Ivan Estes, an outfielder, is not shown in the picture.

## Officers Checking Driver Violations 23 Tickets Issued

A county car was sent to Kentucky Monday to return Eugene Egging who is wanted here on a charge of removing mortgaged property. Sheriff Don Atkins reported that nine large red letters were removed from the sign at the Hillcrest Theatre and neon signs broken. Geo. R. Lancaster was charged with removing mortgaged property in Upton County and a warrant was sent here for his arrest. A total of nine tickets were issued last week to car operators who had no drivers license. Eleven received tickets for making unnecessary noise, most of which was caused by mufflers.

Gordon G. Gruber was filed on for felony checking and a warrant sent to officers in Oklahoma City.

Joe Cortez was fined \$12.70 for being drunk.

Thomas McAllister was charged with forgery and is being held at San Angelo for this office.

James B. Wilder was filed on for forgery and was arrested at Brady and transferred here Monday.

Charles Preston Chick was given a ticket for speeding the past week-end.

Joe Williams of Coleman was charged with driving while intoxicated and fined \$77.80 and given three days in jail.

Johnny Robinson was arrested and charged with contributing to the delinquency of a minor.

Chauncy Brown was given a ticket for speeding by local officers the past week-end.

Marvin Ched Skallorn was fined \$24.50 for using profane language over the telephone.

Ether Johnson was filed on for checking.

Ernest Arnold Smith was given a ticket for speeding last week-end.

Ulys F. Price was filed on for wife and child desertion at Denton and a warrant sent here. He was apprehended and turned over to officers from there the first of the week.

Officers were making investigations of law violations in this area.

## Bradley New President Of County Water Board

The directors of the Runnels County Water Improvement District met Monday night for their regular monthly business session. Ray Fuqua, who has served as chairman since the organization of the board, asked to be released from that position because he will be out of town a part of the time for the next few months. The board accepted his resignation and elected John Bradley to serve as president. Mr. Fuqua will be vice-president of the board in the future the head of the board will be known as president instead of chairman because most papers have to be signed as president. The group heard reports of

recent meetings held with members of the state water board in regard to salt water pollution in this county. They voted to seek a ruling from the attorney general in regard to the authority they have in handling such matters. They also discussed the recent federal appropriation for exploration surveys on the Colorado River and will seek part of this money to be spent on the proposed lake location northwest of Ballinger. The board is moving as fast as possible on the various projects in this area which includes salt water pollution, the Valley Creek Watershed program and the Colorado River lake project.

## Legionnaires to Sell Bruce Field Building

Members of Pat Williams Post American Legion in a special meeting held Thursday afternoon voted to advertise their building at Bruce Field for sale. The sale will include the building and contents to be sold together or separately. Legionnaires stated that the building was too far from town to make a suitable post home and if a sale was made that the post would make arrangements for a meeting place in town. They have operated the hall at Bruce Field for the past several years and have had it available for family reunions, local social gatherings and numerous other uses. They have reunions booked at the hall each week-end through Labor Day this year and will fill those reservations. Many of the family groups that have met here this summer have asked for reservations for the summer of 1958. In case the building is sold to someone who intends to maintain it for such gatherings, a list of the 1957 reservations will be turned over to them. The building has recently been repaired with more than \$150 spent on the roof. The entire building was recently painted and is in fair condition. Contents consist of a fair equipped kitchen, including a large two-oven gas range, hot water heater, built in sinks, tables and benches for banquets, folding chairs, two suits of chrome and plastic upholstered furniture, game tables, one pool table, one snooker table, four overhead automatic gas heaters, three large air-conditioners, tables and odd chairs.

Persons who wish to place a bid will be shown through the building on request. A nominating committee was also appointed at the meeting Thursday by Post Commander Tom Caudle to suggest officers to be elected at the regular meeting on the second Tuesday in September.

## Westerners Will Meet Hobbs Sports Tonight

The Hobbs Sports will move into town tonight for two games with the Westerners to finish the present home stand. After the Hobbs series, only four games will be left on the 1957 home schedule. Lamesa will be here on August 27 and 28 and again on September 2 for a double header on Labor Day.

The Westerners got in five games on the road, winning two and losing three. They are still operating with a pitcher shortage that has been hurting chances of maintaining their lead in the league race.

The Carlbad Potashers have just made their last visit to Ballinger and the two-game Hobbs series will be their final appearance here this year. With only six home games left, fans are urged to attend each game and help push the Westerners along until the close of the season.

Rain caused several games to be postponed on the recent road trip and two double headers were played so that only one game was actually lost.

**Thursday, August 15**  
**First Game**  
Hobbs took a double header off the Westerners to move into the league lead. Bill Burris was driven from the mound in the first game and Frank Cafone came on as a relief pitcher from his position in right field for the final inning.

Ballinger 000 010 0 1 4 1  
Hobbs 120 141 x 9 12 0

**Second Game**  
Bob Leach held the Hobbs Sports to 6 hits but the Westerners could only collect 3 hits off two opposing pitchers and lost by a score of 6 to 2.

Ballinger 000 010 1 2 3 1  
Hobbs 020 220 x 6 8 0

**Friday, August 16**  
The Hobbs Sports landed on the offerings of Glenn Woodward and Frank Cafone, outfielder, was again called in for mound duty and finished the game.

Ballinger 000 002 020 4 6 3  
Hobbs 030 221 02x 10 15 2

**Monday, August 19**  
With Eugene Lippold and Bob Leach rested, the Westerners headed back at Lamesa Monday night to win a double header and again take the lead in the Southwestern League by one game.

**First Game**  
Lippold scattered 6 hits for

the Lobos while Frank Cafone was hitting two-two-run homers to put the Westerners to a safe lead.

**Ballinger** 120 300 0 6 6 1  
**Lamesa** 100 001 0 2 8 0

**Second Game**  
Lamesa scored a run in the first inning but after that Leach was air-tight and set the Lobos down with no scoring threats the rest of the game. Cafone again led the attack with two hits out of three trips in the last game.

**Ballinger** 8 9 0  
**Lamesa** 1 5 2

**Tuesday, August 20**  
Bill Burris pitched good ball with the exception of one inning and defeated the Carlbad Potashers Tuesday night by a score of 9 to 4. Bob Leach came to his rescue in the 9th inning after one was out and caused Stevens to pop out to first base and Babcock to ground out to the pitcher with the bases loaded. Frank Cafone kept up his long ball hitting with a home run over the left field wall in the 3rd inning with one aboard. He also had an inside the park four-bagger but was called out for not touching first base. Ballinger's big inning came in the second on five hits and six runs.

**Carlbad** 300 010 000 4 7 2  
**Ballinger** 062 001 00x 9 12 3

**Wednesday, Aug. 21**  
Glenn Woodward pitched a good game, scattering 10 hits and then hit a single in the bottom of the 9th to send home the winning run in a 6 to 5 ball game. This gave the Westerners a sweep of the Carlbad series.

Carlbad collected three homers off Woodward but he was stung in other departments. Going into the 9th with the score at 5-5, Bill Stenger hit a double into left field, Kiser made the second out in the inning and Frank Cafone was intentionally passed to bring up Woodward. He drove a line drive over the short stop into left field to send Stenger home with the winning run.

**Carlbad** 022 000 010 5 10 2  
**Ballinger** 010 103 001 6 10 0

**Thursday, August 22**  
Mrs. Fred Cobb and son, Don, of Odessa visited the past week-end in the home of Mr. and Mrs. C. J. Mikeska. Don went on to Brady for a visit with friends. The Cobb family are former residents of Ballinger.

## Palo Pinto Pays In Extension Of Ballinger Field

Palo Pinto production has been extended 3/4 mile northeast in the Ballinger multiphase field, six miles north of Ballinger. R. K. Stoker No. 1-Header, a re-entered project, has been completed for a daily flowing potential of 160 barrels of 42.4 gravity oil. Top of pay was picked at 3,436 feet. The project was originally drilled by Roy Guffey Production Co. of Abilene and abandoned May 18 at 2,644 feet.

The county gained a Serratt discovery with the completion of Ne-Tex Oil Corp. No. 1-Arch Brookshier, 10 miles east of Ballinger. It was finalized for a daily pumping potential of 37.57 barrels of 46 gravity oil. Production was through perforations between 2,188-193 feet.

Gulf Oil Corp. has filed application to deepen to wildcat depth of 5,600 feet, their No. 7-W. L. Burns in the Sanford field, two miles east of Wirtgate. The project was originally slated for 4,800 feet to test the Fry.

## CITY WATER RATIONING EXTENDED TO NEW HOURS

The City has been forced to request that all irrigation be stopped in Ballinger from 3 to 8 p. m. each day in addition to the curbs, placed on odd and even numbered houses prior to that time. Every effort is being made to keep all sections of the town provided with water at all times.

To refresh people on the curbs, here they are again: Odd numbered houses may water on Monday, Wednesday and Friday of each week. Even numbered houses may water on Tuesday, Thursday

## Palo Pinto Pays In Extension Of Ballinger Field

All irrigation will be stopped from 3 to 8 p. m. every day. All houses may water on Sunday, except from 3 to 8 p. m. The baseball park, courthouse, cemetery, schools, city park and housing projects will stop all irrigation at 11 a. m. each day.

## Rescue Workers Continue Search For Drowned Man

Three Ballinger youths reported to local officers Tuesday morning that they saw a man believed drowned in the Colorado River. The youngsters told officers they saw a man about 40 years of age with black hair go down into the river several times at about 10 a. m. Tuesday.

Officers organized rescue teams and started dragging the river but Wednesday afternoon only a shoe with the laces tied had been found. Six boats were being used in the rescue work and this group was joined by an emergency crew from San Angelo Tuesday afternoon and early evening.

When the search started, the river was on a three-foot rise with a slow current. The rescue workers also reported that the depth of the river in the area being searched was uneven with some places 25-feet deep. Several wires have been stretched across the river south of town at a shoal in hopes that the body would lodge there in case the current carried it downstream. The area between the Palmt Rock and San Angelo highway bridges was included in the search. Officers stated late Wednesday no person has been reported missing in this community. The three youngsters, Franklin Gray, Estelle Jackson and Barbara McNally, all are certain they plainly saw a man. Gray is a member of a local boy scout unit and his scoutmaster stated he was a reliable, level-headed boy.

