Plans Being Completed Annual Livestock Show

Plans are about complete for the annual livestock show to be held in the big hangar at Bruce Field on January 18. The show is for the Future Farmers of America and 4-H clubs in the Ballinger, Norton, Miles and Rowena school districts.

The Ballinger Chamber of Commerce is sponsoring the annual show and letters will go to business firms and individuals this week-end asking for contributions to raise a fund to take care of show expenses and the prizes to be paid in each division. A minimum of \$1,700 will be needed this year and no solicitation will be made except by letter. Those who receive letters asking for a contribution are urged to send a check back at once so this part of the work can be completed at once.

Those in charge of the show for 1958 are expecting a large list of entries in the four divisions with some fine livestock on display. Later many of the animals will be shown in some of the larger shows in the state. Fry is general superintendent. Foy Farmer is chairman of the agriculture and livestock committee and will assist with staging the show. L. M. Hargrave of Texas Tech at Lubbock will be here to judge all the cattle, fat steers and also the dairy herds. Super-

intendents of the cattle division will be Robert Herring and Fred Spreen.

Harold Bragg will judge the sheep division and superintendents are B. J. Condra and Alvin Spreen.

L. M. Hargrave will also judge the swine division and superintendents are Arthur Eggenmeyer and Roman Multer.

In the capon, broiler and rabbit division, Marvin Weber of Abilene has been secured as the judge and F. A. Tidmore and Elliott Kemp will serve as superintendents.

According to the rules, all sheep and hogs must be in their pens by Friday night, January 17. Judging will start early next morning. Cattle will be placed in the show Saturday morning, January 18.

Members of the home demonstration clubs of the county will have charge of the concession stand at the livestock show all during the day.

Visitors are urged to attend the show and inspect the animals on display. Last year the crowd was the largest in the history of the local show and an increase is anticipated this year by those in charge. All prize winning animals will be marked with ribbons as soon as the judging is completed.

Christmas Week Is Fairly Quiet Officers Report

Runnels County officers were kept busy during the Christmas season but no serious trouble developed other than a couple of assault with intent to murder cases.

Irvin Sheffield has been apprehended at Plainview and will be brought here to face charges of assault with intent to murder. The charges developed after his wife was left at his sister's home east of Ballinger in a serious condition. She made a statement accusing him of beating her near Ballinger one night during the holidays.

Ernest Donald McIntire is in jail here on a charge of assault with intent to murder after he was arrested by local officers and charged by his wife with threatening her with a gun. Bond has been set at \$1500.

A ten year old colored boy entered the home of Edwin Zly and took a number of silver coins from the home. He was apprehended and the money recovered.

Pat Barron had his adult parole revoked last week and is awaiting transportation to the state prison. Sheriff Don Atkins stated that two charges of checking at San Angelo had been filed against him since that time.

Cecil Price was apprehended at Seguin on a checking charge and paid a fine and charges dismissed.

Five were issued tickets for speeding.

Damage was done at the Jack Ables home in South Ballinger during the holidays when youngsters damaged the house and a pickup with a BB gun. Officers apprehended the boys and their parents are to take care of the damages.

Six persons paid fines of \$20.50 on charges of being drunk.

Williams Robert Olmor was charged with wife and child desertion and a warrant sent to officers at Houston.

Joe Mola was charged with resisting an officer in city court.

Charlie Mendosa was charged with assault and received a fine of \$20.50.

James V. Morgan was charged with forgery and his bond has been set at \$1,000.

Manuel D. Lugo was arrested following a Christmas party at the Gabbert Packing Co. on December 24 and a number of gifts recovered. He is alleged to have taken the gifts from a car parked outside the plant. He received a fine of \$20.70 and 1 day in jail.

Eserdo Rodriguez was fined \$20.50 for no driver's license.

Several other cases were still being investigated by local officers but no arrests have been made or charges filed.

J. C. Harvey, Johnny Jackson and Bobby Collins were apprehended here by local officers for Concho County where they have assault charges filed against them.

Cecil Price paid off on a checking charge at Belton in the amount of \$72.

