BALLINGER, TEXAS, NOVEMBER 15, 1956

NO. 4

## Santa Claus and Parade Here Nov. 24

### Norton-Hobbs to Meet In Ballinger Saturday

Bearcat Field will be the scene of a bi-district 6-man football game Saturday night with two of the fastest teams in West Texas meeting. The game will bring together the teams from Hobbs, Texas and the Norton Eagles. Game time is 8 p. m. and tickets are \$ for adults and 50 cents for students. The game is being sponsored in Ballinger by the Jaycees who will look after local arrangements, provide the programs and operate the concessions. The Ballinger Chamber of Commerce will feed both teams after the game is over. The Norton team is coached by Bill Cope and he will bring about 12 boys to the game. Their colors are black and gold and for the game Saturday night they will wear white sweaters furnished by the Ballinger Bearcats. This is being done because the Hobbs team will wear blue and gold uniforms. Hobbs is coached by J. T. Comte and he plans to bring 19 players for the Ballinger game. Winner of the game Saturday night will meet Brooksmith a week later for the regional championship. Both Hobbs and Norton are undefeated this season. Norton has piled up an impressive season's record, running up high scores against all their opponents. Ballinger fans are urged to attend the game in large numbers and to support the Norton Eagles in their march to a championship. In arranging the game Coach Cope called the toss and asked for the game to be played in Ballinger.

### Runnels County People To Buy Christmas Seals

Several thousand Runnels County residents will receive an important and familiar envelope in the mail this week. In one corner is the familiar cross of the National Tuberculosis Association, and inside are the Christmas seals. The campaign opened today, November 15, and continues through December. "We feel certain that the response will be even more generous in 1956 than it has been in past years, to the appeal of this efficient association which has played so important a part in reducing the threat of tuberculosis, which was once the most dreaded killer in the nation," says Homer Hudgins, chairman of the seal sale.

"It is a known fact," he said, "that tuberculosis is spread by personal contact and it is important that we step up our control program through better education and expanded case findings. The work is financed almost entirely by the purchase of Christmas seals. It is important to every person's health and well-being to respond generously by buying and using Christmas seals."

Dr. John E. Green, Jr., of Ballinger, president of the Runnels County Association and a State director, says, "Most of us are aware of the association's educational work with schools and community groups, but many are not aware of the help and encouragement the association gives the tuberculosis patients and their families from the time a case of tuberculosis is diagnosed to the time when the patient has re-established himself in the community. All these services—plus the national medical research programs of the Tuberculosis Association—are financed solely by the purchase of Christmas seals."

Tuberculosis bonds will be solicited in the towns and communities of the county. H. K. Plattmann will be in charge in Winters and Guy White at Ballinger. There will be other volunteers working in the interest of the seal sale and bond solicitation.

### Hundreds Attend Dinner At Rowena Sunday, Nov. 11

The old fashioned country sausage and turkey dinner at Rowena Sunday attracted a large crowd from a wide section of West Texas. Good weather helped to bring out a record crowd and there was a line waiting to be served from the time the doors opened to the dining hall until far past the dinner hour.

At shortly after noon Sunday, several hundred were waiting in line to be served. All available space had been arranged in the parish hall and tents had been arranged on one side of the hall with tables and chairs for the diners. The meal was served cafeteria style with turkey, dressing, vegetables and dessert served and on the table was sausage, bread, beans and salad.

In addition to the dinner, bingo and other games were arranged outside the hall and many were taking part in these activities after lunch. The crowd was so large that a number of people left without getting in the line. Ladies of St. Joseph's Catholic Church served the meal and were aided by a large number of men of the community in cooking sausage, selling tickets, helping with the seating and other jobs.

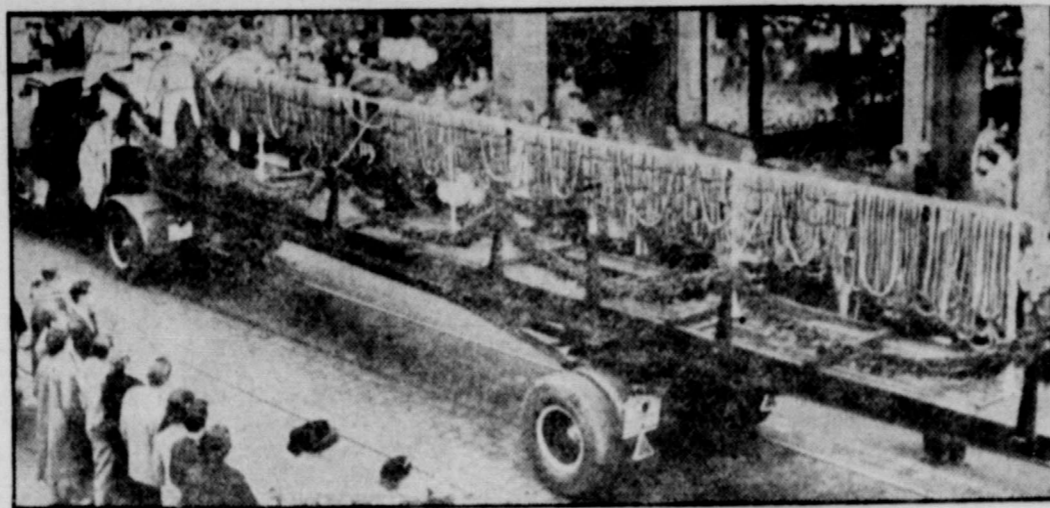

Misses Pat Zappe and Georgia Stanton, both students at Incarnate Word College, San Antonio, spent the past weekend in the home of Pat's parents, Mr. and Mrs. H. J. Zappe.

### Thanksgiving for City And Schools Different

Ballinger schools have announced Thanksgiving holidays for the week-end of November 29. They plan to operate schools here in November 22, the day the city is closing for Thanksgiving and will dismiss on November 29 and 30. Supt. Ernest Caskey stated that so many definite arrangements had been made by teachers and others connected with the school that it was practically impossible to make the change at this late date. It was also impossible to take both as holidays and the teaching days have been set up for the entire school year and an additional holiday would require that the time be made up at the end of school and dates have already

been set for graduation and other commencement programs. The change in holidays will further complicate matters here this year. While the town is observing Thanksgiving, students will be in classrooms for the day. This will present out of town trips for local people who have the day off but who have children in school. One reason for staying with the holiday set up at the start of the year for November 29 is the fact that the Texas State Teachers Association will meet in Houston November 29, 30 and December 1. Negro teachers will meet on the same date in Austin.

A few local offices have announced that they will be closed on both dates.

**BOCKWURST BANDWAGON**—You never saw a sight—a seemingly endless chain of German sausage on the back of this truck. Almost 2,000 feet long, the chain of bockwurst—3,000 links—represents five pigs, three young bulls and three calves. Weighing about 2,500 pounds, the bockwurst bandwagon was driven through Nuremberg, Germany, to commemorate the 80th anniversary of the city's Butcher Guild.

### Ballinger Hunters Off On Annual Deer Hunt

Ballinger and Runnels County hunters are leaving today for their deer leases where they will be for several days trying to get the limit of two bucks. Several parties were broken up this year because it had been so dry on their leases that some hunted in Colorado and New Mexico. Because of the dry weather many let leases go this year in the Hill Country to such an extent that ranchers in the Menard area had leases advertised last week and stated that deer were plentiful and in better condition than usual. Tom Caudle left last weekend for New Mexico where he joined his son, David Caudle, and others in a party to hunt in that area.

Charles Webb, Lynn Candler, Morris Stokes, Lee Parker and Tommy McEntire left today for Harper in Gillespie County where they have a lease. They had visited this area early and expected to find good hunting. K. V. Northington also left today for the August Jordan Ranch in Mason County. In the party were: R. L. Davis and two sons, Robert and Charles of Longview, K. V. Northington Jr. of San Angelo; Bob Northington of Midland and Henry Jones of Big Spring. This party has been hunting on the Jordan Ranch for many years and has always been very successful.

One of the largest and oldest clubs in this city is the Nine-Point Club composed of W. O. Wallace, Carl Murman, M. A. Foy, D. G. Posey, J. G. Tuckey, G. A. Swann, E. T. Branham, of Vernon; Jim Dankworth and E. C. Grindstaff. They will hunt this year in Schleicher County on a new lease. A party composed of Dr. Z. I. Hale, Dr. Henry McCreight of Winters, J. P. Underwood and M. L. Underwood of Dallas and E. B. Underwood of Ballinger, left today for their lease south of Junction in Kimbell County.

Clifford Cook will go to Palo Pinto County for a one-day hunt. His party broke up the coat of tearing down the old bridge and other preliminary work.

Hamp Byler, Austin Williams, and Mr. and Mrs. Arthur Dooze Jr. of Gouldsburg will hunt near Eldorado in Schleicher County.

A party composed of C. A. Bissett, Derwood Bissett, J. T. Gregory, Gay Edwards, Buster Parrish, Jerry Carson, Midland, and Mark Davis, Lubbock, left today for their lease in Menard County. Recent visits to their lease indicated a good season with deer plentiful and in good condition. A party of men and their wives will spend the opening days of the hunting season on their lease in Menard County. In the party are Mr. and Mrs. Play Brevard, Mr. and Mrs. Marvin Hale of Talpa, Mr. and Mrs. Ira Hale of Miles and Capt. and Mrs. R. O. Routh of Abilene.

Hugh Campbell, Rollin and Mark Campbell went to their Brown County ranch today to hunt deer. A number of deer

have been seen on the ranch during the summer and in other places that border their land. Another party left this morning for their lease in San Saba County. In this party are: C. E. Maedgen and son Lanny, J. M. Williams of Lubbock, Oma McGahey of Big Spring, Arthur Giesecke, Vernon Webb and A. E. Holbrook.

Gas Behne, A. G. Lippe, E. J. Vorbeck, and Louis James, all of Ballinger, were joined by R. C. Lippe of Wichita Falls, when they left Thursday (today) for their annual hunting trip to the deer pastures in Kendall County. They will return home next Tuesday.

The annual meeting of the Tri-River boy scout district has been set for November 20 starting with a dinner at 7:30 p. m. for scouters and their ladies in the city hall at Eden. A committee composed of W. H. Rappy and John Purifoy of Ballinger, Dr. J. E. Wiedeman of Junction, and Walter Dufrain of Eden are in charge of arrangements. Rev. Ennis Hill of San Angelo will be the principal speaker. He is the pastor of the First Methodist Church at San Angelo. The main order of business will be a review of 1956 accomplishments in the district and the election of 1957 officers. Mr. Purifoy is attendance chairman and has selected the following community leaders to assist him: Grover Wilson of Miles, Ralph Kettler of Rowena, Hale Kincaid of Silver, H. A. Springer of Bronite, Weldon Fikes of Robert Lee, A. E. Holbrook of Ballinger, George Stengel of Menard, Leon Powell of Junction, Hardin Jones of Brady, Roy Tomlinson of Millersview, Joe A. King of Paint Rock and A. F. Renfro of Norton. John Harrod of Eden will be master of ceremonies for the dinner and program. A large attendance is expected.