## Annual Meeting Barbecue Dinner For Loan Group

The annual meeting of the Runnels County National Farm Loan Association will be held here next Tuesday night, August 27, at the West Ward school cafeteria. Those in charge of local arrangements are expecting a crowd of some 250 people to attend.

A barbecue dinner will be served with all the trimmings and this will be followed by a business session and program. Two new directors will be elected to serve a three year term. Directors whose terms expire at this time are Willie Stephens of Ballinger and J. E. Blackwell of Miles.

A musical program is being arranged by Linda Kay Crockett and will provide entertainment for the crowd.

Eugene Loika is secretary-treasurer for the county organization and he stated that the association now has 310 farm and ranch loans amounting to approximately \$1,500,000. Invitations with return cards have been mailed all members inviting them to attend the annual meeting and dinner.

Mr. and Mrs. H. R. Scott and daughter, Mary, of Death Valley, California, came in Wednesday for a visit with Mrs. Scott's uncle and aunt, Mr. and Mrs. S. H. Hickman. They will also visit in Corpus Christi, McKinney and Oklahoma before returning to California.

## Faculty Complete For Local School Meeting Aug. 31

The Ballinger school faculty has been completed and Supt. Ernest Caskey has announced a faculty meeting for 9 a. m. Saturday, August 31. The teachers will assemble at high school for a general session at 9 o'clock and will later meet with the principals of the three local schools.

Joe Forester, high school principal, will hold class registrations on the following schedule:  
August 27, 9 a. m. to 12 noon, seniors  
August 28, 9 a. m. to 12 noon, juniors  
August 28, 1 to 4 p. m., sophomores  
August 29, 9 to 12 noon, freshmen

The freshmen class members will meet with Principal I. B. Funderburk at the junior high school building in the study hall.  
Classes will meet on Tuesday, September 3, at 8:30, and will begin their actual work on regular schedule the next day. In the grades below the freshman class, registration will not be held until September 3. Students will be given lists of their needed supplies which will be procured the afternoon of September 3.

## BALLINGER LAWYERS GIVEN ASSIGNMENTS

O. L. Parish Jr., Ballinger attorney, has been appointed to the State Bar of Texas grievance committee for the 21st congressional district. The appointment was announced this week by President Virgil T. Seabury of Eastland.

Paul Petty, also of Ballinger, is a member of the State Bar of Texas committee on lawyers retirement plan.

Joe Forman was at his ranch near Junction last Sunday and reported that a 2 1/2 inch rain fell while he was there and another shower fell in the area after he left.

## KRUN Offers Free Baseball Ice Cream and Orchids Fri.

## Doves Plentiful For 1957 Season Opening Sept. 1

Radio Station KRUN will celebrate its Tenth Anniversary Friday, August 23, with a program downtown and a free baseball game for everybody that evening.

The station first went on the air in Ballinger on August 7, 1947, but did not get the regular programs established until a short time later. They operated for some time with a downtown studio before their place was constructed at the tower in South Ballinger.

Friday afternoon at 3 o'clock they will have a portable broadcasting station on the street in Ballinger and will serve free Foremost ice cream to the kiddies and will have a limited number of orchids for the ladies.

The big attraction will be Friday evening at 8 o'clock when the gates will be thrown open at Runnels Field for the baseball game between the Runnels Westerners and the Hobbs Sports. This is a regular Southwestern League game and Station KRUN has bought the park for the evening. They have distributed a large number of admission tickets through the stores, but Manager Bob McGarvey stated that tickets were not necessary to see the game. The gates will be wide open and the welcome sign out. A crowd of 3,000 is expected and every available seat will likely be taken. The Sports and Westerners are fighting for the league lead and the game will be one of the most interesting of the season.

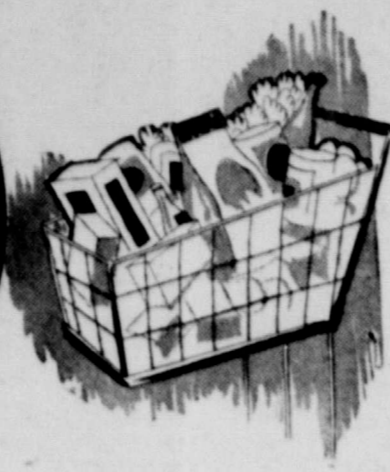

## FOOTBALL RESERVE SEATS AVAILABLE

Joe Forester stated Monday that there are still some good reserve seats available for the 1957 football season. The board is at the Pearce-Bailey Drug Store and fans who desire these tickets are urged to get them before the board is removed.

The tickets are good for a reserve seat only and are being sold at \$1.25. Parties holding reserve seat coupons will also have to purchase a general admission ticket before each of the five home games.

**DOWNTOWN BIBLE CLASS SEEKS 50 NEXT SUNDAY**

The members of the Downtown Bible Class have set an attendance goal of 50 for next Sunday and are inviting all men who do not attend Sunday school regularly to be in their morning service.

The class meets in the Runnels Theatre at 9 a. m. for 15 minutes of fellowship and coffee with the class starting at 9:15 a. m. Doc Wilson will be in charge of the preliminaries Sunday morning and after a song service, the Carpenter Trio will provide special music. A guest speaker will bring the lesson and the class will be out by 10 o'clock in time for all members to attend the church of their choice.

Attendance at Sunday classes has been increasing for the past several weeks and a good crowd present last Sunday. Excellent programs have been presented each Sunday morning and men may come as they are without dressing up for the meeting. Everybody will find a genuine welcome at all meetings of the class.

**AUTOMATIC LAUNDRY OPEN FOR BUSINESS**

Mr. and Mrs. R. L. McMillan have opened a new automatic laundry on Strong Avenue, next door to the Flynt Motor Co. They have installed 20 Speed Queen washing machines and dryers and will operate 24 hours per day for six days each week.

The building is air conditioned and they have provided plenty of seats and free parking.

The banjo was invented by Joseph Sweeney, an Irishman.

**WANTED**

**YOUR EYES AND EARS IN "OPERATION SKYWATCH" TO ASSIST RADAR**

Your country's radar is ever on the alert to pick up the approach of any aircraft... and it becomes even more effective when assisted by volunteer human skywatchers. That's why your eyes and ears are needed a few hours a week. Remember... in the event of war we will be struck first and hard, despite all our efforts for peace. They have over 1000 long-range bombers. Our military forces are on guard 24 hours a day... our radar constantly scans the skies. But only the eyes and ears of "Skywatchers" can furnish the additional alertness to complete our air defense organization. Answer your country's call... help guard against a sneak attack. Volunteer... now.

# Ballinger Ledger

Published Every Thursday by The Ballinger Printing Co. Publication Office, 711 Hutchings Ballinger, Texas Entered at the post office in Ballinger as second-class mail matter Subscription, the year, \$1.50 Subscriptions payable in advance

Ballinger is facing a peculiar water shortage and at a time when it is most needed. With a lake full of water, rationing has been necessary because the water line to the city and the pumping facilities cannot handle the job. First people were asked to help the situation by only one-half of the population water at a time. Later it was found that enough water could not be pumped to provide irrigation for one-half the yards. Next all irrigation was ordered stopped at 3:00 p. m. each day in hopes that all homes would have water in the late afternoon and at nights for baths and other household uses. The plan for odd numbered houses to water one day and even numbered houses the next day would likely have solved the difficulty if people would have cooperated. On one street here last Tuesday it was found that eleven places had sprinklers on early that morning and five were on one side of the street and six on the other. This was not any part of cooperation and that night special bulletins were placed on television stations at Abilene and San Angelo stating that the Ballinger Clinic-Hospital was without water and customers were asked to turn off their hydrants. Regardless of the amount of water stored

in the lake on Valley Creek the city cannot have an adequate amount of money is spent to provide facilities for getting it to town. A town certainly cannot grow beyond its water supply and every citizen here should become interested in making possible enough water for people to have yards, trees, shrubs and for all other uses and with enough in reserve for new homes and industry. The advertising Ballinger received one night last week was not good and even though we do not have a water shortage in regard to the supply, it is a shortage when the hydrant will not run. We don't know if the city officials have made any plans or not, but this same condition was here last summer and is back again this year. With salt water pollution threatening all fresh water in the county, maybe a big expenditure for the Valley Creek lake would be bad business, but some plan should be underway for providing Ballinger with enough water to live and grow on.

The gathering of Farm Bureau families here last Thursday night was a fine sight. Over 1,200 family members gathered at City Park for their annual barbecue, program and to select a young woman as queen to represent the county in the district. It was a fine meeting of fellowship by a group that is largely responsible for the economy of this area. The Runnels County Farm Bureau has become one of the best and most powerful groups in the county. They have a large membership and deserve the full support of every person and every business. They

## WEST TEXAS NOTES

Auction sale of sheep and goats at Menard was heavy last week with some 2,000 selling through the ring. Those in charge of the sale stated that this did not mean that large numbers were being shipped out to markets. Many of the sheep and goats were bought for increasing flocks in that area and only a small amount was shipped to market following the sale.

Flowing a meeting at Coleman last week of some 30 to 35 wool producers, a \$50,000 stock sale was launched for the purpose of forming a wool warehouse company to be known as the Coleman Wool and Mohair Co. The proposed company would be patterned after several others in West Texas and a warehouse would be constructed and operated for a profit. Stock in the corporation is selling at \$100 per share with a limit of 20 shares to any one person. Stock has been placed on sale at Coleman banks and the public invited to make investments in the new project. Wool growers are expected to subscribe for a majority of the stock as they are interested in the local warehouse and marketing plan.

The Winters Public School last week named Robert Christian as elementary school principal to succeed C. C. Powell who had resigned. Mr. Christian has served as teacher and coach at Winters for the past seven years. At the same meeting the board hired four other teachers who will begin their work in September. Supt. J. B. Nevins stated that the faculty still needs a coach and teacher to replace Mr. Christian and there is an opening for one bus driver. All plans for the opening of school on September 3 have been completed.