Gary Dean Odell has been arrested and charged with burglary of dynamite, fuse and caps from the Continental Oil Co. magazine last week. He and Fred R. Sturm Jr. have been charged with property damage following an explosion of 25 sticks of dynamite on the Otto Goetz farm 1/2 mile from Rowena. Officers recovered a large amount of dynamite and fuses after the pair were arrested following the blast on December 26.

Donald McIntire has been apprehended and charged with carrying a pistol and was fined \$174.50.

James McAllister was arrested here and charged with forgery. Herman Schuhmann was arrested here and three charges of forgery filed against him.

FEW FOOTBALL FANS TO SEE BOWL GAMES

A few Ballinger football fans were in Dallas Wednesday to attend the Cotton Bowl game between Navy and Rice. The securing of tickets kept some away from the game, however there were a number of tickets mailed to those who made early applications. Included among the ticket holders were George Newby and family, E. M. Lynn and Howard Bramley and family.

Rev. and Mrs. E. R. Gordon are in California and attended the Rose Bowl game between Oregon and Ohio.

BACK HOME IN OTTAWA—Bill Girard, center, the 22-year-old ex-G.I. made famous by his Japanese manslaughter trial, is back in Ottawa, Ill., with wife, Candy, and brother Louis. Louis also made international news with trans-oceanic phone calls to Bill, advising him during the pre-trial uproar whether the case would be tried by a U.S. court-martial or the Japanese judicial system. Neither Girard, who received a suspended sentence, nor the Army would reveal what sort of service discharge he was given.

County Estimating Cost For Right-of-Way on 67

A large amount of road work has been completed in the Ballinger area, however there are several other jobs expected to be contracted this year and some under construction will be completed.

The biggest piece of construction will be on Highway 67 from a point five miles west of Ballinger to the Tom Green County line. At this time, right-of-way is being studied for the remainder of this four-lane highway. Commissioner Paul Gordon and Judge W. H. Rapply have made up a list showing the expected price of additional land, the cost of moving houses and other expense which will be caused by the widening of the road and a few changes in the route. This has been filed with the state for their study and will be compared with the values to be set on the same property by the state.

In case the state values the land the same as the county, they will pay one-half of the cost of the right-of-way. In case their appraisal is lower than the county, they will pay only one-half of their appraisal.

Within a short time deals will be made with each property owner along the route in an effort to get all the deeds signed at the earliest time possible. Local county officials hope to have the money for the rest of Highway 67 in Runnels County will be appropriated in May of this year and a contract let before the end of the year.

Good progress is being made on the new bridge across the Colorado River and on the first 3/4 of a mile of four-lane highway. The bridge is expected to be open for traffic in March and the first stretch of road will be completed by that time.

Deeds are also being secured for approximately 7 miles of right-of-way on the farm-to-market road from Rowena east to Highway 83 and then for one mile east of Highway 83 to Belton. A contract is due on the farm to market road in the near future.

Mrs. Carl Manske and Beverly spent the holidays with Mr. and Mrs. Curtis Wiesepape and family. Mr. and Mrs. H. R. Wiesepape and family of Priddy joined the family here for Christmas.

Holiday visitors in the home of Mr. and Mrs. W. B. Burris were Mr. and Mrs. O. D. Burris and children of Killeen, Rev. and Mrs. LeRay Burris and children of B. D. Soose and Mr. and Mrs. D. D. Watkins of Ballinger.

Mrs. Leland Croft of Odessa is improving after major surgery at Odessa last Friday. She is the daughter of Dorothy Chaney of Ballinger.

Football Banquet Tickets Selling; Date January 13

The Bearcat Quarterback Club launched a ticket sale this week for the annual football banquet which will be held at the West Ward school cafeteria on Monday night, January 13. Arrangements are being made to handle approximately 300 people this year with first tickets going to the entire high school squad, their dates, parents of the boys and then to fans.

This is the first banquet in several years which has been opened to the ladies and a capacity crowd is assured because of this fact. A road program will also help the ticket sale and all fans who desire to attend are urged to contact Dock Wilson for plates as soon as possible.

