. C. Kirk gave the invocation at the covered dish luncheon. Other members present were: Mmes. G. B. Nixon, S. M. Burks, Maude Robertson, Joe Yarnell, G. A. Jarrett, John Dean, A. M. King, and Pyrie Gustavus. Guests were Mrs. T. A. Rape and Mrs. Owen Aycock.

Sharon Tuckey To Give Chalk Talk At Story Hour

Sharon Tuckey will tell the story and give a chalk talk at the children's Story Hour next Wednesday morning at 9:30 o'clock at the library.

The Ballinger Shakespeare Club is sponsoring the summer story hour, and it is interesting for tiny tots, through third grade. The stories last thirty minutes, and the children may check out books from the library from 10:00 to 10:15. Mrs. John Miller is chairman of the club project.

Mrs. Miller told the story at the Wednesday morning story hour.

Ballinger children and summer visitors are invited to hear the stories told at each Wednesday morning session.

Julia Wingo and David Miller Are Feted On Birthday

Julia Wingo, daughter of Birmingham, Alabama, and Mrs. W. J. Wingo, of Birmingham, Alabama, and David Miller, son of Mr. and Mrs. John Miller, were jointly honored on Julia's ninth birthday and David's fourth birthday anniversary Wednesday afternoon at a party in the City Park.

Hosting the affair for the children were their grandmother, Mrs. Q. V. Miller, and their mothers, Mrs. John Miller and Mrs. Wingo.

Following a swim and play on the park equipment, a picnic snack was served and topped off with the serving of the two birthday cakes. Julia's cake was iced in white and decorated with yellow roses, and David's was decorated with cowboy motifs.

Birthday guests included for Julia's party were Fannie and Rinky Pearce, Susan Middleton, Sally and Mary Wade. Those attending David's party were Roger Keys, Mark Fuqua, Bill Hodges and John Addington. Howard Wingo and John Miller, Jr., assisted in entertaining the group.

Visitors In The Home Of Mrs. Q. V. Miller

Mrs. Q. Victor Miller will have all her children and their families for a visit the remainder of July. Dr. and Mrs. W. J. Wingo and children, Julia and

Thanks Everybody

I want to express my appreciation to the many who attended the formal opening of the Hambright's Humble Service Station Saturday.

All those concerned with the opening of Ballinger's newest station were more than pleased with the fine response. The crowd was heavy all during the day and sales soared to a high mark.

You are invited to visit the station again and to try our complete service. We will appreciate your patronage and will give you the most modern service available.

Hambright's Humble Service

Joe Hambright, Manager

ON THE RIGHT TRACK—One way to beat the traffic problem is to take to the rails—very few autos use them. The seemingly mixed-up motorists, above, are driving a new rail-highway inspection car, designed by North Western Railway System. Equipped with small flanged wheels, the car travels over highways or railway tracks with equal ease, giving the road's officers a new flexibility of movement while making inspections. The flanged wheels guide the rubber tires along the top of the rails, and are manually raised when the car takes to the paved roads.

GET A HORSE—Riders in New York City's Central Park give the horse a ride on a three-wheeled utility car. Named the "Star," the tiny vehicle has a streamlined body of molded fiberglass and a one-cylinder German J.L.O. engine. The car has a maximum speed of 70 miles per hour, and is said to get 80 miles to the gallon. Less than three feet high, the Star is 10 feet, five inches long, 50 inches wide, and weighs only 400 pounds. The vehicle was designed for Basson Industries Corp.

THERE'D BE NO RAINCHECKS—The future home games of the Brooklyn Dodgers may be played under a huge plastic dome, if current plans are followed through. Architect Buckminster Fuller claims the huge, cup-shaped roof over the baseball field would be 300 feet high and 750 feet in diameter. The air-conditioned, all-weather sports center would have a seating capacity of more than 55,000, as compared to 32,000 for Ebbets Field. Artist Frank Tinsley envisions a cut-away view of the finished stadium, above. This artist's conception of the huge sports facility is from July issue of *Mechanix Illustrated*.