There will also be a sound film showing the work of the ground observers and the important place they occupy in the general defense program of this country. Carl Fouts has been named to head the organization of ground observers here and will appreciate a good number attending this meeting.

### Officers Report Cases Past Week In Local Courts

Law enforcement officers have been busy the past week investigating cases and filing a number of charges. Mrs. Ralph Young was charged with checking and a warrant sent to officers at San Angelo. J. W. Williams was filed on for checking at Abilene and a warrant sent here to local officers. Catriona Rivera was filed on here for non-support and a warrant for his arrest sent to Chicago, Illinois.

The Ballinger High School was burglarized on Thursday of last week and change taken from Seven-Up and Coca Cola machines. Officers have investigated but no arrests have been made. A bicycle was stolen here last week-end and a juvenile was apprehended with the stolen property. Three were charged with being drunk and fined \$12.70 each in city court.

A. G. Pinnell was arrested for the sheriff's office here at Hillsboro and has posted bond of \$500. Julius Rainey was arrested and charged with driving while intoxicated. He was fined \$77.80 and given three days in jail. Two boys were picked up here with a stolen car taken at Del Rio. Officers there were notified and the sheriff from Del Rio came here and took them back along with the car.

John Vinson was charged with theft in Fort Bend County and a warrant mailed to officers here. Lucille Johnson, colored, was charged with aggravated assault and she received a fine of \$52.80. A camera and case was reported stolen from the Keel Drug Store but no arrest has been made.

H. C. Cope was arrested at Brownwood and is wanted here on a checking charge. Robert C. Gilliland of Midland was arrested here for driving while license was suspended and fined \$52.80. He also received a fine of \$25.00 on a charge of speeding. Two runaway boys from Pampa are being held here until their parents arrive for them.

Wardie Hancock was charged with being drunk in a public place and was fined \$20.50. The vote in Runnels County Tuesday on the amendment to disabled drew a very light vote. The four Ballinger boxes combined showed 135 for the amendment and 27 against, or a total of 162 votes cast. Runnels County polled 416 for approval of the amendment and 54 against.

Results in the state were more in favor of the proposal than in the county with the issue carrying by about 10 to 1. Cost of the election in this county will run slightly more than \$2 per vote. There were 104 people hired to staff voting boxes, the general election supplies, ballots and other costs of transporting supplies which will run well over \$1,000. Mr. and Mrs. Chester Afflerbach and children spent the week-end holidays in San Antonio visiting relatives while Mr. Afflerbach attended to business.

### Salvation Army Annual Campaign Set For Tuesday

The local service unit committee of the Salvation Army is now making plans for the annual Salvation Army campaign to help finance the work in Ballinger and throughout the state of Texas according to Claude Mansell, chairman. Harold Adling is the campaign chairman for the drive. Mr. Adling states that plans are to have about seventy workers helping with the campaign to raise a goal for this year of \$1650. All workers will attend a breakfast at 7:00 a. m. Tuesday at the Acapulco Cafe. At that time each worker will be given contact cards and asked to see all persons on their lists as soon as possible.

During the past 12 months the local committee has been called on to help more people in need than in any previous year and practically all local funds are exhausted. Ballinger committee members are: Claude Mansell, chairman; Joe Forman, treasurer; Mrs. Virginia Parish, secretary; Foy Farmer, Guy White, Bill Witt, E. B. Underwood, C. A. Bissett and Clifford Cook.

**TALPA LIONS CLUB TURKEY SHOOT SET** The Talpa Lions Club will hold their annual turkey shoot on the H. E. Evans place starting at 1 p. m. Sunday, November 25. The Evans place is located 3 miles south of Talpa and the road will be marked to direct the traffic. Members of the Talpa Club invite their friends to attend the turkey shoot and help them with their project.

### Two New Fields Are Designated In This County

The oil and gas division of the Texas Railroad Commission has designated two new fields in Runnels County. The Fennell, North (Cisco reef) was opened on October 24, five miles west of Winters. The Briley (Palo Pinto) field was opened on October 7, four miles northeast of Winters. Murphy Corp. has completed a prolific King sand producer in the Fennell multipay field, four miles west of Winters. It is the No. 2-A W. M. Hord and was finalized for a daily flowing potential of 514.80 barrels of 46 gravity oil. This production was based on an actual five-hour flow. Top of pay was encountered at 2,784 feet.

Warren Petroleum Co. has filed application to drill their No. 6-T W. Hord, north and slightly west of King production in the Fennell multipay field, contract calls for a 3,200 foot test with rotary equipment. Warren Petroleum Co. No. 5-T W. Hord was finalized last week for a daily flowing potential of 131 barrels of 44 gravity oil. Production was in the Gunsite lime with top of pay found at 2,846 feet.

Pan American Production Co. has filed application to drill a 4,500 foot Ellenburger wildcat one mile south of Ballinger on the J. W. Barr place. Work is to start when permit is approved. The Norton, North field has gained its second Gray sand well with the completion of the Humble Oil & Refining Co. No. 2-D B. Underwood, 4½ miles northeast of Norton. It was completed for a daily flowing potential of 39.33 barrels of 47.3 gravity oil. Production was topped at 4,890 feet.

W. U. Paul will drill No. 1-Hamp Byler, a southwest extension to the Ballinger (Palo Pinto) field. Contract is for 4,200 feet with rotary and work to start when permit is approved. Committee members stated they expect to add other features to the parade.

**Home Decorations** Members of the Christmas committee stated that people interested in a home and yard decoration contest, call the chamber of commerce office by December 1 and make the request. Last year there were so few pieces of decorations that it was hard to award the cash prizes. If there is no interest, the contest will be dropped and the money used for some other purpose.

Mr. and Mrs. Jimmy McAden and daughter, Tonta, and Mr. and Mrs. Bobby Winans and children, Charlotte and Lawrence, have returned from Temple where they visited in the home of Mr. and Mrs. Grady Richards.

### Hatchery Places Fish In Streams Tuesday Morning

A large number of fish was placed in the Colorado River and Elm Creek Tuesday by the state fish hatchery. A. E. Pettit, assistant superintendent of the San Angelo hatchery, was here and stated that two loads of 5,000 each were brought here and placed in the two streams. The fish included Red Ear perch, Goggle Eye perch, Green perch and Blue Gill. They started distribution at the bridge on the Colorado River on the Ballinger-San Angelo highway and placed them in holes downstream to the junction with Elm Creek. They then went up Elm Creek to the hole above the city lake. Mr. Pettit stated that the transfer of the fish here should help fishing in the very near future as some of the perch were fryling size already. The two loads of perch were made possible because a large number of farmers and ranchmen who had fish ordered cancelled because their surface tanks were low.

Mr. and Mrs. Jimmy McAden and daughter, Tonta, and Mr. and Mrs. Bobby Winans and children, Charlotte and Lawrence, have returned from Temple where they visited in the home of Mr. and Mrs. Grady Richards.

### Thanksgiving Service Set Wednesday Night

Ballinger people are invited to join in a union Thanksgiving service next Wednesday night, November 21, at the First Methodist Church. Ministers of the Ballinger Ministerial Alliance are sponsoring this service and all pastors affiliated with the alliance will take part on the program. Dr. LeRay Fowler, pastor of the First Baptist Church, will bring the Thanksgiving sermon this year. Other pastors will have the prayers, Thanksgiving proclamation, announcements, scripture and benediction. Bob Allford, minister of music

Santa Claus is coming to Ballinger to greet the boys and girls of this entire area on Saturday, November 24. This will be the formal opening of the Christmas season in Ballinger and the big parade will be staged at 1:30 p. m. Again this year decorated floats in the Christmas theme will be the main feature. Ten high school classes and organizations have started work on these floats and will have them ready for the judges to inspect on November 24. The ten floats will show in the parade and then will pass the reviewing stand where the judges will classify them from the first place on down. Only the high school floats will be judged for the cash prizes but the committee stated that any merchants who desire to place a float in the parade for advertising purposes may do so. First prize will be \$75 and other places will scale down to \$7.50. The parade will be led by the Ballinger high school band and Santa Claus will be transported at the head of the column. Following the parade Santa Claus will be on the first floor of the court house and hopes to meet each boy and girl of this area and present them with a bag of candy. It will be a good time for the kiddies to see Santa and tell him what they want most for Christmas. The parade date is earlier than usual this year. A survey was made the first of the week to see if merchants would like to have the parade November 24 or December 15. Other Saturday dates were out because the high school band and school groups had special activities on December 1 and 8. The survey showed that most store managers wanted the early date and the committee accepted. School groups started work Wednesday on their floats and vehicles were placed in vacant buildings where the students and faculty sponsors can work until parade day. Committee members stated they expect to add other features to the parade.

## DID YOU BUY A POPPY?

Saturday local people had an opportunity to buy a 10 cent veteran made poppy. Many passed the booth by and said "not today." The poppy is much more than just a red crepe paper flower. They are made by disabled veterans who are still fighting a war in some hospital. They receive pay for making the poppies and in most cases this is all the income they have. Those who control the poppy making program state that many veterans beg just to be allowed to make a few more each day so they can earn a little more cash. It was easy to sell poppies when a war was in full bloom but somehow people seem to be forgetting and do not realize that so many are still casualties and will never be any better. The ten cents paid for a poppy goes to pay the veteran for making it and also into the rehabilitation fund which cares for many veterans' children in the welfare program. The ladies who sell them do not receive any pay. They give their time and take the careless remarks of the crowd, which often hurt them, because they believe in and love the program. Next year when poppies are being sold, give a dime and wear it proudly, being thankful that you and your loved one are not making them for a meager income.

The fight against salt water in Runnels County goes on with local people seeking help in stopping this hazard. It is not hard to find the salt water,

but locating just where it is coming from and getting corrections made is a big proposition. City officials were at work last week with representatives of the Texas Railroad Commission on a number of hazards on water sheds in the Ballinger area. This pollution is becoming much more serious than many think and it is time that some permanent plans be made for the future. Texas needs new legislation with a pollution board properly staffed and money appropriated to protect the people and save their fresh water. A county with no fresh water would be in a bad way and such a thing could happen.

This editor was surprised last week when a number of people called to compliment him on a "trade at home" editorial. Usually such reading goes unnoticed and falls on deaf ears. People say they earn their money and they will spend it where and how they please. As long as we call Ballinger home, as long as we expect progress and firm support of local projects for the benefit of everyone, we should realize that to keep progress going local business must make earnings in order to provide the money for parks, swimming pools, a chamber of commerce, and all the other worthwhile organizations and groups. When times are good, a certain amount of out-of-town shopping is not noticed so much, but after seven lean years merchants need all the sales they can get to stay in business. We have more than enough vacant business houses now and those people that can never find what they want in local stores can create more vacancies by taking their money to other nearby towns for their needs. If you make your living here—spend it here. There is enough income to make a good town if local people trade at home.