This is cleanup week at Bronte and all organizations of that town and many individuals are busy with the project. City officials stated that more interest in the matter has been shown than for many years. All churches have joined with civic clubs to start the campaign. The city will provide hauling for trash that is placed in allies where it can be loaded. The county has provided machinery and equipment for cleaning off vacant lots. Individuals have inspected vacant

lots and removed wire, cans, rocks and all articles which would damage equipment. The City Council at Colorado City voted to go ahead with plans for two major projects in that city. The council voted unanimously in approving the beginning of a program of urban renewal and slum clearance in that city. They also gave their approval to the plans for a proposed police and court building in Colorado City. An engineering firm has been hired to make a study of the slum conditions there and draft plans for getting rid of all bad conditions. The actual building of better living quarters will be done on a federal loan.

The Brady high school band will have a "new look" this fall with 83 new uniforms received last week for the Bulldog band. A barbecue dinner was served last week to raise money for the part of the cost being handled by the Band-Booster Club. The uniforms cost \$5,330 and \$2,000 of this was paid by the school and the rest by the band-booster club. The high school uniforms will be used this fall by the junior school band. The Bulldog band is getting ready for the opening of the football season and will be seen in action at the Ballinger-Brady game on September 6.

The Commissioners Court of Concho last week paid the final installment on \$175,000 bonded indebtedness of the county. With this payment the county was completely debt free for the first time since 1859. During the past four years \$25,000 has been paid on the bond debt each year. When the issue was first approved the county tax rate was set at \$1.32. Last year this was reduced to \$1.02 and for the present year has been set at 95 cents. In 1953 the county completed payments of a \$250,000 road bond issue which was voted in 1931.

Dan Gill, caretaker of the Happy Lane Crippled Children's Home at Brownwood, has been doing wood carving for 50 years. He started this hobby back when he was getting over an illness and since then had done some 400 to 500 carvings which make up a large collection. He says he has not made much money at his hobby but has enjoyed it and has taught others how to draw pictures and then carve them with hand tools. His carving of Abraham Lincoln has attracted much attention. He has a collection of 14 pocket knives which he has used in his work.

Members of the Rowena Lions Club heard reports last week on the cleanup campaign of the city square and passed a resolution protesting the closing of the Western Union office at Rowena. For the remainder of the program several members who have been away on trips and vacations reported on their outings and especially their contact with other Lions Clubs attended while away from home. A committee was named to check the club signs on highways leading into Rowena and report the repairs necessary.

In the Town and Country Achievement Program Contest, the Miles Baptist Church has been awarded first place in the Concho Valley Association. Judges were in Miles last week to check on the scrap book kept by the church and on projects completed during the past year. The scrap book and record of achievements of the Miles Church will be entered in district competition. The district is composed of McCulloch, Brown, Coleman, Comanche, Hamilton, Mills, Runnels and San Saba Counties.

The annual Comanche County Livestock Association meeting will be held on August 23 at Lake Earnes Park. The meeting was originally scheduled for August 9 but was postponed because of the fruit and melon festival at De Leon. I. B. Halt, a former All-American tackle at Texas Christian University will be the guest speaker and will give a firearms demonstration. After a business session the barbecue dinner will be served to members and their families and an entertainment

Zaza and Ollie Chenoweth Entertain Philathea Class

Mrs. Jack Nixon, president of the Philathea Class of the First Methodist Church conducted the business at the regular monthly meeting Monday night. Misses Zaza and Ollie Chenoweth and Mrs. Max Setser were hostesses to members in the Chenoweth home on Sixth Street.

Mrs. Paul Richardson brought the devotional. For the program, Mr. and Mrs. R. A. Bagwell showed movie films of pictures which were made on their trip to Mexico, and also showed pictures of the local young people who attended a meeting at the Methodist Or-

phans Home in Waco. Birthday celebrants were Mmes. Troy Simpson, Robert Bruce, Sid Caskey, D. L. Vestal, Cal Adair and E. R. Gordon.

Homemade ice cream and cake was served. Others were: Mmes. Aubrey Dodson, J. H. Shelburne, Augusta Bethany, Claude Stone, Marion Hays, Archie Smith, Edwin Vogel-sang, R. W. Earnshaw, J. L. Davis, and a visitor, Mrs. Fred Underwood of Del Rio.

Mrs. Zane Branham of Abilene was high score winner in bridge games and Mrs. Ray Fuqua won the bingo award.

Mrs. Zetsche presided at the silver service on the polished table centered with pink rose-buds in a silver and crystal epergne. Stuffed strawberry angel food and nuts were served by the hostess.

Others were: Mmes. Everett James Grindstaff, Gene Heidenheimer, John E. Green Jr., O. L. Parish Jr., Jack Moore, Bill Edwards, Charles Bailey Jr., of Galveston, Floyd Parker of Colorado and Miss Pat Tisdale.

Mr. and Mrs. Zetsche will leave this week for Houston where Mr. Zetsche will enroll in the School of Pharmacy at the University of Houston and Mrs. Zetsche will be a member of the faculty at Cooley Elementary School in Houston.

St. Mary's Altar Society Elects Officers

Mrs. Harold Mueller, president of St. Mary's Altar Society, conducted the business meeting which was held in the

parish hall. Rev. Fr. Patrick Ryan, O. M. I. gave the prayers at the opening and closing of the meeting.

Officers for 1957-58 were elected. They are: Mrs. M. L. Hodges, president; Mrs. Harold Mueller, vice-president; Mrs. Evarist Seidel, secretary; Mrs. David Haliburton, treasurer.

Mrs. Edgar Johnson gave a report of the Abilene Deanery of National Council of Catholic Women which met in Abilene last week. It was announced that one more First Communion Dress has been completed for the Pope's Store Room.

Mrs. Thomas Gaurine was hostess and served cookies and cold drinks to those previously mentioned and to: Mmes. Lucy Rollwitz, Dale Baird, James Mueller, W. J. Curtis, C. T. Moonen, Vincent Sieritz, George Krupala and Alton Seidel.

**SPORTS**

The Westerners are fast running out of home games and fans will have only seven more games to attend at Runnels Field. In arranging the last schedule, August 31 was left off and all games after that date will be moved forward one day. This will bring the season to a close with a double-header on Labor Day, September 2.

There is still a pitcher shortage on the local club since Ed Maler was called by his draft board for military service. Frank Cafone has been called upon for some mound duty and turned in a fine job, however, he has taken over when games were already lost. Eugene Lippold and Bob Leach have continued to win when they have had rest, which cannot be more than three days.

Hobbs will be here two days and Lamesa will make two trips to town before the end

September ninth, at eight o'clock in the morning at St. Boniface Catholic Church in Olfen.

There are a few extra good

of the season. Meeting the final payroll and taking care of all other business will be a big problem for Manager Tony Yrk and he will personally appreciate each paid admission from now until the close of the season. He has stayed with Ballinger the full season when much bigger towns were folding, let's stay with him until the last out is made on the second game, September 2.

Coaches Paul Stewart and C. W. Bettis will meet high school football candidates at 7 a. m. Monday at the bathhouse at Bearcat Field. Coach Alton Patterson will meet 8th and 9th grade students at 9 a. m. and Coach Dick Richey will meet 7th grade candidates at 9 a. m. August 28.

Ballinger could have their best football year since 1953 when the Bearcats went to the state finals. They have the experience, size, speed and numbers and the team should improve each week during the entire season. They will meet two of the best class AA teams in the state for their first two games and this should give an indication of their real ability.

There are a few extra good

board at the Pearce-Balley Drug Store. Fans should get them as soon as possible as the board will be withdrawn and a report of the sale made.

**MRS. F. M. HALE MOVING TO SAN ANGELO HOME**

Mrs. F. M. Hale left Monday for San Angelo where she will make home.

Mrs. Hale and the late Dr. Hale resided in Ballinger more than 45 years. She has purchased a home at 2325 Waco, next door to her daughter, Mrs. Chester Ueckert, in San Angelo.

Mrs. Hale's daughter, Mrs. Stanton Donaho of Denton, was here to assist her mother in moving.

Latest of the imaginative creations of the fertile science-fiction laboratories of Universal-International Studios is the awesome title character of "The Deadly Mantis," the new thriller co-starring Craig Stevens, Alix Talton and William Hopper which opens tonight, Friday and Saturday at the Texas Theatre.

Carl Smith, star of television's "Grand Old Opry," makes his motion picture debut in Allied Artists' "The Badge of Marshal Brennan," showing tonight, Friday and Saturday at the Texas Theatre.

From the opening scene, showing a murder being committed (but not by whom), "The Midnight Story," latest Tony Curtis starrer from Universal-International, which opens Saturday night, Sunday and Monday at the Texas Theatre, is an engrossing, suspenseful, sometimes brutal, tender, but always exciting tale of fierce passions.

The anguish, passion and struggle toward a dedicated goal in the career of Vincent Van Gogh are brought to life in gripping cinema terms in "Lust for Life," showing Tuesday and Wednesday at the Texas Theatre, with Kirk Douglas giving an unforgettable performance in the role of the tormented Dutchman who was to become one of the world's most celebrated painters.

**Mrs. Seth McLarty Is New Secretary County TB Group**

At a called meeting of the executive board of the Runnels County Tuberculosis Association, held in the T. B. office in the Courthouse annex, Mrs. Willard Renfro's resignation as executive secretary was accepted and Mrs. Seth McLarty was named and elected to the office.

Mrs. Renfro has been secretary the past year and a half, and she has fulfilled all the duties of the office. She staged a very successful Seal Sale Campaign last fall, and has helped Dr. John E. Green, president, in presenting inspiring and educational quarterly programs, and attended all the training schools for secretaries. Mrs. Renfro has accepted a teaching position on the Norton School faculty.

Mrs. McLarty will take over the secretarial work on September 1. She was well recommended for this type of office work by the nominating committee. Ernest Caskey is chairman of the nominating committee.

Dr. Green, presided for the

business period. A letter was read from the state office asking that the local association cooperate with other community agencies in volunteering blood for surgery in State Tuberculosis Hospitals.

It was announced that the next quarterly meeting of the association would be held Thursday night, September 19. A program on rehabilitation will be presented by Seth Henderson, rehabilitation counselor at McKnight Hospital, and W. C. Mitchell, who is with the Texas Education Agency.

or certified copy of the veteran's separation paper, to the VA Regional Office serving his area.