George Sauer, athletic director at Baylor University in Waco, and formerly one of the big coaches of the nation, will be the guest speaker this year.

Coach Paul Stewart, Bearcat coach, will present the other coaches of his staff and will also introduce all the boys, giving their classification and other information about each one.

Other guests at the banquet will be the yell leaders, the band sweetheart and the band director.

Dock Wilson, president of the Quarterback Club, will be master of ceremonies for the program.

The club has also announced January 27 as the date for the junior high football banquet. It will be held at the Acapulco Cafe with Bob Wright, coach of Howard Payne College, as the speaker.

EXPLORER POST HOLDS SCAVENGER HUNT HERE

Explorer Post No. 429, sponsored by the Ballinger Lions Club, held a scavenger hunt on Saturday night, December 21, and assembled food items to take care of a needy family. They were so successful with their hunt that they plan to make it an annual affair and next year will plan to take care of five families instead of only one.

After the hunt, the boys and their dates went caroling and complete their service and social meeting.

The post recently received national recognition for their increase in enrollment. They started with six members and have now reached a total of 15. LaVelle Foy is advisor for the post.

Flood Damage Benefits For Farmers of County

The Runnels County ASC office started a program on January 1 which will include many activities.

Buddy Gray, office manager, announced this week that the county had received approval for a large sum to be spent in a flood program of reclaiming and repair of land damaged by flood waters. It must be understood that this money is strictly for flood damage and not damages caused by excess rain. It will include rebuilding of terraces, tanks, land leveling and removal of debris along with other damages which can be established as flood injury to the land.

On January 13 farmers will start signing up to place cotton land in the soil bank program. The payment rate will be sent out this week-end and in general will be about \$2 per acre more than last year.

Announcement has been made that a school for reporters who will be used to measure wheat and cotton acres, will be held here on January 3. The school will be conducted at the ASC office and applicants for jobs will be given complete instructions in regard to the program.

The sign-up is also underway for the conservation reserve which are the long time contracts in the soil bank program. The county will start the ACP program at once and a total of \$110,400 has been approved for use in this county. Farmers must make applications for work which they hope to do on their farms and ranches during 1958. This will include tank building, terracing and the other general farm and ranch programs of the past.

February 21 will be the date for applications for new grower cotton allotments. February 7 will be the final date for new peanut grower allotments.

CHENOWETH PLANS JANUARY MEETINGS

Miss Ollie Chenoweth will start meeting with the home demonstration clubs of the county for the entire month of January in special programs. In most clubs, new officers will be elected and a complete organization formed for the operation of the club during 1958.

She will also meet with 4-H clubs and has planned one special training meeting for 4-H adult leaders. This program will be on foods and she will give a demonstration in the preparation and serving of four foreign foods. Included in the list will be Chinese, Mexican and Italian.

The January meeting of the home demonstration council will be held on the afternoon of January 10 and will be an important session.

Miss Chenoweth is preparing a report of her work during 1957 and a resume of this will be published later in the month.

Mr. and Mrs. W. B. Burris and Rosa were week-end guests in the home of Mr. and Mrs. Joe D. Holloway and children in Sierra Blanca.

Ballinger Firms To Observe Six Holidays In '58

Ballinger will observe the same six holidays in 1958 that were used in 1957. Tom Caudle, manager of the Ballinger Chamber of Commerce, made a survey of the town the first of the week and from results of that survey will recommend to the board of directors Monday night that the same holiday schedule be approved.

These will include: New Year's Day, January 1, 1959; Memorial Day, May 30; Independence Day, July 4; Labor Day, September 1; Thanksgiving Day, November 27; Christmas Day, December 25.

These days will be observed with most of the local business firms closing. In case of a special closing on some other date, a petition will be circulated. Each year local business firms set up six holidays through the chamber of commerce and these are given the proper publicity in advance of each date.

Banks, postoffice and several federal offices observe other holidays during the year.

Assembly Of God Church Announces Revival Meeting

The First Assembly of God Church will begin revival services Sunday, January 5, and will continue through Sunday, January 19.