## WEST TEXAS NOTES

Members of the homemaking class of the Paint Rock school attended the home show in San Angelo last week. The entire class was accompanied by their instructor and several mothers for the inspection of the 18 modern homes. Last week was also 4-H club achievement week in Concho County and a number of special events were held. The Millersview club met for a special program and all clubs of the county met at the court house in Paint Rock on Monday night for a program and the awarding of a number of prizes and pins.

Announcement has been made that November 27 has been set for Miles and Rowena at which time the new dial telephones will be placed in use. In both towns a new building has been constructed to house the new equipment. This equipment has been installed and everything will be ready on November 27 to start the improved telephone service for the patrons of the two towns. After the change over, operator service for the two towns will be provided out of San Angelo.

A special meeting of members of the county fair board was held at Stephenville last week to hear reports of their recent fair and discuss the future plans. A president of the association was elected and a general superintendent for the association named after they voted to again stage their fair.

Everytime that five Thursdays occur in November, Texas is mixed-up on Thanksgiving Day. A number of towns are taking both days by part of their firms and offices. The national holiday has been set for the fourth Thursday in November, while in Texas it is specified for the last Thursday in the month. In many instances dates are set up a year before for some groups, such as the annual meeting of Texas teachers. One big football game determines Thanksgiving Day for a large group and others do not care as long as they have one day off from work. The true meaning of the day has been largely forgotten. In fact most worship services are scheduled for the night before Thanksgiving in order to get better attendance. In towns observing the last Thursday in the month, federal workers will have to observe the national holiday a week earlier. It seems that the time is not so important as all people accepting one day for offering their thanks to a Divine Creator.

In 1957. A financial report of the recent fair showed it a success with good attendance and enough money on hand to pay all premiums and prizes. A majority of firms at Stephenville had voted to support the fair and again take advertising space in the exhibits.

Bids are being received by the First Presbyterian Church at Colorado City for the construction of a new educational building. Plans are being studied by a score of contractors and bids are to be opened by the building committee today. Plans are to construct a 68x91 foot building with departments and class rooms for the most of the Sunday school. Immediate construction is planned if a suitable bid is submitted by a builder.

Joe Taylor of the ASC office at Coleman announced last week that cotton certificates were being processed and would be mailed to farmers at once. It is expected that the cotton certificates will amount to around \$200,000 for farmers of that county under the Soil Bank Program. With exception of a few cases, wheat certificates have been processed and mailed and amounted to around \$50,000 on 460 certificates. Taylor added that it would require most of November to process the cotton certificates.

Novice school held its sixth annual homecoming last Saturday and Sunday with a large crowd of former students and teachers attending. The affair opened Saturday with the football game between Novice and Mozelle. A union service was held Sunday at the high school auditorium and this was followed with a barbecue dinner in the school lunch room. A general program and business session was held in the afternoon.

Members of the Bronte city

council agreed with a committee from the Sorosis Club last week that something needs to be done in regard to traffic violations in that town. The committee met with the council to urge action and members of the club offered their full support in enforcement of any regulations. They asked that some immediate action be taken in the area near the schools. All agreed that a daytime traffic officer was badly needed and city officials will study their budget to see if this can be supplied.

The Comanche Chamber of Commerce is sponsoring a rat and mice killing campaign in that city and urging full cooperation of all citizens. The service is being provided free to all who will cooperate in the business area. The campaign is planned to last 2 1/2 months with four treatments to be used in an effort to rid the town of the pests. Poison is to be used and people are warned to keep their pets out of the business area during the time the baits are out for rats. Health authorities state the campaign was necessary to curb the increase of the germ carriers.

A statement was made in Menard last week that the area apparently has plenty of deer and turkey but little interest from the hunters. Reports received from ranchers of the county said they had deer in good condition. Game wardens in the area also reported more game than usual. Interest of hunters obtaining leases was less than for several years. Alen Everett, secretary of the chamber of Commerce at Menard, said he had a number of ranches listed with him on which no leases had been granted for the season.

Eden observed Veterans' Day with a special program at the high school auditorium Sunday afternoon and a holiday on Monday. Ralph Yarborough, of Dallas, was the main speaker for the Sunday program. A number of musical numbers were included along with appropriate music by the high school band. Corsages were presented to all Gold Star Mothers. On Monday the American Legion held their annual

turkey shoot which attracted a large number.

Camp San Saba in McCulloch County has yielded bones and teeth of animals which are believed to be among the oldest in the world. The bones in perfect condition were found some 20 to 75 feet below the surface. Experts have been contacted and they believe they will date back to the ice age. Identification of the bones show they came from buffalo, deer, antelope, tigers, bear, beaver down to small animals such as mice. The bird family likewise from the size of a turkey were found in the cave. More investigation will be made soon.

Dr. Frank Coffey, formerly of Longview, is moving to Melvin and will take over the McCulloch-Concho hospital. He was in Melvin last week to look over the hospital and meet with the board of directors. The doctor is 32 years of age and a graduate of the Baylor Medical College. He has a fine record behind him in his practice and has had two years of training in orthopedic surgery and several months of general practice. He and his family plan to move to Melvin this week and the hospital has planned an open for Nov. 19.

Trophies and medals that will be awarded first division bands in the region marching contest to be held in Winters on December 8, have been placed on display at Winters. Approximately 3,500 band students are expected in Winters on that day with their school groups to take part in the contests. They will represent about 55 marching bands from most of the towns in the region. A total of 218 twirlers will also take part in that contest. The contests will also bring to Winters a large number of bus drivers, parents and others who plan to watch the contests.

School patrons at Fort Stockton are to vote on a \$350,000 bond issue this week. The money, if bonds are approved, would be used to construct a new elementary building with some 20 class rooms. It would be built on a 129 acre tract of land at the

It's that new V8 in the '57 Chevrolet. It's as quiet as a contented cat and as smooth as cream . . . and it's cat-quick in response when you call for action!

No household tabby sitting in a sunny window ever purred more softly than Chevy's new V8 engine. It's so kitten-quiet and cream-smooth that you can scarcely even tell when it's idling.

But when you nudge the accelerator, you know it's there, all right! Its right-now response keeps

you out of highway emergencies. It overpowers steep hills with such ease they seem like level landscape.

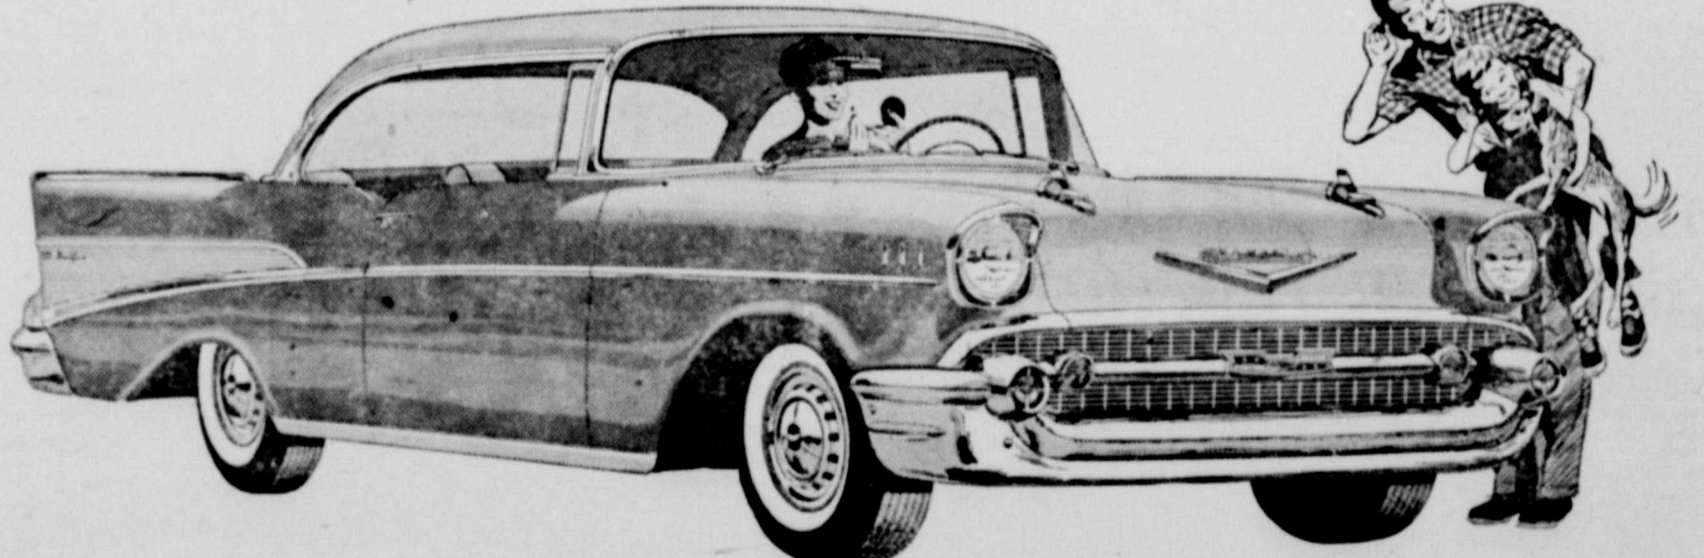

This new Chevrolet V8 puts up to 245 high-compression horsepower\* under your command! It's sassy, sure—but as tame to your touch as a purring pussycat.

Come try the smoothest V8 you ever put a toe to, and all the good things that go with it. Like new Turboglide—the first and only triple-turbine automatic drive (an extra-cost option). And Chevy's own special sweet and solid way of going.

\*270-h.p. V8 also available at extra cost. Also Ramjet fuel injection engines with up to 283 h.p.

# that purr you hear is no pussycat!

Sweet, smooth and sassy! The Bel Air Sport Coupe. Body by Fisher, of course, with all that means in extra fineness of construction, materials and details.

The football season came to a close for three teams last week. The Ballinger Bearcats had their most disastrous season for many years, being defeated by three of the district teams by decisive scores.

The bright spot in local football was the play of the junior high team which completed their season last Thursday night in Lake View with a victory, 14 to 0, over the juniors of that AAA school.

The junior Bearcats won the district with only a tie against their season's record. In several instances they have met larger teams but have managed with plenty of fight, hard blocking and tackling to win. The players on the junior team provide a bright spot for fans in looking forward to future high school teams.

While the Bearcats have completed their season, the district has this week to go. Coleman will meet the weak Claco team this week and should be able to take that game and the district championship. Winters and Ranger will fight it out for second place in the district. This should be a close game and it would be hard to pick a winner.

Coach Dick Richey has started basketball practice and will be playing exhibition games during the remaining time before Christmas. He will get into the district round robin schedule in January. A large number of boys are out for basketball and a good team should be in the making.

The Ballinger Quarterback Club will be ready soon to announce the annual football banquet and party. Contacts are being made now to secure a speaker for the program and when this is done, the date will be announced.