6. The application should go to VA as soon as possible. This will enable VA to iron out any snags before school starts.

7. Veterans with dependents should have the necessary proof of dependency ready when VA requests it. For a wife, this would be a photostat of the marriage certificate; for a child, a photostat of the birth certificate.

8. Veterans should take along enough money of their own to tide them over the first two months of training. It takes that long, ordinarily, for a veteran's first monthly GI check to reach him. The reason is that payments are made only after each month of training completed and not before.

Further, before VA may make a payment, it must receive a certification signed by the veteran and his school, stating that he has been in class all month. The law allows VA 20 days after receipt of certification to get checks in the mail.

courses at night for adults. It offers classes in carpentry, silk screening, ceramics, cooking, sewing, metal work and other manual arts. With five full-time social workers, seven assistants and volunteers, it offers a community service of wide diversity.

The parents of the Misses Bowden were missionaries in Brazil and both girls were born there. The father, Jalmer Bowden, is a teacher of theology.

The Zadio Royalty Circle of the Women's Society of Christian Service of the First Methodist Church here is sponsoring the visit. They have made many generous contributions to the Brazilian missionary movement. The circle will host a coffee Saturday morning in their honor, at which slides will be shown.

Both girls and their father have been on furlough while taking refresher courses at Southern Methodist University at Dallas. Mary will return to her work in October and the other will return next July. Their mother died in Brazil last summer after 36 years as a missionary there.

**PERSONAL SERVICE makes the difference ... in insurance, too!**

Just as personal service plays an important part in guiding our youth & also vitally affects many of our business and personal relations.

Nowhere is it more valuable than in the field of insurance—where only through personal service can you be sure of getting correct protection before and prompt, fair settlement after you have an accident or loss.

When you buy an Aetna Casualty policy from us you get the plus value of our personal service—as well as the services of the nationwide claim organization that stands behind every "policy with the P.S." We'll be glad to tell you all about it.

**Korean Veterans Entering School Asked To Check**

Veterans planning to start school this fall under the Korean GI Bill were urged today by Dr. George T. McMahan, manager of the VA Center in Waco, to follow an eight-point check list to avoid unnecessary delays and to guarantee "clear sailing."

With some three-quarters of a million veterans expected in training this fall, VA Regional Offices will be operating at top speed to process their papers. Incorrect applications slow things up for everyone, VA and veteran alike, Dr. McMahan said.

Following is VA's check list:

1. Since veterans are allowed only one change of course, they should give plenty of thought to their goal and the training program leading to the goal.
2. Veterans not sure of their training goal should request VA vocational counseling.
3. Veterans should be certain their course has been GI-approved by the State in which the school is located, VA Regional Offices—and not VA headquarters in Washington, D. C.—can furnish information about approved courses.
4. Veterans should complete arrangements for admittance to their school before filing applications with VA.
5. The application for GI training should be completely filled out and signed. It should be sent, along with a photostat

**Missionaries To Visit Ballinger And Local Church**

Misses Mary and Frances Bowden, Methodist Missionaries to Brazil, will be here Friday, Saturday and Sunday to visit in the home of a cousin, Mrs. T. L. Epling.

Both the Misses Bowden are teachers, one in the People's Central Institute at Rio de Janeiro, Brazil which celebrated its 50th golden jubilee anniversary in 1956. The other is in Sao Paulo. The institute was the first organized in Brazil. Today a total of 900 students use the facilities of the classrooms daily. The classes range from kindergarten to junior college with literary

**Jaycees Approve Local Projects Monday Evening**

The Ballinger Jaycees met Monday night for their regular dinner and program and to discuss a number of proposed projects. They gave their approval to two new projects which will be attempted through the schools this year.

One will be a traffic safety program which would include students in the first and second grades. In case arrangements are made, doll sets will be ordered by the Jaycees for use of the students in carrying on the contest dealing with safety.

The second would be a court project in which students would be named as court officials to conduct business in the county commissioners' court and also in trial matters in district court. Both projects have been well planned by the national organization and are available to all clubs for local use.

Jaycees will also make plans for some type of project for the raising of funds during the fall months. No definite program has been approved by the members but several will be discussed later this fall.

**YARNELLS PURCHASE Y GROCERY-STATION**

Mr. and Mrs. Hilton Yarnell have purchased the Y Grocery and Station and have assumed management and operation. They announce that they will continue to carry a complete line of Sinclair products and also operate the grocery and handle cold drinks.

They invite former patrons to continue using their service and products and will also appreciate new accounts.

Mr. Yarnell drove an Humble truck here for five years and is familiar with service station operations. He will look after the outside work and Mrs. Yarnell will have charge of the grocery.

Dr. and Mrs. John Hays and children of Dumas spent the week-end with his parents, Mr. and Mrs. Blair Hays, and other relatives.

**BIRTHS!**

Mr. and Mrs. O. R. O'Neill left Tuesday for Kansas City, Missouri where they will welcome their new grandson, Richard O'Neill Gilbreath, who was born Saturday, August 17. Parents are Mr. and Mrs. Richard Gilbreath.

**SERVING UNCLE SAM**

Robert Bruce is at home after completing 30 days of Navy ROTC training. He received his commission in the U. S. Navy at Houston on August 12 and will leave here next month for San Diego and a two year tour of duty in the navy. He will report aboard the USS Southland on September 16.

**REV. JACK STOTTS TO SPEAK AT FIRST PRESBYTERIAN**

The Rev. Jack Stotts of San Angelo, will be the guest speaker at the 11 a. m. service next Sunday, August 25.

All members are urged to attend the service and visitors are invited to hear Rev. Stotts.

Mr. and Mrs. L. M. Bowden, Mrs. Wilfred Buxkemper and Susan left Wednesday by train for Midland, Michigan where they will visit Mr. and Mrs. Dave Coslett. Mr. Coslett is employed by Dow Chemical Corporation in the field of public relations.

Mrs. C. J. Turner of Fort Worth, Mrs. M. M. Alexander, Mrs. Beth Myers, Sammie and Beth Irene McCollum of Hobbs, New Mexico, were week-end visitors of Mr. and Mrs. C. R. Stone, Miss Nell Alexander and Mr. and Mrs. C. R. Stone Jr.

Mr. and Mrs. Ed Curry of Bay City will arrive Friday for a week's visit with her parents, Mr. and Mrs. Sam Behringer, and other relatives and friends.

**EVER ONWARD**—In her haste to dispose of all the good things to eat, freckle-faced Lillian Fairbanks, nine, bites into a hot dog while her half-consumed hamburger is temporarily forgotten. Lillian was one of 37 young guests at the annual party thrown by Palm Beach, Fla., Police Lt. Homer Lange for kids from the County Jail.

Mr. and Mrs. Fred Underwood and Hal of Del Rio are visiting her parents, Mr. and Mrs. Mac Setzer and other relatives and friends. Mr. Underwood was former city secretary.

Mr. and Mrs. Allen Davis and three daughters have returned home from vacationing in Colorado the past two weeks.

## Jerrie Underwood Named 1957 Farm Bureau Queen

Jerrie Underwood, 18-year-old daughter of Mr. and Mrs. D. B. Underwood of Norton, was selected as the Runnels County Farm Bureau Queen Thursday night. The selection of the queen came at the close of the annual barbecue and program at City Park in Ballinger which was attended by more than 1,200 people.

Glenda Beddo was the runner-up and judges had a hard time making a decision. After getting the number down to two, they called the girls back to the stage for a final look before announcing the winner.

After Miss Underwood was named, the crown was placed on her head by Joyce Ocker of Rowena, the 1956 county queen. Miss Underwood was overjoyed at the honor but stated she did not deserve it and complimented the other girls in the contest. She will go to Fredericksburg on August 29 to take part in the district contest.

County Agent C. T. Parker was master of ceremonies for the entire evening and Jack Moore, local attorney had charge of the interviews and introductions of the candidates for queen. Miss Nell Phelps was in charge of the contest.

The annual meeting opened at 6:30 Thursday evening with the serving of the barbecue dinner to all present. This meal was topped off with homemade cakes brought by wives of members of the organization.

The barbecue was well prepared. Four lines were being served at a time and within a short time all tables in the park were filled with diners.

After the dinner, the master of ceremonies presented Senator Dorsey B. Hardeman of San Angelo who spoke to the group on water. He declared water was the key to the industry of the state and added that we cannot operate a billion-dollar agricultural production in Texas without water.

He urged the conservation of water in every way possible.

Gene Leach, farm bureau legislative director, spoke to the crowd on the need for farmers and ranchmen to have organizations to represent them and work for their needs. He discussed the legislative program in Austin and Washington.

Entertainment numbers were included on the program. Joyce Ocker gave song numbers and

was accompanied on the accordion by Nola Jean Weiss of Rowena. A group of 4-H club girls under the direction of Miss Ollie Chenoweth gave several folk dances.

Judges for the queen's contest were: Mrs. John A. Ripple of Eola, Mrs. Jack Morrow of Hawley and James A. Coffman of Coke County.

### METHODIST REVIVAL TO START AT NORTON

A revival meeting will start at the Norton Methodist Church Sunday, August 25, and continue for one week with services at 8 p. m. each day. The evangelist will be in the Sunday night services for his first message.

Rev. Weldon Thomas, a graduate student in Perkins School of Theology, will be the speaker each night during the special services. He is now serving as pastor at Lawn.

E. B. Robertson is pastor at Norton and will be in all the services next week.

The public is cordially invited to attend and cooperate in the revival.

Dr. and Mrs. R. B. Dunivan and children are now living in Ballinger, moving here from Winters this week. Dr. Dunivan will continue his practice in Winters; and their older son, Robert, will attend Winters High School where he is a senior and a member of the Blizzards football squad. Charlotte is a sophomore, Lea is a first-grader and Douglas is of pre-school age. Charlotte and Lea will attend the Ballinger schools.

### Miss Helen Mokry Is Married To Paul McGinnis Tuesday

Miss Helen Mokry, daughter of Mr. and Mrs. V. J. Mokry of Rowena, was married to Airman Paul McGinnis of Dyess AFB, Abilene, Tuesday, August 20, at 8 a. m. in St. Joseph's Catholic Church in Rowena. Rev. Fr. A. A. Boeding, church pastor, read the double ring ceremony and officiated at the nuptial mass.