J. H. Holland will be in charge of the special music and groups from Winters and San Angelo will also be bringing special music during the services.

The First Assembly of God Church is located at the corner of Tenth Street and Murrell Avenue.

Services will begin at 7:30 each evening and nursery care will be provided.

SOCIAL SECURITY VISITS ANNOUNCED

A representative of the Social Security office in San Angelo will be in Ballinger twice each month for the first quarter of 1958. He will spend a day here at the county office building on the southeast corner of the court house lawn and will be glad to meet all who have business in connection with their claims.

The dates arranged for Ballinger will be: January 8 and 22; February 5 and 19; March 5 and 19.

Anyone wishing to file a claim for retirement, survivors, or disability benefits under the Social Security Act, or anyone having questions to ask, is invited to meet the representative when he is in Ballinger on the above dates.

Christmas guests in the home of Mr. and Mrs. John Semicek were: Mr. and Mrs. Alvin Semicek of Uvalde, Mr. and Mrs. Terrell Holliday of San Antonio, Mr. and Mrs. Houston H. Simmons and family of Tulla and Mr. and Mrs. Robert Mikeska of San Angelo.

Miss Marilyn Sommer of Houston spent part of the Christmas holidays here with her parents, Mr. and Mrs. Edward Sommer.

Bill Crockett, student at the University of Texas, has returned to his school work after a Christmas visit with his family.

Mr. and Mrs. Jack McKay of Corpus Christi were holiday visitors here with Mr. and Mrs. Herman Herring and Mr. and Mrs. Zid Herring.

Eleven New Directors To Chamber Commerce

Annual Banquet Program Is Set For February 7

The date for the annual membership meeting and banquet of the Ballinger Chamber of Commerce has been set for Friday, February 7, at the West Ward school cafeteria. The menu will be planned and served by Mrs. Bernie Cervenka and her lunchroom staff. Table decorations will be by a committee from the Civic-Garden Club.

Edward Drake of Dallas will be the guest speaker this year. Mr. Drake is an attorney and for a number of years has been outstanding in his civic work in Dallas. He is married and is a veteran of World War II. During his service he was a B-17 pilot and was shot down in February 1945 over Germany.

At the present time he is teacher of a large Sunday school class at the First Baptist Church in Dallas. He is vice-president of the junior chamber of commerce. In 1956 he was the headliner for the Dallas Press Club and that same year received the distinguished service award from the junior chamber of commerce. He serves with the YMCA, boy scouts, Dallas health museum and the Crusade for Freedom.

He and Mrs. Drake will visit Ballinger and will be house guests of Mr. and Mrs. Max McCrary Jr.

Special entertainment numbers are being arranged and will be announced later. Orland Rury will serve as master of ceremonies and Buck Coleman, retiring president, will present the outgoing directors and then introduce the new president.

Tickets will go on sale some two weeks before the banquet and a limit will be placed on the number of plates to be served.

Rodeo Club Sets Special Program Here January 10

The Ballinger Rodeo Club is sponsoring Dan Beard and his Crew Cats on January 10 at the recreation hall at Bruce Field. Members are now selling tickets in Ballinger and the surrounding area.

The Ballinger Rodeo Club has its club house on Hutchings Avenue in Ballinger. It was organized recently for the purpose of sponsoring rodeos this summer and for other activities which will include the entertainment of young people of this area. Anyone wishing to visit at any time other members are present or at any regular meetings may do so and adults are always welcome.

The club was organized for a bigger and better understanding of rodeo life and persons do not necessarily have to be contestants to become a member. By-laws have been adopted which have rules of high standard to be in force at all club sponsored events.

Meetings of the club are to be held each first and third Friday nights. Monthly dues are charged and the club house will be open to members at all times. Music and refreshments are provided at all entertainments.

GOTCHER REPORTS SEVEN AREA WRECKS

M. E. Gotcher, state highway patrolman, stated Tuesday that holiday drivers in the Runnels County area were well behaved during the Christmas holidays. During the Christmas-New Years period he investigated seven wrecks and only one resulted in persons being injured. This happened Christmas on Highway 67 east of Ballinger.