Tri-River Scouts To 1957 Jamboree With Full Troop

The boy scout Tri-River District camping and activities committee is shaping plans to be represented at the 4th National Jamboree to be held in Valley Forge, Pennsylvania on July 12, 13 and 14, 1957 with a full troop.

A space will be held for at least one member from every troop and post in the district until September 1, 1956.

To be eligible a boy must be a registered scout or explorer,

at least 12 years of age by January 1, 1957, a second-class scout with some camping experience and able to pass the standard physical requirements for attendance at any scout camp.

The delegation will leave July 5 by train and arrive home on July 23. The cost will be \$250 and a \$10 reservation fee will hold a place.

Freddie McDonald of Post 61 at Robert Lee is the first in the district to make a reservation.

The regular monthly unit leaders program planning meeting will be held tonight starting at 8 p. m. at the city hall in Eden. Joe King of Paint Rock will preside and plans will be made for the August agenda.

Cubmasters, their assistants, den mothers, scoutmasters, their assistants, explorer advisors, their assistants and all unit committeemen will attend the meeting.

The July meeting of the Tri-River District committee will be conducted in Eden Tuesday, July 17 at the residence of Fred Hall.

Mr. and Mrs. Milton Clayton left Dallas where they joined a group of 190 tourists who were making the Murray Cox tour sponsored by WFAA through Iowa, Wisconsin, Canada, British Columbia, and return home through California. They will be gone two weeks.

"BAD LUCK" PROGRAM YOUTH CENTER FRIDAY

Those in charge of programs at the youth center have announced a special program for Friday, July 13. A "Bad Luck" party has been planned from 7 to 11 p. m. and all members of the center are urged to attend.

There will be a prize for the best "Bad Luck" costume worn to the party. Other special features have been planned and a large attendance is expected.

County telegram in his next conference with Secretary Benson.

Many Runnels County farmers have gone to the trouble to prepare cotton land, have had considerable expense in planting high-priced seed and have put in heavy expense in cultivating, only to have their crops stricken with the continued dry weather. They also feel that they are entitled to as much payment as the farmer who did not plant and has been spared the expense of planting and cultivating.

County 4-H Boys Win In Contests

Clifford Frey of the Offen 4-H club won second place in the Sears bear contest held at San Angelo Saturday. His bear also won the reserve championship in the district show held in San Angelo last fall.

Valton Hoffman of the Ballinger 4-H club placed 4th out of 22 entries for the district heavy litter contest. His Sears sow farrowed 10 pigs and he raised all of them for a total weight of 357 pounds in 56 days. Valton's sow was also grand champion gilt at the district fall show.

Jerry Dunn of the Wingate 4-H club placed sixth with a total of 342 pounds on his litter. Leon Engert of the Offen 4-H club won 8th with a total weight of 306 pounds on his litter.

Billy Schwertner of the Miles club placed 10th. Ray Allen Holtman of Offen placed 12th, David Burton of the Cochran club was 14th and Alvis Jackson of Cochran placed 17th. A total of \$32 in prize money was won by the Runnels County 4-H club boys.

Farm Bureau Protests Cotton Acreage Pay

The Runnels County Farm Bureau has entered a protest against the rate of pay for cotton acreage in the new soil bank program.

According to information made public the last two weeks, cotton acres not planted will receive approximately \$15 per acre on one-half of the total cotton acreage. Cotton planted but stricken by the drought will receive only \$6 per acre on

one-half of the acres planted. The members of the Runnels County Bureau has asked that drought stricken cotton payments not be less than that to be paid for cotton not planted.

An answer was received the past week from Congressman O. C. Fisher informing the Runnels county members that he had already made protests in favor of the drought cotton and would use the Runnels

Cadillac

His Last Switch in Motor Cars!

We have no way of knowing, of course, how many different makes of motor cars this gentleman has owned through the years.

But we're willing to bet that he has now made his last switch in motor cars!