The bridegroom is the son of Mr. and Mrs. Horace McGinnis of Ballinger. The altar was decorated with arrangements of white gladioli and cathedral candles in branched candelabra.

Miss Joyce Ocker, organist played the wedding music and accompanied the church choir when they sang the high mass. Acolytes were Daniel Jansa and Benedict Kalina.

Miss Ottilia Hajovsky was maid of honor. She wore a ballerina length gown of mauve net over taffeta fastened with a shirred net yoke and brief sleeves. From the fitted bodice a gathered skirt was complemented by a bow cascading to the hem. She wore a matching taffeta and net bonnet and wore white kid pumps.

Bridesmaids were Miss Angeline Mokry, sister of the bride, and Mrs. Tony Knott of San Angelo. They wore identical ballerina length dresses of orchid net over matching taffeta designed similar to that of the maid of honor. All attendants carried cascade bouquets of deep rose Esther Reeds.

Johnny Mokry, brother of the bride was best man. Groomsmen were Horace McGinnis Jr. of Ballinger, brother of the bridegroom, and Tony Knott of San Angelo. Carl Gaunt of San Angelo, nephew of the bride, served as ring bearer.

The bride, who was given in marriage by her father, wore a traditional gown of white chantilly lace over satin. The long torso bodice, bound with self fabric cording at the waistline, was fashioned with a Peter Pan collar scalloped in lace and re-embroidered with seed pearls. Lace covered buttons extended down the back of the bodice and were on the long fitted sleeves. Her bouffant skirt of satin was accented with scalloped edge lace panels. Her short circular veil of silk illusion was caught to a plateau hat of re-embroidered matching lace traced with seed pearls and paillettes. She carried an orchid showered with white French carnations and lilies of the valley.

Following the ceremony, Kay Franke and Deanna Kasberg presented the bride with a statue of the Virgin Mary from the Children of Mary Sodality. A reception was held in the parish hall. The bride's table was laid with white linen damask and centered with an arrangement of white gladioli. Mrs. James Mueller, sister of the bride, served the three tiered wedding cake iced in white and decorated with pink rosebuds. Misses Irene and Mary Ann Mokry, sisters of the bride, and Mrs. Wesley Mokry of Miles, presided at the coffee service and punch bowl. Miss Anna Marie Wilde and Mrs. Alice Gaunt of San Angelo, registered guests.

The bride's parents were hosts at the wedding dinner served in the parish hall to relatives.

For a traveling ensemble on a wedding trip to the Snokey Mountains in Tennessee, the bride wore a deep rose sheath of cotton and silk with matching jacket.

Mrs. McGinnis is a graduate of St. Joseph's School in Rowena. Mr. McGinnis attended Ballinger High School and is now stationed at Dyess AFB in Abilene.

**Mrs. Chester Cherry Is Hostess To Current Book Club**

Mrs. Chester Cherry was hostess to members of the Current Book Club Tuesday afternoon in her home on Sixth Street which was decorated with arrangements of dahlias, plumbago and marigolds.

Mrs. Horace Murphy, president was in charge of the business. Mrs. Tom Caudle, program chairman, introduced Miss Zaza Chenoweth, who was the guest speaker, and gave an informative talk on the Teachers Tour which she made with a group of teachers to a meeting in Philadelphia, and other sight-seeing cities in the East. At the conclusion, Mrs. Caudle presented Miss Chenoweth with a gift.

The hostess served punch ice cream and cake. Others present were: Mrs. A. B. Stobaugh, K. V. Northington, A. O. Bartlett, O. R. Laasler, E. P. Tal-

### Keel Drug Little League Team Feted At Supper

Gene Keel, sponsor of the Keel Drug Little League baseball team, and George Newby, manager of the team, were hosts to members of the team Monday night, entertaining with a charcoal steak supper in the back garden at the Newby home.

The Keel Drug team won the Little League championship with eight teams participating throughout the summer months. Having lost only one game, and after completing the season, the Keel Drug team was awarded a trophy, which was presented by Charles Hambrick Jewetry, and awarded to the boys last Saturday night at the Little and Pony League stadium. G. A. Morrill, president of the two leagues, presented the trophy. This is the second consecutive year that the Keel Drug team has won the trophy.

Troyce O'Neal, assistant manager of the team, Mrs. Newby, Mrs. Keel, George and Ginger Newby, Johnny and Gene Keel and Sally Steiler of San Antonio, assisted in entertaining the winners.

They were Hugh B. Edmondson, Wilton Roberts, Bobby Jennings, Marvin Prison, Gary Rainwater, Archie G. Gilant, Danny Gard, Riley Ramsey, David Prince, Tommy Roy, Rger O'Neal, Jimmy F. Eaman and Thomas Moreland.

**Fancy Doers in Holbrook Home**

LaNell Holbrook and Becky Davis were hostesses to the Fancy Doers Club Monday evening in the Holbrook home. A "back-to-school" party was planned and refreshments served to Jackie Bramley, Ellen Herring, Dorothy Wilson, Kay Mansell, Becky Hebert, Beverly Carter, Linda Crockett, Pauline James, Linda Monerief, Bettye Nix, Pat Bell, Marcia Murchison, Gayle Jennings, Elaine Zappe, Carol Kudlaeck, Joan Morris and Patty Sweeney. Visitors were Judy Lovrey of Carrollton and Jane Hampton of Abilene.

**Dr. and Mrs. White Are Hosts**

Dr. and Mrs. Hillie R. White, 1709 Bronte Highway, gave a picnic in City Park on August 10, for their "little patients" and their mothers. Mrs. M. J. Harris, Miss June Harris and Mrs. Rodney Watson of Rowena assisted in serving the supper to: Mrs. Charles Shepard and Carolyn, Dena and Glenn, Mrs. Jack Denton and Mary Lena, Mrs. Jones, Billy Cook, Wanda, Linda and Peggy Moreland, Mrs. Earl Hamilton, Phillip, Odell and Herman; Mrs. Lucius Evans and Bubby of Norton; Evelyn Watson of Rowena; Mrs. Jim Hanner and Mike; Mrs. Raymond Hamilton, Randy and Rennie Stevens, all of Winters.

## 45 Football Men Will Start Work Monday Morning

A squad of about 45 candidates for the Bearcat football team will report to the coaches Monday morning to start two workout sessions each day until the opening of school. Some of the boys have been running and doing other conditioning work on their own and most of the crew will be in fair condition when the first practice session is held.

The squad will meet at 7 a. m. and at 6:30 p. m. for the two work periods each day through September 2. After that they will work after school each evening.

The squad will have more material, more experience, more speed and more weight than they have had for a number of years. Fans are highly elated over the 1957 prospects and the attitude of the boys who are determined to have a winning ball club.

Fans are invited to be at Bearcat Field on the night of September 30 to see the football candidates from all schools in action. It will be the annual football preview and the Bearcat band, yell leaders, coaches and all candidates for senior and junior teams will be in uniform.

Coaches Paul Stewart, C. W. Bettis, Alton Patterson and Dick Richey invite fans to attend practice sessions and watch the training work. The date for several special scrimmages will be announced later. These will include sessions with Comanche, Abilene B team, Anson and others.

Equipment will be issued each player Monday morning and a practice session will follow as soon as men are suited out and report to the playing field.

On the squad will be 12 returning lettermen, the entire B team squad, several prospects who were ineligible last year and some fine boys up from junior high.

The Bearcats have their two toughest games for the start of the season. On September 6 they travel to Brady to meet the Bulldogs who were runners-up for the state championship last year. On September 13 they will open their home schedule with Stamford, defending state champions, and a team that will be a strong contender again this year.

Season reserve seats have been sold for all home games and the entire section was taken making it necessary to add some additional seats.

Junior high players from the 8th and 9th grades will report Monday, August 26, at 9 a. m. Seventh graders are to report at 9 a. m. Wednesday, August 29. This will give the opportunity to issue suits and have all players ready for the preview on Friday night.

## County Members Of Farm Bureau Attend Meeting

Several Runnels County Farm Bureau leaders attended a meeting Tuesday in Brownwood to plan for the policy development activity which gets underway soon, according to I. W. Conway of Ballinger, county president.

Attending from Runnels County were B. B. Campbell, Hatchel, C. H. Eubank, Winters, A. G. Eggeneyer, Miles and I. W. Conway.

Purpose of the district-wide meeting, one of 17 being conducted over the state, was to lay plans for securing maximum participation of the membership in the Farm Bureau policy-making process which starts with the annual county convention, followed later in the year by the state convention and culminating with the national Farm Bureau convention in December.

Among the issues discussed at the district meeting included the state rural road building program, livestock disease control, increasing the truck load limit law, the rural electrification bill passed by the recent 95th legislative session, agricultural research and education and expansion of agricultural markets.

These and other local, state and national issues will be discussed again in meetings to be held over the county during the few weeks preceding the county convention. At the convention, Farm Bureau members will adopt county policies and make recommendations to the Texas Farm Bureau on state and national issues.

Following this developmental phase, Farm Bureau members strive to get their policies enacted into law during the "Policy Execution" activity which takes place in the spring.

"It is extremely important for farmers to take advantage of this opportunity to work together through democratic processes to try to solve their problems," Conway said. "If farmers don't take the initiative in solving their own problems, someone else is going to try to solve their problems for them, and not always to their advantage."

B. J. Gist, District Seven Farm Bureau director, was in charge of the meeting. He reported on the FFB's legislative activities during the recent session and explained proposed constitutional amendments which will be voted on in the next general election.

## Quarterback Club Elects Doc Wilson As 1957 President

The first meeting of the Bearcat Quarterback Club was held Friday night at the high school auditorium with some 40 local fans attending. Reports of the work done by the club for the past school year were given by the secretary, Otis Jacob, and a number of other matters handed before the new officers were elected.

Doc Wilson was named president to guide the club for the next twelve months. Other officers are: Howard Bramley, first vice-president; Louis Brown, second vice-president; Otis Jacob was reelected as secretary.