Another wreck in which three were injured occurred on Eighth Street in Ballinger and was investigated by city police.

During the holidays Gotcher issued 12 tickets for speeding, 2 for following too closely and one for driving off the roadway. Summing it all up Mr. Gotcher stated that drivers were more careful this year than usual and that practically all were observing all rules of safe traffic.

The Ballinger Chamber of Commerce has elected eleven new directors who will serve a two year term. The new group will meet with the holdovers at the next regular meeting, Monday, January 6, at which time officers will be elected and the organization for 1958 will be completed.

Ballots were mailed to all members of the organization in December asking that each vote for four eligible members to serve for the next two years on the local board. The eleven receiving the largest number of votes and who would agree to serve, have been declared the new directors. This was a new plan for selecting directors here and no nominating committee was used. Those elected for two year terms on the board are:

Claude Mansell, implement dealer

Jake Lawson, gas company manager

H. H. Hamner, utilities

Wylie Hearn, wool warehouse

C. A. Bissett, service station

Jack Fry, Co-op gin manager

Harry Lynn, banker

Charles Clifton, plumbing

Cecil Darby, contractor and materials

L. M. Bowden, barber

Harold Adling, dry goods

Hold-over members of the board who have one more year to serve are: Chester Afflerbach, Horace Attnip, Jimmy Nichlas, Mrs. Lawrence Blackmon, Mrs. Malcolm Morgan, Mrs. Audra Grant, Mrs. G. D. Pullin, Garland Nix, Joe Forester, Charles Hambrick and Earl Baker.

Buck Coleman is the retiring president who will complete his term at the next regular meeting.

Two important annual features are confronting the new board. The first is the staging of the annual livestock show and the second is the annual membership meeting and banquet. Plans have been made for both of these occasions but the exact date of the banquet has not been set.

Weekly Livestock Sale During 1957 Was Tops In Area

The weekly livestock sale held in Ballinger each Monday at the Ballinger Auction and Commission Co. on the Bronte highway, has attracted large crowds. It is one of the outstanding sales of its size in this section of the state and all during 1957 large numbers of livestock were run through the ring and the prices were high each week.

One of the best sales of the year was held on the final Monday in 1957 with a large number of animals in the pens and the prices were the highest in the past two years. Buying was fast during the afternoon in all classes.

W. B. (Red) Weatherford, operator of the sale, has expressed his thanks to the buyers and sellers in this section and has announced that he will continue the sales each Monday afternoon during 1958. He invites all livestock raisers to bring their surplus to these sales and see the fine response of buyers.

Monday afternoon fat calves brought from 19 to 25 1/2 cents, stocker cows 10 to 14 cents, cows and calves from \$115 to \$190 per pair, stocker lambs 22 cents, ewes and lambs \$20 per pair and weighing ewes \$9 per hundred. The top price on hogs was 19 1/2 cents.

Visitors are invited to attend the sale any Monday afternoon and see how it is operated. The sale is a benefit to all this area, offering a market each week and also bringing many people to Ballinger for the sale each Monday.

Dr. and Mrs. Francis M. Pearce and children, Sarah Jane, Stephen and John Charles, returned to their home at Austin following a holiday visit with Dr. Pearce's parents, Mr. and Mrs. F. M. Pearce. They were accompanied home by Fanny and Rinky Pearce who will visit in Austin the remainder of the week and will return home with their grandparents, Mr. and Mrs. F. M. Pearce.

Miss Griffee Atkins of Odessa was a guest of Mrs. H. G. Agnew the past week-end.

FEELING NO PAIN—Smiling Cindy O'Hara, 18, "Miss International Auto Show," bears up very well under the strain as seven tons of truck rolls over her in San Francisco. The unusual vehicle, which moves on huge, sound-deadening pneumatic pillows instead of conventional wheels and tires, rolls the rollers. On display at the 32nd annual San Francisco International Auto Show, the truck is able to "absorb" road and other bumps (like Cindy) by "floating" around them. It is 100% egg-beat heavy load after very rough ground.