For this time it's a Cadillac! And it is historically true that once a motorist makes the move to the "car of cars", he is usually a Cadillac owner for life.

What are the reasons for this great devotion and loyalty? Well, let us count them off.

First of all, there are the things which everyone recognizes in Cadillac. There is its great beauty... its matchless luxury... and the unquestioned respect which the car commands the world over.

Then there are those qualities with which anyone who has ever driven a Cadillac is familiar.

There is its marvelous comfort and ease of handling... its magnificent power and performance... and its wonderful balance and agility.

And, finally, there are those things which only Cadillac owners themselves can fully appreciate. There is the car's remarkable economy of operation and upkeep—its incredible longevity—and its marvelous resale value.

Incidentally, you will find that we have recently made two additions to this list of things you get when you make your decision for Cadillac.

We're talking about prompt delivery and a generous trade-in allowance!

Better come in while the circumstances are so favorable—and make your last switch in motor cars!

Miss Workman, Seaman Bales Married in Garden Ceremony

A background of roses, crepe myrtle, and other blooming shrubs provided a lovely setting for the twilight garden ceremony performed at the home of the bride near Hatchel, when Miss Myrtle Faye Workman daughter of Mr. and Mrs. A. R. Workman, became the bride of Seaman I-C Donald Bales, son of Mr. and Mrs. Wirt Bales, all of Hatchel.

Officiating for the double ring ceremony was Buster Mullin, Church of Christ minister.

Miss Mary Ruth Watkins of Ballinger was maid of honor,

and Bill Paschal of San Angelo, served his brother-in-law as best man. Miss Watkins wore a pastel blue late afternoon dress with white accessories. She wore a white carnation corsage.

For her wedding, the bride chose a gown of white crystalline designed with a long fitted torso and full flare skirt. She wore a small white hat covered with white flowers and other accessories were white. She carried a white Bible topped with lilies of the valley and centered with a white orchid showered with white streamers tied in loveknots.

A reception was held in the

garden. The bride's table, laid with white lace over blue, was centered with the all-white wedding cake served by Mrs. Alton Bryan, sister of the bridegroom. Mrs. Curtis Redman, sister of the bride, presided at the punch service. Table appointments were crystal and silver.

For a wedding trip the bride wore a navy silkaleen dress, fashioned with three-quarter length sleeves, a lace trimmed stand-out collar, long torso fitted bodice and full skirt. Her accessories were white and she wore the orchid from the bridal bouquet.

Both Mr. and Mrs. Bales are graduates of Ballinger High School. Mr. Bales has served two and half years in the Navy. Following the wedding trip, Mr. Bales leaves for duty in Alaska with the Navy.

Upon his return from Alaska, the couple will be at home in San Diego, California.

Miss Burton, Will Morris Honorees At Party

Miss Emille Burton and Will Morris, who will be married on July 14, were honored Friday night with a party in the home of Mr. and Mrs. Bernie Mac-hann on Sharp Avenue. Employees of the B. J. Service were hosts.

The couple was presented a gift from the hostesses.

Cookies and cold drinks were served to the honored couple. Mr. and Mrs. Curtis Wiesepape, Karran, Sandra and Ronald Wiesepape, Mr. and Mrs. Mac-hann and Frank Simmons.

Sandra Wiesepape Honored On Birthday

Sandra Wiesepape was honored with a party in the City Park last Friday. Her mother, Mrs. Curtis Wiesepape, was hostess and the occasion was her seventh birthday.

Games were played on the park equipment, followed with picture taking.

The beautifully decorated white and yellow cake was served with orange drinks to: Randy, Vicki and Becky Herring, Rinky Pearce, Elaine Watkins, Linda and Ann Kresta, Linda Gallas, Beverly Manske, Karran and Ronald Wiesepape and the honor guest.