The club will again sponsor the annual football preview and the date for this was set for Friday, August 30, at 7:30 p. m. Fans are invited to be at Bearcat Field on the above date to see all candidates for the various teams in action, to meet the coaches and to get a look at football for 1957 in Ballinger.

Other business handled at the meeting Friday night included the raising of club dues from \$2.00 to \$3.00 per year. A membership drive was launched Saturday morning and an effort will be made to enroll 300 members by the end of the preview on August 30.

The club will again furnish chartered busses for all out-of-town games for the Bearcat A team. They also voted to pay one-half the cost of a pair of contact lenses for one player on the team.

After the business session a picture of the Sugar Bowl game last January 1 between Baylor and Tennessee was shown.

The club will meet again on Tuesday, August 27, and after the start of school will meet each Tuesday night, at which time a picture of the game the Friday night before will be shown.

Coach Paul Stewart gave the fans a preview of material expected this year, listing each boy's experience and weight.

# West Texas Utilities Company Announce Expansion Program

West Texas Utilities Company has announced plans to spend an estimated \$51,000,000 during the next five years for construction of new electric facilities in West Texas.

Cal Young, WTU President, said the company's expansion plans were based on recently completed surveys and studies which indicate that West Texas will greatly increase its use of electricity by 1961.

"Most of the proposed five-year plan will go for the construction of new plants and installation of additional generating equipment, new transmission lines and expanded distribution facilities," Young said.

New generating equipment for WTU, including one new power plant, is expected to cost over \$22,500,000 and will increase by more than two-thirds the company's system generating capability.

WTU plans to spend almost \$15 million during the next five years for the construction and improvement of distribution facilities. Another \$11,500,000 has been allocated for the building of new high voltage transmission lines connecting WTU plants and load centers. The remainder of the planned expenditure will be used primarily for general construction and improvement of WTU facilities.

"Electric power consumption is an accurate barometer of the health and prosperity of any area. Our undertaking this comprehensive construction program is indicative of our continued confidence in the future of the area we serve," Young said. "We are determined to do whatever is necessary to maintain a dependable and adequate supply of economical electric power for the anticipated industrial expansion of the area as well as for the expected increase in requirements of our domestic and commercial customers."

The announcement of the construction plans begins the second decade of the long-range expansion program begun at the end of World War II. Since then, WTU has invested \$60 million for new facilities and for enlarging the existing facilities to provide electric power for West Texas. Since 1946, the number of electric customers has increased 43 per cent, from 72,860 to 104,000. The peak load has more than tripled, increasing from 73,400 kilowatts to 243,500 kilowatts. The new generating facilities covered by this five-year construction program will add 170,500 kilowatts to the company's system generating capability. Upon completion of the program in 1961, the company will have available a

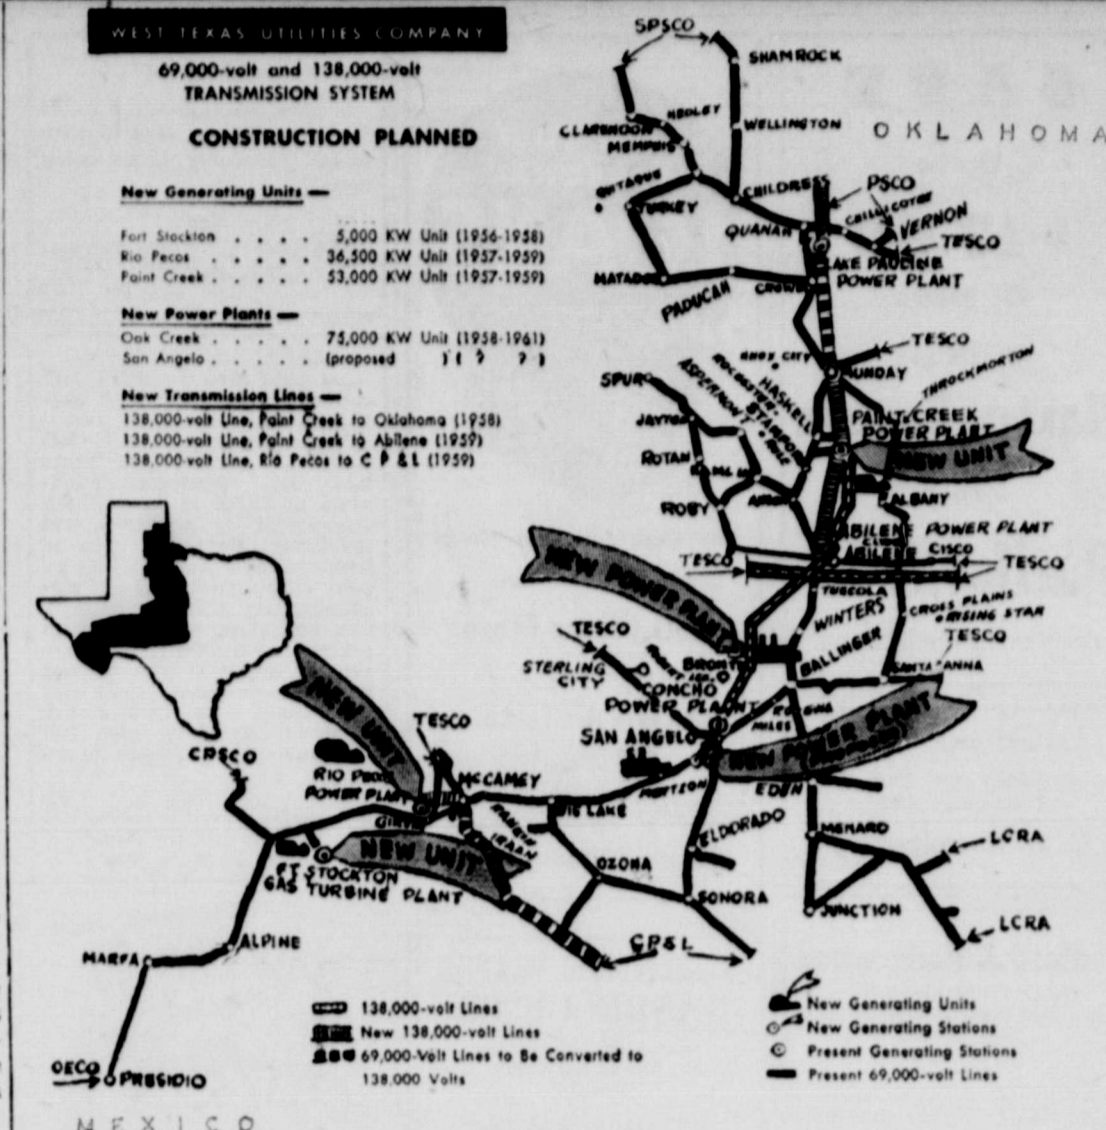

total generating capability of 421,000 kilowatts, almost 70 per cent greater than the current generating capability.

It was pointed out that since World War II, not only has the number of residential customers increased by almost 47 per cent but individual customers, by adding electrical appliances such as ranges, dryers, air conditioning units, television and other new appliances, have doubled their use of electric service. It is estimated that by 1961, the residential customer's usage will have increased another 50%.

WTU is also interested in the development of nuclear power. Paralleling the present \$51 million power development program, the company is participating in nuclear research activities.

**COKE COUNTY PROJECT**  
A new plant will be constructed on Oak Creek Lake in the northeast corner of Coke County. The 117 acre site selected for the plant is on the west shore of the lake and is immediately adjacent to Highway 70. A 57 acre portion of the site has been purchased from the City of Sweetwater, and the company is negotiating with Charles Coppeland, Coke County ranchman, for the purchase of an additional 60 acres to complete the tract.

Construction of the new

power plant will begin early next year. The first 75,000 kilowatt unit is scheduled to be in operation in 1961. The ultimate capacity of the plant will be

225,000 kilowatts. This new plant to be located eleven and one-half miles north of Bronte and three and one-half miles south of Blackwell

will be approximately in the geographic center of the company's system. Being almost equidistant from Abilene and San Angelo, the plant will be situated to supply the additional power requirements for both cities and the surrounding

areas. The 138,000 volt transmission line connecting Abilene and San Angelo, which is now nearing completion, extends within two to three miles of the new plant location. A 138,000 volt transmission loop will connect the new plant to the Abilene-San Angelo line.

The Abilene and Concho Plants will continue to be staffed and maintained as operating units of the company's generating system.

Additional distribution facilities such as main feeders, additional street lighting, capacitors and conversion of distribution systems to higher voltages account for the balance of the five-year program.

## Stevens Assigned To New Toll Road Ft. Worth-Dallas

Patrolman D. K. Stevens, who has been stationed in Ballinger for more than a year, has been assigned by the Texas Highway Patrol to the new 33-mile toll road connecting Fort Worth and Dallas. The new route will be opened to the public in the near future.

The patrolmen will use the latest and most efficient equipment in their new assignment on the toll road. Their patrol cars will be new models fully equipped with police high-powered interceptor engines for maximum acceleration and high speed.

Not only will the patrolmen be able to render first-aid in the event of an accident, they

will have with them a two gallon can of gasoline for those running out of fuel. They will carry an extinguisher and a camera to be used in event of an accident. They will also have maps and a booklet explaining Texas traffic laws.

Ten Texas Highway patrolmen have been assigned to the new route and Jack Southerland, formerly of Fort Worth, will be in command of the crew.

## VETERANS WILL MEET IN SESSION TONIGHT

The Byler-Blibrey Post of Veterans of Foreign Wars will meet tonight at 7:30 at the Wells Drug Store. All members and veterans who served overseas are invited to attend this session.

James Hudgins is commander of the local post and A. L. Barnes is quartermaster.

Robert Holliday, son of Mr. and Mrs. Fred Holliday, is leaving San Angelo, where he has been employed by Radio Station KWFR, for Tucson, Arizona, where he will be associated with Radio Station KTKT.

## MURDER ... is no picnic

These sandwiches will never be eaten. A happy family—off on an outing—is now in a ditch, crushed, their car a smoking heap of metal.

Why did it happen? Because some driver was watching the scenery, instead of the road ahead? Because someone was speeding?

Often, that's all it takes to bring death on the highway. And it can come to anyone . . . suddenly and brutally. It came to 40,000 Americans last year alone!