Mr. and Mrs. Otis Jacob and daughter, Kay, left this week for Bracketville where they will visit Mr. and Mrs. H. E. Fulcher and Mr. and Mrs. O. D. Dooly on the Peterson ranch. While there Otis will do some deer hunting.

**Civic Garden Club Has Garden Program and Plant Exchange**  
Mrs. Jerry Hampton was leader for the Civic Garden Club meeting Tuesday afternoon, which was held in the library club room.

Mrs. Hampton presented the program on "Garden Maintenance" and introduced the following members who spoke on conservation topics: Mrs. Beulah Frazier discussed Mulch, when, how and why; Mrs. Max McCrary Jr.'s topic was Winter Plant Protection; Mrs. F. L. Wells talked on Winter Watering; and Mrs. Bill Clark discussed Bird Preservation.

Mrs. J. W. Barr, president, heard reports. Mrs. B. W. Claunch reported that 285 books had been checked out of the local library during October, and that 38 new books had been added to the library, among which were several books on gardening. Mrs. A. O. Bartlett gave a report on the District 8 Garden Club meeting held in Winters, and Mrs. Barr gave a report on the Abilene Flower Show. Mrs. John T. White reported that the garden

plants, pots and tools had been delivered to McKnight Hospital, and she will assist at the Christmas Shop at McKnight Hospital. Mrs. Bartlett gave a report on the Ballinger Flower Show.

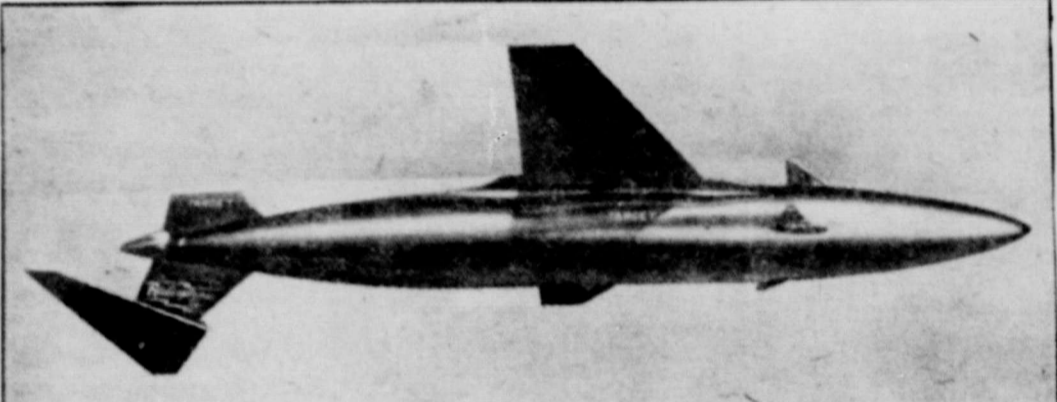

Mrs. B. B. Unsell and Mrs. E. R. Gordon were welcomed as new members. 33 members attended the Tuesday club meeting. Mrs. Jimmie Lewis was a visitor.

**MARKET IS ACTIVE AT LIVESTOCK SALE**  
A good livestock sale was held at the Ballinger Auction Barn Monday afternoon. A fair amount of stock was on hand for the afternoon and the market was steady and sales were made fast. Butcher calves brought 18½ cents and breeding ewes sold at from \$5 to \$9 per head.

**WORLD'S OLDEST LIVING MAN?**—Javier Pereira is reputedly the world's oldest man—at the tender age of 167. The wrinkled, pint-sized South American Indian from Bogota, Colombia, stands four feet four inches tall and weighs 75 pounds. He was flown from Barranquilla, Colombia, to the United States for an intensive scientific study on his condition at the Cornell Medical Center, Ithaca, N.Y. Above, Javier, who may have been born in 1789, calmly eats an ice cream cone in Miami, Fla., first stop on his trip to Cornell.

**BUSY DRONE**—Designed for weapon evaluation and training, this steel and plastic radio-controlled, rocket-powered drone, above, is the latest in target aircraft. Plastic wings and tail surfaces are in fixed position, and control of the RP-70 is accomplished through the small fin-shaped vanes just forward of the wing. Powered by a solid rocket fuel, the RP-70 has a flight endurance of eight to 10 minutes and a ceiling of 30,000 feet. With a top speed of approximately 980 miles per hour, the nine-foot-long, 300-pound rocket will be used to test U.S. defense missile systems.

## Little Things of Life

Life is made up of many little things. There are big things too, but it is details of daily existence which individually may not be of major consequence, but in the aggregate, they are important.

At this bank it has been our practice to give first attention to important things, but details which make this a more pleasant and more satisfactory place to bank have not been neglected. Equipment is modern, service is friendly, prompt and personal; every account is valued regardless of its size or to whom it belongs.

New accounts are invited. Here all depositors find that attention is given to the little things which often mean so much.

## All Clubs Attend Council Meeting Held Here Friday

Mrs. Dick Holstead presided at the regular meeting of the Runnels County Home Demonstration Council which met Friday afternoon in the office of Miss Ollie Chenoweth. Miss Pauline Shiller of Rowena led the opening prayer and Mrs. Holstead led the singing of "Song of Peace." Twenty-two members were present representing all clubs in the county.

The yearbook chairman, Mrs. Neuman Smith, reported that the new yearbooks were in the hands of the printer and would be distributed to clubs at the Christmas luncheon.

All club presidents reported that toys and stuffed animals are being made for McKnight's Sanitorium and will be sent by November 24. Several clubs have sent magazines and books to the library there.

Friendly neighbors and the Norton Club sent cookies to the state hospital at Abilene for Halloween and a box of Christmas gifts will be sent from all clubs next month.

Demonstrations on pastry and club sandwiches are being given to clubs by Miss Chenoweth this month. Programs on rural civic defense seating chairs, sewing aids, quilt making and making coffee cake were given in the different clubs the past month.

The secretary, Mrs. J. L. Ohlhausen, read a letter from Williams T. Lawler of the state hospital thanking the club women for sending gifts and cookies to the children through-

## For Your Health's Sake

When you are examined by a physician and take his prescription to a pharmacist, you secure the maximum benefits from both the medical and pharmaceutical professions. The physician and pharmacist work hand in hand in the interest of public health. Neither is self-sufficient. Each is dependent upon the other. You should have a family physician to whom you can turn in times of illness. Bring his prescriptions to us. Compounding prescriptions is a responsibility which we gladly accept.

# Cadillac FOR 1957

Brilliantly new in Beauty... Brilliantly new in Performance!

Represented above are the most significant advancements we have ever been privileged to present to the motoring public. This is Cadillac for 1957—entirely new in design and engineering... and bringing to the world's highways a wholly new standard of motor car quality and excellence. Cadillac's renowned stylists have created a new Cadillac beauty... majestically graceful of line... wonderfully exciting in spirit... and with a new balance of chrome and glass and steel.

Cadillac's master coachcrafters have brought a new measure of luxury to the car's interiors... with gorgeous new fabrics and leathers... with new colors and patterns... and with marvelous new appointments on every hand. And Cadillac's world-famous engineers have introduced a sensational new concept of automotive performance... with two great new engines... with an even smoother, more responsive Hydra-Matic Drive... with greatly improved power steering and power braking... with a

revolutionary new frame design... and with a host of other vital engineering advancements. These dramatic Cadillac achievements are being presented for 1957 in ten individual body styles, including the breath-taking Eldorado series. Each is a Cadillac masterpiece... a brilliant tribute to the men who design and build the Standard of the World. We invite you to see... to inspect... and to drive the brilliantly new 1957 Cadillac at your very first convenience. You'll be welcome at any time.

Suddenly you know how modern a range should be—

flame-fast gas ranges  
alone offer  
no hangover heat!

- EXCITING NEW FEATURES
- Cook-Save Automatic Top Burner Control
- Built-In Rotisserie
- Shimmer Flame
- Chromalox® Burners

Gas ranges have so many wonderful features—clean, cool cooking because of no hangover heat! Turn the flame off under boiling water. Boiling instantly stops. No hangover heat to cause boilovers or excess steam to make kitchen hot and dirty. But with an electric range, boiling continues even after the cooking unit is turned off. Imagine the extra work and watching for you! That's why truly modern cooking is cooking with flame-fast gas.

**DON'T BE FOOLED.** For what it costs you to cook electrically for one year, you can cook for more than four years with flame-fast gas.

**SAFEST COOKING EVER.** A.G.A. seal on each gas range assures reliability; fire insurance statistics prove gas is safer!

## BALLINGER HOME DEMONSTRATION CLUB

Mrs. Hatton Laxson included Mrs. Sam Behringer and Melinda Lee when she was hostess to members of Ballinger home demonstration club Tuesday afternoon in her Eighth Street home.

Mrs. Alvin Spreen was the presiding officer. Mrs. E. L. Williamson gave the "Thought for the Day," after members answered roll call by naming "What I Would Do With a 25 Hour Day." A report on the membership drive was given by Mrs. Rufus Allen. A special election was held and Mrs. Alvin Spreen was elected club president and Mrs. Rufus Allen was elected secretary. The retiring president, Mrs. George Hall, was given a standing vote of thanks for all outstanding work she had given the club while she was president. It was announced that the annual Christmas party would be held December 20 in the home of Mrs. Rufus Allen with Mrs. Edwin Vogelvang as co-hostess, and names for the exchange of gifts were drawn.

Miss Ollie Chenoweth gave a demonstration program on Club Refreshments, and she also showed a special table arrangement.

**WOODEN SOLDIERS NEVER DIE**—They're just stored away. Standing at attention, though facing in various and sundry directions, these wooden soldiers await a human-sized guard. The tall blockheads are waiting shipment to another building where they will add a happy martial air to a children's show in Paris, France.

The next regular meeting will be held on November 23 at 2:30 p. m. in the home of Mrs. E. L. Williamson and Mrs. Allen will present the program on "Table Service."

The hostess served the refreshments made by Miss Chenoweth with cookies and coffee to 9 members and the two guests.

### MINISTERS SPONSORING DAILY BIBLE READINGS

The Ballinger Area Ministerial Alliance is again sponsoring the annual Thanksgiving to Christmas Bible Reading Program in Ballinger and surrounding communities.

Each year the American Bible Society selects a group of favorite Scripture passages to be read during the period. These are printed in bookmark form and are given wide distribution in order that Christians

throughout our country may share the fellowship of reading the same passage together each day.

Most of the churches of Ballinger, Talpa, Paint Rock, Winters, Norton, Miles and Rowena will cooperate in encouraging Bible reading through the program. Bookmarks will be available at the churches and in various public places throughout the area.

### 1957 CAR NUMBERS CHANGE OF COLORS

The 1957 car numbers for Runnels County and Texas will have a change of colors next year. For several years the numbers have been black letters on an orange background one year and orange letters on a black background the next.