FOUR CAR CRASH HERE THURSDAY NO ONE HURT
A wreck here Thursday afternoon resulted in slight damage to four cars but could have been much worse. Mrs. Garland Nix left her car parked in front of the Pearce-Bailey Drug Store with her two small children in the car. While she was shopping, the children started the car, slip-

ped into reverse and held on to the steering wheel. The car shot out into Hutchings Avenue, turned into Eighth Street hitting a parked station wagon belonging to Ed Curry, cut across the street into a Ford Sedan driven by Mrs. Stanley Woolridge and slid the Ford into a pickup belonging to Hubert Parrish, which was parked at the curb. Mrs. Woolridge had a small baby in a basket in the rear seat but fortunately no one was injured in the several collisions.

CREWS HOME DEMONSTRATION CLUB

Mrs. Marion Wood was hostess to members of the Crews Home Demonstration Club in her home on Friday afternoon of last week.

Mrs. Junior Fuller conducted the business session and Mrs. Marvin Hale read the creed. Members answered roll call by giving a "Believe It Or Not." Mrs. Fuller gave the council

report with the help of Miss Ollie Chenoweth.

Members made plans for a family night picnic at the Ballinger park on July 19. They also completed plans for the rally day program.

For the program, Miss Chenoweth led in a miscellaneous discussion of things that are interesting to the club.

Mrs. Wood served a sandwich plate with cookies and cold drinks to ten club members.

The Gospel of Christ
Keys To Bible Understanding
Proper Division of the New Testament

Our previous lesson on this subject showed that the events of Matthew, Mark, Luke, and John took place during the Mosiacal dispensation which did not end until the death of Christ. During his lifetime Christ commanded the Jews to keep the law of Moses (Matt. 23:2-3), and sent his apostles only to the Jews (Matt. 10:5-7; 15:24); but after his death and the death of the law of Moses, Christ commanded the apostles to preach his will (the gospel) to all nations.

Christ came teaching the law of Moses and explaining its true and original meaning before it was corrupted by the Pharisees and other men's commands and interpretations (Matt. 15:3-9, 11, 13). Christ lived up to the law of Moses perfectly and fulfilled its righteous purposes. He completed it upon the cross (Matt. 5:17-18; Col. 2:14).

Besides teaching and explaining the law of Moses and bringing it to an end, Christ had another purpose for coming to this earth. He knew the Old Testament kingdom and law would be completed and abolished on the cross; therefore, he prepared the way for the establishment of his kingdom or church and prepared for the institution of his will, the gospel, the system of faith. He taught principles and commands, such as the Beatitudes, faith, obedience, etc., which were applicable both under the law of Moses and the law of Christ; however the preaching of the gospel, preaching to all people, the observance of the Lord's Supper, baptism for the remission of sins and other such special commands were reserved for the church age alone. The Great Commission was not given until after Christ's death and the Lord's Supper was not instituted until after the last passover of the law of Moses and on the last night before the cross, Christ's instructions showed that the Lord's Supper was for the church age only (Luke 22:30). John the Baptist had authority to institute a kind of baptism for the special period till the death of Christ and under the law of Moses but it was not valid after the death of Christ (Acts 19:1-5).

After teaching his apostles much about his will, after instituting the Lord's Supper, and making other preparations for his coming church, Christ died upon the cross. After his resurrection he gave the Great Commission and other instructions to his apostles but told them to wait in Jerusalem a few days until they had received the Holy Spirit (Luke 24:49; Acts 1:4). After they had received the Holy Spirit, then they were to begin carrying out the Great Commission (Acts 1:8).

Christ's will could not go into effect until after he died (Hebrews 9:16-17). The Holy Spirit could not come until Christ had ascended (John 7:39) and the apostles could not carry out the Great Commission until they received the Holy Spirit (Luke 24:49; Acts 1:4).

After preparing his apostles and other disciples and teaching the apostles all they could bear during his personal ministry (John 16:12), Christ ascended into heaven and sent the Holy Spirit into the apostles to bring to their remembrance all he had already taught them (John 14:26) and to guide them into all the truth (John 14:26; 16:13). The teachings of the apostles and other inspired men from Acts to Revelation in the New Testament are just as much the teachings of Christ as those in the gospels. Christ said that the words the Holy Spirit inspired them to say and write were his (Christ's) words (John 16:12-15). Nearly all of Christ's teachings from Acts on to the close of the New Testament apply to us today where much of Christ's teachings in the four gospels apply to Jews under the law of Moses.