This summer, drive as though your family's lives depended on it. They do!

Here's how you can help stop traffic tragedies:

1 Drive safely and courteously yourself. Observe speed limits and warning signs.

Where traffic laws are obeyed, deaths go DOWN!

2 Insist on strict enforcement of all traffic laws. Traffic regulations work for you, not against you.

Where traffic laws are strictly enforced, deaths go DOWN!

**State Newspaper Gives Publicity To Local Church**

The First Baptist Church of Ballinger received statewide publicity the past week when a special story was carried in the Fort Worth Star Telegram. The story was carried under the column "This is West Texas" by George Dolan.

Basis of the story was on recent publicity given in a national church publication in regard to the record made in growth and financing of the local church.  
 Below is the story as it appeared in the Fort Worth paper:  
 West Texas' drought has brought hardship that tried men's souls—and found most of them sound.  
 People will come out of it, believes Rev. W. L. Ray Fowler, of Ballinger, stronger spiritually.

Dry years tapped inner spiritual wells, he has found.  
 In many parts of West Texas, businesses failed. Some people had to leave unproductive farms. Rural and city dwellers alike were affected.  
 Ballinger's population, for instance, has skidded from 7,500 in 1943 to 6,200.

Attendance and cash gifts to Rev. Mr. Fowler's First Baptist Church, though, have increased in spite of declining population and earning power.  
**OFFERINGS INCREASE**  
 Offerings in 1948, the year before the drought got under way, were \$44,131. In 1952, they were \$52,665.

In 1956, with no end in sight to the state's worst drought, they reached \$55,325.  
 Some church members were tithing with borrowed money. "We must maintain our churches," one tither explained, "That's the thing we've got left."  
 Hardship strengthened the faith of many, Rev. Mr. Fowler believes.

**REFUGE ON SABBATH**  
 After suffering through six days of worry and despondency, he feels, they sought refuge on the seventh day. They turned to the church to get their batteries recharged.  
 Sunday school attendance average at the Ballinger church climbed from 301 in 1943 to 425 in 1956.  
 "By faith, I'll do my part, knowing that better days are bound to come," one man told the minister.

"In spite of my temporary setback, I believe the Lord is still on His throne and will honor the steward that is faithful."  
 Another said: "I haven't made any money since the drought began, but I must maintain my giving because a comeback now would hurt for years to come."  
 Rev. Mr. Fowler has found these West Texas' spirit-stimulating.

**LEADING, NOT DRIVING**  
 "You don't drive these people," he says admiringly, "you lead them."  
 Among faithful members was a prosperous farmer who lost his farm, saw his bankroll dwindle to nothing and finally

Gift Tea Compliments  
Mrs. Weldon Brevard  
A large bride doll dressed in white on a silver and crystal stand encircled with white car-

nations and blue valley lilies in crystal cups centered the dining table, laid with a Maderia outwork linen cloth, when eleven hostesses complimented

Mrs. Weldon Hale Brevard, who before her marriage on July 27, was Miss Diane Wilson, with a gift tea Sunday afternoon in the H. J. Zappe home on Broadway.  
Hostesses were Meses. Zappe, Ramon Berryhill, R. L. Bell, Ted Tisdale, Charles Miller, Lewis Brown, A. R. Murchison,

Malcolm Morgan, D. W. Turner, Fred Harwell and Jack Davis of Abilene.  
Greeting guests were Meses. Harwell, Tisdale and Miller. Receiving with Mrs. Zappe and the honoree were her mother, Mrs. J. C. Wilson, her grandmother, Mrs. A. D. Barnett, Mrs. Play Brevard, mother of the bridegroom, and Miss Janie Brevard.

The honoree was wearing a cocktail dress of off-white brocaded silk designed on sheath lines with a soft sash of American beauty chiffon. Her jewelry was pearls, and she wore silver pumps and a cybindium orchid corsage.

Miss Susan Herring presided at the registry, and Miss Pat Zappe played love medleys during the calling hours when more than 150 were included.

Mrs. Ralph Routh of Abilene, aunt of the bridegroom, and Mrs. Joe Cartledge of Phoenix, Arizona, aunt of the honoree, served the cake and laded punch.

Others in the houseparty were Mrs. Bobby Gray, Mrs. Elsworth Herring, Mrs. Edward Moonen, Mrs. Ralph Spreen, Meses Pat Tisdale, Sharon Tuckey, Pat Hale of Talpa, Dorothy Thomas and Nancy Davis of Abilene.

Mrs. Jack Davis displayed gifts and Mrs. A. R. Murchison spoke goodbyes.

Miss June Harris Honored  
With Gift Tea Saturday

Miss June Harris, bride-elect of Alan D. Holmes of Corpus Christi, was complimented with a gift tea from 5 to 7 o'clock Saturday afternoon in the home of Mrs. J. L. Ohlhausen on Third Street.

Co-hostesses with Mrs. Ohlhausen were: Meses. Ross Smith, Andrew Flint, Frank Smith, J. L. Moreland, W. L. McMillian, E. J. Bishop and O. B. Amarine.

Mrs. Ross Smith greeted guests and presented Mrs. Ohlhausen. The guest of honor received guests with her mother, Mrs. M. J. Harris, and her grandmothers, Mrs. C. D. Perry and Mrs. George Fry. Yellow and green, the bride-

elect's chosen colors, were used in decorating entertaining rooms. The lace laid tea table was centered with two large decorated wedding cakes, one was inscribed with "Alan" and the other was "June." Centering the two cakes was a small one topped with a miniature bride and groom. Yellow zinnias, dahlias and other garden flowers were used throughout the home.

Alternating in serving the cake and punch were Meses. Nancy Thompson, Barbara Reynolds of Abilene, Nydah Elliot of Fort Worth, and Linda Bigger of Corpus Christi. Assisting in serving were Norma Jean Ohlhausen and Joan Dallinger.

Mrs. Moreland, Mrs. Smith and Mrs. Bishop displayed gifts. Miss Peggy Branham of Vernon, cousin of the honoree, presided at the bride's book.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 5, 1937.

HOUSE JOINT RESOLUTION NO. 3 proposing an amendment to the Constitution of Texas adding a section to be known as Section 49c of Article III, providing for the issuance and sale of bonds of the State of Texas to create the Texas Water Development Fund to provide financial assistance to certain political subdivisions of bodies politic and corporate of the State of Texas in the conservation and development of the water resources of the State, providing for the payment of such bonds, creating an agency to administer said fund and to perform other duties prescribed by law, limiting the period during which financial assistance may be granted, and providing for the calling of an election and the publication and issuance of the proposition therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of Texas be amended by adding a new section thereto to be known as Section 49c, as follows:

"Section 49c. There is hereby created as an agency of the State of Texas the Texas Water Development Board to exercise such powers as necessary under this provision together with such other duties and restrictions as may be prescribed by law. The qualifications, compensation, and number of members of said Board shall be determined by law. They shall be appointed by the Governor with the advice and consent of the Senate in the manner and for such terms as may be prescribed by law.

The Texas Water Development Board shall have the authority to provide for issue and sell general obligation bonds of the State of Texas in an amount not to exceed One Hundred Million Dollars (\$100,000,000). The Legislature of Texas shall have the authority to authorize the Board to issue additional bonds in an amount not exceeding One Hundred Million Dollars (\$100,000,000). The bonds authorized herein or permitted to be authorized by the Legislature shall be known as 'Texas Water Development Bonds,' shall be executed in such form, denomination and upon such terms as may be prescribed by law, provided, however, that the bonds shall not bear more than four per cent (4%) interest per annum; they may be issued in such denominations as the Board may determine and be placed in accomplishing the purposes set forth herein.

All moneys received from the sale of State bonds shall be deposited in a reserve fund to be known as the State Treasury sinking fund for the bonds authorized by this Section. Such sinking fund shall be used for the purpose of paying the interest and principal on the bonds due during the ensuing year and sufficient to establish and maintain a reserve in said fund equal to the average annual principal and interest requirements on all outstanding bonds issued under this Section. If any year prior to December 31, 1937 moneys are received in excess of the amount required to pay the interest and principal on the bonds due during the ensuing year and sufficient to establish and maintain a reserve in said fund, such moneys shall be deposited in the Texas State Treasury.

### NUMBER THREE ON THE BALLOT

available upon such terms and conditions as the Legislature may prescribe, to the various political subdivisions or bodies politic and corporate of the State of Texas including river authorities, conservation and reclamation districts and districts created or organized or authorized to be created or organized under Article XVI, Section 10 or Article III, Section 52, of this Constitution, interstate compact commissions to which the State of Texas is a party and municipal corporations, in the conservation and development of the water resources of this State, including the control, storage and preservation of its streams and flood waters and the waters of its rivers and streams, for all useful and lawful purposes, including any system of dams, reservoirs and other water storage structures, including any system necessary for the transportation of water from storage to points of treatment and/or distribution, including facilities for transporting water therefrom to wholesale purchasers, or for any one or more of such purposes or methods.

"Any or all financial assistance as provided herein shall be repaid with interest upon such terms, conditions and manner of repayment as may be provided by law.

"While any of the bonds authorized by this provision or while any of the bonds that may be authorized by the Legislature under this provision, or any interest on any of such bonds, is outstanding and unpaid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise appropriated by this Constitution, an amount which is sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the sinking fund at the close of the prior fiscal year.

"The Legislature may provide for the investment of moneys available in the Texas Water Development Fund, and the interest and sinking funds established for the payment of bonds issued by the Texas Water Development Board, income from such investment shall be deposited in the interest and sinking fund for the bonds authorized by this Section sufficient moneys to pay the interest and principal to become due during the ensuing year and sufficient to establish and maintain a reserve in said fund equal to the average annual principal and interest requirements on all outstanding bonds issued under this Section. If any year prior to December 31, 1937 moneys are received in excess of the amount required to pay the interest and principal on the bonds due during the ensuing year and sufficient to establish and maintain a reserve in said fund, such moneys shall be deposited in the Texas State Treasury.