For 1957 the numbers will be black on a white background and will be a decided change.

A sample number was received by the tax collector's office last week and within a short time the series of letters and numbers will be made known for this county.

### METHODIST MEETING POSTPONED TO DEC.

Announcement was made this week that the November meeting of the Methodist Men has been postponed for one month and a family night will be held in December. The meeting was scheduled for tonight at the local church.

Mr. and Mrs. C. A. Berry attended the SAC-Schriner football game in San Angelo last Saturday night. They were accompanied home by their daughter, Carol Sue Berry who is attending San Angelo College this year. She returned to college Sunday.

### At the Texas

Although John Wayne appears in a role unlike any he has yet portrayed on the screen—that of the Mongol leader who has to make his mark in history as Genghis Khan, "The Perfect Warrior"—in Howard Hughes \$6,000,000 Cinemascope-Technicolor production, "The Conqueror," he still has plenty of opportunity to display his superb horsemanship in this RKO Radio film showing tonight, Friday and Saturday at the Texas Theatre.

"Quincannon, Frontier Scout," which opens tonight, Friday and Saturday at the Texas Theatre through United Artists release, was filmed in color on location in Kanab, Utah.

The colorful career of John Philip Clum, Indian agent who captured Geronimo with the Indian police force he had trained on the Apache reservation, is the basis of "Walk the Proud Land," the Universal-International picture in Technicolor and Cinemascope which opens Saturday night, Sunday and Monday at the Texas Theatre with Audie Murphy, Anne Bancroft, and Pat Crowley in the starring roles.

One of the most colorful and varied groups of extras to be assembled for a motion picture will be seen in "The Revolt of Mamie Stover," the Twentieth Century-Fox Cinemascope De Luxe color production, starring Jane Russell and Richard Egan, which will show at the Texas Theatre Wednesday. Among them was a Navy commander, the wife of a millionaire, a number of prominent business men, radio announcers and some tourists.

### At the Hillcrest

The extraordinary and fascinating story of Rocky Graziano, who rose from an environment of squalor, reform school and the New York City Penitentiary to become not only middle-weight champion of the world but a regenerated human being, is unfolded on the screen at the Hillcrest Drive In Theatre Friday, Saturday and Sunday in M-G-M's "Somebody Up There Likes Me."

Based on his intimately revealing autobiography, with Paul Newman portraying Graziano and Pier Angeli cast as Norma, the girl who married him and who was largely responsible for his "turning the leaf," "Somebody Up There Likes Me" provides engrossing drama in its story of a no-good punk who was determined to be top dog.

## Legion Auxiliary Poppy Sale Held; 1000 Flowers Sold

The American Legion Auxiliary sold 1,000 poppies here on Saturday to people on the streets and in local stores. The number sold was less than in past years when 1,500 and more were offered for sale here.

Mrs. David Haliburton, president, also served as sale chairman, and she was assisted by other members of the Auxiliary during the day.

The veteran-made poppies were bought by the Auxiliary from Legion Hospital where disabled veterans were paid for their work in making the crepe paper flowers. One-third of the money received here on sales will be sent to state and national units and the rest will remain here for rehabilitation, child welfare and veterans in hospitals. The Ballinger unit recently sent money to the hospital at Legion to be used in buying gifts for veterans at Christmas time.

Later a box of gifts will be shipped there to be placed in the gift shop where veterans can make selections for their families.

## Annual Breakfast Served Veterans By Legion Monday

Veterans of World War I, World War II and the Korean War assembled at the American Legion Hall Monday for the annual Veterans Day breakfast and party. The party was well attended and many of the group remained until the noon hour.

Serving started at 6:00 a. m. with a good crowd on hand for the first sausage, bacon, eggs and hot biscuits off the griddle. Others arrived until late in the morning and were fed as soon as they were ready.

Legion Adjutant Otis Jacob was on hand to register the veterans and a large number paid their 1957 dues as they entered the building. Pool tables were in use for the morning and other games arranged for those who wished to remain and take part.

The serving of a breakfast on Armistice morning was started here more than 25 years ago and has been held each year. During World War II there was some variation with one breakfast being dedicated to Gold Star Mothers and Fathers and another to returning veterans of World War II.

## Quarterback Club Football Banquet And Party Dec. 8

The Bearcat Quarterback Club met Tuesday night and set the date for the annual football banquet, program and party. The affair will be a barbecue and will be staged at the American Legion Hall on the night of December 8.

The program will start with the serving of the barbecue dinner and will be followed by an attractive program. Those in charge are making an effort to get a national known football player for speaker and perhaps one that has ranked the Hall of Fame.

After the program, tables will be cleared away and boys will bring their dates for a dance and party.

Committees named at the meeting Tuesday night are:

Program—D. W. Turner, Cal Adair and E. J. Grindstaff.

Food—Marion Hays, E. B. Underwood, Rollin Campbell.

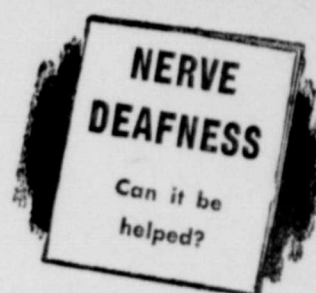

Ticket Sales—George Newby, Buster Parrish, Bill Bisbee, R. A. Young.

Tables and chairs—Coke Brumlow, Joe Hambright, J. G. Tuckey.

The banquet will be a stag affair for football players and club members and the party and dance will include the ladies.

Lindon's Wall Street is called Lombard Street.

## DEAF? Then You Must Read

Learn the true story about this form of deafness that is so insidious in its approach that in many cases as much as 50% of your understanding of speech is lost before you are aware that you are more than "just a little" hard of hearing.

Are you doomed to a life of confusing sounds or can this condition be corrected by treatment, drugs, vitamins, or other means?

Do you hear but do not understand? Are sounds loud but the words muffled? Do you hear a little worse than you did last month? Last year? If so, don't fail to learn some of the facts about nerve deafness. No charge, no obligation. Send a post card to "Hearing," Box 546, San Angelo, Texas.

**Mr. and Mrs. Tom R. Arrant 50th Wedding Anniversary**

Mr. and Mrs. Tom R. Arrant celebrated their golden wedding anniversary at open house from 2 until 4 p. m. Sunday in their home on Twelfth Street.

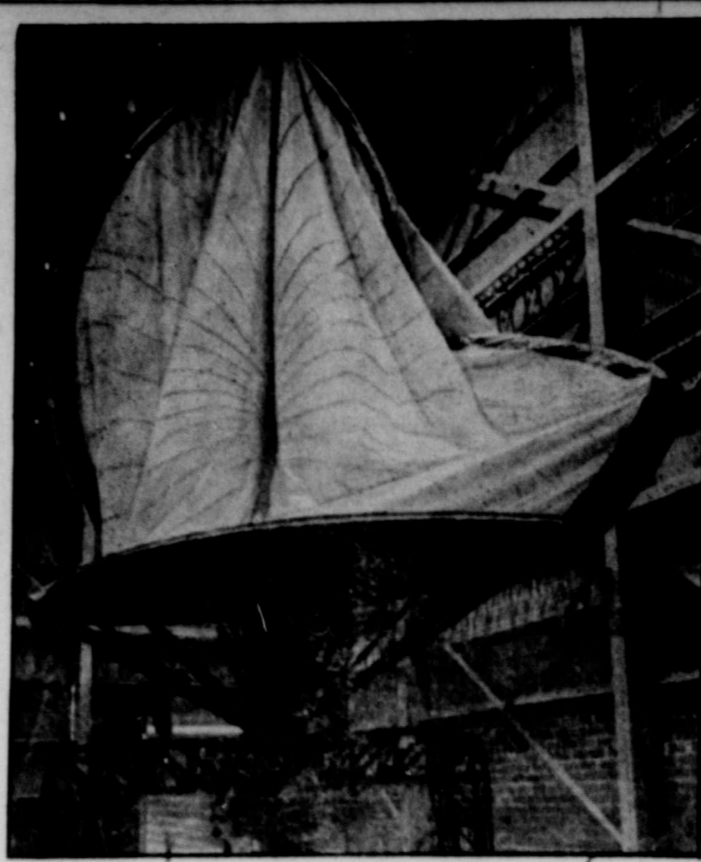

Hosts at the affair were the couple's daughters and a son, Mrs. Earl Sides of Carsbad, New Mexico, Mrs. Charles Walker of Pecos and Paul Arrant of Odessa.

Mr. and Mrs. Arrant were assisted by their children in receiving around 150 guests. Miss Sandra Perry of Abilene, a granddaughter, registered guests in a gold book. A wedding picture of the couple was on the registry table.

Decorations in the living room were arrangements of bronze and gold chrysanthemums, tallman rosebuds and eucalyptus leaves.

The centerpiece for the dining table, laid with a lace cloth over yellow, was an oblong arrangement of large gold mums with a cascade of smaller mums centered with a bronze styrofoam arch dotted with bronzed orange blossoms, under which a miniature bridal couple stood. The centerpiece was made by the couple's grandson, Pat Neely of Carsbad, New Mexico.

White and gold candelabra holding gold tapers were on either side. The three-tiered cake was all white and decorated with yellow rosebuds and topped by a bridal couple. White and gold ribbon bows with white wedding bells were at

**LOLLIPOP RADAR**—Resembling a giant lollipop, the Parabolon radar antenna, above, is literally blown up like a balloon. The lightweight, mobile radar unit, designed for the Air Force by Westinghouse, can be assembled or dismantled by a crew of nine in several hours, and weighs only 1,690 pounds, compared to 10,000 pounds for equivalent existing metal antennas and their support structures. The Parabolon antenna stands 30 feet high, and, when inflated, forms a double parabolic reflector, coated on one inside surface with vaporized aluminum to reflect radar waves.

Alternating in serving were Mrs. Paul Arrant, Mrs. Doyle Wheeler of Austin, granddaughter of the couple, Misses Norma Joyce and Sharon Hampton, nieces of Mrs. Arrant.

Others in the house party were Mrs. Lillian Pearse, Messrs.

Earl Sides, Charles Walker and Doyle Wheeler.

Mrs. Arrant wore a pale blue gown of tulle and taffeta with a gold mum corsage.

Mrs. Arrant was born Letha Hughes in Milan County. She moved with her parents, Mr. and Mrs. L. M. Hughes, to Run-

**WHAT MUST I DO TO BE SAVED?**  
(No. 10)

Last week we saw that Christ, who is our authority (Matt. 28:18 R. V.), in his Great Commission gave: HEAR, BELIEVE, REPENT, and BE BAPTIZED as his plan of salvation from past sins. Today we want to briefly review the conversions in Acts showing that those commands were bound by the apostles and other inspired preachers of the New Testament age.

**THE PENTECOSTIANS**

The three thousand converted on the day of Pentecost (Acts 2:37) and were told by Peter to BELIEVE (know assuredly v. 28), REPENT (v. 38), and BE BAPTIZED FOR THE REMISSION OF SINS (v. 38). Those conditions of salvation were bound in heaven (Matt. 18:19).