To rightly divide the New Testament it is necessary that we understand that the events of the gospels took place under the law of Moses and that Christ's will was not proclaimed until after his death. The events from Acts 2 on through the close of the New Testament took place during the Christian dispensation and the teachings apply to us today. Christ is our authority today. His will went into effect on the day of Pentecost (Acts 2). We are under his law, not the law of Moses. We go to Acts of Apostles, not to the thief on the cross to find the plan of salvation today. In Acts of Apostles we see Christ's Great Commission and plan of salvation put into action by the apostles he inspired.

**A PLATFORM
PLEDGE:**
If elected your County
Commissioner of Precinct
No. 1, I will strive for:—
1. Better county roads in
the precinct.
2. Constantly seek for
more farm-to-market
roads in the south part
of Runnels County.
3. Assist farmers and
ranchmen with road,
water and other con-
servation projects
when possible.
4. Cooperate with High-
way projects and make
every effort to secure
right-of-ways and
meet other require-
ments with a saving in
tax money.
5. Will cooperate with
City projects which
are a benefit to the
precinct.
6. Will give the people of
the precinct good rep-
resentation in all meet-
ings of the Runnels
County Commissioners'
Court and strive to be
conservative in all
matters for the good
of the precinct or coun-
ty.
My past experience with
road work and in handling
heavy equipment gives me
qualifications which will be
an asset in performing the
duties of this office.
I will appreciate your
careful consideration at the
polls on July 28.
JIM DUNCAN
Candidate for County
Commissioner
Precinct No. 1.

**BALLINGER JAYCEES
HOLD FAMILY NIGHT**
Ballinger Jaycees met Mon-
day night at City Park for a
family night program. All
members and their families
were on hand for the dinner
and the program which follow-
ed.
Bob McGarvey gave a report
of the national convention held
in Kansas City, Missouri, which
he attended. He announced
that the Ballinger Jaycees were
awarded a third place plaque of
religious activities for the year.
There were only 20 en-
tries in this field from Texas.
Jaycees are busy this week-
end assisting the Bronte Lion
Club in sponsoring the state
softball tournament for girls
in Ballinger.

**Free Grinding Service
To Every Tenth
Customer in July**
That's right, every tenth cus-
tomer gets his grain ground
free! He pays only for the
small amount of Purina con-
centrate needed to balance his
grain. Of course, our mixing
service is always free but, in
order to further spread the
word about our new Check-R-
Mix Service, we are offering
this free grinding service to
every tenth person bringing
grain in in July. Mixer operator,
Frank Majalca, will keep the
records.
Bring your grain in and you
will be ahead, regardless of
where you are in line. Feeding
results from grain farms all
over the nation show that our
Check-R-Mix Service truly is
"The Purina Way to Make
Your Grain Pay."

**Now—GMC gives you
a bonus of up to 3 gallons
in every tankful!**

TALK about low-cost GMC ownership!
With its new high-ratio cruising axle,
a Blue Chip GMC pickup now gives you
up to 17.8% better gas mileage. That's 3
gallons' worth of bonus miles in every
filling!
And you get far better road speeds, too,
from an easy-stroking, unstrained engine.
In short, from a mere \$10.50 axle option,
GMC now gives you the advantages of a
\$125 overdrive.
Add this to the super-efficiency of a GMC
180 hp V8 engine — to the money-saving
advantages of Hydra-Matic Drive* — and
this fact is clear:
The operation and maintenance
savings of Blue Chip features can
bring the over-all cost of a half-ton
GMC down to the level of — or below
— the cheapest stripped-model truck
on the market.
Come in today — for the rest of the story.
*Optional at moderate extra cost