Administrative expense of the Board and for the same purposes and under the same terms and conditions prescribed for the proceeds derived from the sale of such State bonds. No grant of financial assistance shall be made under the provisions of this Section after December 31, 1937, and all moneys thereafter received or deposited in the interest and sinking fund for the State bonds, except that such amount as may be required to meet the administrative expenses of the Board may be annually set aside and provided that after all State bonds have been fully paid with interest, or after there are on deposit in the interest and sinking fund sufficient moneys to pay all future maturities of principal and interest, additional moneys so received shall be deposited to the General Revenue Fund.

"All bonds issued hereunder shall require approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas.

"Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such acts shall not be void by reason of their anticipatory nature."

Sec. 2. The foregoing amendment to the Constitution shall be submitted to a vote of the qualified electors of this State at an election to be held on the 5th day of November, 1937, same being the 1st Tuesday after the 1st Monday in said November, 1937, at which election each ballot shall have printed thereon, the following words:

"FOR the amendment to the Constitution of Texas adding a new section to be known as Section 49c of Article III, authorizing the issuance and sale of Two Hundred Million Dollars (\$200,000,000) in bonds by the State of Texas to create the Texas Water Development Fund to provide financial assistance to certain political subdivisions or bodies politic and corporate of the State of Texas in the conservation and development of the water resources of the State."

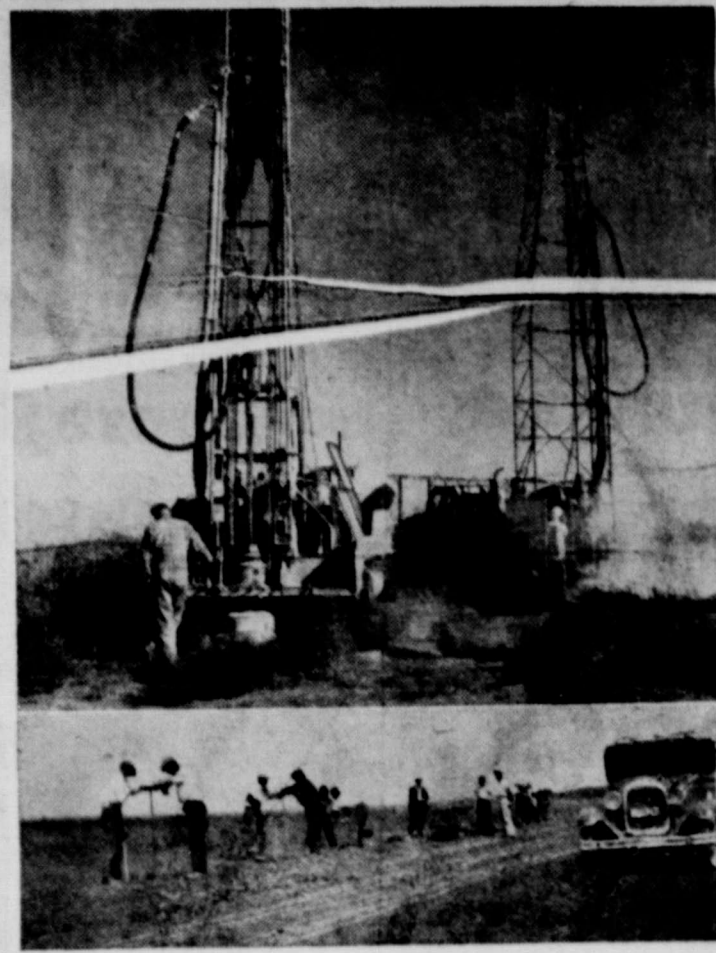

AGAINST the amendment to the Constitution of Texas adding a new section to be known as Section 49c of Article III, authorizing the issuance and sale of Two Hundred Million Dollars (\$200,000,000) in bonds by the State of Texas to create the Texas Water Development Fund to provide financial assistance to certain political subdivisions or bodies politic and corporate of the State of Texas in the conservation and development of the water resources of the State."

Sec. 3. The Governor of the State, of Texas, shall have the honor of presenting the said amendment and have the same published in conformity with the Constitution and laws of this State. The expense of publication and distribution of such amendment shall be paid out of the proper appropriation made by law.

Mrs. Mary D. Cain of Summit, Mississippi, "Raised Old Cain With Uncle Sam" for changing from the republic it started out to be into a socialistic state, when she spoke at a Ballinger Rotary Club banquet Tuesday night held in the West Ward school cafeteria.

Mrs. Cain was the first woman candidate for governor of Mississippi, also a longtime enemy of social security and

the welfare department. She is editor of the Summit Sun and once saved off a padlock placed on the door of the newspaper plant by the Internal Revenue Service officials when they tried to collect some \$40 in social security taxes. Mrs. Cain stated that the fine for this was \$10,000.

Mrs. Cain built her talk on "Our Greatest Task" around the United States' foundation

in the Revolutionary War and compared the injustices of King George to encroachments of power today by the federal government.

She cited that a republic "means representative government, and not mob rule," but government in business was the reason of this "fantastic Bureaucracy."

In listing all the amendments making up the Bill of Rights, Mrs. Cain pointed out to the 150 listeners that almost all the guarantees of freedom are in danger today. Taxation was stressed more than anything else, and she stated that "this country was born in a tax rebellion, and it looks like it's heading back to one." In order to abolish the individual income tax, Mrs. Cain feels that if the 707 corporations (which the federal government own) would make tax payments instead of being tax moochers, it would be abolished.

The dynamic speaker begged her listeners to "get your country back to the firm foundation of our constitution." She stated that we have only two rights left and they were "the right to gripe and the right to pray." "We are falling down as church members on our responsibilities as children of God," stated Mrs. Cain. "If American citizens would practice charity more and give employment to the unemployed it would not be necessary for welfare agencies."

Mrs. Cain was well received and even though some may not have been in sympathy with her conception of the way

the government is being run in a "socialistic clapnet," she was given a hearty applause.

Mrs. Cain will head a seminar at National Tax Revolt Rally September 13 in Chicago. She speaks three to six nights each week throughout the country in addition to operating her newspaper.

The speakers table was centered with a flower container which was a replica of the state of Mississippi, holding orange hued gladioli and heather.

Rebecca Davis played the accompaniment for the group to sing America and Home on the Range.

Milton Clayton, president of the Rotary Club, acted as master of ceremonies and welcomed guests. E. E. King, program chairman, introduced the speaker. Orland Rury, minister of the Eighth Street Church of Christ, gave the invocation. Guests were introduced by Sam Behringer.

**CREWS**

Visitors at the Methodist Church Sunday morning were: Carlton Fisher and Ulmer Dale Fisher of San Angelo and Porter Jr., Cherie and Karen Baker of Pecos. Carlton is the son of Rev. and Mrs. Fisher and Ulmer Dale is a grandson. The Baker children are grandchildren of Mr. and Mrs. Elvin Bridwell.

Mr. and Mrs. A. S. Alcorn visited Miss Willie Hale in Hendricks Memorial Hospital at Abilene Sunday. She seems

to be improving.

Irving Burson remains in Shannon Hospital in San Angelo and is reported to be about the same as last week.

Mr. and Mrs. Welby Fuller and Lowell visited the Carlsbad Caverns last week while on their vacation. They also visited with Mr. and Mrs. Lawton Brevard at Pampa.

Marvin Hale accompanied a group of Glen Cove men on a fishing trip to the Colorado River the past week-end.

Carlos and Vernon Lollar of Fort Worth, who have been visiting their parents, Mr. and Mrs. John Lollar of Hatchel, were here for a visit with friends last week.

Mrs. Effie Dietz and children, Gerald and Ophelia, made a trip to the Carlsbad Caverns last week.

J. P. Brevard and Mrs. Marvin Hale visited in San Angelo Saturday with Guy Harris and his sister.

Mr. and Mrs. Willie Norris returned to their home at Glen Rose after spending the week-end here.

Mrs. Emmett Branscom of Dallas came here last week to be with her mother, Mrs. W. H. Pape, who is ill.

Mr. and Mrs. Ellis Madison and son, Joe Hale of San Antonio visited Mrs. Joe Bragg. They attended the Madison reunion at Lometa last Sunday.

Mr. and Mrs. Marion Davis and children of Andrews were week-end visitors with her parents, Mr. and Mrs. Clyde Brevard and other relatives.

Rev. and Mrs. A. J. Parker and sons went to Alabama last week on a vacation.

Some folks are inquiring about the Crews Community-school reunion. It will be held on October 13. People of the area are urged to get in contact with their friends who would be interested in attending. Every effort will be made to have a big crowd that day at the community hall.

The Schwartz families met at Lake Brownwood last Sunday for a reunion of the descendants of the late Mr. and Mrs. C. W. Schwartz. Mr. and Mrs. W. H. Schwartz Sr. and Lanny went on from there to visit relatives in South Texas. Among those they planned to visit are: his daughter and family, Mr. and Mrs. Charlie Gerhart at Lometa; his sister, Mrs. Tommy Stephenson at Corpus Christi; his daughter, Mrs. Sandy Standee and family at Freeport and another daughter, Mrs. John Belfiore and family, Sabine Pass.

Mrs. R. E. Burrus is spending the week in the home of her son, L. T. McBeth in Sweetwater.

Mr. and Mrs. C. H. Gibbs went to Grand Prairie Friday to visit with her sister.

Mrs. Chester McBeth and Lyndon and Mrs. R. E. Burrus visited Mr. and Mrs. W. E. McBeth in San Angelo Wednesday and saw the "Ten Commandments."

Mrs. Pearl Norris, Mr. and Mrs. O. D. Norris and son and Mrs. H. K. O'Neal of Ballinger visited Mr. and Mrs. J. G. Phipps Saturday.

Remember the community center meeting on the first Friday night in September.

**SWIMMING POOL SETS CLOSING FOR AUG. 31**

Dick Richey, manager of the municipal swimming pool has announced that Saturday, August 31, will be the final day of operation for this year. The pool will be officially closed at the end of business on that date and equipment will be stored until next spring.

With the opening of school only a few days off, the city officials and operators feel that business at the pool would not justify operations beyond that date.

The number of swimmers this summer has been short of past years and has made full time operations hard for the city. For some time after the opening the weather was cold and business was cut very short. Other programs for youngsters have cut business at the pool during the entire summer and only on a few occasions have the crowds justified the expense of operations.