**THE SAMARITANS**

The Samaritans were saved by HEARING THE GOSPEL (Ac. 8:5), BELIEVING (v. 12), and BEING BAPTIZED (v. 12).

**SIMON**

Simon was one of those Samaritans who HEARD (v. 5), HE BELIEVED (v. 13) and was BAPTIZED (v. 13).

**THE ETHIOPIAN**

The eunuch HEARD (v. 35), BELIEVED (v. 36-37), CONFESSED CHRIST (v. 37) and was BAPTIZED (v. 38).

**SAUL**

Paul HEARD (Ac. 9:6), BELIEVED (cf. v. 1 with the changed attitude of v. 5-6), REPENTED (v. 9) and was BAPTIZED (v. 18).

**CORNELIUS**

Cornelius HEARD (Ac. 10:34 ff.) BELIEVED (v. 43), REPENTED (11:18), and was BAPTIZED (v. 47-48).

**LYDIA**

Lydia HEARD (16:14) and was BAPTIZED (v. 15).

**PHILIPPIAN JAILOR**

The jailor HEARD (16:30-31), BELIEVED (v. 31), REPENTED (washed stripes v. 33) and was BAPTIZED (v. 33).

**THE CORINTHIANS**

The Corinthians HEARD, BELIEVED, and were BAPTIZED (18:8).

**THE EPHESIANS**

The Ephesians HEARD (19:5), BELIEVED (v. 2) and were BAPTIZED (v. 5).

**SUMMARY**

(Readers are urged to see lessons 19-27 for more details on the above conversions).

By studying each of the clear cases of conversion in Acts, the book of conversions, we see that the inspired preachers commanded the same things of each convert: FAITH, REPENTANCE, and BAPTISM. We see how they understood and applied Christ's Great Commission. We see that in the N. T. times there was one way, one plan of salvation, and that all people were saved in the same way. THEY HEARD THE GOSPEL, BELIEVED IT, REPENTED OF THEIR SINS, CONFESSED THEIR FAITH IN CHRIST, AND WERE BAPTIZED FOR THE REMISSION OF SINS. In doing so, their sins were forgiven and they were added to the Lord's church.

Hearing and Baptism are always mentioned or stated in other terms. In ten cases out of eleven Baptism is specifically mentioned. In the other (Acts 3:19) it is stated by another term. With such evidence to show that without exception the N. T. cases of conversion all include baptism why should anyone want to exclude it today? Faith, Repentance, and Confession are required but are not always mentioned; but baptism is, if a person chose to try to prove that one of those steps could be left out wouldn't it be easier to choose FAITH, REPENTANCE, or CONFESION, since they are seldom mentioned? But why would anyone want to change Christ's plan of salvation and the way shown by the inspired N. T. preachers?

Why is Baptism always mentioned but the others seldom mentioned? That is because only a penitent believer can be baptized and because generally all they needed was baptism.

What is the gospel plan of salvation? HEAR, BELIEVE, REPENT, and BE BAPTIZED. Any other way is man's way (Gal. 1:6-9; Rev. 22:18-19; Matt. 15:9).

**Neelys Feted At Dinner On 60th Wedding Anniversary**

Mr. and Mrs. J. L. Neely, residents of Runnels County since 1925, were honored when their eight children were hosts at a dinner Saturday evening in the Neely home in celebration of the Neelys' 60th wedding anniversary.

Decorations in the living room were arrangements of bronze and red mums, orchid chrysanthemums and pink and red rosebuds. The couple received many gifts, telegrams, and on Sunday afternoon around 50 friends called.

The all white three tiered wedding cake was served following the dinner.

Mrs. Neely was born on May 23, 1875 in Tennessee, and moved to Texas, when a small child, with her parents. They settled in Collin County. Mr. Neely is a native Texan, born at Melissa, in Collin County, and it was there the couple was married on November 8, 1896, and lived there until 1925 when they moved to Ballinger. Mr. and Mrs. Neely are both members of the Methodist Church. He is a retired farmer.

The eight children, husbands and wives present were Mr. and Mrs. G. O. McCorstin of Ballinger; Mr. and Mrs. W. E. Neely, Crain; Mr. and Mrs. L. M. Neely, Conoga Park, California; Mr. and Mrs. A. A. Neely,

Lubbock; Mr. and Mrs. O. L. Neely, Reseda, California; Mr. and Mrs. J. A. Neely and children, San Antonio; Mr. and Mrs. Brooks Williams and children, Midland; Mrs. Tom McDonald, Leonard.

Grandchildren present were Mrs. Buster Fowler and children, Leonard; Mr. and Mrs. George L. McCorstin and children, Garland; Ray Neely, Dallas; Mrs. Betty Polack, Dallas; Charles McDonald, Commerce; and nephews, Marvin Neely and Mrs. Neely, Ballinger, and A. G. Tatum, San Angelo.

Mr. Neely's brother-in-law and sister, Mr. and Mrs. John Tatum, Brownwood; and a friend, Buck Mauldin of Oklahoma City, Oklahoma.

The couple has 19 grandchildren and 21 great grandchildren.

The program climaxed with an amphibious "invasion" of Had Chao Samrah Beach by Marines of the two nations.

**TOKYO TOYLAND**—It won't be too long before Santa makes his annual trip. The Tokyo youngsters above, find themselves in a children's paradise already, as they enjoy a wide variety of "Made in Japan" toys. The peak period has begun for the island nation's toy manufacturers, with 80 per cent of the products going to the United States, Canada and some European countries.

**END OF THE ROAD**—A quick way to dispose of troublesome cars is provided by this huge hydraulic press at the German Lindemann factory at Dusseldorf. Built for a British steel-works, the 230-ton press can change auto bodies into neat, small bundles in a matter of minutes. The cars are dumped in the press, top, and after a flick of the switch, emerge in the form of a two-by-three-foot scrap block, bottom. The machine is reportedly the biggest "scrap parceling press" in the world.

**CAR WRECK REPORT FOR AREA DISTRICT**

The accident summary of highway wrecks in district No. 8, comprising 21 West Texas counties for the month of October showed a total of 73 wrecks with 4 deaths, 43 injured and property damage of \$36,080. This brings the total for the year to 729 wrecks, 60 killed, 396 injured and property damage of \$533,657.

Runnels County had 3 wrecks for the month, no one killed, 1 injured and property damage of \$2,450. For the year there has been 6 killed, 33 injured and property damage of \$62,175.

Causes of wrecks continue to show speed as the No. 1 hazard with 34 percent of the accidents.

There were 38 one car accidents, 33 two car accidents and 2 three car accidents. There were 105 drivers involved with the 21 to 22 year old group the highest. The most wrecks occurred from 3 to 6 p. m. for the past month.

**METHODIST DELEGATES TO DISTRICT MEETING**

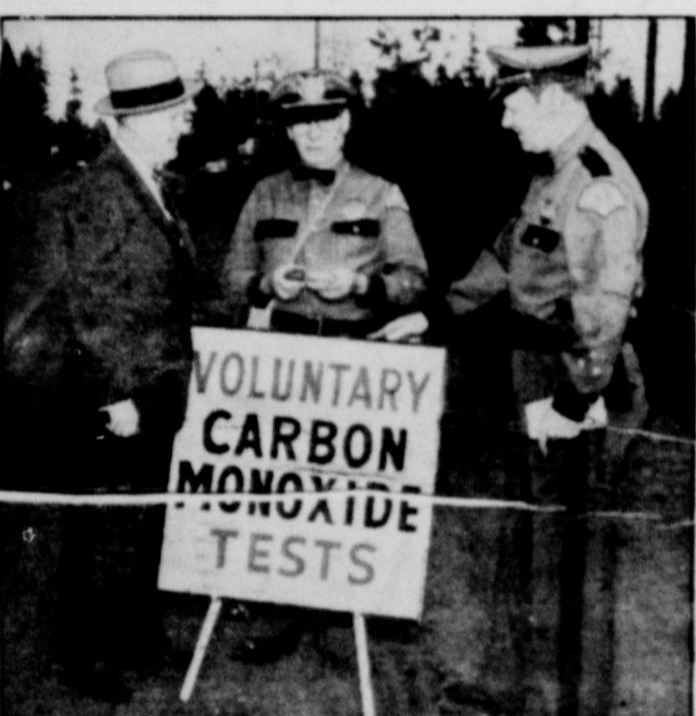

The First Methodist Church has elected delegates to attend the district conference to be held on November 27 at Central Methodist Church in Brownwood. Delegates are: Al Dallinger,

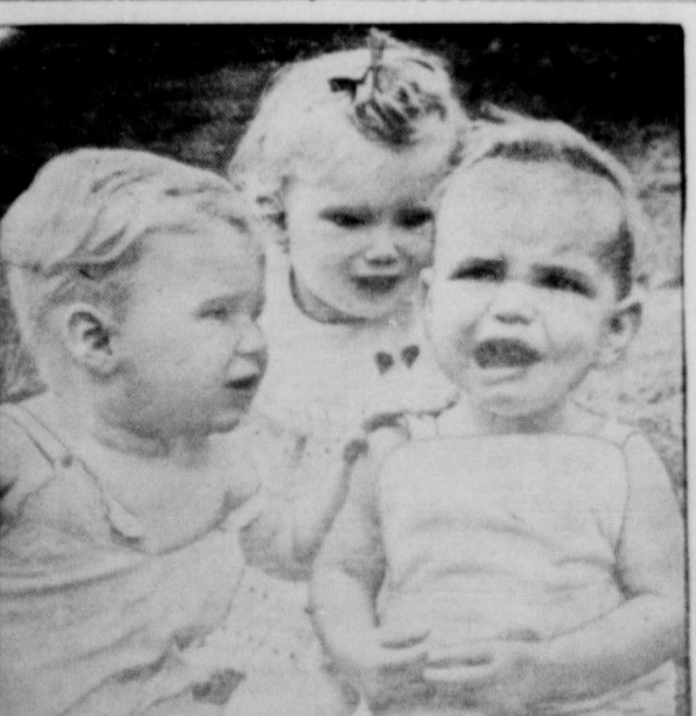

Walter Moss, W. E. Middleton, Ed Curry, Jack Moore, Mrs. W. C. Witt, G. O. McCorstin, Marion Hays, Mrs. Ed Curry, L. M. Bowden, C. L. Howell, Herman Rountree and Sid Caskey. Alternates are Mr. and Mrs. J. W. Moore and Mrs. E. R. Gordon. Iodine is made from kelp or ashes of burnt seaweed.

Young Chappell was at the Boulder Laboratories, Boulder, Colo., learning about techniques for studying the ionosphere over the South Polar region.