Miss Mildred Dorotik Becomes Bride of Franklin Polasek

The wedding of Miss Mildred Dorotik and Franklin T. Polasek was solemnized Thursday, December 26, in St. Austin's Catholic Church in Austin.

The double ring ceremony was performed by the pastor, Rev. Robert J. Murphy, C.S.P., at 9:00 a. m. Red poinsettias and white tapers burning in candelabra were the altar decorations and arrangements of white gladioli and palms were in the sanctuary.

The bride is the daughter of Mr. and Mrs. Frank Dorotik of Rowena. The bridegroom is the son of Ed A. Polasek of Wharton and the late Mrs. Polasek.

Nuptial music was presented by Miss Billie Koenig of Cuero. Mr. Dorotik gave his daughter in marriage. She wore a white formal gown of hand clipped Chantilly lace over taffeta. The semi-sweetheart neckline of the fitted bodice was edged with scalloped lace

defined by seed pearl paillettes. The sleeves tapered to points at the wrist. The bouffant bell-shaped lace skirt cascaded to the sides and formed a wing drape over the back cascade of alternate scallops of lace and tulle ruffles extending into a fan shape chapel train.

Her veil of French silk illusion fell to fingertip length from a crown of lace encrusted with tiny seed pearls. She carried white roses centered by a purple-throated orchid.

Miss Monica Cooke of Ennis was maid of honor. Bridesmaids were Miss Mary Ann Dorotik of Rowena, sister of the bride, Miss Alice Polasek of Wharton, Miss Emily Kpinta of Yoakum, and Miss Jo Ann Studdert of Houston. Attendants were identically attired in gowns of sky blue Chantilly lace over taffeta. The moulded bodices were designed with scooped necklines and accented by white shortie gloves. Sleeves were brief. The bouffant waltz-length skirts emphasized the basque bodices. They wore matching bow bandeaux and carried colonial bouquets of red roses.

Bob Carroll of Dilley was best man. Groomsmen were Dan Polasek of Wharton, the bridegroom's brother, Rusty Vanderzee of Carrizo Springs, Johnnie Polasek of Wharton and Howard Kvapil of Mereta. Ushers were Don Hudson of Wichita Falls and James Marecek of Rowena, cousin of the bride.

A reception was held in the Texas Room at the Commodore Perry Hotel in Austin.

For traveling to New Orleans on their wedding trip, Mrs. Polasek wore a costume of gun-metal gray wool. The sheath was topped by a waist length jacket. Her accessories were black.

The bride, a senior student at the University of Texas, will receive a bachelor's degree in English in January. President and head advisor of Newman Hall, she is also secretary-

How to Keep a Free Press FREE

SELDOM does Freedom of the Press disappear in one annihilating blow.

In countries where the Press has been chained, there was first a period when it failed to realize and resist the beginnings of its end — the first encroachments on its freedom. There were powerful interests, which wanted certain facts "kept out of the newspapers." There was pressure here and pressure there to have the truth withheld.

Before the Press of any nation succumbs to tyranny, there always has been a period of failure to speak out.

Here in America there is only the limitation of national security — the necessity to protect and preserve confidential military and scientific information — which can be accepted by a Press that is determined to stay free.

America's newspapers have made, and will continue to make, a conscientious effort to protect that security — at the same time keeping the people informed as fully as possible on all matters concerning their welfare. So long as American newspapers pursue that policy fearlessly, our Press, our people and our country shall remain free of tyranny.

PERSONAL SERVICE makes the difference ... in insurance, too!

Kids, kittens and puppydogs often require the personal service of a friendly adult.

But then adults have their problems, too—accidents and losses, for example, that call for prompt efficient personal service.

Here is where we can help you ... by giving you the right protection before a loss, the right treatment afterward.

Why don't you ask us about an Aetna Casualty Policy with the P.S. ... soon?

Get more than just a policy ... get an Aetna Casualty policy—the policy with the **P.S.** * Personal Service