**TESTING FOR THE "SILENT KILLER"**—Carbon monoxide—the "silent killer"—is the real cause of many traffic accidents. That's the theory the Washington State Patrol is trying to prove. Acting Patrol Chief Roy F. Carlson says, "It is a known fact that a small percentage of CO present in a vehicle for 35 minutes to one hour can slow a driver's reaction time, affect his vision, and give him a general feeling of drowsiness." The State Patrol, therefore, has inaugurated a voluntary testing campaign. A motorist merely stops at one of the patrol's testing posts. A patrolman holds a CO tester inside the car to take an air sample and then withdraws it to make the reading. Left, Gov. Arthur B. Langlie visits a testing station, manned by Lt. D. B. Rigg, center, and Chief Roy F. Carlson.

**TEARS FOR THE CHAMP**—The winner of a smile contest in a baby show in Holyoke, Mass., demonstrates his versatility of expression, right. ## Series of Parties Compliment Sharon Eveille Hampton

Miss Sharon Eveille Hampton and her fiance, Bobby James Smith, were honored with a gift shower Friday evening in the home of Mr. and Mrs. Dayton Smith on Fifth Street.

Assisting in the house party were Mr. and Mrs. Dean Smith of Winters and members of the Ninth Street Church of Christ.

Pink and white, the bride-elect's chosen colors, were featured in entertaining rooms. The lace laid dining table was centered with a miniature bridal couple which stood before an arrangement of pink rosebuds. Cake squares iced in white and decorated with pink rosebuds, were served with hot chocolate. Plate favors were white wedding bells with the names of the honored couple and the wedding date, November 17, tied with pink satin ribbons.

The honorees opened the gifts from members of the Ninth Street Church of Christ. Miss Norma Joyce Hampton registered guests.

Members of the Seventh Street Baptist Y. W. A. honored Miss Hampton Monday evening in the church parlors at a Japanese Supper and program.

Japanese lanterns and other appropriate decorations were used on tables for the Japanese menu.

Mrs. O. D. Carpenter, dressed in a Japanese costume, presented a program on the study of Japan. Miss Karen Carpenter, pianist, played the hymn accompaniments and other musical selections.

Mrs. Bill Lisso, president of W. M. U. of the Seventh Street Baptist Church, presented a white Bible to Miss Hampton, which was a gift from the Y. W. A.

## Miss Sharon Eveille Hampton Complimented At Tea

Miss Sharon Eveille Hampton, bride-elect of Bobby James Smith, was honored at a gift tea Thursday evening in the home of Mr. and Mrs. D. D. Smith, 1006 Seventh Street. Hosts were Mrs. Smith, Mrs. A. J. Hendricks, Mrs. O. D. Carpenter, Mrs. Bill Lisso and Mrs. Chester Simpson.

The couple will be married at 7:30 p. m. November 17 at the

Ninth Street Church of Christ. Mrs. Simpson greeted guests and presented them to Mrs. W. Luther Hampton, mother of the bride-to-be, the honoree, Mrs. Lee Smith, mother of the prospective bridegroom, and Mrs. Emily Hampton, grandmother of the bride-elect. Mrs. Will Morris registered guests and Miss Norma Joyce Hampton invited them to the dining room.

The tea table was laid with lace over pink and appointed with crystal. Pink and white have been chosen by the bride-elect for her wedding colors and decorations in the living room and dining room accented them. Centerpiece for the table was a heart-shape arrangement of white mums with a white umbrella interspersed with pink net and pink satin streamers with the couple's names in silver cascaded from the centerpiece. Serving at the table were Mrs. Carpenter and Mrs. Lisso.

A musical program was presented by Miss Karen Carpenter, pianist. Gifts were displayed by Mrs. Frank Stewart.

150 friends of the honoree were included at the tea.

## Bearcats Drubbed By 41 To 6 Score At Winters Friday

The Ballinger Bearcats closed the 1956 schedule Friday with a 41 to 6 loss to the Winters Blizzards. This has been one of the most unsuccessful seasons in the history of the Ballinger school with three wins and six losses and a tie.

It was evident from the start of the game that the Blizzards could just about name their own score. They rolled to a 34 point lead in the first half and coasted along in the second half with most of the Winters bench getting in the game. The Bearcats did not have blocking enough to get an offense to rolling and the

FOXHOLE IN 90 SECONDS—G.I.'s should welcome this new device—a "90-Second Foxhole Digger," developed by the Stanford Research Institute of Menlo Park, Calif. The Digger enables ground troops to dig their positions in a minimum warning period. Left, a technician places the rocket-explosive unit in a launching tube. After the fuse is ignited, the technician takes cover, and the rocket is driven about two feet into the ground. The charges explode and—presto—a four-foot deep, four-foot wide crater is cleared, right.

Winters ground and air attack worked well, especially in the first half.

Ballinger's lone touchdown came as a result of a fine punt return by Jerry Candler which carried to the Blizzard 6 yard line. A line play netted two and Rodney Flanagan skirted right end for the counter. A pass attempt, Candler to Petty, failed for the extra point.

Halfback Don Casey took a Ballinger punt on his own 20 and raced downfield for 80 yards and a touchdown to

start the scoring. Maurice Holle racked up the second score lunging over from 4 yards out.

The next score came on a pass from Johnny Pope to J. M. Guevara and Casey added another in the second period with a 37 yard scamper. Dwane Williams made the final score of the half with a plunge through the middle. Mack Young added all the extra points but one with place kicks.

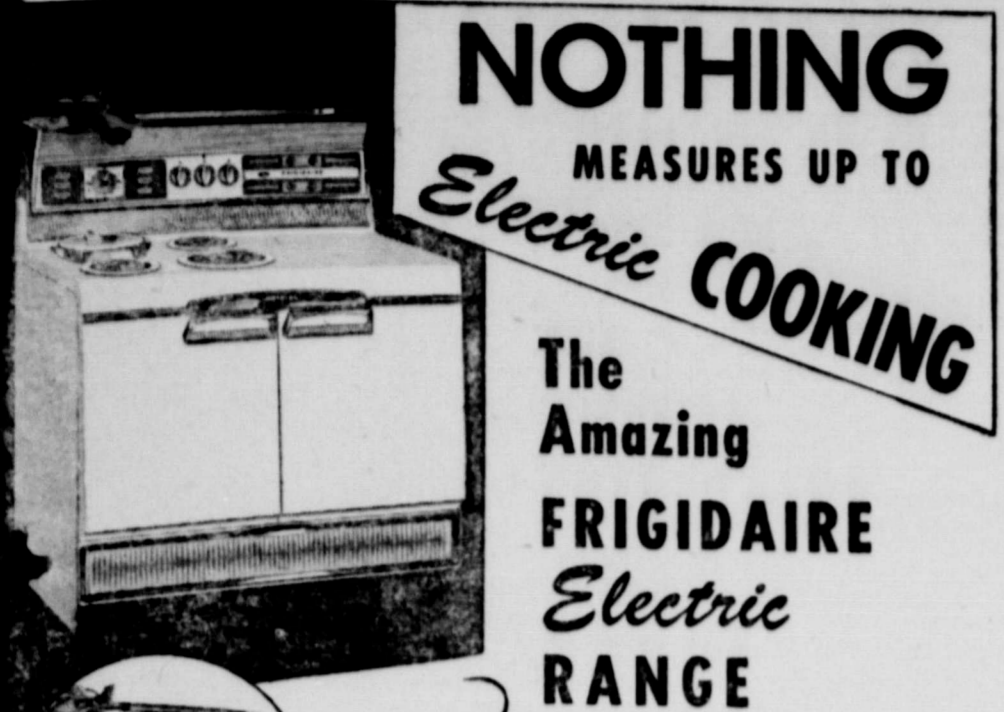

In the final period Pope again went to the air, this time

throwing to Casey for a touchdown.

First downs were 16 to 6 for the Blizzards and yards rushing showed the Blizzards with 228 while Ballinger gained 52. Winters gained 136 yards in the air and Ballinger 36.

## What puts the Mark of Tomorrow in the new kind of FORD?

Here's what puts the Mark of Tomorrow in the new kind of Ford!

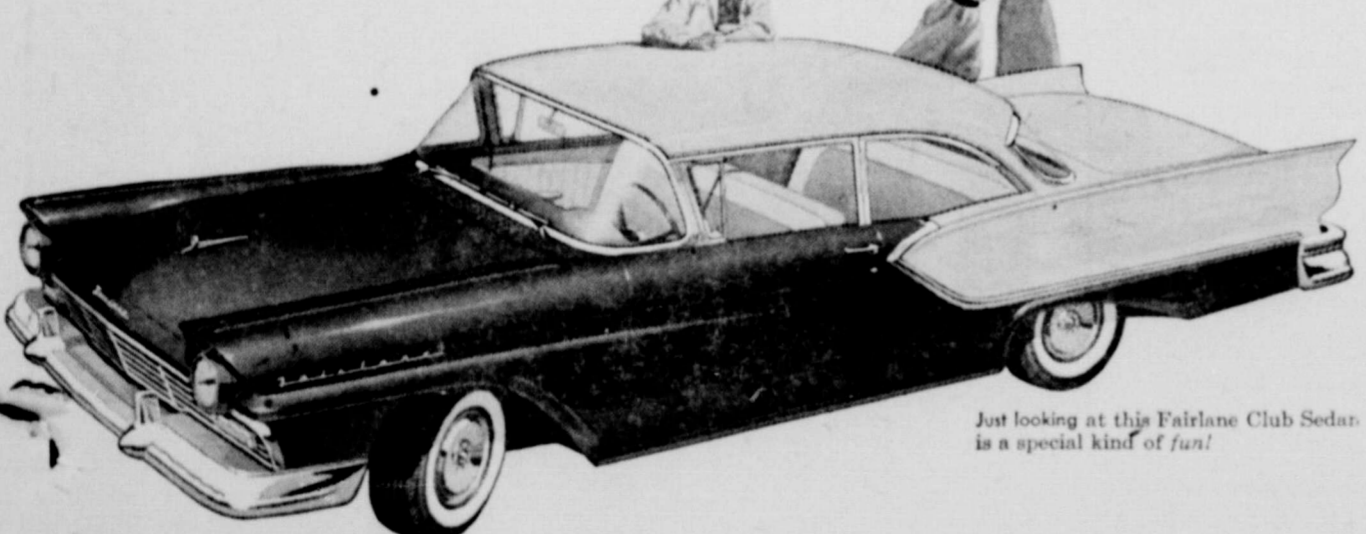

It's the sculptured look. You'll see it the moment you let your eyes wander over this fine car. In a '57 Ford you belong... anywhere. It's the long, lean lines. There's a greyhound grace to the new Ford. No useless "fat," no showy "padding." Ford is as trim as a jet fighter. It's the hardtop styling. Fairlane sedans have the hardtop look of Victrolas! Superthin center pillars are smartly concealed to give hardtop beauty when doors are closed.

It's the freedom of choice. Colors? Fabrics? Accessories? Far more! Ford gives you a choice of two new, bigger sizes... longer, lower, roomier! It's the ride that stays gentle. With a new frame that rides sweeter and lower, new springs, new suspension all around, even the roughest roads can't ruffle the poise of the new Ford.

It's the Thunderbird power. Ford celebrates its Silver Anniversary of V-8 leadership with the biggest selection of V-8's in Ford history. In addition to all this Thunderbird GO, there's a new and more powerful Mileage Maker Six.

"Six or V-8, the going is great!"

Just looking at this Fairlane Club Sedan is a special kind of fun!

It's the record-breaking performance. On the Salt Flats at Bonneville, Utah, a '57 Ford traveled 50,000 miles in less than 20 days... an average speed of 108.16 mph, including all pit stops! Another Ford averaged over 107 mph. Altogether, 458 national and international performance records were smashed as Ford rewrote the record book.

It's the big dollar value that lasts and lasts. Styled for tomorrow, a new Ford keeps its value longer. And wonder of wonders, all this extra strength, extra beauty, extra length is yours at low Ford prices!

\*Included in a special 270-hp Thunderbird 312 Super V-8 engine available at extra cost. Also, an extra-high-performance Thunderbird 312 Super V-8 delivering up to 286 hp.

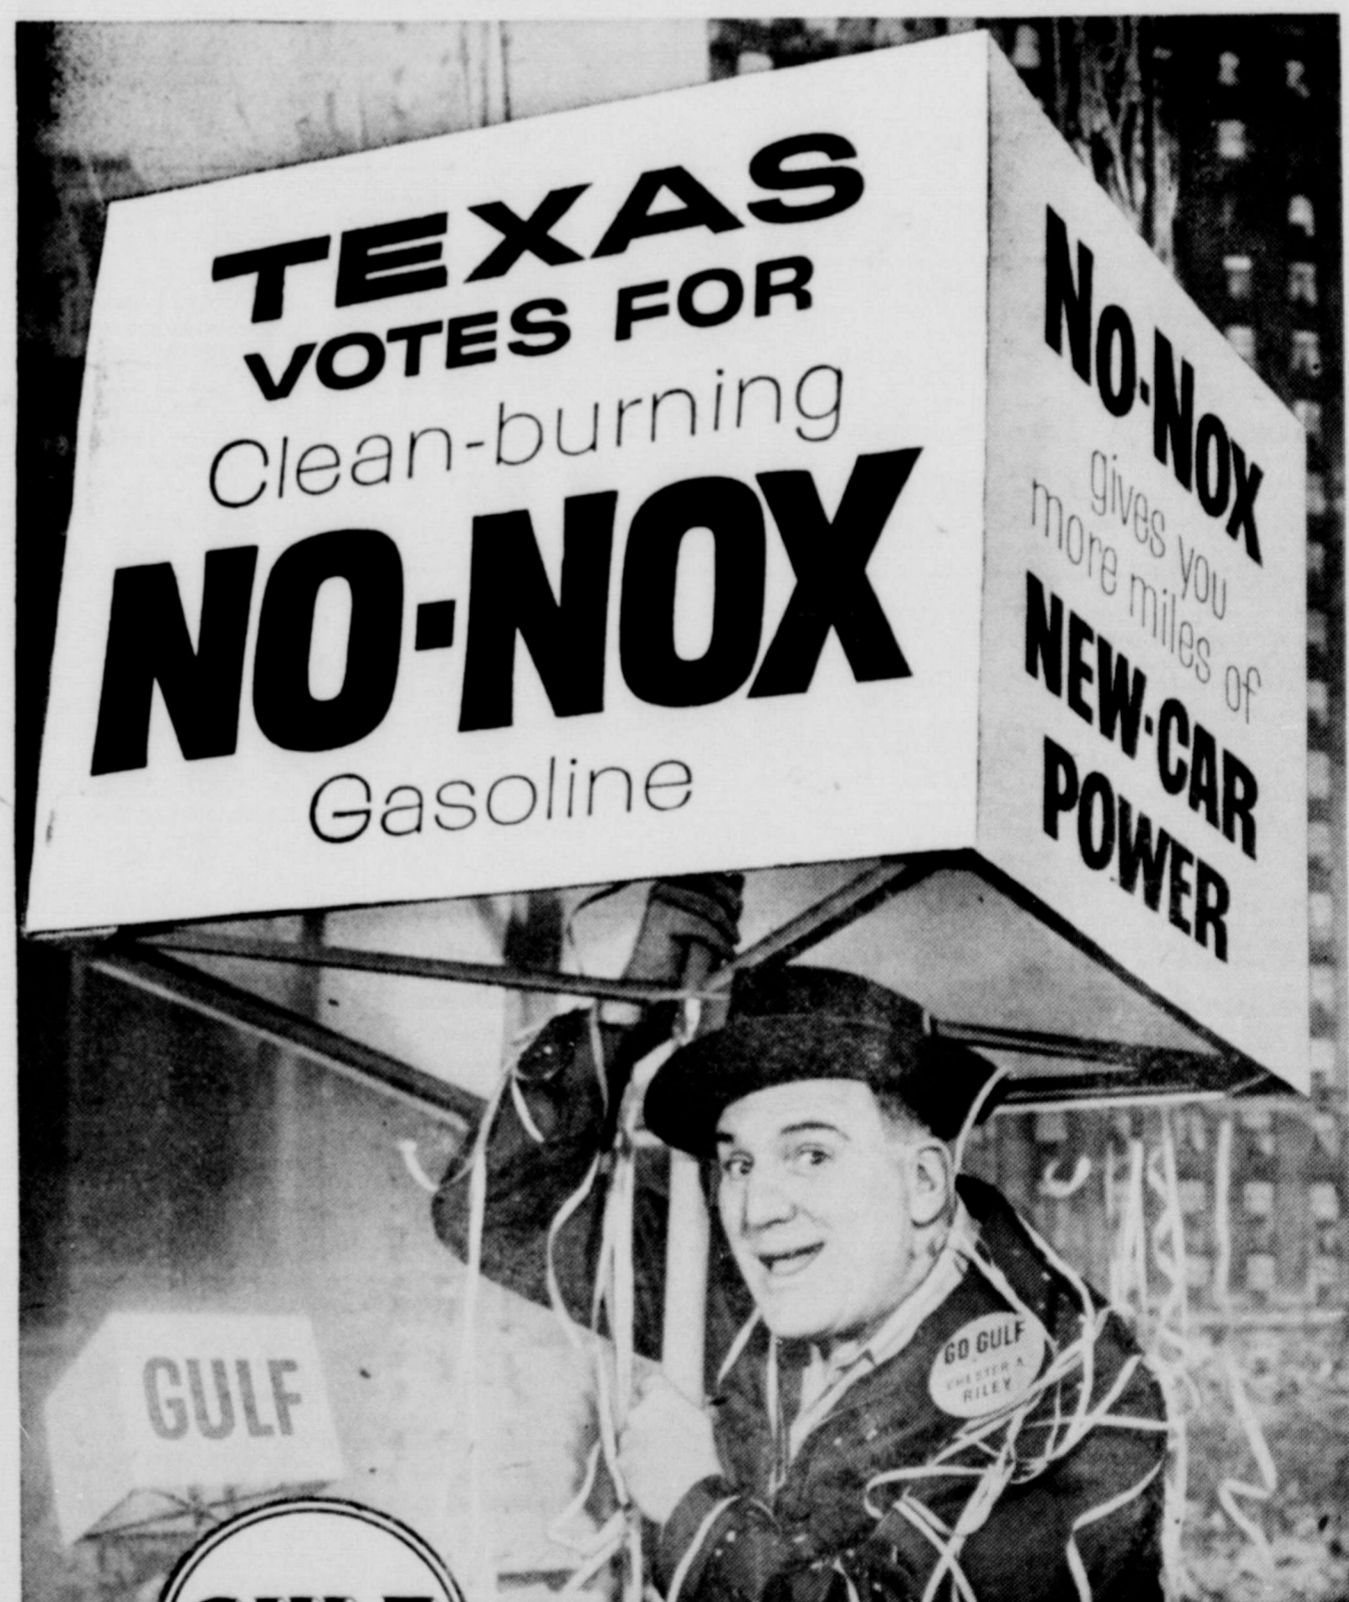

Wise man say: "Don't wait for TOMORROW when you can get it today!"

## DEATHS

**T. J. Parrish**  
T. J. Parrish, 83, died at 6:45 a. m. Monday at his home on Broadway after being seriously ill for the past week.

Decedent had been a resident of this county for the past 56 years. He was born December 13, 1872 in Fairfield, Tennessee and came to Runnels County in 1900 from McLennan County. He was married to Miss Myrtle Jones at McGregor in 1896.

Mr. Parrish had been a member of the Baptist Church since childhood and was ordained a deacon in 1910. He was a retired farmer and carpenter and served Runnels County as county commissioner of precinct 1 from 1932 to 1936.

Survivors are his wife, four sons, Hugh, Hubert, James and Jones Parrish, all of Ballinger; two daughters, Mrs. Velma Price of Odessa, Mrs. Thelma Kloven of Big Spring; nine grandchildren and four great-grandchildren. A half-sister, Mrs. W. V. Harris of Hamilton, also survives.

Funeral services were held at the First Baptist Church at 10 a. m. Tuesday with Rev. LeRay Fowler officiating. Burial was in Evergreen Cemetery.

**G. W. Williams**  
G. W. Williams, 79, retired farmer, died at 1:40 p. m. Tuesday at his home near Ballinger following a long illness.

Decedent was a native of Denton County and was married in 1913 to Miss Leona Barnes. The couple moved to Runnels County in 1914.

Funeral services were held at 2 p. m. Wednesday at the Newby Davis Chapel with Rev. C. B. Orabhood officiating. Burial was in the Runnels Cemetery.

Survivors include a son, Hugh Williams of Ballinger, four daughters, Mrs. Marcell Hoffman of Ballinger; Mrs. Estelle Cox of Barnhart; Mrs. Dorothy Wood of Water Valley; Mrs. Arline Humble of Phoenix, Arizona; two brothers, Frank and Jack Williams, both of

Dallas; four sisters, Mrs. Ester Honell of Ballinger, Mrs. Mary Hoffman of Benoit, Mrs. Beulah Riser of Denton, Mrs. Sallie Doyle of Shallowater; 15 grandchildren and one great grandchild.

**SAW NO PERIL, HEARD NO PERIL**—A boy, a youngster's shoe, a battered tire and the remains of a motor horn from its car, give silent testimony to a family tragedy in Fort Lauderdale, Fla. Mrs. Evelyn Spalton, a deaf mute, was unable to hear an approaching train as she drove her car toward a railroad crossing. The car was struck by the speeding train, and Mrs. Spalton and her 20-month-old son, Byron, were killed.

**PRESIDENTIAL SHRUG**—Ike seems to be shrugging off a question as he talks with Albert H. Aronson, left, president of the Civil Service Assembly. Ike was paying a visit to a meeting of the Assembly in Washington, D.C.
